## Advisory Committee Meeting
Friday March 5, 2021
0900-1000
Via ZOOM

AGENDA

Minutes from last meeting was approval by the committee members.

Accreditation report: California Department of Public Health approved Modesto Junior College Nurse Assistant and Home Health Aide Program until January 31, 2021.

Current certification exam result: 98%

Student numbers reduced by program in Fall 2020 and Spring 2021 due to the lack of clinical site availability.

ADDITIONAL GRANT INFORMATION: Others sources of funds for the nurse assistant program includes: CTE, Strong Workforce Programs and Chancellors Office, California Community Colleges, Workforce and Economic Development Division

Current programs approved for continuing education by California Department of Public Health approval (CDPH): Acute Nurse Assistant, Dementia Care Nurse Assistant, Restorative Care Nurse Assistant and Senior Nurse Assistant. Committee members expressed how important each of these programs are in providing care to the aging population in various health care sittings.

Discussed the challenging in training student during the COVID 19 pandemic and the need to utilize the skills lab more often. High school students were unsuccessful in completing the clinical hours and will be completing those hours during the summer.

COMMENTS FROM OUR COMMUNITY PARTNERS
Many of our long-term Care, Rehabilitation and Dementia Care facilities has express the need for more certified nursing assistants. The COVID 19 pandemic has been devastating and has had a negative impact on the workforce especially the certified nursing assistants.

**Next Meeting** March 6, 2022.

# CTE PROGRAMS - TWO-YEAR REVIEW

California Ed Code Section 78016 requires that every vocational or occupational training program offered by a community college district shall be reviewed every two years to ensure that each program, as demonstrated by available sources of labor market information:

- Meets a documented labor market demand;
- Does not represent unnecessary duplication of other manpower training programs in the area;
- Is of demonstrated effectiveness as measured by the employment and completion success of its students.

Name of Program: **Nurse Assistant Program** Date: **10/17/2021**

| | Yes or No | Rationale/Evidence |
|---|---|---|
| 1. Does this program continue to meet a labor market demand? | Yes. | Although there is still a major shortage of certified nursing assistants state and nationwide. MJC has increased its program and contributes greatly towards meeting the labor market demands. |
| 2. Are there similar programs in the area? If yes, list the programs and their institutions. | Yes | Data retrieved from California Department of Public Health website.<br>Avalon Training Center<br>Modesto City Schools<br>Modesto City Schools Adult ROP |
| 3. Is program of demonstrated effectiveness as measured by the employment and completion success of its students? Provide employment and completion success based on Perkins Core Indicator Report. | Yes | According to Perkins IV Performance Trend Report completion rate is 100% and employment rate is 87.27% for the nurse assistant program. |
| 4. Provides opportunities for review and comments by local private industries. Attach most recent Advisory Committee meeting minutes. | Yes | Advisory Committee meeting minutes attached. |
