Vision Resource Center (VRC)

Yosemite Community College District

User Handbook
Vision Resource Center (VRC) YCCD User Handbook

YCCD has transitioned from using the Flexible Calendar Management System to the Vision Resource Center (VRC). The VRC is a statewide system that uses the Cornerstone LMS for accessing, tracking, sharing, and promoting professional development. It allows all employees in the California Community College system to Connect and learn about countless topics that affect our work and our students. This handbook is intended to assist YCCD employees as they navigate the basics of the VRC.

Need Help?
If you need help while using the VRC, here are your primary contacts:

Need Help logging in?
You should be logging in using your Single Sign On (SSO) credentials (your email username and password). If you forgot your credentials or are having trouble logging in, please contact the Help Desk at 575-7900. – see Log-In Instructions for detailed instructions.

Experiencing Difficulties with the Vision Resource Center or Have Other Questions?
If the VRC is not functioning properly, you aren’t seeing a page or header that you should, or you are able to view information that seems outside of your scope, or have other questions and/or updates to this guide, please contact Kelly Addington via email addingtonk@yosemite.edu or phone (209) 575-6233.

Position or HR-Related Information is Inaccurate
If the information showing in the system is inaccurate (e.g. your position is incorrect or it is showing the wrong managerial hierarchy), inform your manager who will contact District HR. The information in the VRC is coming from District and needs to be changed in HR, not in the VRC.
Table of Contents
**Online Help Feature:**
From any page within your VRC PD Portal you can get specific information for that page/topic using the Help Feature. Just click the gear icon in the upper right of any page, and select ‘Help.’

![Gear icon and Help button](image)

**Log-In Instructions**
Log into the Vision Resource Center (VRC) using any of the following:

**Through the MJC portal:**
1. Go to [https://mjc.edu](https://mjc.edu) (or [https://mjc.edu/general/prodev](https://mjc.edu/general/prodev) and skip to #4)
2. Click on the Employee Information tab
3. Click on Professional Development
4. Click on Vision Resource Center link
5. Fill in your MJC email address and submit

6. Log in using your Single Sign On (SSO) credentials

Direct training launch link:
As provided in a training email and/or training flyer.
On the VRC’s welcome/landing page all users will see the Connect, My Transcript, Calendar, Browse Training, Independent Proposal, Workshop Proposal, and Flex Obligation buttons.

You can always find your Welcome page under Home.
Welcome Page Widget descriptions

**Connect (Communities):** Lists the latest entries and responses to your CONNECT Community threads.

![Connect (Communities)](image)

**My Transcript:** Lists the due date, status and action of your Active training and includes the option to perform an action (e.g. launch, evaluate, open curriculum, etc.).

![My Transcript](image)

**Calendar:** Gives you an Events Calendar where you can click on specific trainings offered on specific days or filter by Event Title, Session ID, Location, and/or Instructor.

![Calendar](image)

**Browse Training:** Allows you to search for trainings.

![Browse Training](image)

**Independent Proposal:** Where you would submit for Independent Professional Development hours done on your own time. The request is forwarded to your Dean/Manager for approval.

![Independent Proposal](image)

**Workshop Proposal:** Where you would submit a proposal for a Professional Development Workshop opened to all MJC employees or specific a Division, Department, And/or Group.

![Workshop Proposal](image)

**Flex Obligation:** In development Will show your Professional Development (Flex) obligation status.
Your Transcript

Your learning transcript is similar to a student transcript. It is a list of the professional learning you have queued, started, and completed. To view your Transcript, hover over the Learning header then click on My Transcript OR click on the My Transcript widget on your Welcome Page.

When you first access your transcript, it may be blank. Time to add some learning!

Navigating Your Transcript

Your Transcript can be sorted several ways using the tabs: by Status, By Date Added or by Type. By default, you will see the Active (i.e. In Progress) activities. If there is something that you think should be there and you don’t immediately see it, you probably need to look at the Completed activities.

Printing and Exporting Your Transcript

To Print or Export your Transcript, click on the 3-dot button in the upper right of your Transcript page.
Adding/Registering for Workshops (Instructor Led Training (ILT))

To add workshops/trainings to your Transcript you need to find them and register for them. Note: Most training offerings will move you from Request to Registered; though there may be instances where approval is required.

Adding Workshops:

1) On your Welcome Page go to Calendar OR Browse Training

2) Hover over Learning and then click on Workshop Calendar.

On the Workshop Calendar you will see all of the Instructor Led Trainings that are available to you. You can change your view to Day, Week, Month, or view it as an Agenda by selecting each in the upper right part of the calendar.
On the calendar you can hover over a workshop to see more details.

