Exhibit A
Description of Services

1. General Description

Higher One will arrange for each User to have access to a DDA, held by a licensed depository institution (the "Bank") that will allow for deposits and withdrawals from DDA. All DDAs will be insured by the Federal Deposit Insurance Corporation ("FDIC"). Deposit transactions may include those initiated electronically, through mail and by phone. Withdrawal transactions may include those initiated by the User directly through the use of the DDA Card, online or through paper checks.

Higher One will provide each User with a co-branded Institution / Higher One MasterCard® (or other network) debit card ("DDA Card") that will provide access to each User's DDA. The Services to the Institution relating hereto will include the following:

- a. developing the design of the DDA Card;
- b. personalizing the DDA Card with full name, and expiration date;
- c. encoding the DDA Card with an ISO 16-digit card number (generated by Higher One) and, if necessary (as determined by the Institution), the Institution identification number as determined during set-up;
- d. delivering the DDA Card to Users via U.S. Mail or other method agreed upon by Higher One and the Institution;
- e. disbursing of all funds that the Institution delivers to Users, including financial aid credit balances, tuition overpayments and similar ("Student Disbursements"); and
- f. issuing standard reports relating to Student Disbursements.

Higher One shall disburse all Student Disbursements to Users. U.S. Department of Education Title IV regulations ("Title IV Regulations") loan refunds will be made within the timelines dictated by all applicable laws, rules and regulations, including the Higher Education Act under Federal Cash Management Rules. Users will have the option to receive the refunds deposited directly into the DDA, through an electronic ACH transfer to a third party bank account or by paper check. If a User does not have a valid refund preference selection and such Institution Disbursement is subject to Title IV Regulations, Higher One will issue a default paper check to such User, within twenty-one (21) days of receipt of the refund data and wire transfer, to the address that Higher One has on file for such User, if such an address exists. To initiate the Institution Disbursement, the Institution will provide to Higher One data indicating recipients of funds. To confirm the disbursement request, the Institution must wire transfer the funds to an account designated by Higher One.

Upon the request of the Institution, Higher One will provide functionality to allow Users to use funds in their DDA for on-campus purchases through the Institution One Card system. In the event of an error or if a User has a negative balance in his or her respective DDA, Higher One is authorized to reverse any transfers to on-campus spending accounts, if the funds are still available in such account.

The Institution may elect to make the DDA Card the official identification card of the Institution at no additional cost during the implementation process. To qualify for this no-cost option, the Institution shall notify Higher One in writing prior to finalizing the design of the Institution's DDA Card.

2. Marketing

Higher One shall have the limited right and license, for the purpose of fulfilling all of the Services, to use the current and future respective name, trademarks, service marks, copyrights and logos of the Institution. Specifically, the Institution gives permission to Higher One and its check printing vendor, currently Deluxe Financial Services, to use the Institution name and the Institution logos for the purpose of check printing. This permission is granted royalty-free and may be used exclusively by Higher One and its affiliates for accounts associated with the Institution.

Higher One will develop and distribute information marketing the Services to Users by any one or more of the following methods: email, direct mail, telephone, Institution distributed mail, posters, brochures, press releases, and news advertisements. Higher One and the Institution will jointly approve any marketing materials using Institution marks. Higher One will contact DDA accountholders with information regarding their accounts and related services, as permitted or required by law. The Institution will allow Higher One to include marketing materials in appropriate Institution mailings, and use its best efforts to promote and encourage use of the DDA through on-campus and alternative methods. Additionally, the Institution will provide Higher One a means of contacting all Users electronically to inform them about the Services. To the extent possible, the Institution will inform each User's parents (if applicable) about the Services.

