

**MODESTO JUNIOR COLLEGE ACADEMIC SENATE  
RESOLUTION FL96-G: INFRASTRUCTURE SUPPORT  
OCTOBER 4, 1996**

**Proposed by:** Executive Committee

**WHEREAS,** an increasing amount of instruction involves use of the Internet, and

**WHEREAS,** students and faculty at MJC currently have limited and sporadic access to the Internet from the classrooms and labs on both campuses, and

**WHEREAS,** solving the issues of connectivity and security are vital to effective instruction and the operation of college and student services;

**THEREFORE,** be it resolved that the Academic Senate of Modesto Junior College encourages and supports the YCCD administration in utilizing resources to complete the development of the infrastructure so its potential and its educational benefits are available to the students, faculty and staff in the Spring of 1997.

**FIRST READING:** October 10, 1996

**FINAL ACITON:** November 14, 1996

**DISPOSITION:** Carried
