

**Dr. J. Luke Wood**

***Black Minds Matter***, is a public course offered by **Dr. J. Luke Wood** with San Diego State University (SDSU). The Black Minds Matter course raises the national consciousness about issues facing Black boys and men in education.

***Black Minds Matter*** addresses the experiences and realities of Black males in education, drawing parallels between the Black Lives Matter movement and the ways that Black minds are engaged in the classroom.

The course will balance a discussion of issues facing Black male students as well as offer research-based strategies for improving their success. This is a "public course" presented in the form of a free eight-part webinar series. **MJC** is providing a live stream of the lectures and guest speakers with a short on-campus group discussion immediately following the broadcast. **First come seating; Seating is limited.**
