PARKING VIOLATIONS

The college, having marked approved spaces, is under no obligation to mark all areas where parking is prohibited. It is the responsibility of the vehicle operator to find an approved space to park in.

The college reserves the right to have impounded any vehicle which is parked in a manner dangerous to vehicle or pedestrian traffic or is in violation of campus parking regulations. The vehicle owner shall bear all costs involved in such removal and/or storage. To determine if a vehicle has been towed, call Campus Safety at (209) 575-6351.

In addition, all vehicles operated/parked in violation of these regulations shall be cited with a Municipal Court Citation, under authority of Section 21113(a) of the California Vehicle Code (CVC).

1. Unauthorized use of disabled person parking areas. (This is in violation of CVC, and the fine is $276.50.)
2. Parking where prohibited.
3. Failure to park where specifically designated for the type of vehicle (automobile vs. motorcycle vs. bicycle).
4. Parking where not specifically designated for the type of permit on the vehicle.
5. Blocking a sidewalk, crosswalk, wheelchair ramp, or driving lane.
6. Failure to park within the lines designating the space.
7. Parking permit improperly displayed.
8. Parking without current permit/evidence of fee payment.
9. Parking within 15 feet of fire hydrant.
10. Parking in a fire lane, red zone, or a tow-away zone.

12. Displaying more than one day pass.
13. Failure to obey proper traffic requests/directions of Campus Safety Officers.
14. Failure to observe temporary parking or route/ detour signs.
15. Parking permits are registered to individuals and may not be transferred, sold or given to anyone else.
16. Parking of any vehicle, trailer, or boat, either overnight, for habitation, for storage, or for repair.
17. Unattended Vehicle: A person may not cause, allow, permit, or suffer any vehicle registered in their name to violate any provision of these Parking Regulations.

Car Alarms

Car alarms should be adjusted so as to not sound if someone comes close to the vehicle. Car alarms sounding can be very disruptive to classes.

Vehicles without valid permits properly displayed or with permits used in an unauthorized manner are subject to citation or tow away per CVC Section 21113(a). Parking citations issued under these circumstances will not be dismissed. Vehicles with five (5) or more unpaid parking citations are subject to impound, per CVC Section 22651.3(a).

Revised 9/2015
**PERMITS**

1. Parking permits are required for vehicles parked on college property.
2. Hanging permits may be transferred from vehicle to vehicle but not from one person to another. They must be displayed from the rearview mirror so that permits are clearly visible through the windshield. (NOTE: Annual and semester permits are only valid on the dash of the vehicle and are not needed when properly displayed on the rearview mirror.)
3. Motorcycle permits must be affixed to the upper half of the right front forks. Motorcycles, mopeds, and scooters must park in motorcycle stalls.
4. One-day permits are available at Day Pass machines in most parking lots and can only be used for the date issued. These permits must be displayed face up in the center of the dashboard.
5. The purchase of a permit does not guarantee the availability of a parking space on campus. Parking with the proper permits is available on a first-come, first-served basis.

NOTE: Student permits are valid in faculty/staff parking areas (except with a disabled permit). Any student using a faculty/staff parking permit will be cited.

**Lost or Stolen Permits**

Once a permit has been issued, it is the responsibility of the owner to safeguard that permit. If the permit is lost or stolen, the owner must purchase a new permit at the regular cost.

A replacement permit may be issued at reduced cost on vehicles that have been reported stolen. A copy of the stolen vehicle police report must be presented to Campus Safety.

Report all lost or stolen permits to Campus Safety. If a lost or stolen permit is located after a replacement has been purchased, a refund may be issued for one of the permits.

**Refunds**

The parking fee is refundable only if class is dropped by the last business day before class begins.

**PARKING FEES**

**Student Parking**

Students with proper permits may park in marked spaces that are not otherwise designated for staff, visitors, or disabled persons.

**SERVICES AVAILABLE**

**Emergency Call Boxes**

Emergency Call boxes are located in most of the college parking lots. The Call Boxes have a blue light and/or a red and white Call Box sign directly above them. They may be used to call (1) for a security escort, (2) for a battery jump or door unlock, or (3) for any type of emergency service on campus.

**Day Pass Dispenser Machines**

In the event of a ticket machine dispenser malfunction, use the Call Box attached to the day pass machine to call Campus Safety for assistance.

**Esports**

The Campus Safety Department is available for escorting staff and students whenever needed by calling 575-6351 or by using an Emergency Callbox in most parking lots.

During the evening hours, escorts are identified by a bright blue vest that states “SAFETY ESCORT” on them. All escorts have picture ID that they wear while on duty.

**Vehicle Door Unlocks And Battery Jumps**

Campus Safety Officers can and will assist with the unlock of vehicle doors and battery jumps for those with an Annual (A) or Term (T) or Student (S) permit on campus or near the campus. Campus Safety Officers will assist with the unlock of vehicles and battery jumps with a valid day pass (from the ticket dispenser) only on campus property.

**Lost And Found**

Lost or found items should be reported to Campus Safety. Found items may be picked up at West Campus, John Muir 151.

**Convertible/Jeep Permits**

Persons with convertibles or jeeps can bring their hanging permit to the Campus Safety Office, John Muir 151, between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday, and exchange it for a stick-on permit.