3. Customer Service

Higher One will maintain its standard co-branded Higher One / Institution website that will provide the following functions: DDA information, including transaction information, electronic funds transfer request capability, disbursement status information, other standard customer request capabilities, customer service contact information and other relevant Higher One and the Institution information. For additional customization of website functionality above the standard offering, Higher One will provide a price quote to the Institution prior to commencing customization work. Higher One shall provide industry standard customer service with respect to the Services for every User. Communication channels between the Users and Higher One shall include phone, email, US mail, fax and website. Website availability shall be subject to scheduled and unscheduled downtime, which Higher One shall communicate to the Institution if possible.

4. ATMs

Higher One or one of its affiliates shall purchase or lease the number of ATMs specified on the first page of this Agreement at Higher One's cost and shall be permitted to install such ATMs, and related equipment, on the Institution's premises. The ATM(s) shall be installed, serviced and maintained by Higher One, one of its affiliates or a third party contracted by Higher One or one of its affiliates. The ATM(s) shall use a major ATM network that will facilitate national and international access.

5. Rewards and Deals

Higher One, one of its affiliates or a third party contracted by Higher One, may maintain various rewards and incentive programs, from time to time, that would be available to Users. Higher One shall be responsible for the recruitment and management of participating merchants, deals and other promotions, and the assignment and administration of any User benefits. Higher One shall be responsible for informing Users of any such programs offered and the associated terms and conditions of the respective programs.

6. Optional Services (upon mutual agreement)

Higher One and the Institution may agree that Higher One shall provide the Institution additional services under this Agreement (which are not otherwise included pursuant to the terms of this Agreement) including, but not limited to, the following:

To the extent that Higher One and the Institution agree that Higher One shall provide certain optional services, such additional optional services can only be added by a written amendment, addendum or additional exhibit to this Agreement, and additional charges for such optional services may apply.

7. Miscellaneous Higher One Obligations

Pursuant to the terms of this Agreement, Higher One shall be responsible for the following actions:

- d. providing secure logins to authorized representatives of the Institution that will allow access to standard reports online related to Student Disbursements and other information.

The Institution shall be responsible for the protection and the management of the logins of each of its authorized representatives into Higher One's systems and shall be liable for any disclosure, theft or abuse of logins.

8. Charges to the Institution

The Institution shall pay to Higher One the fees and amounts as described below. The Institution acknowledges that the fees and other amounts due to Higher One, as set forth below, do not include taxes, duties or other governmental charges including, but not limited to, sales, use, excise, and value added taxes (but excluding any taxes imposed on Higher One's income), and the Institution shall pay such taxes if applicable and levied or imposed by any government authority in connection with the Services.

8.1 Institution Charges

(a) **Set-up and Implementation Costs:** The Institution acknowledges that Higher One commits a significant investment in set-up, marketing and other implementation-related services. With the exception of causes outside the control of the Institution, in the event that the Services are not launched by the "Go-Live Date" set forth on the first page of this Agreement, the Institution agrees to pay Higher One for any and all reasonable and documented implementation expenses.

(b) Commencing June 1, 2011, the Institution agrees to pay Higher One an annual subscription fee of \$5,000 for the following OneDisburse services, including and limited to:

- new cards;
- inactive replacement cards;
- disbursements (DDA, ACH, paper checks and default Title IV paper checks);
- refund reversals; and
- four (4) ATM placements.

The Institution may elect to eliminate the paper check option on the cobranded website at any time.

The Institution and Higher One agree that Higher One will collect active replacement card fees directly from Users.

Higher One shall provide DDA Cards to all Users who are credit-seeking students enrolled at the Institution.

To the extent that the Institution processes less than 90% of all Student Disbursements through Higher One's One Disburse® system in any given semester, Higher One reserves the right to charge the Institution a card maintenance fee of \$1 per month per User.

