2	Information should be provided to deans and managers and college administration regarding the scope of items that should come through the council for approval, including the paperwork, basic requirements, and expectations of the length of time required to obtain approval, and information to provide to move the item forward in a timely manner. It seems that some facility changes are happening that do not come to through the committee, but should.	4/21/2016 10:03 AM

Too often it seems we are locked into minutiae, delay making important decisions, and unnecessarily impede important improvements to our campus.	4/21/2016 10:03 AM
