Mission Statement
MJC is committed to transforming lives through programs and services informed by the latest scholarship of teaching and learning. We provide a dynamic, innovative educational environment for the ever-changing populations and workforce needs of our regional community. We facilitate lifelong learning through the development of critical thinking, creativity, character, and abilities that shape students into thoughtful, culturally aware, engaged citizens.

Vision Statement
MJC will enrich lives by challenging all students to become successful, lifelong learners who strengthen their community in a diverse and changing world.

Values
Education is the reason our institution exists. To this end, we value innovation, professionalism, integrity, and responsible stewardship. We foster respect for and interest in the diverse individuals and histories of our community. These values are foundational to the way we shape our programs and services, make and communicate decisions, reinforce collaborative relationships within our community, and promote civic engagement.

Goals
1. MJC will continue to foster the success of all students by providing access to a broad array of quality, relevant teaching and learning programs, and appropriate services.
2. MJC will review the Program Review, including all instructional and student services programs, to resource allocations decision: staffing, technology, instructional equipment, and facilities.
3. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
4. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
5. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
6. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
7. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
8. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
9. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
10. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
11. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
12. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
13. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
14. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
15. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
16. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
17. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
18. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
19. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
20. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
21. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
22. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
23. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
24. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
25. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
26. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
27. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
28. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
29. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
30. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
31. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
32. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
33. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.

35. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
36. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.

Accreditation
Modesto Junior College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Boulevard, Suite 304, Newport, CA 92660, (415) 506-6254 by the authority of the U.S. Department of Education. Accreditation provides assurance that the location earned is of value to the student, acceptable to employers, trade or profession-related licensing agencies, and other colleges and universities accept a student’s credential as legitimate.

Non-Discrimination Policy
It is the policy of Modesto Junior College to provide an environment free of unlawful discrimination. Discrimination on the basis of ethnic group identification, religion, age, sex, gender, sexual orientation, color, or physical or mental disability in the college programs, activities, and work environment is unlawful and will not be tolerated by the College.

The College strongly forbids any form of discrimination and has enacted the following procedures to recognize and eliminate unlawful discrimination. These regulations provide for the investigation of alleged unlawful discrimination in its programs or activities. The College will seek to resolve the complaints in an expeditious manner.

Modesto Junior College affirms its commitment to equality of opportunity for all individuals. This commitment requires that no discrimination shall occur regarding admission or access to, or treatment or employment in, any program or activity in the College on the basis of ethnic group identification, religion, age, sex, sexual orientation, color, physical or mental disability, or lack of English language skills. This policy is in accordance with Title IV of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990, and the Age Discrimination Act of 1975. The lack of English language skills will not be a barrier to enrollment or participation in programs or services.

POLÍTICA DE NO DISCRIMINACIÓN
Modesto Junior College reafirma su propósito de ofrecer igualdad de oportunidades a todas las personas. Esta compromiso requiere que ningún individuo sufra discriminación en cuanto a la admisión, al acceso, o en las oportunidades de empleo, en cualquier programa o actividad en esta institución a causa de su grupo étnico, religión, edad, género, preferencias sexuales, color, o incapacidad física o mental. Esta política está conforme con el Título VI del Acta de los Derechos Civiles de 1964, Título IX de las Enmiendas de Educación de 1972, Acta 504 de la Rehabilitación de 1973, Acta de Americanos con Discapacidades, y con el Acta contra la Discriminación en el Empleo a causa de la Edad de 1975. La falta de conocimiento del inglés no será un obstáculo para la admisión en los programas de educación vocacional. Los estudiantes que crean haber sufrido discriminación por pertenecer a cualquier de las categorías anteriormente mencionadas deben comunicarse con el Vice Presidente, Servicios Estudiantiles en el edificio núm. 222 del edificio Morris Memorial, teléfono 575-6060.

Yosemite Community College District y Modesto Junior College han hecho todo lo posible por asegurar que el contenido del catálogo de 2012-2013 sea correcto. La información en este catálogo se reserva el derecho de añadir, modificar, o anular cualquiera de sus reglamentos y procedimientos.
I’m so glad you are considering MJC for your educational journey.
Modesto Junior College has a proud 93 year history of excellence in
transfer preparation and career technical education. The college has
student clubs and activities that range from fine and performing arts,
civic engagement, science, academic honors, and athletics. Our programs
are designed with an eye on the future; we are preparing the workforce of
tomorrow with new technology, state of the art facilities, and outstanding
faculty. Come visit MJC and explore the options that await. Your
educational success starts here!

ABOUT MODESTO JUNIOR COLLEGE
Modesto Junior College, one of the oldest community colleges in the state, was organized in 1921 to serve the first junior college district established under a State Legislature Enabling Act. Modesto Junior College was established to meet the needs of the community. Today the college strives to maintain the same objective—that of dedication and service to the community.

The College began with a charter enrollment of 61 students. Through the years registration has increased until today more than 18,000 day and evening students are enrolled each semester. In addition, more than 8,000 community participants take advantage of the ever-growing Community Education program.

To complement student growth, the campus has grown as well. The college holds the distinction of having erected the first junior college classroom building in the state. From this modest beginning, MJC has grown until it now provides an outstanding learning environment on two sites: the original MJC-East on College Avenue and MJC-West on Blue Gum Avenue in northwest Modesto. In addition to the two sites, more than 20 community sites are used to meet particular educational needs.

The area boundaries have also changed. In 1964, by action of the electorate, the boundaries were enlarged to include nearly 4,000 square miles, encompassing high school districts in Stanislaus and Tuolumne Counties, the Ripon High School District in San Joaquin County, the Gustine and Hilmar High School Districts in Merced

...
County and the Harney Elementary School District in Santa Clara County. The district also includes the Bret Harte Union High School District, the former Copperopolis Elementary School District and the former Salt Spring Valley Elementary School District in Calaveras County.

A Board of Trustees was elected in 1964 to govern the affairs of the expanded district. In 1965 the name Yosemite Junior College District was selected. It was later changed to Yosemite Community College District. The Yosemite Community College District also includes Columbia College, located in Columbia, California.

**A COMPREHENSIVE COMMUNITY COLLEGE**

Consistent with its philosophy of serving the educational needs of all people who reside in the College district, a wide range of programs and individual courses has been developed. MJC offers technical and vocational programs, courses to prepare students for transfer to a four-year university, and Associate degrees in over 70 areas of study. MJC also provides basic skills courses in English and math, and English as a second language classes.

Credit and non-credit courses are offered day and evening as well as on Saturdays on the college sites and at locations throughout the college district. Some courses are also offered online. Credit courses fulfill requirements leading to degrees, diplomas and certificates. Non-credit courses are designed for members of the community who wish to develop or improve their skills and supplement their general knowledge. These courses do not fulfill requirements leading to degrees, diplomas or certificates. Community Education classes, tours and trips are participant fee-funded and carry no unit value. Such classes may be offered in the areas of vocational, recreational, and in-service training interests of the participants.

**OPEN ENROLLMENT AT MJC**

Unless specifically exempted by statute, every course, course section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, part VI, Title 5 of the California Administrative Code, 51820-51823.

Exception to this policy will be made where health, safety, legal requirements, or the facility is a limiting factor in the conduct of the course. Students denied enrollment by this policy may appeal to the Vice President of Student Services.
TRANSFER AND COMPLETION RATES

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2009, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period.

Student Right-to-Know Rates for Fall 2009 Cohort

Completion Rate: 18.75 %
Transfer Rate: 13.73 %

Fall 2009 - Spring 2012 COHORT Data

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three-year period, from Fall 2009 to Spring 2012. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer-prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five-semester period, from Spring 2010 to Spring 2012, are transfer students. For more information, visit:  http://srtk.cccco.edu/592/09index.htm

CENTER OF EXCELLENCE

Contact: Jenni Abbott
Phone: (209) 575-7795
Website: www.coeccc.net

As part of the California Community Colleges’ Economic and Workforce Development Program, MJC hosts one of four, regionally-based Centers of Excellence. These Centers conduct environmental scanning on high growth, emerging, and economically-critical industries and their related workforce and occupational needs. Information from the scans is intended to assist the strategic planning and decision-making efforts of regional colleges in addressing local and regional workforce needs. The Centers also support regional and statewide marketing activities to increase employer awareness of the economic development services available from community colleges. The Central Region Center of Excellence serves the entire San Joaquin Valley Region of California.

OFFICE OF INSTRUCTION
The Office of Instruction facilitates all teaching and learning activities at Modesto Junior College and provides an array of services to students and the college overall. It stores and monitors all course outlines, implements educational program requirements and produces the College Catalog and Class Schedule. College-to-college course articulation, including establishing transferability and general education patterns, is also managed through the Office of Instruction.

A COMPREHENSIVE CURRICULUM
The college offers courses designed to meet many diverse interests, educational needs, and vocational needs of its students. College programs are designed to meet particular needs and may consist of one course or a series of courses leading to a certificate or an associate’s degree. Many MJC courses can apply towards the first two years of a bachelor’s degree. Courses in art, literature, humanities, foreign languages, music, drama and speech provide cultural enrichment for MJC students and the community. Music instruction, for example, is offered for beginners as well as for those who already have a high level of proficiency.
Performances by such groups as the Masterworks Chorus and Jazz Ensemble are examples of the cultural events offered to the community. All students are encouraged to participate in college community activities such as student government, athletics, forensics, art shows, music programs, and tutoring.

Those who wish to broaden their horizons and to become more aware of themselves and the world about them will be drawn to offerings in health education, consumer education, psychology, child development, sociology, speech, conservation, valley plant life, science, art appreciation, and physical activities. Agricultural offerings include technician training courses as well as courses designed for persons anticipating employment or already employed in the field of agriculture. An advisory committee also serves the community services program. Business courses that meet occupational requirements of the community are offered in office administration, clerical training, accounting, computer science, computer graphics applications, and business operations. Certificate programs are available in several areas. Administration of Justice, emergency service instruction, and fire science are also offered and can lead to an Associate's degree.

Vocational programs prepare students for entry employment in such fields as allied health, animal husbandry, crop production, agricultural mechanics, office administration, computer science, computer graphics applications (desktop publishing and computer graphics), automotive technology, electronics, nursing, machine shop, accounting, human services, and engineering technology. Advisory committees serve the college in the development of vocational programs by helping to determine the need for and the content of occupational oriented courses. Courses are geared to the needs of industry and are modified as community needs change.

Other courses are designed to assist the individual in skills development. These include, among others, reading improvement, effective study skills, listening improvement, career awareness, job employment skills, introduction to mathematics, and pre-algebra. English as a Second Language is offered for non-native speakers of English who desire to learn English or to improve their proficiency.

Each year several hundred students transfer to four-year colleges and universities to continue their education toward bachelors' degrees. Modesto Junior College has earned a strong reputation statewide for its lower division preparation. Students who properly plan courses of study in their major and general education requirements are able to continue into their junior year in most majors with no loss of time or credit.

ASSOCIATE DEGREES OFFERED

ASSOCIATE'S DEGREE

Modesto Junior College awards associate in arts or associate in science degrees upon completion of a set program of study, usually done in two years (full-time), although completion time may exceed two years. The program of study includes coursework in a major or area of emphasis, as well as completion of general education. At Modesto Junior College, students must complete the associate's degree requirements, including a minimum of 60 units with at least a 2.0 grade point average. Some students plan to end their education with an associate's degree while others plan to transfer to universities to earn bachelors, masters, and/or doctorate degrees.

ASSOCIATE'S DEGREES FOR TRANSFER

The Student Transfer Achievement Reform Act (SB 1440 – Padilla), signed into legislation on September 29, 2010, enables the California Community Colleges and California State University to collaborate on the creation of associate in arts degree (AA) and associate in science degree (AS) transfer programs. This new law requires community colleges to grant an associate degree for transfer to a student once a student has met specified general education and major requirements for the degree. Upon completion of the associate degree, the student is eligible for transfer with junior standing into the California State University (CSU) system.

Students are given guaranteed admission into the California State University (CSU) system, and further are given priority consideration when applying to a particular
program that is similar to the student’s community college major. The law prohibits the CSU from requiring a transferring student to repeat courses similar to those taken at the community college that counted toward their associate degree for transfer.

OTHER AWARDS OFFERED

Modesto Junior College offers certificates and awards in the technical, applied, and business sciences to students who complete courses specified for each program. The curriculum is developed by faculty in cooperation with advisory committees comprised of business and industry representatives. Modesto Junior College offers three types of awards to recognize completion of technical programs and/or courses:

- Certificate of Achievement
- Skills Recognition Award
- Subject Mastery

CERTIFICATES OF ACHIEVEMENT

Certificates of achievement are granted for the completion of a specified program. These state-approved certificates acknowledge workplace competencies and job readiness. Specific course requirements for each certificate are listed with the program descriptions in the Catalog.

MJC certificate of achievement programs range in units from 12-60 and are offered in many areas such as agriculture, supervisory management, real estate, and medical assisting. Students should apply for their certificates during the semester in which they are completing their final program requirements.

SKILLS RECOGNITION AWARDS

Skills recognition awards are granted for the completion of a specified program whose total requirement is between 5½ and 17 units. These locally-approved programs are offered by community colleges to provide training needed in the community. Students should apply for their awards during the semester in which they are completing their final program requirements. Because these programs are locally approved and not formally recognized by the State of California, these awards do not appear on official student transcripts.

Financial Aid is not available for students enrolled in only Skills Recognition courses but students may receive the Board of Governor’s Fee Waiver (BOGW) if eligible.

SUBJECT MASTERY

Many individual courses and, sometimes multiple courses, are designed to culminate with a special subject award for students who successfully complete the course(s). Courses that provide CPR training, smog training, or typing are examples of classes that can result in the student earning proof of competency. Because these programs do not meet the state requirements for programs, these awards do not appear on official student transcripts, and instructors provide the proof of competency (subject award) when the class ends.

CATALOG RIGHTS

Catalog rights refer to the right of every continuing student to choose one, and only one, catalog under whose course requirements the student is to be evaluated for the purpose of determining whether the student meets the requirements for MJC graduation, certificate, or certification of general education. The continuing student may select the catalog which was in effect when the student initially enrolled at MJC or any catalog in effect thereafter through and including the semester when the student petitions for graduation or transfer certification.
CONTINUOUS ENROLLMENT AND CATALOG RIGHTS

A student remaining in continuous enrollment will retain catalog rights for graduation under the year of initial enrollment. Any academic record symbol entered on a MJC transcript (A through F, P/NP, I, W, MW) shall constitute a record of continuous enrollment. Continuous enrollment is defined as enrollment in at least one term (summer, fall or spring) of the academic year. Students should consult with their counselor for current information. For evaluation purposes, the college will use the terms listed in the catalog’s Academic Calendar to determine a student’s catalog rights.

PROGRAM RIGHTS FOR ALLIED HEALTH AWARDS

The curricula of the Allied Health programs are prescribed by their respective accrediting bodies. For this reason, programs may be required to modify their curriculum. Students entering these programs are given academic program rights to the requirements which appear in the catalog corresponding to the term/year in which they enroll in the first semester core curriculum of the program.

COURSE OUTLINES OF RECORD

All courses at MJC are governed by a course outline which includes but is not limited to the course objectives, content, methods of evaluation, and methods of instruction. All course sections, though varying in specific content and character, must include at the minimum the objectives, content and standards specified in the course outline. To obtain a copy of the official course outline for an MJC course, visit the MJC Instruction Office, Morris, 205E.

ACADEMIC FREEDOM

Students have the right to listen, the right to decide, the right to choose, the right to reject and the right to express and defend individual beliefs. As members of the MJC community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth.

The educational purpose of the college is best served by this freedom of expression. Students are free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled. Student performance will be evaluated on a broad academic basis, not on opinions or conduct in matters unrelated to academic standards.

COURSE EXAMINATIONS AND ASSESSMENTS

Examinations or evaluations will be conducted as indicated in the course outline. A final examination or evaluation will be held during the scheduled final examination period at the end of the semester unless otherwise authorized by the President or designee.

* All certified courses (courses numbered 100-299) are accepted by the California State University system. A list of courses transferable to the University of California system is available in the Counseling or Career Transfer Center, or at www.assist.org.
**TYPES OF COURSES OFFERED AT MJC**

**MJC ONLINE COURSES**

Online learning at MJC is a quality alternative to traditional classes. No distinction is made between the requirements and expectations for face-to-face courses and online courses. The content and outcomes of online courses are the same as those taught in the on-campus classroom. It is the flexibility of time and convenience that appeals to online students.

Online courses require a self-disciplined student—one who is an active learner and does not procrastinate. Courses require participation through frequent online communication with instructors and other students. These courses are best suited for those who can manage time and take responsibility for their education.

The student enrolled in an online class should have a solid understanding of Internet browsers (for example, Safari, Internet Explorer or Firefox) and using file attachments and word processing programs. They should also be good problem solvers who are not intimidated by technology.

Online students must have ready access to the Internet. If necessary, students may gain access to the Internet and MJC online courses via one of many MJC open computer labs during regular lab hours. Certain classes have specific software and course requirements; check the website for further information. For additional information on all MJC online courses, point your Internet browser to [www.mjc.edu/online](http://www.mjc.edu/online).
SPECIAL TOPICS AND PROBLEMS COURSES
Courses dealing with special topics and problems are offered with the course number of 198, 298 or 398. Each discipline may offer a special topics or problems course. The course title in the schedule of classes will identify the topic. Such courses allow participation in discussion, analysis and evaluation of a special topic or problem in a specific area of study. Topics are announced each semester in the schedule of classes. The courses are variable in hours per week and number of weeks according to the topic. The unit value may be ½, 1, 2, or 3. The course may be repeated. Field trips may be required. (CSU and UC grant credit for courses in this category contingent upon a review of the course outline.)

TRANSFERABILITY OF MJC COURSES
HECCC: PARTNERS FOR ACADEMIC EXCELLENCE
The Higher Education Consortium of Central California (HECCC), established in 1981, is a partnership of two universities and four community colleges committed to the advancement of academic excellence in a distinctly diverse region. Through dynamic and evolving collaborations, member institutions combine resources, share intellectual capital, facilitate innovative projects, promote professional development, and increase equitable access to higher education. HECCC members include California State University, Stanislaus; Merced College; San Joaquin Delta College, University of California, Merced; and the Yosemite Community College District, which includes Modesto Junior College and Columbia College.

HECCC Equivalency Grids exist to aid students in understanding the value of their coursework between participating institutions. For more information, click on HECCC Grids at http://www.csustan.edu/heccc.

RECIROCITY OF GENERAL EDUCATION REQUIREMENTS
General Education (GE) breadth courses that have been completed at Columbia College, Merced College, or San Joaquin Delta College in fulfillment of a GE category for an associate in arts or associate in science degree will be accepted in lieu of the corresponding GE category requirement at MJC and, therefore, satisfy that requirement.

ARTICULATION OF COURSES BETWEEN INSTITUTIONS
When the word “articulation” is used in education, it often has different meanings and connotations depending on the setting. Articulation at MJC refers to courses and the process of developing a formal, written and published agreement that identifies courses (or sequences of courses) on the MJC campus that are comparable or acceptable in lieu of specific requirements at another campus, often called the “transfer” or “target institution.” Successful completion of an articulated course assures the student and the faculty that the student has taken the appropriate course, received the necessary instruction and preparation, and that similar outcomes can be assured enabling progression to the next level of instruction at the transfer institution.
TECHNICAL EDUCATION & WORKFORCE DEVELOPMENT

Pedro Mendez, Dean
Community and Workforce Development
East Campus, Morris Memorial, 103
Phone: (209) 575-6386
Email: mendezp@mjc.edu
Website: mjc.edu/instruction/teched/workforcedev

Modesto Junior College Community and Workforce Development assists the college in reaching its mission of enhancing economic and workforce development in our community through the following programmatic areas: Accelerated Careers in Technology, Corporate Training & Corporate College, the Grant Innovations Office, and International Contract Programs.

ACCELERATED CAREERS IN TECHNOLOGY PROGRAM
Phone: (209) 575-7842

The Workforce Training Center is a key provider of services to welfare recipients and unemployed/dislocated workers. Services include: customized training, GED preparation, work experience, job retention training, and specialized vocational training. Ask for the Accelerated Careers and Training Program for specialized technical education and training opportunities.

CORPORATE TRAINING & CORPORATE COLLEGE
Phone: (209) 575-6595

Customized training and performance consulting services are provided at low cost for all sizes of businesses, government agencies and non-profits. Customized curriculum, organizational development, supervisory training, business plan development, cost reduction strategies, and return on investment evaluations are all offered at competitive pricing by a well respected local provider of training services. Manufacturing customized training includes state-of-the-art accelerated courses in PLC Troubleshooting, Adjustable Frequency Drives, Industrial Controls, Forklift Training, and much more. Company-focused degree and certificate programs are also offered on a fee-for-service basis at the company’s site. Call for additional information.

GRANT INNOVATIONS OFFICE
Phone: (209) 575-6985

The Modesto Junior College Grant Innovations Office is designed to enhance and sustain programs and services at Modesto Junior College through the development of additional grant funding sources for college priority activities in the areas of community development, economic development and workforce development. The Grant Innovations Office is here to develop federal, state and local grant proposals for both new and existing college programs and services as well as community partnership projects developed through the college processes.
Community & Workforce Development

SERVING THE COMMUNITY
For the past 90 years, MJC has positively impacted the lives of thousands of individuals in the region.

Our Community Education program began in the 1930’s as Modesto Evening Junior College. Since then, thousands have trained for a new career (Pharmacy Technician, Phlebotomy, Paralegal), enhanced a hobby, or taken a trip with Community Education. Annually, Community Education serves approximately 8,000 individuals through not-for-credit, fee based offerings for all ages.

The Workforce Development Office assists MJC in reaching its mission of enhancing economic and workforce development in our community. Workforce Development has existed for over 30 years and has provided customize training for hundreds of local businesses seeking to improve employee performance.

WELCOME TO MJC.EDU
Parking
Lloyd Jackson, Security Operations Supervisor
Dispatch (209) 575-6351

To purchase permits:
West Campus, Business Office
East Campus, Student Center, Business Services

To pay or contest citations: http://www.pmb.org

The District and College provide parking facilities for vehicles for the sole purpose of conducting college business. All persons parking on campus must pay fees as prescribed by local ordinances.*

STUDENTS: All full or part-time students who have paid the required fee are eligible for first-come, first-served parking in designated student parking areas.

STAFF: All full-time and part-time staff who have paid the required fee are eligible for parking in specific assigned areas marked in black on a first-come, first-served basis. The term STAFF does not include tutors, student employees, or student assistants, but applies only to contract employees of the Yosemite Community College District.

PARKING RULES
The YCCD Parking and Traffic Ordinances are available for review at Campus Safety. A copy of the Condensed Parking Regulations is distributed with every semester or annual parking permit sold. Some basic rules are listed below for your convenience:

- Permits are required anytime a vehicle is parked anywhere on MJC property, except on Saturday, Sunday, school holidays, and Fridays after 5 p.m.
- A student or staff permit is not valid in visitor parking (Green). Visitor spots are for a maximum of 30 minutes. Staff spaces are marked black.
- Students are not authorized to park in staff parking until after 7 p.m., and must have either a hanging semester permit or a current day pass permit from the Day Pass Machines (Dispenser located in each parking lot).
- Students can purchase Parking Permits by the semester, at the East Campus Business office. The East and West Campus Business Office often has extended hours for the first two weeks of school.
- Campus Safety Officers do not know whose car belongs to whom. Leaving a note in the car in lieu of a permit is not valid for parking.
- Make sure to read Parking Lot signs carefully. Parking lots may be restricted as to which parking permits are valid during specific time periods. (If so, there are no special restrictions after the times indicated.) The following lots/areas are restricted during specific hours:
  - East—Lot 101 (near Baseball Field): Only Semester/Annual permits (A, T, S) until 12:00 Noon.
  - West—Lot 209 (near Child Care): Semester/Annual permits (A, T, S) until 12:00 PM.
  - Area in front of MICL Building: MICL Permit Holders from 8:00 AM-2:00 PM.
- Permits must be displayed in such a way as to be clearly visible through the front windshield. If you use a sun shield, be sure not to cover the permit or knock it to the floor.

CITATIONS:
All vehicles, operated or parked in violation of the YCCD Parking and Traffic Ordinances will be cited with a Municipal Court citation under authority of 21113a of the California Vehicle Code. Campus Safety Officers use electronic citation writers that dispense a citation similar in appearance to a receipt clearly marked “NOTICE OF PARKING VIOLATION.” Specific information regarding payment of the citation online or by mail or to contest the citation is located on the back of the notice; along with warnings about failure to respond in a timely manner.

PARKING ENFORCEMENT HOURS/DAYS:
Enforcement of parking and traffic regulations is continuous (24 hours a day, seven days a week). Parking fee and staff reserve regulations are not in effect from 5 p.m. on Friday to 7 a.m. on Monday and on college holidays and exempt days.

The visitor parking areas on North and South Drive adjacent to the Morris Building are restricted to 30-minute parking for guests of the college, as are all visitor parking zones on East and West campus. Parking permits are NOT valid in visitor parking areas.

* The District/College does not take custody of vehicles and only rents space. No responsibility is assumed for fire, theft, damage, or loss to vehicles, their occupants, or contents while on District/College property.
**LOST AND FOUND**

East Campus: Campus Safety Operations, Journalism 160  
Hours: 9:00 am to 1:00 pm, M-Th.  
Phone: (209) 575-6429

West Campus: Campus Safety Operations, John Muir 151  
Hours: 8:00 am to 8:00 pm, M-F  
Phone: (209) 575-6351

Found property should be turned in to Campus Safety within twenty-four hours.  
Found property can be turned into the Campus Safety Operations on either campus or to any member of the Campus Safety staff. Property turned in on East campus may be moved to West for storage after one week. Found property may be claimed at the Campus Safety office on West Campus only.

**EMERGENCY LOCATING SERVICE**

East Campus, Student Center  
Student Development & Campus Life Office  
Phone: (209) 575-6700

The Emergency Locating Service offers students the ability to leave an MJC telephone number with family members, child care provider, or employers in case of an emergency. In an emergency, the Locating Service tells MJC where the student “should” be, and a staff member is dispatched to contact the person in his/her class. To be a part of the Emergency Locating Service, a student must complete an **Emergency Locator Form** which indicates the location and time of each class. Forms must be updated each semester. Emergency Locating Service Forms are available in the Student Development and Campus Life Office, located inside the East Campus Student Center, next to the Cafeteria. Without an Emergency Locating Service form on file, a message cannot be delivered to a student.

EMERGENCIES: DIAL 911
Phone: (209) 575-6351

CAMPUS SAFETY
Campus Safety officers provide 24-hour protection throughout the college’s East and West campuses, including parking areas. Each student is asked to assist in the control of vandalism, burglary and other crimes by reporting suspicious activity to the Campus Safety Department.

CAMPUS SAFETY STATISTICS
The Crime Awareness and Campus Security Act of 1990 requires institutions to report data for certain criminal acts that occur on or adjacent to the campus. The Yosemite Community College District’s Campus Safety Department and local law enforcement reported the following crimes on or adjacent to the Modesto Junior College campus for 2011-2013.

CAMPUS SECURITY ACT
The Annual Security Report is available upon request from Campus Safety/Security at (209) 575-6005, or online at www.yosemite.edu/safety. This report also includes statistics for reported fires at MJC Student Housing.

DRUG AND ALCOHOL ABUSE PREVENTION
Through the Drug-Free Schools and Communities Act Amendments of 1990, learning institutions are required to implement drug prevention programs. This includes the annual notification of the following drug and alcohol use policy.

MJC is committed to the success of all students. Drug and alcohol use can be a major hindrance to achieving a successful school career. There are physical and psychological health risks associated with drug and alcohol use, including but not limited to, exhaustion, decreased immunity, depression, and decreased coordination. Generally, persons who use illegal drugs and/or abuse alcohol can expect a decline in their quality of life. MJC Student Services offer education and information on drug and/or alcohol use and also can refer students to community agencies for counseling or rehabilitation. Pamphlets and literature are available through the Health Services website at www.mjc.edu/healthservices. Call 575-6038 for more information.

According to MJC’s Student Code of Conduct, students are subject to disciplinary action for the possession, use or distribution of illicit drugs and alcohol on college property or during college-related activities. This can include expulsion from college and/or punishment under local, state and federal law.

EMERGENCY CALL BOXES
There are emergency call boxes located in most of the college parking lots. The call boxes may be used to call:

- for a security escort,
- for a battery jump or door unlock,
- for any type of emergency service on campus, and
- to report day pass machine malfunctions.
ESCORT SERVICE
Campus Safety officers or Security Escorts are available during day and evening hours to escort students to their cars. An escort may be requested by calling Campus Safety or using one of the parking lot call boxes.

PERSONAL SAFETY TIPS
In the interest of ensuring personal safety, students are encouraged to observe the following precautions:

- Avoid isolated places, day or night.
- Always walk in pairs. There is safety in numbers.
- Be security-conscious. Watch out for yourself and others, and their property.
- Be responsible. Report all crimes and unusual activity to Campus Safety.
- Use well-lighted walkways.
- Park in well-lighted areas, away from shrubbery and trees.
- Always lock your car and take your keys.
- Do not leave valuables in your vehicle.

OPERATION ID
Operation ID is a service that allows you to register your valuable property at no cost in case it is ever lost or stolen. By registering your laptop, bicycle, eReader or other valuable property, there is a much greater chance of recovery because it can be identified as yours if it is found. Registration is simple and fast. Just bring your property to either Campus Safety counter: complete the property form, receive a sticker, engrave your property with your CA driver’s license and Campus Safety will photograph your property and enter the information in a database. Your information will be kept for 3 years. Remember to report your property missing if you believe it is lost or stolen.

DATE RAPE
Sexual activity without mutual and expressed consent is sexual assault. Acquaintance/ date rape is a serious problem on college campuses. On college campuses, 90% of the women who are raped know their attackers. More than half of these rapes occur on dates. Incidents of alcohol and drug facilitated rape are increasing in college campuses. Watch your drink and watch out for your friends!

What women and men can do to prevent rape:

- Know and clearly express sexual intentions and limits out loud.
- Go to parties and clubs with friends you trust, and leave with them too.
- If you think you are in danger, call a family member or friend for help or go to a safe place.
- Be ready and willing to yell, fight, and run.
- Tell someone if you have been sexually assaulted.
- Learn what resources are available.
- Contact MJC Health Services for additional Information.

Awareness and clear, assertive communication are the best tools for prevention. For more information concerning the issue, contact the Health Services Office in Morris Memorial Building, Room 108.

SEXUAL ASSAULT
MJC recognizes that sexual assault is a serious issue and will not tolerate acts of sexual assault on campus or off-campus during any college-sponsored activities. The college will investigate all allegations of sexual assault and take appropriate disciplinary, criminal, or legal action.

Who to Contact if You Have Complaints, Questions, or Concerns:

Title IX requires the College to designate a Title IX Coordinator to monitor and oversee Title IX compliance. Your campus Title IX Coordinator is available to explain and discuss: your right to file a criminal complaint (sexual assault and violence); the District’s complaint process, including the investigation process; how confidentiality is handled; available resources, both on and off campus; and other relate matters.

Campus Title IX Coordinator
Martha Robles
(209) 575-6740

Campus Safety
(209) 575-6351

The college strongly encourages all members of the campus community to provide a written or verbal report regarding any incident of sexual assault to Campus Safety. College counselors and Health Services staff will make appropriate support services and referrals available to students who are victims of sexual assault.
Getting Started at Modesto Junior College

Applying for Admission

ENROLLMENT SERVICES (ADMISSIONS, RECORDS, EVALUATIONS, ASSESSMENT, PETITIONS)

Website: [www.mjc.edu/studentservices/enrollment](http://www.mjc.edu/studentservices/enrollment)
Help Desk: (209) 575-7800

Mailing Address:
MJC Enrollment Services
435 College Avenue
Modesto, CA 95350-5800

ELIGIBILITY FOR ADMISSION

Any person who meets at least one of the following requirements is eligible to attend Modesto Junior College:

- Has graduated from an accredited high school; includes students who have received high school certificates of completion (or equivalent) but did not pass the California High School Exit Exam.
- Has passed the California High School Proficiency or the GED test.
- Is a non-high school graduate, 18 years of age or older, who is no longer attending high school and is able to benefit from instruction.
Is a 7th-12th grade student, who is at least 14 years old, who has met all established special conditions for admission as a special student pursuant to Sections 4880, 48800.5, 48802, 76001, and 76002 of the California Education Code as well as policies of Yosemite Community College District, has written permission from the high school principal (or junior high school superintendent) and parent or legal guardian.

An international student who has completed the international student admission procedure.

**HOW TO APPLY FOR ADMISSION**

- Individuals who have never attended MJC as well as students who have not attended within the past year, must submit an Admissions Application using CCCApply via PiratesNet, the college’s online system on the Internet at www.mjc.edu. As soon as the application has been processed by the Admissions Office, students are provided with information regarding assessment, orientation, and advising. This information will be sent only to the student’s personal email address. Students must complete application and core matriculation services by the college established deadline in order to be eligible for enrollment priority. College deadline is posted on the MJC website.

**STEPS FOR ADMISSION:**

2. Set up college email account.
3. Complete College Orientation
4. Complete the Placement Assessment tests.
5. Schedule an Advising appointment.
6. Submit any previous high school and/or college transcripts.
7. Apply for financial aid.

Junior high, high school, international students and students being readmitted following dismissal must follow admission requirements on the following pages.

**TRANSCRIPTS**

Students should arrange to have one official transcript of all previous college and high school work mailed to the MJC Enrollment Services Office. High school seniors may request their schools to send their transcripts at the close of their graduating year after their diplomas have been posted to their official transcript. Students who plan to use completed courses from other colleges to satisfy MJC prerequisites and/or core matriculation requirement (assessment) must have official transcripts in the MJC Enrollment Services Office at least six weeks prior to their registration date. These transcripts become the property of MJC and cannot be returned to the student, copied, nor forwarded to other colleges. The MJC Enrollment Services Office will accept hand-carried transcripts that are in an unopened and sealed envelope.

**CONCURRENTLY ENROLLED COLUMBIA COLLEGE STUDENTS**

Students who are concurrently enrolled at Columbia College and who wish to enroll at MJC should consult with the Columbia College Admissions Office. Columbia College Admissions staff will make arrangements with MJC for authorization. Columbia students may use Columbia College assessment scores and/or course completions to satisfy MJC assessment requirements. See “Intradistrict Course Equivalencies Between Modesto Junior College and Columbia College” on page 111 for more information.
CALIFORNIA RESIDENCY

It is not necessary to be a resident of California (as defined in the Education Code) to attend MJC. New and returning students are classified as either a California resident or a California non-resident for out-of-state tuition purposes. In order to determine California residency during the application process, students are sometimes required to submit copies of INS documentation or documentation proving physical presence and showing intent to make California their permanent residence. Students must be residing in California at the time the request for consideration is made. The burden of proof to establish residence is on the student. For more information, contact the Enrollment Services (see previous page for contact information).

DEFINITION OF A NON-RESIDENT

A "non-resident" is a person who has either not resided in California for the full one-year period before the residence determination date (first day of classes for each semester) or is a person who is precluded by INS from establishing residency, regardless of length of presence in California. Nonresident students are required to pay $219 per unit tuition, in addition to their other fees. Non-resident fees may be exempted for students who qualify under AB 540. For more information, 9

DETERMINING CALIFORNIA RESIDENCY

Residency is determined by the length of physical presence in the State of California (minimum of one year and one day prior to the first day of the semester or summer session) and the “intent” to make California one’s residence. Students who have resided in California fewer than two years must also prove “intent” to become a California resident. To prove intent, students who have lived in California fewer than two years must submit two proofs from the following list with their Admissions Application:

- Owning/renting residential property in California for personal use;
- California voter registration;
- California State income taxes;
- California driver’s license or identification card;
- California motor vehicle registration;
- Having an active California checking and/or savings account;
- Other proofs of intent may be considered by the college.
- For all other unique situations, students should consult with the Admissions Office.

RESIDENCY FOR MILITARY PERSONNEL

Active duty military students and their dependents residing in California are considered California residents (except if assigned for educational purposes to state-supported institutions of higher education).

Members of the armed forces who were stationed in California on active duty for more than one year prior to being discharged from the service may be classified as a resident for up to one year if they live in California after being discharged.

RESIDENCY FOR CREDENTIALED EMPLOYEES/MIGRANT WORKERS

Credentialed employees and their dependents, migrant agricultural workers and their dependents may also be considered California residents for educational purposes.
RESIDENCY AND NON-CITIZENS

Non-citizen students, if their visa does not preclude them from establishing residency in the United States, may be classified as residents if they have resided in California more than one year and if INS documents were issued or approved more than one year prior to the beginning of the term. Examples of INS documentation that may be requested include:

- Resident Alien Card
- Permanent Resident Card
- I-94 Form
- Visa
- Passport
- Temporary Resident Card

Students whose INS documents were issued less than one year and one day prior to the start of the semester will be considered non-residents for tuition purposes.

Aliens may establish residence if not precluded by the Immigration and Nationality Act from establishing domicile in the United States; provided that the student has had residence in California for more than one year prior to the residence determination date. Non-resident students should carefully read information regarding AB540 (p. 30) that exempts non-resident tuition for non-resident students who have attended California high schools for at least three years and have graduated from a California high school.

AB 540: NON-RESIDENT TUTION EXEMPTION

Consistent with AB 540, non-resident and undocumented students who meet all of the following requirements can be exempted from paying non-resident tuition. Students who are exempted from paying non-resident tuition (pursuant to Section 68130.5 and Section 68130.7 of the California Education Code) do not become residents for eligibility purposes for any state-funded program.

Students who meet all of the following criteria will be exempted from paying non-resident tuition:

- The student must have attended a California high school for three or more years, (3 years of high school credit in combination of attendance in any California school may be substituted for 3 years of attendance in a California high school).
- The student must have graduated from a California high school or attained the equivalent thereof.
- In the case of a student without lawful immigration status, an affidavit must be filed with the college that indicates the student has applied for legalization or will do so as soon as the student is eligible to do so. The student must currently live in California.
- Students who are non-immigrant aliens (the most common being the F-series student visas and B-series visitor visas) are not eligible for this exemption. Students can obtain the AB540 Form from the MJC Admissions Office.
APPEALING RESIDENCY STATUS

NEW STUDENTS
Prospective students wishing to appeal residency status requirements must first complete an Admissions Application. Once residency has been determined by the Admissions Office, students may then appeal their status in the Admissions Office by completing a Residency Consideration Form. The appeal will be reviewed by the MJC President. Appeals will be answered in writing and decisions will be final. International students whose visas preclude establishment of residency will not be granted an appeal. For questions about residency, telephone the Admissions Office: (209) 575-6853.

CONTINUING STUDENTS
Continuing students whose residency status may change in a future term should complete a Residency Reclassification Affidavit in the Enrollment Services. Students may be asked to provide supporting documentation. With appropriate documentation, if the change status is approved, Admissions staff can make the change immediately for the future term. The burden of proof to establish residency is on the student.

ADMISSION OF SPECIAL PART-TIME GRADE STUDENTS (WHO ARE AT LEAST 14 YEARS OF AGE)
Advanced admission is granted for academically superior seventh and eighth grade students who are at least 14 years old by the start of the semester for which they are applying. In order to be eligible to enroll in college-level courses (credit courses numbered 50 or higher), seventh and eighth grade students must have met all the established special conditions set forth in the Yosemite Community College District Board Policy & Procedures, as well as California Education Code Sections 48880, 48800.3, 48802, 76001, and 76002. The school district principal or designee must determine that the petitioner is capable of benefitting from advanced scholastic or vocational (college-level) work.

Seventh and eighth grade students, who are at least 14 years old by the start of the semester for which they are applying, may be determined to be eligible for advanced admission in MJC college-level courses (MJC credit courses numbered 50 or higher) if the school district of residence does not provide courses of advanced scholastic or vocational study to benefit the petitioner, and if student has submitted a Modesto Junior College Admissions Application, a completed Petition for Special Part-Time Admission form, a Health Consent form, a letter of recommendation signed by their principal/superintendent, and proof that they have demonstrated an English 101 ability level on the MJC Assessment Test. All students must satisfy class prerequisites, if necessary. To obtain these forms, go to the Enrollment Services Office or to online forms at www.mjc.edu/forms.

Seventh and eighth grade students who wish to enroll in more than 11 units must have formal approval from their school’s Board of Trustees and approval of the MJC President prior to enrollment. Enrollment fees for advanced admission students who enroll in up to 11 units will be waived. Students who are admitted as special full-time students (11.5 units or more) will be required to pay their enrollment fees.

Home-study seventh and eighth grade students, who are at least 14 years old by the start of the semester for which they are applying, must include with their admission packet (see above) a certification letter (Private School Affidavit) from their County Schools’ Office or the State of California. Home-study seventh and eighth grade students who are at least 14 years old must also demonstrate an English 101 ability level by completing the MJC Assessment.

All seventh and eighth grade students are subject to all college regulations regarding attendance, conduct, scholarship and fee payment. Courses attempted and units earned will be recorded on the student’s permanent record and may be used toward meeting graduation, transfer, or certification requirements at Modesto Junior College. Students are expected to attend an orientation workshop before registration.
In order to be approved for a second or more semester as a concurrently enrolled junior high school student, the junior high school student who is a continuing MJC student must be in good academic standing at MJC. Good academic standing is defined as having a cumulative 2.0 or higher MJC grade point average. The number of W’s in relationship to attempted units will also be taken into consideration.

NOTE: It is expected that all seventh and eighth grade students enrolling in college courses have the maturity to function effectively on a college campus. No special arrangements for additional supervision of underage students are available. College courses are designed for adult students. In a very small number of disciplines, course content may be unusually frank in order to deal with scholarly discussion of behavioral, artistic, human or other issues. Unlike K-12 schools, colleges do not contact parents in advance to inform them of these issues. Parents are hereby notified that it is their responsibility to assure that their child is able to handle the college environment, as well as the content of the courses in which the student enrolls. Parents may wish to investigate the curriculum prior to enrolling their student if they have any questions or concerns.

**ADMISSION OF SPECIAL PART-TIME HIGH SCHOOL STUDENTS**

Advanced admission is granted for academically superior 9th through 12th grade students who are at least 14 years old by the start of the semester for which they are applying, and the high school principal or designee has certified that the student is prepared to undertake associate degree credit courses that are numbered 50 or higher. In order to be eligible to enroll in college-level courses, 9th-12th grade students must have met all the established special conditions set forth in the Yosemite Community College District Board Policy & Procedures as well as California Education Code, Sections 488800, 488003, 48002, 76001, and 76002.

The school district principal or designee must determine that the petitioner is capable of benefiting from advanced scholastic or vocational work.

High school students may be determined to be eligible for advanced admissions in MJC college-level courses (MJC credit courses numbered 50 or higher) if the school district of residence does not provide courses of advanced scholastic or vocational study to benefit the petitioner.

High School students must submit a Modesto Junior College Admissions Application, the completed Petition for Special Part-Time Admission form, a Health Consent form. All students must satisfy class prerequisites, if necessary. High school students must complete these forms each semester they attend while still in high school. To obtain these forms, go to the Admissions Office or www.mjc.edu/forms.

Upon high school graduation, each graduating senior who enrolled in MJC classes as a high school student, must complete the Admissions Application again so that high school graduation information can be updated. Failure to do so will delay registration for classes. Students are expected to attend an orientation workshop before registering.

High school students admitted in this category are subject to all of the college regulations including attendance, conduct, scholarship and fee payment. Courses attempted and units earned will be recorded on the student’s permanent record and will be used toward meeting graduation, transfer, or certification requirements at Modesto Junior College. High School students who wish to enroll in more than 11 units must have formal approval from their school’s Board of Trustees and approval of the Modesto Junior College President prior to enrollment.

Enrollment fees for advanced admission students who enroll in up to 11 units will be waived. Students who are admitted as special full-time students (11.5 units or more) will be required to pay their own enrollment fees.
In the event that a high school student wishes to receive high school credit for a course taken at MJC, a student can request that transcripts be sent to the high school. Students may request transcripts in the Records Office, Student Services Building, Room 102, during final exam week or later. Each high school will make the determination whether or not college credits can be used to satisfy requirements at the high school.

Home-study students must include with their Admissions packet (see above) a certification letter (Private School Affidavit) from their County Schools’ Office or the State of California.

In order to be approved for a second or more semester as a concurrently enrolled high school student, the high school student who is a continuing MJC student must be in good academic standing at MJC. Good academic standing is defined as having a cumulative 2.0 or higher MJC grade point average. The number of W’s in relationship to attempted units will also be taken into consideration.

NOTE: It is expected that all high school students enrolling in college courses have the maturity to function effectively on a college campus. No special arrangements for additional supervision of under age students are available. College courses are designed for adult students. In a very small number of disciplines, course content may be unusually frank in order to deal with scholarly discussion of behavioral, artistic, human or other issues. Unlike K-12 schools, colleges do not contact parents in advance to inform them of these issues. Parents are hereby notified that it is their responsibility to assure that their student is able to handle the college environment, as well as the content of the courses in which the student enrolls. Parents may wish to investigate the curriculum prior to enrolling their student if they have any questions or concerns. For more information on college for students 17 and under, see also Early College Program.

**EARLY COLLEGE PROGRAM**

East Campus, Morris Memorial, 112
Phone: (209) 575-7858

**WHAT IS EARLY COLLEGE?**

Early College at MJC works with teachers, counselors, principals, parents and students to help motivated high school students “jump-start” careers and college by enrolling in appropriate college courses while still in high school. Students may compress the time necessary to complete a college degree and count units to enhance registration priority when enrolling at MJC after high school. By enrolling in regular classes or in after-school or summer sessions, high school students gain important academic, recreational, and/or work readiness skills while earning college credits.

**HOW TO PARTICIPATE**

- For students attending one of the Early College High Schools on or near the MJC campus, students have the opportunity to earn college credits towards certificates, associate’s degrees or transfer preparation while also completing their high school diploma.
- For students attending regular high schools, students work with their high school counselors to determine eligibility for advanced admission (readiness for academic or vocational college-level course, 3.0+ GPA, or special recommendation by high school principal or designee). Go to www.mjc.edu for more information.
2+2 PROGRAM
East Campus, Morris Memorial, 112
Phone: (209) 575-7858

BENEFITS OF PARTICIPATION

- Students receive college credit for course work completed in high school. A student must complete a fall or spring MJC Advanced Admission application before the articulated college credit is placed on his/her MJC transcript. Additional requirements exist for courses taken in agriculture, mathematics or foreign language.
- Use the 2+2 class in lieu of an MJC introductory course, which can save time and money.
- Use the articulated course work toward a certificate, AA/AS degree or transfer.

ADMISSION INTO SPECIAL ACADEMIC PROGRAMS

Programs such as Nursing, Respiratory Care, Medical Assisting, and the Fire Academy require special program admission in addition to college admission. After submitting a completed Admissions Application to the Admissions Office, contact either the Allied Health Division (209) 575-6362 for information about admission into Nursing, Respiratory Care, and Medical Assisting, or contact the Public Safety division at (209) 549-7028 for information about the Fire Academy.

YCCD INTER-DISTRICT ATTENDANCE

The Yosemite Community College District maintains a free exchange of students with all community college districts in the State of California. No inter-district permit is necessary to attend Modesto Junior College from any other community college district in California.

READMISSION AFTER DISMISSAL

A student who has been academically dismissed (see “Academic Probation and Dismissal” on page 58) may petition for readmission by meeting with a counselor and completing a Petition for Readmission during Counseling Department deadlines after receiving notice of dismissal. Forms are available in the Counseling Center. Petitions will be reviewed by the Dean of Counseling & Student Services and counselors. The student may be readmitted if there is strong evidence showing promise of success.

The Dean of Counseling & Student Services, and/or a counselor, upon granting readmission to a dismissed student, may impose certain restrictions, such as unit load, periodic grade reviews, etc., which are felt to be in the best interests of the student. A readmitted student is subject to immediate dismissal should he/she fail, at any time, to meet the conditions stipulated by the Dean of Counseling & Student Services. If the petition is denied, the student may apply for readmission after one year has passed since dismissal.
Matriculation Core Services (Orientation, Assessment, Advising & Educational Planning)

Students must complete the core services, (orientation, assessment process, Abbreviated ed plan) by the college established deadline in order to be eligible for priority registration. The College deadline is available on the College website.

ORIENTATION
Website: [www.mjc.edu/orientation](http://www.mjc.edu/orientation)
Phone: (209) 575-6087

All new and returning students, who do not have an associate degree or higher and who have not previously attended an MJC college orientation are required to attend orientation prior to their registration date and time. Orientation familiarizes each new MJC student with campus policies, procedures, and student rights and responsibilities.

Arrangements can be made for students with disabilities and limited English-speaking students who require accommodations. To make accommodations, students should request accommodations 10 days before they plan to attend a workshop.

ONLINE ORIENTATION IS AVAILABLE AT [www.mjc.edu/orientation](http://www.mjc.edu/orientation)

In person Orientation workshops are scheduled before each new and returning student registration period. Go to [www.mjc.edu/orientation](http://www.mjc.edu/orientation) to find current orientation/advising workshop sessions. Reservations are required for in person orientation. Service is on a first come first serve basis.

