Overnight parking of privately owned vehicles on campus without authorization is against school policy. If you plan to leave your vehicle overnight on MJC property, you must provide the following information to the Campus Security Office. Unauthorized vehicles will be subject to citation and may be towed.

Reason _____
Overnight Date(s) _____
Name _____
Phone _____

Vehicle Identification:

Make _____
Model _____
Color _____
License _____

Vehicles left overnight should be parked in the John Muir Parking 210 where Security can better watch out for your vehicle (the parking lot nearest to the Security Office on West Campus.) If you must leave it elsewhere, you do so with the understanding that Security cannot give the vehicle any extra attention.

Instructions:

- 1) **Complete** the above information.
- 2) **Deliver this slip to the West Campus Security Office.** (E-mail, fax, interoffice mail or hand- delivery addresses are listed above.) If you send or e-mail this slip, make sure it will arrive at the Security Office before your departure and before 5 PM on the Thursday before any weekend dates. You can reach the Security Office by telephone 24 hours a day, seven days a week. (Placing this note on your dash **will not** prevent a citation)
- 3) **Disclaimer:** *“No responsibility is assumed for fire, theft, damage, or loss to vehicles, their occupants, or contents while on District/College property.”* (Parking & Traffic Ordinances, Section 1002)
- 4) **You must have a current permit properly displayed in your vehicle.**
