

MJC Gatekeeper Course Analysis Fall 2011 through Spring 2017*

* Note: "Gatekeeper" courses are defined as: MJC courses that (1) enroll at least 300 students per semester; AND (2) have success rates in a given semester that are below 60.5%; AND (3) appear on the list below at least 6 semesters (i.e. 50% or more often). Typically, about 5% of MJC courses enroll 300 or more students per semester. A baseline report on MJC gatekeeper courses is available at <http://mjc.edu/general/research/mjcgatekeepercourses2011-2016.pdf>

** Note: A course is designated as a "SuperGatekeeper" if it (1) had a success rate below 60% for at least 9 semesters AND (2) had a success rate below 60% at least one semester during the 2016-17 academic year