ASSESSMENT
MJC Testing Center
West Campus, Yosemite Hall, Room 147
Phone: (209) 575-7728
Website: [www.mjc.edu/assessment](http://www.mjc.edu/assessment)

ABOUT ASSESSMENT

Assessment is the process through which a student’s skill level in a particular subject area is measured through standardized testing using multiple measures for the purpose of placement into MJC courses. These tests are intended to measure skills which research has shown to be closely related to academic success. In combination with other measures, test results represent student strengths and capabilities.

IMPORTANCE OF THE ASSESSMENT PROCESS

Math and English or English-as-a-Second Language (ESL) assessments are required of ALL STUDENTS who are completing courses to earn an associate degree, certificate, transfer to a university, to improve job skills, career development, or who are undecided; as well as students who have completed at least 15 units, regardless of their goal. There is no pass or fail, and these tests do not determine admission to the college. The results are used to assist counselors and students in selecting the appropriate level of course work. Students are encouraged to discuss test results with a counselor prior to registration.

HOW TO PARTICIPATE IN ASSESSMENT

To be admitted to a test session, an admissions application must be on file in the Admissions Office. Picture ID will be required for test admittance. Seating in the Testing Center is determined on a first-come, first-served basis. Tests begin promptly, and students may not enter after a test has begun. All tests are computerized except for the CASAS ESL test. Students will be admitted to the Testing Center as computers become available. Students with disabilities who need special testing accommodations should notify Testing Center staff of their needs at least 10 days before they plan to test.
Students who may be exempt from testing are welcome to take the assessment tests and to participate in the assessment process. See "Assessment Exemptions" on page 36 for more information.

Once a student receives a placement recommendation by the college's assessment process AND the student enrolls in the recommended course, the student may not re-test for purposes of enrolling into a higher level course.

NOTE: Most math, English composition, ESL and science courses require assessment or prerequisite course completion.

MATHEMATICS ASSESSMENT
The mathematics assessment consists of three different exams:
- Arithmetic
- Elementary Algebra
- College Level Math

The number of questions a student will answer will vary based on the student's individual skill level and ACCUPLACER's internal adaptive feature.

ENGLISH AND READING ASSESSMENT
Two sections make up the English/Reading exam:
- Reading Comprehension
- Sentence Skills

Students who are taking the test for English advisory and placement purposes must take both sections. The Reading section alone will only be given to students who have previously taken the English assessment, or who have completed an English course, but still need a reading recommendation. Check with a counselor for other program needs.

ESL ASSESSMENT(ENGLISH AS A SECOND LANGUAGE)
Students who plan to enroll in credit ESL classes must take the Accuplacer ESL assessment test prior to registration. The assessment consists of:
- Online multiple choice test questions and background information questionnaires

Students who plan to enroll in English for Life and Work courses (ESL 901-906 and ESL 01-06) must take the CASAS placement test.

Both tests are administered in the MJC Testing Center.

ASSESSMENT EXEMPTIONS
Students may be exempt from testing if they:

Have an Associate or higher degree; or
- Have taken other California community college assessment tests and have submitted test results to MJC Records Office at least 6 weeks prior to registration date and time; or
- Have taken other college math, chemistry, English composition or ESL classes and have submitted official transcripts to the Records Office, at least 6 weeks prior to registration date; or
- Are enrolling only in activity classes, apprenticeship classes, employer-required classes, personal growth/enrichment classes, classes to maintain a certificate or license, or other non-credit classes only, and have completed fewer than 15 units.

Being exempt from testing does not release the student from any prerequisite requirements a course may have.
RETEST PROCEDURE
Students may retest one time after 60 days from the original test date. Students may not retest if they have:

- Completed a college or MJC English, reading or math class or
- Earned a “W” in an MJC English, reading, or math class

ADVISING AND EDUCATIONAL PLANNING
COUNSELING SERVICES
Martha Robles, Interim Dean of Counseling and Student Services
East Campus, Student Services Building, Room 226
Phone: (209) 575-6080
Some students have already decided on their educational or career goals before entering MJC. Others are exploring different educational or career paths, and may enter MJC without an educational goal or major.

BEFORE SEEING A COUNSELOR
Students must complete the following steps before making an appointment to see a counselor:

- Apply for admission;
- Attend an orientation;
- Complete the assessment process.

We encourage students to use MJC’s counseling, assessment, and career services to help set and reach educational and career goals. We also encourage students to build relationships with faculty who teach in their areas of interest. Faculty advisors can provide students with the information, support and guidance to help them reach their goals. Counselors and advisors are not assigned to students.

WHO IS ELIGIBLE FOR COUNSELING?
All current or returning MJC students are welcome to meet with a counselor. Educational counseling is required for all new students who indicate on their admissions application that they:

- Have an associate’s degree and are pursuing another degree, a certificate, or transfer; or
- Plan to earn an associate’s degree; or
- Plan to earn a certificate; or
- Plan to earn a skills recognition award; or
- Plan to transfer to a four-year university; or
- Plan to learn job skills or prepare for career advancement; or
- Are undecided about their educational and career goals.

Educational counseling is available in the Counseling Center. New student advising sessions are pre-scheduled during peak periods. Students should sign up prior to the new student’s registration date and time. Returning students may drop-in or call the Counseling Center. Students who are exempt from educational counseling are also welcome to meet with a counselor.

GUIDANCE CLASSES
New students are encouraged to enroll in a Guidance class, taught by MJC counselors, during their first semester. Guidance courses are essential to student success. In a guidance course, students learn to:

- Each student will develop a comprehensive educational plan
- Acquire, organize, and demonstrate problem-solving and decision-making skills;
- Explore, evaluate, and pursue career and educational options;
- Develop social, intellectual, and emotional competencies;
- Develop needed skills and strategies to maximize the educational experience;
- Understand themselves, others and their environment to enable them to develop individual value systems and life styles.

There are six Guidance (GUIDE) courses from which to choose, which also fulfill the Guidance requirement for the associate degree at MJC: International Students/New American Focus; Educational Planning; Career Awareness; Job Development Skills; Orientation for Re-entry Adults; Success Strategies for Transfer Students. AG 115, introduction to Agricultural Education Careers, and STSK 78, College Study Skills, also satisfy the Guidance graduation requirement.

EARLY ALERT

MJC utilizes a program called Early Alert. This program provides intervention for students at the earliest signs of academic problems. Through Early Alert, faculty identify students enrolled in their classes who are experiencing problems and refer them electronically to a service on campus. Staff members of that service contact students for further follow-up.
Registering for Classes

ENROLLMENT SERVICES (ADMISSIONS)
Martha Robles, Dean of Matriculation, Admissions, and Records
East Campus: Student Services Building, Room 102
West Campus: Yosemite Hall, Room 147
Phone: (209) 575-6853
Website: www.mjc.edu/admissions

WHAT IS REGISTRATION?
Registration is the formal process of arranging desired courses into a program of classes and securing a seat in the classes. Students may register online at PiratesNet (www.mjc.edu) or in person in one of the two Admissions Offices on MJC’s East or West Campus at the time of their scheduled registration date/time or any time thereafter during scheduled registration.
REGISTRATION GROUPS (IN ORDER OF PRIORITY)

At MJC, the Priority Registration System is used to determine the order in which Matriculated students will register. A Matriculated student is one who has completed Orientation, Placement Assessment and an abbreviated Ed Plan during an Advising session. To maintain priority, Matriculated students must not have more than 100 degree applicable MJC units and be in good academic status.

Registration priorities shall be based on the following criteria:

For registration priorities 1 through 4, the following academic standards apply: students who are fully matriculated by the college established deadline and who have no more that 100 degree applicable units, and who are not on academic and/or progress probation, 2nd semester.

Level 1. Students who meet eligibility and participation requirements for programs with mandated registration priority: Member or former member of Armed Forces or Military Reserves; Foster youth of former foster youth; CalWorks; DSPS, and EOP&S.

Level 2. New and Continuing students meeting eligibility and participation requirements for programs designated by the college.

Level 3. Continuing and New students who are fully Matriculated

Level 4. Continuing and New students who:
   a. Are not fully matriculated
   b. Have no more than 100 degree-applicable units
   c. Are not on academic and/or progress probation, 2nd semester

Level 5. Open Enrollment

Students based on date their completed admissions packets are received.

APPEAL PROCESS

An appeal process is available to all students who loose enrollment priority due to extenuating circumstances that can be verified (verified documented accident, illness, or other circumstances beyond the students control). To appeal students must compile and submit a Loss of Enrollment Appeal form by the College established deadline. The College established deadline is available on the MJC website.

HOW TO REGISTER

To register for classes, on the registration date/time provided to you, use PiratesNet at www.mjc.edu or go to the Admissions Office, either in the East Campus Student Services Building or West Campus Yosemite Hall. Make sure your class schedule is planned with alternative courses, in case your first choice is closed.

TO FIND OUT YOUR REGISTRATION DATE

Student registration dates and times are posted each term on PiratesNet during the following months; however, prior to being posted on PiratesNet, students will receive their registration date and time in an email sent to them at their college issued PiratesLink email address. All students are encouraged to activate their PiratesLink email account and to check if often. This is the only way MJC communicates with students. Activate your PiratesLink email address at www.yosemite.edu/studentemail.
New and returning students receive their registration dates and times as soon as their admissions application is processed. Students can also check PiratesNet.

REGISTRATION BLOCKS (OUTSTANDING OBLIGATIONS)

If you have, for example, forgotten to pay a fee, return a library book, musical instrument, or athletic uniform, you may be blocked from registering for classes. Such obligations to the district must be cleared before a student is permitted to register. Outstanding obligations will prevent registration and the ability to obtain verifications of enrollment, grades, academic transcripts, and degrees.

“PAY 2 STAY”

Students who do not have a zero balance at the end of a day, within 10 days of registering for any class(es), will be dropped for non-payment of fees. Students must have a zero balance at the end of the day in which they add any class(es) to ensure they are not dropped for non-payment. Students, who have a current active BOG fee waiver before registering, will not be dropped. Student accounts may become frozen and registration will be blocked if payment is not made.

The college will not drop students from full term classes after the semester begins. Students that register for full term classes within 10 days of the start of the semester will be responsible for either paying their fees or dropping their classes. Students that use add cards to enroll in classes are responsible for either paying their fees or dropping their classes.

OPEN REGISTRATION

Open registration occurs the week prior to the start of the semester. It will be permitted on a first-come, first-served basis. Students will be able to register for classes that are still open, provided prerequisites have been met. Students may add classes during the first two weeks of the semester by attending the class and discussing add possibilities with the instructor. If seats are available and the student has met the prerequisites (if required), the instructor may give the student an access code. Adds must be processed by the add deadlines.

WAITLISTS

When available class seats are filled, a class is closed to further enrollment. However, students may (at the time of registration) place their name on a waitlist. Students may add their name on only one wait list in a particular subject and only if they are not already enrolled in the same class (i.e. one English 101 class, one Math 90 class, etc.) Being on a waitlist does not mean that the student is enrolled in the class.

During registration, students who are on a waitlist are notified via their college e-mail when a vacated spot in the class occurs. Once students receive their e-mail notification, they will have five days to register for the class. Students who do not register within 5 days will be dropped from the waitlist. Directions to register for the open spot are provided in the e-mail notification.

When classes begin, the students who are still on a waitlist must attend the first class session and talk with the instructor. If a seat is available in the class, the instructor will give the student an access code according to waitlist order. Instructors will add only
students who meet eligibility requirements for the class. To officially enroll in the class, the student must add the class using PiratesNet or providing the access code to the Enrollment Services Office on either campus. Be sure to drop yourself from the waitlist prior to adding the class.

Instructors will advise students regarding their chances of being added to the class and whether or not waitlist students should return to subsequent class meetings.

Students who have placed themselves on an online class waitlist should submit an Electronic Add-Card Request on the first day of term. If the instructor allows the student to add the class, he/she will email the student, providing instructions as to how to add the class online.

**LIMITATIONS ON ENROLLMENT**

Some courses must restrict who may enroll in the course. Limitations on enrollment advise if or how students can qualify for a particular course or program. These limitations can apply to courses that include public performance or intercollegiate competition where a try-out or audition is necessary. Additionally, some courses require formal admission to a particular program in order to enroll (e.g., Associate Degree Nursing Program, Respiratory Therapy Program). Limitations on enrollment are enforced by the instructor. A student will be blocked from enrolling if the student does not meet the stated limitation (see below for the procedure to challenge prerequisites).

**PREREQUISITES AND REGISTRATION**

Modesto Junior College requires satisfactory completion of all prerequisite courses prior to the student enrolling in the subsequent course, except that a student may enroll in the next level pending the outcome of the prerequisite course if the student is currently enrolled in the course at MJC. “Satisfactory completion” means a grade of A, B, C, or CR/P (pass). Grades of D, F, or NC/NP indicate that the student did not satisfactorily complete the course, and therefore, cannot use the course to fulfill the prerequisite.

**CHALLENGING PREREQUISITES**

Any student may challenge a prerequisite on the grounds that:

- It was not established in accordance with the District’s policy
- It is in violation of Title 5
- It is discriminatory
- A student feels that they can succeed even though they have not completed the prerequisite (It is the student’s responsibility to provide additional documentation that demonstrates they have satisfied the prerequisite).
- Student will be subject to undue delay because the prerequisite has not been made reasonably available

To challenge a prerequisite in any area, the student must begin in the division office that offers the prerequisite by completing the Prerequisite Challenge Form at least five days before registration. The student must state the grounds for the challenge and present additional information that supports the challenge. A committee will review each challenge and inform the student within five days of the filing of the petition.

**MJC EMAIL ACCOUNTS**

MJC only uses the college issued student email to communicate with students by sending correspondence through a district-provided student email system. New students are advised to set up their email accounts as soon as they are admitted to the college and check it often. Information sent to students by the college will often be time-sensitive.
Students may access email using PiratesNet. Students are advised to set up their district email account the day after they are admitted to MJC. Student email accounts are 5 gigabytes in size with a 10 megabyte attachment limit. Students may use this account to easily send and receive messages, manage calendars, and track contacts. This email account is web-based and can be accessed from any computer with an Internet connection. Most offices on campus have eliminated U.S. mail service and use PiratesLink exclusively to communicate with students.

It is the student's responsibility to activate a PiratesLink connection now. For more information, point your browser to www.yosemite.edu/student email/.

**REPEATING COURSES**

The Board of Trustees of the Yosemite Community College District has adopted a policy which permits a student to repeat certain courses. In these cases, a course is designated as repeatable in the college catalog, and a student may take the course and then repeat it the allowed number of times and earn college credit for each completion. These courses have been approved by the Curriculum Committee as repeatable. These courses are designated in the College Catalog as repeatable. Courses without that designation may not be repeated. Repeatable courses may not be repeated to improve a substandard grade.

**COURSE REPETITION FOR GRADE IMPROVEMENT**

Per Title 5, Section 55042 and the YCCD District Procedure on Repetitions, a student who has earned a grade of D, F, NC, or NP in a non-repeatable course taken in the Yosemite Community College District may repeat the course once for the purpose of grade improvement. This allows a student a maximum of two attempts to successfully complete the course. A “W” counts as the one attempt to improve the grade. The most recent completion (grade, grade points, and units) will replace the earlier course, even if the more recent completion results in a lower grade.

A student who fails a non-repeatable course two times must discuss enrollment possibilities with a counselor. Should a student be approved to enroll a third time, the counselor may require/recommend that student limit total units, participate in tutoring, or enroll in Supplemental Instruction classes. The third completion will replace the second completion, even if the third completion results in a lower grade.

Students may be approved to repeat a class after three attempts only if a documentable extenuating circumstance exists relating to the third enrollment. Examples of extenuating circumstances are accidents, serious illness, death in the family, evidence of caretaking responsibilities, or a verified disability. Documentation is required to support circumstances that relate specifically to the dates of the last attempt. Students will be allowed to enroll in the class on a seats available basis only. The units, grade, grade points that may result from this enrollment will not be used to replace the previous substandard completion. The petition to repeat due to an extenuating circumstance must be submitted within 30 days of the end of the term when the course was completed.

**MULTIPLE AND OVERLAPPING ENROLLMENTS**

MJC does not allow a student to enroll in two or more sections of the same credit courses at the same time.

MJC does not allow a student to enroll in two courses that overlap (time-wise) unless the following requirements are met:

- The student must provide sound justification for the overlap, other than mere scheduling convenience.
- An appropriate college official must review the justification and approve the enrollment.
- The instructor of record allowing the overlap must collect documentation each week that shows how the student made up the time caused by the overlap.
COURSE REPETITION WHEN THE STUDENT HAS EARNED A PASSING GRADE

Courses which have been completed with a passing grade may be repeated for the purpose of improving the grade or proficiency only in the following cases:

- If student has enrolled the maximum number of times allowed in an activity class, he/she may enroll one additional time, after a lapse of time of five years or more. The grade and grade points will replace the fourth enrollment, even if the grade is lower.
- Students may enroll in legally mandated training classes any number of times if the training requirements are mandated as a condition of paid or volunteer employment. The grade received each time shall be included for purposes of calculating the student's grade point average. Legally mandated is interpreted to mean "required by statute or regulation." Written verification from the employer is required.
- Student needs class completion within a specific time period to meet a recency prerequisite at MJC or at another institution where he/she intends to transfer.
- Student petitions that the grade (although satisfactory) was the result of an extenuating circumstance. An extenuating circumstance reason will only be accepted two times as a reason for repeat, whether the grade was satisfactory or unsatisfactory. The petition must be submitted to the college within 30 days from the end of the semester.

ATTENDANCE

Attendance is important. Students are expected to attend the first class meeting of each class in which they register. Instructors may drop students who do not attend the first class meeting and give the seat to a student from the wait list. All students enrolled at Modesto Junior College are expected to be punctual and attend classes regularly. Regular attendance in class and lab sessions is an obligation assumed by every student at the time of registration. Instructors are encouraged to announce to their students at the beginning of the semester their policies regarding excessive absences or tardiness.

Many instructors link their class syllabi to their directory information on PiratesNet. It is the student's responsibility to discuss with the instructor any anticipated and/or extensive absences. Tardiness may be considered an absence. No absence relieves the student of the responsibility to complete all work assigned. When an instructor determines that a student's absences are excessive, the instructor may drop the student from the class. However, it is the responsibility of the student to complete the course or to officially withdraw from the class.

WITHDRAWING FROM COURSES

Students are responsible for officially dropping classes. Withdrawals may be processed using PiratesNet (www.mjc.edu) or in the Admissions Office by completing a Drop Form. Each student's printed schedule (available on PiratesNet) includes course drop deadlines.

- If a student drops a full-term course within the first two weeks or at the census point, whichever comes first, no notation will be recorded on the student's permanent record.
- If a student drops a full-term class between the end of the second week or the census point and 14th week whichever comes first (or by 75% of the class, whichever is less) a notation of "W" will be recorded.

Withdrawal after the end of the 14th week or 75% of the term, whichever is less AND prior to the end of the semester, may be authorized when the college has approved such withdrawal because of a verified extenuating circumstance.

For short-term class deadlines, students should refer to their class schedule. A student is responsible to pay all fees according to written regulations.

Students who do not have a zero balance at the end of a day, within 10 days of registering for any class(es), will be dropped for Non-Payment of Fees. Students must have a zero balance at the end of the day in which they add any class(es) to ensure they are not dropped for non-payment. Students who are a California resident and have a current active BOG fee waiver before registering, will not be affected.
**ENROLLMENT STATUS**

<table>
<thead>
<tr>
<th>Status</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Continuing Student</td>
<td>has enrolled in one or more classes within the past year. Registration: Continuing students are automatically assigned registration dates and times each semester. To maintain catalog rights, continuous enrollment is defined as earning college credit for enrollment in at least one term (Summer, Fall, Spring) of the school year.</td>
</tr>
<tr>
<td>Returning Student</td>
<td>has not enrolled in an MJC class within the past year and has reapplied to MJC. Catalog rights begin with the first enrollment and continue as long as the student enrolls and earns college credit for enrollment in at least one term of the school year.</td>
</tr>
</tbody>
</table>

**UNDERGRADUATE STATUS**

<table>
<thead>
<tr>
<th>Status</th>
<th>Definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman</td>
<td>Fewer than 30 units completed.</td>
</tr>
<tr>
<td>Sophomore Student</td>
<td>30 or more units completed.</td>
</tr>
</tbody>
</table>

**PART-TIME/FULL-TIME ENROLLMENT STATUS**

<table>
<thead>
<tr>
<th>Status</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full-Time</td>
<td>Must be registered in 12 or more units. 18 units is considered the maximum. To enroll in more than 18 units during the spring and fall term, or more than 12 units during the summer term, approval must be obtained from the Counseling Center.</td>
</tr>
<tr>
<td>Part-Time</td>
<td>Registered in fewer than 12 units.</td>
</tr>
</tbody>
</table>

**UNIT REQUIREMENTS FOR SPECIAL POPULATIONS**

<table>
<thead>
<tr>
<th>Population</th>
<th>Requirement</th>
</tr>
</thead>
<tbody>
<tr>
<td>Veterans: Chapter 31</td>
<td>As required by Veterans Administration</td>
</tr>
<tr>
<td>Veterans: Chapters 30, 35, 1606, 1607</td>
<td>Minimum 6 units required for assistance.</td>
</tr>
<tr>
<td>Veterans: Chapter 33</td>
<td>Minimum 7 units required</td>
</tr>
<tr>
<td>International Students</td>
<td>Minimum 12 units required to participate</td>
</tr>
<tr>
<td>Student Body Officers</td>
<td>Minimum 9 units required, in addition to a 2.3 GPA.</td>
</tr>
<tr>
<td>Varsity Athletes</td>
<td>Minimum 12 units at all times; of the 12 credit units, at least 9 shall be attempted in courses counting towards the associate’s degree, remediation, transfer, and/or certification. Beginning July 1, 2015, in order to be eligible and remain eligible to participate in varsity athletics, at least 50% of units attempted must be successfully completed with a cumulative 2.0 GPA including units taken during the first semester of competition. To be eligible for the second season of a sport, the student athlete must complete and pass 27 semester units between seasons of competition and, of the 27 semester units to be completed, twenty-one (21) semester units shall be in coursework counting toward the associate’s degree, remediation, transfer, and/or certification. The student athlete must also maintain at least a 2.0 grade point average at all times. For continuing eligibility, a maximum of 3 courses (not exceeding 8 units) may be from classes completed during the summer session immediately preceding a season of sport.</td>
</tr>
</tbody>
</table>
A student who enrolls in a course and fails to pay fees is responsible for all outstanding debts to the college. Future services and registration will be denied until full payment has been made.

Once the deadline to withdraw from class(es) has passed (the 14th week of the term or 75% of the class’ duration, whichever is less) neither a student nor an instructor may request a withdrawal. However, a student may petition to withdraw after the deadline AND before the end of the term, based upon documentable extenuating circumstances*, such as illness or hospitalization. Petition Forms are available in the Admissions Office.

*A verified extenuating circumstance requires written documentation of illness, death in the family, evidence of caretaking responsibilities, or verifiable disability.

WITHDRAWAL LIMIT
Effective Summer 2012, students are limited to receiving no more than two substandard grades from any course taken within the Yosemite Community College District. Since this state regulation includes courses taken at Columbia and/or Modesto, substandard grades earned in courses that have been determined to be equivalent to each other (see ‘Intradistrict Course Equivalencies Between Modesto Junior College and Columbia College” on page 111) count toward the second limitation. A “W” counts as an enrollment attempt and results in a substandard grade.

Students who have been blocked from enrollment in a course because they have reached the limit of two substandard grades should discuss options with a counselor.

MILITARY WITHDRAWAL
A student who withdraws from a course because he/she is an active or reserve member in the military service who has received military orders compelling withdrawal from course(s) shall receive no notation or an “MW” notation which shall not be counted for the permitted number of withdrawals or for progress probation or dismissal. The student must present military orders to the Admissions Office for proper notation.
WITHDRAWAL DUE TO EXTRAORDINARY CIRCUMSTANCES

Section 58509: Authority of Chancellor to Waive Provisions to Accommodate Students Impacted by Extraordinary Conditions

MJC will provide a full refund of enrollment fees to any student who withdrew from one or more classes, where the withdrawal was necessary for one of the following reasons:

- The college attended by the student was closed or the college was unable to provide all or substantially all of the instruction in the course in which the student was enrolled due to fire, flood or other conditions qualifying for adjustment of apportionment pursuant to section 58146; or

Although the college attended by the student may not qualify for an apportionment adjustment pursuant to section 58146, one of the conditions enumerated in that section content

- Fire, flood, epidemic, or order of any military officer of the United States, or other extraordinary conditions made it difficult or impossible for the student to attend one or more courses because the student was actively engaged in responding to fire, flood or other condition or because such condition required the student to evacuate his or her home.

A “W” will not be recorded on the academic record of the student who withdraws from one or more courses due to the circumstances described above.

Student Fees and Expenses

MJC Business Services
East Campus, Student Center, Phone: (209) 575-6829

The Business Services Office is located in the Student Center on the East Campus off College Avenue. The office provides students with the following services: payment for registration fees, enrollment verification, parking permits, field trips, bus passes for MAX and START, and credit by exam tests. The office provides current semester benefits stickers for student ID cards, accepts waiver forms for the student representative and benefits fees and provides change. Scholarship checks and Short Term Loans may also be picked up at this office. Students may pay fees online at PiratesNet with a credit card or in person with cash, check, or credit card.

REFUND POLICY

Classes must be dropped at the Admissions Office or online at www.mjc.edu on or before published deadline dates prior to requesting a refund.

The parking fee is refundable only if class is dropped by the last business day before class begins, and if the parking permit is returned prior to the first day of the term. Parking permits paid for and not picked up will only be refunded during the refund-filing period.

1. **Drop Deadlines to be eligible for a refund - Class(es) must be dropped during the first two weeks of the term, except for short-term classes. Short-term classes must be dropped by the 10% point of the length of a class with the exception of those classes that have either five or fewer meeting days or meet 20 or fewer hours. In these cases, the last refund date is defined as the day before the first class meeting. If the last day in any of these periods falls on a weekend or holiday, the final drop date is the preceding college business day.**

2. **Refund Request Form -Refund Request Forms are available exclusively online at www.mjc.edu/forms. Refund Request Forms should be filed by the end of the eighth week of the term, except for short term classes. Refunds for short-term classes should be filed within two weeks of the start date of the short-term class.**
3. In accordance with the California Code of Regulations, Section 58508, refunds with an enrollment credit of at least $10 will be assessed a $10 administrative processing fee.

4. Classes canceled by the College - Refunds are made for classes canceled by the college, but refunds ARE NOT AUTOMATIC. The student must submit a completed Refund Request Form to the Business Office.

Eligible refunds are processed approximately six (6) weeks after the term begins or four (4) weeks from the filing date, whichever is later. If fees or tuition were paid by check, the refund is not made until the check has cleared the bank.

Outstanding Credit - Credit for which a refund has not been filed as specified in (2) above will not be refunded. Continuing students with an outstanding credit can carry this credit for two academic years, where such credit is then applied against fees and charges. ANY CREDITS REMAINING AT THE END OF TWO ACADEMIC YEARS, HOWEVER, ARE FORFEITED.

DENIAL OF SERVICES AND DEBTS OWED TO THE COLLEGE

Students who have debts to the college or “HOLDS” for administrative reasons on their student records may find that services are withheld until the debt is paid or the hold is removed.

Services that will be withheld because of debts to the college or holds include: counseling/advising services, registration, release of diplomas and certificates, release of transcripts, enrollment verifications, and release of grades.

Debts occur when a student fails to repay money borrowed from the college, violates a student financial aid contract, fails to pay tuition and/or registration fees, library fines, bookstore merchandise, fails to reimburse the college for an “insufficient funds” check or for a disapproved credit card transaction, fails to return or account for athletic uniforms and equipment, or fails to pay scheduled fees for other services provided by the college.

Modesto Junior College reserves the right to withhold all further services until the debt is paid. Grades and transcripts will be withheld until all obligations are cleared.

COMMUNITY EDUCATION REFUNDS

A full (100%) refund will be given for classes, trips, tours and other activities which are full at the time registration is received or those that the college finds necessary to cancel. Refund requests for classes/seminars must be received by the Community Education Office at least seven (7) working days prior to the first meeting. For trips/tours, refund advance notice must be given within the following guidelines:

<table>
<thead>
<tr>
<th>TYPE OF TRIP/TOUR</th>
<th>ADVANCED NOTICE REQUIRED FOR REFUND</th>
</tr>
</thead>
<tbody>
<tr>
<td>One-day excursion</td>
<td>7 days</td>
</tr>
<tr>
<td>Pre-purchased tickets included</td>
<td>30 days</td>
</tr>
<tr>
<td>Overnight accommodations included</td>
<td>45 days</td>
</tr>
</tbody>
</table>

No refunds are issued after a class, seminar, trip, or tour has started. All student-requested refunds are subject to a $20 processing fee.
# Student Fees 2015-2016

<table>
<thead>
<tr>
<th>FEE</th>
<th>AMOUNT</th>
<th>DESCRIPTION</th>
</tr>
</thead>
<tbody>
<tr>
<td>Enrollment Fee</td>
<td>$46 (per unit)</td>
<td>California residents must pay an enrollment fee of $46 per unit per semester (subject to change by the California State Legislature). Enrollment fees may be waived for students who qualify for the Board of Governors Grant Fee Waiver Program and for those who enroll in apprenticeship courses only. Dependents of service-connected disabled or service-connected deceased veterans may be eligible for a waiver of fees. Please contact the campus Veteran’s Office in the Student Services Building, Room 201 for assistance. For fee waiver information students should contact the Financial Aid Office in Yosemite Hall. Special part-time students are students who are concurrently enrolled in K-12th grade and who enroll in fewer than 12 units at a community college. They are exempt from paying the enrollment fee. To be eligible to enroll in courses, special part-time students must be prepared to undertake college-level work and must be approved by the student’s high school principal and parent or legal guardian. At MJC, special part-time students must be at least 14 years of age. Special part-time students may enroll in a maximum of 11 units per semester.</td>
</tr>
<tr>
<td>Non-Resident Tuition</td>
<td>$219 (per unit)</td>
<td>A U.S. citizen who is not a legal resident of California and all others who are classified as non-residents are required to pay a non-resident tuition fee of $219 per unit per semester. The international student tuition fee is $219 per unit per semester. The tuition fee is in addition to the Enrollment Fee and all other required fees.</td>
</tr>
<tr>
<td>Health Fee</td>
<td>$18</td>
<td>A $18 Health Fee must be paid each semester ($15 Summer) by students who enroll in a credit course that is longer than 16 hours, held on-campus or off-campus within the district, or those enrolled in non-credit courses held on campus, or those enrolled in on-campus contract education courses. The Health Fee may be waived for students who are indentured apprentices enrolled in apprenticeship classes only, or for those who depend exclusively on prayer for healing, with approval of the Vice President of Student Services. Per Education Code Section 76335, fee subject to change by $1 based on the Implicit Price Index for State and Local Government Agencies.</td>
</tr>
<tr>
<td>Student Center Fee</td>
<td>$1</td>
<td>Students voted in Spring 2000 to assess a Student Center fee of $1 per unit to a maximum of $10 per fiscal year, to establish an annual building/operating fund for the Mary Stuart Rogers Student Learning Center on the West Campus.</td>
</tr>
<tr>
<td>Student Representation Fee</td>
<td>$1</td>
<td>A $1 fee established by two-thirds vote of the student body. Money collected will be used by ASMJIC to represent student concerns at local, state, and federal government levels. Students may refuse to pay the fee for religious, political, financial, or moral reasons. A refusal to pay the fee must be submitted in writing to the Business Services Office.</td>
</tr>
<tr>
<td>Student Benefits Fee</td>
<td>$5</td>
<td>Payment gives you automatic membership in ASMJIC (Associated Students of Modesto Junior College) and discounts (See “Student Benefit Sticker” on page 77 for more information). This optional $5 fee is automatically assessed. You may refuse to pay this fee by completing the Student Benefit Fee Waiver form available in the Business Office, or PiratesNet under Online Forms.</td>
</tr>
<tr>
<td>Parking Fee</td>
<td>(Varies)</td>
<td>Student parking permits are available for $30 a semester (summer term is $15) or $2 per day. Motorcycle fee is $7.50 per semester. The parking fee is not required for disabled students with a disabled DMV placard. Parking permits must be picked up in person. Picture ID is required. Students who purchase an auto permit for the semester and have proof of a motorcycle license are eligible for a free motorcycle permit for the same semester. Parking fees are subject to change.</td>
</tr>
<tr>
<td>Debts To The College</td>
<td>(Varies)</td>
<td>Any individual who has incurred, but not paid, a debt to the college may be denied grades, transcripts, degrees, some services, and registration privileges.</td>
</tr>
<tr>
<td>Materials Fees</td>
<td>(Varies)</td>
<td>This serves as payment for required instructional and other materials which are of continuing value to the student outside of the classroom setting and which the student must procure or possess as a condition of registration, enrollment, or entry into a class; or any material which is necessary to achieve the required objectives of a course.</td>
</tr>
<tr>
<td>Other Expenses</td>
<td>$200 - $600</td>
<td>Textbooks, stationery and supplies will amount to approximately $200 to $600 per semester.</td>
</tr>
<tr>
<td>Transcript Verification</td>
<td>(Varies)</td>
<td>The first two transcripts are provided free. A fee of $10.00 per transcript is charged after the first two, payable at the time of the request. A $15.00 fee is charged for 24-hour transcript service, and a $20.00 fee is charged for on-the-spot transcript service.</td>
</tr>
<tr>
<td>Enrollment Verification</td>
<td>(See note)</td>
<td>The first two verifications are provided free. A fee of $7 per verification is charged after the first two, payable at the time of the request. A $15 fee is charged for next day service and a $20 fee is charged for same-day service. No charge is made for loan deferment or financial aid GPA verifications. See “Enrollment and Grade Verification” on page 66 for more information.</td>
</tr>
<tr>
<td>Course Audit Fee</td>
<td>$15 (per unit)</td>
<td>A fee of $15 per unit is required of students who have met the repetitions limit for credit courses, payable at the MJC Business Services Offices. Students enrolled in 10 or more units at the time audit enrollment occurs will not be assessed the fee for up to 3 units. See.</td>
</tr>
<tr>
<td>Other Fees</td>
<td>(Varies)</td>
<td>Fines for overdue library books or other equipment and parking fines are among special charges authorized by the Board of Trustees.</td>
</tr>
<tr>
<td>Field Trip Fees</td>
<td>(Varies)</td>
<td>Appropriate fees will be charged for those field trips scheduled to destinations outside California and for some long distance field trips outside the Yosemite Community College District.</td>
</tr>
</tbody>
</table>

* Fees are subject to change through State Legislation and Governing Board implementation as judged to be in the best interest of the California Community Colleges and the students at Modesto Junior College.
Modesto Junior College administers a comprehensive student financial aid program designed to assist students in meeting college costs. The amount of financial aid awarded varies from student to student, depending on the individual's need and resources. Funds are awarded on a first-come, first-served basis.

Financial aid awards are based on calculated financial need as determined by the Free Application for Federal Student Aid (FAFSA). Students may apply online at www.fafsa.gov. Application assistance is available in the Student Financial Services Office in Yosemite Hall 147.

All applications for financial assistance programs; i.e., work compensation, student loans, grants, scholarships, special funds, subsidies, prizes, etc., will be considered by Modesto Junior College without regard to race, color, national origin, gender or disability.

**DETERMINING ELIGIBILITY FOR FEDERAL AID**

To be eligible for federal aid, students must:

- be a U.S. citizen or eligible non-citizen
- be registered with the Selective Service, if applicable
- be enrolled in an eligible program leading to a certificate, degree, or transfer program at MJC
- have a high school diploma or equivalent
- have “financial need” as determined through the application process
- not owe a refund on a Federal grant or be in default on a Federal education loan
- meet satisfactory academic progress standards

**FUNDING LIMITATIONS**

Funding from financial aid resources at Modesto Junior College is limited to 90 attempted units and/or completion of a college degree. Students exceeding these limits may file an appeal if extenuating circumstances have prevented them from completing their program within these limitations.

**MAXIMUM TIME FRAME**

- Students pursuing a 60-unit AA/AS degree, 4-year transfer, or vocational programs are expected to complete their programs by the time they attempt 90 units.
- Students whose educational goal is to earn a Certificate of Achievement are expected to complete their program by the time they attempt 45 units.

Students exceeding these limits may file an appeal if extenuating circumstances have prevented them from completing their program within these limitations.

**STANDARDS FOR SATISFACTORY ACADEMIC PROGRESS**

Financial aid recipients must adhere to satisfactory academic progress standards — maintain a minimum 2.0 cumulative GPA and complete at least 67% of all attempted units. The student's satisfactory academic progress will be reviewed upon the student's initial application for financial aid and at the end of each semester.
WITHDRAWALS, INCOMPLETES, AND/OR UNITS NOT COUNTED

Grades of F, NP, IP, I and RD are not counted as satisfactory academic progress and will not be counted toward total units completed. Bridged classes or open-entry/open-exit classes (IP) will be counted as eligible units for financial aid only during the first semester the class is attempted.

WARNING/ DISQUALIFICATION STATUS

Students who have not met all satisfactory academic progress standards will be placed on Financial Aid Warning and should meet with a counselor for guidance. Failure to do so could result in loss of financial aid.

Students who have not met all satisfactory academic progress standards at the end of the warning period will be placed on Financial Aid Disqualification. This status will remain in effect until all requirements for satisfactory academic progress are achieved. Under no circumstances will students be paid retroactively for any ineligible semesters.

APPEALS

The appeal form is available on the website, at www.mjc.edu/financialaid and must be filed if such a review is desired.

Under certain conditions, students placed on Disqualification may file an appeal for consideration of reinstatement of financial aid eligibility. Circumstances must have occurred during the deficient semester(s). The appeal and acceptance dates are available on the website, at www.mjc.edu/financialaid and must be filed if such a review is desired.

The following are examples of reasons a student may file an appeal:

- Change in academic major
- Documented serious injury, illness or medical condition requiring a doctor’s care
- Death of an immediate family member (documentation required)
- Documented extenuating circumstance beyond student’s control

The following are NOT considered extenuating circumstances beyond a student’s control:

- Personal problems not requiring professional intervention
- Poor time management
- Unaware of academic progress policies or other college requirements
- Not following placement test and/or Academic Counselor’s recommendations
- Transportation problems
- Child care problems

To file an appeal, students are required to submit a complete appeal packet which includes:

1. An appeal form and Satisfactory Academic Progress Quiz
2. Current Student Educational Plan OR Degree Audit (available on Pirates Net)
3. Supporting documentation for allowable special circumstance
4. Contract

The appeal documents are forwarded to the Director of Student Financial Services for review. Students are notified of the decision by email.

Denied Appeals:

Student whose appeal is denied have the option to have their appeal reviewed by the appeals committee. Decisions made by the committee are final.

For additional information visit our website at: http://www.mjc.edu/studentservices/finaid/appeal.php
ELIGIBLE PROGRAMS/COURSES
Students must be enrolled in an approved course of study leading to degree, eligible certificate, or transfer to a four-year institution.

RETURN OF TITLE IV FUNDS
Per federal regulations, any student who receives financial aid and then withdraws from all classes prior to completing 60% of the semester/program and/or course will be required to repay a portion of any unearned federal financial aid. If the student has received more than earned, notification will be sent as to the amount of aid to be returned, the due date, and the process. If the student has not yet received the full amount earned, notification will be sent regarding a post-withdrawal disbursement the student may receive, the response date, and the process.

Federal regulations only allow students to receive financial aid for classes they actually attend. Students who receive financial aid for classes they drop before the first day of class or that they otherwise never attended must return those funds.

There is no appeal process. Federal regulations do not allow a college to make any exceptions to the Return of Title IV requirements. Students who do not repay the funds owed are disqualified from eligibility for federal student aid at any college or university.

Students considering dropping classes should first consult with the Student Financial Services Office to understand the implications of a complete withdrawal.

FEDERAL PELL GRANT
The Federal Pell Grant provides federal grants to eligible students to help meet college expenses. Students must file a FAFSA and have financial need as determined by a formula that is applied uniformly to all applicants throughout the nation. The Student Financial Services Office calculates the actual award amount depending upon the financial information the student reports on the application, whether the student is enrolled full-time or part-time and the cost of education.

LIFETIME ELIGIBILITY USED - PELL LEU
Students are limited to 6 scheduled full-time Pell awards, or 600% Lifetime Eligibility Used (Pell LEU). Students may view their Pell LEU at http://www.nslds.ed.gov/nslds_SA

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)
These federal grants are designed to assist students with exceptional financial need by supplementing other financial aid sources.

FEDERAL WORK-STUDY PROGRAM (FWS) LIMITED FUNDING
Federal Work Study provides part-time employment for students who demonstrate financial need. The Student Financial Services Office will assist in placing students in jobs on campus. Students must not work until an official agreement is on file with the Student Financial Services Office and may not work more than 20 hours per week. Current pay is $9 per hour. Work-study hourly wages are paid directly to the student to help with educational expenses.

NURSING STUDENT LOANS
Nursing Student Loans may be available to students in the Associate’s degree Nursing Program who demonstrate financial need. Loans range from $1,000 to $2,000 per academic year.

NOTE: MJC does not participate in any Direct Loan or Federal Family Loan Program.

BUREAU OF INDIAN AFFAIRS GRANTS (BIA)
Bureau of Indian Affairs Grants are provided to help eligible Native American students. Contact your Tribal Agency or the Student Financial Services Office for more information.
STATE FINANCIAL AID PROGRAMS

BOARD OF GOVERNOR’S FEE WAIVER PROGRAM (BOGW)

The BOGW waives the enrollment fee for eligible students. The BOGW is effective for an entire academic year (Summer/Fall/Spring). There is no minimum unit requirement. Students may apply by filling out the fee waiver application and/or FAFSA application as they may qualify for other additional aid.

BOG FEE WAIVER - FALL 2016 NEW POLICY REGULATIONS

Under new regulations, students will lose eligibility for the Board of Governors Fee Waiver, beginning Fall 2016, if they do not maintain a 2.0 GPA for two consecutive primary terms or do not successfully complete half (50%) of the units attempted in that period. The first calculation of a term will begin in Fall 2015.

CAL GRANTS

Cal Grants are state-funded grants, which are awarded to eligible students to help meet college expenses. Students must file a FAFSA application and submit a GPA Verification Form. The application-filing deadline is March 2nd preceding the award year. A second deadline of September 2nd is available for students on a competitive basis who are planning to attend a community college during the award year.

Cal Grant A assists with tuition and fees for California residents at qualifying institutions offering baccalaureate degree programs. Awards may be held in reserve while attending a community college. There are two types of Cal Grant A awards – Entitlement and Competitive. Every current or previous year high school senior who has at least a 3.0 GPA, meets the financial and academic requirements and applies on time (March 2nd deadline) will receive a Cal Grant A Entitlement Award. Other eligible students who have at least a 3.0 GPA may apply for a Cal Grant A Competitive Award. Selections are based on a composite score that considers family income, parents’ educational level, GPA, time out of high school, single-family household, and former foster youth.

Cal Grant B provides a living allowance and tuition and fee assistance for low-income students. Beginning with the sophomore year, this award also helps pay tuition and fees at a qualifying institution offering baccalaureate degree programs. There are two types of Cal Grant B awards – Entitlement and Competitive. Current or previous year high school seniors with at least a 2.0 GPA who meet the financial and eligibility requirements and apply on time (March 2nd deadline) will receive a Cal Grant B Entitlement Award. Other eligible students with at least a 2.0 GPA may apply for a Cal Grant B Competitive Award. Selection is based on a composite score based on family income, parents’ educational level, GPA, time out of high school, single-parent household and former foster youth.

Cal Grant C provides assistance with costs for occupational and vocational programs. Selections are based on financial need, vocational aptitude and enrollment in an eligible program at a California community or independent college or vocational school that is at least four months long. Additional information may be obtained in the MJC Student Financial Services Office.

CALIFORNIA CHAFFEE GRANT

The Chafee Grant Program awards grants of up to $5,000 annually to foster youth and former foster youth to use for college or career and technical training. To be eligible the applicant must have been in foster care between their 16th-18th birthdays and be no more than 22 years old. The applicant must also file a FAFSA, available at www.fafsa.gov as well as the California Chafee Grant Program Application, available at www.csac.ca.gov. Recipients must be enrolled at least half-time.
CALIFORNIA DREAM ACT

Students who meet AB540 criteria may now apply for state-funded financial aid such as community college fee waivers (BOGW), Cal Grants, Chafee Grants, and institutional financial assistance by completing the California Dream Act Application at https://dream.csac.ca.gov/.

SCHOLARSHIPS

The Modesto Junior College Scholarship Program offers over 200 scholarships annually to eligible students who enroll full time during the Fall semester. Awards range from $200 to $2,000 per academic year. Students who will be new incoming or continuing can receive up to a maximum of $3500 and transfer students up to $4500. Scholarships are funded by the MJC Foundation, private donors, community agencies and businesses whose focus is to encourage and support the educational goals of the students we serve.

To receive consideration for scholarships, students must have completed 12 units with a cumulative grade point average of 2.5 or higher and be actively enrolled as a full-time student the following Fall semester. (Students accepted and enrolled in the MJC Nursing Program will be considered full time for scholarship purposes only.) High school seniors are exempt from the 12-unit completion, but must submit their high school transcript. Scholarship selections are made based upon proven academic performance and strength of major, motivation, potential for success and may include the following: major, residency, organizational affiliation and active community service.

The MJC Scholarship Application and Recommendation Form will be available on the MJC Financial Aid link (on line) at www.mjc.edu the first Monday in October and will be due the last Friday of finals week during the Fall Semester.

For questions or more information regarding the MJC Scholarship Program, contact Melissa Clark in the Scholarship Office at (209) 575-7715 or email clarkme@mjc.edu.

</table>

* Grade points not included in student’s overall grade point average (GPA).

GRADE POINT AVERAGE (GPA)
To graduate and to transfer to other collegiate institutions, the student must have at least a C average (2.0), based on the total grade points earned in college degree applicable courses completed at MJC and other colleges divided by the total number of units attempted. Students planning to transfer to a four-year university should discuss options with a counselor.

A course or unit attempted is any course or unit which, in any semester, appears on the official transcript. Courses with an Incomplete (I grade), a Withdrawal (W grade), Pass (P grade) or No Pass (NP grade) do not count in the grade point average. All other credit courses attempted are included in the average.
ACADEMIC DISTinctions

GOOD STANDING
A student is in good standing academically when the cumulative MJC grade point average is 2.0, or better, and the student has completed fewer than 50% of the overall units attempted with grades of “W,” “I,” “NP,” and “NC.”

GRADUATION WITH HONORS
Graduating students achieving a cumulative grade point average of 3.5 or higher in all degree-applicable coursework, including transfer work, will graduate with honors. This honor will be indicated on the transcript and the diploma.

PRESIDENT’S LIST
To be eligible for the President’s List (formerly Dean’s List) the student must complete a minimum of 12 degree-applicable units in a semester at MJC and have a grade point average (GPA) of 3.5 or better with no grade lower than a C. The student receives a personal letter of commendation.

CALCULATING THE GPA
A 2.0 minimum grade point average (GPA) is required to be in good academic standing and for graduation. To calculate a student’s GPA, follow these steps:

1. Assign a numerical value to each grade received (A=4; B=3; C=2; D=1; F=0)
2. Multiply the grade by the number of units in the class. This totals the grade points.
3. Divide the total number of grade points by the total number of units attempted

Note: Exclude W’s, NP’s, P’s from the calculation as well as courses that were repeated and where academic renewal was granted. These courses will be signified by “R” and “AR” respectively.

CHALLENGING GRADES
To conform to the provision of Section 55025 of the California Administrative Code, Title 5, the determination of the student’s grade by the instructor shall be final in the absence of mistake, fraud, bad faith, or incompetency.

Modesto Junior College policies on challenging a final grade are as follows:

1. There shall be a one year time limit for challenging any evaluative or non-evaluative symbol. This limit will begin at the end of the term in which the symbol was assigned.
2. The correction of grades given in error shall include expunging the incorrect grade from the record;
3. To challenge a grade, students should complete a Grade Correction form, which is available in the Admissions Office.

INCOMPLETE GRADES
An Incomplete (I) grade will be given only in cases in which course work could not be completed because of illness or for a cause judged as unavoidable by the instructor. Failure to complete regular course work by the end of the semester will not be reason for giving a grade of Incomplete (I). When a faculty member approves a grade of Incomplete (I), he or she:

- Will enter on PiratesNet an incomplete and the in-lieu grade that will be recorded if the student does not make up the work in the allotted time.
- Will enter on PiratesNet the date on which the incomplete grade will end and the in lieu grade will be awarded.
- Will submit to the Records Office a written record (on the Incomplete Form provided) of the conditions for removal of the (I) grade and the grade to be assigned if the work is not completed.
Will send notification via email to the student using the college-issued student email outlining the work to be completed and timeline.

Will write the student's grade when all work has been completed on the Incomplete Form in the Records Office at least five business days prior to the expiration date of the incomplete grade.

