MINUTES
Tuesday, September 12, 2017
Yosemite 213 2:40 PM

Members Absent: A. Peek (for S. Berger), J. Forte, J. Hughes, B. Silva

Others Present: K. Addington (Administrative Technician), M. Akard (ELIC)

I. APPROVAL OF ORDER OF AGENDA

Hearing no objections, the order of the agenda was approved as stated, with a request from L. Miller to accommodate guests.

II. APPROVAL OF MINUTES

April 11, 2017

Hearing no objections, the minutes of April 11, 2017 were approved as stated.

III. COURSE NOTIFICATION AGENDA

CCCO Course Approvals

ART 151 (CCC000582681)
CSCI 295 (CCC000582680)
CSCI 296ABC (CCC000583064)
EMS 311 (CCC000583581)
EMS 312 (CCC000583580)

Course Activity Report

(None)

C-ID Approvals

(None)

In accordance with the Ralph M. Brown Act and SB 751, minutes of the MJC Curriculum Committee record the votes of all committee members as follows. (1) Members recorded as absent are presumed not to have voted; (2) the names of members voting in the minority or abstaining are recorded; (3) all other members are presumed to have voted in the majority.
IV. COURSE CONSENT AGENDA

Hearing no objections, the following course changes were approved.

ART 151  Survey of Islamic Art  3
(Previously ART 167)  
CCCCO Proposal Type: Non-Substantial
Effective: Upon CCCCO Approval
MODIFY: Course number
Rationale: Course was approved by the Curriculum Committee on March 14, 2017 and sent to the state for final approval. When uploading the course in ASSIST for articulation, L. Miller found that the course number had already been used and could not be used again. Research showed that ART 151 would be the next available course number. With approval by the faculty author, ART 167 was changed to ART 151 in CurricUNET and resubmitted for approval in the CCCCO inventory.

CLDDV 107  Introduction to Curriculum  3
CCCCO Proposal Type: Non-Substantial
Effective: Fall 2014
MODIFY: Discipline
Rationale: Course discipline was approved to be “Child Development/Early Childhood Education” by the Curriculum Committee April 16, 2013. P. Bettencourt alerted the Instruction Office that the Course Outline of Record was not displaying the approved discipline and instead was showing an incorrect discipline of “Cardiovascular Technology”. B. Adams updated the course in CurricUNET to reflect the approved discipline. This information is here for the purpose of the record.

NURSE 259  LVN Transition: Role Change Preparation  2
CCCCO Proposal Type: Non-Substantial
Effective: Spring 2018 Expedited!
MODIFY: Materials fee
Rationale: The Nursing department were notified that effective July 1, 2017 the materials fee for NURSE 259 have increased. The ATI Skills videos are now $115 which changes the overall fee total from $217 to $222. The department has covered the cost difference for fall as they were not notified until after students had enrolled in the course and so that no students would incur an increase fee. H. Townsend will modify the active course record in CurricUNET upon approval of this consent item.

TUTOR 800  Introduction to General Tutoring  0
TUTOR 811  Tutoring for ELIC/ELW Students  0
TUTOR 820  Introduction to Tutoring Mathematics  0
CCCCO Proposal Type: Not applicable (never reported)
Effective: Fall 2017 Expedited!
INACTIVATE
Rationale: At the February 28, 2017 Curriculum Committee meeting, TUTOR 800 and TUTOR 811 were approved to be substantially changed effective fall 2017 and TUTOR 820 was approved for adoption. The courses were pulled from the Board of Trustees report at the request of, J. Daly, department dean, as the department had decided not to follow through with the TUTOR changes/adoption. This information is here for the purpose of the record and to ensure that TUTOR 800, TUTOR 811, and TUTOR 820 are not activated in any systems or in the catalog.

