1) Proposed Changes to Program Review Process page 3, 3rd paragraph:

The Academic Senate (or its appointee, the Program Review Coordinator), the Outcomes Assessment Workgroup (or its appointee), and the appropriate designee(s) of the Office(s) of Instruction, Student Services, and/or Administrative Services will assume primary leadership in providing and guaranteeing the review and validation of the data and analysis in program review. Etc, etc. the paragraph continues.

2) Proposed Changes to OAW Charge (also on p. 7 of the SLO and Assessment Handbook, 2nd Ed., 2017):

Insert services after student support, to read “Receive and disseminate assessment data from the course, student support services, program, service area, administrative unit, and institutional levels”.

Create a page that lists the changes made from 2013 in this document so it can be tracked in the future to see what are the new additions/what changed from the first edition, including the modifications in the OAW Assessment Workgroup Charge.