The amount of time that a student may have to make up the work cannot exceed one year. If the student has not completed the conditions for removal, the Incomplete grade will electronically revert to the "grade in lieu of removal" assigned by the faculty member for the "I" grade.

Satisfactory Completion

"Satisfactory completion of" a course means that the student has earned a letter grade of A, B, C, P. All prerequisite courses at MJC must be satisfactorily completed with a C or better grade.

P/NP (Pass/No Pass) Grades

A student may enroll in most courses with the option of one of two grading systems: (1) letter grade (A-F) or (2) Pass/No Pass (P/NP). The deadline to file P/NP for a full-term or short-term class is 30% of the class. If 30% falls on a weekend or holiday, the deadline to file P/NP forms in the Admissions Office is the preceding business day. (Forms are available in the Admissions Office or online at mjc.edu/forms, unless the course otherwise states "GR" only or "P/NP" only, all courses are offered with a choice of letter grade or P/NP option. Once the P/NP option is selected by the student and the 30% deadline has passed the choice cannot be rescinded.

Because transfer institutions often do not accept P/NP grades in a student's major, the college recommends that courses in the major be taken for a letter grade.

Instructors are required to give all students who complete the course a letter grade (A-F), regardless of student choice, unless the course is offered only for P/NP grading.

None of the units attempted under the P/NP grading option are used in computing the student's grade point average. However, units attempted for which (NP) is recorded are counted in determining progress probation and progress dismissal.

Fourteen units of P/NP may be used toward graduation. An evaluation on a "P/NP" basis may not later be changed to a letter grade, nor may the reverse occur. (Section 55022 Title 5). CAUTION: Some schools may consider "NP" the same as "F".

Improvement of Grades

Beginning in the Summer 2004 term, courses in which substandard grades of "D", "F", or "No Pass" were earned by the student, are allowed to be repeated only once. Students will be blocked from registering a third time for the same course if two substandard grades (D, F, or NP) have been recorded in previous grading periods. A student who wishes to enroll in a course for a third time will need to complete a Request for Third Enrollment Form with a counselor. Third enrollment petitions are available in the Counseling Office and must be filed no later than the end of the first week of that term in which the class is to be repeated.

When a course in which a D grade was received is repeated, the student will receive the new grade and grade points earned but will receive no additional units for the course.

When a course in which A, F or NP grade was received is repeated, the student will be given both the units and grade points earned.

Courses in which the student has earned a C or better (including P) may not be repeated for improvement of grade.
ACADEMIC PROBATION AND DISMISSAL
A student shall be placed on academic probation if he or she has attempted a minimum of 12 semester units of work at the college and has earned a cumulative grade point average of less than 2.0 (“C”).

A student who is on academic probation shall be subject to dismissal for one calendar year if the student has earned a cumulative grade point average at the college of less than 2.0 in all units attempted in each of three (3) consecutive semesters.

A student on academic probation shall be removed from probation when the student’s accumulated grade point average of courses taken at the college is 2.0 or higher.

PROGRESS PROBATION AND DISMISSAL
A student shall be placed on progress probation if he or she has enrolled in a total of at least 12 semester units at the college and the percentage of all units in which the student has enrolled, for which entries of “W”, “I” and “NP” were recorded reaches or exceeds fifty percent (50%).

A student who is on progress probation shall be subject to dismissal for one calendar year if the cumulative percentage of units in which the student has been enrolled at the college for which entries of “W”, “I”, and “NP” are recorded in at least three (3) consecutive semesters reaches fifty percent (50%) or more.

A student on progress probation shall be removed from probation when the percentage of units taken at the college in the categories of “W”, “I”, and “NP” drops below fifty percent (50%).

HONORS PROGRAM
Eva Mo, Honors Program Coordinator/History Professor
Phone: (209) 575-6105
Hours: By appointment
Email: moe@mjc.edu

ABOUT THE HONORS PROGRAM
If you are a highly motivated or an accomplished student and would like your education at MJC to prepare you to compete well at the highest university levels, then the MJC Honors Program may be for you. This program is meant to further promote excellence by honing the skills and talents of our intellectually gifted, uniquely creative, and academically committed students. Honors students are challenged and guided by honors faculty to delve deeper, think more critically, and argue more persuasively. These students also have the opportunity to meet other gifted students and experience the spirit and encouragement of such a like-mindedly determined cohort.

BENEFITS OF PARTICIPATING
Besides the experience of an enhanced education and being better prepared to compete at the university level, students who graduate from the program will gain any number of perks through enhanced transfer agreements.

HONORS PROGRAM BENEFITS
- Priority admission and registration at transfer institutions
- Scholarships granted by some CSU and UC institutions
- Continuation of the honors experience at the transfer institution
- Invitations to college and university receptions and special events
- Guaranteed housing
- Priority admission into English 101 at MJC for students who meet appropriate Honors Program deadlines
HONORS UNITS
Honors units are units of coursework that you complete in order to demonstrate that you are academically competent in strategically challenging courses. Honors units are not additional units to be completed, but rather overlap your existing educational plan. You will work with a counselor and the Honors Program Coordinator to select appropriate courses.

HONORS CONTRACTS
Many instructors at MJC are willing to give you individual attention by enhancing a course to be at honors level. Once an agreement is established this is referred to as an honors contract. Once you are accepted into the honors program, you will be expected to initiate contracts with instructors. A list of participating instructors is available from the Honors Program Coordinator. Honors contracts may only be established in 3 unit or more courses numbered 100-299 (transferable).

PROOF OF PARTICIPATION HONORS
Honors work completed will be noted on your official MJC transcript.

TO APPLY TO THE PROGRAM:
1. Make an appointment with the Honors Program Coordinator in Founders Hall 120M.
2. To receive an Honors Program Application packet contact Eva Mo at moe@mjc.edu. In this application you will need to demonstrate the following:
   a. Eligibility for English 101 or higher at time of application
   b. 3.25 community college GPA (12 units) or 3.5 credentialed High School GPA
   c. One letter of recommendation (see application)
   d. One ‘statement of purpose’ 500 word-essay (see application)
3. Attend honors orientation before starting your first honors semester.
4. Save the Date: Honors orientation always occurs the Wednesday before fall and spring classes from 10:00 to 12:00 noon.

If you have not recently attended community college or high school, or if you do not meet the entrance requirements, see the Honors Coordinator for alternate requirements.

TO MAINTAIN ENROLLMENT:
1. Complete English 101 by the end of your first honors semester.
2. Maintain a 3.25 or higher cumulative GPA.
3. Attempt at least one honors contract or course per year.

TO COMPLETE THE PROGRAM:
1. Complete 15 units of honors coursework.
2. Maintain a 3.25 cumulative GPA.
3. File an application to graduate from the Honors Program.

ACADEMIC RENEWAL REGULATION
Modesto Junior College regulations permit the removal of work completed at MJC which is substandard and not reflective of a student’s present scholastic ability and level of performance. The grades so removed will be disregarded in the computation of grade point averages.

Substandard work completed at MJC (grades of “D”, “F”, “NP”) may be removed from a maximum of two terms under the following conditions:
- A period of at least two years has elapsed since the work to be removed was completed.
The work to be removed does not include courses previously used to establish eligibility for transfer, graduation, or certificates of achievement.

The student has completed at MJC or another accredited college, since the work to be removed was completed, at least 15 semester units with at least a 3.0 GPA, 30 semester units with at least a 2.5 GPA, or 45 semester units with at least a 2.0 GPA.

The terms need not be consecutive.

A course repeated for grade improvement is not eligible for academic renewal as the substandard grade has been disregarded in the completion of the grade point average.

Only the substandard work will be considered for academic renewal.

Up to 24 units of coursework may be eliminated from consideration in the cumulative GPA.

Academic renewals are irreversible.

Students wishing to use the academic renewal procedure should submit an Application for Academic Renewal. Applications may be faxed or emailed and are available at the Enrollment Services Office. When work is removed under the conditions above, the permanent academic record shall be annotated in such a manner that all work remains legible, insuring a complete academic history.

UNITS OF CREDIT

Units awarded for a course depend on the number of lecture, lab, and lecture/lab hours in the course. Typically, 17.5 hours of lecture with 35 additional hours of outside work, or 52.5 hours of lab produce one unit of credit. A student's weekly workload for a full-semester course will be roughly three times the number of units of credit to be earned. So a typical 3-unit lecture course requires nine hours per week: 3 hours of lecture and 6 hours of outside work.

RECOMMENDED STUDY LOADS/EXCESSIVE UNITS

A typical student load is 12 to 16 units of work per semester. A heavier or lighter study load may be recommended by a student's advisor or counselor. In no case will a student be enrolled in more than 18 (12 units for summer) units of work without approval of an MJC counselor. Students on probation or dismissed status may be limited to the work load judged most suitable for them. Petition forms for excess units can be obtained in Counseling Center.

LIMIT ON REMEDIALSE COURSEWORK

Except as specifically exempted, students may not receive credit for more than 30 units of remedial coursework in math (MATH), English (ENGL), and reading (READ) courses numbered 1-49.

EXEMPTIONS

The following students will be exempt from the limit:

- The following students will be exempt from the limit:
- Students enrolled in one or more courses of English as a Second Language (ESL)
- Students identified by a college in the district as having a learning disability.

Students may be granted a waiver to the limitation upon petition to a college in the district. Waivers will be granted only when the student shows significant and measurable progress toward the development of skills necessary for college-level courses. Such waivers will be given only for a specified period of time or for a specified number of units.

Students who are blocked from enrollment because of excessive remedial units should contact the Counseling Center, Student Services Building, Room 226.
CREDIT FROM OTHER INSTITUTIONS

Lower division credit will be accepted from institutions listed as being accredited by one of the six regionally accrediting associations that are recognized by the United States Secretary of Education. These six associations have been recognized as reliable authorities ensuring that the institutions that they accredit meet minimum levels of educational quality. MJC recognizes those institutions that are either fully accredited or are listed as a candidate for accreditation in the publication “Accredited Institutions of Higher Education” (provided the institution offering the courses accepts them towards its own degree.)

Veterans and reservists who have completed basic training will receive three units of Health Education credit and two units of Physical Education credit upon presentation of their separation papers. Credit for military schools will be granted if it is recommended in the “Guide to the Evaluation of Educational Experiences in the Armed Services.” Up to 18 units of credit may be awarded for USAFI (United States Armed Forces Institute) courses.

“GENEX 000”

GENEX 000 courses appear on the transcript to indicate transfer courses for which you have been granted transfer credit, without Modesto Junior College equivalent course credits. If you believe a course placed in GENEX 000 is equivalent to a specific MJC course you may contact the appropriate division office and submit a Course Equivalency Petition. At the time of submission you must also include a course description, syllabus and/or any other supporting documentation to substantiate your request.

CREDIT FROM INSTITUTIONS OUTSIDE THE UNITED STATES

Modesto Junior College does not evaluate international transcripts. A student must first have their foreign coursework evaluated by a National Associate in Credential Evaluation Services (NACES) affiliated foreign transcript service. The Records Office in Student Services Building, Room 102 has a list of transcript services. The cost of the evaluation is the responsibility of the student.

A maximum of 30 units can be accepted through this process. A student should meet with a counselor to identify possible courses, if any, may be eligible for review by the division offering the course.
Because transcripts evaluated by NACES affiliated foreign transcript services contain brief titles, students should submit as much information about the classes they have completed as possible. When requesting equivalency from a division, students should include: course catalog descriptions, topics covered, course syllabi, lecture hours, lab hours, prerequisites the course may have had, or any other information available.

The Evaluations Office will only consider lower division courses recommended by the affiliated foreign transcript service after approval by the MJC division offering the course is obtained. All grades of C or better will be converted to a Pass grade. These units will not be counted toward the student’s GPA.

Coursework taken outside the United States will not be used to satisfy the associate degree Reading and Written Expression or Oral Communication requirement. Possessing a foreign degree comparable to a bachelor’s degree or higher does not satisfy the general education, competency requirements, and guidance and activities requirement for an associate degree at MJC without approved course equivalencies.

Transcripts received become the property of MJC and cannot be returned to the student, copied, nor forwarded to other colleges.

**CREDIT BY EXAMINATION**

A student may petition for credit by examination in appropriate courses as determined by the academic division or area, provided the student has evidence of training and/or experience in that subject area. Students may take the exam one time only.

**TO BE ELIGIBLE FOR CREDIT BY EXAMINATION**

A student must be registered in other Modesto Junior College credit course(s) at the time the course is challenged.

**TO BE AWARDED CREDIT BY EXAMINATION**

The student must have a grade notation in at least one other MJC credit course in the semester in which credit is awarded. [Notation includes grade, incomplete (I) or withdrawal (W)]

CAUTION: Please note that four-year college/university policies on awarding credit for courses taken on a credit by examination basis vary from campus to campus.

**COURSE CREDIT BY EXAMINATION WILL NOT BE GRANTED:**
- If the units granted for a course would cause the student to have completed more than 30 units of credit by examination
- For a course in which a student is currently enrolled
- For a course that is below the academic level of a course already completed
- For a course in which a student has received a grade, i.e. a “W” will be regarded as a grade.
- For a course in which the student has received Advanced Placement (AP) credit.

**TO BEGIN THE CREDIT BY EXAMINATION PROCESS:**

Confer with the Academic Dean of the course subject area. Credit by Examination is not available for all courses. Check with the Dean to determine if the course you wish to challenge is available for Credit by Examination. Student must be able to provide evidence of training and/or experience in the subject area. The Dean will give the student a Petition for Credit by Examination to complete. The student will return the form to the Division Office. A student who wishes to file for the credit-no credit option must submit this request at the time the Credit for Examination Petition is filed after the Division has approved the Credit by Examination Petition.
Pay the current per-unit* enrollment fee for each course at the MJC Business Office and bring the receipt to the Division Office.

Arrange a time and location for the examination with the Academic Dean, or instructor designated by the Dean.

Units earned by examination do not count towards the residence requirement for graduation nor do they count toward full-time status. Petitions to do a Credit by Examination must be filed no later than seven weeks before the end of the semester. A current per-unit enrollment fee will be charged for each course challenged. (A waiver of fee may be granted based on Student Financial Services Office criteria.) See "Student Fees and Expenses" on 47 for more information. *Fee subject to change pending action by the CA State Legislature.

2+2 PROGRAM CREDIT

While in high school, students can complete specific courses to earn MJC credit. Such courses are part of the 2+2 program. Students who successfully complete articulated 2+2 high school courses with a grade of B or higher and enroll at MJC in a fall or spring semester following high school graduation will receive college credit(s). Please note: The 2+2 articulation agreement between the high school institution and MJC may require the student to meet special conditions beyond those required of passing with a B grade to receive the college credit. Special conditions exist for agriculture, foreign language, and mathematics courses.

HOW TO ENROLL & PARTICIPATE:

- At the beginning of a 2+2 course the student must get and complete a Request to Participate in 2+2 program form for the course from the high school instructor.
- The instructor of the course must send the completed forms to the MJC Early College/Tech Prep 2+2 program. 2+2 student data is tracked.
- After the high school course is completed and the grade is earned, students earning B grades or higher will receive credit.

CONDITIONS FOR 2+2 CREDIT ON THE MJC TRANSSCRIPT

- If a student meets all conditions specified in the course's 2+2 Articulation Agreement, the grade earned in the high school course will be posted on the student's MJC transcript the beginning of the second semester of enrollment at MJC.
- Student must submit official High School Transcripts.
- MJC Application must be on file.
AP Credit (Advanced Placement)

Modesto Junior College recognizes the Advanced Placement (AP) Program of the College Entrance Examination Board. Advanced Placement credit will be granted to those students earning a score of 3, 4, or 5 according to the following policy.

**REPORTING AP EXAM RESULTS TO MJC**

Students who complete AP Examinations through the College Board will need to ensure that test results are shared with Modesto Junior College. To have test results evaluated and posted to the MJC transcript, the following steps are required.

1. **Enroll at MJC. The student must be enrolled to be able to use AP examination results to satisfy MJC requirements.**

2. **Contact the College Board AP Program to request that an AP Score Report be sent to Modesto Junior College, Attention: Enrollment Services. Official score reports can be requested at (212) 713-8000 or by visiting the College Board website at www.collegeboard.com/student/testing/ap/exgrdrep.html MJC's four-digit college board code is 4486. Fees may be required for this service.**

**USE OF AP EXAM RESULTS TO SATISFY MJC REQUIREMENTS**

Scores of three (3), four (4), or five (5), count toward the associate degree as elective units and satisfy the following requirements at MJC.

**GENERAL EDUCATION (GE) REQUIREMENTS**

If an official AP Score Report has been received by MJC, units earned through AP exams will automatically be posted to the student's transcript as illustrated below. For example, a student who has successfully completed the AP Biology examination will see this on the transcript:

<table>
<thead>
<tr>
<th>Course ID</th>
<th>Course Name</th>
<th>Units Attempted</th>
<th>Units Earned</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>APT-BIOL</td>
<td>AP Biology</td>
<td>0</td>
<td>4</td>
<td>P</td>
</tr>
</tbody>
</table>

**COURSE REQUIREMENTS FOR DEGREES, CERTIFICATES, OR SKILLS RECOGNITIONS**

Students must follow the *Course Substitution Process* of the division which offers the course in order to have AP units satisfy a specific award requirement. Visit the division office to get a Course Substitution form.

**PREREQUISITES FOR COURSES**

Students will need to request and complete a *Prerequisite Challenge Petition* at the division office offering the course. See “Advising and Educational Planning” on page 37 for more information.

**TRANSFERRING AP RESULTS TO OTHER INSTITUTIONS**

The use of AP examination results to satisfy admission, major requirements, prerequisites, baccalaureate degree, and/or GE Breadth requirements at California State University, the University of California, and private institutions continues to be determined by the individual campuses. Students who have earned credit from an AP exam should not take a comparable course because transfer credit will not be granted for both.

Please note: Because universities make their own determination on how to grant AP credit, students who have used AP to satisfy prerequisites at MJC may have difficulty satisfying program requirements at the transfer institution. Students are advised to check AP policies from their future universities before using that credit to satisfy prerequisites at MJC.

To learn more about AP policies of transfer institutions, students should meet with an MJC counselor and check with the transfer campus for institutional policies on AP examinations. For information on the use of AP credit at UC and CSU visit:

- California State University (CSU) Policy for AP Credit: [www.calstate.edu/app/general-ed-transfer.shtml](http://www.calstate.edu/app/general-ed-transfer.shtml)

**IGETC RULES AND EXCEPTIONS**

AP Exam credit does not expire and therefore can be applied toward IGETC regardless of when the exams were taken. Each AP exam may be used to satisfy one (1) IGETC area course requirement, with the exception of the following:

- **AP credit from a foreign language exam may be used to satisfy IGETC: 6A Language other than English and IGETC 3B: Humanities**
- **AP credit cannot be used to satisfy IGETC:1B Critical Thinking**
- **AP credit cannot be used to satisfy IGETC:1C Speech Communications**

**CSU RULES AND EXCEPTIONS**

CSU Executive Order 1036, Section 1.2.4 establishes that CSU campuses will honor Modesto Junior College full or area GE breadth certifications wherein AP examination scores were used to satisfy requirements. For more information on GE Certification and AP examinations, visit the Evaluations Office, Student Services Building, Room 110.

**LEGEND CONTINUED**

- Areas of American Institutions (US-1 through US-3) are set forth in sections 1A and 1B of EO 405, and at assistant exam. This, by itself, does not satisfy all three areas required for American Institution certification. Meet with a counselor for assistance.
- Students seeking certification in GE Breadths prior to transfer must have passed the exam before Fall 09.
- If a student passes more than one AP exam in physics, only six units of credit may be applied to the baccalaureate, and four units of credit may be applied to a certification in GE Breadth.
- AP exams may be used in either area regardless of where the certifying CCC’s discipline is located.
- Students who pass AP Environmental Science earn 4 units of credit. Exams taken prior to Fall 09 may apply to either (B1+B3) or (B2+B3) of GE Breadth. Exams taken Fall 09 or later may only apply to (B1+B3).
- Exams taken before Fall 09 earn 6 units of credit of CSU Breadth. Exams taken Fall 09 or later earn units reflected on the AP grid.
- Students seeking certification in GE Breadths prior to transfer must have passed the exam before Fall 12.

### AP ALLOWANCES AND RESTRICTIONS

- Units earned from AP exams, while recorded as “Pass/No Pass or P/NP” units on the transcript, are not counted toward the institutional limit of fourteen (14) P/NP units.
- Units earned from AP exams will not be identified as units earned through “Credit by Examination”, and therefore will not apply toward the institutional limit of thirty (30) units earned through Credit by Examination.
- Students earning a 4 or 5 on the Calculus AB or Calculus BC exams will need to enroll in-person at the Admissions Office in order to satisfy eligibility criteria for financial aid, veterans programs, or EOPS.

### AP SCORE OVERVIEW

<td>4 or 5</td>
<td>- Bypass the MJC Mathematics assessment</td>
</tr>
</tbody>
</table>

* Students earning a 5 on the BC Calculus AP exam may enroll in MATH 173, but are strongly encouraged to enroll in MATH 172 instead. Students wishing to start in MATH 172 will need to enroll in-person at the Admissions Office.
† Students who earn a 4 or 5 on the Calculus AB or Calculus BC exams will need to complete a Prerequisite Challenge Form at the Science Math and Engineering Division Office to petition enrollment in MATH 173, MATH 121, MATH 122, or MATH 138. Students should provide a strong case as to why they wish to “impose” a course.

Source documents: IGEC version 7.5 (June 5, 2014)
E.O. 1036, Section 2.4 (December 15, 2014)
IB Credit (International Baccalaureate)

Modesto Junior College (MJC) will honor and apply many International Baccalaureate (IB) exam scores towards the fulfillment of MJC-GE, CSU-GE and IGETC breadth patterns. Students who earn a score 4, 5, 6, or 7 will earn IB credit that may be applied toward specific requirements within the CSU-GE pattern, in accordance with CSU Executive Order 1036 Section 1.2.4. A score of 5, 6, or 7 will earn IB credit within the IGETC pattern, in accordance with IGETC version 1.5. These documents determine how UC and CSU campuses honor IB credit. MJC requires scores of 5, 6, and 7 to satisfy requirements of the associate degree, MJC-GE, and elective units.

TO REPORT IB EXAM RESULTS TO MJC

Students who complete IB Examinations through the International Baccalaureate program will need to ensure that test results are shared with Modesto Junior College. To have test results evaluated and posted to the MJC transcript, the following steps are required.

1. Enroll at MJC. The student must be enrolled to be able to use IB examination results to satisfy MJC requirements.
2. Contact the College Board AP Program to request that an AP Score Report be sent to Modesto Junior College. Attention: Enrollment Services. Official score reports can be requested at (212) 713-8000 or by visiting the College Board website at https://apscore.collegeboard.org/scores. MJC’s four-digit college board code is 4486. Fees may be required for this service.

USING RESULTS TO SATISFY MJC REQUIREMENTS

IB Scores of five (5), six (6), or seven (7), will earn MJC units of credit as indicated on the IB Grid on the following page. Those units can be used to satisfy the following requirements.

General Education (GE) requirements

If an official IB Transcript has been received by MJC, units earned through IB exams will automatically be posted to the student’s transcript as illustrated below. For example, a student who has successfully completed the IB Biology examination will see this on the transcript:

<table>
<thead>
<tr>
<th>Course ID</th>
<th>Course Name</th>
<th>Units Attempted</th>
<th>Units Earned</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>IBT-BIOL</td>
<td>IB Biology</td>
<td>0</td>
<td>3</td>
<td>P</td>
</tr>
</tbody>
</table>

COURSE REQUIREMENTS FOR DEGREES, CERTIFICATES, OR SKILLS RECOGNITIONS

Students must follow the Course Substitution Process of the division which offers the course in order to have those units satisfy a specific award requirement. Visit the division office to get a Course Substitution form.

PREREQUISITES FOR MJC COURSES

Students will need to request and complete a Prerequisite Challenge Petition at the division office offering the course for all courses except those in English, reading and math. For English and math courses, students will still be required to complete the MJC Assessment process. See “Advising and Educational Planning” on page 37 for more information.

IB ALLOWANCES

- Units earned from IB exams, while recorded as “Pass/No Pass or P/NP” units on the transcript, are not counted toward the institutional limit of fourteen (14) P/NP units.
- Units earned from IB exams will not be identified as units earned through “Credit by Examination”, and therefore will not apply toward the institutional limit of thirty (30) units earned through Credit by Examination.

IB RESTRICTIONS

- Only Higher Level (HL) exams can be used toward the fulfillment of listed requirements.
- Unit credit for IB exams will not be used in lieu of MJC Assessment Tests for placement into courses with English, reading or math prerequisites. Students will need to go through the MJC Assessment process to enter courses appropriate for their skill levels.
- Units earned from IB exams cannot be used to satisfy the college’s Twelve-Units In-Residence requirement for associate degree.
- Units earned from IB exams cannot be used as evidence of enrollment at MJC in order to satisfy eligibility criteria for financial aid, veterans programs, or EOPS.

TRANSFERRING IB RESULTS TO OTHER INSTITUTIONS

The use of IB examination results to satisfy admission, major requirements, prerequisites, baccalaureate degree, and/or GE Breadth requirements at California State University, the University of California, and private institutions continues to be determined by the individual campuses. Students who have earned credit from an IB exam should not take a comparable course because transfer credit will not be granted for both.

Please note: Because universities make their own determination on how to grant IB credit, students who have used IB to satisfy prerequisites at MJC may have difficulty satisfying program requirements at the transfer institution. Students are advised to check IB policies from their future universities before using that credit to satisfy prerequisites at MJC.

To learn more about IB policies of transfer institutions, students should meet with an MJC counselor and check with the transfer campus for institutional policies on IB examinations. For information on the use of IB credit at UC and CSU visit:

University of California (UC) policy for IB credit: http://admission.universityofcalifornia.edu/counselors/exam-credit/ib-credits/index.html

California State University (CSU) Policy for IB Credit: www.calstate.edu/app/general-ed-transfer.shtml
CSU RULES AND EXCEPTIONS

CSU Executive Order 1036, Section 1.2.4 establishes that CSU campuses will honor Modesto Junior College full or area GE breadth certifications wherein IB examination scores were used to satisfy requirements. For more information on GE Certification and IB examinations, visit the Evaluations Office.

ABOUT MJC AWARDS

The Board of Trustees of the District shall award the associate in arts degree, the Associate in science degree, and the certificate of achievement to applicants upon the satisfactory completion of the requirements as listed in this catalog.

PHILOSOPHY OF THE ASSOCIATE’S DEGREE AND GENERAL EDUCATION

(a) The governing board of a community college district shall adopt a policy which states its specific philosophy on General Education. In developing this policy governing boards shall consider the following policy of the Board of Governors:

The awarding of an associate degree is intended to represent more than an accumulation of units. It is to symbolize a successful attempt on the part of the college to lead students through patterns of learning experiences designed to develop certain capabilities and insights.

Among these are the ability to think and to communicate clearly and effectively both orally and in writing; to use mathematics; to understand the modes of inquiry of the major disciplines; be aware of other cultures and times; to achieve insights gained through experience in thinking about ethical problems; and to develop the capacity for self-understanding. In addition to these accomplishments, the student shall possess sufficient depth in some field of knowledge to contribute to lifetime interest.

Central to an associate degree, General Education is designed to introduce students to the variety of means through which people comprehend the modern world. It reflects the conviction of colleges that those who receive their degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. College educated persons must be able to use this knowledge when evaluating and appreciating the physical environment, the culture and the society in which they live. Most importantly, General Education should lead to better self-understanding.

In establishing or modifying a general education program, ways shall be sought to create coherence and integration among the separate requirements. It is also desirable that general education programs involve students actively in examining values inherent in proposed solutions to major social problems.

(b) The governing board of a community college district shall also establish criteria to determine which courses may be used to implementing its philosophy on the associate degree and general education.

(c) The governing board of a community college district shall, on a regular basis, review the policy and criteria established pursuant to subsections (a) and (b) of this section.

Reaffirmed by the MJC Curriculum Committee, 1/25/2011
EARNING MULTIPLE ASSOCIATE’S DEGREES

A student may earn more than one associate in arts and/or associate in science degree from Modesto Junior College. A course used for a prescribed graduation requirement or to meet general education requirements may count toward more than one degree. In addition, a student may not earn an AA and an AS in the same program.

APPLYING FOR AN ASSOCIATE’S DEGREE OR CERTIFICATE ACHIEVEMENT

A candidate for an associate in arts degree, associate in science degree or a certificate of achievement must file an application for the degree or certificate in the Evaluations Office, Student Services Building, Room 110, when the student is in his or her last semester of program completion. No student, however, is a candidate for graduation until the degree or certificate application is completed. Graduation ceremonies for degree candidates are held at the end of the spring semester each year. Diplomas will be dated at the end of the semester or summer session in which the qualified student applies. Diplomas and certificates are available to successful candidates approximately two months after term is completed.

GRADUATION CEREMONY FOR ASSOCIATE DEGREE EARNERS

Instructions for graduating will be outlined in an early spring edition of the Graduation Newsletter. The Graduation Newsletter includes information about commencement exercise, student speakers, graduation luncheon, graduating with honors, graduation fees, caps, gowns and announcements.
Transcripts and Academic Records

Enrollment Services (Records Office)
Martha Robles
Dean of Admissions, Records, and Matriculation
East Campus: Records Office, Student Services Building, Room 102
Phone: (209) 575-6018
Website: mjc.edu/studentservices/enrollment/records/transcriptrequest
Fax: (209) 575-6859

Official Transcripts

Modesto Junior College offers an online transcript request 24/7 process. All current and former students can order an official transcript at their convenience through the MJC website. There are several types of processing options available. Check online for details on how to have transcripts sent from MJC.

- Each transcript request must be submitted via the college website, or in writing by the student to the Records Office.
- Each transcript will include the student’s entire record of courses completed at MJC.

Official transcripts or records earned at other institutions which have been presented for admissions or evaluations become part of the student’s permanent record and are not issued or copied for distribution.

Official transcripts will not be issued for students who have a financial obligation to the college or any other type of hold on their records. Any financial obligation to the college should be resolved in the Business Office.

To comply with the student privacy laws, transcripts cannot be sent in response to telephone requests. Transcripts cannot be issued without written consent or release signed by the student with the exception of transcripts being sent directly to another educational institution.

Students are advised to submit official previous high school (once graduation date is posted) and/or college transcripts as soon as they apply for admission to MJC. These transcripts become the property of MJC and cannot be returned to the student, copied, nor forwarded to other colleges.

The MJC Records Office will accept only official transcripts from regionally accredited institutions. Official transcripts are those that are electronically transmitted from regionally accredited institutions utilizing approved electronic transmittal systems or those that are delivered in an unopened, sealed envelope from the issuing institution. Contact the Records office for additional information on electronic submission.

The MJC Evaluations Office recommends that these transcripts be sent at least six weeks prior to registration. Upon receipt of outside transcripts, students will be notified via the college issued student email that their transcripts have been received. In order to have a full evaluation of a transcript, students must submit an Evaluation Request Form. The evaluation request form is attached to the email notification. This important evaluation provides information to the student and counselor about course work completed at other colleges.
REPORT CARDS

Report cards are not issued at MJC. Grades are posted online at PiratesNet, (select>Register). As soon as instructors enter their grades and the Records Office verifies them, they are available at this site.

ENROLLMENT AND GRADE VERIFICATION

Enrollment verifications and grade verifications will be issued upon written request to the Admissions Office. Students should allow at least ten (10) working days for the processing of verifications. Verifications are not processed during registration periods. Verification requests submitted during registration periods will be available the third week of the term.

To comply with student privacy laws, students must request verifications by completing and signing a Verification Request Form, available in the Admissions Office.

Verifications will not be issued for students who have a financial obligation to the college or any other type of hold on their records. Any financial obligation to the college should be resolved in the Business Office. Photo identification is also required to release the verification. For additional information on requesting MJC verifications, contact the Admissions Office (209) 575-6853.

ACADEMIC RECORDS REGULATIONS

Responsibility for student records rests with the Records Office. However, each college department which houses student records is charged with maintaining their privacy and access according to college policy. Division deans are responsible for certain student files when those students are enrolled in majors within the dean's division. Students may find files that pertain to them in the division office of their academic major. In addition, student information is maintained under the supervision of the Vice President of College and Administrative Services (student financial responsibility), Vice President of Student Services (financial aid, counseling materials), Vice President of Instruction, (apprenticeship, community services, work experience), and the Dean of Matriculation, Admissions and Records (all permanent academic files).

Student records will be reviewed annually, and those which are no longer required to be maintained will be destroyed in accordance with Title 5 regulations.

Student information designated as public directory information may be released at the discretion of the college to anyone at any time unless the college has received a prior written objection from the student specifying information which should not be released. Modesto Junior College will not release directory information for individual use or to private business or commercial firms for use in advertising or publicity. Directory information includes: student participation in officially recognized activities and sports, including weight and height of members of athletic teams and high school of graduation of athletic team members, degrees and awards received, including honors, scholarship awards, athletic awards, and President's List recognition.

A student's records are open to the student, employees of the college acting in the course of their duties, and state and federal officials as defined in Sections 54610 and 54622 of the California Administrative Code.

MJC may grant access to individual student records for educational or emergency purposes and for court orders as permitted in Sections 54620 and 54622 of the California Administrative Code.

Students may ordinarily review their records at any time during working hours. The college will make records available within five to ten working days of a student's written request.
Students can file a complaint against MJC if they feel a privacy or records access/correction violation has been made. The complaint must be made in writing to the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

STUDENT RECORDS & PRIVACY ACT
For the purposes of this policy, Modesto Junior College (MJC) uses the following definitions of terms.

Student - any person who attends or has attended Modesto Junior College (MJC), regardless of age.

Education records - any record (in handwriting, computerized print, tapes, film, or other medium) maintained by MJC or an agent of the college that is directly related to a student, except:

- A personal record kept by a staff member, if it is kept in the personal possession of the individual who made the record, and information contained in the record has never been revealed or made available to any other person except the maker’s temporary substitute.
- An employment record of an individual whose employment is not contingent on the fact that he or she is a student, provided the record is used only in relation to the individual’s employment.
- Records maintained by MJC Security if the record is maintained solely for law enforcement purposes, is revealed only to law enforcement agencies of the same jurisdiction and does not have access to education records maintained by the College.
- Records maintained by Health Services if the records are used only for treatment of a student and made available only to those people providing the treatment.
- Alumni records containing information about a student after he or she is no longer in attendance at the college and the records do not relate to the person as a student.

PROCEDURE TO INSPECT RECORDS
Students may inspect and review their education records upon request to the appropriate record custodian. Students should submit to the record custodian or an appropriate college staff member a written request identifying as precisely as possible the record or records he or she wishes to inspect.

The record custodian or an appropriate college staff member will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given in 15 days or less from the receipt of the request.

When a record contains information about more than one student, the student may inspect and review only the records that relate to him or her.

REFUSAL TO PROVIDE COPIES OF RECORDS
MJC reserves the right to deny transcripts or copies of records not required to be made available by FERPA if the student:

- lives within commuting distance of the college.
- has an unpaid financial obligation to the college.
- has an unresolved disciplinary action against him or her

DISCLOSURE OF RECORDS
MJC will disclose information from a student’s education records only with the written consent of the student, except:

1. To college officials who have a legitimate educational interest in the records. A college official is:
   a. A person employed by the college in an administrative, supervisory, academic, research or support staff position.
b. A person elected to the Board of Trustees.

2. A person employed by or under contract to the college to perform a special task, such as the attorney or auditor.

3. A college official has a legitimate educational interest if:
   a. Performing a task that is specified in his or her position description or by a contract agreement.
   b. Performing a task related to a student’s education.
   c. Performing a task related to the discipline of a student, or
   d. Providing a service or benefit relating to the Student or student’s family, such as health care, counseling, job placement or financial aid.

4. Information defined as directory information.

5. To officials of another school or college, upon request, in which a student seeks or intends to enroll.

6. To certain officials of the U.S. Department of Education, the Comptroller General and state and local educational authorities, in connection with certain state or federally supported education programs.

7. In connection with a student’s request for or receipt of financial aid, as necessary to determine the eligibility, amount or conditions of the financial aid, or to enforce the terms and conditions of the aid.

8. To organizations conducting certain studies for or on behalf of the college.

9. To accrediting organizations to carry out their functions.

10. To comply with a judicial order or a lawfully issued subpoena.

11. To appropriate parties in a health or safety emergency.

RECORD OF REQUESTS FOR DISCLOSURE OF RECORDS
MJC will maintain a record of all requests for and/or disclosure of information from a student’s education records. The record will indicate the name of the party making the request, any additional party to whom it may be disclosed and the legitimate interest the party had in requesting or obtaining the information.

CORRECTION OF RECORDS
Any student may file a written request with the President to correct or remove information recorded in his student records which he or she alleges to be:

- inaccurate;
- an unsubstantiated personal conclusion or interference;
- a conclusion or interference outside of the observer’s area of competence; or;
- not based on the personal observation of a named person with the time and place of the observation noted. This procedure does not include the correction of a grade.

THE SOLOMON AMENDMENT
Federal statute (public law 104-208 and public law 104-206, commonly known as the Solomon Amendment) requires that community colleges provide student directory information to the Department of Defense, including military recruiters, upon request.

ANNUAL NOTIFICATIONS:
EDUCATIONAL RESEARCH AND THE PRIVACY OF STUDENT EDUCATION RECORDS
Educational research, including assessment and evaluation of the teaching and learning process, is periodically conducted at Modesto Junior College in established or commonly accepted educational settings, involving normal educational practices.
The Family Educational Rights and Privacy Act (FERPA) is a “Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.” (http://www.ed.gov/policy/gen/guid/fpcos/ferpa/index.html) “No district representative shall release the contents of a student record to any third party without prior written consent of the student, other than directory information as defined in this policy and information sought pursuant to a court order or lawfully issued subpoena, or as otherwise authorized by applicable federal and state laws.” (YCCD Board Policy 5040: FERPA “prohibits the release of student records (verbally, in writing, or by any other means) … unless there is a specific statutory authorization or a legitimate education interest to be used internally, a need to know (as part of fulfilling job duties) or an emergency.” (YCCD Research Work Group Research Request Protocol)

You are protected under both FERPA and the U.S. Department of Health and Human Services, Office for Human Research Protections. (http://www.hhs.gov/ohrp/)
Services at Modesto Junior College

Services on Campus

Student Services at Modesto Junior College has as its chief function the facilitation of the education, growth and development of students. The vision of Student Services is to provide exemplary services that support, inspire and empower students to achieve their goals. Our mission is to provide services and programs in partnership with other areas of the college and the community that will maximize each student's success. All Student Services offices value: access, diversity, honesty, innovation, integrity, kindness, respect, and trust.

ASSessment TESTING AT THE TESTING CENTER

West Campus: Yosemite Hall, Room 147
Phone: (209) 575-7728
www.mjc.edu/assessment

The Testing Center administers tests for placement purposes. These tests provide students with results that help them and their counselors understand their individual ability levels.

Testing is one of many measures used by college personnel to assist students in determining course placement in mathematics, English, reading, and ESL courses. Assessment tests are scheduled throughout the year, and should be taken as soon as students complete the college orientation and are admitted to the college to ensure that the results will be available for advising and registration.

Assessment testing is a free service; however, other tests offered through the Testing Center may require a fee. To inquire about test dates and fees, please contact the Testing Center or go to www.mjc.edu/assessment.
**SERVICES ON CAMPUS**

**BOOKSTORE**

East Campus, Student Center  
Phone: (209) 575-6840  
Fax: (209) 575-6851  
Email: bookstore.yosemite.cc.ca.us  
West Campus, John Muir, 154, Phone: (209) 575-6966

The Pirates Bookstore East Campus carries textbooks for classes that are held on the East Campus as well as school and office supplies, general books, MJC collegiate fashions, gifts, greeting cards, newspapers, candy, snacks, jewelry and electronics. We have partnered with Journey Ed to offer computer software at educational prices. The Artists’ Cove is in the rear section of the East Campus store and carries a wide variety of artist materials and supplies that are required by MJC instructors. The West Campus Pirates Bookstore carries textbooks for the classes that are conducted on the West Campus as well as school and office supplies, candy, snacks, MJC collegiate fashions, gifts, greeting cards, newspapers, jewelry and electronics. MJC catalogs and class schedules may be obtained at both bookstores and can be mailed prepaid on our website. Bookstore hours are extended during the beginning of each semester. Visit us at our website: bookstore.yosemite.cc.ca.us to order your text online, find out about buyback and see the latest store hours.

**CALWORKS PROGRAM**

West Campus: Yosemite Hall, Room 148  
Phone: (209) 575-7770  
Website: mjc.edu/studentservices/calworks

CalWORKs stands for California Work Opportunity and Responsibility to Kids. The CalWORKs Programs provides support services to eligible students.

The CalWORKs Program is a state-funded, which works in conjunction with the Stanislaus County Community Service Agency office. To qualify for MJC CalWORKs students must be receiving TANF (cash aid) for themselves. In order to ensure academic success, the MJC CalWORKs program provides eligible students with educational opportunities and a variety of support services, including counseling, book loan, child care, work-study student employment, and bus passes.

**CARE PROGRAM**

East Campus, Student Services Building Room 210,  
Phone: (209) 575-6702

The Cooperative Agencies Resources for Education Program (CARE) is a supplemental component of EOPS. The CARE Program strives to enhance self-esteem, develop college success skills and assist students with meeting their educational goals. CARE provides an eligible student a variety of educational and economic support services above and beyond those provided by EOPS, college, state, county and federal aid resources.

A student may qualify for childcare reimbursements, bus passes, gas cards, and an additional textbook allowance beyond that provided by EOPS. The Program also provides eligible single parents advocacy and liaison services to facilitate the acquisition of CalWORKS resources, as well as informational workshops, an annual winter/spring holiday season and cultural events. For more information call the CARE Program services representative at the number above.

**TO QUALIFY FOR THE CARE PROGRAM A STUDENT MUST:**
1. Be EOPS eligible;
2. Hold “Single Parent Head of Household” status;
3. Have one or more children under the age of 14 years;
4. Parent or child must be a recipient of TANF cash aid.

**CAREER DEVELOPMENT & TRANSFER CENTER**

Leticia Cavazos, Counselor/Coordinator  
Career Development & Transfer Center  
East Campus: Student Center  
Phone: (209) 575-6239

The Career Development and Transfer Center houses the Career Center, Job Placement and Transfer Center services under one roof.

**CAREER DEVELOPMENT CENTER**

Website: mjc.edu/career

Career Development services provide students and prospective students with valuable career exploration tools and
services on campus

resources such as career workshops, software programs, internet websites, and books. Referrals for career testing and assessments, which may assist students in career selection will be made based on student needs.

job placement

Website: www.mjc.edu/jobsforstudents

Job Placement services help MJC students and alumni find employment opportunities by connecting them with local employers who are looking to hire. The Career Development and Transfer Center serves as a liaison with employers throughout the area who are looking to hire MJC students and graduates. Job Placement activities consist of the following:

- Leads to full-time & part-time opportunities
- On-Campus recruitments by employers
- Job Fairs (Fall and Spring semesters)
- Internship Opportunities
- Labor Market Information
- Resume & Interviewing Tips
- Job Hunting Resources
- Email Job Alerts

transfer center

Website: www.mjc.edu/transfer

The Transfer Center's function is to assist MJC students in making a smooth transition to four-year colleges and universities. The Transfer Center supports students planning to transfer by providing information and assistance crucial in the development of successful transfer pathways. Some of the transfer activities consist of the following:

- TAG's Transfer Admission Guarantee - Contracts to designated four-year colleges and universities
- Individual appointments with counselors and university representatives
- Transfer workshops such as "Pathways to Transfer Success," "Completing a Transfer Admission Guarantee," and "Writing a Personal Statement"
- Free campus tours of four-year universities
- Assistance with electronic applications and application fee waivers
- Assistance with admission procedures
- Assistance with admission websites and articulation
- Annual Transfer Day/College Night with over 60 four-year colleges and universities represented

child development early care & education program

West Campus, John Muir, Room 157, Phone: (209) 575-6343

Enrollment for ages 1½ to 5 years of age

Our unique Early Care & Education Laboratories, toddler and preschool, are instructional training sites for Child Development majors and are staffed by these student teachers. Our program offers a parenting course in addition to care and learning opportunities for children. Enrollment is open to children of staff, students and the community.

The philosophy of our child-centered program is built on around the belief that "play" is essential to a child's learning. There are six program policies that will guide our work: primary caregiving, small groups, continuity of caregiving relationships, daily routines as part of the curriculum, cultural responsiveness, a safe and interesting environment, and inclusion of all children. An anti-bias approach is emphasized and curriculum is selected to support families in feeling included and respected. Each family brings their own culture and traditions which can be shared in our classroom! We believe that families are a child's first and most important life-long teachers and we work to create partnerships with each family. A representative from each family is required to enroll each semester in the Community Education parenting course which is facilitated by the lab instructor.

college facilities/ events/mail room

West Campus; East Campus, Morris Building, Mailroom

Phone: (209) 575-6020

The college is a center for community functions of various kinds. College facilities are available for rent by recognized non-profit community groups when such use does not interfere with the regular educational program.
COUNSELING AND GUIDANCE

East Campus, Student Services Building, Room 226
West Campus, Yosemite Hall, Room 118
Phone: (209) 575-6080
Website: www.mjc.edu/counseling

The counseling and guidance program assists students with decisions which affect their academic and career goals. First-time students should enroll in COLSK 100, GUIDE 109, 110, 111, 112, 116, 120 or STSK 78 during their first semester. These courses are designed to help students become better acquainted with the educational opportunities at MJC and develop a program of study that will help them attain their educational goals.

Counselors are available to assist students in identifying needs, assessing strengths, and overcoming barriers to fulfilling their educational objectives, including transfer to four-year colleges and universities. Counselors may also assist students in the selection of appropriate programs of study relative to their chosen objectives. Individual student-counselor conferences are available by appointment or walk-in. Visit the website or call for details.

In addition to a general counselor, the student can work with department advisors to help in program planning. Instructors are also available for individual advising within their academic discipline.

DISABILITY SERVICES (DSPS)

East Campus, Main Office & Alternate Media, Student Services Building, Room 112
Testing Center: Journalism Building, Room 160
Phone: (209) 575-6225, TTY: (209) 575-6863, Fax: (209) 575-6852
DSPS High Tech Center: West Campus: Yosemite Hall, Room 145A, Phone: (209) 575-7733

The Disability Services Program is a system of support services and classes available to students with verified disabilities.

Disability Services is designed to meet the individual needs of the students, allowing them an equal opportunity to benefit from their educational experiences. Support may include assistance with planning programs, priority registration, in-class aides, reader service, note-taking services, sign language interpreting, testing accommodations, and assistance with alternate media.

PROVISIONS FOR STUDENTS WITH DISABILITIES

Elevator keys are provided by Health Services to students with short or long-term physical disabilities. Special parking permits are provided to students with short-term physical disabilities.

Informational health insurance brochures are available through Health Services Offices. Students may be seen by a nurse on a drop-in basis at the Health Services Office. Student ID with current semester sticker is required for all services. Call for hours or log on to the Web site at www.mjc.edu/healthservices.

EXTENDED OPPORTUNITY PROGRAMS & SERVICES (EOPS)

East Campus: Student Services Building, Room 210
Phone: (209) 575-6702, Fax: (209) 575-6250, TTY: (209) 575-6633
West Campus: Yosemite Hall Building, Room 152

The goal of EOPS is to promote and facilitate the college enrollment, persistence and retention of students with histories of educational and economic disadvantage.

EOPS provides students pursuing certificate, transfer, and associate’s degree programs of study, new student orientations, assessment services, educational consultation and planning, academic advisement, career and life planning, pre-employment, and university transfer services. The program also provides retention services, supplemental tutoring, an “early alert” service and “priority registration” assistance, as well as economic support services including textbook vouchers, bus passes, UC and CSU application fee waivers, graduation cap and gown service and an emergency loan program. The Program also offers EOPS eligible, first-time college students the opportunity to participate in the Summer College Readiness Program, as well as the Bridge learning community in the Fall and Spring semesters of each academic year.
FOOD SERVICES
East Campus Cafeteria, Student Center
Vending Machines Available In The Student Center.
East Campus, Pirates Galley/Starbucks, Student Center
West Campus Cafeteria: Mary Stuart Rogers Student Learning Center
Vending Machines Available.
West Campus Convenience Store,
Mary Stuart Rogers Student Learning Center

HEALTH SERVICES
Cecilia Vera, Director of Health Services
East Campus, Morris Memorial Building, Room 108
Phone: (209) 575-6037
The College Health Services Program was established to contribute to the success of the students by promoting physical and emotional well-being, with strong emphasis on preventative health care. Services are offered primarily on a drop-in basis.

Registered nurses are available to provide first aid, confidential counseling on communicable diseases, family planning, nutrition, exercise and weight management, and all aspects of personal health. Health Services provides vision and hearing screening, blood pressure monitoring, tuberculosis screening, pregnancy tests, and immunizations. Referrals can be made to local community providers as needed including personal and mental health counseling. Non-prescription medications are available for minor aches, pains, colds, sore throats, allergies, and upset stomachs, as are pamphlets and brochures.

