FUTURE HIGH SCHOOL PARTNERSHIP**

Proposed by: Executive Committee

WHEREAS, an agreement has been negotiated to offer college transfer courses at Central Catholic High School beginning in Fall of 1997, and

THEREFORE, BE IT RESOLVED that the President of Modesto Junior College be requested to formally acknowledge that matters that deal so intimately with academic and professional concerns as this agreement does must come before the College Council so that the faculty representatives have an opportunity to give them the widest possible discussion, and