To register for one of the workshops, click on the workshop and you will see Request. Click on Request and the training will be added to your transcript. (Note: When you click on Request, most of the training offerings will automatically move to Registered.)

Now that you are registered, you should receive a confirmation email with an Outlook calendar for the date and time of the workshop.

**Workshop is Full: Waitlists**

Some workshops have a maximum enrollment. If the workshop is full you can be added to the wait list. If you are on the waitlist and a spot becomes open, you will be automatically added to the workshop. Instructors will be able to increase the enrollment maximum if they choose to accommodate more people.
Pending Approval

After requesting most workshops, you are automatically registered for the workshop. There may be some instances in which a workshop is set up in a way that requires approval by an employee’s manager. If this is the case, you will see Pending Approval next to the workshop because it needs to be approved by your manager. The system will automatically generate an email to your manager for this purpose, directing them about how to approve or deny your request. If your request is denied, that denial will also show on your transcript.

Here’s a look at what the workshop looks like if it has a status of “Pending Approval”.

Adding the Workshop to Your Calendar

You should receive a confirmation email that includes an Outlook calendar event after you register for a workshop. Additionally, you can easily add the workshop to your Calendar: from your Transcript, click on View Training Details next to the event and click on Add to Calendar.

Withdraw From (Cancel) a Workshop

If you have requested or registered for a workshop and would like to cancel your registration, navigate to your Transcript page and go to View Training Details. Find the workshop and to the right of it you will see a drop-down menu. Click the drop-down menu and select Withdraw.
Completing the Workshop
Your attendance will be marked in the system by an MJC VRC administration team member.

Once a workshop has been marked complete in the VRC system it will move a from Active to Completed.

Evaluate - Course Evaluation
You can submit a Course Evaluation by clicking on Evaluate under the Active and Completed workshop list by clicking on the down arrow on the View Training tab. Evaluations are used to measure and record a learner’s reaction to training that they have completed, such as their rating of the course content, materials, and relevance. The information gathered by Evaluations can drive decisions about the types of training that are most effective and engaging learning. Additionally, it is REQUIRED for Accreditation.

When Course Evaluation is required your status on your transcript will stay in the pending evaluation status until you complete the course evaluation. Once you do, your status will change to Completed.

Completed workshops will show up under the Completed tab on your Transcript.
Adding an Independent Proposal (External Training) to Your Transcript

You may attend workshops, take online classes, and other courseware outside of the VRC and this is considered an Independent Proposal (External Training). When creating and submitting an Independent Proposal (External Training) please make sure it is well-planned, professionally appropriate and described in detail. You may be required to submit documents such as course syllabus/outline, schedule, and certificate of completion.

Complete the following steps to ensure your Independent Proposal is shown as Complete on your Transcript. Additionally, your manager must APPROVE any External Training that you enter into the VRC.

**Step 1: Click on the Independent widget located on your Home page**

From your **Learning** tab, select **TRANSCRIPT**.

Click on the **3-dot option button** in the upper right, then select **Add External Training**.

**Complete the Add External Training form**

Add the following information:

- **Title** of the Professional Learning Activity
- **Description** of the Professional Learning Activity
- **Start and End dates** of the activity
  
  Note: You cannot mark the activity as Completed until after the end date has passed.
- **Training Hours - Total Hours and Minutes** of the activity (rounded to the nearest ½ hour)
- **Attach your documents** – A course syllabus, outline, schedule, certificate of completion, etc. Each attachment can be up to 1 MB in size, and a maximum of 15 attachments can be added to an external training. They are limited to ppt, pptx, doc, docx, pdf, jpg, jpeg, jpe, png, txt, gif, xls, xlsx, and rtf file types.

After selecting the appropriate attachments, click the **SAVE and/or SUBMIT** button to save the attachments to the submission.
Step 2: Mark Complete

To finalize an Independent Proposal and see it as complete on your transcript, Navigate to your Transcript, and click Mark Complete. Note: you will not see Mark Complete until the end date of the training has passed. If you do not see the Mark Complete option, please ensure the end date of your External Training has passed.

Step 3: Some activities may require a signature to Acknowledge Completion

After you Mark Complete you will then click on Sign. You can now sign your name and the activity will be confirmed as completed.
Type your name under **Acknowledgement** and click **Sign**. The activity is now completed on your Transcript and your hours are added to your total training hours.

Your manager will receive an External Training Completion Request email notification and **will review for approval**. You will be notified whether your Training Completion Request is approved or denied.

Once approved, you will see your external training listed on your **TRANSCRIPT**.
Editing External Training

You can edit an **External Training** that has already been submitted (even after it has been marked **Completed**). Navigate to your **Transcript**, click **View Training Details** next to the item and then click **Edit External Training**.