In case of illness, your Health Services nurse can provide care in the form of first aid and/or referral service including an appointment to see a physician on campus at no cost. A cot is available for short rest periods at various times during the semester.

In case of injury on campus when the college is in session, or in any college-related activity, students should contact Health Services for information about student insurance coverage.

ADDITIONAL CONFIDENTIAL SERVICES INCLUDE:

DOCTOR CLINIC: A doctor is scheduled to be on-campus weekly. Appointments are scheduled after receiving a referral from the nurse.

STANISLAUS COUNTY PUBLIC HEALTH AND FAMILY PACT:
Provides family planning, and some STD screening once a week.

MENTAL HEALTH SERVICES: Referral for counseling is available for students expressing the need for minor mental health concerns.

CENTER FOR INTERNATIONAL AND UNDOCUMENTED STUDENTS (CIUS)
Barbara St. Urbain, Coordinator/Counselor
CIUS
East Campus, Student Center
Phone: (209) 575-6012
Email: sturbainb@mjc.edu
Website: www.mjc.edu/international and/or www.mjc.edu/undocumented
MAILING ADDRESS:
International Student Program
435 College Avenue
Modesto, CA 95350-5800, USA

The CIUS provides specialized services, activities, and support to MJC’s international New American and undocumented students. Services such as admissions assistance, academic and personal counseling, orientation, immigration advising, cultural programming, International Club advising, and more, are all part of this program. A special Orientation program is arranged for new international students upon arrival to MJC. Students are encouraged to visit the International Counselor, available in the Student Center.

Modesto Junior College welcomes qualified international (non-immigrant) students to its academic, vocational and technical programs. The college believes that the presence of international students enriches the academic environment for all of its students while providing a quality education for students from all parts of the world. The following is required for admission of all international non-immigrant applicants:

- International Student Application
- Certification of Finances
- Proof of English competency comparable to a 450 (133 computer based, 45-46 Internet based) TOEFL
- High School Graduation (official transcripts from all secondary and post-secondary institutions must be provided with English translations)
SERVICES ON CAMPUS

- Autobiographical essay

International students are required to pay non-resident tuition. For more information and/or application forms go to www.mjc.edu/international or contact the coordinator of the program, (209) 575-6012 or sturbain@mjc.edu.

MJC and the CIUS also welcome undocumented student and provide support, mentoring, and referrals for this student group. Information is available on:

- Cal Dream Act
- AB 540
- BOG Fee Waiver
- DACA
- ESL
- And more

Contact CIUS Coordinator/Counselor for additional information.

STUDENT DEVELOPMENT & CAMPUS LIFE

West Campus: Mary Stuart Rogers Student Learning Center
Phone: (209) 575-7991

East Campus: Student Center, Phone: (209) 575-6700

The Student Development and Campus Life Office is located in the East Campus Student Center and the West Campus Mary Stuart Rogers Student Learning Center. It is home to the student government, Associated Students of Modesto Junior College, and all campus clubs.

Student ID cards are provided free of charge, the Emergency Locating Service, Housing Referral, Student Activities Program, Student Leadership Trainings, Student Lobbying and campus advertising posting approvals are located here. The Student Development Office coordinates many campus activities and special events.

HOUSING REFERRAL SERVICE

The Housing Referral Program has been developed to help students and staff find out about affordable and available housing within the city. A Housing Bulletin Board is available for renters seeking student tenants to list rooms, houses or apartments for rent. Students in need of housing check the board regularly.

MARY STUART ROGERS STUDENT LEARNING CENTER (WEST CAMPUS)

The Mary Stuart Rogers Student Learning Center includes: An ASMJC office, cafeteria, convenience store, TV lounge, game room, computer lab and multipurpose rooms. You will also find an ATM machine, coin exchange machine, vending machines, and video games.

STUDENT CENTER (EAST CAMPUS)

The East Campus Student Center is the focal point of campus life. It includes: Business Office, Bookstore, Cafeteria, Student Lounge, and Student Development and Campus Life Office. For your convenience and leisure there is an ATM machine, coin exchange machine, vending machines, and video games. Whether you are sharing a meal, attending a concert, volunteering for ASMJC, or socializing with friends—the Student Center provides numerous opportunities for social engagement and academic development.

STUDENT BENEFITS STICKER

The Student Benefits Sticker Program is an optional program where students purchase a $5 benefits sticker which is placed on the back of your ID card. The special sticker will afford you special discounts. Your Benefits Sticker entitles you to free faxes, copies, scantrons, pencils, local phone calls and more in the Student Development Offices both on the East Campus Student Center and West Campus Mary Stuart Rogers Student Learning Center. Proceeds support student programs and activities. Benefits to students include:

- Free $2 Go-Print card (while supplies last)
SERVICES ON CAMPUS

- Free faxes, phone calls, scantrons and copies (limitations apply)
- Discounts from local businesses
- Discounts at campus events such as, football games, plays, and BBQs

STUDENT ID CARDS

East Campus, Student Center
Phone: (209) 575-6700
ID Card Hours: M-Th 8:00 AM to 5:00 PM, and Fridays, 8:00 AM-12:00 PM
West Campus, Mary Stuart Rogers Learning Center
Phone: (209) 575-7991
ID Card Hours: Mon.-Thurs., 8:00 AM-9:00 PM

Student ID cards are issued free to new students during registration. ID cards are used for transactions in the Admissions and Financial Aid departments, as well as in the Library & Learning Centers.

Students should carry their ID cards to enhance campus safety and security. Students may purchase a $5 benefits sticker to be placed on the ID card for special discounts with local services and activities. ID cards can be made on EITHER CAMPUS DURING THE OFFICE HOURS ABOVE.

TRIO PROGRAMS

Florida Arias-Zaragoza, Director of Pre-College Programs
East Campus: Morris Memorial Building, Room 112
For TRIO/Educational Talent Search: (209) 575-6743
For TRIO/Upward Bound (UB) (209) 575-6743

TRIO/UPWARD BOUND

TRIO/Upward Bound (UB), funded by the U.S. Department of Education, assists low income and/or first generation high school students by providing them with the opportunities to succeed in their precollege performance and in their higher education pursuits. Upward Bound offers a comprehensive program of intervention activities designed to generate the skills and motivation necessary for success in high school and in college. The program serves 125 students from Patterson, Riverbank, Davis, Modesto, Johansen and Ceres High Schools. Upward Bound provides workshops, presentations, tutoring, stipends, field trips, Saturday Academies, and a six week Summer Academic Program with residency at a local university. For more information please contact the TRIO/Upward Bound Program office at (209) 575-6743 or visit us on the MJC East Campus in the Morris Building, Room 112.

TRIO STUDENT SUPPORT SERVICES

East Campus, Student Services Building, Room 112
Phone: (209) 575-6189, Fax: (209) 575-6886

The TRIO Student Support Services program is designed for first-generation and low-income college students to promote student success, retention, graduation and transfer to a four-year college or university. The TRIO Student Support Services program provides innovative academic and supportive services specifically designed to meet the needs of transfer students. Program services include: academic and personal counseling; tutoring services; academic portfolios; cultural activities, college and university campus visits; information about financial aid and scholarships; career advising; and workshops to develop and enhance academic and personal skills.
VETERANS’ RESOURCE CENTER

East Campus: Student Services Bldg, Room 116
Phone: (209) 575-6670
Website: www.mjc.edu/studentservices/counseling/veterans

The Veterans’ Resource Center is an extension of the MJC Veterans Services office. The VRC has been established as a place for veteran students to connect and support one another. The VRC staff links veterans with campus and community services. The staff also educates the campus community on supporting our veterans as they re-acclimate to civilian life and adjust to the college setting.

VETERANS’ SERVICES

East Campus: Student Services Building, Room 200
Phone: (209) 575-6017
Website: mjc.edu/studentservices/counseling/veterans

Modesto Junior College is an approved college for the training of veterans and veterans’ dependents under the various public laws of the United States Department of Veterans Affairs and the California Department of Veterans Affairs. Students eligible for veterans’ benefits are urged to contact the MJC Veterans Services Office well in advance of registration, so that necessary arrangements may be made to activate benefits.

Modesto Junior College recognizes credit and grants credit to veterans and reservists for service and training completed in the armed forces. Veterans and reservists will receive three units of Health Education credit and two units of Physical Education credit upon presentation of their separation documents (DD-214). Credit for military schools will be granted if recommended in the “Guide to the Evaluation of Educational Experiences in the Armed Services.” Credit for these courses will be granted if appropriate (18 units maximum). Dependents of service-connected disabled or service-connected deceased veterans may be eligible for a waiver of fees.

College Clubs and Organizations

Martha Robles, Dean, Matriculation, Admissions and Records
Student Services, 102
Phone: (209) 575-6700

CLUBS & ORGANIZATIONS

The Student Development and Campus Life Office is responsible for advising and coordinating activities for student clubs and organizations. Students are encouraged to broaden their horizons by participating in club activities. Clubs are organized to involve students in specialized fields of interest or service to the college and community. If a club does not exist which deals with a student’s special interest, a new club can be formed.

- Respiratory Care Club
- Student Equality Organization
- Students for Academic Freedom
- T.R.i.O.
- Veterans' Club
- Visual Arts Club
- Vocal Music
- Young Americans for Liberty
- Young Farmers

STUDENT REPRESENTATION FEE
The Student Representation Fee was amended in the California Education Code by Assembly Bill 2576 in late 1988. This fee is an optional $1 cost that can be implemented to serve any California Community College campus through a student body election. In April of 1993, ASMJC held a general student body election with the Student Representation Fee on the ballot. The fee passed and eight hundred forty-five (845) students voted in the election, and 563 were in favor of the Student Representation Fee.

The Student Representation Fee is collected with all other fees at the time of registration, and is deposited in a separate fiduciary fund. Funds collected are allocated to ASMJC and used to represent student concerns in government at local, state, and federal levels. A student may decline the Student Representation Fee for religious, political, financial, or moral reasons. The decline must be stated in writing.

ART GALLERY
The MJC East Campus Art Gallery hosts several original shows each year. Artwork from emerging and established artists, both local and international, are installed in the purpose built space. A wide range of art styles and media are represented including paintings, sculptures and mixed media pieces. MJC students and faculty exhibit their works annually. Students enrolled in the gallery operations class assist in the management and installation of the shows. Please visit mjc.edu/art for more information.

ARTS COMPETITION: THE CELEBRATION OF THE HUMANITIES
For over thirty years the Arts, Humanities and Communications Division and the Literature and Language Arts Division have sponsored an annual campus-wide student arts competition in eight major categories: Visual Arts, Photography, Theatre, Writing, Speech, Dance, Music, Film and Video. Awards are handed out at the popular performance ceremony held each April in the Performing and Media Arts Center Main Auditorium. A major student art exhibit is a highlight of this event. MJC students registered in the current summer, fall or spring term are eligible to enter in this exciting contest. Visit arts.events.mjc.edu/celebration/ for details.

ATHLETICS
Modesto Junior College offers 21 competitive sports programs (11 men’s and 10 women’s. MJC is a member of the Big Eight Conference in the following men’s and women’s sports: basketball, cross country, golf, soccer, swimming, tennis, track and field, and water polo. MJC also fields teams in the Big Eight in men’s baseball and women’s softball and volleyball.

Other Big Eight Conference members are American River College, Cosumnes River College, Diablo Valley College, Sacramento City College, San Joaquin Delta College, Santa Rosa Junior College, and Sierra College. MJC also competes in the Northern California Football Conference, North-Valley division in football, which includes Chabot College, Fresno City College, Laney College, San Joaquin Delta College and College of Sequoias. In addition, MJC’s wrestling team competes in the Coast Conference.

Since 1938, MJC has hosted an annual statewide basketball tournament in December. It is the oldest community college invitational basketball tournament in the state.
SERVICES ON CAMPUS

FORENSICS - COMPETITIVE SPEECH
The Modesto Junior College Speech and Debate team has a proud tradition of national champions. The team competes with both colleges and universities in various debate formats and individual events. The competition occurs in state and national arenas. Visit mjc.edu/instruction/ahc/communication/ for more information about how to participate as a novice or experienced speaker.

HONOR SOCIETIES

ΑΓΣ-ALPHA GAMMA SIGMA, UPSILON CHAPTER
The Upsilon Chapter of Alpha Gamma Sigma, Inc., the California Community College Honor Society, is open to qualified MJC students. AGS fosters academic excellence through local and state scholarship opportunities.

AGS students build leadership skills, work together on community service activities and network with other motivated students.

Initial membership requires completion of 12 units in a maximum of 3 semesters with a cumulative grade point average of 3.0. First semester students with a cumulative high school GPA greater than or equal to 3.5 are eligible to become temporary members. Continuing membership requires a cumulative GPA of at least 3.0 and a current term GPA of 3.0 or above. Active participation in club activities is required.

Permanent membership is granted to students with greater than or equal to 60 units completed as well as a cumulative GPA of 3.5 or above who have at least one semester of previous membership, or with a cumulative GPA of 3.25 or above who have 2 or more semesters of membership in AGS. Membership information and applications are available in the Student Development and Campus Life Office or at www.mjc.edu/ags.

ΦΘΚ PHI THETA KAPPA - BETA MU CHAPTER
Phi Theta Kappa is present at MJC with the Beta Mu chapter. Phi Theta Kappa is the largest international honor society in American higher education with more than 1.5 million members and 1,200 chapters located on community college campuses throughout the fifty states, U.S. territories, Canada, and Germany. Phi Theta Kappa’s mission is twofold: 1) recognize and encourage the academic achievement of two-year college students and 2) provide opportunities for individual growth and development through participation in honors, leadership, service, and fellowship programming. New members will receive a membership pin, diploma seal, and transcript notation of membership. Members are automatically nominated for inclusion in the prestigious National Dean’s List biographical publication and are accorded the privilege of wearing the society’s gold stole and tassel at graduation. Chapter members will be eligible for Phi Theta Kappa scholarships and are automatically enrolled in the society’s transfer database, one of the nation’s leading scholarship engines that links four-year institutions offering scholarships to Phi Theta Kappa members. For more information, call Jim Beggs, program advisor at (209)-575-6164.

ΣΧΗ-SIGMA CHI ETA-ALPHA KAPPA CHAPTER
Sigma Chi Eta was established by the National Communication Association (NCA) in 2000 to recognize students at the community college level who are dedicated to enhancing their understanding of and contributions to the field of Communication. Members in Sigma Chi Eta are eligible to represent Modesto Junior College’s chapter at local, regional, and national conventions. These conventions offer a wealth of professional resources to help students achieve their academic and professional goals. All applicants must have completed at least 12 units at MJC (any subject) and have completed at least 12 units of Speech Communication courses at MJC or have completed at least 9 units of Speech Communication courses at MJC with at least 3 units currently in progress. Applicants must also have a cumulative GPA of at least 3.0 and a Speech Communication GPA of at least 3.25 while consistently displaying a commitment to the Communication field. Inductees receive lifetime membership, a certificate of membership, a lapel pin, and graduation honor cords. Applications are accepted during the first month of both the fall and spring semesters. For more information, contact Leslie Collins, faculty advisor, at collinsl@mjc.edu or (209) 575-6482.
MUSIC PERFORMANCE
The college’s music department has deep and long standing roots in the surrounding community. Instrumental performance opportunities include Guitar Orchestra, Community Orchestra, Symphonic Band, Community Concert Band and Jazz Bands plus brass, percussion, woodwind, string ensembles and electronic music. Vocal performance opportunities include Masterworks Chorus, college choirs and musical theatre productions. Elementary, intermediate and advanced piano, organ, guitar, instrumental, and voice classes are available to music students. Students who desire to transfer as music majors to a four-year institution are strongly encouraged to contact a faculty advisor early in their first semester of study at the college. Please visit mjc.edu/arts for current concert performance descriptions and schedules.

STUDENT LEADERSHIP
Student Development and Campus Life Offices
East Campus: Student Center,
Phone: (209) 575-6700
West Campus: Mary Stuart Rogers Student Learning Center
Phone: (209) 575-7992

The Student Development and Campus Life program offers opportunities for students to develop leadership skills, prepare for civic responsibility, explore diverse cultures, and build a strong sense of college community. The program reflects the needs and interests of students. The program is divided into the following areas:

STUDENT GOVERNMENT (ASMJC)
The Associated Students of Modesto Junior College (ASMJC) is the official representative student body of Modesto Junior College. Student Government officers and senators must have a 2.3 GPA and have completed at least nine units to meet eligibility requirements. ASMJC is completely student-funded, student-elected, and student-regulated, functioning within the framework of policies adopted by the Yosemite Community College District Board of Trustees. ASMJC is the primary forum through which student concerns are channeled. Since most major decisions made at Modesto Junior College affect students, their input has become increasingly relevant. ASMJC is recognized as the “student voice” by faculty and administration.

ASMJC is also responsible for planning, budgeting, and coordinating campus activities for student enjoyment outside of the classroom. Activities include free concerts, field trips, cultural events, and leadership conferences. ASMJC introduces students to a diverse calendar of events for their enjoyment and leadership development.

STUDY ABROAD RESOURCES
The Learning Abroad Library (LAL) housed in the International Center, serves as a resource for students, faculty, and staff who desire a study, work, or travel experience beyond the borders of the United States. For more information contact the International Student Program at (209) 575-6463 or (209) 575-6012.

THEATRE AND DANCE PRODUCTIONS
MJC Theatre productions have been popular community events since the early years of the college. Each season the department produces four to six productions including classic dramas, Shakespearean plays, comedies and Broadway style musicals. Shows are produced in new state-of-the-art facilities including a 796 seat proscenium theatre, a 74 seat Little Theatre and a 100 seat Black Box Theatre. Students participate in all aspects of the theatre arts with academic credit available in acting, lighting, costume and scenery production techniques. Visit mjc.edu/theatre for information about auditions and performances.

The Dance department produces three concerts each year and celebrates modern, jazz, ballet and hip-hop styles. Dance students are encouraged to learn to choreograph their own works using student and community dancers to communicate or express a vast range of artistic impressions. Students travel to the annual American College Dance Festival to take classes and perform with movement professionals from all over the world. Visit mjc.edu/dance for more information.

**ABOUT THE LIBRARY**

Library services are located on the East and West campuses and can also be accessed through the MJC Library & Learning Center website. The library staff welcomes questions and is happy to help users access and use the many library resources available to them.

The library’s collection includes books, magazines, newspapers, journals, DVDs, eBooks, and a variety of online research databases. MJC students have access to Columbia College Library materials via the library’s intercampus loan service, and students can obtain research materials from non-YCCD libraries using the library’s interlibrary loan service.

Campus library services include individual reference services, class instruction on library research methods, research workshops, copy machines, study space for individuals and groups, and course textbook reserves. Off-campus library services include access to numerous research sources including article databases, subject-specific research guides, and eBooks, as well as guided research help using online tutorials, and working with librarians via telephone, chat, text, and email, and tweet. To access library resources off campus, users simply need to log in using their student ID number and six-digit birth date.
All students, faculty, and staff, as well as college retirees, have full library privileges. MJC alumni and Library Friends can pay the $20 annual membership to the Friends of the MJC Library; this grants them borrowing privileges.

LIBRARY INSTRUCTION
The library offers a variety of learning opportunities to support the information competencies applicable to college-level research and lifelong learning. Students can participate in curriculum-specific instructional sessions arranged by their instructors, attend drop-in research workshops offered each semester, or enroll in a formal library research course emphasizing skills that can be used in many research and information applications.

ABOUT THE LEARNING CENTERS
The Learning Centers welcome students who seek to be successful in their courses. Our tutors assist students with course material assignments and in learning study skills that will improve their overall academic performance.

COMPUTERS
The Library & Learning Centers have hundreds of computers students can use for academic work. These are fully-functioning computing workstations. All computers offer full internet access.

WRITING CENTERS
At the Writing Center, students get the support they need to improve their writing skills. Tutors will help with any writing-related task for any subject. They help students understand their assignment, gather ideas, focus on the topic, and organize the paper.

SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS (STEM) CENTER
The STEM Center is located on West Campus in YOS 235. Math and Science tutors are available to help students understand homework as well as course concepts. In the STEM Center, students can also check out anatomy models, microscopes, laptops, and calculators.

Math and science tutors are also available to help students in East Campus Learning Center.

ALL OTHER TUTORING
The Learning Centers house all other tutoring, including speech, history, accounting, anthropology, psychology, and others. If students do not see their courses listed for tutoring, they can request a tutor from our staff.

SUPPLEMENTAL INSTRUCTION (SI)
Supplemental Instruction (SI) is a series of weekly review sessions for students taking historically challenging courses. SI is offered to any students who want to improve their understanding of course material and earn higher grades.

STUDY ROOMS
Group study rooms are available for student reservations in both the East and West campus Library & Learning Centers, and are equipped with flat screen monitors and network cables. A large workshop room is available by reservation on both campuses when not in use for the Library’s research workshops.

ACHIEVING YOUR GOALS

We all have unique interests and goals. You may be attending Modesto Junior College for any number of reasons. MJC offers courses in an array of disciplines that can prepare you for skilled trades, specialized careers, job advancement, and transfer to four-year colleges or universities to further your education. Your goals will be directly influenced by the courses and programs you choose to complete while at MJC. It is important to keep your goals in mind at all times when selecting classes and programs and to remain informed about requirements specific to your goals.

GUIDANCE CLASSES: ESSENTIAL TO PLANNING

You may already know what you want to accomplish while enrolled at MJC, or you may be trying to explore your options and may be unsure of what is necessary to reach your goals. MJC offers Guidance classes which are designed specifically to help you identify
your goals and to plan accordingly. Guidance classes are taught by MJC counselors who are informed about education and career options that await successful MJC students. The purpose of Guidance courses is to assist you in reaching your goals as quickly as possible.

**EDUCATIONAL PLANS**

An Educational Plan is developed with a counselor to provide you with a map that lists courses and support services that are required or recommended for successful completion of your goals. It is to your advantage to develop an Educational Plan as soon as possible. Guidance courses offered by the Counseling Center are designed to assist students in developing Educational Plans. A Guidance course is also required for graduation. All students should have an Educational Plan by the time they have earned 15 units. If a student is undecided as to his/her goal, a counselor can provide timely and updated information to help the student choose a realistic goal.

**CHOOSING A GOAL**

MJC students usually choose between two major pathways—to receive specialized job training, or to complete some college-level coursework at MJC and then transfer to a college or university to earn a baccalaureate (bachelor’s) degree. There are many paths students may take to achieve these goals. MJC counselors are in place to help students determine what pathway is best for them, and how to successfully progress on those pathways.

**DEGREES, CERTIFICATES, AND SKILLS RECOGNITION AWARDS**

Regardless of what you choose to accomplish at MJC, you can take proof of your hard work with you in an award. MJC offers awards showing educational achievement in an array of academic or vocational areas (See “Degrees, Certificates and Skills Recognitions Offered at MJC” on page 102 for a list of awards offered at MJC.) If you are hoping to apply skills and knowledge to the job market once you have finished at MJC, having proof of your accomplishments can be an asset.

**Associate’s degrees** are awards that are more rigorous than certificates, because—in addition to concentrated study in a specific skill or knowledge area—they require coursework in an array of disciplines to broaden your learning experience and strengthen your critical thinking skills. This is referred to as General Education or GE. As an associate’s degree candidate, you will complete one of three General Education patterns, MJC-GE, CSU-GE, IGETC.

- Associate degree majors are a specific collection of courses designed to give you more knowledge or mastery in a specific subject matter. Some of these majors are designed to help you prepare for transfer to a baccalaureate degree program at a four-year college or university.
- Associate degree emphases allow you to select from a list of courses within an area. These programs, with the exception of the General Studies program, are designed to help you prepare to transfer to a baccalaureate degree program at a four-year college or university.

**Skills Recognitions** are locally recognized awards which indicate that you have received training needed by employers in our community, but completion of a Skills Recognition does not appear on your transcript. Record of completion will be stored in the MJC Records Office.

**Certificates of Achievement** are state-approved and show that you have successfully completed one or more courses in a targeted career or skills area. Completion of a certificate of achievement will appear on your transcript.
Job Training

Students can receive job training for many careers or vocations at MJC. Vocational faculty at MJC meet with local business owners to ensure that MJC courses provide the knowledge, skills and abilities essential to many area businesses. MJC offers vocational programs with degrees and/or certificates of achievement in the following areas:

- Accounting
- Administration of Justice
- Agriculture, Sales and Service
- Heavy Equipment
- Animal Science
- Plant Science
- Child Development
- Autobody
- Automotive Technology
- Computer Graphics
- Bookkeeping
- Human Services
- Floristry
- Computer Networking
- Computer Programming
- Electronics Technology
- Fire Science
- Industrial Electronics
- Agriculture
- Veterinary Technician
- Nursing
- Nurse Assistant
- Respiratory Care
- Office Administration
- Sheet Metal Fabrication
- Automotive
- Machine Tool Technology
- Welding
- Supervisory Management
- Retail Management
- Records Management
- Professional Selling
- Landscape and Park Maintenance
- International Business
- Marketing
- Medical Assisting
- Nursery Production

Transferring to the CSU System

CALIFORNIA STATE UNIVERSITY SYSTEM

The California System of State Universities and Colleges provides upper-division educational programs for California community college transfer students. Students can select from the following campuses:

- California Maritime Academy (S)
- California State Polytechnic University, Pomona (Q)
- California State Polytechnic University, San Luis Obispo (Q)
- California State University, Bakersfield (Q)
- California State University, Channel Islands (S)
- California State University, Chico (S)
- California State University, Dominguez Hills (S)
- California State University, East Bay (Q)
- California State University, Fresno (S)
- California State University, Fullerton (S)
- California State University, Long Beach (S)
- California State University, Los Angeles (Q)
- California State University, Monterey Bay (S)
- California State University, Northridge (S)
- California State University, Sacramento (S)
- California State University, San Bernardino (Q)
- California State University, San Marcos (S)
- California State University, Stanislaus (S)
- Humboldt State University (S)
- San Diego State University (S)
- San Francisco State University (S)
- San Jose State University (S)
- Sonoma State University (S)

(S) = SEMESTER SYSTEM; (Q) = QUARTER SYSTEM

All the campuses of the California State University welcome applications from transfer students. If you complete college units after the summer following graduation from high school, you are considered a transfer student. The number of units you have completed at the time you enter a CSU determines the admission standards that will apply to your application. It is important to identify which admission requirements apply to you. If you will have at least 60 semester or 90 quarter transferable units completed by the time you enter a CSU, you are considered an upper-division applicant

Students planning to transfer to a CSU should plan a program to meet the admissions and graduation requirements of the specific institution they plan to attend. They should also select courses that prepare them for upper-division study in their major or fulfill...
recommended general education requirements. Transfer admission eligibility is based on transferable college units (courses numbered 100-299 at MJC) and/or high school record(s) and test scores. Each institution has its own requirements for admission and junior standing.

UPPER DIVISION TRANSFER ADMISSIONS REQUIREMENTS

Transfer students are eligible for admission with junior status with 60 or more transferable semester units or 90 quarter units if they:

1. Maintain a college GPA of 2.00 or better (2.40 for non-California residents) in all transferable college units attempted.
2. Are in good standing at the last college or university attended, i.e., eligible to re-enroll.
3. Will complete prior to transfer at least 30 semester units (45 quarter units) of general education courses which include the Golden Four: Oral Communication, English Composition, Critical Thinking, and College Mathematics, with grades of "C" or better in each of the 30 units. The Golden Four categories appear on the CSU-GE Transfer Pattern as Areas A1, A2, A3, and B4.
4. It is highly recommended that students complete additional general education units that comprise the total CSU general education pattern of 39 units.

Please be advised that these are minimum entrance requirements and that they do not guarantee admission to any of the 23 CSU campuses. Many CSU campuses are currently requiring completion of all general education, as well as completion of all lower division major preparatory course work offered at the community college you are attending. GPA requirements will vary with the applicant pool and majors you are pursuing.

The CSU provides California Community College transfers with two systemwide options for fulfilling CSU lower division general education requirements: CSU General Education (GE) Breadth and the Intersegmental General Education Transfer Curriculum (IGETC). You can explore the two programs and then you can discuss with your college counselor which program is best for you.

If you are pursuing a high-unit major such as engineering, some math-based fields, science, or other technical majors, you will need to work closely with a counselor and your advisor to plan which classes you should take for upper-division transfer. CSU campuses do allow high-unit majors to take fewer general education courses before transfer. Just remember, ultimately you will need to meet the general education requirements in order to graduate from CSU.

PLANNING FOR CSU WHILE ATTENDING MJC

The following checklist will help you correctly apply, optimize the chances of attending the CSU of your choice and make sure you get credit for all applicable courses.

- **Meet with your MJC counselor or go to the transfer center** to discuss your transfer plans and to find out any additional information you need to know.
- **Use CSUMentor**, [http://secure.csumentor.edu/](http://secure.csumentor.edu/) a free online resource, to check the CSU’s admission requirements, application fees, tuition rates, testing, application dates and other commonly asked questions.
- **Refer to ASSIST**, [www.assist.org](http://www.assist.org) an online student-transfer information system, to find how the credits you have earned at one public California college or university can be applied when transferring to another school.
- **Check your final college transcripts** before sending them to the CSU. All transfer applicants are required to submit final college transcripts prior to enrollment in CSU classes to verify their successful completion of all admission requirements. If you did not complete the courses needed for admission, the CSU campus to which you apply may delay or cancel your admission or enrollment until you have successfully completed these requirements. (A few CSU campuses admit transfer students based on courses “in progress;” others do not.) More information is available at CSU Mentor.
PLANNING YOUR EDUCATION

- Check with your California Community College Transfer Center to see if you are eligible for a Transfer Admissions Agreement (TAA) or a Transfer Admissions Guarantee (TAG), which secures you a place at the selected campus specified in the agreement. MJC currently has a TAG agreement with CSU Stanislaus.

- Find out if the CSU campus(es) and the programs you are applying to are “impacted” and what supplemental admission criteria is being used. Several CSU campuses receive more applications during the initial filing period than can be accommodated; these campuses are designated “impacted” and may impose supplemental admission criteria for transfer admission. In addition, a number of CSU campuses also have programs or majors that are impacted, which requires them to impose more selective admission criteria in determining student eligibility. For more information, see the CSUMentor Impaction web page, http://www.csumentor.edu/planning/transfer/impaction.asp.

Source of information: http://www.csumentor.edu/planning/transfer/

ASSOCIATE DEGREES FOR TRANSFER (AA-T/AS-T)

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of Modesto Junior College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.sb1440.org/Counseling.aspx. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

COURSE IDENTIFICATION NUMBERING SYSTEM (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example C-ID # COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college’s course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

Updated 3/27/15
Transferring to the University of California System

The University of California (UC) has established campuses throughout the state of California. All campuses have uniform entrance requirements and certain other features in common. However, each campus is distinctive and not all majors are offered on all campuses. Students should study the list of undergraduate colleges, schools, and majors available on each campus to determine which campuses will best satisfy their educational needs. Students are encouraged to discuss with their counselors the particular advantages each campus has to offer.

- University of California, Berkeley (S)
- University of California, Davis (Q)
- University of California, Irvine (Q)
- University of California, Los Angeles (Q)
- University of California, Merced (S)
- University of California, Riverside (Q)
- University of California, San Diego (Q)
- University of California, San Francisco (Health Sciences)
- University of California, Santa Barbara (Q)
- University of California, Santa Cruz (Q)

(S) = Semester system; (Q) = Quarter system

Junior-Level Transfer

UC’s minimum admission requirements represent exactly that—the minimum academic standards transfer students must attain to be eligible for admission. Meeting the minimum eligibility requirements does not guarantee admission. Often, admission to UC campuses and their programs is extremely competitive and requires students to satisfy more demanding standards.

The vast majority of transfer students go to the University at the junior level from California community colleges. To be eligible for admission as a junior transfer student, a student must fulfill both of the following criteria:

1. Complete 60 semester (90 quarter) units of UC transferable college credit with a GPA of at least 2.4 (2.8 for nonresidents). No more than 14 semester (21 quarter) units may be taken Pass/Not Pass.

2. Complete the following course pattern requirements, earning a grade of C or better in each course:
   - Two transferable college courses (3 semester or 4–5 quarter units each) in English composition;
   - One transferable college course (3 semester or 4–5 quarter units) in mathematical concepts and quantitative reasoning;
   - Four transferable college courses (3 semester or 4–5 quarter units each) chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, and the physical and biological sciences.
   - Each course must be at least 3 semester units.

If a student satisfies the Intersegmental General Education Transfer Curriculum (IGETC) prior to transferring, he or she may satisfy part 2 of the transfer eligibility requirements.

In addition to meeting the minimum admission requirements, a student should adhere to any special application or screening procedures for the selected major or UC campus. Additional requirements for highly competitive majors can also be identified through articulation agreements (available at www.assist.org) and campus General Catalogs. Students should enroll in the courses that meet these requirements. To earn 60 semester units before transferring, the student should select courses that meet the admissions eligibility, lower-division major-preparation, and appropriate general education/breadth requirements.
PLANNING FOR UC WHILE ATTENDING MJC

Prospective transfer applicants should plan their coursework carefully. Most UC campuses do not accept undeclared transfer students. That is why it is critical for students to choose a major early and to take all the appropriate-and required-coursework. Student course selections during their first two years of college should accomplish the following:

- Meet minimum admission requirements for transfer,
- prepare for upper-division study in their major,
- satisfy prerequisites for other courses that are required in their major, and
- fulfill recommended general education requirement

All courses students take to meet University requirements must be UC transferable.

Along with uctransfer.universityofcalifornia.edu, other information helpful to transfer students include UC’s admissions website (www.universityofcalifornia.edu/admissions), its publication Answers for Transfers (available on the website), and the campus General Catalogs, which can be found on the campus websites and www.ccctransfer.org. Community college UC Transferable Course Agreements and their articulation agreements with UC campuses are also available online at www.assist.org. Campus admissions office also can offer information and assistance. Meet with your counselor or go to the Transfer Center to discuss your transfer plans and to find out any information you need to know.

TRANSFER ADMISSION GUARANTEE (TAG)

Six UC campuses (Davis, Irvine, Merced, Riverside, Santa Barbara, and Santa Cruz) offer guaranteed admission to California community college students who meet specific requirements. By participating in a Transfer Admission Guarantee (TAG) program, students receive early review of their academic records, early admission notification, and specific guidance about major preparation and general education coursework. For more information, see http://admission.universityofcalifornia.edu/transfer/guarantee.
The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses prospective transfer students attending California community colleges may complete at the community college to satisfy the lower-division breadth/general education requirements at both the University of California and the California State University. Visit http://www.assist.org/web-assist/welcome.html or www.ccctransfer.org/ for IGETC Standards, Version 1.5.

Students have the option of completing IGETC or the specific lower-division general education requirements of the school or college at the campus they plan to attend. The University has an agreement with each California community college specifying which of its courses may be applied to each category of IGETC. All courses must be completed with a grade of C (not C-) or better. A grade of Credit or Pass may be used if the community college’s policy states that it is equivalent to a grade of C or better. MJC has such a policy.

IGETC is most helpful to students who know they want to transfer but have not yet decided upon a particular institution, campus or major. Certain students, however, will not be well-served by following IGETC. A transfer student intending to major in science, engineering or mathematics may complete up to three courses after transfer. UC will accept IGETC for STEM if the UC school, college or major program to which the student transfers accepts partial IGETC certification. The courses to be completed after transfer may consist of at most one in each of the following areas: arts and humanities, social and behavioral science, and language other than English.

IGETC is not an admission requirement. Completing it does not guarantee admission to the campus or program of choice. However, completing the lower-division breadth/general education requirements — whether through IGETC or the campus-specific requirements — may be considered by the campus in selecting among qualified applicants.

Students who do not complete IGETC before transferring will be required to satisfy the specific lower-division general education requirements of the UC college or school they attend. California community colleges may grant partial certification of IGETC to students who are missing no more than two requirements. Neither of these courses may be in English composition, critical thinking or mathematics/quantitative reasoning. Students submitting partial IGETC certification should complete the missing requirements at either UC or a California community college as designated by their department. Students who have been granted partial IGETC certification should not return to the community college for a full certification.

A community college course can satisfy only one IGETC subject area even if it is listed on the IGETC Course Agreement in more than one area. The exception being courses that appear in Area 6A and IGETC, Area 3B; these courses can be used to satisfy both areas. However, a single course may be counted toward IGETC and a major requirement. IGETC course credit may be earned for scores of 3, 4 or 5 on Advanced Placement (AP) exams or for scores of 5, 6, or 7 on International Baccalaureate (IB) exams. Visit the AP and IB sections of the MJC catalog for more information. Full or partial certification of IGETC completion is the responsibility of the last community college a student attends prior to transfer. Requests for IGETC certification must be made in the MJC Records Office (Student Services Building, Room 105).

**IGETC CONSIDERATIONS**

If you have completed substantial coursework from institutions outside the United States, consult a counselor to determine whether you should complete IGETC or the lower-division breadth/general education requirements at the campus you plan to attend.
**BERKELEY:** IGETC is acceptable for all majors in the College of Letters and Science. The Haas School of Business and the colleges of Engineering and Chemistry have extensive, prescribed major prerequisites. In general, IGETC is not appropriate preparation for majors in these colleges. Although IGETC satisfies breadth requirements for most majors in the College of Natural Resources, specific lower-division major requirements must still be satisfied. Environmental Design accepts full IGETC certification. Partial certification will not complete the requirements. Be sure to check with the college or visit the ASSIST website (www.assist.org) for more information.

**DAVIS:** All undergraduate colleges accept IGETC. However, B.S. degrees and high-unit majors often have many freshman/sophomore prerequisites; in these cases, IGETC is not recommended and the UC Davis general education pattern is the better choice.

**IRVINE:** All schools accept IGETC. However, selection by the campus is based on demonstrated academic achievement and preparation for the intended major.

**LOS ANGELES:** All schools accept IGETC. IGETC is not recommended, but is accepted, for applicants to the Henry Samueli School of Engineering and Applied Science.

**MERCED:** The schools of Engineering and Natural Sciences accept IGETC but do not recommend it as students are encouraged to complete as much lower-division major preparation as possible prior to transfer. The School of Social Sciences, Humanities, and Arts recommends IGETC. Students are encouraged to complete as much lower-division major preparation as possible prior to transfer.

**RIVERSIDE:** Humanities, Arts and Social Sciences: IGETC is recommended. Natural and Agricultural Sciences: IGETC is not accepted. Engineering: IGETC is acceptable; some additional coursework may be required after enrollment. Business Administration: IGETC is required.

**SAN DIEGO:** John Muir, Earl Warren, Eleanor Roosevelt, Thurgood Marshall and Sixth Colleges: IGETC clears all freshman/sophomore GE requirements; some upper-division courses required after enrollment. Revelle College: IGETC is acceptable; lower-division GEs may not be cleared. Additional coursework may be required after enrollment.

**SANTA BARBARA:** College of Letters and Science and College of Creative Studies: IGETC is acceptable. College of Engineering: Students are encouraged to focus on major preparation rather than general education, but may use IGETC to substitute for most general education requirements. However, some additional coursework may be required after enrollment to complete the depth requirement if not satisfied during IGETC certification. Students planning to transfer to UCSB into a major in engineering, computer science, biological or physical sciences, math or economics must be careful to complete lower-division major prerequisites to ensure competitiveness and make normal, timely progress through their major.

**SANTA CRUZ:** Engineering and physical and biological sciences IGETC is not recommended. Students should ensure completion of freshman/sophomore courses for their intended major, as indicated in the UCSC Catalog and on www.assist.org.

Source: [http://admission.universityofcalifornia.edu/transfer/requirements/additional-requirements/igetc/](http://admission.universityofcalifornia.edu/transfer/requirements/additional-requirements/igetc/)

**IGETC FOR STEM**

IGETC for STEM is a separate IGTEC track available for students planning to major in science, technology, engineering, or mathematics. As of March 2015, UC will accept IGETC for STEM only if:

- you are planning to major in **Biology or Chemistry** AND
- the UC major program or college you’re applying to accepts **partial IGETC certification**.

Although **IGETC for STEM is an option, you should prioritize completing major-preparation courses for the specific campuses and programs you’re considering**. A current list of ADT’s that allow for use of IGETC for STEM can be found at [www.c-id.net](http://www.c-id.net).
FOR IGETC FOR STEM CERTIFICATION

Complete the following courses before transfer:
- All courses in Areas 1 (except 1C for UC-bound students), 2, and 5 of the traditional IGETC; and
- One course in Area 3A; one course in Area 3B; and two courses in Area 4 from two different disciplines.

Complete the following courses after transfer:
- One remaining lower-division general education course in Area 3;*
- One remaining lower-division general education course in Area 4;* and
- One course in Area 6 for UC-bound students who have not satisfied it through proficiency.*

*These deferred lower division courses must be replaced with calculus and/or science courses required by the major before transfer.

FOR CSU

If any specific AS-T degree allows IGETC for STEM Majors as its general education pattern, the specific courses that should replace the deferred lower division general education courses may be indicated on the Transfer Model Curriculum (TMC) for that discipline.

FOR UC

UC will accept IGETC for STEM if the UC school/college/major program to which the student transfers accepts partial IGETC certification. For information on the IGETC acceptance practices for each UC school/college/major program, see: http://admission.universityofcalifornia.edu/counselors/files/transfer-admission-matrix.pdf

FOR CSU AND UC

Alternatively, STEM students may complete the traditional IGETC. However, IGETC and IGETC for STEM Majors may not be appropriate for those colleges or majors which prefer that transfer students follow a more prescribed lower-division curriculum.

Transfer to Private or Out-of-State Institutions

Students who plan to transfer to private colleges or universities outside the UC and CSU systems are advised to consult the catalog of the college to which they plan to transfer for specific lower-division requirements which may be completed at MJC. For assistance in planning a transfer program to private or out-of-state institutions, students should contact a counselor, or visit the MJC Career Development & Transfer Center.

### Legend

- **AA**: Associate in Arts Degree
- **AAT**: Associate in Arts Degree for Transfer
- **AS**: Associate in Science Degree
- **AST**: Associate in Science Degree for Transfer
- **GSE**: General Studies Emphasis (Non-transfer)
- **UPE**: University Preparation
- **Emphasis (for Transfer)**
- **C**: Certificate of Achievement
- **SR**: Skills Recognition
Many students attend MJC to start their pursuit of an expansive college experience, often culminating in a bachelor’s degree, masters degree, doctorate, or other professional degree conferred by another institution.

By attending MJC you can complete courses that apply toward a bachelor’s degree granted by another institution. By following the University Preparation Pathway on page 104, you will be able to complete coursework that is not only applicable to an associate’s degree at MJC, but can also fulfill lower-division requirements for bachelor’s degree at UC and CSU, and some other schools in California.

TRANSFERABLE COURSES

Transferable courses are those MJC courses that will apply toward baccalaureate credit at the institution to which you plan to transfer. For CSU, all courses numbered 100-299 are considered transferable, while UC accepts some—but not all—100-299 courses. For more information on transferring and which MJC courses are UC or CSU transferable meet with an MJC counselor and visit www.assist.org. CSU and UC will accept a maximum of 70 transferable units completed prior to transfer.

GENERAL EDUCATION TRANSFER PATTERNS

MJC, California State University (CSU), the University of California (UC), and other colleges and universities have created a process through which community college students can complete requirements for bachelor’s degree while attending California Community Colleges. At MJC, two General Education Patterns (CSU-GE and IGETC) are in place to allow you to complete most, if not all "lower-division" general education breadth requirements for bachelor’s degree as an MJC student. The CSU-GE and IGETC patterns are lists of MJC courses that you can take to fulfill certain requirements of the CSU and UC systems.

Completion of either pattern will fulfill the general education requirement for an associate’s degree. Please note that completion of the IGETC pattern is not preferred for all schools and majors within the UC system. For the most current information, see ‘IGETC Considerations’ on page 99, or refer to www.assist.org for the most current course statuses. Most importantly, you should meet with a counselor to help you choose the appropriate pattern and coursework for your target school.

CERTIFICATION OF GENERAL EDUCATION

After completing the IGETC or CSU-GE patterns, or the University Preparation Pathway, you will need to request that your transfer pattern coursework be certified by the Records Office, Student Services Room 102. MJC General Education certification means that your transfer pattern coursework at MJC is officially recognized by the transfer institution as fulfillment of the corresponding General Education requirement(s) for baccalaureate degree when all coursework is completed with a C or better. If you do not have your MJC coursework certified, you can be held accountable for the target institution’s General Education requirements upon commencing your study at that institution. The certification is recognized by the California State University system and the University of California system.
University Preparation PATHWAY
Earn an associate’s degree while preparing for a bachelor’s degree 2015-2016

TO EARN AN ASSOCIATE DEGREE:

1. Complete 60 units in courses numbered 100 to 299, twelve (12) of which must be completed “in-residence” at MJC. All courses numbered 100-299 will transfer to CSU, while some 100-299 transfer to UC. Please note that not all transfer units are accepted by every university. Consult an MJC Counselor or www.assist.org for information on transferable MJC courses. Only one degree may be awarded in any one program.

2. Earn an overall GPA of 2.0 or higher (C average) based on all work attempted in college courses numbered 50 to 399.

3. Complete the MJC Guidance and Activities Requirements* on page 112.

4. Fulfill the general education requirement* for the school you plan to attend by successfully completing the appropriate General Education (GE) Transfer Pattern (with a C or better in each course) as indicated below. Upon completion of the GE pattern you select, you will be eligible for a Certificate of Achievement in CSU-GE or IGETC from MJC. For more information, visit the Evaluations Office, Student Services Building, Room 110. Successful completion will also demonstrate that you have met or exceeded state-required competencies for reading, writing, and mathematics.

Do you plan to transfer to California State University?
Complete one of the following two patterns:
- CSU-GE Transfer Pattern (p. 115). To prepare for the Liberal Studies/Teacher Preparation program at CSU Stanislaus see page 344 for specific CSU-GE course requirements.
- IGETC Transfer Pattern (p. 117): Follow CSU requirements.

Do you plan to transfer to the University of California?
Complete one of the following:
- IGETC Transfer Pattern (p. 117): Follow UC requirements.
- Individual breadth pattern for the UC campus of your choice as it appears on a www.assist.org certificate.

Do you plan to transfer to a private or out-of-state college or university?
- Work with a counselor to choose and complete one pattern (CSU-GE or IGETC) that best fulfills lower-division requirements for the targeted school.

Do you plan to earn a bachelors degree in a "high unit" major or one that requires extensive lower-division preparation?
- Work with a counselor to determine whether the University Preparation Pathway is right for you. If not, you will need to complete the Career and Technical Education Pathway on page 109 to earn an Associate’s degree from MJC.

5. Select and complete an associate degree major or a University Preparation emphasis

- Associate’s degree* with Associate in Arts (AA) or an Associate in Science (AS) major: The associate’s degree with an AA or AS major will demonstrate that you have taken courses in many college disciplines in order to gain critical thinking skills, in addition to completing a series of courses in a focused subject area. Your final transcript will show that you have earned an AA or an AS in the chosen area. Please note that some AA and AS majors include more courses than the required lower-division preparation for bachelor’s degree at the targeted college or university, so they may not be effective for bachelor’s degree preparation. Please see a counselor to carefully select courses for MJC and your target institution. You may complete any AA or AS in this catalog. Students who complete the University Preparation Pathway with an AA/AS major will earn a degree in the major. For example the student who completes the University Preparation Pathway who chooses to complete the AS major in Physical Science, will receive a degree that reads: AS Degree: Physical Science. Students who pursue AA-T or AS-T degrees need to follow the requirements for Associate Degrees for Transfer on page 105.

- Associate’s degree in University Preparation with an area of emphasis. Like the associate’s degree major, the emphasis will demonstrate that you have taken courses in many college disciplines in order to gain critical thinking skills. The emphasis, however, is a set of courses that you complete at MJC to prepare you for the major in which you plan to earn a bachelor’s degree. Courses in the emphasis are carefully selected to fulfill major requirements and to prepare you for your bachelor’s degree major at the transfer institution. For University Preparation emphases options, see page 102. Students who complete the University Preparation Pathway with an emphasis will earn an AA or AS degree in “University Preparation (emphasis)”*. For example, a student who completes the University Preparation “Humanities” emphasis would earn a degree that reads: AA: University Preparation: Humanities.

6. Earn a grade of C or Better in every course completed for the area of emphasis or the AA/AS major.

7. Apply for your degree. The associate in arts degree (AA), associate in science degree (AS) and/or the certificate of achievement in CSU-GE or IGETC are not automatically awarded when you complete the requirements. You will need to file an Application for Associate’s Degree in the Evaluations Office (Student Services Building Room 110) after enrolling in courses for the semester in which you intend to graduate. Requirements may be completed during any semester or summer session. Please note the graduation ceremony is held only at the end of spring semesters. Certification of general education requirements for transfer: CSU and UC systems accept full certification or subject-area certification upon completion of lower-division GE requirements. When applying to the transfer institution and requesting MJC transcripts, students should request GE certification.

*Students who possess a baccalaureate or higher degree completed at a regionally accredited college or university will have satisfied general education and competency requirements including guidance and activities for AA or AS Degree.

(01/15/16) Reaffirmed by the Curriculum Committee on 01/31/2012. Updated 02/16/2012.)
Associate Degree for Transfer
A Degree with a Guarantee.

