Welcome to the Modesto Junior College Carl Perkins V site.

The Carl Perkins Act, also commonly referred to as "CTE Perkins," is a federal act that supports resources for instructional programs and services for the success of students from "special populations" enrolled in Career & Technical Education (CTE) programs. Special populations include to students who are:

- economically disadvantaged,
- limited English proficient,
- student with disabilities,
- single parents and displaced homemakers, and/or
- non-traditional gender representation in the discipline of study.

In this site, you will find information about the Carl Perkins Act, a list of programs and services areas that are eligible and resource resources to support the success of you, our students.
