RE: Annual Curriculum Approval Certification

Background

This memorandum provides information regarding the Annual Curriculum Approval Certification. The annual certification includes all credit and noncredit course proposals, modified credit programs, Career Technical Education (CTE) credit programs that are C-ID aligned, and local credit programs. Programs not included in the annual certification and streamlined approval process include the Associate Degrees for Transfer (ADTs), noncredit Career Development and College Preparation (CDCP) certificates in the short-term vocational instructional domain, and new Career Technical Education credit programs that are not C-ID aligned.

Guidelines

The Chancellor's Office Curriculum Inventory (COCI) system has yet to be updated to accommodate automatic approval for local programs and non-credit programs authorized under title 5 [55130](#) and [55150](#) for streamlined and auto-approval. Therefore, Chancellor's Office staff will manually approve affected programs, which may result in an approval timeframe of one to two business days. Periodic reviews of the locally approved and certified curriculum will be conducted by the Chancellor's Office to monitor compliance and data integrity.

Requested Actions

The Chancellor's Office requires each college to submit: (1) an annual certification form (signed by the Chief Executive Officer, Chief Instructional Officer, Academic Senate President, and Curriculum Chair) and, (2) one PDF copy of the local governing board policy that defines the standards for credit hour calculations. The signed certification form and local governing board policy documentation are to be submitted to the Chancellor's Office annually during the month of October.

Each academic year, during the month of September, the Chancellor's Office will release an annual certification reminder to colleges. For the 2021-22 academic year, the certification form and local governing board policy must be submitted to the Chancellor's Office no later than 5:00 P.M. on **November 19, 2021**. Colleges that do not submit the required certification documents by the due date, are out of compliance with auto-approval requirements, and thus, affected credit and noncredit

Please submit these requests to your **regional curriculum contact** at the Chancellor's Office.
