Administrative Procedure

4300 Field Trips and Excursions

Note: The following procedure is legally advised. Local practice may be inserted, which should address the following concepts.

The District may conduct field trips and excursions in connection with courses of instruction or college-related social, educational, cultural, athletic or musical activities to and from places in California, or any other state, the District of Columbia, or a foreign country for students.

The District shall engage instructors, supervisors, and other personnel as may be necessary for such excursions or field trips who desire to contribute their services over and above the normal period for which they are employed by the District.

The District shall transport students, instructors, supervisors or other personnel by use of District equipment, contract to provide transportation, or arrange transportation by the use of other equipment based upon established designated approval(s).

When District equipment is used, the District shall obtain liability insurance, and if travel is to and from a foreign country, the liability insurance shall be secured from a carrier licensed to transact insurance business in the foreign country.

The District may pay expenses of instructors, chaperones and other personnel participating in a field trip or excursion. Payment shall be by way of reimbursement form. The District may pay for expenses of students participating in a field trip or excursion with auxiliary, grant or categorical program funds if the funds are used consistently with the funding source, but not with general funds.

No student shall be prevented from making a field trip or excursion which is integral to the completion of the course because of lack of sufficient funds. The District shall coordinate efforts of community services groups to provide funds for students in need of them. Students may be asked, but not forced to pay the costs of their meals, lodging and other incidental expenses associated with an instructionally related field trip.

All persons making a field trip or excursion shall be deemed to have waived all claims against the District for injury, accident, illness, or death occurring during or by reason of the field trip or excursion. All adults taking such trips and all parents or guardians of minor students shall sign a statement waiving such claims.
