Mission
Empowering students to discover opportunities and reach their goals through access and inclusion in higher education.

Mission Priorities

* Access – We value an inclusive approach to education through technology, programs, and open resources that lead to opportunities.

Affordability – We value making higher education available to all by actively seeking resources to support students.

Building Community - We value and respect the diverse collective of individuals who shape our programs and services, participate in decision-making, reinforce collaborative relationships, and promote civic engagement.

Transformation & Innovation – We value willingness to accept growth and embrace change to continuously improve our processes, curriculum, and services to be relevant to the needs of our students and community.

Stewardship of Resources – We value the investment our community has entrusted in us to further the college mission and enhance lives through state-of-the-art education.