ABOUT THE ASSOCIATE DEGREE FOR TRANSFER
Many students attend MJC to start their pursuit of an expansive college experience, often culminating in a bachelor’s degree, masters degree, doctorate, or other professional degree conferred by another institution. Students complete courses at MJC and then transfer to a four-year institution where their MJC coursework can apply as credit toward a four-year baccalaureate degree. This is a very common practice for California community college students who want to earn an associate degree and then earn a baccalaureate degree.

In 2010, state lawmakers approved a bill (SB 1440, Padilla 2010) to improve and streamline the process through which students transfer from community colleges to four-year institutions. One outcome of the bill is the Associate Degrees for Transfer or ADTs. The ADTs are community college majors that consist of courses appropriate for an associate degree, provide a foundational understanding of an academic discipline, and prepare the student for transfer to any CSU.

ASSOCIATE DEGREES FOR TRANSFER AT MJC*

- ADMINISTRATION OF JUSTICE (A.S.-T)
- ANTHROPOLOGY (A.A.-T)
- ART HISTORY (A.A.-T)
- BUSINESS ADMINISTRATION (A.S.-T)
- COMMUNICATION STUDIES (A.A.-T)

- PHILOSOPHY (A.A.-T)
- PHYSICS (A.S.-T)
- POLITICAL SCIENCE (A.A.-T)

- PSYCHOLOGY (A.A.-T)
- SOCIOLOGY (A.A.-T)
- STUDIO ARTS (A.A.-T)
- THEATRE ARTS (A.A.-T)

ASSOCIATE DEGREES FOR TRANSFER VERSUS THE UNIVERSITY PREPARATION PATHWAY
Like the ADT, MJC’s University Preparation Pathway prepares MJC students to transfer. What distinguishes the ADT from the University Preparation Pathway is that the requirements for the ADT major have been developed with the collaboration of all California Community Colleges and California State Universities, resulting in associate degree requirements which are honored by CSUs who accept the ADT as appropriate preparation for the same major at their institution. Upon completion of the requirements for a ADT, the student is given priority admission into the major at the targeted CSU campus, with no more than 60 additional units required for a baccalaureate degree at the CSU.

Upon completion of the requirements for a ADT associate degree, students will earn an associate in science degree for transfer (AS-T) or an associate in arts degree for transfer (AA-T) in a specific major. At this time, many associate degrees for transfer are in development at MJC and twenty-one have been approved and are being offered.

BENEFITS OF AN ASSOCIATE DEGREE FOR TRANSFER
- Guaranteed admission to the CSU upon completion of the requirements for a TMC degree at Modesto Junior College.
- Only 60 units of transferable coursework are required for associate degree, with only 60 additional units required at the CSU for baccalaureate degree.
- Because the major requirements have been developed collaboratively by the faculty of the CSU and the California Community Colleges, coursework is guaranteed to transfer.
- No local requirements (like Guidance, Activities) are required to earn an associate degree.

C-ID: THE BUILDING BLOCK OF THE TMC
In order to facilitate the ADT, the community colleges created a statewide numbering system to commonly identify courses using the C-ID or Course Identification Numbering System. After a state-level review process, courses commonly offered at California Community Colleges can be given a C-ID.

For example, Reedley College offers an introductory marriage and family course as SOC 32: Courtship, Marriage, and Divorce: Family and Interpersonal Relationships. MJC offers an almost identical course, SOCIO 125: Sociology of the Family. The state
has attached a C-ID to both courses. In this case, it is C-ID SOCI 130 Introduction to Marriage and Family. Therefore, both Reedley’s and MJC’s courses are accepted as comparable.

C-ID will allow students to easily identify courses offered at different community colleges, and the use of the system is facilitating the development of consistent requirements for associate degrees by faculty of colleges statewide. For a more information and a list of C-IDs, see p. 90-91

CERTIFICATION OF GENERAL EDUCATION

After completing the IGETC or CSU-GE patterns, or the University Preparation Pathway, you will need to request that your transfer pattern coursework be certified by the Records Office, Student Services Building, Room 102. MJC General Education certification means that your transfer pattern coursework at MJC is officially recognized by the transfer institution as fulfillment of the corresponding General Education requirement(s) for baccalaureate degree when all coursework is completed with a C or better. If you do not have your MJC coursework certified, you can be held accountable for the target institution’s General Education requirements upon commencing your study at that institution. The certification is recognized by the California State University system and the University of California system.

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer”, a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete a minimum of 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students transferring to a CSU campus that does accept the AA-T or AS-T will be required to complete no more than 60 units after transfer to earn a bachelor’s degree (unless the major is a designated “high-unit” major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. www.c-id.net

To Earn an Associate Degree For Transfer:

1. Complete 60 units in courses numbered 100 to 299, twelve (12) of which must be completed "in-residence" at MJC. All courses numbered 100-299 will transfer to CSU. Consult an MJC Counselor or www.assist.org for information on transferable MJC courses. Only one degree may be awarded in any one program.

2. Earn an overall GPA of 2.0 or higher (C average) based on all work attempted in college courses numbered 50 to 399.

3. Fulfill the general education requirement* for the school you plan to attend by successfully completing the appropriate General Education (GE) transfer pattern requirements (with a C or better in each course) indicated below. Upon completion of the requirements, you will be eligible for a Certificate of Achievement in CSU-GE or IGETC from MJC. For more information, visit the Evaluations Office, Student Services Building, Room 110. Successful completion will also demonstrate that you have met or exceeded state-required competencies for reading, writing, and mathematics. Complete one of the following two general education patterns:

   • CSU-GE Transfer Pattern (p. 115)
   • IGETC Transfer Pattern (p. 117). Follow CSU requirements.

4. Select and complete an approved “Associate Degree for Transfer”

5. Earn a grade of “C or better” or a “P” in every course completed in the AA-T or AS-T Major.

6. Apply for your degree. Associate degrees are not automatically awarded when you complete the requirements. You will need to file an Application for Associate’s Degree in the Evaluations Office, in the Student Services Building, Room 110 after enrolling in courses for the semester in which you intend to graduate. Requirements may be completed during any semester or summer session. The graduation ceremony is held at the end of the spring semester.

7. Request GE Certification on your transcript. The CSU system accepts full certification or subject-area certification upon completion of lower-division GE requirements. When applying to the transfer institution and requesting MJC transcripts through Enrollment Services (Records), students should request GE certification.

*Students who possess a baccalaureate or higher degree completed at a regionally accredited college or university will have satisfied general education and competency requirements including guidance and activities for AA/AS Degree.

1. Upon completion of 15 units it is highly recommended for students to make an appointment with a counselor or enroll in one of the following courses: Ag 115, Guide 109, 110, 111, 112, 116, 120, or SISk 78 to develop a comprehensive educational plan.
2. Courses used to meet the General Education requirements cannot double count to meet the requirements for the major.
3. Courses used to meet the major requirements cannot double count to meet the General Education requirements.
4. Students opting for an AA/AS in University Preparation degrees may choose to use either the CSU GE or IGETC to meet the General Education requirements.
5. Students will need to refer to both the MJC catalog and [www.assist.org](http://www.assist.org) for classes they need for their major to graduate with a 2-year degree and to transfer to a CSU or UC.
6. Students opting for an ADT (Associates Degree for Transfer) may choose to use either the CSU GE or IGETC to meet the General Education requirements. Students pursuing an AST in Geology and/or an AST in Physics must use the IGETC pattern to meet the General Education requirements.
7. Students will use the MJC catalog and/or MJC catalog addendum for requirements for the major.
8. Students transferring to a CSU without an Associate’s Degree may choose either CSU GE or IGETC to meet General Education requirements.
9. IGETC used for all UC’s but may not be recommended for all UC majors. Check with a counselor. The CSU GE or the IGETC may work for some private and/or out-of-state colleges. There may be some colleges that prefer the IGETC.
10. Students pursuing high unit majors (i.e. Biology, Engineering, or Performing Arts) should consult with a counselor regarding GE completion.
11. [www.assist.org](http://www.assist.org) only has information for CSUs and UCs. For students transferring to a private college or an out-of-state college please contact the school of your choice for more information on the major.

Updated 11/17/14 HL
If you have visions of working in a skilled trade, occupation, or area in the community, you might consider the Career and Technical Education pathway. This educational pathway allows you to earn a Certificate of Achievement and/or an associate's degree which will give you targeted instruction and hands-on training for employment. Either award you choose will prepare you for employment in the community.

ASSOCIATE’S DEGREE OR CERTIFICATE OF ACHIEVEMENT?
Your educational experience will vary depending on which award you target in the Career and Technical Education Pathway. The certificate requirements are designed to provide you a fast, immersive learning experience in a skilled trade or vocation. The associate’s degree in Career and Technical Preparation is geared to help you move swiftly through MJC’s general education requirements (MJC-GE) for an associate’s degree and to immerse yourself in learning a trade or vocation so that you have an associate’s degree and evidence of skills in a trade. Upon completion of your degree, you will not only have completed general education component, you will have considerable knowledge and skills in a specific area of study. This plan is most beneficial for individuals who would like to explore career opportunities upon earning their associate’s degrees, and who may not have plans to earn a bachelor’s degree.

CAREER OPTIONS
MJC provides an array of associate’s degrees and certificates of achievement that can prepare you for jobs in the community. Programs like nursing, welding, administration of justice, business administration, and dairy science are designed with input from local employers to give you the training local employers are seeking. For more information on vocational programs see ‘Degrees, Certificates and Skills Recognitions Offered at MJC’ on 102.

CHOOSING COURSES
Course numbers can tell you a great deal about the type of course you are completing. Courses numbered 50-399 will apply toward your associate’s degree if you are completing the Career and Technical Education pathway. The MJC-GE pattern includes courses numbered 50 and higher, whereas the Transfer General Education patterns only include courses numbered 100 to 299 for the purposes of transfer.

TYPES OF ASSOCIATE’S DEGREES
The Career and Technical Education pathway is unique in that it offers two types of Associate’s degrees: associate in science (AS) and associate in arts (AA). The AS degree requires more coursework in the major (minimum 30 units) and fewer electives to total 60 units for an associate’s degree. The AA degree requires a minimum of 20 units in the major, and therefore allows you to complete more elective units outside the major for the degree.

IS A BACHELOR’S DEGREE IN YOUR FUTURE?
If you think that you may want to pursue a bachelor’s degree at any point in the future, be sure to meet with a counselor to evaluate your goals. Not all courses completed for the Career and Technical Education Pathway will transfer to a four-year university. ✦
PLANNING YOUR EDUCATION

Career Technical Education 2015-2016 PATHWAY

Prepare for employment with an associate's degree or certificate of achievement.

Successfully complete the following steps to earn a Certificate of Achievement or Associate's degree from Modesto Junior College. Enroll in a Guidance class and meet with a counselor to ensure that you complete each step accurately and efficiently. You may earn a Certificate of Achievement and an Associate's degree in many programs; however only one degree (AA or AS) can be awarded in any one program. To learn more about the Career & Technical Education pathway, see page 109.

Earn a Certificate of Achievement:

1. Select a Certificate of Achievement from the catalog and complete the requirements as listed.
2. Earn a grade of C or better in every course in the Certificate of Achievement.
3. Apply for your Certificate. The Certificate of Achievement is not automatically awarded when you complete the requirements. File an application for Certificate of Achievement during the same semester in which you plan to finish requirements (Evaluations Office, Student Services Building, Room 110).

Earn an Associate's degree:

1. Complete 60 units in courses numbered 50 to 399. Twelve (12) units must be completed "in-residence" at MJC.
2. Earn an overall GPA of 2.0 or higher (C average) based on all work attempted in college courses numbered 50 to 399.
3. Demonstrate competence in reading, writing, and mathematics.*

**READ**ING: Meet one of the following requirements:
- Completion of the applicable General Education pattern (MJC-GE, CSU-GE, and/or IGETC) with a C average or better (2.0)
- Completion of READ 184 with a C or better

**WRITE**ING: Meet one of the following requirements:
- Completion of ENGL 101 or equivalent course from another institution with a C or better
- Score of 3, 4, or 5 on AP Exam: Language & Composition OR Literature & Composition

**MATH**MATICS: Meet one of the following requirements:
- Eligibility for entrance into any 100-level MATH course through MJC Assessment Process
- Score of 3, 4 or 5 on AP Exam: Calculus AB OR Calculus BC OR Statistics
- Completion of MATH 89 or higher-level MATH course, or equivalent course from another institution with a grade of C or higher.
- Score of 5 on IB Exam: Mathematics HL

4. Complete the MJC Guidance and Activities Requirements* as part of the 60 units required for associated degree. See page 112.
5. Fulfill the general education requirement* as part of the 60 units required for associated degree by completing the MJC-GE Pattern (see page 113) with a GPA of 2.0 or higher.
6. Complete a MAJOR or General Studies EMPHASIS from those listed in the catalog in which you plan to earn your degree:
   - Associate in arts Degree (AA):
     Complete requirements for any AA Major listed in the MJC Catalog. Your AA degree will be in that major.
   - Associate in science Degree (AS):
     Complete requirements for any AS Major listed in the MJC Catalog. Your AS degree will be in that major.
7. Earn a grade of C or Better for every course in the major.
8. Apply for your degree. The Associate in arts Degree (AA) and the Associate in science Degree (AS) are not automatically awarded when you complete the requirements. File an Application for Associate's degree in the Evaluations Office, Student Services Building, Room 110, the same semester in which you plan to complete the requirements. Requirements may be completed during any semester or summer session. The graduation ceremony is held only at the end of the spring semester.

*Students who possess a baccalaureate or higher degree completed at a regionally accredited college or university will have satisfied general education and competency requirements including guidance and activities for AA or AS Degree.
Revised 02/18/10. Reaffirmed by the Curriculum Committee on 01/31/2012. Updated 02/16/2012.

Students who plan to earn an associate’s degree at MJC must complete the MJC Guidance & Activities Requirements*. By completing the Guidance Requirement, students will learn about requirements for graduation, various educational and career options, resources at MJC, as well as create an Educational Plan to ensure that courses taken at MJC are appropriate for their short and long-term goals. By completing the Activities Requirement, students will participate in courses that demonstrate creativity, collaboration, teamwork, and/or self-expression.

I. Guidance Requirement: Complete one course during first semester.

*Reflects Curriculum Committee Guidance/Activities approvals effective Summer 2015. Revised 30/09/15 02:00 pm RAC/SP
The MJC-GE pattern constitutes a set of requirements that, when successfully completed, demonstrates that the student has completed the general education requirement for associate degree at MJC. Completion of the MJC-GE pattern does not satisfy requirements for transfer to UC or CSU. The MJC-GE pattern constitutes a set of requirements that, when successfully completed, demonstrates that the student has completed the general education requirement for associate degree at MJC. Completion of the MJC-GE pattern does not satisfy requirements for transfer to UC or CSU.

The MJC-GE pattern consists of two parts: Area A. Natural Sciences and Area B. Social & Behavioral Sciences.

**Area A. Natural Sciences:** Complete a minimum of three (3) units

### Legend

- (3) Units earned
- ^ Students completing this course prior to term (cf. Fall 5, Spring SU Summer) and year indicated will not be allowed to fulfill this requirement with this course.
- *Veterans or reservists who submit proof of U.S. Military Basic Training will receive three (3) units of health education. File copy of DD214 with MJT Veterans Office.
- Allied Health Majors (ADN, VN), satisfy the Health Ed requirement by completion of major requirements.
**CSU-GE Transfer Pattern 2015-2016**

The CSU-GE pattern is one option that allows California community college transfer students to fulfill the lower-division general education requirements of any California State University (CSU) campus. The curriculum consists of a 39-unit pattern with five areas of concentration (Area A-E). The CSU History, Constitution, and American Ideals requirement may also be completed at MJC prior to transfer. A courses must be passed with a grade of "C" or higher, "P" or "CR." CSU-GE is not the only way to fulfill the lower division GE requirements of a CSU campus prior to transfer. It is recommended that students consult with a counselor or enroll in a Guidance class to ensure their individual educational goals are being met. Request for complete or partial area CSU-GE Certification must be made in the Records Office, Student Services Building, Room 102. For more information see “Certification of General Education” on 103 in the 2015-2016 MJC catalog. *Patterns reflecting new CSU-GE approvals for 2015-2016 will be available in counseling, July 2015.*

### Legend

- (F) Students completing this course prior to term (F: Fall, S: Spring, SU: Summer) and year indicated will not be allowed to fulfill this requirement with this course.
- (F) Although listed in more than one area, the course may be counted toward only one CSU-GE pattern area.
- (CR) Denotes a lab science course.

*Updated 4/07/15 to reflect local curriculum updates and CSU-GE approvals 3/28/15 RAC/SP

- POLS 180 Human Rights (3)(SU14)

D.9 PSYCHOLOGY

- PSYCH 101 Gen Psych (3)
- PSYCH 104 Intro to Social Psych (3)(F91)
- PSYCH 105 Abnormal Psych (3)(S07)
- PSYCH 111^Psych of Gender (3)(S07)

AREA D: Social Sciences

Nine (9) units from at least two subareas (D.0-D.9). Courses marked with * may be used in one area only.

D.0 SOCIOLOGY AND CRIMINOLOGY

- ADJU 203 Concepts of Criminal Law (3)(F11)
- SOC 101 Intro to Sociology (3)
- SOC 102 Social Problems in US (3)(F01)
- SOC 125 Sociology of the Family (3)
- SOC 150^ Ethnic & Cultural in Amer (3)
- SOC 154^ Afri-Amer Cultural & Communities (3)
- SOC 156^ Mexican Cultural in the US (3)
- SOC 157^ Women’s Studies (3)(F01)

D.1 ANTHROPOLOgy & ARCHAEOLOGY

- ANTHR 101^ Biological Anthro (3)(F90)
- ANTHR 102 Cultural Anthro (3)
- ANTHR 104^ Linguistic Anthro (3)(SU07)
- ANTHR 130 Arch & Cultural Prehistory (3)
- ANTHR 140 Magic, Witchcraft & Religion (3)(F97)
- ANTHR 150^ Native People of N. Amer (3)

D.2 ECONOMICS

- AGEC 210 Elem of Ag Econ (3)(F98)
- ECON 101 Principles of MacroEcon (3)
- ECON 102 Principles of MicroEcon (3)
- ECON 115^ Econ Hist of the US (3)
- GEOGRAPHY 102 Economic Geography (3)(F00)
- HISTORY 115^ Econ Hist of the US (3)

CSU US History, Constitution and American Ideals

An additional six (6) units are needed to complete the US History & Government requirement for the BA/B.S. degree. Three (3) units from Group a and three (3) units from Group b or six (6) units from Group c. Six (6) units may also be counted toward Area D.

Group a.

- ECON 115 Econ Hist of the US (3)(F04)
- HIST 101 History of US to 1877 (3)(F04)
- HIST 102 History of US since 1865 (3)(F04)
- HIST 112 20th Cent Amer (3)(F04)
- HIST 113 Soc/Civil Hist 20th Cent Amer (3)(F04)
- HIST 115 Econ of the US (3)(F04)
- HIST 116 Women in Amer Hist (3)(F04)
- HIST 119 Soc/Civil Hist 20th Cent Amer (3)(F04)
- HIST 154 Afri Amer thru 19th Cent (3)(F04)
- HIST 155 Afri Amer in 20th/21st Cent (3)(F04)

Group b.

- POLS 101 Amer Politics (3)(F04)
- POLS 102 Const & Rights of Amer (3)
- POLS 110 International Relations (3)
- POLS 111 War/Peace: Lenin to Al Qaeda (3)
- POLS 120 Calif Politics & Problems (3)
- POLS 130 Political Theory (3)
- POLS 131 Amer Political Thought (3)(S07)
- POLS 140 Comparative Politics (3)
- POLS 180 Human Rights (3)(SU14)

Group c.

- HIST 101 History of US to 1877 (3)(F04)
- HIST 102 History of US since 1865 (3)(F04)

Total units required to satisfy
CSU-GE breadth (Area A - Area B) 39 units
IGETC Transfer Pattern 2015-2016*

PLANNING YOUR EDUCATION

IGETC is a general education pattern that, upon full or partial completion (defined as “all but two courses”), will fulfill some or all lower-division general education requirements at California State University (CSU) campuses and most University of California (UC) campuses/majors. It is also accepted by some private/independent or out of state universities. IGETC is not the only way to fulfill the lower division GE requirements of a UC or CSU campus prior to transfer. It is recommended that students consult with a counselor or enroll in a Guidance class to ensure individual educational goals are being met. Requests for complete or partial IGETC certification must be made in the MJC Records Office, Student Services Building, Room 102. For more information see “Certification of General Education” on 103 in the 2015-2016 MJC catalog. All courses must be passed with a grade of “C” or higher, “P”, or “CR.”

**Updated 4/7/15 to reflect local curriculum updates and IGETC approvals (3/28/15), RAC/SP

PLANNING YOUR EDUCATION

### AREA 1: English Communication

**If you plan to attend CSU, choose 3 courses, 1 from each group. If you plan to attend UC, choose 2 courses, 1 from Group A, and 1 from Group B.**

#### Group 1A: English Composition

One course, or three (3) semester units

- ENGL 101 Comp & Reading (3)

#### Group 1B: Critical Thinking/English Composition

One course, or three (3) semester units

- COMM 104 Argumentation (3)
- ENGL 103 Adv Comp & Critical Thinking (3)
- PHIL 105 Reasoning (3)
- PHIL 107 Philo of Sci (3)

#### Group 1C: Oral Communication (CSU ONLY)

One course, or three (3) semester units

- COMM 100 Fund of Public Speaking (3)
- COMM 102 Intro to Human Comm (3)
- COMM 110 Persuasion (3)

### AREA 2: Mathematical Concepts and Quantitative Reasoning

One course, or three (3) semester units

- CS 101 Discrete Struct for Comp Sci (3)
- MATH 101 Math Ideas & Application (3)
- MATH 111 Appl College Algebra (3)**
- MATH 122 Pre-Calculus (3)**
- MATH 130 Finite Mathematics (3)
- MATH 134 Elementary Statistics (4)
- MATH 138 Calculus for Bus/Soc Sci (3)**
- MATH 171 Calculus: 1st Course (5)
- MATH 172 Calculus: 2nd Course (5)
- MATH 173 Calculus: 3rd Course (5)**
- MATH 174 Intro to Diff Eqns & Lin Alg (5)**

### AREA 3: Arts and Humanities

For UC and CSU, choose at least three (3) courses/ nine (9) semester units. One course must be from 3A and one from 3B, & one additional course from either 3A or 3B.

#### Group 3A: Arts

- ART 160 Appreciation of Art (3)
- ART 162 History of Renaissance Art (3)**
- ART 163 History of Modern Art (3)**
- ART 164 History of Art 1 (3)
- ART 165 History of Art 2 (3)
- ART 166 History of Photography (3)**
- ART 169 Surv of Asian Art (3)**
- ENGL 161 Film Appreciation (4)**
- MUSG 101 Music Appreciation (3)**
- MUSG 102 Intro to World Music (3)**
- MUSG 111 Intro to Amer Pop Music (3)**
- MUSG 121 History of Western Music 1 (3)**
- MUSG 122 History of Western Music 2 (3)**
- MUSG 123 Music Theory 1 (3)**
- MUSG 124 Music Theory 2 (3)**
- MUSG 194 Intro to World Dance (3)**
- PHET 100 Intro to Hist Arts (3)
- PHET 194 Intro to World Dance (3)**

#### Group 3B: Humanities

- ANTH 104* Linguistic Anthro (3)**
- ENGL 102 Adv Comp & Intro to Lit (3)**
- ENGL 112 Intro to Novel & Short Story (3)
- ENGL 114 Intro to Poetry (3)
- ENGL 116 Intro to Drama (3)
- ENGL 131 Intro to World Lit 1 (3)
- ENGL 132 Intro to World Lit 2 (3)
- ENGL 135 Surv Amer Lit to 1850 (3)
- ENGL 136 Surv Amer Lit to 1950 (3)
- ENGL 137 Surv Eng Lit to Late 18th Cnty (3)
- ENGL 138 Surv Eng Lit Late 18th Cnty-Prtnt (3)
- ENGL 151 Folklore (3)**
- ENGL 156 Bible as Lit: New Testament (3)
- ENGL 162 Hist of Cinema (3)**
- ENGL 163 Intro to Shakespeare (3)
- ENGL 168 Adolescent Lit 5 (3)**
- ENGL 169 Children’s Lit (3)**
- ENGL 171 Intro African-Amer Lit (3)
- ENGL 172 Intro to Chicano/a Lit (3)**
- ENGL 173 Intro to Amer Lit (3)**
- ENGL 174 Intro to Mod Asian Lit (3)**
- ENGL 175 Intro to Women’s Lit (3)
- ENGL 176 Intro to Mexican Lit (3)**
- ENGL 179 Intro to Latin Amer Lit, Oral Tradn (3)**
- FREN 102 French 2 (5)**
- FREN 103 French 3 (5)**
- FREN 104 French 4 (5)**
- GERM 101 German 1 (3)**
- HIST 104* Western Civ to 1650 (3)**
- HIST 105* Western Civ since 1650 (3)**
- HIST 106* World Civ to the 16th Cent (3)**
- HIST 107* World Civ from the 16th Cent (3)**
- HUMAN 101 Intro to the Humanities (3)**
- HUMAN 105 Early Humanistic Trad (3)**
- HUMAN 106 Humanities in Modern World (3)**
- HUMAN 110 East Meets West (3)**
- HUMAN 120 Surv Amer & Latino Religions (3)**
- HUMAN 123 Intro to Latin Amer Lit (3)**
- HUMAN 124 Surv of Latin Amer Lit (3)**
- HUMAN 125 Surv of Latin Amer Lit (3)**

**IGETC IS NOT RECOMMENDED FOR CERTAIN COLLEGES AND MAJORS. PLEASE SEE "IGETC CONSIDERATIONS" ON PAGE 99 OF THE 2015-2016 CATALOG.

### AREA 4: Social and Behavioral Sciences

At least three courses/nine (9) semester units in a minimum of two disciplines.

#### Group 4A. Anthropology & Archaeology

- ANTH 101* Biological Anthro (3)**
- ANTH 102 Cultural Anthro (3)**
- ANTH 104* Linguistic Anthro 3 (3)**
- ANTH 130 Arch & Cultural Prehist (3)**
- ANTH 140 Magic, Witchcraft & Religion (3)**
- ANTH 150* Native People of N. Amer (3)**

#### Group 4B. Economics

- AECG 210 Elem of Ag Econ (3)**
- ECON 101 Principles of Macroecon (3)**
- ECON 102 Principles of Microecon (3)**
- ECON 115* Econ Hist of the US (3)**
- GEOG 105* Econ Geography (3)**
- HIST 115* Econ Hist of the US (3)**

#### Group 4C. Ethnic Studies

- ANTH 150* Native People of N. Amer (3)**
- COMM 110* Cultural Comm (3)**
- HIST 114* Soc/Ctrl Hist 20th Cent Amer (3)**
- HIST 119* Soc/Ctrl Hist 20th Cent Amer (3)**
- HIST 120* History of Afro Wstrn Front (3)**
- HIST 154* Afr Amer thru 19th Cent (3)**
- HIST 155* Afr Amer in 20th21st Cent (3)**

#### Group 4D. Geography

- HIST 116* Women in Amer Hist (3)**
- PSYCH 111* Psych of Gender (3)**
- SOCSC 105* Women’s Studies (3)**

#### Group 4E. History

- ECON 115* Econ Hist of the US (3)**
- HIST 101 History of US to 1877 (3)**
- HIST 102 History of US since 1865 (3)**
- HIST 104* Western Civ to 1650 (3)**
- HIST 105* Western Civ since 1650 (3)**
- HIST 106* World Civ to the 16th Cent (3)**
- HIST 107* World Civ from the 16th Cent (3)**
- HIST 112* 20th Cent Amer Hist (3)**
- HIST 113* Soc/Ctrl Hist 20th Cent Amer (3)**
- HIST 115* Econ Hist of the US (3)**
- HIST 116* Women in Amer Hist (3)**
- HIST 119* Soc/Ctrl Hist 20th Cent Amer (3)**
- HIST 125* History of Mexico (3)**
- HIST 128* History of Amer Far Wstrn Front (3)**
- HIST 129* History of California (3)**
- HIST 145* History of Latin Amer (3)**
- HIST 155* Afr Amer in 20th21st Cent (3)**

#### Group 4F. Interdisciplinary, Social & Behavioral Sciences

- CLDDY 103 Child Growth & Devt (3)**
- COMM 103 Interpersonal Comm (3)**
- ENSCI 110 California Water (3)**
- FAML 131 Family Relationships (3)**

#### Group 4G. Political Science, Government & Legal Institutions

- ADJU 201 Intro to Admin of Justice (3)**
- PHIL 130 Pol Sci Theory (3)**
- POLS 101 Amer Politics (3)**
- POLS 102 Const & Rights of Amer (3)**
- POLS 110 International Relations (3)**
- POLS 111 War/Pace: Lenin to Al Qaeda (3)**

PLSC 200 Intro to Plant Sci (3)(F11)
PSYCH 103 Intro to NeuroSci (3)(F91)
ZOOL 101* Gen Zoology (4)

5C. Laboratory Activity

Take one course from 5A or 5B with a lab as indicated by a single asterisk (*)

AREA 6A (UC Only)

Languages Other than English

Students transferring to UC are required to demonstrate competence (proficiency) in a language other than English equal to two years of high school study. Competence may be demonstrated through one of the following mechanisms:

1) Completion of two years of high school coursework (US high school or high school in a country where the language instruction is in English) in a language other than English, with a grade of C minus or better in each course. The two years must be in the same language.

2) Complete one of the following MUC courses with a grade of C or better. The more advanced courses can also be used to satisfy IGETC 3B requirement.

**  Indicates that transfer credit may be limited
*  Denotes a lab course.
As members of the Yosemite Community College District, Columbia College and Modesto Junior College have established articulation agreements allowing students to use specific courses taken at either college to satisfy prerequisites and program requirements at either institution.

The below list represents the current course equivalencies at the time this Web page was created. Evaluation of course equivalencies occurs throughout the year. If you are interested in learning whether another course taken at either institution is equivalent to a specific course, you should contact the MJC Evaluators at (209) 575-6605.

### Intradistrict Course Equivalencies

#### Between Modesto Junior College and Columbia College

Agricultural Business

PROGRAM

This program will develop and expand the student’s knowledge of Agriculture Business. The student will develop knowledge and skills sufficient to gain and hold entry-level jobs in Ag Business. Contact the division office in the Agriculture Building for advising assistance.

A.S. DEGREE: AGRICULTURE: SALES, SERVICE

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate proficiency in accounting procedures using a double-entry bookkeeping system.
2. Organize and prepare reports, presentations, and other information pertaining to managerial procedures.
3. Describe the economic significance of California Agriculture and its relationship to the global economy.
4. Explain supply and demand as it relates to local and regional agriculture business industries.
5. Demonstrate the ability to make logical business decisions based on the analysis of business trends locally, regionally, and globally.
6. Demonstrate proficiency using computers, the Internet, and other technology as they relate to agri-business.
7. Recognize world markets and describe their effect on local agriculture economies.

MAJOR REQUIREMENTS

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 100) or the University Preparation Pathway (p. 97) which include completion of the requirements below.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

AG 4111 [1] Introduction to Agricultural Education and Careers ................. 1
AG 4340A [NP] Work Experience ** (for a total of 4 units) .................. 4 OR
AG 249 [NP] Agriculture Internship** ........................................ 2

II. AGRICULTURE SCIENCE BREADTH COURSES - COMPLETE 9 UNITS

PISC 200 [1,2] Introduction to Plant Science ........................................ 3
AGS 200 [1,2] Introduction to Animal Science ..................................... 3
NR 200 [1] Soils ........................................................................ 4
AGM 200 [NP] Introduction to Mechanical Technology ..................... 3

III. MAJOR REQUIRED COURSES - COMPLETE 12 UNITS

AGEC 210 [NP] Elements of Agricultural Economics .......................... 3
AGEC 230 [1, 4] Agricultural Business Management ............................ 3
AGEC 235 [NP] Agriculture Computer Applications ............................ 3

IV. ELECTIVE COURSES - COMPLETE 4 UNITS

Any 200 series Agriculture course with a laboratory. No more than 1 unit in a 100 level Agriculture class.

TOTAL UNITS IN A.S. MAJOR .................................................................. 30

**Required

AGM 200 [NP] Introduction to Mechanical Technology ........................ 3

TOTAL UNITS IN A.S. MAJOR .................................................................. 30

**Required

Programs and awards are listed in alphabetical order from A-Z. The awards listed under each program are listed by the type of award in this order: AS, AA, CERT, SR.

Title of the
Educational Program

Type of Award
(degree, certificate, or skills recognition)

Name of the award as it will appear on award and transcript

Courses required for the award

The preferred sequence of courses within a 4 semester program. NP means "no preference".

Elective courses (students can be given options), between or among courses in the electives

Total number of units required for that major. Note: Does not include total units for associate degree.
Accounting
PROGRAM
(209) 575-6129

The Accounting program is an intensive study of accounting theory as it applies to contemporary business environment. Accounting is a vital element of business success. Accountants record business operations and, after analyzing company performance, make recommendations to increase efficiencies and overall company success. Beginning courses concentrate on recording, classifying, and reporting financial information resulting from business transactions. The student then learns the financial structure of business and analysis of financial information for management decision making. Double entry accounting, ledger and journal techniques and accounting cycles are emphasized. The use of computers in accounting is also an integral part of the program. Courses are offered during day and evening hours with some classes taught in a hybrid or fully online format to accommodate student schedules. Degrees and Certificates are awarded to students in recognition of completion of specified requirements, which indicate proficiency. All Required Courses must be passed with a “C” grade or better. Interested students should consult Business Administration faculty advisors.

A.S. DEGREE: ACCOUNTING

The A.S. in Accounting Degree is designed for students entering into the accounting field at the entry level. If you wish to pursue professional certification (i.e., Certified Public Accountant and/or Certified Management Accountant), you should plan to earn at least a bachelor’s degree in Business Administration with a major in Accounting. To earn an Associate in Science Degree, the student must complete the MJC Associate Degree Requirements in addition to the following coursework.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Recognize and analyze ethical issues as they apply to the business environment.
2. Obtain employment in an entry-level position in the accounting field.
3. Demonstrate the working knowledge required to perform the various tasks necessary in a complete accounting cycle through financial statements.

Administration of Justice PROGRAM
(209) 575-6129

Modesto Junior College offers a comprehensive Administration of Justice program. The curriculum addresses basic knowledge and skills required in the criminal justice area.

The Associate of Science in Administration of Justice for Transfer degree is designed to prepare candidates for transfer to a California State University offering a major in administration of justice/criminal justice. Course work is offered evidence, community relations corrections and law. Some potential careers are in the Administration of Justice field Correctional Officer, Local Police Officer, Local Deputy Sheriff, State Highway Patrol Officer, Investigator, Private Detective, Private Security Guard, Probation Officer, and Parole Officer. All courses are open to individuals who have been admitted to the college and who meet the prerequisites, unless specifically exempted by statute. Courses which involve the handling of firearms are not open to individuals who have been convicted of a felony or who are mental patients. (Penal Code Sections 29800 – 29825 and Welfare and Institutions Code 8100). Prior to use of a firearm in any course, each student must submit to a live scan check of their finger prints.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Explain the roles that the three components of the administration of justice system play in society and how these components interact with one another to provide public safety.
2. Define the role of policing and recognize importance of building and maintaining favorable community relations.
3. Interpret, assess and compare competing types of evidence and data.
4. Identify the legal and societal restrictions placed by society on the administration of justice system in carrying out its role or providing for the public safety of society.

The following is required for the Associate in Science in Administration of Justice for Transfer Degree:

A minimum of 18 semester units in the major with a grade of C or better while maintaining a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. All courses within the major must be completed with a C or better or “P” (Pass).

Completion of 60 semester CSU-transferable units using the CSU GE Breadth or the IGETC pattern.

Exactly 60 semester units are required for the degree.

REQUIRED CORE - 6 UNITS

A.S.-T DEGREE: ADMINISTRATION OF JUSTICE

Modesto Junior College offers a comprehensive Administration of Justice program. The curriculum addresses basic knowledge and skills required in the criminal justice area.
A: ADMINISTRATION OF JUSTICE / AGRICULTURE BUSINESS

A.S. DEGREE: ADMINISTRATION OF JUSTICE

Modesto Junior College offers a comprehensive Administration of Justice program. The curriculum addresses basic knowledge and skills required in the criminal justice area. The two-year college program is designed to prepare candidates for employment or transfer to a four-year educational institution offering a major in various criminal justice fields. Satisfactory completion of the requirements will lead to the Associate in Science degree.

Classes are offered both day and evening. The college cooperates with the Administration of Justice Advisory Committee. All courses are open to individuals who have been admitted to the college and who meet the prerequisites, unless specifically exempted by statute. Courses which involve the handling of firearms are not open to individuals who have been convicted of a felony or who are mental patients. (Penal Code Sections 29800 – 29825 and Welfare and Institutions Code 8100). Prior to use of a firearm in any course, each student must submit to a live scan check of their fingerprints. All candidates for degrees in Administration of Justice should consult with an Administration of Justice advisor to select the courses most appropriate for meeting both the MJC Associate Degree Requirements and the current demands of employing agencies and transfer institutions.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. The student will be able to discuss the roots of the American legal system and how it applies to today's criminal justice profession, including ethical dilemmas confronting today's society.
2. The student will be able to create narrative reports, develop note taking skills, create visual simulations and develop interview techniques.
3. The student will describe the value of diversity and its inclusion rather than exclusion into the criminal justice system.
4. The student will be able to select a topic and be able to solve a social / criminal justice issue.

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below. Associate in Science degree candidates may select an option in either Law Enforcement (police, sheriff, etc.) or Corrections (prison, parole, probation, etc.).

REQUIRED COURSES - COMPLETE 18 UNITS

ADJU 201 [1] Introduction to Administration of Justice ...................................................... 3
ADJU 204 [3] Legal Aspects of Evidence ........................................................................ 3
ADJU 205 [1] Community Relations ............................................................................... 3

Agriculture Business

PROGRAM

(209) 575-6200

This program will develop and expand the student's knowledge of Agriculture Business. The student will develop knowledge and skills sufficient to gain and hold entry-level jobs in Ag Business. Contact the division office in the Agriculture Building for advising assistance.
A.S. DEGREE: AGRICULTURE BUSINESS

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate proficiency in accounting procedures using a double-entry bookkeeping system.
2. Organize and prepare reports, presentations, and other information pertaining to managerial procedures.

MAJOR REQUIREMENTS

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which includes completion of the requirements below.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

- AG 115 * [1] Introduction to Agricultural Education & Careers ........................................ 1
- AG 249 * [4] Agriculture Internship .................................................................................. 2 OR
- AG 349ABCD [NP] Work Experience Agriculture - Supervised Practice ......................... 1 - 4

II. AGRICULTURE SCIENCE BREADTH COURSES - COMPLETE 9 UNITS

- PLSC 200 [NP] Introduction to Plant Science ................................................................. 3
- ANSC 200 [NP] Introduction to Animal Science ............................................................... 3
- NR 200 [NP] Soils ............................................................................................................ 4
- AGM 200 [NP] Introduction to Mechanical Technology ................................................. 1

III. MAJOR REQUIRED COURSES - COMPLETE 12 UNITS

- AGEC 200 [NP] Agricultural Accounting and Analysis ................................................. 3
- AGEC 210 [NP] Elements of Agricultural Economics ....................................................... 3
- AGEC 220 [NP] Agricultural Business Management ...................................................... 3
- AGEC 225 [NP] Agriculture Computer Applications ....................................................... 3

IV. ELECTIVE COURSES - COMPLETE 4 UNITS

Any 200 series Agriculture course with a laboratory. No more than 1 unit in a 300 level Agriculture class.

TOTAL UNITS .................................................................................................................. 30

*Required
**Internship/Work Experience must be Agriculture related
Note: For Section 1: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 349D, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

A.S. DEGREE: AGRICULTURE: SALES, SERVICE

The student will learn step-by-step sales techniques, stage presence, self-evaluation of voice, habits, abilities in sales, and understanding of sales career. This program will help students make decisions as to whether or not they are qualified in sales, and prepare them for a sales career if they choose that vocation. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Organize and prepare reports, presentations, and other information pertaining to managerial procedures.

MAJOR REQUIREMENTS

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

- AG 115 [1] Introduction to Agricultural Education and Careers ........................................ 1
- AG 349A-D [NP] Work Experience (for a total of 4 units)** ........................................... 4 OR
- AG 249* [NP] Agriculture Internship** ........................................................................... 2

* Work experience/internship must be in marketing sales or closely related.

II. AGRICULTURE SCIENCE BREADTH COURSES - COMPLETE 9 UNITS

- AGM 200 [NP] Introduction to Mechanical Technology ................................................. 3
- ANSC 200 [NP] Introduction to Animal Science ............................................................... 3
- NR 200 [NP] Soils ............................................................................................................ 4
- PLSC 200 [NP] Introduction to Plant Science ................................................................. 3

III. MAJOR REQUIRED COURSES - COMPLETE 12 UNITS

- AGEC 200 [2-4] Agriculture Accounting & Analysis ....................................................... 3
- AGEC 210 [NP] Elements of Agricultural Economics ....................................................... 3
- AGEC 215 [NP] Agricultural Marketing ......................................................................... 3
- AGEC 280 [1,2] Agricultural Sales and Service ............................................................... 3

IV. ELECTIVE COURSES - COMPLETE 4 UNITS

- AG 280 [NP] Agricultural Computations ....................................................................... 3
- AG 285 [NP] Agriculture Communications .................................................................... 3

AG 285 [NP] Agricultural Communications ........................................................................ 3

TOTAL UNITS .................................................................................................................. 32

*Required
**Internship/Work Experience must be Agriculture related
Note: For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 349D, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

A.S. DEGREE: MECHANIZED AGRICULTURE

In this program, students will develop skills and knowledge to enter the mechanized agriculture field. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Fabrication Option: Design and fabricate agriculture equipment effectively.

2. Fabrication Option: Select proper fabrication equipment for various construction and/or repair situations.

3. Power Option: Select proper tools and equipment for various applications, staying within the desired financial restraints.

4. Power Option: Repair basic power equipment effectively.

MAJOR REQUIREMENTS

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

AG 115 * [1] Introduction to Agricultural Education & Careers ........................................... 1
AG 249 ** [2] Agriculture Internship .................................................................................. 2 OR
AG 349ABCD [NP] Work Experience Agriculture - Supervised Practice ............................... 1 - 4

II. AGRICULTURE SCIENCE BREADTH COURSES - COMPLETE 9 UNITS

PLSC 200 [NP] Introduction to Plant Science ........................................................................ 3

AGM 241 [NP] Diesel Engine Principles ............................................................................... 3
AGM 252 [NP] Farm Construction Advanced Lab ................................................................. 2
AGM 289 [NP] Principles of Power Mechanics/Sm Engines .................................................. 3
ANY 200 LEVEL AGRICULTURE COURSE INCLUDING THOSE THAT ARE LISTED, BUT NOT USED, IN AREA II ABOVE.

TOTAL UNITS .................................................................................................................. 30 - 31

*Required
**Internship/Work Experience must be Agriculture Related.
Note: For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 349D, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

CERTIFICATE OF ACHIEVEMENT: ADVANCED HEAVY EQUIPMENT TECHNICIAN

In this program, students will develop additional skills and knowledge to enter the diesel mechanics field. Contact the division office in the Agriculture Building for advising assistance.
PROGRAM LEARNING OUTCOMES
Upon satisfactory completion of this award, the student should be prepared to:
1. Describe the various employment opportunities available within the mechanized agriculture field and demonstrate the minimum educational requirements for entrance into each.
2. Locate, read, and interpret appropriate plans, manuals and equipment documentation in order to fabricate and/or repair equipment effectively.
3. Select proper tools and equipment for various applications, staying within the desired financial constraints.
4. Maintain tools and equipment and demonstrate the value of preventative maintenance and proper equipment usage.

CERTIFICATE REQUIREMENTS
To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

I. MAJOR REQUIRED COURSES
AGM 215 [NP] Machinery Management .................................................. 3
AGM 221 [NP] Equipment Diagnosis and Repair ..................................... 3
AGM 240 [NP] Truck/Tractor Power Trains ................................................ 3
AGM 242 [NP] Diesel Engine Overhaul ..................................................... 3
AGM 245 [NP] Diesel Engine Fuel Systems and Diagnosis .......................... 3

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD ............ 15

CERTIFICATE OF ACHIEVEMENT: BASIC HEAVY EQUIPMENT TECHNICIAN
In this program, students will develop additional skills and knowledge to enter the diesel mechanics field. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES
Upon satisfactory completion of this award, the student should be prepared to:
1. Describe the various employment opportunities available within the mechanized agriculture field and demonstrate the minimum educational requirements for entrance into each.
2. Locate, read, and interpret appropriate plans, manuals and equipment documentation in order to fabricate and/or repair equipment effectively.
3. Select proper tools and equipment for various applications, staying within the desired financial constraints.
4. Maintain tools and equipment and demonstrate the value of preventative maintenance and proper equipment usage.

CERTIFICATE REQUIREMENTS
To earn a Certificate of Achievement the student must complete the following coursework. Each course must be completed with a grade of C or better.

I. MAJOR REQUIRED COURSES
AGM 210 [NP] Agriculture Welding ....................................................... 3
AGM 214 [NP] Equipment Service and Safety ........................................ 1
AGM 241 [NP] Diesel Engine Principles .................................................. 3
AGM 243 [NP] Heavy Machinery Electrical Systems ............................... 3
AGM 280 [NP] Mobile Machinery Hydraulic Systems ................................ 3
AGM 289 [NP] Principles of Power Mechanics/Small Engines ................. 3

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD .......... 16

CERTIFICATE OF ACHIEVEMENT: HEAVY MACHINERY MANAGEMENT
In this program, students will develop skills and knowledge for the successful management of heavy equipment. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES
Upon satisfactory completion of this award, the student should be prepared to:
1. Describe the various employment opportunities available within the mechanized agriculture field and demonstrate the minimum educational requirements for entrance into each.
2. Locate, read, and interpret appropriate plans, manuals and equipment documentation in order to fabricate and/or repair equipment effectively.
3. Select proper tools and equipment for various applications, staying within the desired financial constraints.
4. Maintain tools and equipment and demonstrate the value of preventative maintenance and proper equipment usage.

CERTIFICATE REQUIREMENTS
To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

I. MAJOR REQUIRED COURSES
AGM 200 [NP] Introduction to Mechanical Technology .......................... 3
AGM 214 [NP] Equipment Service and Safety ........................................ 1
AGM 215 [NP] Machinery Management ................................................ 2
AGEC 200 [NP] Agriculture Accounting and Analysis .............................. 3
AGEC 220 [NP] Agriculture Business Management ................................. 3
AGEC 225 [NP] Agriculture Computer Applications ................................ 3

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD ............ 15

CERTIFICATE OF ACHIEVEMENT: MECHANIZED AGRICULTURE TECHNICIAN
In this program, students will develop skills and knowledge to enter the mechanized agriculture field. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES
Upon satisfactory completion of this award, the student should be prepared to:
1. Fabrication Option: Design and fabricate agriculture equipment effectively.
2. Fabrication Option: Select proper fabrication equipment for various construction and/or repair situations.
3. Power Option: Select proper tools and equipment for various applications, staying within the desired financial constraints.
4. Power Option: Repair basic power equipment effectively.

CERTIFICATE REQUIREMENTS
To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS
AG 115 *[1] Introduction to Agricultural Education & Careers ................ 1
Agriculture Science
PROGRAM
(209) 575–6200

A.S. DEGREE: AGRICULTURE SCIENCE

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Identify and appraise the educational requirements for career opportunities in the agriculture industry.
2. Analyze and communicate effectively core issues in the various fields of agriculture.
3. Integrate leadership aptitudes into one-on-one and group settings.

MAJOR REQUIREMENTS

To earn an Associate in Science Degree, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>AG 115</td>
<td>Introduction to Agricultural &amp; Careers</td>
<td>1</td>

Note: For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 349D, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

A.S. DEGREE: UNIVERSITY PREPARATION, EMPHASIS IN AGRICULTURAL SCIENCES

ABOUT THIS EMPHASIS

What is the University Preparation degree? The University Preparation degree, distinctive of the University Preparation “pathway,” is designed to prepare you for transfer to a California State University (CSU) or University of California (UC) campus. While completion of this program does not guarantee admission to a specific college or university, it allows you to complete preparatory courses that may apply toward the area of study in which you plan to major at your targeted transfer university, and complete general education requirements required by CSU and UC for bachelor’s (baccalaureate) degree. It entails an interdisciplinary approach to learning that will allow you to simultaneously meet your unique transfer goals and fulfill lower division requirements for bachelor’s degree at many CSU or UC institutions. You will do this by completing a rigorous general education experience with either the CSU-GE or IGETC general education patterns, in addition to completing an emphasis in a particular field or program. How does it work? Each emphasis has been crafted to help you prepare for upper-division coursework in a baccalaureate major at a four-year university. By fulfilling the requirements of the MUC emphasis, you will also be completing some or all lower-division preparation for baccalaureate major at the university. ASSIST (www.assist.org) is a statewide database of recorded transfer agreements between community colleges and universities. You are advised to use ASSIST in selecting courses from the emphasis to ensure that the coursework applies to your baccalaureate major. University Preparation with Emphasis Prepare for transfer with some majors at MUC Not every program at MUC offers a degree designed for transfer-oriented students. However, many programs do offer AA or AS majors which function like the emphasis for transfer-oriented students. Those majors are included on the following pages to help you make the right decision when determining the best transfer-oriented path of study.
PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Give specific examples of careers in the general agriculture area and briefly describe the prerequisites for these careers.
2. Describe the basic workforce readiness skills needed to be successful in agriculture careers today.
3. Describe the importance of the agriculture industry to the local, state and national economy.

