1. Check-in
2. C. Martin voiced a concern about the Self-Study. He said that members of his team were seriously concerned about things he had written. He said they were unaware of the processes he had written about. After some discussion, the committee agreed to make a formal recommendation to the Professional Development Committee that time be allocated at spring Institute Day to communicate these processes to the entire campus community.
3. The committee discussed the Strategic Plan and review of the mission statement. The committee agreed to make a formal recommendation to the Planning and Budget committee to revise the Strategic Plan to have a smaller and more focused set of strategic goals.
4. K. Hart asked the committee to review the draft of the *Annual Status Report* and add any parts people think are missing.
5. Check-out
