Academic Senate Resolution Spring 2022:
S22-B Clarifying the Path: Comprehensive Transcripts

Authors: Ariana Gonzalez, Liz Camboia, Hanna Louie, Judith Martinez, Gabriel Tovar, Araceli Zarate, Student Services Guided Pathway Workgroup

Whereas: MJC & CC are committed to the Guided Pathways framework and designing structured educational experiences and processes that will support students in achieving their educational goals; and

Whereas: The Chancellor's vision for success strives to increase by 35 percent the number of California Community College students transferring annually to a UC or CSU; and

Whereas: The Chancellor's Vision for Success seeks to decrease the average number of units accumulated by California Community College students earning associate degrees; and

Whereas: UC/CSU designation is already available in the course description.

Whereas: MJC & CC transcripts do not show students their earned units by applicability (Associate, CSU, UC) [See recommended example](#).

Whereas: Counselors have advocated for a comprehensive transcript for over a decade in order for a student to be aware of their unit totals.

Whereas: Counselors have worked with Enrollment Services to address the need for a comprehensive transcript, some changes have been implemented but further clarification is required detailing unit classification.

Therefore, be it resolved: That the Academic Senate strongly urge their administration, IT department, and other stakeholders to allocate time to create, and make accessible, for required labor to support creating and maintaining a detailed transcript that will clearly show student unit totaled in four categories: Associate applicable, CSU applicable, and UC applicable, and total units

Therefore, be it resolved: The Academic Senate will submit a work order to initiate an update of the unofficial record as proposed above.