EMPHASIS REQUIREMENTS

To earn an Associate Degree with this emphasis, the student must complete the requirements detailed in the University Preparation Pathway (p. 103) which include completion of the requirements below. See advisor for selection of courses.

TOTAL UNITS REQUIRED IN AREA OF EMPHASIS ........................................ 18

A.S. DEGREE: ANIMAL SCIENCE

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Employ the scientific method to solve agriculture problems.
2. Demonstrate safe work habits.
3. Identify careers in the Animal Agriculture Industry and describe the skills needed for those careers.
4. Describe basic management techniques used by the Animal Science industry to produce wholesome, safe, environmentally responsible animal products.

MAJOR REQUIREMENTS

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

IV. ELECTIVE COURSES - COMPLETE 4 UNITS

Any 200 level Animal Science class not listed above
Any Agriculture class not used in Area II. for breadth core
Any Animal Science class not used in Area III. for major core
No more than two units of 300 level Agriculture classes

TOTAL UNITS .................................................................................. 30

*Required
**Internship/Work Experience must be agriculture related.
Note: For Section I: Agriculture Career Courses, students must take AG 115. Students need an additional 4 units in this section by taking AG 349D, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

A.S. DEGREE: DAIRY SCIENCE

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Describe management techniques used by the dairy industry.
2. Utilize a variety of technologies in the dairy industry.
MAJOR REQUIREMENTS

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below.

TOTAL UNITS ................................................. 30

**Required

**Internship/Work Experience must be Agriculture related.

Note: For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 349A-C, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

A. S. DEGREE: Poultry Science

In this program the student will develop skills and knowledge sufficient to enter the poultry industry or to transfer to a university. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Employ the scientific method to solve agriculture problems.
2. Describe basic techniques used by the poultry science industry to produce wholesome, safe, environmentally responsible animal products.

MAJOR REQUIREMENTS

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

TOTAL UNITS ................................................. 30

For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 349A-C, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

CERTIFICATE OF ACHIEVEMENT: ARTIFICIAL INSEMINATION TECHNICIAN

The student will develop skills and knowledge sufficient enough to collect bull semen, artificially inseminate cows, and to evaluate pedigrees. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Give specific examples of careers in the artificial insemination industry.
2. Describe technologies used in the artificial insemination industry.

CERTIFICATE REQUIREMENTS

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

<table>
<thead>
<tr>

Note: For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 349A-C, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.
III. MAJOR REQUIRED COURSES - COMPLETE 13 UNITS

**ANSC 201** [NP] Beef Cattle Science ......................................................... 3
**ANSC 220** [NP] Dairy Industry/Dairy Science ........................................... 3
**ANSC 217** [NP] Advanced Breeding & Artificial Insemination ..................... 4
**ANSC 226** [NP] Dairy Breeding & Selection ............................................. 3 OR
**ANSC 216** [NP] Livestock Breeding and Selection ..................................... 3

IV. ELECTIVE COURSES - COMPLETE 3 UNITS

**ANSC 224** [NP] Dairy Feeds & Feeding .................................................. 3 OR
**ANSC 214** [NP] Livestock Feeding and Nutrition ............................................... 3

TOTAL UNITS ........................................................................................ 30

*Required
**Internship/Work Experience must be Agriculture related
Note: For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 3490, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

CERTIFICATE OF ACHIEVEMENT: VETERINARY TECHNICIAN

In this program, the student will develop skills and knowledge for entry level employment in the field of veterinary technology. This field may include small and exotic animal care, veterinary laboratory procedures and surgical techniques as well as x-ray technology, specialty animals, large animals and veterinary office procedures. This program will also assist the student in qualification for the California Registered Veterinary Technician Examination by providing the educational requirements mandated by the Veterinary Medical Board.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Give specific examples of careers in the Animal Agriculture industry and briefly describe the prerequisites for these careers.
2. Describe basic management techniques used by the Animal Science industry to produce wholesome, safe, environmentally responsible animal products.
3. Utilize a variety of technologies to gain information about the Animal Agriculture industry and apply these technologies in the analysis of specific situations.
4. Describe the economic significance of a specific area studied in animal science and explain the social/cultural benefits provided by that industry.

CERTIFICATE REQUIREMENTS

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

REQUIRED COURSES – COMPLETE 17 UNITS

**ANSC 250** [2] Veterinary Physiology, Anatomy, and Terminology ............... 3
**ANSC 251** [3] Veterinary Pharmacy Procedures ........................................ 2
**ANSC 252** [4] Veterinary Equipment: Operation Instrumentation and Safety ..... 3
**ANSC 253** [NP] Veterinary Laboratory Procedures .................................... 1
**ANSC 254** [4] Veterinary Medical Office Procedures .................................. 2
**ANSC 255** [3] Preparation for Surgical and Dental Assistance .................... 3
**ANSC 256** [3] Veterinary Assistance and Nursing: Emergency Procedures ........ 1

ELECTIVE COURSES – (NOT REQUIRED FOR CERTIFICATE)

**BIO 111** [NP] General Biology .......................................................... 4
**ANSC SS** [NP] Introduction to Veterinary Technology ............................. 3
**ANSC 200** [NP] Intro to Animal Science (Large animal oriented) ................. 3
**ANSC 215** [NP] Animal Health & Sanitation (Large animal oriented) .......... 3

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD ............. 17

*NOTE: To become a registered veterinary technician, students must meet specific requirements established by the AVMA (American Veterinary Medical Association). Please contact the MJC Agriculture Division office for advising.
Anthropology
PROGRAM (209) 575-6129

A.A.-T DEGREE: ANTHROPOLOGY

ABOUT THIS AWARD

The Associate in Arts in Anthropology for Transfer degree includes lower division coursework that is required for transfer. Anthropology examines the broad conditions and experiences of becoming and being human through a myriad of lenses: genetics and evolution, comparative primate anatomy and behavior, the bioarchaeological record, language forms, and culture. The Associate in Arts in Anthropology for Transfer degree will provide foundational training for students in anthropological concepts, methods of inquiry, and theories of human variation, change and adaptation. All academic subfields of anthropology are emphasized at MJC, including biological anthropology, cultural anthropology, linguistic anthropology and archaeology. Students will learn how to utilize and apply anthropology and its scientific and humanistic modalities. Across broad coursework, students will discover the uniqueness of being biologically human and engage the role of culture and language in the histories and politics of an interconnected, global world.

The Associate in Arts in Anthropology for Transfer degree is intended for students who plan to complete a bachelor’s degree in Anthropology at a California State University campus. Students completing this degree are guaranteed admission to the CSU System, but not to a particular campus or Anthropology. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor’s degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

THE FOLLOWING IS REQUIRED FOR THE AA DEGREE IN ANTHROPOLOGY FOR TRANSFER:

1. A minimum of 18 semester units or 27 quarter units in the major with a grade of "C" or better in each course, while maintaining a minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework.
2. Completion of 60 semester or 90 quarter unit-transferable units using the CSU-GE Breadth or the IGETC pattern.
3. Exactly 60 semester units or 90 quarter units are required for the degree.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Describe the basic concepts, methods of inquiry, and the theories of biological, cultural, linguistic and archaeological anthropology.
2. Explain how the scientific method serves as a foundation for understanding the observed variation, change and adaptation of humans and their environments.
3. Use anthropological perspectives to interpret evolutionary, historical and contemporary issues.

TOTAL UNITS REQUIRED IN A.A.-T MAJOR: 19-27

TOTAL UNITS THAT MAY BE DOUBLE-COUNTED: 21-22

UNITS REQUIRED FOR IGETC/CSU BREADTH: 7-39

CSU TRANSFERABLE ELECTIVES (AS NEEDED): 15-25

TOTAL UNITS REQUIRED FOR A.A.-T DEGREE: 60

* Note: Double counting courses in GE and the major is permissible. MJC Guidance and Activities requirements are not required for this degree.

Art
PROGRAM (209) 575-6081

A.A.-T DEGREE: ART HISTORY

The Associate in Arts in Art History for Transfer degree is intended for students who plan to complete a bachelor’s degree in Art History or other related subjects (Humanities, History, Philosophy, Interdisciplinary Studies etc.) at a CSU campus. Coursework will provide students with the study and critical analysis of great works of human expression and imagination will allow students to identify the role of the visual arts in traditional and contemporary culture, and further prepare them for the meaningful interpretation of artworks.

The Associate in Arts in Art History for Transfer degree is intended for students who plan to complete a bachelor’s degree in Studio Arts at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor’s degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate preparedness to successfully continue studies in Art History or a related subject at an upper-division level.
2. Learn the major monuments and masterpieces of the great art periods from the prehistoric to the Modern era and discern how man expresses himself through these works.
3. Demonstrate and understanding of the chronology of art developments and the vocabulary terms employed in the discussion of these developments.
4. Evaluate the basic qualities of an artwork, i.e. style, composition, color, technique, and medium.
5. Evaluate original works of art by visiting significant art museums in the San Francisco Bay Area or elsewhere.
6. Reproduce, render, and interpret ideas in a variety of media through participation in studio arts classes.

THE FOLLOWING IS REQUIRED FOR THE ASSOCIATE IN ARTS IN ART HISTORY FOR TRANSFER DEGREE:

(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

(2) Obtainment of a minimum grade point average of 2.0. All courses within the major must be completed with a C or better. A "P" (Pass).

REQUIRED CORE: (COMPLETE 9 UNITS)

A.A.-T DEGREE: STUDIO ARTS

The Associate in Arts in Studio Arts for Transfer degree focuses on the theory and practice of visual arts skills based on a foundation of both traditional and contemporary practices, with curriculum geared toward transfer to a CSU. This program will provide students with an alignment of courses required for transfer and a cohesive group of courses in the area of Studio Arts. Coursework will provide students with a variety of two- and three-dimensional media in which to develop their capacity to solve problems in new and creative ways. The study and critical analysis of great works of human expression and imagination will allow students to identify the role of the visual arts in traditional and contemporary culture, and further prepare them for meaningful participation in society as visual artists.

The Associate in Arts in Studio Arts for Transfer degree is intended for students who plan to complete a bachelor’s degree in Studio Arts at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor’s degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

THE FOLLOWING IS REQUIRED FOR THE AA DEGREE IN STUDIO ARTS FOR TRANSFER:

1. A minimum of 18 semester units or 27 quarter units in the major with a grade of C or better while maintaining a minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework.
2. Completion of 60 semester or 90 quarter CSU-transferable units using the CSU-GE Breadth or the IGETC pattern.
3. Exactly 60 semester units or 90 quarter units are required for the degree.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate preparedness to successfully continue studies in Studio Art at an upper division level.
2. Reproduce, render, and interpret ideas in a variety of media through observation.
3. Plan, design, and produce original works of art.
4. Make informed assessments of quality and effectiveness in works of art, including their own.
5. Identify and distinguish various historical periods of art and trends of contemporary practice.

REQUIRED CORE: (12 UNITS)
ART 120 [1] Basic Drawing 1 ....................................................3
ART 124 [1] Color and 2-D Foundation Design .........................3
ART 125 [2] Color and 3-D Foundation Design .........................3
ART 165 [2] History of Art 2 ....................................................3

LIST A: (3 UNITS)
ART 163 (NP) History of Modern Art ........................................3
ART 164 (NP) History of Art 1 ..................................................3
ART 169 (NP) Survey of Asian Art .............................................3

LIST B: (9 UNITS)
ART 123 (NP) Figure Drawing ..................................................3
ART 121 (NP) Basic Drawing 2 ..................................................3
ART 147 (NP) Painting 1 (in Acrylic) ........................................3
ART 148 (NP) Painting 1 (in Oils) ..............................................3
ART 108 (NP) Ceramics 1 .........................................................3
ART 140 (NP) Sculpture 1 ..........................................................3
The comprehensive MJC Art Program offers several areas of concentration: art history, ceramics, computer graphics, drawing, design, sculpture, watercolor painting, oil painting, museum studies, and photography. The program is designed to include pre-professional and professional courses, personal enrichment in specific art areas, and classes for students who plan an art-related career. Art courses help students develop a capacity for visual analysis and the ability to solve problems in new and creative ways.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate preparedness to successfully continue studies in art at an upper division level.
2. Reproduce, render, and interpret in a variety of media through observation.
3. Plan, design, and produce original works of art.
4. Make informed assessments of quality and effectiveness in works of art, including their own.
5. Identify and distinguish historical periods of art.

To earn an associate in arts degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below. Students who plan to transfer to a four-year college or university should consult the Preparation Pathway (p. 103) which includes completion of the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below. Courses should be selected with the assistance of an Athletic Training faculty advisor and a counselor to ensure that all required transfer courses are completed.

*Note: Double counting courses in GE and the major is permissible. MJC Guidance and Activities requirements are not required for this degree.

A.S. DEGREE: ATHLETIC TRAINING/SPORTS MEDICINE

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Complete the transfer pattern to successfully transfer to a four (4) year degree program.
2. Apply critical thinking to utilize protocols in regard to safely designing and monitoring the various preventive and rehabilitative techniques, as well as administering emergency care.
3. Demonstrate competence in Athletic Training concepts, NATA competencies, and NATA theoretical perspectives and current research.

PROGRAM REQUIREMENTS

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below. Courses should be selected with the assistance of an Athletic Training faculty advisor.

Athletic Training/ Sports Medicine Program

(209) 575-6269

The Athletic Training/Sports Medicine program at MJC is designed to prepare students for appropriate procedures in prevention, care, and rehabilitation of athletic injuries. This degree is also designed to transfer students to four-year institutions where they can continue their education to fulfill the requirements of the National Athletic Trainer’s Association. This will lead to the student’s eventual eligibility to challenge the national examination, and upon satisfactory completion of the required Courses and passing the exam, become a Certified Athletic Trainer.
The Auto Body program is designed to help the beginning student progress through basic procedures in body repairs and painting to entry-level job skill development. Current practices used in industry are emphasized. The course orientation examines use of trade equipment, shop safety, theory, and hands-on activities required to perform practical repair operations.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Work successfully in the autobody/collision repair industry.
2. Demonstrate compliance with current autobody industry safety and environmental standards.
3. Perform body repairs in accordance with autobody industry standards.

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below.

**REQUIRED COURSES - COMPLETE 26.5 UNITS**

- AUTC 311 [1] Basic Automotive Systems .................................................. 4
- AUBDY 301 [1] Automotive Collision Repair 1 ........................................ 5
- AUBDY 303 [3] Automotive Collision Repair 3 ....................................... 4
- AUBDY 321 [1] Automotive Spray Refinishing 1 ..................................... 2

**ELECTIVE COURSES - COMPLETE A MINIMUM OF 3.5 UNITS**

**TOTAL UNITS IN A.S. MAJOR .................................................................. 30**

**SKILLS RECOGNITION AWARD: AUTOBODY/REFINISHING**

The Auto Body program is designed to help the beginning student progress through basic procedures in body repairs and painting to entry-level job skill development. Current practices used in industry are emphasized. The course orientation examines use of trade equipment, shop safety, theory, and hands-on activities required to perform practical repair operations.
PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Comply with current industry safety and environmental regulations.
2. Perform basic refinishing techniques in accordance with industry standards.

PROGRAM REQUIREMENTS

To earn a Skills Recognition Award in Autobody Refinishing, student must complete 13 units required with a grade of C or better.

REQUIRED COURSES - COMPLETE 10 UNITS

TOTAL UNITS FOR SKILLS RECOGNITION AWARD: 10

A.S. DEGREE: AUTOMOTIVE TECHNOICN

The Automotive Technology program is designed to provide training in automobile repair, maintenance theory, study of factory manuals and publications, and applications of methods used in the auto servicing and repair industry.

The Automotive Technology program offers two levels of training: Automotive Technician and Maintenance Mechanic. The Maintenance Mechanic requires less course work. It provides the student with basic automotive skills to perform basic maintenance and service tasks.

The Technician program of instruction requires additional training in the more sophisticated technologies. This program prepares students to enter technician jobs that perform diagnostic and repair on complex automotive systems.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Perform maintenance and repair operations on complex automotive systems.
2. Perform diagnostic and repair operations on complex automotive systems.
3. Perform diagnostic and repair operations on vehicle braking and suspension systems.
4. Comply with current industry safety and environmental regulations.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement, the student must complete 32.5 total units of required and elective courses and complete the Career and Technical Education Pathway requirements.

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate compliance with current automotive industry safety and environmental standards.
2. Perform maintenance and repair operations to automotive engines and transmissions in accordance with ASE standards.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

REQUIRED COURSES: 21 UNITS

CERTIFICATE OF ACHIEVEMENT: AUTOMOTIVE SERVICE

The Automotive Technology program is designed to provide training in automobile repair, maintenance theory, study of factory manuals and publications, and applications of methods used in the auto servicing and repair industry. The Automotive Technology Program offers two levels of training: Automotive Technician and Maintenance Mechanic. The Maintenance Mechanic requires less course work. It provides the student with basic automotive skills to perform basic maintenance and service tasks. The Technician program of instruction requires additional training in the more sophisticated technologies. This program prepares students to enter technician jobs that perform diagnostic and repair on complex automotive systems.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this program, the student should be prepared to:

1. Demonstrate compliance with current automotive industry safety and environmental standards.
2. Perform routine vehicle service operations in accordance with ASE standards.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

Biological Sciences Program
(209) 575-6173

A.S. DEGREE: UNIVERSITY PREPARATION, EMPHASIS IN BIOLOGICAL SCIENCES

ABOUT THIS EMPHASIS

What is the University Preparation degree? The University Preparation degree, distinctive of the University Preparation “pathway,” is designed to prepare you for transfer to a California State University (CSU) or University of California (UC) campus. While completion of this program does not guarantee admission to a specific college or university, it allows you to complete preparatory courses that may apply toward the area of study in which you plan to major at your targeted transfer university, and to complete general education requirements required by CSU and UC for bachelor’s (baccalaureate) degree. It entails an interdisciplinary approach to learning that will allow you to simultaneously meet your unique transfer goals and fulfill lower division requirements for bachelor’s degree at many CSU or UC institutions. You will do this by completing a rigorous general education experience with either the CSU-GE or IGETC general education patterns, in addition to completing an emphasis in a particular field.
or program. How does it work? Each emphasis has been crafted to help you prepare for upper-division coursework in a baccalaureate major at a four-year university. By fulfilling the requirements of the MJC emphasis, you will also be completing some or all lower-division preparation for baccalaureate major at the university. ASSIST (www.assist.org) is a statewide database of recorded transfer agreements between community colleges and universities. You are advised to use ASSIST in selecting courses from the emphasis to ensure that the coursework applies to your baccalaureate major. University Preparation with Emphasis Prepare for transfer with some majors at MJC Not every program at MJC offers a degree designed for transfer-oriented students. However, many programs do offer AA or AS majors which function like the emphasis for transfer-oriented students. Those majors are included on the following pages to help you make the right decision when determining the best transfer-oriented path of study.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Apply the scientific method of discovery to problem solving situations in biology, mathematics, and chemistry.
2. Proficiently use the scientific vocabulary, including the key terms and concepts in biology, chemistry, and mathematics.

**REQUIRED COURSES – TAKE 12 UNITS**

---

**A.S. DEGREE: BOOKKEEPING**

In the Bookkeeping program, students learn to analyze and enter transactions in journals, post to ledgers, complete worksheets, prepare the company’s payroll, calculate employer payroll taxes, prepare the federal and state payroll tax forms, use various bookkeeping registers, prepare adjusting and closing entries, prepare classified earnings and capital statements, and prepare balance sheets. Students also learn about depreciation, bad debts, cost of goods sold, notes receivable, notes payable, inventory valuation and business taxes. The use of computers is also an important part of the bookkeeping program.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Recognize and analyze ethical issues as they apply to the business environment.

---

**CERTIFICATE OF ACHIEVEMENT: BOOKKEEPING**

The Bookkeeping Certificate is designed for students planning to enter the job market at the entry level as a bookkeeper after completing the required program courses. Student should have keyboarding skills. If not, he/she should take a beginning keyboarding course. Degrees and Certificates are awarded to students in recognition of completion of specified requirements, which indicate proficiency. All Required Courses must be passed with a “C” grade or better. Interested students should consult Business Administration faculty advisors.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Recognize and analyze ethical issues as they apply to the business environment.
2. Obtain employment as an entry-level bookkeeper.
3. Demonstrate the working knowledge required to perform the various tasks necessary in a complete accounting cycle.

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

**REQUIRED COURSES - COMPLETE 22 UNITS**

- BUSAD 310 [1] Bookkeeping 1 .................................................................3
- BUSAD 320 [2] Bookkeeping 2 .................................................................3

**TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD ................... 25**

---

**Business Administration**

**PROGRAM (209) 575-6129**

This curriculum plan is intended for those interested in transferring to a four-year college or university. Students seeking transfer to a California State University (CSU) campus should refer to the A.S.T. degree in Business Administration. Students seeking transfer to other colleges or universities should use the A.S. degree in Business Administration and choose courses which meet the entrance requirements of their intended college of transfer. Students are encouraged to consult with the business administration faculty and a counselor in order to modify the curriculum to reflect their career interests and the career goals of the major. Students who plan to pursue a Business Administration major at a four-year institution should check the catalog of the senior school for specific requirements. Visit www.assist.org for specific transfer information.

**A.S.-T DEGREE: BUSINESS ADMINISTRATION**

**ABOUT THIS PROGRAM**

This curriculum plan is intended for those interested in transferring to a four-year college or university. Students seeking transfer to a California State University (CSU) campus should refer to the A.S.T. degree in Business Administration. Students seeking transfer to other colleges or universities should use the A.S. degree in Business Administration and choose courses which meet the entrance requirements of their intended college of transfer. Students are encouraged to consult with the business administration faculty and a counselor in order to modify the curriculum to reflect their career interests and the career goals of the major. Students who plan to pursue a Business Administration major at a four-year institution should check the catalog of the senior school for specific requirements. Visit www.assist.org for specific transfer information. The Business Administration program is designed to prepare students who plan to transfer to a four-year college or university to earn a Bachelor in Arts or Science Degree. Students take classes to complete general education requirements and combine business classes in accounting, economics, marketing, and business law to complete the Business Administration program. Upon transferring to a four-year college or university, students may choose a concentration in areas such as accounting, business teacher education, executive secretarial administration, finance, insurance, international business, management information, marketing, production operations and systems management, and real estate and land use affairs.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Transfer to a CSU college.
2. Be academically prepared for upper division coursework.
3. Demonstrate the ability to recognize and analyze ethical issues as they apply to the business environment.
4. Demonstrate an understanding of business terminology.

**THE FOLLOWING IS REQUIRED FOR THE ASSOCIATE IN SCIENCE IN BUSINESS ADMINISTRATION FOR TRANSFER DEGREE:**

1. Minimum of 18 semester units in the major with a grade of C or better or “P” (Pass) while maintaining a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework.
2. Completion of 60 semester CSU transferable units using the CSU – GE breadth or the IGETC pattern.
3. Exactly 60 semester units are required for the degree.

**REQUIRED CORE: (18 UNITS)**

- BUSAD 201 [NP] Financial Accounting ..................................................4
- BUSAD 202 [NP] Managerial Accounting ..............................................4
- BUSAD 218 [NP] Business Law ..............................................................4
- ECON 101 [NP] Principles of Macroeconomics ....................................3
- ECON 102 [NP] Principles of Microeconomics .....................................3

**LIST A: COMPLETE 1 COURSE (3-5 UNITS)**

- MATH 134 [NP] Elementary Statistics ..................................................4 OR
- MATH 130 [NP] Finite Mathematics ......................................................3 OR
- MATH 138 [NP] Calculus for Business & Social Sciences .....................3

**LIST B: SELECT TWO (COMPLETE 5-8 UNITS)**

Any list A course not used above
- CSCI 201 [NP] Computer Literacy ......................................................3 AND
- BUSAD 248 [NP] Introduction to Business ..........................................3 OR
- BUSAD 210 [NP] Business Communication .........................................3

**TOTAL UNITS REQUIRED IN A.S.-T MAJOR ........................................ 27-29**
**A.S. DEGREE: BUSINESS ADMINISTRATION**

This curriculum plan is intended for those interested in transferring to a four-year college or university. Students seeking transfer to a California State University (CSU) campus should refer to the A.S.T. degree in Business Administration. Students seeking transfer to other colleges or universities should use the A.S. degree in Business Administration and choose courses which meet the entrance requirements of their intended college of transfer. Students are encouraged to consult with the business administration faculty and a counselor in order to modify the curriculum to reflect their career interests and the career goals of the major. Students who plan to pursue a Business Administration major at a four-year institution should check the catalog of the senior school for specific requirements. Visit www.assist.org for specific transfer information.

The Business Administration program is designed to prepare students who plan to transfer to a four-year college or university to earn a Bachelor in Arts or Science Degree. Students take classes to complete general education requirements and combine business classes in accounting, economics, marketing, and business law to complete the Business Administration program. Upon transferring to a four-year college or university, students may choose a concentration in areas such as accounting, business teacher education, executive secretarial administration, finance, insurance, international business, management information, marketing, production operations and systems management, and real estate and land use affairs.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Transfer to a 4 year college or university (non CSU).
2. Be academically prepared for upper division coursework.
3. Demonstrate the ability to recognize and analyze ethical issues as they apply to the business environment.
4. Demonstrate an understanding of business terminology.

To earn an Associate in Science Degree in Business Administration, the student must complete the requirements detailed in the University Preparation Pathway which include completion of the requirements below. This degree is intended for individuals who desire to transfer to a University of California (UC) campus or other four-year college (non California State University campus). Students seeking to transfer to a CSU campus should pursue the Associate in Science Transfer Degree (A.S.-T). Students are advised to consult with a counselor and visit www.assist.org in order to meet specific college or university transfer requirements.

**ELECTIVE COURSES - COMPLETE 9 UNITS**

Upon satisfactory completion of this award, the student should be prepared to:

1. Recognize and analyze ethical issues as they apply to the business environment.
2. Obtain employment in an entry-level management position within the for-profit or non-profit sector.
3. Critically analyze common management issues.
4. Demonstrate appropriate and effective business communication skills.

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below.
A. S. DEGREE: UNIVERSITY PREPARATION, EMPHASIS IN CHEMISTRY

ABOUT THIS EMPHASIS

Chemistry is the branch of physical science that deals with the elementary substances, or forms of matter, of which all bodies are composed, the laws that regulate the combination of these elements in the formation of compound bodies, and the various phenomena that accompany their exposure to diverse physical conditions.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Score the national median or higher on American Chemical Society General Chemistry Exam (full year).
2. Score the national median or higher on American Chemical Society Organic Chemistry Exam (full year).
3. Use of quantitative and/or qualitative analysis techniques to determine an unknown in a general chemistry laboratory.
4. Use of NMR, IR and other spectrum to determine an unknown organic compound.

TOTAL UNITS IN A.S. MAJOR ........................................................................28–30
The Associate in Science in Early Childhood Education for Transfer (AS-T in Early Childhood Education) degree includes lower division coursework that is required for transfer and will provide students with the opportunity to learn valuable skills in creating culturally relevant, inclusive, age-appropriate, anti-bias environments and promote optimum care and learning opportunities. The Associate in Science in Early Childhood Education for Transfer (AS-T in Early Childhood Education) includes courses that are both theoretical and practical, including topics such as curriculum development, program planning, and child growth and development from conception through adolescence. The Associate in Science in Early Childhood Education for Transfer (AS-T in Early Childhood Education) degree is intended for students who plan to complete a bachelor’s degree in Early Childhood Education at a California State University campus. Students completing this degree are guaranteed admission to the CSU System, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor’s degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

THE FOLLOWING IS REQUIRED FOR THE ASSOCIATE IN SCIENCE IN EARLY CHILDHOOD EDUCATION FOR TRANSFER (AS-T IN EARLY CHILDHOOD EDUCATION) DEGREE:

(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
(2) Obtaining of a minimum grade point average of 2.0. All courses within the major must be completed with a C or better or “P” (Pass).

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Integrate understanding of the needs, the characteristics and multiple influences on development of children birth to age eight as related to high quality care and education of young children.
2. Design, implement and evaluate environments and activities through observation, assessment, and intentional reflection that support positive, developmental play and learning outcomes for all young children.
3. Apply effective guidance and interaction strategies that support all children’s social learning, identity and self-confidence.
4. Develop strategies that promote partnerships between programs, teachers, families, and their communities.
5. Apply ethical standards and professional behaviors that demonstrate understanding and knowledge, deepening the commitment to the Early Care and Education.

PROGRAM REQUIREMENTS

To earn an Associate in Science for Transfer Degree in this major, the student must complete the requirements detailed in the TMC Pathway which include completion of the requirements below.

**CERTIFICATE OF ACHIEVEMENT: ASSOCIATE TEACHER**

The Certificates of Achievement in Child Development act as a pathway to various career opportunities in education, State of California permits, Early Intervention Assistant Personnel Competencies for California’s Early Start Program, A.A./A.S. degrees, and transfer to a university.

Teachers and administrators of funded child development programs in the State of California must hold permits issued by the California Commission on Teacher Credentialing. All certificates align with the permits issued by the State of California, Commission on Teacher Credentialing. To earn a Certificate of Achievement, the student must complete the coursework as indicated. Each course must be completed with a grade of C or better.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:
1. Design, implement and evaluate environments and activities through observation, assessment, and intentional reflection that support positive, developmental play and learning outcomes for young children.
2. Apply effective guidance and interaction strategies that support all children’s social learning, identity, and self-confidence.

**PROGRAM REQUIREMENTS**

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a C or better.

**REQUIRED COURSES - COMPLETE 24 UNITS**

**CERTIFICATE OF ACHIEVEMENT: MASTER TEACHER**

The Certificates of Achievement in Child Development act as a pathway to various career opportunities in education, State of California permits, Early Intervention Assistant Personnel Competencies for California’s Early Start Program, A.A./A.S. degrees, and transfer to a university.

Teachers and administrators of funded child development programs in the State of California must hold permits issued by the California Commission on Teacher Credentialing. All certificates align with the permits issued by the State of California, Commission on Teacher Credentialing. To earn a Certificate of Achievement, the student must complete the coursework as indicated. Each course must be completed with a grade of C or better.
PROGRAM LEARNING OUTCOMES
Upon satisfactory completion of this award, the student should be prepared to:

1. Recognize and describe the courses totaling 12 units necessary to complete this certificate and compare/contrast how the certificate is aligned with the Master Teacher.
2. Permit issued through State of California, Commission on Teacher Credentialing.
3. Apply specialized knowledge of courses from the six-unit option in the early care and education classroom (i.e., infant/toddler; early intervention; families and culture.)
4. Apply effective guidance and interaction strategies that support all children's social learning, identity and self-confidence as the lead teacher in the classroom.
5. Demonstrate an awareness and understanding of the diverse cultural aspects of child rearing and family practices and potential cultural conflicts as individuals interact.

REQUIRED COURSES - COMPLETE A MINIMUM OF 17 UNITS

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD: 24

The Clerical program is designed to prepare students for various types of office occupations in the clerical field. Clerical training involves the study of various procedures, duties, and practices applicable to many business offices, as well as the development and acquisition of basic skills necessary for success in those positions. Students learn keyboarding, records management, human relations, office software, and business computations. Career possibilities in the clerical field are numerous. Jobs exist in governmental agencies, schools, health facilities, stores, and in private businesses. Some of the career alternatives for clerical graduates are records clerk, file clerk, general office clerk, mail clerk, receptionist, word processor, and office assistant.

PROGRAM LEARNING OUTCOMES
Upon satisfactory completion of this award, the student should be prepared to:

1. Productively work as a team member with people of diverse experiences and backgrounds in a workplace environment.
2. Demonstrate the ability to competently use a wide variety of office equipment, including computers, peripherals, and non-computerized office machines.
3. Actively assist in implementing general office procedures, including records management.

PROGRAM REQUIREMENTS
To earn an associate in science degree, the student must complete the requirements detailed in the Career Technical Educational Pathway or the University Preparation Pathway which include completion of the requirements below.

REQUIRED COURSES
- OFADM 202 [1] Intermediate Keyboarding 2
- OFADM 303 [1] Keyboarding for Speed and Accuracy
- OFADM 304 [2] Professional English for Business
- OFADM 313 [1] Office Skills
- OFADM 320 [1] Telephone Techniques
- OFADM 359 [3] Introduction to Spreadsheet Software
- OFADM 362 [3] Introduction to Business Presentation Software
- OFADM 375 [4] 10-Key on the Computer

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD: 30

Communication Studies

PROGRAM
(209) 575-6081

The Communication Studies Program at Modesto Junior College offers students a variety of courses which incorporate both theory and performance instruction. These include public speaking, argumentation and debate, organizational communication, intercultural and interpersonal communication, contest speaking and forensics competition which includes debate and individual events. The MJC Forensics Team has captured a number of state and national championships. The program also offers courses in practical speech communication and voice improvement. Most courses are available to students in both day and evening hours.

A.A.-T DEGREE: COMMUNICATION STUDIES

The Associate in Arts in Communication Studies for Transfer degree includes curriculum which focuses on practical application of communication skills and communication theory. Students who complete the degree will be able to demonstrate communication competence in both personal and business relationships. The Associate in Arts in Communication Studies for Transfer is intended for students who plan to complete a bachelor's degree in Communication Studies at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements. In order to earn this A.A.-T degree, students must complete a minimum of 60 required semester units of CSU transferable coursework with a minimum GPA of 2.0.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Construct speeches and other compositions demonstrating clarity of ideas, research skills, proper source citation, logical argument, awareness of audience, and proper outlining techniques.
2. Identify and apply principles of interpersonal communication theory to build functional relationships.
3. Demonstrate critical thinking in the analysis and production of communication.
4. Adequately debate others, present platform speeches, or perform works of literature in a classroom or outside venue.

To earn an Associate in Arts for Transfer Degree in this major, the student must complete the requirements detailed in the Transfer Model Curriculum pathway. All courses must be completed with a C or better.

CERTIFICATE OF ACHIEVEMENT: COMMUNICATION STUDIES

The Certificate of Achievement in Communication Studies is designed to enhance a student’s ability to communicate in academic and professional settings. This certificate is intended to improve the communication skills of students from all majors and career plans. Students majoring in fields that require strong communication skills may use certification in Communication Studies as an alternative to completing a Communication Studies degree.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Construct speeches and other compositions demonstrating clarity of ideas, research skills, proper source citation, logical argument, awareness of audience, and proper outlining techniques.
2. Identify and apply principles of interpersonal communication theory to build functional relationships.
3. Demonstrate critical thinking in the analysis and production of communication.

Computer Applications Specialist PROGRAM
(209) 575-6129

This award is designed for students who will work in a small business performing general computer application procedures such as: document preparation, simple calculations using electronic spreadsheets, or simple database management.

CERTIFICATE OF ACHIEVEMENT: COMPUTER APPLICATIONS SPECIALIST

This award is designed for students who will work in a small business performing general computer application procedures such as: document preparation, simple calculations using electronic spreadsheets, or simple database management.

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Apply basic computer hardware, software and information technology concepts and techniques to a variety of business environments.
176

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate proficiency in applying common business productivity software to business functions, including word processing, spreadsheets, database, and presentation applications.
2. Identify software to be used to address specific business needs.
3. Demonstrate professional and effective communication skills.

**CERTIFICATE OF ACHIEVEMENT: ELECTRONICS TECHNOLOGY-COMPUTER ELECTRONICS**

**Program Learning Outcomes**

Upon satisfactory completion of this award, the student should be prepared to:

1. Perform basic computer hardware and telecommunication installations and repairs in accordance with commonly accepted industry practices.
2. Work successfully in the computer service & repair and telecommunication industries.

To earn a Certificate of Achievement, the student must complete the coursework below. All required courses must be completed with a C or better.

**Required Courses - Complete 16 Units**

- ELTEC 208* [1] The World of Electricity and Electronics .................. 3
- CMPET 214 [2, 3, 4] Microprocessor Programming and Interfacing ........... 4

## Computer Graphics Applications Program

The Computer Graphics Applications Associate Degree and Certificate program is structured to enable students to pursue a course of study and computer experience in career areas that rely on computer graphics applications. This program is designed to prepare students for employment, transfer to four-year institutions, or to allow employees within these industries to upgrade their skills.

### A.S. Degree: Computer Graphics Applications

The Computer Graphics Applications Associate Degree and Certificate program is structured to enable students to pursue a course of study and computer experience in career areas that rely on computer graphics applications. This program is designed to prepare students for employment, transfer to four-year institutions, or to allow employees within these industries to upgrade their skills.

#### Program Learning Outcomes

Upon satisfactory completion of this award, the student should be prepared to:

1. Proficiently operate software, hardware, and equipment according to industry standards.
2. Design and develop products and procedures for digital imaging, design, animation, and current and emerging technologies.

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

#### Required Courses - Complete 15 Units

- **ART 120 [1]** Basic Drawing ..................................................................................3
- **ART 124 [2]** Color and 2-D Foundation ..................................................................3
- **CMPGR 202 [1]** Introduction to Computer Graphics ............................................3
- **CMPGR 213 [3]** Applied Computer Graphics ..........................................................3
- **CMPGR 215 [3]** Business Presentation Graphics .....................................................3
- **CMPGR 235 [2]** Beginning Photoshop .....................................................................3
- **CMPGR 219 [4]** Computer Graphics Portfolio Review ...........................................1

#### Choose One of the Following Areas and Complete 9 Units

**Digital Design - Complete 9 Units**

- **CMPGR 217 [NP]** Computer Illustration Software ..................................................3
- **CMPGR 252 [NP]** Desktop Publishing for Computer Graphics .................................3
- **CMPGR 236 [NP]** Advanced Photoshop ..................................................................3

**Web Design - Complete 9 Units**

- **CMPGR 263 [NP]** Internet Literacy .......................................................................3
- **CMPGR 267 [NP]** Dreamweaver in Web Site Design .................................................3
- **CMPGR 266 [NP]** Interactive Media Design and Development ...............................3

**Animation and 3-D - Complete 9 Units**

- **CMPGR 225 [2]** 3D Graphics and Animation .............................................................3
- **CMPGR 226 [3]** 3D Graphics and Animation 2 ...........................................................3
- **CMPGR 284 [3]** Desktop Video Animation ...............................................................3

#### Total Units for A.S. Major ..................................................................................28

## Certificate of Achievement: Computer Graphics Applications

The Computer Graphics Applications Associate Degree and Certificate program is structured to enable students to pursue a course of study and computer experience in career areas that rely on computer graphics applications. This program is designed to prepare students for employment, transfer to four-year institutions, or to allow employees within these industries to upgrade their skills.

#### Program Learning Outcomes

Upon satisfactory completion of this award, the student should be prepared to:

1. Design and develop products and procedures for digital imaging, design, animation, and current and emerging technologies.
2. Proficiently operate software, hardware, and equipment according to industry standards.

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

#### Required Courses - Complete 15 Units

- **ART 124 [2]** Color and Design 1 ...........................................................................3
- **CMPGR 202 [1]** Introduction to Computer Graphics .................................................3
- **CMPGR 211 [2]** Computer Illustration Software ......................................................3
- **CMPGR 235 [2]** Beginning Photoshop .....................................................................3
- **CMPGR 252 [NP]** Desktop Publishing for Computer Graphics ..............................3

#### Elective Courses - Complete 6 Units

- **ART 120 [NP]** Basic Drawing ................................................................................3
- **CMPGR 213 [NP]** Applied Computer Graphics ..........................................................3
- **CMPGR 215 [NP]** Business Presentation Graphics .....................................................3
- **CMPGR 225 [NP]** 3D Graphics and Animation ...........................................................3
- **CMPGR 236 [NP]** Advanced Photoshop .................................................................3
- **CMPGR 266 [NP]** Interactive Media Design and Development ...............................3
- **CMPGR 267 [NP]** Dreamweaver in Web Site Design ...............................................3
- **CMPGR 284 [NP]** Desktop Video Animation ............................................................3

#### Total Units Required for Certificate of Achievement Award ................................21

## Computer Information Systems Program

The Business Computer Information Systems program is designed for students who plan to specialize in business computer applications at a four-year college. Students who wish to declare this transfer major should ask for program planning assistance from a business program advisor. Transfer institutions vary in lower division (first two years of college) major department requirements. Meeting the Modesto Junior College Associate Degree major requirements does not necessarily mean a given transfer institution’s major requirements have been met.
A.S. DEGREE: COMPUTER INFORMATION SYSTEMS

The Business Computer Information Systems program is designed for students who plan to specialize in business computer applications at a four-year college. Students who wish to declare this transfer major should ask for program planning assistance from a business program advisor. Transfer institutions vary in lower division (first two years of college) major department requirements. Meeting the Modesto Junior College Associate Degree major requirements does not necessarily mean a given transfer institution’s major requirements have been met.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate a high level of data organization techniques for information storage and retrieval processes.
2. Use these techniques to model real-world applications.
3. Demonstrate a high level of communication skills.
4. Demonstrate a high level of data analysis and application design and implementation for information technology industries.
5. Utilize software testing.
6. Utilize various code level debugging techniques.
7. Perform professional software development.
8. Demonstrate professional and effective communication skills.

To earn an associate in arts degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below. Students are urged to meet with a Computer Science faculty advisor to assist them plan their specific program for graduation.

Computer Science PROGRAM
(209) 575-6129

The Computer Science A.S. Degree program at Modesto Junior College is designed to meet the needs of non-transfer students who wish to acquire the new computer skills needed in today’s work environment. The Computer Science program provides students with a general knowledge of computer literacy and information systems, microcomputer hardware and software systems, the ability to work with a wide variety of applications software, and an opportunity to develop programming and problem-solving skills.

Students who wish to major in Computer Science and transfer to a four-year institution should ask for program planning assistance from a business program advisor. Modesto Junior College offers a Computer Science transfer major to meet the major requirement for the associate degree. Transfer institutions vary in lower division (1st two years of college) major department requirements. Meeting the Modesto Junior College Associate Degree major requirements does not necessarily mean the transfer institution’s major requirements have been met. Consult a Computer Science faculty advisor for assistance in determining the appropriate courses for the major you select.

CERTIFICATE OF ACHIEVEMENT: COMPUTER PROGRAMMING SPECIALIST

This Certificate of Achievement will prepare students to work as an entry level programmer in the areas of JAVA programming, C++ programming, or Visual BASIC programming.
A.S. DEGREE: COMPUTER SCIENCE

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate preparedness to successfully enter local industry as a software programmer, network specialist, or information systems specialist depending of degree option completed.
2. Configure and use computer hardware and software to solve most entry level business application requirements.
3. Plan, design, and implement solutions to standard computing problems.
4. Make informed assessments of the quality and effectiveness software implementations, including their own.
5. Assist and help provide training to employees in local area businesses.
6. Demonstrate a high level of communication skills.

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below. Students are urged to meet with a Computer Science faculty advisor to assist them plan their specific program for graduation.

• IMPORTANT: This program is intended to be a Transfer Program guide only. Associate Degree Requirements, general education patterns, and junior standing requirements are subject to change. It is the student’s responsibility to consult the catalog for the targeted college/university. Students may consult a business division advisor for a sample four-semester plan and more detailed program-planning guidance.

A.A. DEGREE: COMPUTER SCIENCE

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate preparedness to successfully continue studies in computer science at an upper division level.
2. Demonstrate the techniques of problem solving and programming computer based software development.
3. Demonstrate a high level of mathematical reasoning and scientific methodology.
4. Use these techniques to model real-world applications.
5. Demonstrate a high level of communication skills.

To earn an associate in arts degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below. Students are urged to meet with a Computer Science faculty advisor to assist them plan their specific program for graduation.

ABOUT THIS EMPHASIS

This class is designed as an introductory study of the many branches of earth science, geology, oceanography, meteorology, and astronomy. Topics include the scientific method, natural resources, minerals, rocks, volcanism, plate tectonics, earthquakes, weathering, erosion, geological time, fresh water, oceans, ocean currents, the ocean floor, the atmosphere, clouds, storms, climate, the sun, the moon, the solar system, stars, interstellar matter, and the formation of the universe.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Identify, describe, and explain the causes and consequences of the various physical processes that transfer energy into, within, and out of the earth system.
2. Identify, describe, and explain the causes and consequences of the various chemical processes that control the transformation of matter within the earth system.
3. Identify, describe, and explain the causes and consequences of the various interactions between the biophere and the physical components of the earth system.

EMPHASIS REQUIREMENTS

To earn an Associate in Science Degree with this emphasis, the student must complete the requirements detailed in the University Preparation Pathway (p. 103) which include completion of the requirements below. See advisor for selection of courses.

SKILLS RECOGNITION: EMERGENCY MEDICAL TECHNICIAN

EMS 390: Emergency Medical Technician (EMT) 1 prepares students for certification as an Emergency Medical Technician in the State of California. This one semester, 6 unit course is offered year round. EMT 390 is a comprehensive course that includes classroom instruction, laboratory, and clinical experience. Students are trained to provide emergency care (basic life support level) as an emergency medical service responder (police, fire, ambulance, ranger, rescue squad or industrial emergency operations). Additional lab and clinical Hours are required. Contact the Regional Fire Training Center at (209) 548-5706.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Pass the National Registry Exam for certification as an Emergency Medical Technician.
2. Demonstrate compliance with regulations of the National Registry of Emergency Medical Technician.

Course expenses vary for each individual. The estimated cost for EMS 390 is $250-450 which includes enrollment and materials fees, health clearance, books, and certification examination. For information on Financial Aid, call (209) 575-7700.

To earn a Skills Recognition Award, the student must complete the following required course with a grade of C or better.

EMS 390 [NP] Emergency Medical Technician 1 .......................................................... 6

TOTAL UNITS FOR SKILLS RECOGNITION AWARD .......................................................... 6

POLICY FOR DENIAL OF CERTIFICATION

The law provides for denial of certification for crimes or acts that may in any way be related to pre-hospital medical care i.e., sex crimes, drug crimes and crimes of violence or dishonesty. In such cases it is the applicant's responsibility to present sufficient evidence of rehabilitation to the Mountain-Valley Emergency Medical Services Agency prior to applying for certification. The Mountain-Valley EMS Agency will evaluate applicants individually. Any student considering a career as an Emergency Medical Technician, who might be denied certification, is advised to address this issue with this Agency prior to taking this course.

Mountain-Valley Emergency Medical Services Agency
1101 Standiford Ave., Suite D1
Modesto, CA 95350
(209) 529-5085
For those who love to read, write, interpret, and create, majoring or minoring in English is the right choice. English courses are designed to give proficiency in skills that are highly regarded by society: the ability to read with comprehension and critical judgment, to communicate accurately and effectively both orally and in writing, to think logically, to do research and organize materials, and to interpret and appreciate literature.

The English major can lead to a career in teaching as well as in professional fields such as law, medicine, publishing, information science, and business. In addition to pre-collegiate composition courses (ENGL 49 and ENGL 50) and transfer-level courses (ENGL 101, ENGL 102, and ENGL 103), the English program includes survey courses in English, American and world literature; introductory genre courses in poetry, fiction, and drama; and a number of topical courses such as Shakespeare, Bible as literature, ethnic literature, folklore, and children's literature. The program also offers creative writing courses in poetry, fiction, and script writing. English majors choose to take survey, writing, and literature courses based upon their areas of interest, but they should include a balanced load of genre and survey courses. Many students who become English majors at four-year colleges and universities are required to take introductory survey courses in American and British literature (ENGL 135, ENGL 136, ENGL 137, and ENGL 138). However, prospective English majors and minors are strongly urged to discuss their plans with MJC counselors and English faculty advisors regarding the specific lower-division requirements at the four-year colleges and universities they plan to attend.

**A.A.-T DEGREE: ENGLISH**

The Associate in Arts in English for Transfer (AA-T in English) degree includes lower division coursework that is required for transfer. The Associate in Arts in English for Transfer (AA-T in English) is designed for those who love to read, write, interpret, and create. A baccalaureate degree in English can lead to a career in teaching as well as in professional fields such as law, medicine, publishing, information science, and business. The English program includes survey courses in English, American, and world literature; introductory genre courses in poetry, fiction, and drama; and a number of topical courses such as Shakespeare, Bible as literature, ethnic literature, folklore, and children's literature. The program also offers creative writing courses in poetry and fiction.

The Associate in Arts in English for Transfer (AA-T in English) degree is intended for students who plan to complete a bachelor's degree in English at a California State University campus. Students completing this degree are guaranteed admission to the CSU System, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Read, comprehend, and evaluate a variety of texts and various forms of media.
2. Write clear, organized work in a style suited for its purpose and audience.
3. Create professional-looking written work that shows careful editing and properly document sources.
4. Demonstrate an appreciation of literature by reading and analyzing works from various genres, periods, and cultures.

