

MJC ACADEMIC SENATE
RESOLUTION FL01-C: RECOGNITION OF BOB GAUVREAU
November 29, 2001

Proposed by: Executive Board

Whereas, Bob Gauvreau founded and developed the photography program at Modesto Junior College, recognizing photography as an art form as well as a commercial enterprise, and

Whereas, he represented and defended the interests of the faculty while serving as president of the Academic Senate between 1986 and 1988, and

Whereas, among his many accomplishments as Dean of the Arts, Humanities and Communications Division was spearheading the creation of the Little Theatre, for which he led the fund raising effort, coordinated the volunteers, and in general worked to establish an artistic environment that could be appreciated by all disciplines, and

Whereas, as Dean of Instructional Services, he was a leader in inaugurating such technology related programs as the State Registry, the Technology Institutes, and the Online Academy, which has contributed to establishing Modesto Junior College at the forefront of community colleges in terms of number of online courses offered,

Therefore, **BE IT RESOLVED** that the Academic Senate for Modesto Junior College commends and expresses appreciation for Bob Gauvreau's innovative and effective leadership during the twenty-seven years he has been with us and wishes him success in his future endeavors.

First Reading: December 6, 2001
