

MODESTO JUNIOR COLLEGE
ACADEMIC SENATE
RESOLUTION SP94-AB: TECH COORD
FEBRUARY 24, 1994

PROPOSED BY: EXECUTIVE COMMITTEE

WHEREAS, Distance Learning and computer aided instruction are the wave of the future,
and

WHEREAS, the technology of word processing, grading, spread sheets and Email will be the
instructor' responsibility, and

WHEREAS, the Yosemite Community College District and Modesto Junior College seem to
have many technology committees going in different directions, and

WHEREAS, the financial support is hard to generate,

BE IT THEREFORE RESOLVED, that the Academic Senate of Modesto Junior College strongly recommends
to the College Council that representatives of the District Technology
Committee, Vision Processing Department, Division Deans Distance Learning
Coordinator, and the Info-Net Director meet, discuss and formalize how to
coordinate and assign areas of responsibility in technological development and
implementation at Modesto Junior College.

ACTION: March 24, 1994