(c) Additional Charges: The Institution may request the following optional services (which are not otherwise included pursuant to the terms of this Agreement) and the cost of such services shall be quoted upon request:

- a. non-standard features on the co-branded website and custom reports;
- b. additional ATM placements;
- c. exception handling for Funds Disbursements;
- d. non-basic marketing support or changes to standard marketing materials;
- e. modifications to card design after approval, or additional card features such as proximity or smart chips (pricing above includes standard embossed mag-stripe cards only);

The aforementioned optional services will be quoted at Higher One's standard hourly rates at such time. The current standard hourly rate is \$275 per hour for technical and project management time. For large projects, discounts on the standard hourly rates may be available. For the avoidance of doubt, to the extent that Higher One and the Institution agree that Higher One shall provide any of these optional services listed in this subsection (c), such additional optional services can only be added by a written amendment, addendum or additional exhibit to this Agreement, and additional charges for such optional services may apply.

8.2 Invoices

The Institution agrees to pay Higher One an amount equal to \$5,000 by June 1, 2011. Thereafter, the Institution agrees to pay Higher One an amount equal to \$5,000 annually, by June 1st of each respective calendar year, for the Term of the Agreement. To the extent that an invoice is issued to the Institution for charges incurred, the Institution shall pay such invoices within thirty (30) days of the date of the invoice. In the event any amounts due remain unpaid beyond the 30th day, Higher One reserves the right to charge the Institution a late fee of 1.5% of the unpaid amount for each month such amount remains unpaid. With the exception of any amounts that the Institution disputes in writing and in good faith within thirty (30) days of invoice date, the Institution agrees that it shall neither make nor assert any right of deduction or set off from fees on invoices submitted by Higher One. The Institution acknowledges that the above pricing structure is based on Higher One being allowed to provide all of the Services contained in this Agreement. Any change to the terms, scope, timeline or the Services may result in a modification to the pricing set forth above. Additionally, Higher One reserves the right to increase any fees and prices annually by a factor not to exceed the greater of 5% or the U.S. Department of Labor, Consumer Price Index.

Campus Assistance with Customer Identification Program

The U.S.A. Patriot Act (the "Patriot Act") was passed in an effort to prevent terrorist funds from flowing freely within the United States banking system. Under the Section 326 of the Patriot Act and certain other banking regulations, banks and other parties that handle or transmit funds must have a Customer Identification Program ("CIP"). The CIP ensures that required identity information is not only verified but is retained properly. Higher One's CIP process and website will handle compliance with the Patriot Act. Although Institution participation with the CIP is optional, many clients of Higher One elect to participate for several reasons. Participation with the CIP enhances the Institution's program convenience for students and ensures that the Institution's staff has real-time access to verification tools and reports available through Higher One. Higher One understands that it is not always possible to assist with the CIP verification for all students (i.e. distance learners). The Institution's participation with the CIP helps promote teamwork and adds value to the program.

There are several areas where a process for CIP may occur at the Institution. Although a CIP process may already be a part of a department at the Institution (e.g., Admissions, Card Office, ID functions), it is common to integrate a process into daily operations at any and all points in which identification is currently being verified. Many Higher One clients choose to integrate the CIP process with its business office, carding functions and orientation sessions. Higher One can share best practices with your campus and help with the CIP process.

In the event that the Institution agrees to participate with the CIP described below, the Institution shall be responsible to verify the accuracy of the information collected, as required by laws and regulations, such as FERPA and the Patriot Act, and retain any required records of such verification and Higher One and the Institution hereby agree as follows:

a. *Information to be obtained and verified.*

The Institution agrees to obtain at least the following information for each prospective accountholder that requests assistance in verification of identity: First Name, Last Name, Date of Birth and Physical Address. The Institution shall verify such information by examining an unexpired U.S. or foreign government issued photo identification document that shows the nationality or residence of the individual, such as passport, US drivers license, US state or federal issued ID card, US Military card or US Coast Guard Merchant Mariner card. The Institution shall transmit at least weekly to Higher One, either electronically or on paper, information regarding the documents examined for each customer, including document number, place of issuance, expiration date and issuance date, if applicable. Higher One will store these records that will be Higher One's records for purposes of complying with the Act, in compliance with applicable rules. If a prospective accountholder's identity cannot be verified as described, the Institution shall notify Higher One thereof, so that Higher One can perform alternate verification methods.

