C-ID Course Outline Submission and Review Login

For Articulation Officers - Log in using the username and password provided to your college articulation officer. Once logged in you will be able to submit course outlines for review against C-ID course descriptors. Please click [here](#) to access the AO Guide to Submitting Course Outlines for C-ID Designation (**PDF**). This document will guide you through the steps of submitting courses for C-ID designation as well as provide relevant policies and course review information. Please note that this document will be updated as technology improvements are made and/or to reflect any policy changes or additions. To access the most current training PowerPoint regarding submitting course outlines to C-ID please click [here](#).

Want to appeal a decision? Please click [here](#) to access the C-ID Appeals Process document.

For Course Reviewers - Log in using your assigned username and password. Forgot information? Email support@e-id.net and you will receive an email containing your username and password. Once logged in you will be able to view the list of courses you have been assigned to review. Click [here](#) to [View Reviewer Instructions](#) which will guide you through the course outline review process.

Login Here

Authorized Forum members may login here to access the Course Outline Review System for submitting course outlines or to review submissions.

Please login to participate

Username: If you are a course reviewer, your username should be your email address. If you are an Articulation Officer, your username is your institution name.
