MJC College Council  
435 College Ave.  
Modesto, CA 95350

Honorable College Council Members,

It is an honor and a privilege to write this letter of support for the potential naming of the MJC baseball field in honor of Mr. Jerry Streeter. Mr. Streeter had a very long and distinguished career at Modesto Junior College. He changed the lives of thousands of students through his services as a faculty member and coach.

Mr. Streeter is an alumnus of MJC. His contributions to the college are many and very impactful. During his time as a student he was a three sport athlete in football, basketball, and baseball. Following his time at MJC, he played professional baseball. In 1964, he returned to MJC as a member of the physical education faculty. He served as a faculty member for 27 years. In 1966, he was named the head baseball coach. He would serve in this role for 17 years, leading the college to several successful seasons. His contributions, both as a student and an employee, were recognized when he was elected to the MJC Athletics Hall of Fame.

It would be a challenge to find a former student who was not positively impacted by Mr. Streeter. He guided many students to graduation and transferring. Along the way he helped some students reach their dreams of playing professional baseball. Current and former players, coaches, staff and various community members have reached out in support of honoring Mr. Streeter's contributions to MJC. Our Athletics Department can think of no better way to recognize Mr. Streeter's contributions to MJC than the naming of the baseball field in his honor.

We respectfully ask that you consider this request.

Respectfully,

Bryan Justin Marks  
Dean of Student Services &  
Public Relations

Nick Stavrianoudakis  
Athletic Director

Zeb Brayton  
Head Baseball Coach
