

**MODESTO JUNIOR COLLEGE
ACADEMIC SENATE
RES. FL02-B: FACULTY INVOLVEMENT IN THE
DISTRICT COMPUTER SOFTWARE IMPLEMENTATION
AND DEVELOPMENT OF A DISTRICT
COMPUTER USE POLICY AND PROCEDURE
September 12, 2002**

Proposed by: MJC Academic Senate Executive Board

Whereas: the YCCD DSK system is slated for replacement, and

Whereas: many aspects of the DSK system have to do with Instructional and Student Services issues at MJC, and

Whereas: planning and inclusion are best accomplished in advance of such large scale infrastructure replacements;

Therefore: Be it Resolved that the Yosemite Community College District include interested parties and faculty in both the Instructional and Student Services areas from MJC for:

- Systems analysis of existing services,
- Selection of the system to replace DSK,
- Communications with faculty, administration and staff regarding old and new computer program availability,
- Participation in YCCD based in-service opportunities in order to fully utilize the new system.

Therefore: Be it Further Resolved that the YCCD will work collegially with the faculty to develop a computer use policy and process.
