1000 - Use of District Facilities – 2nd Reading

Policy

The Board of Trustees permits community use of District and College facilities when such use does not interfere with District or College activities.

Although the use of District/College facilities will normally be limited to recognized nonprofit organizations, which have or are eligible for Internal Revenue Service tax exempt status, the Board of Trustees may approve the use of District/College facilities for private profit-making purposes on a case-by-case basis.

No person while in or on District/College buildings or grounds shall possess, consume, give or deliver to any other person any alcoholic beverage, other intoxicants or narcotics. Exceptions may be granted to serve wine in conjunction with events (fundraisers) sponsored by the Modesto Junior College Foundation and/or the Columbia College Foundation as provided in the Business and Professions Code, Section 25608. These exceptions require prior approval of the College President and the District Chancellor.
