

The SSEC is a committee of the College Council, and will make recommendations to that body regarding issues of student success and student equity. However, in accordance with YCCD Board Policy 7-8049, the SSEC will engage in collegial consultation with the MJC Academic Senate on any matters that are “rely primarily” or “mutually agree” areas.

The Committee is responsible for the planning, implementation, monitoring, evaluation, and effectiveness of the following: Student Success and Support Program, Student Equity Planning, Basic Skills Initiative

The Committee will consider the implications and disseminate information regarding: AB86 Legislation (including Adult Education, Career Development and College Preparation [CDCP], Credit/Non-Credit coursework and vocational pathways)