*If the External Training is not showing on your Transcript, you may need to change the filter at the top from Active to Completed or vice versa.*
Archiving Workshop/Activity: Moving it to your Archived Transcript

If you no longer want to see an activity on your Active or Completed Transcripts (perhaps you withdrew from it, don’t plan to complete it, or you entered it by mistake), you can Archive it. To do this, navigate to your Transcript page. Find the workshop and to the right of it you will see a drop-down menu. Click View Training Details and then Move to Archived Transcript. This does not delete the activity, but it will move it to your Archived. Archived activities will not show when you Run a Transcript Report of Completed Activities.
View/Report Your Completed Training Hours

There are two ways to view your training. You can view them on your Learner Home page or you can Run a Transcript Report.

View Completions on Learner Home Page

Navigate to your Learner Home page by hovering over Learning and click on Learner Home.

On the page, you will see a widget that displays your total activities completed and hours completed since Cornerstone was implemented and includes completed hours all of your time in the VRC.

Clicking on it will bring you to your Transcript.

To see your Training Hours in a certain time frame, see the instructions below on how to Run a Transcript Report.

Run a Transcript Report

To Run a Transcript Report, navigate to your Transcript and click on the three-dot options button. Then select Run Transcript Report.
Step 1: Exclude Events
Under Training Type, click on the drop-down arrow and Uncheck the Event category only. This is because the workshops you attend will show up as both Sessions and Events, so you don’t want them counting twice in your report.

Step 2: Choose the Type of Report
Listed under the Date header, there are 3 types of Transcript Reports you can run (#3 is the most common).

1. Date Added to Transcript
   a. You can choose to run a report showing all training that have been added to your transcript, this would include everything that is in progress and completed.

2. Training Start Date
   a. This report will only show items with a start date within the date range selected.

3. Training Completion Date (Most Commonly Used)
   a. The training completed report will only show completed hours within the dates you specify (an academic term or year, for example).
Step 3: Include All Completions
If you are running report #3, Training Completion Date, the Include Completed Training Only box will automatically become checked. To make sure you capture all completions, check the Show all completions if the user has completed more than one instance box.

Step 4: Include Training Hours
You will want to see your total hours completed. Under Advanced, check the Include Training Detail Information box and then the Training Hours box.

Step 5 Run Report
Review all of your selections for accuracy. To finalize, click Run Report and the system will generate an Excel document listing all of your completed activities and total hours for the date range you selected.
Transcript Report:

Display status and progress information for training on the transcript. Filter the report by Training Title, Training Type, or various date filters.

### Training

| Type | Cohort, Curriculum, External Training List |

| Title | Search by Training Title |

| Subject(s) | |

### Date

- Date added to transcript
- Training Start Date
- Training Completion Date (Sessions and External training will use End Date)

Select Range clear

Select 11/22/2019 6/30/2020

### Advanced

- Include Associated Training (Curriculum Training and Pre or Post Work)
- Include Archived Training
- Include Completed Training Only
  - Show most recent completion
  - Show all completions if the user has completed more than one instance
- Include Training Detail Information
  - Credits
  - Provider
  - Training Purpose
  - Version
  - Price
  - Training Hours

Back  Run Report
Your Profile

To access your profile, under Home go to the upper right and click on My Profile.

Here you:

- Should see your primary position information.
- Can edit your Summary, Interests, and Subjects. This is completely optional.
- Can choose to include your Interests, you will be able to connect with other employees with the same interest by clicking on that interest button.
- Can choose to include Subjects you are interested in, the VRC will suggest training to you based on those subjects.
- Can choose to be a FOLLOWER on CONNECT, you will see a Following and perhaps a Postings Created section(s).
- Can change or upload your photo, see Your Account, below.
Your Account

To access your Account, go to the upper right and hover over the cog icon and the My Account drop down will pop up. Click on My Account.

You will see your Primary position, as well as up to four positions you hold at YCCD.

Change Photo
To change your photo, hover over the person icon and click the down triangle. Then click on Change.
**CONNECT Communities**

The District’s participation in the VRC enables you to use Cornerstone’s CONNECT feature to engage with Faculty, Staff, Administrators, and Trustees across the California Community College system in VRC communities built around key statewide initiatives, such as Guided Pathways, the Student-Centered Funding Formula, Financial Aid, and many more.

**ALL COMMUNITIES:** List of communities you are a member of and a list of the communities you can join.

**ALL TEAMS:** Create your own team! Great for project management that allows you to assign tasks and share information!

**LIVE FEED:** Lists all of your most recent posts and replies in the communities that you are a member of.

1. **BROWSE** for existing Communities and **JOIN** OR