The following is required for the Associate in Arts in English for Transfer degree:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   
   a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   
   b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

   2. Obtainment of a minimum grade point average of 2.0. All courses within the major must be completed with a C or better or “P” (Pass).

* Note: Double counting courses in GE and the major is permissible. Guidance and Activities requirements are not required for this degree.

**REQUIRED CORE: 6 UNITS**

ENGL 101 [NP] Advanced Composition & Critical Thinking ..............................................3

**LIST A: (SELECT TWO) 6 UNITS**

ENGL 135 [NP] Survey of American Literature to 1850 ..............................................3

ENGL 136 [NP] Survey of American Literature: 1850 to the Present ................................3

ENGL 137 [NP] Survey of English Literature to the Late 18th Century ............................3

ENGL 138 [NP] Survey of English Literature: Late Eighteenth Century to Present ............3

ENGL 170 [NP] Intro to Native American Literature ..................................................3

ENGL 171 [NP] Intro to African-American Literature ..................................................3

ENGL 176 [NP] Intro to Mexican Literature .................................................................3

ENGL 177 [NP] Intro to Native American Lit, Mythology, and the Oral Tradition ..........3

**TOTAL UNITS REQUIRED IN A.A.-T MAJOR ......................................................... 18**

**TOTAL UNITS THAT MAY BE DOUBLE-COUNTED ............................................. 9**

**GENERAL EDUCATION (CSU GE OR IGETC) UNITS ............................................ 37-39**

**ELECTIVE (CSU TRANSFERABLE) UNITS .......................................................... 12-14**

**TOTAL DEGREE UNITS (MAXIMUM) ................................................................. 60**
**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Identify and appraise the educational requirements for career opportunities in the horticulture industry.
2. Perform nursery practices necessary to be successful in the horticulture industry.
3. Identify landscape plants found in the Central Valley of California and describe the cultural characteristics, and growth habits, for each.
4. Demonstrate the effective work habits and inter-personal communication skills required by employers in the horticulture industry.

**MAJOR REQUIREMENTS**

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

I. AGRICULTURE CAREER COURSES — COMPLETE 5 UNITS

- AG 115 ** [ 1 ] Introduction to Agricultural Education & Careers ......................................1
- AG 249 ** [ 4 ] Agriculture Internship ........................................................................2 OR
- AG 349ABCD [NP] Work Experience Agriculture - Supervised Practice ......................1 - 4

II. AGRICULTURE SCIENCE BREADTH COURSES — COMPLETE 6 UNITS

- ANSC 200 [NP] Introduction to Animal Science ...............................................................3
- NR 200 [NP] Soils ...............................................................................................................4
- AGM 200 [NP] Introduction to Mechanical Technology ....................................................4
- AGEC 225 [NP] Agriculture Computer Applications .......................................................3 OR
- AGEC 210 [NP] Elements of Agricultural Economics ......................................................3 OR
- AGEC 200 [NP] Agricultural Accounting and Analysis ......................................................3

III. AGRICULTURE MAJOR COURSES — COMPLETE 12 UNITS

- PLSC 200 [NP] Introduction to Plant Science ....................................................................3
- EHS 201 [NP] Plant Identification & Usage 1 ...................................................................3
- EHS 202 [NP] Plant Identification & Usage 2 ...................................................................3
- EHS 210 [NP] Introduction to Environmental Horticulture Science ...............................3

IV. AGRICULTURE MAJOR ELECTIVES — COMPLETE 7 UNITS

- AGM (ANY) Any class listed in Mechanized Agriculture ..................................................1 - 4
- EHS 212 [NP] Floriculture Crop Production ....................................................................3
- EHS 215 [NP] Landscape Design ....................................................................................3
- EHS 220 [NP] Turfgrass Management .............................................................................3
- EHS 235 [NP] Plant Propagation/Production ..................................................................3
- EHS 250 [NP] Landscape Irrigation ................................................................................3
- EHS 256 [NP] Landscape Maintenance ...........................................................................3
- EHS 278 [NP] Landscape Construction and Installation ...................................................3
- EHS 280 [NP] Beginning Floral Design ..........................................................................3

**TOTAL UNITS .......................... 30**

**Required**

*Internship/Work Experience must be Agriculture related.

**Note**: For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking Ag 349D, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

**CERTIFICATE OF ACHIEVEMENT: COMMERCIAL FLORISTRY TECHNICIAN**

The Commercial Floristry Program prepares students to enter the field of Floral Design and Flower Shop Management. The program is designed to provide entry level skills, and further, to prepare students for advancement within this ever-changing and dynamic industry.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate general nursery practices of the industry, including transplanting, plant identification, identification of health related issues, and general horticulture practices necessary to be successful in the horticulture industry.
2. List at least five career opportunities in the horticulture industry, both locally and within the State of California and the United States.
3. Identify 300 plants found in the Central Valley of California and describe the cultural characteristics, as well as growth habits, for each.
4. Demonstrate good work habits and inter-personal communication skills that employers demand.

**PROGRAM REQUIREMENTS**

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

- AG 115 [ 1 ] Introduction to Agricultural Education & Careers ......................................1
- AG 349ABCD [NP] Work Experience Agriculture - Supervised Practice ......................4 OR
- AG 249 ** [ NP ] Agriculture Internship ........................................................................2

II. AGRICULTURE SCIENCE BREADTH COURSES - COMPLETE 9 UNITS

- PLSC 200 [ 1 ] Introduction to Plant Science .................................................................3
- NR 200 [NP] Soils ...............................................................................................................4
- AGM 200 [NP] Introduction to Mechanical Technology ....................................................3
- AGEC 225 [NP] Agriculture Computer Applications .......................................................3 OR
- AGEC 210 [ 1 ] Elements of Agricultural Economics ......................................................3 OR

**TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD .................... 35**

**Required**
CERTIFICATE OF ACHIEVEMENT: LANDSCAPE AND PARK MAINTENANCE

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Perform practices related to the maintenance of residential and commercial landscapes.
2. Identify landscape plants found in the Central Valley of California and describe the cultural characteristics, as well as growth habits, for each.
3. Demonstrate effective work habits and interpersonal communication skills required by employers in the landscape and park maintenance industry.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

I. MAJOR REQUIRED COURSES - COMPLETE 22 UNITS

CERTIFICATE OF ACHIEVEMENT: NURSERY PRODUCTION

In this program, the student will develop skills relating to plant identification, propagation, and growing for sale, operations, and maintenance of plant nursery equipment and structures. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Perform nursery practices necessary to be successful in the nursery production industry.
2. Identify nursery plants grown in California and describe the cultural characteristics and growth habits for each.
3. Demonstrate the effective work habits and interpersonal communication skills required by employers in the nursery production industry.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

SKILLS RECOGNITION: ETHNIC STUDIES

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Understand how race and ethnic relations have been shaped by economic, social, cultural, and political realities.
2. Demonstrate familiarity with various methodological approaches to the terrains of race and ethnicity, especially in their relation to identity, inequality, culture, and history.

To earn a Skills Recognition Award the student must complete the following coursework. Each course must be completed with a grade of C or better.

REQUIRED COURSES – COMPLETE 6 UNITS

ANTHR 102 [NP] Cultural Anthropology ................................................................. 3
HIST 107 [NP] World Civilization from the 16th Century ........................................ 3

SKILLS RECOGNITION: FIRE ACADEMY

The Fire Academy Skills Recognition Award verifies the satisfactory completion of the educational standards for Fire Fighter 1. The Academy does not meet the experience requirement for State Fire Marshal certification, but it does meet the educational and training requirements. Completion will be provided by the Technical Education division.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate compliance with state Fire Training Requirements for Firefighter I.
2. Demonstrate compliance with National Fire Protection Association Standards.

REQUIRED PREPARATION

• Satisfactory completion of FSCI 301 and EMS 350 or EMS 390 with a grade of C or better
• Satisfactory completion of a physical agility test with a valid CPAT card.
• Physician’s statement of student health

REQUIRED COURSE - COMPLETE 17 UNITS

FSCI 362 (2) Basic Fire Academy ........................................................................ 8
FSCI 363 (2) Advanced Fire Academy ................................................................. 9

TOTAL UNITS FOR SKILLS RECOGNITION AWARD ........................................... 17
FIRE SCIENCE

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate case study or interview situations, describe the requirements needed to respond to emergencies in private, public, and federal locations and discussing the rank structure and job requirements for all agencies.
2. Explain the requirements needed to respond to emergencies in private, public, and federal locations and describing the rank structure and job requirements for all agencies.
3. Explain the requirements needed to respond to emergencies in private, public, and federal locations and discussing the rank structure and job requirements for all agencies.
4. Explain the requirements needed to respond to emergencies in private, public, and federal locations and discussing the rank structure and job requirements for all agencies.
5. Explain the requirements needed to respond to emergencies in private, public, and federal locations and discussing the rank structure and job requirements for all agencies.
6. Describe the requirements needed to respond to emergencies in private, public, and federal locations and discussing the rank structure and job requirements for all agencies.

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements for certificate of achievement in Fire Science Courses.

REQUIRED COURSE - COMPLETE 3 UNITS

This program will develop entry-level job skills and knowledge in natural resources. The student will develop skills in timber cruising, log scaling, firefighting, forest inventory, and use of aerial photos sufficient to obtain entry level employment or to transfer to a university. Contact the division office in the Agriculture Building for advising assistance.

A.S. DEGREE: FORESTRY

This program will develop entry-level job skills and knowledge in natural resources. The student will develop skills in timber cruising, log scaling, firefighting, forest inventory, and use of aerial photos sufficient to obtain entry level employment or to transfer to a university. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Employ the scientific method to solve forestry problems.
2. Perform forestry practices necessary to be successful in the horticulture industry.
3. Apply forestry principles to sustainable resources management problems.
4. Demonstrate the effective, safe work habits and inter-personal communication skills required by employers in the forestry industry.

MAJOR REQUIREMENTS

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

TOTAL UNITS IN A.S. MAJOR................................. 30

*Required
**Internship/Work Experience must be Agriculture related

Note: For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 349D, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

CERTIFICATE OF ACHIEVEMENT: FORESTRY TECHNICIAN

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Practice safe work habits in an employment setting, including handling and storage of hazardous materials and operation of basic tools and equipment.
2. Apply forestry and land management skills for technical employment in the natural resource management.
3. Apply the principles of ecology, soil science, silviculture, cartography, and facilities maintenance and development to sustainable resources management problems.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

<table>
<thead>
<tr>
<th>Course</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>AG 115 * [NP] Introduction to Agricultural Education &amp; Careers</td>
<td>1</td>
</tr>
</tbody>

To earn a Certificate of Achievement in IGETC, the student must complete the requirements detailed in the IGETC Pattern. Each course must be completed with a grade of C or better. Students who plan to transfer to CSU or UC should consult with a counselor about proper selection of courses and General Education certification.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

Demonstrate proficiency in NATURAL SCIENCE by:
1. Explaining how the scientific method is used to solve problems.
2. Describing how scientific discoveries and theories affect human activities.

Demonstrate proficiency in SOCIAL AND BEHAVIORAL SCIENCE by:
1. Describing how societies and social subgroups have operated in various times and cultures.
2. Analyzing the ways that individuals act and have acted in response to their societies.
   Demonstrate proficiency in the HUMANITIES by:
   1. Demonstrating awareness of the various ways that culture and ethnicity affect individual experience and society as a whole.
   2. Demonstrating the ability to make well considered aesthetic judgments.

Demonstrate proficiency in LANGUAGE AND RATIONALITY by:
1. Describing the integration of the physiological and psychological human being.
3. Evaluating the impact of daily decisions on life and health.

To earn a Certificate of Achievement in CSU General Education, the student must complete the requirements detailed in the CSU-GE Pattern. Each course must be completed with a grade of C or better. Students who plan to transfer to CSU or UC should consult with a counselor about proper selection of courses and General Education certification.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

Demonstrate proficiency in NATURAL SCIENCE by:
1. Explaining how the scientific method is used to solve problems.
2. Describing how scientific discoveries and theories affect human activities.

Demonstrate proficiency in SOCIAL AND BEHAVIORAL SCIENCE by:
1. Describing how societies and social subgroups have operated in various times and cultures.
2. Analyzing the ways that individuals act and have acted in response to their societies.

Demonstrate proficiency in the HUMANITIES by:
1. Demonstrating awareness of the various ways that culture and ethnicity affect individual experience and society as a whole.
2. Demonstrating the ability to make well considered aesthetic judgments.

Demonstrate proficiency in LANGUAGE AND RATIONALITY by:
1. Describing the integration of the physiological and psychological human being.
3. Evaluating the impact of daily decisions on life and health.
General Studies
PROGRAM
(209) 575-6058

The Associate of Arts in General Studies with Emphasis provides an opportunity for you to earn an Associate of Arts (AA) degree in a comprehensive area of study. This degree is intended for students who may not be planning to transfer to a university in the near future. The General Studies degree is intended to provide both breadth and depth of education. Breadth is achieved by completion of the 18-unit MJC-GE Pattern for the Associate’s Degree. Depth is achieved when you complete an additional 18-unit emphasis in one of four areas: Natural Sciences, Social and Behavioral Sciences, Humanities, or Language and Rationality. By completing this pattern of study, you will have a “well rounded” education in addition to lower-division course work in related disciplines which can be used as preparation for a field of study.

A.A. DEGREE: GENERAL STUDIES, EMPHASIS IN HUMANITIES

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Describe how the performing and visual arts, literature, languages and the social sciences have influenced societies in various times.
2. Analyze ways in which the performing and visual arts, literature, languages and the social sciences allow for individuals and social groups to form creative and critical responses to their societies and environment.
3. Demonstrate awareness of the various ways that the performing and visual arts, literature, languages and the social sciences provide creative and critical venues for expressing how culture, ethics, history, belief, and ethnicity affect individual experience and society as a whole.
4. Demonstrate the ability to interpret and analyze the performing and visual arts, literature, languages and the social sciences for meaning and to forge aesthetic, moral, social, political and historical judgments.
5. Demonstrate critical thinking in the analysis of artistic, literary, linguistic and academic knowledge production using both thematic and historical synthesis.

ABOUT THIS EMPHASIS

Courses in the humanities are those that study the cultural activities and artistic expressions of human beings. Students will develop an awareness of the ways in which people throughout the ages and in different cultures have responded to themselves and the world around them in artistic and cultural creations and develop aesthetic understanding, and an ability to make value judgments.

1. Follow the Career and Technical Education Pathway for associate degree on page 101 of the 2014-2015 MJC Catalog. Satisfactory completion of this pathway will result in an associate degree from Modesto Junior College.
2. In fulfillment of the Career and Technical Education Pathway degree requirements, select and complete a General Studies emphasis from the following pages. Coursework completed in fulfillment of a General Education requirement cannot be reapplied toward a General Studies emphasis.
3. For this non-transfer emphasis, complete a minimum of 18 units from the list below. Of that 18 units, select two disciplines. Complete 6 units in each. Students may not double-count units with General Education courses.

### A.A. DEGREE: GENERAL STUDIES, EMPHASIS IN LANGUAGE & RATIONALITY

**ABOUT THIS EMPHASIS**

Courses in language and rationality are those that study English composition, communication, and analytical thinking. Students will develop the principles and applications of language toward logical thought, clear and precise expression, and critical evaluation of communication whatever symbol system the students use.

Follow the Career and Technical Education Pathway for associate degree on page 101 of the 2014-2015 MJC Catalog. Satisfactory completion of this pathway will result in an associate degree from Modesto Junior College.

**TOTAL UNITS IN EMPHASIS** 18
A.A. DEGREE: GENERAL STUDIES, EMPHASIS IN NATURAL SCIENCES

ABOUT THIS EMPHASIS

Courses in the natural sciences are those that examine the physical universe, its life forms, and its natural phenomena. Students will develop an appreciation and understanding of the scientific method and an understanding of the relationships between science and other human activities.

1. Follow the Career and Technical Education Pathway for associate degree on page 101 of the 2014-15 MJC Catalog. Satisfactory completion of this pathway will result in an associate degree from Modesto Junior College.

2. Coursework completed in fulfillment of a General Education requirement cannot be reapplied toward this General Studies emphasis.

3. For this non-transfer emphasis, complete a minimum of 18 units from the list below according to either Concentration A or B. Students may not double-count units with General Education courses.
   - Concentration A: Of these 18 units, complete 6 units in each of two different disciplines or groups of disciplines* below.
   - Concentration B: Of these 18 units, complete 12 units in one discipline or group of disciplines* below.

* The following disciplines may be grouped together for the purpose of meeting Concentration A or B: Allied Health Sciences Group: BIO 101 OR 111 OR 116, CHEM 143, CHEM 144, PSYCH 103, and any courses listed below in ANAT, AP, MICRO, or PHYSO. Earth and Space Sciences Group: Any courses listed below in ASTRO, EASCI, GEOL, or METEO. Life Sciences Group: Any courses listed below in BIO, BOT, or ZOOL.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Apply the scientific method as a foundation for the natural sciences.
2. Describe evolution as it applies to life and/or the physical universe.
3. Describe the physical universe and/or its life forms and its natural phenomena.
4. Demonstrate the relationships between science and other human activities.

REQUIRED COURSES

For this non-transfer emphasis, complete a minimum of 18 units from the list below. Of that 18 units, select two disciplines. Complete 6 units in each.

AG 376 Basic Science and Laboratory Techniques .............................................. 3
ANAT 125 Human Anatomy .............................................................................. 5
ANSC 200 Introduction to Animal Science ....................................................... 4

TOTAL UNITS IN EMPHASIS .................................................................... 18

A.A. DEGREE: GENERAL STUDIES, EMPHASIS IN SOCIAL & BEHAVIORAL SCIENCE

ABOUT THIS EMPHASIS

Courses in the social and behavioral sciences are those that focus on people as members of society. Courses will stimulate critical thinking about the ways people act and have acted in response to their societies and will promote appreciation of how societies and social subgroups operate.

To earn an associate in arts degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 101) which include completion of the requirements below...
PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Describe and demonstrate the methodology and approach employed in the study of Behavioral and Social Sciences.
2. Critically examine local, national, and global issues as they pertain to the study of Behavioral and Social Sciences.

REQUIRED COURSES - COMPLETE 18 UNITS

*For this non-transfer emphasis, complete a minimum of 18 units from the list below. Of that 18 units, select two disciplines and complete 6 units in each discipline. Students may not double-count units with General Education courses.

- ADJU 201 Introduction to Administration of Justice .......................... 3
- ADJU 202 Principles/Procedures of Justice ........................................ 3

Geography

PROGRAM
(209) 575-6129

A. A.-T DEGREE: GEOGRAPHY

Geography is the study of spatial aspects of the physical environment, human activities, and the nature of their interactions. Geography draws upon theories from both the physical and social sciences. As physical scientists, geographers study earth processes and the resulting features; climate, soils, vegetation, tectonics, landforms and resources. As social scientists, geographers examine human behaviors and the patterns humans create through economics, religion, language, urbanization, folk and popular culture, and ethnic identities which are reflected in the landscape. Geography utilizes a regional approach to examine the interrelationships between the physical environment, economy, culture, politics and history of specific locations, such as California, Europe or Asia.

The Associate in Arts in Geography for Transfer (AA-T in Geography) degree is intended for students who plan to complete a bachelor’s degree in Geography at a California State University campus. Students completing this degree are guaranteed admission to the CSU System, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor’s degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.
THE FOLLOWING IS REQUIRED FOR THE ASSOCIATE IN ARTS IN GEOGRAPHY FOR TRANSFER (AA-T IN GEOGRAPHY) DEGREE:

(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

(2) Obtainment of a minimum grade point average of 2.0. All courses within the major must be completed with a C or better or “P” (Pass).

**Note: Double counting courses in GE and the major is permissible. Guidance and Activities requirements are not required for this degree.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Assess the relationship between humans and the environment.
2. Describe and analyze spatial patterns of geographic phenomena.
3. Describe geographical methodology as it pertains to spatial patterns and the application of the scientific method to global problems.

PROGRAM REQUIREMENTS

To receive an Associate of Arts for Transfer degree in Geography, the student must complete the requirements detailed in the Transfer Model Curriculum Pathway. All courses must be completed with a C or better or “P” (Pass).

Geology
PROGRAM
(209) 575-6173

A.S.-T DEGREE: GEOLOGY

The Associate in Science in Geology for Transfer degree includes lower division coursework that is required for transfer and which focuses on the mastery of the identification of earth materials and the use of geologic maps, stratigraphic sections, and remote sensing imagery, using these techniques to model real-world applications.

The Associate in Science in Geology for Transfer degree is intended for students who plan to complete a bachelor’s degree in Geology at a California State University campus. Students completing this degree are guaranteed admission to the CSU System, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor’s degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Identify the rock-forming minerals, ore minerals, igneous rocks, sedimentary rocks, and metamorphic rocks, utilizing the physical and chemical properties of each.
2. Analyze and interpret stratigraphic columns, geologic profiles, and geologic and topographic maps to determine the geological and structural history of a given region.
3. Analyze the geological hazards of a given region based on identification of the tectonic and erosional processes acting on the landscape.

The following is required for the Associate in Science in Geology for Transfer degree:

• 60 semester or 90 quarter CSU-transferable units.
• The Intersegmental General Education Transfer Curriculum (IGETC) pattern.
• A minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district.
• Obtainment of a minimum grade point average (GPA) of 2.0.
• Earn a grade of C or better in all courses required for the major or area of emphasis.

ELECTIVE (CSU TRANSFERABLE UNITS) 0-3

TOTAL UNITS REQUIRED FOR THE A.S.-T DEGREE 60

*Note: Double counting courses in GE and the major is permissible. Guidance and Activities requirements are not required for the Associate in Science in Geology for Transfer degree.
**SKILLS RECOGNITION: GERONTOLOGY**

Completion of the Gerontology program will provide the holder with the skills, knowledge, and education necessary to work with the elderly. It also provides training and growth opportunities for existing human service employees. In addition, this Skills Recognition Award in Gerontology will serve as another step in an educational and career ladder leading to a Human Services Skills Recognition Award, certificate and/or degree. All course work will be applicable as electives and/or meet the requirements for the Human Services degrees at MJC.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate an understanding of gerontology, family systems, and the psychology of aging as it relates to individual, family, and group counseling.
2. Exhibit effective, communication, clinical skills, body language, and written abilities with the elderly.
3. Demonstrate an understanding of theoretical philosophies, biology, life span, environmental or psychosocial stressors, and the relation to gerontological counseling.
4. Conduct a basic assessment, interview, intervention, case plan, individual counseling, and group session with the aged.

**PROGRAM REQUIREMENTS**

To earn a Skills Recognition Award in Gerontology, the student must complete the following coursework. Each course must be completed with a C or better.

**REQUIRED COURSES: COMPLETE 9 UNITS**

**Health and Physical Education Program**

**A.S. DEGREE: UNIVERSITY PREPARATION, EMPHASIS IN HEALTH AND PHYSICAL EDUCATION**

Health Science draws from the biological, environmental, psychological, social, physical, and medical sciences to develop individual, group, institutional, community, and systemic strategies to improve health knowledge and attitudes as well as skills and behavior. Physical Education, also known as Kinesiology, is the scientific study of human movement, addressing physiological, mechanical, and psychological mechanisms.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate a working knowledge of the anatomy, physiology, and microbiology of the human body in order to enter the nursing program.
2. Demonstrate a working knowledge of the anatomy and physiology of the human body in order to enter a university level physical education program.
3. Succeed on the nursing board exams in sections related to these disciplines.

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the University Preparation Pathway which include completion of the requirements below. See advisor for selection of courses.

**REQUIRED COURSES: COMPLETE 19 UNITS**

*This University Prep Degree serves two distinct student populations: The student seeking a 4 year University Degree in Physical Education/Kinesiology and the student who has completed the Nursing Pathway prerequisites and wishes to receive an AS degree prior to entering an ADN Program.

**In the past, ANAT 125 and PHYSO 101 were only 4 units. Students may use these courses as substitutes for those above but must achieve a minimum of 18 unit’s total. If needing an additional unit, students may use MICRO 101 or CHEM 144. Students should visit the Science and Mathematics division office to petition for these substitution options.
A.A.-T DEGREE: HISTORY

The Associate in Arts in History for Transfer (A.A.-T in History) degree includes lower division coursework that is required for transfer and will provide students with the opportunity to learn valuable skills in critical thinking and writing as they explore a variety of historical topics in world and western civilizations and American history. The A.A.-T in History includes courses that explore world and U.S. history, political institutions, and social and cultural influences.

The Associate in Arts in History for Transfer (A.A.-T in History) degree is intended for students who plan to complete a bachelor's degree in history at a California State University campus. Students completing this degree are guaranteed admission to the CSU System. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

PROGRAM LEARNING OUTCOMES

Upon completion of this award, the student should be prepared to:

1. Describe and explain the role of politics, economics, and cultural developments on societies around the world and through time.
2. Critically analyze historical events in order to write an interpretation of a specific historical topic.
3. Engage in public discourse about current issues impacting our nation with the knowledge of how the past has shaped these issues.

The following is required for the Associate in Arts in History for Transfer (A.A.-T in History) degree:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2.Obtainment of a minimum grade point average of 2.0.

ADTs also require that students must earn a C or better or “P” (Pass) in all courses required for the major or area of emphasis.

*Note: Double counting courses in GE and the major is permissible. Guidance and Activities requirements are not required for this degree.

HUMAN SERVICES

PROGRAM (209) 575-6129

A.A. DEGREE: HUMAN SERVICES

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate an understanding of the Human Services, delivery systems, and application of the code of ethics as it relates to the Human Service profession.

2. Exhibit effective, communication, body language, and written abilities.

3. Demonstrate an understanding of theoretical orientations, social problems, and the relation to clinical or group practice with individuals, families, groups, communities, and organizations.

4. Comprehend the wide range of Human Service employment options, historical perspectives, and the populations served.

5. Conduct an elementary assessment, interview, intervention, referral, individual counseling, and group session.

PROGRAMS OFFERED

To earn an associate in arts degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below.

REQUIRED COURSES - COMPLETE 17 UNITS

HUMSR 101 [1] Introduction to Human Services ........................................... 3
HUMSR 110 [2] Introduction to Interviewing, Counseling............................ 3
HUMSR 112 [3] Death and Dying .............................................................. 3
HUMSR 144 [NP] Community Agency Practicum Discussion ......................... 1
HUMSR 145ABD [NP] Community Agency Practicum .................................. 1,2,4
HUMSR 116 [1] Drugs and Alcohol in Society ............................................. 3
SOCI 150 [NP] Minorities in America ......................................................... 3 OR
SOCI 156 [NP] Mexican Culture in the United States ................................. 3

ELECTIVE COURSES - COMPLETE 3 UNITS

ANTHR 102 [2] Cultural Anthropology ..................................................... 3
HUMSR 103 [NP] Introduction to Human Service Careers ........................ 0.5
HUMSR 113 [NP] Co-Occurring Disorders ............................................... 3
HUMSR 119 [NP] Introduction to Group Leadership & Group Process ........ 3
HUMSR 120 [NP] Professional Devt. in the Helping Professions ............... 3
SOCI 101 [1] Introduction to Sociology .................................................. 3
SOCI 125 [3] Sociology of the Family ..................................................... 3

MINIMUM UNITS IN A.A. MAJOR ......................................................... 20

CERTIFICATE OF ACHIEVEMENT: HUMAN SERVICES

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate an understanding of the Human Services, delivery systems, and application of the code of ethics as it relates to the Human Service profession.

2. Exhibit effective, communication, body language, and written abilities.

3. Demonstrate an understanding of theoretical orientations, social problems, and the relation to clinical or group practice with individuals, families, groups, communities, and organizations.

4. Comprehend the wide range of Human Service employment options, historical perspectives, and the populations served.

TO EARN A CERTIFICATE OF ACHIEVEMENT, THE STUDENT MUST COMPLETE THE FOLLOWING COURSEWORK. EACH COURSE MUST BE COMPLETED WITH A GRADE OF C OR BETTER.

REQUIRED COURSES - COMPLETE 27 UNITS

HUMSR 103 [1] Introduction to Human Service Careers .......................... 0.5
GUIDE 110 [1] Introduction to College .................................................. 0.5
HUMSR 101 [1] Introduction to Human Services ....................................... 3
HUMSR 110 [1] Introduction to Interviewing, Counseling ......................... 3
HUMSR 116 [1] Drugs and Alcohol in Society ......................................... 3
HUMSR 120 [2] Professional Development in the Helping Professions ....... 3
SOCI 150 [2] Ethnicity and Culture in America ........................................ 3 OR
SOCI 125 [2] Sociology of the Family .................................................. 3
HUMSR 144 [NP] Community Agency Practicum Discussion .................... 1
HUMSR 145ABD [NP] Community Agency Practicum .............................. 1,2,4
PSYCH 130 [2] Personal Adjustment .................................................... 3 OR
PSYCH 141 [2] Human Life Span ......................................................... 3

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD ............. 27

Humanities
PROGRAM
(209) 575-6081

A.A. DEGREE: UNIVERSITY PREPARATION, EMPHASIS IN HUMANITIES

EMPHASIS REQUIREMENTS

To earn an Associate Degree with this emphasis, the student must complete the requirements detailed in the University Preparation Pathway (p. 103) which include completion of the requirements below. See advisor for selection of courses.

ABOUT THIS EMPHASIS

The humanities include, but are not limited to, the history, theory, comparison, and criticism of a broad range of subjects in the liberal arts, including pictorial, plastic, musical, and performance arts; literature; philosophy; foreign languages and cultures; mythology and comparative religion; and those aspects of the social sciences (such as history and cultural anthropology) that use historical and interpretive rather than quantitative methods of inquiry. The humanities enable us to reflect upon our lives and ask fundamental questions of value, purpose, and meaning in a rigorous and systematic way.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

Industrial Electronics

PROGRAM (209) 575-6332

The Electronics Technology Program prepares students to enter industry as Electronics Technicians or to transfer to a four-year university program. An Industrial Electronics study option and a Computer Electronics study option are available. Students receive theoretical and laboratory instruction in electrical/electronic principles, analog and digital devices, electrical/electronic systems, computer hardware, industrial equipment and control systems. Consult with an Electronics Advisor for selection of courses and options. Classes in Electronics Technology are offered in theoretical and manipulative skills leading to the associate degree. Students may also select a program for transfer to a state university.

A.S. DEGREE: INDUSTRIAL ELECTRONICS

The Electronics Technology Program prepares students to enter industry as Electronics Technicians or to transfer to a four-year university program. CERTIFICATE OF ACHIEVEMENT: INTERNATIONAL BUSINESS

The International Business Certificate of Achievement is designed for students seeking an entrepreneurial or organizational career in global commerce. It may be obtained as an individual certificate or incorporated into other appropriate majors. Courses are designed to provide an essential understanding of both domestic and international business practices. Economic and cultural and ethical considerations are addressed in relation to business of all sizes and types.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Describe economic, cultural, and ethical differences in conducting business.
2. Gain employment in an organization or pursue entrepreneurial aspirations in global commerce.
3. Explain domestic and international business practices.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement in International Business, the student must complete the coursework as indicated below. Each course must be completed with a grade of C or better.

REQUIRED COURSES - COMPLETE 17 UNITS

BUSAD 201 [1] Financial Accounting ...................................................... 4
BUSAD 208 [1] Introduction to International Business ............................... 3
BUSAD 218 [2] Business Law ................................................................. 4
BUSAD 240 [1] Principles of Management ................................................. 3 OR
BUSAD 248 [1] Introduction to Business .................................................. 3 OR
CSCI 201 [2] General Computer Literacy ............................................... 3

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD ............... 17

Language Studies
PROGRAM (209) 575-6159

A.A. DEGREE: UNIVERSITY PREPARATION, EMPHASIS IN LANGUAGE STUDIES

What is the University Preparation degree? The University Preparation degree, distinctive of the University Preparation “pathway,” is designed to prepare you for transfer to a California State University (CSU) or University of California (UC) campus. While completion of this program does not guarantee admission to a specific college or university, it allows you to complete preparatory courses that may apply toward the area of study in which you plan to major at your targeted transfer university, and to complete general education requirements required by CSU and UC for bachelor’s
(baccalaureate) degree. It entails an interdisciplinary approach to learning that will allow you to simultaneously meet your unique transfer goals and fulfill lower division requirements for bachelor’s degree at many CSU or UC institutions. You will do this by completing a rigorous general education experience with either the CSU-GE or IGETC general education patterns, in addition to completing an emphasis in a particular field or program. How does it work? Each emphasis has been crafted to help you prepare for upper-division coursework in a baccalaureate major at a four-year university. By fulfilling the requirements of the MIC emphasis, you will also be completing some or all lower-division preparation for baccalaureate major at the university. ASSIST (www.assist.org) is a statewide database of recorded transfer agreements between community colleges and universities. You are advised to use ASSIST in selecting courses from the emphasis to ensure that the coursework applies to your baccalaureate major. University Preparation with Emphasis Prepare for transfer with some majors at MIC. Not every program at MIC offers a degree designed for transfer-oriented students. However, many programs do offer AA or AS majors which function like the emphasis for transfer-oriented students. Those majors are included on the following pages to help you make the right decision when determining the best transfer-oriented path of study.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Converse in at least two languages.
2. Communicate in writing in at least two languages.
3. Read critically, interpret analytically, and write coherently in at least two languages.
4. Understand and demonstrate appreciation of cultural differences.

EMPHASIS REQUIREMENTS

To earn an Associate Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

REQUIRED COURSES - COMPLETE 3 UNITS

ENGL 103 Advanced Composition and Critical Thinking ........................................ 3

COMPLETE 14 UNITS IN ONE OR TWO LANGUAGES FROM THE FOLLOWING:

FREN 101 [NP] French 1 ........................................................................................................ 5

Machine Tool Technology

PROGRAM

(209) 575-6332

The Machine Tool Technology program is designed to provide training in the operation of traditional manual as well as computer operated machine tools used to produce the mechanical components used in all industrial applications. Students will receive instruction the use of lathes, milling machines, precision grinders as well as the theory and practice of precision dimensional measurement.

A.S. DEGREE: MACHINE TOOL TECHNOLOGY

The Machine Tool Technology program is designed to provide training in the operation of traditional manual as well as computer operated machine tools used to produce the mechanical components used in all industrial applications. Students will receive instruction the use of lathes, milling machines, precision grinders as well as the theory and practice of precision dimensional measurement.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate compliance with current machine shop safety and environmental regulations.
2. Perform mill, lathe, drill press, precision grinding, measurement, and basic CNC operations in accordance with industry recognized and accepted practices.

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the 27 Required units, 3 elective units. The classes within this series is intended to address the needs of those who wish to obtain an AS degree in Machine Tool Technology or are interested in advancing the skills developed while obtaining the Machine Tool Technology 1 certificate.

REQUIRED COURSES - COMPLETE 27 UNITS

MACH 211E [1] Machine Tool Technology 1 .................................................................. 5
WELD 200 [1] Arc & Gas Welding ................................................................................. 3
MACH 219 [2] Introduction to CNC Mill Programming .................................................... 2
MACH 357 [1] Machine Trades Print Reading .................................................................. 2

COMPLETE 2 UNITS FROM THE FOLLOWING:

MACH 395ABC [NP] Advanced Mach Tool Technology Lab ........................................... 1 - 3
MACH 218 [3] Introduction to CNC Lathe Programming ................................................. 2

ELECTIVE COURSES - COMPLETE 3 UNITS

& Flux Core Arc Welding (F.C.A.W) ................................................................................ 3

TOTAL UNITS IN A.S. MAJOR ............................................................................................ 30
MACHINE TOOL TECHNOLOGY

CERTIFICATE OF ACHIEVEMENT: MACHINE TOOL TECHNOLOGY 1

The Machine Tool Technology program is designed to provide training in the operation of traditional manual as well as computer operated machine tools used to produce the mechanical components used in all industrial applications. Students will receive instruction the use of lathes, milling machines, precision grinders as well as the theory and practice of precision dimensional measurement.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate compliance with current machine shop safety and environmental regulations.
2. Perform mill, lathe, drill press, precision grinding, measurement, and basic CNC operations in accordance with industry recognized and accepted practices.

To earn a Certificate of Achievement Award, student must complete the 16 required units. Each course must be completed with a C or better.

REQUIRED COURSES – COMPLETE 16 UNITS

- MACH 213 [3 or 4] Machine Tool Technology 3 .................................................. 4

TOTAL REQUIRED UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD .......... 16

CERTIFICATE OF ACHIEVEMENT: MACHINE TOOL TECHNOLOGY 2

The Machine Tool Technology program is designed to provide training in the operation of traditional manual as well as computer operated machine tools used to produce the mechanical components used in all industrial applications. Students will receive instruction the use of lathes, milling machines, precision grinders as well as the theory and practice of precision dimensional measurement.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate compliance with current machine shop safety and environmental regulations.
2. Perform operations using manual mills, lathes, drill press, precision grinders, conduct basic precision measurement, and program and operate basic CNC lathes and milling machines in accordance with industry recognized and accepted practices.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement, student must complete the 27 required units and 3 units from the choice of elective courses.

REQUIRED COMPETENCIES FOR CERTIFICATE

- MATH 20 Pre-Algebra ......................................................................................... 5

REQUIRED COURSES - COMPLETE 27 UNITS

- MACH 219 [2] Introduction to CNC Mill Programming ...................................... 2
- MACH 357 [1] Machine Trades Print Reading ..................................................... 2

COMPLETE 2 UNITS FROM THE FOLLOWING:

- MACH 395ABC [NP] Advanced Mach Tool Technology Lab ......................... 1-3
- MACH 218 [3] Introduction to CNC Lathe Programming .................................. 2

ELECTIVE COURSES - COMPLETE 3 UNITS

TOTAL UNITS FOR THE CERTIFICATE OF ACHIEVEMENT AWARD .......... 30

SKILLS RECOGNITION: CNC OPERATOR

The Machine Tool Technology program is designed to provide training in the operation of traditional manual as well as computer operated machine tools used to produce the mechanical components used in all industrial applications. Students will receive instruction the use of lathes, milling machines, precision grinders as well as the theory and practice of precision dimensional measurement.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate compliance with current CNC machining safety and environmental regulations.
2. Perform CNC machine shop operations in accordance with industry recognized and accepted practices.

To earn a Skills Recognition Award, student must complete the 6 required units. This series of courses is intended to give the student a sufficient skill base to be able to operate and to edit programs for basic CNC lathes and CNC milling machines that are commonly used in manufacturing applications.

REQUIRED COURSES

- MACH 219 [1] Introduction to CNC Mill Programming ...................................... 2
- MACH 222 [1] CNC Machine Operations ......................................................... 2

TOTAL UNITS FOR SKILLS RECOGNITION AWARD ........................................ 6

SKILLS RECOGNITION: CNC PROGRAMMER

The Machine Tool Technology program is designed to provide training in the operation of traditional manual as well as computer operated machine tools used to produce the mechanical components used in all industrial applications. Students will receive instruction the use of lathes, milling machines, precision grinders as well as the theory and practice of precision dimensional measurement.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Manually format and produce a word address format code that will operate a vertical machining to center spot, drill, bore, tap, and countersink a combination of ten holes within one hour.
2. Produce word address format code that will operate a vertical machining center to produce a part of moderate complexity within one hour.

3. Manually input and properly format a word address format program that will produce a part on a CNC lathe that will have three turned diameters, at least one chamfered and one radiused edge within one hour.

PROGRAM REQUIREMENTS

To earn a Skills Recognition Award, the student must complete the coursework below. Each course must be completed with a C or better.

REQUIRED COURSES – COMPLETE 8 UNITS

MACH 218 [ 2 ] Introduction to CNC Lathe Programming ......................................... 2
MACH 219 [ 1 ] Introduction to CNC Mill Programming ............................................ 2
MACH 222 (NP) CNC Machine Operations .............................................................. 2

ELECTIVE COURSES: COMPLETE 2 UNITS

MACH 311 (NP) CNC Programming with Macros .................................................. 1
MACH 312 (NP) 4 Axis Mill Programming and Operation ......................................... 1
MACH 315 (NP) 3D Part Programming for CNC ..................................................... 1

TOTAL UNITS FOR SKILLS RECOGNITION AWARD ........................................ 10

SKILLS RECOGNITION: MAINTENANCE MACHINIST 1

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate compliance with current machine shop safety and environmental regulations.

2. Perform manual machine shop operations in accordance with industry recognized and accepted practices.

To earn a Skills Recognition Award, student must complete the 9 units. This series of courses is intended to meet the needs of those students interested in pursuing career opportunities in the machining and plant engineering and maintenance fields. The Maintenance Machinist series of classes are similar in content to the Machine Tool Tech classes offered during the day.

REQUIRED COURSES – COMPLETE 9 UNITS

MACH 301 [ 1 ] Machine Shop 1 .............................................................................. 3
WELD 200 [ 2 ] Arc & Gas Welding ................................................................. 3
MACH 357 [1] Machine Trades Print Reading ......................................................... 2

ELECTIVE COURSES - COMPLETE 5 UNITS

ELTEC 320 (NP) Electrical Safety ....................................................................... 1
ELTEC 265 (NP) Troubleshooting Techniques ....................................................... 1
ELTEC 300 (NP) Survey of Applied Technologies .................................................. 3
AGM 214 (NP) Equipment Service and Safety ..................................................... 1

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD .................. 21

CERTIFICATE OF ACHIEVEMENT: MAINTENANCE MACHINIST 2

The Machine Tool Technology program is designed to provide training in the operation of traditional manual as well as computer operated machine tools used to produce the mechanical components used in all industrial applications. Students will receive instruction the use of lathes, milling machines, precision grinders as well as the theory and practice of precision dimensional measurement.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate compliance with current machine shop safety and environmental regulations.

2. Perform manual machine shop operations in accordance with industry recognized and accepted practices.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement, student must complete the following requirements.

REQUIRED COMPETENCIES FOR CERTIFICATE

MATH 20 Pre-Algebra ............................................................................................. 5 OR
Eligibility for MATH 70 by MJC assessment process.
The Marketing program is designed for those students interested in activities relating to the presentation, purchase, and distribution of goods and services in profit and nonprofit organizations. Students will learn the central role that marketing plays in organizations of every size and type, public and private.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Recognize and analyze ethical issues as they apply to the marketing environment.
2. Apply communication strategies for various audiences and contexts.
3. Apply fundamental sales and marketing techniques.

To earn an Associate in Science Degree, the student must complete the MJC Associate Degree Requirements in addition to the following coursework. Degrees are awarded to students in recognition of completion of specified requirements, which indicate proficiency. All Required Courses must be passed with a "C" grade or better. Interested students should consult Business Administration faculty advisors.

**REQUIRED COURSES: COMPLETE 18 UNITS**

- BUSAD 240 [1] Principles of Management ......................................................... 3
- BUSAD 245 [1] Principles of Marketing ................................................................. 3
- CSCI 201 [1] General Computer Literacy ............................................................ 3

**ELECTIVE COURSES - COMPLETE 9-12 UNITS**

- BUSAD 310 [1] Bookkeeping 1 ............................................................................ 3 OR
- BUSAD 200 [2,3] Spreadsheet Skills for Financial Accounting ....................... 2 OR
- OFADM 359 [2] Introduction to Spreadsheet Software ....................................... 1 OR
- BUSAD 248 [2] Introduction to Business .............................................................. 3
- BUSAD 208 [1,2] Introduction to International Business ..................................... 3
- BUSAD 209 [1,2] Import/Export Fundamentals ................................................... 3
- BUSAD 364 [1,1,2,2] Total Quality Management ................................................. 3

**Mathematics**

**PROGRAM PROGRAM**

**PHONE** (209) 575-6173

The Associate in Science in Mathematics for Transfer degree includes curriculum which focuses on the mastery of integration and differentiation and using these techniques to model real-world applications. The Associate in Science in Mathematics for Transfer degree is intended for students who plan to complete a bachelor's degree in Mathematics or a related field of study offered at various campuses in the California State University system. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that accepts this degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. The Associate in Science in Mathematics for Transfer degree also offers the appropriate preparation for students who plan to complete a bachelor's degree in Mathematics at various campuses in the University of California system. However, students completing this degree are not guaranteed admission to the UC system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

The following is required for the AS Degree in Mathematics for Transfer:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA.
3. Completion of 25 semester units in the major. All courses in the major must be completed with a grade of C or better.
4. Certified completion of the California State University General Education-Breadth pattern (CSU-GE Breadth); OR, the Intersegmental General Education Transfer Curriculum (IGETC) pattern.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Successfully complete upper division coursework in mathematics.
2. Master the techniques of integration and differentiation.
3. Use these techniques to model real-world applications.

To earn an Associate in Science for Transfer degree in this major, the student must complete the requirements detailed in the Transfer Model Curriculum pathway All courses must be completed with a C or better.

**REQUIRED COURSES: COMPLETE 25 UNITS:**

- MATH 171 [NP] Calculus: First Course ................................................................. 5
- MATH 172 [NP] Calculus: Second Course ......................................................... 5
- MATH 173 [NP] Calculus: Third Course ............................................................. 5
- MATH 174 [NP] Introduction to Differential Equations and Linear Algebra ......... 5
- PHYS 101 [NP] General Physics: Mechanics ..................................................... 5

**PROGRAMS**
Medical Assisting
PROGRAM
(209) 575–6373

The Modesto Junior College Medical Assisting Program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Medical Assisting Education Review Board (MAERB).

Commission on Accreditation of Allied Health Education Programs
1361 Park Street
Clearwater, FL 33756
(727) 210-2350

This program prepares students to take the national certification exam offered by the AAMA to become a Certified Medical Assistant (CMA). Medical assisting students at MJC receive transferable college credit for coursework. Many of the program graduates further their education by obtaining an A.S. Degree in Medical Assisting and/or Nursing.

The estimated program cost of $2,500 includes a $46/unit enrollment fee, a materials fee, various student fees, as well as uniform, books, certification exam, and clinical clearance process. Program cost at Modesto Junior College is very competitive with the cost of medical assisting programs offered by local trade schools. If you would like information on Financial Aid, call (209) 575-7700.

The Medical Assisting Program begins in the fall semester of each year. It is a full-time, eight-month, certificate program offering training in administrative (front) and clinical (back) office procedures. In addition to the reasonable cost of this program, students of Modesto Junior College have the added benefit of college credit and comprehensive student services. If you have questions about program information, call Allied Health, 575-6362 or visit the Allied Health website at www.mjc.edu/alliedhealth and search Medical Assisting Programs. For academic advising, contact Shirley Buzbee, Medical Assisting Program Director, 575-6377.

ELIGIBILITY AND PREPARATION
FOR THE MEDICAL ASSISTING PROGRAM

• Admission To Modesto Junior College

• High School Graduation Or Equivalent (GED or College Degree)
  If you have transcripts on file verifying a college degree, you do not need to have your high school transcripts on file.

• Transcripts on File in MJC Enrollment Services
  All transcripts (high school or equivalent and other colleges) must be on file in MJC Enrollment Services, Student Services Building, 102, (209) 575-6853 prior to the Program application deadline. Enrollment Services will accept hand-carried transcripts that are in a sealed envelope with a school seal.

RECOMMENDED COMPETENCIES
FOR CERTIFICATE OF ACHIEVEMENT

Complete English, math and reading assessment requirements by the program application deadline. The following competencies are recommended for success in the Medical Assisting Program.

WRITING COMPETENCY
ENGL 49 [NP] Basic English Skills (C or better) ................................................................. 5 OR Eligibility for ENGL 50 on assessment test

MATH COMPETENCY
MATH 20 [NP] Pre-algebra (C or better) ................................................................. 5 OR Eligibility for Math 70 on assessment test

READING COMPETENCY
READ 184 [NP] Critical Reading (C or better) ............................................................. 3 OR Reading competency (85) on Accuplacer OR completion of a college degree from a regionally accredited college or university.

PROGRAM PREREQUISITES
[None required]

PROGRAM APPLICATION
Applications are available on the Allied Health website www.mjc.edu/alliedhealth

February 1 - April 15

Applications will continue to be accepted until the program is full or August 15.

SELECTION PROCESS FOR THE PROGRAM

In the event there are more qualified applicants than space available in the Program, a weighted lottery system will be employed. An applicant’s name will be entered an extra time for:

• ANATOMY AND PHYSIOLOGY
  Satisfactory completion of AP 50

• PSYCHOLOGY
  Satisfactory completion of PSYCH 51 OR PSYCH 101

• COMMUNICATION STUDIES
  Satisfactory completion of COMM 100 OR COMM 102 OR COMM 130

• MEDICAL TERMINOLOGY
  Satisfactory completion of MDAST 321

ADDITIONAL REQUIREMENTS
FOR ACCEPTED APPLICANTS ONLY

Accepted applicants will receive information with instructions for completing the health clearance, background check, drug screen, and BLS certification.

HEALTH CLEARANCE

• A medical history and physical examination completed by a physician, physician’s assistant, or nurse practitioner within 3 months prior to program start date. The physical must state that the applicant does not have any health conditions that would create a hazard to self, employees, or patients.