M/S/U (K. BUTLER, C. HOWARD) to EXPEDITE MODIFICATIONS of NURSE 259
M/S/U (K. BUTLER, C. HOWARD) to EXPEDITE INACTIVATION of TUTOR 800, TUTOR 811, and TUTOR 820

- Ethnic Studies Skills Recognition Award
- General Studies, Emphasis in Humanities A.A. Degree
- IGETC Pattern Certificate of Achievement
- MJC-GE Pattern
- Spanish for Transfer AA-T Degree

ENGL 173 pulled for discussion by E. Maki who had concerns regarding Methods of Instruction (MOI) items #7, #8, and #9 noting that the MOIs were repetitive or covered under assignments. Therefore, Methods of Instruction items #7, #8, and #9 were removed at the meeting with the approval of the division representative, C. Howard.

J. Hamilton questioned how three different skills be evaluated within one Course Learning Outcome (CLO). B. Adams noted that the committee will follow up with the faculty author to confirm. Any modifications to the CLO will be noted on a later agenda.

M/S/U (E. MAKI, E. LUCAS) to MODIFY FTECH 306

S. Circle questioned the large number of FTECH 306 objectives verses the one Course Learning Outcome (CLO). R. Cripe volunteered to review and update the CLOs for FTECH 306. B. Adams noted that any updates to the CLOs for FTECH 306 would be noted on a future Curriculum Committee agenda.

**M/S/U (E. MAKI, E. LUCAS) to MODIFY PHILO 113**

E. Lucas questioned if a Course Learning Outcome (CLO) could assess more than one thing at a time, noting that CLOs that are written in such a way as to appear to be assessing more than one outcome at a time may be problematic. The committee approved following up with the faculty author to share the committee’s concerns and to verify the wording of the CLOs for PHILO 113 and PHILO 115.

NEW COURSES:

ELIC 23  Low Intermediate Listening and Speaking

CCCCO Proposal Type: New Credit Course
Effective: Upon CCCCO approval
ADOPT

Rationale: The ESL Department is making changes to the Academic ESL Program both in course content and in numbering. We are proposing a new set of courses to assist students in reaching transfer level in a more accelerated and compressed fashion. The ESL prefix has been changed to ELIC so new courses must be created.

Enrollment Restrictions: Requesting: (P) Satisfactory completion of ELW 906 or qualification by the MJC assessment process.
Distance Education Status: (None)
Materials Fee Status: (None)
Articulation Status: Not transferable
C-ID Status: (None)
General Education Status: (None)
Program Impact:
Stand-Alone (Be advised that the department will need to do a timely modification to any desired academic programs in CurricUNET to include this course as an option and to officially change the status to Program-Applicable).

ELIC 23 and ELIC 33 pulled as a block for discussion by T. Guy who requested clarification on ELIC 23 and ELIC 33. M. Akard responded to T. Guy’s questions.

T. Guy: What is the philosophy behind offering the ELIC credit courses verses non-credit courses?
M. Akard: The ELIC sequence was created for students whose goal is to pursue a college degree. The credit courses help prepare students for the regular college environment and the rigors of attending college classes in pursuit of a degree.

T. Guy: Would students be able to complete their degree program quicker through the ELIC courses?
M. Akard: These courses have been compressed and are more intense than previous ESL courses. Completion of the sequence is expected in four semesters rather than six.

T. Guy: What is the philosophy behind focusing on the public speaking aspect of the English language, rather than the conversational?
M. Akard: The expectation is that by the time students get into the ELIC sequence their conversational skills are fairly developed. The credit classes prepare students for formal speaking environments such as speaking in class, participating in academic discussion, and interacting with instructors in a college situation.

T. Guy: Why is advanced concepts of communication theory (speaker ethos and logos) part of the recommended content?
M. Akard: Although the more advanced ideas are not a core part of the class, the rational is that the student would benefit by the exposure to the advanced concepts and help the student succeed in a communication class.

MAINTENANCE MACHINIST PROGRAM
Certificate of Achievement: Maintenance Machinist 18-20 (Previously 17-20)
Effective: Summer 2018

Rationale: Certificate came through with a modification and was approved by the Curriculum Committee on April 11, 2017. After submitting the award to the Chancellor’s office for a non-substantial change approval, the Chancellor’s office requested that the total units be changed as the system only allows for certificate units to be 17 or less or 18 or greater. Faculty decided to change the total units to 18-20. The certificate was resubmitted for approval and approved by the Chancellor’s office. This information is here for the purpose of the record.

