

**MJC ACADEMIC SENATE
RESOLUTION SP00-F: EARTH DAY 2000
APRIL 22, 2000**

PROPOSED BY: Doug Smith

WHEREAS, Earth Day 2000 is the 30th anniversary of the original Earth Day Celebration, and

WHEREAS, while celebration for continued progress in solving some environmental problems is appropriate, increased dialogue and immediate action is necessary to solve many problems such as global warming, depletion of ocean fisheries, destruction of wetland, wildlife and plant diversity, and

WHEREAS, the MJC Academic Senate, the representative body of the MJC faculty, has an interest in fostering a well-grounded global awareness of important environmental issues among students, faculty and staff, and

WHEREAS, the MJC earth day committee, composed of staff and faculty, has planned a large variety of activities of informational, political, and recreational nature for the college and greater community members;

THEREFORE, **BE IT RESOLVED** that MJC Academic Senate encourages all faculty to promote environmental awareness with their students and to support the success of activities related to Earth Day, 2000

First Reading: March 9, 2000

Final Action: March 23, 2000

Disposition: Carried

Copy of Approved Resolution forwarded to all full-time and part-time faculty.
