

Modesto Junior College
Academic Senate
Resolution SP07-B
Intervention After Second Withdrawal (W)

Proposed by: Ad Hoc Third Enrollment Task Force

Whereas: MJC is now requiring students who have received two withdrawals and/or substandard grades from the same course to petition for a third attempt; and

Whereas: MJC now blocks all students with two withdrawals and/or substandard grades from the same course; and

Whereas: A student's counselor is an important resource in career planning and student success and has a more realistic view of skills needed for success.

Therefore: Be it resolved, that the Academic Senate recommends that students meet with a counselor to assess reasons for non-completion of a course in two attempts (two W's), and to help establish an intervention plan, if needed; and

Be it further resolved, that MJC stop the practice of blocking student enrollment from a course after two previous attempts that resulted in a withdrawal; or two previous attempts where a student received a substandard grade and/or a withdrawal.
