

MODESTO JUNIOR COLLEGE
STAFF RESOURCES ADVISORY COMMITTEE

Mission: The Modesto Junior College Staff Development Advisory Committee supports the ongoing professional growth of all college employees through collegially planned learning opportunities that promote continuing education, equity, diversity, personal and career advancement, and civic engagement in support of the institution's Strategic Plan.

Goals:

1. Coordinate the staff development process, resources and activities, incorporating recommendations from faculty, classified and management advisories and other college constituencies.
2. Ensure that appropriate staff development opportunities exist to support the identified needs of faculty, classified and management staff.
3. Design and disseminate a variety of staff development resources in a various delivery modalities.
4. Develop external relationships and funding to support staff development initiatives and operations.
5. Provide a communications network to facilitate the campus-wide exchange of information regarding staff development needs, opportunities and events.
6. Facilitate the dissemination of information about and the availability of resources to support departmental or division-sponsored staff development opportunities.
7. Evaluate the effectiveness of activities and opportunities offered by the Staff Resources Advisory Committee.
8. Conduct periodic needs assessments regarding staff development procedures and activities.
