

## 2017-19 Integrated Plan: Basic Skills Initiative, Student Equity, and Student Success and Support Program

2. Describe one strategy or activity that your college has implemented that is resulting in significant gains in student completion or closing of achievement gaps. The Chancellor's Office will use this information to assist in dissemination of effective practices to other colleges.

### FUTURE PLANS

*Questions 3-8 address the 2017-19 planning cycle.*

3. Establish integrated student success goals to be completed/achieved by June 30, 2019, along with corresponding activities designed to achieve those goals. Goals must be outcomes-based, using system-wide outcomes metrics. For example:
  - Basic skills completion, including, but not limited to, (1) increasing the number of students successfully transitioning to college-level mathematics and English courses, and 2) reducing the time it takes students to successfully transition to college-level mathematics and English courses.
  - Closing achievement gaps for disproportionately impacted groups.
  - Improving success rates in degree attainment, certificate attainment, and transfer.
  - Improved identification of and support for students at-risk for academic or progress probation.
  - Deeper collaborations with high school districts, workforce agencies, or other community partners, particularly to increase students' college and job readiness
  - Improved noncredit student success for those with noncredit offerings (e.g., CDCP certificates awarded, course success, and noncredit-to-credit transition)

Select five integrated goals for the period covering this plan and complete the following table, showing how each goal connects across programs as well as the activities/steps you will implement to achieve each goal (Note: not all cells are required to be completed for each goal, but goals should cross at least two programs). Include at least one goal for each of three programs: Student Success and Support Program (core services), Student Equity, and Basic Skills.

Complete the table on the next page. Add rows as needed to list all five goals.
