I. Call to Order

Meeting was called to order 10:08 a.m.

There were not enough members in attendance to make quorum.

II. Action Items

- a. Approval of Agenda (approved)
- b. Approval of Minutes of 3/27/15 (*approved with corrections*)

III. Discussion

- a. Brenda presented the Institutional Performance Indicators (handout will be available on SSC web page) presented by the Chancellor's office. The information that will be reported to the Chancellor's office is due on June 30, 2015. Council also reviewed on-line the data reported on the accreditation report (2012) to understand what kind of data will be reported, i.e., completion rates. When all the information is reported to the Chancellor's office by all the colleges, it will be posted on their website. One Council member shared that he felt that institutionally, perhaps we should start a conversation on "discipline" reporting as opposed to the entire "institution" reporting. All agreed that this would be conversation for the upcoming Institute Day.
- b. Achieving the Dream – Brenda shared with Council the benefits of being part of this network to assist MJC in our goal of achieving student success. This organization has chosen 16 other community colleges to participate. Brenda shared documents (will be available on web page) about the organization and its mission in assisting and guiding community colleges in their mission to accomplish student success. Their services will include staff that are qualified and have expertise in various areas, i.e., data tools and analysis, leadership coaching and also include on-site visits.

- c. Institutional Set Standards -

IV. Standing Reports:

- a. ASMJC – The new ID card (still in pilot stage) has been tested in both the bookstore and the library with the new bar code. It works well in the Bookstore but it does not in the Library. Cristian shared that he is going to find out what program is used at Merced College. He will report the results at the next meeting.
- b. Academic Senate – No report.
- c. CSEA – No report.
- d. YFA – No Report.
- e. College Council – No report.
- f. IAC – The hiring prioritization is almost at completion and ready to send forward to Academic Senate and College Council.
