For more information contact Christian Public Servants at (209)578-0102.

### **Concrete Industry Management (CIM) Scholarships**

CIM at California State University, Chico is one of only four university programs in the U.S.-and the only one on the West Coast-that offers concrete construction and business education in collaboration with industry leaders. The \$200 billion concrete industry urgently needs professionals with the knowledge and know-how to meet the challenges of this rapidly changing, progressive business sector. If you can handle trigonometry, the fundamentals of chemistry and physics, and technical and business courses, then you can benefit from very good, very concrete career opportunities. Excellent careers in Concrete Industry Management include: technical sales for concrete products & equipment • marketing concrete production & finishing equipment • concrete product distribution management • concrete production management (concrete block, concrete pipe, ready-mix & pre-cast/pre-stressed concrete) • concrete specialists for engineering, architectural, and construction firms. Eager to employ CIM interns and graduates, the concrete

industry offers full scholarships and well-paid internships. A new major available in California only through CSU, Chico. For more information, contact KRISTIN COOPER CARTER, DIRECTOR at (530) 898-4073 or at [cim@csuchico.edu](mailto:cim@csuchico.edu).

### **Datatel Scholars Foundation**
