Campus Facilities Project Request

The Resource Allocation and Facilities (RAF) Committee is committed to providing input and monitoring activities and changes related to the physical plant and grounds of the college to ensure a healthy, safe, and aesthetically pleasing environment. The committee will make recommendations to College Council, and the decisions and information will be made available to the campus community.

Directions: The following project proposal procedures are to be followed prior to any activities or change to the physical plant or grounds of the college. Complete this document, obtain approvals and signatures, and submit it with any necessary attachments to RAF, via College Administrative Services office at hernandezj@yosemite.edu. RAF will review all proposals and forward their recommendation to College Council.
