

Work Groups for College Technology Committee Plan of Work

As discussed at our College Technology Committee meeting on April 3, 2018, the following objectives were designated to have the first work groups assigned to them. Please sign up for the objective(s) that you'd like to participate in.

Objectives 1.1, 1.2 and 1.3

- 1.1 Develop, administer, and evaluate technology training needs
- 1.2 Identify persons able to conduct technology training
- 1.3 Coordinate and assess technology trainings to develop a culture of technology competency
 - a) Develop a "Technology Institute" or training workshops where stakeholders can explore new ideas
 - b) Create a centralized repository for technology-related resources (Lynda.com)

Objective 4.3

- 4.3 Develop processes with RAC to prioritize technology requests

Objectives 5.1 and 5.2

- 5.1 Provide student access to technology that fits the varied lifestyle of a diverse student population
- 5.2 Support technology competency for MJC students, including the use of technologies in careers

Objectives 1.1, 1.2 and 1.3

Objective 4.3

Objectives 5.1 and 5.2

1.	1.	1.
2.	2.	2.
3.	3.	3.
4.	4.	4.
5.	5.	5.
6.	6.	6.
7.	7.	7.
8.	8.	8.
