MODESTO JUNIOR COLLEGE  
CTE PROGRAMS - TWO-YEAR REVIEW

California Ed Code Section 78016 requires that every vocational or occupational training program offered by a community college district shall be reviewed every two years to ensure that each program, as demonstrated by available sources of labor market information:

- Meets a documented labor market demand;
- Does not represent unnecessary duplication of other manpower training programs in the area;
- Is of demonstrated effectiveness as measured by the employment and completion success of its students.