b. *Right to Review.*

Higher One shall have the right to supervise and oversee the Institution's procedures for obtaining and verifying the identifying information and to review records kept as described in Section (a) above. Higher One has an assessment program in place, in which it will review the customer identification services being performed on an annual basis, in which it will review a sample of the records created by the Institution. In addition, Higher One reserves the right to perform on-site visits to review the verification process, as appropriate. If the Institution fails to comply with its CIP obligations as set forth herein, Higher One will take steps necessary to verify customers' identities. If Higher One is unable to verify customers' identities, OneAccounts may be refused to those customers' in accordance with Higher One's Customer Identification Program.

c. *Miscellaneous.*

To the extent that the Institution elects to assist with the CIP, because the Institution would be performing customer identification services for Higher One, the Institution acknowledges that it would be a third party service provider to Higher One and could be subject to assessments by agencies and entities other than Higher One related to the customer identification functions as if such functions were performed by Higher One on its own premises.

Yes, the Institution agrees to the terms and conditions above.

(Default if neither box is checked)

The Institution declines to assist with the CIP at this time.

4. COMPLIANCE AND WARRANTIES OF PARTIES

4.1 Compliance. Higher One and the Institution shall comply in all material respects with any Government Rules, Operating Rules and Higher One Materials applicable to the Services and/or the performance of their obligations hereunder.

4.2 Higher One. Higher One represents and warrants that: (i) its performance of the Services materially complies with all applicable Government Rules; (ii) none of the Higher One Materials contains any defamatory, damaging, obscene or offensive materials, or any materials that knowingly infringe or breach any third party's copyrights, trade secrets or moral rights; and (iii) all storage, maintenance and use of the Institution Data by Higher One will materially be in compliance with all Government Rules.

4.3 Title IV Program Compliance. Higher One agrees to the following: (i) to comply with all statutory or regulatory provisions, and special arrangements, agreements, limitations, suspensions, and terminations entered into under Title IV of the Higher Education Act program ("Title IV HEA Programs"); (ii) to refer to the U.S. Department of Education Office of Inspector General for Investigations any information indicating there is reasonable cause to believe either: (a) the Institution might have engaged in fraud or other criminal misconduct in connection with the Institution's administration of any Title IV HEA Program, or (b) an applicant for Title IV HEA Program assistance might have engaged in fraud or other criminal misconduct in connection with his or her application; (iii) to be jointly and severally liable with the Institution for any violation by Higher One of any statutory or regulatory provisions, and special arrangements, agreements, limitations, suspensions, and terminations entered into under the Title IV HEA Programs; (iv) to make available to the Institution all records in Higher One's possession pertaining to the Institution's participation in the program or programs for which the Services are no longer provided, if this Agreement is terminated, or Higher One stops providing the Services, goes out of business, or files a petition under the US Bankruptcy Code; and (v) to submit any required compliance audit to the U.S. Department of Education.

4.4 Institution. The Institution represents and warrants to Higher One that: (i) it has obtained in writing any licenses, permits, registrations, waiver or other authorizations from any party necessary for Higher One to access and use the Institution Data and Institution System to perform the Services; (ii) the Institution Data is complete and accurate, to the best of the Institution's knowledge, and the Institution has reasonable and appropriate procedures to insure same; and (iii) the Institution Data and the Institution System do not contain any defamatory, damaging, obscene or offensive materials, or any materials that infringe or breach any third party's copyrights, trade secrets or moral rights.

