

Sheep Dairy in Hughson Seeking Part-Time Employees

Varied responsibilities such as maintaining barns and milking equipment, feeding sheep and lambs, milking sheep, monitoring herd health, and keeping data records. On-the-job training will be provided but prior animal experience preferred.

Qualified applicant requirements:

- ✓ Should have some experience working with animals.
- ✓ Must be willing to work some nights and weekends.
- ✓ Be able to work independently without supervision.
- ✓ Must be a self-starter.
- ✓ Must be dependable with reliable transportation.

Shifts are both in the early morning and in the evening

Email info@mjdfarms.com or call Josh Davis @ 209-678-3085 to apply or for additional information.

This is a great opportunity for students interested in Animal or Veterinary Science.
