**I. Call to Order**

Flerida Arias called to order at 10:02 a.m.

**II. Introductions and approval of minutes**

The minutes from October 13, 2017 were approved.

**III. Business/Discussion/Updates**

- a. Health Services – Flerida updated Council with important events that are occurring in Health Services. Geri will forward email from Amy Yribarren that includes dates and names of events occurring both on and off-campus.
- b. AB 705 – Angelica updated Council on this assembly bill and what it means to the institution. Automated multiple measures with Accuplacer is part of this assembly bill. This includes levels 1, 2, and 3. The math department is currently utilizing this. Geri will add documents to the Student Services Council website under “documents” so that Council can read and understand this bill.
- c. Counseling Cohorts – Flerida shared with Council “what does it mean in student services?” Flerida gave a handout to each council member, “Momentum Points.” The handout describes the risk factors with various populations of students and the various programs to match the needs of the students in guiding them through whatever their need(s) are.

**IV. Other Business - None**

**V. Adjournment**

***Next Meeting: Friday, November 8, 2017 (Note: because of Holidays, there will not be two meetings in October.)***
