MJC 2021-22FY: PERKINS V Professional Development Application Form

Perkins V: Professional Development is available to faculty and classified professionals whose proposed projects support Perkins V Grant goals aimed at impacting special population students enrolled in CTE Programs (https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Workforce-and-Economic-Development/Career-Education-Practices/Perkins-V).

Examples of eligible activities include: [1] Efforts to reduce equity gaps among underrepresented student groups, [2] projects designed to enhance Equity and reduce/eliminate Disproportionate Impact, [3] Strategic conversations that result in planned activities to increase student enrollment in classes, certificate and/or degree completion, and [4] discipline specific professional development that increase faculty capacity in the field.

Professional Development Request must be completed by or before June 1, 2022.

Resource Requests do not have limits however, requests will be reviewed for cost effectiveness, student impact and program value.

SUBMIT REQUEST 30 CALENDAR DAYS PRIOR TO PROJECT START DATE.

Process: Once you submit information, the MJC Carl Perkins Team will review your request and provide a you a reply via email within 10 work days. If you have any questions please email walshm@yosemite.edu or menderzp@yosemite.edu.