5. CONFIDENTIALITY

5.1 Confidential Information. Higher One and the Institution each acknowledges that it will disclose to the other party confidential and proprietary information that has commercial value to the disclosing party in its business that is not in the public domain. For purposes of this Agreement, "Confidential Information" shall mean (i) all information of a party that is marked "confidential", "proprietary", "internal" or with a similar designation or that from the circumstances a party should reasonably understand to be confidential or proprietary to the other party and (ii) trade secrets, confidential knowledge, know-how, software, technical information, data or other proprietary information or business information regarding business planning and operations of disclosing party.

5.2 Obligations. Each party shall only use the Confidential Information of the other party to perform its obligations under this Agreement. Each party will use at least the same degree of care, but not less than reasonable care, and to the extent permitted by Government Rules, to prevent any disclosure to third parties of the Confidential Information of the other party as it employs to avoid unauthorized disclosure, publication or dissemination of its own information of a similar nature; provided, however, that each party may disclose such information to its employees, agents, subcontractors and vendors who have a need to know such information, who have been advised by the disclosing party of the obligation to preserve such information's confidentiality, and who have entered into a written confidentiality agreement containing obligations materially similar to those contained in this Section. The disclosing party shall be responsible for any breach by any of its employees, agents, subcontractors or vendors of any such confidentiality obligations. Upon expiration or termination of this Agreement for any reason, each party shall return promptly to the other party all Confidential Information in such party's possession and certify in writing to the other party its compliance with this sentence.

5.3 Exclusions. Notwithstanding the foregoing, this Section will not apply to any Confidential Information of a party that the other party can demonstrate as evidenced by written records: (i) was, at the time of disclosure to it, in the public domain; (ii) after disclosure to it, is published or otherwise becomes part of the public domain through no fault of the receiving party; (iii) was in the possession of the receiving party at the time of disclosure not subject to any confidentiality obligation; (iv) was received after disclosure to it from a third party who had a lawful right to disclose such information to it; (v) was independently developed by or for the receiving party without reference to Confidential Information of the furnishing party; or (vi) may be required to be disclosed under Government Rules, or as may be required to comply with legal process, provided, however, that the disclosing party shall first give the other party notice of any such disclosure and shall only disclose so much of the other party's Confidential Information as is necessary to comply with the applicable legal requirement or process. Institution Data shall not be deemed Confidential Information for purposes of this Section but shall be subject to Section 6.

5.4 Equitable Remedies. Each party acknowledges that, to the extent that it breaches (or threatens to breach) its obligations under this Section, the other party will be irreparably harmed. Accordingly, if a court of competent jurisdiction should find that a party has breached (or threatened to breach) any such obligations, such party will not oppose the entry of an appropriate order restraining it from any further breaches (or threatened breaches).

6. INSTITUTION DATA

6.1 Higher One. Higher One agrees to store and use the Institution Data in compliance with all Government Rules, in accordance with any standards or procedures set forth in the Operating Rules, and in accordance with industry standards. Higher One shall share the Institution Data with third parties solely as necessary to provide the Services hereunder or as may be required to be disclosed under Government Rules or to comply with legal processes. All personal User information will be handled per Higher One's privacy policy (as may be revised from time to time) and in accordance with the Family Education Right to Privacy Act (Buckley Amendment) and the Gramm-Leach-Bliley Act, as applicable.

6.2 Institution. The Institution understands and agrees that, to the extent applicable under the provisions of Government Rules, it may be subject to examination by regulatory entities for the Services provided in connection with this Agreement. In addition, the Institution shall comply with all applicable requirements of Government Rules by taking appropriate measures to ensure the security, confidentiality, availability and integrity of all Institution Data and Confidential Information and to protect against unauthorized access to or use of such information.

7. OWNERSHIP

7.1 Higher One. Higher One shall be the sole and exclusive owner of the Higher One Materials, banking and Higher One related items on the DDA Card, and all Intellectual Property Rights in and to them and their derivative works and improvements (as each of those terms is defined and applied under Title 17 and Title 35 U.S.C., respectively) by whomever developed or created. No ownership of the Higher One Materials or the Intellectual Property Rights in and to them shall be transferred to the Institution. "Intellectual Property Rights" shall mean any and all proprietary rights or moral rights in any trademarks, copyrights, trade secrets, patents and patent applications, renewals, extensions, continuations, divisions or reissues, in whole or in part, now or hereafter in force, and any foreign counterparts.