IX. STANDING REPORTS

1. Articulation:  

L. Miller recommended the committee review the C-ID Newsletter (May)  
L. Miller referenced the three attached documents (linked below) pertaining to Executive Order (EO) 1100 concerning CSU General Education Breadth (Revised August 23, 2017) and addressed how these changes will be felt locally. She recommended that committee members review FAQs and revised Executive Order for themselves.  
CSU Executive Order 1100: Revisions and FAQs, Impacts of EO 1100 revisions on MJC’s CSU-GE pattern, AA17-20 AP Credit Policy Final

Noted changes include:  

- Online Modalities: GE courses are accepted by CSU regardless of teaching modality (Face-to-Face, Hybrid, online).  
  L. Miller cautioned that some major prep and requirements might not choose to articulate a course based upon the modality  
- CSU-GE: A1, A2, A3, B4 courses can be completed with a C- for CSU admission. L. Miller noted that in most cases, this issue is moot in the CCC “C or better” system, but can present complexities, can be completed for P/NP. A C- grade may adversely affect some major pathways  
- Area B4: (P) MATH 90 is no longer required for B4 course approval, but should be required when appropriate. All affected TMCs are to be reviewed and results forthcoming fall 2017.
There are no changes to Area C
Area D: Students will be prompted to complete sorted by academic discipline instead of sub areas/topics.
Area E: Personal Finance is no longer eligible (MJC is not affected). There are new allowances for Student Success and Information Literacy courses
These changes are scheduled to be implemented fall 2018

2. Adult Education
   P. Mendez
   P. Mendez reported that:
   - There were no meetings this month
   - Proposals have been submitted to the consortium for the 2017-2018 calendar year
   - There is anticipation for the upcoming 2018-2019 calendar year
   - Support continues for ELIC program, career services, and short term CTE work

3. Academic Senate
   S. Circle
   S. Circle reported on the:
   - September 7, 2017 retreat focused on “What is MJC doing well” and “What can we do to be successful with Guided Pathways”. S. Circle mentioned that the group, which included MJC administration and many deans, had a great discussion and explored ideas for moving forward with Guided Pathways
   - Guided Pathways Conference scheduled for October 2, 2017 in which three faculty from the Academic Senate and three counselors would be attending

X. UNFINISHED BUSINESS

Action Items

1. Curriculum Review Process (Postponed indefinitely)  B. Adams
2. MJC Certificate & Degree Publications (Postponed indefinitely)  L. Miller
3. Comparable Courses Workgroup  L. Miller

   Approved Motion: Review of Curriculum for Quality and Currency
   Comparable Course Criteria – 09.12.17 draft

   L. Miller updated the Curriculum Committee on the purpose of the Comparable Courses Workgroup and presented a Comparable Course Criteria document for their consideration.

   Discussion on the comparable course criteria ensued covering:
   - Building a framework to ensure the relevancy of comparable courses
   - Consistency of the documentation
   - Faculty feedback and recommendations
   - Pulling all evidence from ASSIST (the official and up-to-date computerized student-transfer information system)
   - L. Miller to provide training for faculty in the new ASSIST system

   It was the will of the committee to leave Comparable Courses as unfinished business for further discussion.

4. CTE 2-Year Reviews  B. Adams

   CTE 2-Year Review Form – 09.12.17 draft
   CTE 2-Year Review Form for Prerequisites – 09.12.17 draft

   B. Adams read through drafts of proposed “CTE Programs – Two-Year Review” and “Biannual Review Form for Prerequisites” documents for the Curriculum Committee’s consideration.

   B. Adams pointed out:
   - The need for a clear process and culture of evidence for the two year review of CTE programs and prerequisites
- California Ed Code Section 78016 requiring every vocational or occupational training offered by a community college district be reviewed every two years
- Criteria for CTE programs
- The goal to have consistency in documentation, keeping forms simple and quick to fill out

Discussion ensued with faculty questions and recommendations. B. Adams requested that the committee members share the documents with CTE faculty and e-mail her any comments or suggestions.

