MJC Just the Facts 2018

Considering what the System Goals might mean for MJC

The California Community College Chancellor's Office has released a new Vision Initiative and System Goals for the state's community colleges, with a target date of 2022. The table below illustrates what the data would look like at MJC if we achieved the target goals.

CCC Chancellor's Vision for Success Goals

		Current Figures MJC 2015-16	To Meet CCCCO's Goal 2022
1	Earning Credentials College completers and skill builders increased by 20%	1852	370 add'l students complete
2	Transfer Students Transferred to a UC or CSU campus during a given year increased by 35%	875	306 add'l student transfers
3	Units to Degree Reduce average units of Assoc. earned students to 79 units	82.7	3.7 fewer units
4	Jobs in Field of Study Increase percentage of completing students who find employment in a closely related field to 69%	68%	1% point increase
5	Equity Gaps Reduce underrepresented group's equity gap by 40%	7 point Gap A.A. Males	4.2 point or lower Gap
		4 point Gap Hispanic Males	1.6 point or lower Gap
6	Regional Achievement Gaps Under development; based on Macro-Regions (Central Valley)	Not determined	Not determined
