

General Goals and Objectives Identified by CTC for Technology Plan Revision

1) Training				
GOAL 1: Ensure faculty and staff receive adequate training and professional development in order to assure successful implementation and utilization of technologies				
OBJECTIVES	Complete	Ongoing	Needs Attention	YCCD Respons
1.1 Identify persons responsible for conducting technology training	X			
1.2 Allocate resources for technology			X	
1.3 Identify variables that cause staff to be reluctant to participate in training (<u>Combine</u> 1.3 & 1.4)				
1.4 Develop, administer, and evaluate technology training needs assessments			X	
1.5 Design, deliver, and assess technology trainings to develop a culture of technology competency		X	X	
1.6 Develop a culture of technological competency on campus (<u>Combine</u> 1.5 & 1.6) Lynda.com)		X	X	
1.7 Create a centralized repository website for technology-related resources			X	
2) Procedures				
GOAL 2: Establish procedures for the evaluation, adoption, and proper resourcing of campus technologies				
OBJECTIVES	Complete	Ongoing	Needs Attention	YCCD Respons
2.1 Maintain the College Technology Committee (explore co-chair model)		X		
2.2 Plan, review, and recommend technology-related decisions campus-wide		X		
a) Prioritize technology resource allocations based on Program Review			X	
b) Assist the Grand & Development Office in evaluating technology as needed		X		
2.3 Establish a timeline and process for regular technology needs and assessments			X	
a) Partner with YCCD ITS to develop a review process and replacement plan for campus computers			X	X

b) Partner with YCCD ITS to develop a “proof-of-concept” process for introducing new technologies on a small scale before adopting campus-wide			X	X
3) Standards				
GOAL 3: Develop and maintain minimum technology standards for hardware, software and support.				
OBJECTIVES	Complete	Ongoing	Needs Attention	YCCD Respons
3.1 Partner with YCCD ITS to develop standards for campus technology: a) Hardware b) Software c) Licensing d) Support			X	X
3.2 Work with the Distance Education Committee to support technology-enabled learning a) Video streaming solution to enhance remote education and access of resources for all classes		X	X X	
3.3 Single sign-on for students to simplify access of resources			X	X
4) Resources				
GOAL 4: Work with YCCD ITS to establish a budgetary framework for sustaining existing technology and integrating new technologies				
OBJECTIVES	Complete	Ongoing	Needs Attention	YCCD Respons
4.1 Include a line item in the budget for new and replacement technologies and that considers the total cost of ownership a) Seek financial resources for technology from external resources including grants	X	X	X	
<i>**NOTE: CTC wanted to look more closely at Goal 4 to identify the roles and responsibilities of Central Services and MJC</i>				
5) Model in the CCC System				
GOAL 5: Become a leader in the CCC System in providing students with adequate access to training, support, and current learning technologies, and the necessary skills required in a technology-based society				
5.1 Provide student access to technology that fits the varied lifestyle of a diverse student population		X	X	
5.2 Develop technology competency in MJC students, including the use of technologies in careers			X	

***NOTE: CTE wanted to look at Goal 5 more closely to identify aspirational aspect*
