

Modesto Junior College submitted these courses for statewide GE articulation in December 2014.
The CSU and UC are reporting these determinations to ASSIST for publication in early summer.
In the meantime, you can rely on this report to prepare catalog and advising materials.

CLDDV 109 Child-Family- Community	D7	No (not approved) <i>This course does meet area D criteria, for it does not provide evidence that students, "explore the principles, methodologies, value systems, and ethics employed in social scientific inquiry," and much of the course is applied in content.</i>		
FDNTR 219 Introduction to Nutrition Science	E	E Lifelong Learning	F14	
GEOG 105 Economic Geography	4B	4B Economics	F14	
HE 112 Introduction to Public Health	E	No (not approved) <i>Course is denied for Area E, for course does not appear to include the study of humans from a psychological perspective, nor does it appear to "equip learners for lifelong understanding and development of themselves."</i>
