Agenda
Wednesday, April 17, 2013

- **Welcome and Introductions**
- **Marissa Duran** - SCOE report
- **Mickey Boelter** – Report on Modesto City Schools
- Course recency discussion

Modesto Junior College
Child Development Advisory Committee
Minutes
Wednesday, April 17, 2013

- **Welcome and Introductions**

- **Lisa Henry - SCOE** – Lisa talked about the sequestration from the Government. They are in the planning stages and except a 5% cut.

  CCRR & First 5 will be merging for their annual conferences. The conferences will be changing to August & February, so that they can be offered every 6 months. The focus this year will be the Preschool Foundations I – Math (Aug.) & Science (Feb.). They are currently looking for presenters/speakers.

- **Tanya Vander Weide**– She asked about Early HS Home Based time for socialization. Can they use the MJC Toddler Lab on days when not in use? They need a place for to meet once a month. Rosemary Sandoval (Empire) offered that they have a building that is being used only 2 times per month.

- **Rosemary Sandoval – Empire USD –** She asked about mentoring program, Re: talking to Paras, staff, etc. (people skills, adult interactions). Laurie Hatch told her about the 2 unit Mentoring class offered here at MJC. Janet Chisler suggested the Administration Class. Debbie Laffranchini offered suggestion of mentoring at site, offering students opportunities to talk to parents. Mandy Jenkins offered the suggestion of need for continuing trainings. Tanya VanderWeide suggested that maybe in the future; SCOE could have a workshop focused on Adult relationships. Debbie Laffranchini talked about a Home Base class/training offered through Community Education.

- **Course recency –** Laurie hatch brought up the subject of course recency. Laurie passed out three sheets of paper with the courses from the past. It was discussed that CLDDV 245 & CLDDV 249 are now the only old classes being used for equivalency. There are 2 master Teacher Specialization certificates built into the degree. Information/Warning will be posted on Black Board and Website now!!

- New assembly bill requires Community Colleges to have 60 unit degrees by Fall 2014 (AA-T or AS-T). This is basically the old teacher permit with General Education.

- Debbie Laffranchini offered that starting next year, there will be a Student Success Initiative. If you already have 90 units, you can't get FAFSA, and there may be a cap on W's.

- Laurie Hatch wanted to let the group know that Mandy Jenkins received the award for Favorite workshop this year from CARE Program.

- Pam talked about the extensive summer school offerings this year. A flyer was passed around with all the summer classes offered.

- Lisa Henry wanted to remind students that the Health & Safety Scholarship covers CPR class; online classes are <u>NOT</u> covered by the scholarship.

The Child Development program at Modesto Junior College is designed to meet the academic requirements of the California Commission on Teacher Credentialing for the Child Development Permits, Title 5. In addition, courses designated for the Associate Teacher will meet the academic requirements of Title 22, Community Care Licensing, for a fully qualified teacher. Students are advised to follow the suggested flow of courses that meet MJC graduation requirements as well. Electives may be selected and used to meet the Master Teacher Specialization or the Site Supervisor Permit requirements. See an Instructor for guidance and assistance.

Modesto Junior College Child Development Major And Child Development Permit * Planning Sheet

	MJC Core Courses	Units	Grade	Notes
Skills Recognition/ Associate Teacher Permit	Introduction to Early Childhood Education **CLDDV 101**			
	Child Growth & Development **CLDDV 103 (OR 104 &105)**			
	Introduction to Curriculum **CLDDV 107**
