Now that PR is done, it would be good to move to specific action items, such as how we are going to update office computers, etc. It would be nice to have some committee "wins" to show off to the campus.

Q16 Is there anything else you would like to add?

I think we can be representatives from our constituencies for what is needed in terms of technology. I don't think we need to do a big survey. We can do a brief survey, but mainly we can rely on committee members for input.
