

Allied Health Code of Civility

To ensure a learning environment that promotes respect for others, a quality education, and the safety of students, faculty, and staff:

I will...

- communicate **with faculty, staff, and peers in a respectful and professional manner.**
- be on time **for class and clinical.**
- be prepared **for class and clinical.**
- remain awake **in class and clinical.**
- silence my cell phone **during class and clinical.**
- abide by the [MJC Standards of Student Conduct](#)

I will not...

- text message **during class or clinical.**
- use any unauthorized electronic or communication devices **during class or clinical.**
- conduct disruptive side conversations **when an instructor or speaker is talking.**

I will not engage in...

- yelling.
- physical or verbal abuse.
- profane, foul, or inappropriate language.
- threatening or intimidating behaviors.

Students, faculty, and staff will be fully accountable for their behavior. If they fail to observe the Code of Civility, action will be taken according to established college and program policies.

I have read the Allied Health Code of Civility and agree to abide by it.