7.2 Institution. The Institution is and shall be the sole and exclusive owner of the Institution System, Institution related items on the DDA Card, and all Intellectual Property Rights therein.

8. INSURANCE

Prior to commencing performance, Higher One shall secure, and maintain in force until termination of this Agreement, not less than the following insurance coverage:

If requested by the Institution in writing, the Institution will be named as an additional insured on the Commercial General Liability and Commercial Automobile Liability policies, and the Workers Compensation insurance carrier will waive rights of subrogation against the Institution. Evidence of such coverages will be provided to the Institution upon request.

9. INDEMNIFICATION

To the extent permitted by the laws of the state in which the Institution is located, each party (the "Indemnifying Party") will indemnify, defend and hold harmless the other party and its affiliates and their respective officers, directors, employees and agents (the "Indemnified Party") from and against any and all losses, liabilities, claims, obligations, costs and expenses (including reasonable attorneys' fees), which result from or arise in connection with any breach by the Indemnifying Party of any of its warranties made including breach by the Indemnifying Party's employees, contractors, subcontractors, agents and assignees set forth herein. The Indemnifying Party shall be promptly notified of any such claim, action, or demand and shall have the right, at its own expense, to participate in the defense thereof with counsel of its own choosing; provided, however, that the Indemnifying Party's decision in connection with the defense or settlement of any such claim, action, or demand shall be final, subject to the terms otherwise contained in this Section. The foregoing states the entirety of the parties' obligations with respect to any claim by any third Party.

10. EXCLUSIONS OF WARRANTIES AND LIMITATION OF LIABILITY

EXCEPT FOR REPRESENTATIONS OR WARRANTIES EXPRESSLY MADE IN SECTION 4.2, HIGHER ONE MAKES NO, AND HEREBY DISCLAIMS ALL, REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AT LAW OR IN EQUITY (INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NONINFRINGEMENT) TO THE INSTITUTION, OR TO ANY OTHER PERSON, WITH RESPECT TO THE SERVICES, THE HIGHER ONE MATERIALS, OR ANY OTHER SERVICES OR MATERIALS PROVIDED HEREUNDER. NEITHER HIGHER ONE NOR THE INSTITUTION SHALL HAVE ANY LIABILITY TO THE OTHER PARTY FOR ANY INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES, UNDER ANY THEORY OF LIABILITY (WHETHER LEGAL OR EQUITABLE), AND IN NO EVENT SHALL THE AGGREGATE LIABILITY OF EITHER PARTY TO THE OTHER PARTY UNDER THIS AGREEMENT EXCEED THE TOTAL AMOUNT OF FEES RECEIVED BY HIGHER ONE FROM THE INSTITUTION UNDER THIS AGREEMENT FOR THE SIX (6) MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO SUCH LIABILITY.

11. DELAY – FORCE MAJEURE

Neither party shall be liable to the other party or be deemed to be in breach of this Agreement to the extent that performance of such party's obligations under this Agreement are delayed or prevented as a result of any event beyond the reasonable control of a party and shall include, without limitation, (i) Acts of God, explosion, or fire; (ii) war or threat of war, terrorism, sabotage, riot, revolution, civil disturbance or requisition; (iii) acts, restrictions, regulations, prohibitions or measures of any kind on the part of any governmental authority; or (iv) strikes, lockouts, or other industrial actions or trade disputes. The party experiencing excusable delay shall be excused from performance of such obligations so affected by the excusable delay event for the period during which the excusable delay event continues and for such time thereafter as is reasonably necessary to overcome the effects of such excusable delay. Both parties shall use all reasonable best efforts to overcome or work around the excusable delay event as soon as reasonably practicable. In addition, neither party shall be liable to the other party for any late or non-performance of its obligations hereunder to the extent such delay or non-performance is due to the delay or non-performance by such other party of its obligations hereunder.