XI. NEW BUSINESS

Action Items

1. **Non-credit Grading Policy (P/NP or SP)**
   
   B. Adams/H. Townsend
   
   H. Townsend noted that J. Daly and the ELW department have been working to get progress indicators for noncredit courses placed in DataTel. The Instruction Office alerted J. Daly that a policy will need to be in place before proceeding, that DataTel or CurricUNET are not setup to accommodate her request, and program modifications would have to be addressed. September 19, 2016 revisions to Title 5 Section 55023 were quoted.

   Discussion ensued covering:
   - Progress Indicators: Pass, No Pass (P/NP), and Satisfactory Progress (SP)
   - Must be inclusive to all noncredit courses
   - Benefits to existing and future noncredit courses
   - Use for collecting data on student success
   - Repeatability issues
   - Issues with modifications to DataTel and CurricUNET
   - Implementation date (summer 2018)

   **M/S/U (S. CASSIDY, P. MENDEZ)** To approve Pass/No Pass on noncredit courses as long as it does not impact repeatability.

2. **Code Alignment Project**
   
   L. Miller
   
   L. Miller spoke on the Code Alignment Project aimed at CTE courses and encouraged CTE faculty to review the attached document.

   L. Miller highlighted:
   - The Code Alignment Project is a voluntary, faculty-led process for examining the reporting codes (TOP, CIP, SOC, and SAM) that have been assigned to CTE courses and program awards, to ensure that they appropriately match the content of the curriculum
   - Invitations have gone out to colleges state-wide for faculty interested in participating in the Code Alignment Project
   - Coding is a faculty issue and faculty are most qualified to make accurate decisions on how curriculum should be coded
   - How coding impacts funding and outcomes on student success reports

   Discussion ensued.

   The committee agreed to move Code Alignment Project to Unfinished Business to allow J. Hamilton, B. Adams, L. Miller, and H. Townsend to investigate if there was another branch of the college already addressing Code Alignment.
3. **Credit Hour Policy**

B. Adams referred to the new Title 5 Section 55002.5 regulation regarding Standards for Credit Hours, which removed reference to lecture and lab, replaced with “total student work” and “outside-of-class hours.”

B. Adams indicated that the new regulation would be addressed in two phases:

- The first phase will address programming updates in CurricUNET to have hours automatically populate on the Course Outline of Record (COR). New regulations indicate that the COR should not only show class hours (contact hours) but also show the outside-of-class hours which should equate to total student learning hours.
- The second phase is to establish a local board policy which she is working on a draft to be proposed to the Curriculum Committee at the September 26, 2017 meeting, for consideration.

*M/S/U (L. MILLER, P. MENDEZ) To take steps to implement these automatic calculations of total contact hours on the Course Outline of Record and in CurricUNET.*

### Informational Items

1. **2017 Curriculum Institute**

   B. Adams noted that MJC was well represented at the 2017 Curriculum Institute and much of the material was covered at the September 8, 2017 Fall Curriculum Training. For details on the instructive topics covered at the conference, committee members can click the attached link on the agenda.

2. **MJC Curriculum Committee Training Day**

   B. Adams mentioned how exciting the Curriculum Committee Training activities became as the members pulled together to support each other as a team. B. Adams also expressed her appreciation to those who attended the training and to R. Cripe for the use of the Regional Fire Training Center.

3. **Sunset List**

   B. Adams referred to the Sunset Policy and Procedure document approved by the Curriculum Committee on April 11, 2017 which puts “Out of Compliance Courses” and “Courses Not Offered in the Last Two Years” on notice. She reminded the committee that for courses not offered in the last 2 academic years, a written justification could be submitted for courses with extenuating circumstances. B. Adams indicated if there are issues with any courses on the list, please notify Instruction Office so that the course can be researched and corrections made to the list, if necessary.
