Linda,

MJC Women’s Head Track & Field Coach Mary Shea has been chosen by USA Track & Field to represent the USA at the 2016 World Indoor Track & Field Championships, as Women’s Distance Coach. The meet will be held in Portland, Oregon. This is the first ever for the USA to host this championship.

According to Mary, “It is such an honor to be chosen for this event! This will be my fourth international team! I took my name out of the nomination process over the past five years while I was working on my PhD, but now that I am back from my sabbatical, I put my name back in for such events.”

This event will be held in March 2016. Mary will have more info as time goes on so we can put together a press release.