12. TERM; TERMINATION

12.1 Term. The initial term of this Agreement shall commence on the Effective Date and shall continue for the period of time set forth on the first page of this Agreement, unless earlier terminated pursuant to the terms herein. The parties may renew this Agreement upon written agreement for subsequent terms as set forth on the first page of this Agreement. The initial term and any renewal term shall be referred to collectively as the "Term".

12.2 Termination for Cause. If either party fails to perform any of its material obligations under this Agreement (including failure to pay any amounts when due) and does not cure such failures within ninety (90) days (or such other time period as may be provided hereunder) after being given written notice specifying the nature of the failure, then the non-defaulting party may, by giving written notice to the other party, terminate this Agreement as of the date specified in such notice of termination.

12.3 Survival. The following Sections of this Exhibit and any payment obligations hereunder shall survive any expiration or termination of this Agreement: 1, 5, 6, 7, 9, 10, 13 and 14.

12.4 Termination Procedures. Higher One will assist the Institution to inform Users of the change and the options they may exercise as a result of such change. Users are responsible to decide whether to maintain their respective DDA through Higher One or to actively change their banking relationship. De-conversion charges may apply at Higher One's then current standard hourly rates.

13. ARBITRATION, GOVERNING LAW AND VENUE

13.1 Arbitration. If permitted under the laws of the state in which the Institution is located, the parties agree that except for the right of either party to seek declaratory, injunctive or other equitable relief, or for claims related to a party's Intellectual Property Rights, any dispute or controversy arising out of or in connection with this Agreement shall be referred to arbitration for final and binding resolution. Either party to this Agreement may initiate arbitration of the dispute by the filing of an application for resolution by one arbitrator appointed by and in accordance with the rules of the American Arbitration Association. The arbitration shall be conducted in the city and state in which the Institution is located as set forth above. The award in the arbitration shall be final, binding and non-appealable. The award may be entered as a final, non-appealable judgment in any court having jurisdiction. Each party specifically agrees and acknowledges that this Section is a material term of this Agreement and acknowledges that it would not enter into this Agreement in the absence of this Section. Each party warrants and represents to the other party that this Section is valid and enforceable and the other party will incur damages if such representation is false.

13.2 Law. The laws of United States and the state in which the Institution is located shall govern this Agreement, without regard to its conflicts of laws principles. Each of the parties hereby submits to the jurisdiction of the state and federal courts located in the state in which the Institution is located as set forth herein.

14. GENERAL

14.1 Independent Contractor Relationship. Higher One is acting as an independent contractor under this Agreement and nothing in this Agreement shall be deemed or construed to create the relationship of partnership, joint venture or employer-employee between the parties. Neither party has, and shall not hold itself out as having, any authority to enter into any contract or create any obligation or liability on behalf of, in the name of, or binding upon the other party.

14.2 Notices. Any notice to be given hereunder to any other party, including any notice of a change of address, shall be in writing and shall be deemed validly given if (i) delivered personally, (ii) sent by express delivery service, registered or certified mail, postage prepaid, return receipt requested or (iii) sent by facsimile or email, as follows:

14.8 Counterparts. This Agreement may be executed simultaneously in several counterparts, each of which shall be deemed an original but which together shall constitute one and the same instrument.

14.9 Entire Agreement. This Agreement constitutes the entire agreement between the parties regarding the subject matter hereof and supersedes any letters of intent, memorandums of understanding, confidentiality agreements, and other agreements and communications, oral or written, between the parties regarding such subject matter.

14.10 Assignment. Higher One may assign this Agreement and shall provide the Institution notice of such assignment within thirty (30) days thereof.