• Documentation of required immunizations.

• A negative PPD skin test must be obtained. If a positive reaction is obtained, or has previously been obtained, a chest x-ray must be taken unless medically contraindicated.
BACKGROUND CHECK
Practicum sites will require students to provide a background check Certificate of Verification before they will be allowed to participate in the practicum portion of the program.

DRUG SCREEN
All students participating in the practicum experience will be required by the practicum sites to pass a drug screen.

BLS CERTIFICATION
The Medical Assisting Program will offer a BLS course for all accepted candidates. Details regarding date, time, location, and cost will be included in the acceptance letter. BLS certification must be from the American Heart Association; for the Healthcare Provider (infant, child and adult); eligible for recertification; and current throughout the program.

SCHOLASTIC REQUIREMENTS
In order to be eligible for the National Certification Examination, all program requirements must be completed with a grade of C or better. If a student receives less than a C in any required course, that course must be repeated with a C or better in order to be eligible to take the AAMA Certification Exam.

POLICY FOR DENIAL OF CERTIFICATION
Beginning with the January 2001 administration of the Certification Examination, felons are no longer eligible for the Certification Examination unless the American Association of Medical Assistants (AAMA) Certifying Board grants a waiver based on one or more of the mitigating circumstances listed in the Disciplinary Standards. Any student considering a career in medical assisting, who has a criminal record, is advised to contact the AAMA for advisement prior to entering the Medical Assisting Program.

American Association of Medical Assistants
20 N. Wacker Drive, Suite 1575
Chicago, IL 60606-2903
(800) 228-2262
www.aama-ntl.org

PROGRAM ADVISORY
* Students are strongly advised to complete the required curriculum listed under Required Courses (Non Medical Assisting) prior to entering the Medical Assisting program. These courses must be completed by the second semester of the program with a grade of C or better in order to complete the Medical Assisting program and be eligible to take the CMA exam.

A.S. DEGREE: MEDICAL ASSISTING

PROGRAM LEARNING OUTCOMES
Upon satisfactory completion of this award, the student should be prepared to:
1. Provide competent medical assisting care, in various settings, based on the entry-level competencies for the Medical Assistant.
2. Communicate effectively with colleagues, patient/clients, and other members of the health care team.
3. Establish and maintain professional working relationships with men and women from diverse backgrounds.
4. Demonstrate understanding of the legal implications of healthcare and use critical thinking skills to make ethical decisions.
5. Set and achieve professional goals.
6. Make a substantial contribution to the quality of healthcare by representing the medical assisting profession with pride and dedication.

PROGRAM LEARNING OUTCOMES
Upon satisfactory completion of this award, the student should be prepared to:
1. Provide competent medical assisting care, in variety of settings, based on the entry-level competencies for the Medical Assistant.
2. Communicate effectively with colleagues, patients/clients, and other members of the health care team.
3. Establish and maintain professional working relationships with men and women from diverse backgrounds.
4. Demonstrate understanding of the legal implications of healthcare and use critical thinking skills to make ethical decisions.

Music Program
(209) 575-6081

AA: MUSIC 2-YEAR PLAN
Students who follow the Career Technical Education Pathway or the University Preparation Pathway and complete the requirements for the AA Associate in Arts Degree in Music will satisfy lower-division requirements for the Bachelor of Music degree at 4-year institutions. The bachelor’s degree in music can lead to careers in fields such as music performance, music education, music composition and music therapy. Students who follow the University Preparation Pathway and complete the AA: Music requirements will also be eligible for the AA-T in Music degree.

About the Degree Requirements
MUST 101
Theory Sequence Prerequisite
Students with no music theory preparation must complete MUST 101 prior to starting the music theory sequence at MJC. Students with music theory background who wish to bypass MUST 101 must petition using a Prerequisite Challenge Form to gain admission into MUST 121. They must be prepared to take a placement test prior to the first day of class consisting of the following topics: musical notation of basic rhythms, all major and minor scales, key signatures, all diatonic intervals, and all triads and seventh chords. For more information please contact a music faculty member.

Applied Music Courses
Applied courses focus on the development of technical skill and insight into musical performance through primarily individualized instruction on a specific instrument or voice. See an advisor to select the appropriate applied course. Auditions may be required.

Ensemble Courses
Ensemble courses provide students with experience performing in a group setting such as Choir, Community Orchestra, Concert and Symphonic Band, Guitar Orchestra, as well as other smaller groups. See an advisor to select the appropriate ensemble course for your instrument or voice. Auditions may be required.

Keyboard Proficiency Courses
Music majors must take keyboard (piano) courses to prepare for the piano proficiency requirement within most bachelor of music degrees. Students whose primary instrument is piano may use applied piano coursework to satisfy this requirement.

General Education Courses
All candidates for an associate degree at MJC are required to satisfy general education requirements. Music majors should see a music advisor to select appropriate GE courses. Prerequisites may be required. 39 units for CSU-GE, 37-39 units for IGETC. Students who plan to pursue a bachelor’s degree after transferring are advised to follow CSU-GE or IGETC patterns.

Other Degree Requirements
Students who follow the Associate Degree for Transfer Pathway (CSU Transfer Model Curriculum) are exempt from the Guidance and Activity requirement for degree. Students who follow the Career/Technical Education Pathway or the University Preparation Pathway are not exempt from this requirement.
The MJC Music Program offers courses for students wishing to earn an associate's degree in music, general education courses for non-music majors, and courses designed for community members. These include a comprehensive curriculum of music theory and musicianship. Ensemble and production courses include Concert and Symphonic Bands, Day and Evening Jazz Bands, Concert and Chamber Choirs, Masterworks Chorus, Community Orchestra, Guitar Orchestra, opera/musical theatre productions, chamber music performances, and electronic music productions. The program also offers studies in piano, organ, harpsichord, guitar, voice, violin/viola, cello/bass, woodwinds, and brass/percussion, as well as survey courses such as Music Appreciation, Introduction to World Music, Introduction to American Popular Music, and History of Western Music.

ABOUT THE DEGREE REQUIREMENTS

MUST 101
Theory Sequence Prerequisite Students with no music theory preparation must complete MUST 101 prior to starting the music theory sequence at MJC. Students with music theory background who wish to bypass MUST 101 must petition using a Prerequisite Challenge Form to gain admission into MUST 121. They must be prepared to take a placement test prior to the 1st day of class consisting of the following topics: musical notation of basic rhythms, all major and minor scales, key signatures, all diatonic intervals, and all triads and seventh chords. For more information please contact a music faculty member.

Applied Music Courses
Applied courses focus on the development of technical skill and insight into musical performance through primarily individualized instruction on a special instrument or voice. See an advisor to select the appropriate applied course. Auditions may be required.

A.A.-T DEGREE: MUSIC

ABOUNT THIS PROGRAM
The MJC Music Program offers courses for students wishing to earn an associate's degree in music. Our comprehensive curriculum includes the following core classes for music majors: music theory and musicianship classes; ensemble classes that include Concert and Symphonic Bands, Day and Evening Jazz Bands, Concert and Chamber Choirs, Masterworks Chorus, Community Orchestra, Guitar Orchestra, Opera and Musical Theatre productions, as well as Chamber Music performances. The program also offers applied studies in piano, organ, harpsichord, guitar, voice, violin/viola, cello/bass, woodwinds, and brass/percussion. Lastly, our program also offers survey courses such as Music Appreciation, Introduction to World Music, Introduction to American Popular Music, and History of Western Music that can be taken as electives by both music and non-music majors.

The Associate in Arts in Music for Transfer degree is intended for students who plan to complete a bachelor’s degree in Music Studies at a CSU campus. Students completing the transfer degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that accepts this degree will be required to complete no more than 60 units after transferring to earn a bachelor's degree. The transfer degree may not be the best option for students intending to transfer to a particular CSU campus or a university that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

PROGRAM LEARNING OUTCOMES
Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate musical literacy by decoding music notation through their instrument and/or voice.
2. Demonstrate the ability to use basic musical notation.
3. Perform and stylistically interpret music on their applied instrument or voice, in an ensemble and/or in a solo setting.
4. Demonstrate an awareness of the scope, variety, and structure of works in the canon of traditional western art music.

The following is required for the AA Degree in MUSIC for Transfer:

1. A minimum of 18 semester units or 27 quarter units in the major with a grade of C or better or "P" (Pass) while maintaining a minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework.
2. Completion of 60 semester or 90 quarter CSU-transferable units using the CSU-GE Breadth or the IGETC pattern.
3. Exactly 60 semester units or 90 quarter units are required for the degree.

A.A. DEGREE: MUSIC

The MJC Music Program offers courses for students wishing to earn an associate's
degree in music, general education courses for non-music majors, and courses designed
for community members. These include a comprehensive curriculum of music theory
and musicianship. Ensemble and production courses include Concert and Symphonic
Bands, Day and Evening Jazz Bands, Concert and Chamber Choirs, Masterworks Chorus,
Community Orchestra, Guitar Orchestra, opera/musical theatre productions, chamber
music performances, and electronic music productions. The program also offers applied
studies in piano, organ, harpsichord, guitar, voice, violin/viola, cello/bass, woodwinds,
and brass/percussion, as well as survey courses such as Music Appreciation, Introduction
Repeat Limitations on Applied Music and Ensemble Courses The following limitations
apply to all activities listed under Applied Music and Ensembles: each activity is limited to
a maximum of four enrollments, regardless of the skill level of the individual courses. For
example, a student may enroll, a) in beginning piano four times or b) twice in beginning
piano and twice in intermediate piano. In either of these cases, the student cannot enroll
in any additional piano courses because the maximum of four piano courses has been
met. Students who have met the limit of repetition may audit the course by registering
in the Community Education Office.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Demonstrate musical literacy by decoding music notation through their instrument
and/or voice.
2. Demonstrate the ability to use basic musical notation.
3. Perform and stylistically interpret music on their applied instrument/voice in an
ensemble and/or in a solo setting.

4. Demonstrate an awareness of the scope, variety, structure and form of works in the
canon of traditional western art music.

To earn an associate in arts degree in this major, the student must complete the
requirements detailed in the Career Technical Education Pathway (p. 109) or the University
Preparation Pathway (p. 103) which include completion of the requirements below. Students who plan to transfer to a four-year school are strongly advised to meet with a
member of the music faculty.

PROGRAM PREREQUISITES
MUST 101 [P] Music Fundamentals ...........................................................3
SATISFACTORY SCORE on music theory placement examination offered during the
first meeting of MUST 120 and/or MUST 121. Students who do not meet entrance
proficiencies will be encouraged to enroll in MUST 101 or MUST 120 prior to enrollment
in MUST 121.

REQUIRED COURSES IN MUSIC THEORY - COMPLETE 20 UNITS
MUST 121 [1] Keyboard Skills .................................................................3
MUST 131 [1] Aural Skills .................................................................1
MUST 132 [2] Aural Skills .................................................................1

MUSA 164 [NP] Applied Music (Cello and Bass) ....................................1
MUSA 173 [NP] Applied Music (Brass and Percussion) ..........................1
MUSA 183 [NP] Applied Music (Woodwinds) .......................................1

*Music majors will typically combine ensembles and applied studies according to their
primary instrument/voice. Vocalists will enroll in Concert Choir and the appropriate applied
voice course. Orchestral instrumentalists will enroll in Community Orchestra and the
appropriate applied strings course. Band instrumentalists will enroll in Symphonic Band
instrumentalists will enroll in Symphonic Band and/or Jazz Band and applied woodwinds
or brass/percussion. Guitarists will enroll in Guitar Orchestra and the appropriate applied
guitar class. Students are strongly advised to seek the advice of a music faculty member
specializing in his/her primary instrument/voice when choosing ensemble and applied
music courses.
Programs

Natural Resources

PROGRAM (209) 575-6200

A.S. DEGREE: RECREATIONAL LAND MANAGEMENT

Program Learning Outcomes

Upon satisfactory completion of this award, the student should be prepared to:
1. Employ the scientific method to solve recreational land management problems.
2. Perform recreational land management practices necessary to be successful in the industry.
3. Apply recreational land management principles to sustainable resource management problems.
4. Demonstrate the effective, safe work habits and interpersonal communication skills required by employers in the recreational land management industry.

Major Requirements

To earn an associate in science degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below.

I. Agriculture Career Required Courses - Complete 5 Units

AG 115 [1] Introduction to Agricultural Education and Careers ........................................ 1
AG 249** [NP] Agriculture Internship ........................................................................ 2 OR
AG 349A-D [NP] Work Experience Agriculture - Supervised Practice .................. 1 - 4

II. Agriculture Science Breadth Courses - Complete 9 Units

PLSC 200 [1,2] Introduction to Plant Science .............................................................. 3
NR 200 [NP] Soils ........................................................................................................... 4
AGEC 225 [NP] Agriculture Computer Applications .................................................. 3 OR
AGEC 210 (NP) Elements of Agricultural Economics .................................................. 3 OR
AGEC 200 (NP) Agricultural Accounting and Analysis .............................................. 3

III. Agriculture Major Courses - Complete 9 Units

NR 230 (2] Outdoor/Forest Recreation ........................................................................ 3
NR 222 (2,3) Native Tree & Shrub Identification ........................................................ 3
NR 215 (1] Wildlife Production .................................................................................... 3
NR 220 (1] Introduction to Forestry .............................................................................. 3

IV. Agriculture Major Elective - Complete 7 Units

Any Natural Resources course not listed or used above ............................................ 3
EHIS 276 (NP) Agriculture Computations ................................................................ 3
AGM 230 (NP) Field Surveying .................................................................................. 3
AG 285 (NP) Agricultural Communications ............................................................. 3
AGM 215 (NP) Machinery Management .................................................................... 3
HE 100 (NP) Standard First Aid/CPR ...................................................................... 1

TOTAL UNITS IN A.S. MAJOR .................................................................................. 30

*Required

**Internship/Work Experience must be Agriculture related

Note: For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 349A, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

Certificate of Achievement: Recreational Land Management

The Recreational Land Management program prepares students for a variety of career choices, such as park ranger, recreation facility manager, resource management, campground and landscape maintenance, conservationist, fishery worker, and more.

The main focus of the program is on the management and development of land for recreation, and ecological purposes. Program courses include: Outdoor/Forest Recreation, Native Tree & Shrub Identification, Wildlife Production, Wildland Fire Control, etc.

Program Learning Outcomes

Upon satisfactory completion of this award, the student should be prepared to:
1. Practice safe work habits in an employment setting, including handling and storage of hazardous materials and operation of basic tools and equipment.
2. Apply forestry and land management skills for technical employment in the natural resource management.
3. Apply the principles of ecology, soil science, silviculture, cartography, and facilities maintenance and development to sustainable resource management problems.
4. Develop environmental stewardship as an operational philosophy for resource management, public education of natural resources, and wildlife management.
PROGRAM REQUIREMENTS

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

Ag 115 ** [1] Introduction to Agricultural Education & Careers ........................................... 1
Ag 249 ** [4] Agriculture Internship ................................................................. 2 OR
Ag 349A [NP] Work Experience Agriculture - Supervised Practice ............................... 1 - 4

II. AGRICULTURE SCIENCE BREATH COURSES - COMPLETE 6 UNITS

AGEC 225 [NP] Agriculture Computer Applications .................................................. 3
AGM 200 [NP] Introduction to Mechanical Technology .............................................. 3
NR 200 [NP] Soils ....................................................................................... 4
PLSC 200 [NP] Introduction to Plant Science .......................................................... 3

III. MAJOR REQUIRED COURSES FOR CERTIFICATE - COMPLETE 10 UNITS

NR 215 [NP] Wildlife Production ........................................................................ 3
NR 222 [NP] Native Tree and Shrub Identification ............................................. 3
NR 230 [NP] Outdoor/Forest Recreation ............................................................... 3
NR 239 [NP] Wildland Fire Control ..................................................................... 3

NR 220 [NP] INTRODUCTORY FORESTRY ................................................... 3

Ag 285 [NP] Agricultural Communications ......................................................... 3
AGM 215 [NP] Machinery Management .............................................................. 3
AGM 230 [NP] Field Surveying ........................................................................... 2
EHS 276 [NP] Landscape Maintenance ............................................................... 3

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD ...................... 24

*Required
**Internship/Work Experience must be Agriculture related
Note: For Section I: Agriculture Career Courses, students must take Ag 115. Students must complete an additional 4 units in the section by taking AG 349D or a combination of AG 349A-C, or a combination of AG 249 and AG 349B.

A.S. DEGREE: SOIL SCIENCE

In this program the student will develop skills and knowledge for entry-level employment in fields of soil and water management. These fields may include conservation, analysis, survey and farm management, as well as related fields such as range management, hydrology, irrigation, drainage, fertilization, and rural and urban planning. This program will also prepare the student for transfer to a university. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Employ the scientific method to solve problems in the laboratory and in the natural environment.

2. Apply the principles of ecology, soil science, silviculture, cartography, and facilities maintenance and development to sustainable resources management problems.

3. Employ environmental stewardship as an operational philosophy for resource management, public education of natural resources, and wildlife management.

MAJOR REQUIREMENTS

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

Ag 115 ** [1] Introduction to Agricultural Education & Careers ........................................... 1

II. AGRICULTURE SCIENCE BREATH COURSES - COMPLETE 9 UNITS

PLSC 200 [NP] Introduction to Plant Science .............................................................. 3
ANSC 200 [NP] Introduction to Animal Science ....................................................... 3
AGM 200 [NP] Introduction to Mechanical Technology .............................................. 3
AGEC 200 [NP] Agricultural Accounting and Analysis ........................................... 3
AGEC 210 [NP] Elements of Agricultural Economics ........................................... 3
AGEC 225 [NP] Agriculture Computer Applications ............................................... 3

III. AGRICULTURE MAJOR COURSES - COMPLETE 9 UNITS

COMPLETE 4 UNITS

NR 200 [NP] Soils ....................................................................................... 4

COMPLETE 5 UNITS

AGM 235 [NP] Irrigation and Drainage ................................................................. 3
PLSC 250 [NP] Plant Nutrition and Fertilizer ......................................................... 3
PLSC 230 [NP] Fruit Science .............................................................................. 3
PLSC 250 [NP] Field Crops ............................................................................... 3
NR 220 [NP] Introductory Forestry ................................................................. 3
PLSC 241 [NP] Viticulture ................................................................................ 3

IV. AGRICULTURE MAJOR ELECTIVES - COMPLETE 7 UNITS

NR 222 [NP] Native Tree and Shrub Identification .................................................. 3
NR 224 [NP] Intro to Forest Measurement ............................................................. 3
EHS 210 [NP] Introduction to Environmental Horticulture ................................ 3
PLSC 255 [NP] Plant Pest Control ........................................................................ 3
AGM 230 [NP] Field Surveying ........................................................................... 2
PLSC 260 [NP] Plant Disease Control ................................................................. 3
AGEC 146 [NP] Agriculture, Environment and Society ..................................... 3
Any course not already taken in Area III. above

TOTAL UNITS ........................................................................................................ 30

*Required
**Internship/Work Experience must be Agriculture related
Note: For Section I: Agriculture Career Courses, students must take Ag 115. Students must complete an additional 4 units in the section by taking AG 349D or a combination of AG 349A-C, or a combination of AG 249 and AG 349B.

Network Administration
PROGRAM
(209) 575-6129

This certificate is designed for students seeking entry-level job positions in computer network administration, designing networks, installing server and client operating systems, configuring network services, and implementing network security.

*Note: All of these courses are also preparation for Microsoft certification as a Microsoft Certified Professional (MCP) in the individual subject. A student who has completed the Network Administration Certificate would be eligible to complete the Microsoft Certified Systems Engineer (MCSE) certification with the completion of just one additional course from the options list.
CERTIFICATE OF ACHIEVEMENT: COMPUTER NETWORK ADMINISTRATION

This certificate is designed for students seeking entry-level job positions in computer network administration, designing networks, installing server and client operating systems, configuring network services, and implementing network security. Note: All of these courses are also preparation for Microsoft certification as a Microsoft Certified Professional (MCP) in the individual subject. A student who has completed the Network Administration Certificate would be eligible to complete the Microsoft Certified Systems Engineer (MCSE) certification with the completion of just one additional course from the options list.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate a firm understanding and working knowledge of basic network topologies, client and server operating system configuration, network security principals, and directory services.
2. Be prepared to obtain employment in an entry-level position assisting in network design and implementation.
3. Design, implement and document a client/server network complete with security policy and a disaster recovery plan for a small business network.
4. Demonstrate professional and effective communication skills.

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

REQUIRED COURSES – COMPLETE 15 UNITS

CERTIFICATE OF ACHIEVEMENT: COMPUTER NETWORK TECHNICIAN

This certificate is designed for students seeking entry-level job positions in computer network administration, designing networks, installing server and client operating systems, configuring network services, and implementing network security. Note: All of these courses are also preparation for Microsoft certification as a Microsoft Certified Professional (MCP) in the individual subject. A student who has completed the Network Administration Certificate would be eligible to complete the Microsoft Certified Systems Engineer (MCSE) certification with the completion of just one additional course from the options list.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate a firm understanding and working knowledge of basic network troubleshooting techniques.
2. Be prepared to obtain employment in an entry-level position as a network technician and help-desk support tech.
3. Install, configure, upgrade and maintain personal computer hardware and operating systems.
4. Install, configure, and troubleshoot basic networking hardware and protocols.

5. Provide support for users of operating systems, applications and computer information systems.

5. Demonstrate professional and effective communication skills.

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

Nursing: Associate Degree
Nursing (RN) PROGRAM
(209) 575-6362

The Associate Degree Nursing (ADN) Program at Modesto Junior College prepares students to take the National Council Licensure Examination (NCLEX-RN), leading to licensure as a Registered Nurse (RN). The program is approved by the California Board of Registered Nursing (BRN). The ADN Program begins in the fall and spring semesters of each year. It is a four-semester program. Although most classes are scheduled during the day, clinical experiences may include morning, evening, night and weekend hours. During the five-week Preceptorship in Nurse 227, students will be expected to be in the clinical area on a full-time basis. Students must be flexible and prepared to accept these assignments.

Program expenses vary for each individual. The estimated cost for the program is $6,800. First semester start-up costs are $2,500. Second, third, and fourth semester costs total $4,300. These costs include enrollment and materials fees, background check and drug screen fees, health clearance, Basic Life Support (BLS) Certification, uniforms, books, and pre-licensure readiness examination. Daily access to a computer and the internet is required for student success.

If you would like information on financial aid, call (209) 575-7700. If you would like more information about the program and the selection process, please enroll in NURSE 115: Introduction for Nursing Majors. If you have questions about program information, call Allied Health, (209) 575-6362 or visit the Allied Health website at www.mjc.edu/alliedhealth and search Associate Degree Nursing (ADN) Program. If you are just beginning your preparation for the nursing program and need academic advising, contact the Counseling Center (209) 575-6080.

ELIGIBILITY AND PREPARATION

FOR THE ASSOCIATE DEGREE NURSING PROGRAM

• Admission to Modesto Junior College
• Official Transcripts on File in MJC Enrollment Services: All transcripts (from colleges other than MJC and Columbia College (CC) must be submitted as a part of your documentation packet if requested by the ADN Program, unless the transcripts are already on file in the MJC Enrollment Services, Student Services Building 102, (209) 575-6853. We will accept hand-carried transcripts that are in a sealed envelope with a school seal.

REQUIRED MATH COMPETENCY FOR ACCEPTANCE INTO THE ADN PROGRAM

• Eligibility for entrance into any 100-level MATH course through MJC Assessment process OR
• Score of 3, 4, or 5 on AP Exam: Calculus AB OR Calculus BC or Statistics OR
• Completion of MATH 89 at MJC or higher level MATH course, or an equivalent course from another institution with a grade of C or higher. Course may be taken as P/NP or CR/NC

Bachelor’s degree holders are considered to have met this requirement.

In accordance with the California Nurses Practice Act and the Board of Registered Nursing, the California Code of Regulations (CCR) Section 1430 states: An approved nursing program shall have a process for a student to obtain credit for previous education or for other acquired knowledge in the field of nursing through equivalence, challenge examinations, or other methods of evaluation. The program shall make the information available in published documents, such as college catalog or student handbook, and online. Students interested in obtaining credit for previous education or for other acquired knowledge in the field of nursing should reference the current MJC catalog under “Credit.” In addition, the student may make an appointment with a nursing advisor by calling (209) 575-6362. A nursing advisor will inform the student of available options and assist the student in completing the process for the appropriate option such as course equivalency, course substitution, upper division course credit, course challenges, advanced placement and/or theory and skill set critical element testing.

PROGRAM APPLICATION

The ADN program application is online. Applications are accepted for the ADN Program once per year. The annual application period is May 1 through May 31. Students are selected from the annual applicant pool for fall and spring semesters of that academic year. Applications are available on the Allied Health website (www.mjc.edu/alliedhealth) during the May application period only. If you are interested in the MJC ADN transfer policy go to www.mjc.edu/alliedhealth

SELECTION PROCESS

The ADN Program utilizes a multicriteria screening process for admission.

MULTICRITERIA SCREENING PROCESS

The ADN program selects students based on a Multicriteria Screening Process. Detailed information is posted on the ADN website. This selection model is based on Assembly Bill 1559. Applicants will be evaluated on academic degree, relevant licenses or certificates, relevant work or volunteer experience, GPA in relevant coursework, life experiences and special circumstances, proficiency in a language other than English and the Test of Essential Academic Skills (TEAS.) The TEAS measures skills in the content area domains of Reading, Mathematics, Science and English and Language Usage. Preparation materials are available from Assessment Technologies Institute (ATI) at www.atitesting.com.

Prospective nursing students are required to have a passing score (62%) or higher on version V of the Test of Essential Academic Skills (TEAS) within the first three attempts to apply to the MJC Associate Degree Nursing (ADN) program. For information on scheduling a TEAS, go to atitesting.com. The TEAS is offered at the MJC testing center.

ADDITIONAL REQUIREMENTS FOR ACCEPTED APPLICANTS ONLY

Accepting applicants will receive information regarding clinical clearance.

CLINICAL CLEARANCE

HEALTH CLEARANCE

• A medical history and physical examination completed by a physician, physician’s assistant, or nurse practitioner within 6 months prior to program start date. The physical must state that the applicant does not have any health conditions that would create a hazard to self, employees, or patients.
• Documentation of required immunizations.
• A negative TST skin test must be obtained. If a positive reaction is obtained, or has previously been obtained, a chest x-ray must be taken unless medically contraindicated.

BACKGROUND CHECK

All students participating in clinical assignments are required by acute care hospitals to complete a background check and be cleared by the clinical facility in order to participate in the clinical experience. See Policy for Denial of Licensure below.

DRUG SCREEN

All students participating in clinical assignments will be required to pass a drug screen.

BASIC LIFE SUPPORT (BLS) CERTIFICATION

The ADN program will offer a Health Care Provider BLS class from the American Heart Association (AHA) for all accepted applicants. Students are required to purchase an AHA BLS for Healthcare Provider textbook.

SCHOLASTIC REQUIREMENTS

Continuation in the ADN Program is dependent upon completion of all courses with a grade of C or better. If a student receives less than a C in any required course, that course must be repeated with a C or better in order to qualify for the NCLEX-RN.

POLICY FOR DENIAL OF LICENSURE

The California BRN protects the public by screening applicants for licensure in order to identify potentially unsafe practitioners. Statutory authority for denial of licensure is contained in the Business and Professions Code. Any student considering a career in nursing who has a criminal record is advised to go to the BRN website at www.rn.ca.gov and search Enforcement and then License Discipline and Convictions prior to applying to the ADN Program.

• Pre-nursing students with a criminal record should attempt to have convictions expunged prior to applying for entrance into the nursing program.
• A criminal record may prevent students from clinical placement and therefore, continuing in a nursing program.

PROGRAM ADVISORY

* Students are strongly advised to complete the additional MJC GE Graduation Requirements (Activities – 2 units, Guidance – 0.5 unit, and Humanities – 3 units) prior to entering the ADN Program. These courses must be successfully completed by the end of the 4th semester of the program to be considered a graduate of the ADN Program and be eligible to take the NCLEX-RN exam. To graduate from the MJC ADN Program, a student must: 1) complete all ADN Program requirements; 2) complete the 4th semester of the MJC ADN Program; 3) complete 12 units “in residence” at MJC; and 4) complete the MJC GE graduation requirements.

* The Health Education requirement has been waived for all Allied Health certificates and degrees.
A.S. DEGREE: NURSING (RN)

The Associate Degree Nursing (ADN) Program at Modesto Junior College prepares students to take the National Council Licensure Examination (NCLEX-RN), leading to licensure as a Registered Nurse (RN). The program is approved by the California BRN.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Formulate a nursing diagnosis through observation of the client’s physical condition and behavior, and through interpretation of information obtained from the client and others, including the health care team.
2. Formulate a care plan, in collaboration with the client, which ensures that direct and indirect nursing care services provide for the client’s safety, comfort, hygiene, and protection, and for disease prevention, and restorative measures.
3. Perform skills essential to the kind of nursing action to be taken, explain the health treatment to the client and family and teach the client and family how to care for the client’s health needs.
4. Delegate tasks to subordinates based on the legal scopes of practice of the subordinates and on the preparation and capability needed in the tasks to be delegated, and effectively supervise nursing care being given by subordinates.
5. Evaluate the effectiveness of the care plan through observation of the client’s physical condition and behavior, signs and symptoms of illness, and reactions to treatment, and through communication with the client and health team members, and modifies the plan as needed.
6. Act as the client’s advocate, as circumstances require, by initiating action to improve health care or to change decisions or activities which are against the interests or wishes of the client, and by giving the client the opportunity to make informed decisions about health care before it is provided.
7. Provide competent nursing care based on scientific principles, the Roy Adaptation Model, and the nursing process, reflecting an ethic of caring evidenced by respect for clients and families, self, colleagues and the profession.

PROGRAM REQUIREMENTS

To earn an Associate in Science Degree in Nursing/RN, the student must complete the requirements detailed in the Career Technical Education Pathway* or the University Preparation Pathway in addition to the Nursing coursework. Consult with an advisor for selection of courses.

PROGRAM PREREQUISITES

| ANAT 125 Human Anatomy | 5 |
| MICRO 101 Microbiology | 4 |
| PHYSCO 101 Introductory Human Physiology | 5 |
| ENGL 101 Composition and Reading | 3 AND |
| PSYC 101 General Psychology | 3 OR |
| PSYC 141 Human LifeSpan Development | 3 |

COMPLETE ONE COURSE FROM THE FOLLOWING:

| ANTH 102 Cultural Anthropology | 3 OR |
| SOCIO 101 Introduction to Sociology | 3 OR |
| SOCIO 102 Social Problems in the United States | 3 OR |
| SOCIO 125 Sociology of the Family | 3 OR |
| SOCIO 150 Ethnicity and Culture in America | 3 OR |
| SOCIO 154 African-American Cultures and | 3 OR |
| SOCIO 156 Mexican Culture in the United States | 3 |

COMPLETE ONE COURSE FROM THE FOLLOWING:

| COMM 100 Fundamentals of Public Speaking | 3 OR |
| COMM 102 Introduction to Human Communication | 3 OR |
| COMM 106 Group & Organizational Communication | 3 OR |
| COMM 110 Persuasion | 3 |

TOTAL UNITS IN PREREQUISITE COURSES: 26

PROGRAM REQUIREMENTS

[FIRST SEMESTER]

| NURSE 270 Nursing Process: Pharmacology | 2 |
| NURSE 271 Nursing Process: Fundamentals | 6.5 |

[SECOND SEMESTER]

| NURSE 272 Nursing Process: Geriatric Nursing | 1 |
| NURSE 273 Nursing Process: Maternal-Child Nursing | 6.5 |

[THIRD SEMESTER]

| NURSE 274 Nursing Process: Mental Health | 3 |
| NURSE 275 Nursing Process: Medical-Surgical | 7 |

[FOURTH SEMESTER]

| NURSE 276 Nursing Process: Adv. Medical-Surgical | 6 |
| NURSE 277 Nursing Process: Leadership and Preceptorship | 4 |

TOTAL UNITS IN NURSING MAJOR: 36

TOTAL UNITS with PREREQUISITE COURSEWORK & NURSING MAJOR COURSEWORK: 62

A.S. DEGREE: NURSING (FOR RN)

To earn an Associate in Science Degree in Nursing, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) in addition to the Nursing coursework. Consult with an advisor for selection of courses. (5.5 units)

MINIMUM UNITS IN A.S. DEGREE: .67.5 ELECTIVE COURSES (NURSING: WORK EXPERIENCE)

Work experience in nursing is offered for students who have completed first semester of the ADN program. Nurse Extern at a contracted facility is required.

| NURWE 361 Work Experience-Nursing A | 1 |
| NURWE 362 Work Experience-Nursing B | 2 |

* Pending State Chancellor’s Office approval

A.S. DEGREE: NURSING: LVN TO ADN (RN)

ADVANCED PLACEMENT PATHWAY

The Licensed Vocational Nurse (LVN) to Associate Degree Nursing (ADN) Advanced Placement Pathway at Modesto Junior College prepares students to take the National Council Licensure Examination (NCLEX-RN), leading to licensure as a Registered Nurse (RN). The pathway is approved by the California BRN.

The LVN to ADN Advanced Placement Pathway begins in the fall and spring semesters of each year. It is a two-semester pathway. Students enter in the third semester of the ADN Program. Although most classes are scheduled during the day, clinical experiences may include morning, evening, night, and weekend hours. During the five-week preceptorship (NURSE 277), students will be expected to be in the clinical area on a full-time basis. Students must be flexible and prepared to accept these assignments.

Pathway expenses vary for each individual. The estimated cost for the pathway is $4,000. Startup costs for third semester are approximately $2,000. These costs include enrollment and materials fees, background check and drug screen fees, health clearance, Basic Life Support (BLS) certification, uniforms, books and pre-licensure readiness examination. Daily access to a computer and the internet is required for student success. If you would like information on financial aid, call (209) 575-7700. For academic advising contact Allied Health, (209) 575-6362. If you have questions about the program information, call Allied Health, (209) 575-6362 or visit the Allied Health website at www.mjc.edu/alliedhealth and search LVN to ADN Advanced Placement Pathway.
ELIGIBILITY AND PREPARATION FOR THE LVN TO ADN ADVANCED PLACEMENT PATHWAY

• Admission to Modesto Junior College

• Official Transcripts on File in MJC Enrollment Services: If current college transcripts are not already on file in MJC Enrollment Services (Student Services building 102, (209) 575-6853), applicants selected to provide documentation will be required to submit official transcripts to the Allied Health office during a specified time period. We will accept hand-carried transcripts that are in a sealed envelope with a school seal.

REQUIRED MATH COMPETENCY FOR ACCEPTANCE INTO THE ADN PROGRAM

• Eligibility for entrance into any 100-level MATH course through MJC Assessment process OR
• Score of 3, 4, or 5 on AP Exam: Calculus AB or Calculus BC or Statistics OR
• Completion of MATH 89 at MJC or higher level MATH course, or an equivalent course from another institution with a grade of C or higher. Course may be taken as a P/NP or CR/NC

Bachelor’s degree holders are considered to have met this requirement.

PATHWAY APPLICATION

The application is online. Applications are accepted once a year. The annual application period is May 1 through May 31. Students are selected from the annual applicant pool for fall and spring semesters of that academic year. Applications are available on the Allied Health website (www.mjc.edu/alliedhealth) during the May application period only. If you are interested in the MJC ADN transfer policy go to www.mjc.edu/alliedhealth.

SELECTION PROCESS

MULTICRITERIA SCREENING PROCESS

The ADN program selects students based on a Multicriteria Screening Process. Detailed information is posted on the ADN website. This selection model is based on Assembly Bill 1559. Applicants will be evaluated on academic degree, relevant licenses or certificates, relevant work or volunteer experience, GPA in relevant coursework, life experiences and special circumstances, proficiency in a language other than English and the Test of Essential Academic Skills (TEAS.) The TEAS measures skills in the content area domains of Reading, Mathematics, Science and English and Language Usage. Any student considering a career in nursing who has a criminal record is advised to go to the BRN website at www.rn.ca.gov and search Enforcement and then License Discipline and Convictions prior to applying to the ADN Program.

• Pre-nursing students with a criminal record should attempt to have convictions expunged prior to applying for entrance into the nursing program.

A criminal record may prevent students from clinical placement and therefore, continuing in a nursing program.

PROGRAM ADVISORY

• Students are strongly advised to complete the MJC GE Graduation Requirements (Activities = 2 units, Guidance = 0.5 unit, and Humanities = 3 units prior to entering the LVN to ADN Advanced Placement Pathway. These courses must be successfully completed by the end of the 4th semester of the program to be considered a graduate of the MJC ADN Program and be eligible to take the NCLEX-RN exam. To graduate from the MJC ADN Program, a student must: 1) complete all LVN TO ADN Advanced Placement Pathway requirements; 2) complete the 4th semester of the MJC ADN program; 3) complete 12 units “in residence” at MJC; and 4) complete the MJC GE graduation requirements.

*The Health Education requirement has been waived for all Allied Health certificates and degrees.

PROGRAM LEARNING OUTCOMES

In addition to demonstrating the abilities listed as General Education Student Learning Outcomes, students who complete the Associate’s Degree in Nursing will be able to:

1. Formulate a nursing diagnosis through observation of the client’s physical condition and behavior, and through interpretation of information obtained from the client and others, including the health care team.

2. Formulate a care plan, in collaboration with the client, which ensures that direct and indirect nursing care services provide for the client’s safety, comfort, hygiene, and protection, and for disease prevention, and restorative measures.
3. Perform skills essential to the kind of nursing action to be taken, explain the health treatment to the client and family and teach the client and family how to care for the client's health needs.
4. Delegate tasks to subordinates based on the legal scopes of practice of the subordinates and on the preparation and capability needed in the tasks to be delegated, and effectively supervise nursing care being given by subordinates.
5. Evaluate the effectiveness of the care plan through observation of the client's physical condition and behavior, signs and symptoms of illness, and reactions to treatment, and through communication with the client and health team members, and modifies the plan as needed.
6. Act as the client's advocate, as circumstances require, by initiating action to improve health care or to change decisions or activities which are against the interests or wishes of the client, and by giving the client the opportunity to make informed decisions about health care before it is provided.
7. Provide competent nursing care based on scientific principles, the Roy Adaptation Model, and the nursing process, reflecting an ethic of caring evidenced by respect for clients and families, self, colleagues and the profession.

A.S. DEGREE NURSING: LVN TO ADN (RN) ADVANCED PLACEMENT PATHWAY

PREREQUISITES

Must be a licensed vocational nurse with IV certification in California and submit a copy of the current license.

NOTE: An applicant who became an LVN by challenging the LVN Board must complete 30 college units in the nursing major and have a total of 60 college units in order to receive an A.S. Degree. Contact Allied Health for advising regarding this issue at (209) 575-6362.

TOTAL UNITS WITH PREREQUISITE COURSEWORK FOR A.S. DEGREE NURSING: LVN TO ADN (RN) ADVANCED PLACEMENT PATHWAY.................................................. 48

To earn an associate in Science Degree in Nursing the student must complete the requirements detailed in the Career Technical Pathway (p. 109) or the University Preparation Pathway (p. 103) in addition to the Nursing/LVN to ADN Advanced Placement Pathway coursework. Consult with an advisor for selection of courses. (5.5 units)

MINIMUM UNITS IN A.S. DEGREE NURSING: LVN TO ADN (RN) ADVANCED PLACEMENT PATHWAY.............................................................. 53.5

NURSING: LVN 30 UNIT OPTION (LVN TO RN)

In addition to the LVN to ADN Advanced Placement Pathway, there is also a LVN 30 Unit Option which prepares students to take the NCLEX-RN examination, but does not award an A.S. degree. Students interested in this option should contact the Director of Nursing in Allied Health for information and advising.

Nursing: Nurse Assistant

PROGRAM

(209) 575-6362

The Nurse Assistant Program at Modesto Junior College is a one-semester course (NURSE 40.5 units) that includes 50 Hours of classroom instruction and 100 Hours of supervised clinical experience within the guidelines set by the California Department of Public Health (CDPH). After completing Nurse 40 with a C or better, students are eligible to take the certification examination to become a certified nurse assistant (CNA). The exam has been developed to meet the evaluation requirements of federal and state nurse aid and competency evaluation legislation. American Red Cross testing is available at MJC at the end of each semester.

Program expenses vary for each individual. The estimated cost for the Nurse Assistant Program is $650 that includes books, enrollment, health clearance, and certification examination and application fees. For financial aid information, call (209) 575-7700. If you have questions about program information, contact Allied Health, 575-6362 or visit the Allied Health website at www.mjc.edu/alliedhealth and search Nurse Assistant Program.

ELIGIBILITY AND PREPARATION

FOR THE NURSE ASSISTANT PROGRAM

- Admission to Modesto Junior College
- High School Graduation or Equivalent (GED or College Degree)

Although high school graduation is not required, it is recommended for success.

RECOMMENDED COMPETENCY The following competency is recommended for success in the Nurse Assistant Program.

READ 184 (NP) Critical Reading (C or better) .................................................. 3 OR
Reading competency (BS) on Accuplacer .................................................. OR
Completion of a college degree from an accredited United States college.
have been convicted of one of these crimes, you should be aware that you cannot be
“rehabilitation” (if a felony) or a dismissal of the violation (if a misdemeanor). If you
certified unless the individual submits written evidence obtained from the court of

Program Prerequisites
None required

Program Application
None required

Skills Recognition: Nurse Assistant

Program Learning Outcomes
Upon satisfactory completion of this award, the student should be prepared to:
1. Provide competent resident care based on the skill set of a certified nurse assistant
(CNA).
2. Complete the required hours for theory and clinical as set by the state of California.
3. Provide compassionate end of life care.
4. Communicate professionally with residents, families, peers and profession staff.
5. Pass the state of California certification examination as a Certified Nurse Assistant (CNA).

Required Curriculum
NURSE 40 Nurse Assistant .................................................. 5 AND
NURSK 800 Nursing Skills Development ........................................ 0

Total Units for Skills Recognition Award................................. 5

Additional Requirements for Students Enrolled in Nurse 40
Please Note: In order to complete the health clearance process in a timely manner, students who are enrolled in NURSE 40 should contact the Allied Health office and pick
up a health clearance packet. It is expected that enrolled students will have already
begun the health clearance process by the first day of class.

Clinical Clearance
Health Clearance
- A medical history and physical examination completed by a physician, physician’s
assistant, or nurse practitioner within 3 months prior to program start date. The
physical must state that the applicant does not have any health conditions that
would create a hazard to self, employees, or patients.
- Documentation of required immunizations.
- A negative TST skin test must be obtained. If a positive reaction is obtained,
or has previously been obtained, a chest x-ray must be taken unless medically
contraindicated.

Fingerprinting and Background Check
- All students participating in clinical assignments are required to complete a
background check and Live Scan to be cleared by CDPH in order to participate in
the clinical experience. The students will not be charged for this requirement.

Nurse Assistant Certification Application (HS-283B)
- Nurse 40 students will receive required forms and instructions on completing the
CDPH application process on the first day of class.

Policy for Denial of Certification
Individuals who have been convicted of certain penal code violations will not be
certified unless the individual submits written evidence obtained from the court of
“rehabilitation” (if a felony) or a dismissal of the violation (if a misdemeanor). If you
have been convicted of one of these crimes, you should be aware that you cannot be
certified unless you meet the specified conditions of rehabilitation or dismissal issued
by the courts and have received approval from the CDPH. All other convictions not listed,
except minor traffic violations, are subject to department review and require that you
submit additional information.

To Request Clearance for Prior Conviction(s) or Disciplinary
Action, Contact:
California Department of Public Health

Office Administration

Program
(209) 575-6129

The Office Administration A.S. Degree/Certificate Program is designed to prepare
students for occupations in the office administration field. Some career possibilities are administrative assistant, executive secretary, office manager, office supervisor, and
transcriptionist. Office administration involves the study of office procedures, duties,
and practices applicable to many business offices, as well as the development and
acquisition of skills necessary for success in these positions. Students learn keyboarding,
word processing, records management, human relations, business communication, and
math. Word processing, letter composition, and office administration procedures are
emphasized to prepare students for the assumption of responsible positions.

A.S. Degree: Office Administration

The Office Administration A.S. Degree Program is designed to prepare students for
occupations in the office administration field. Some career possibilities are administrative assistant, executive secretary, office supervisor, and office manager. Office administration involves the study of office procedures, duties, and practices applicable to many business offices, as well as the development and acquisition of skills necessary for success in these positions. Students learn keyboarding, word processing, human relations, business communication, and entry-level bookkeeping. Word processing, letter composition, and office procedures are emphasized to prepare students for the assumption of responsible positions.

Program Learning Outcomes
Upon satisfactory completion of this award, the student should be prepared to:
1. Productively work as a team member with people of diverse experiences and
backgrounds in a workplace environment.
2. Competently communicate in support of a business office, including production and
design of complex electronic and paper-based correspondence and documents.
3. Demonstrate the ability to competently use a wide variety of office equipment,
including computers, peripherals, and non-computerized office machines.
4. Actively assist in implementing general office procedures, including records
management.
5. Use the Internet, a wide variety of computer applications, and standard business procedures to compute, analyze business performance, and solve problems.

6. Efficiently perform office-related duties utilizing prioritization and necessary communication skills.

PROGRAM REQUIREMENTS

To earn an associate in science degree, the student must complete the requirements detailed in the Career Technical Educational Pathway or the University Preparation Pathway which include completion of the requirements below.

Philosophy
PROGRAM
(209) 575-6129

A.A.-T DEGREE: PHILOSOPHY

Philosophy is the study of fundamental questions such as: What is ultimately real? What is the good life? Does God exist? The Associate in Arts in Philosophy for Transfer (AA-T in Philosophy) degree includes lower division coursework that is required for transfer and is an excellent way to refine one’s critical reasoning and rational decision-making skills, making it a useful degree for a wide variety of career goals. The Associate in Arts in Philosophy for Transfer (AA-T in Philosophy) degree includes courses that help students to construct arguments, to read classic texts carefully, and to formulate crucial questions while providing a deeper grasp of our intellectual heritage.

The Associate in Arts in Philosophy for Transfer (AA-T in Philosophy) degree is intended for students who plan to complete a bachelor’s degree in Philosophy at a California State University campus. Students completing this degree are guaranteed admission to the CSU System, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor’s degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

THE FOLLOWING IS REQUIRED FOR THE ASSOCIATE IN ARTS IN PHILOSOPHY-FOR-TRANSFER (AA-T IN PHILOSOPHY) DEGREE:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0. All courses within the major must be completed with a C or better or “P” (Pass).

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Read and analyze key arguments found in primary texts from the philosophical tradition.
2. Construct a clearly written argument employing various philosophical tools, including consideration of counter-arguments, in the critical evaluation of a philosophical primary text.
3. Explain and apply deductive and inductive reasoning, critical thinking, and basic methods of formal logic.
4. Describe the historical development of philosophical ideas from ancient to modern philosophy, including terms employed in the discussion of these developments on fundamental questions that include topics of reality, knowledge, and value.

PROGRAM REQUIREMENTS

To receive an Associate of Arts for transfer degree in Philosophy, the student must complete the requirements detailed in the Transfer Model Curriculum Pathway. All courses must be completed with a C or better or “P” (Pass).
REQUIRED COURSES - SELECT TWO (6 UNITS)

Photography
PROGRAM
(209) 575-6180

A. A. DEGREE: PHOTOGRAPHY

Photography is both an artistic and a technical vocation. This program is designed
to develop the student’s aesthetic and technical abilities by working with design,
composition, lighting, various types of image content, photographic processes, image
critique, and presentation techniques.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate preparedness to successfully continue studies in art at an upper division
level.
2. Represent and interpret aspects of their physical and social environment in a variety
of photography-related media.
3. Plan, design, and produce original works of art.
4. Make informed assessments of quality and effectiveness in works of art, including
their own.

To earn an associate in arts degree in this major, the student must complete the
requirements detailed in the Career Technical Education Pathway (p. 109) or the
University Preparation Pathway (p. 103) which include completion of the requirements
below. Courses should be selected with the assistance of a Photography faculty advisor.
Students who plan to transfer to a four-year college or university should consult with a
Photography faculty advisor to ensure that all required transfer courses are completed.

REQUIRED COURSES - COMPLETE 18 UNITS
ART 124 [2] Color and Design ................................................................. 3
ART 168 [1] Survey of Photography ......................................................... 3
ART 170 [1] Basic Photography ................................................................. 3
ART 173 [3] Digital Imagining for Photographers ...................................... 3
ART 175 [3] Color Photography ................................................................. 3

ELECTIVE COURSES - COMPLETE AT LEAST 2 UNITS
Art 102 [NP] Introduction to Computer Graphics ....................................... 3 OR
CMGR 202 Introduction to Computer Graphics ........................................ 3
ART 163 [NP] History of Modern Art ......................................................... 3
ART 165 [NP] History of Art 2 ................................................................. 3
ART 169 [NP] Survey of Asian Art ......................................................... 3
ART 192 Professional Practices ................................................................. 2

MINIMUM UNITS IN A.A. MAJOR ......................................................... 20-21

*Photography courses are listed under ART courses starting on page 250.
A.A.-T DEGREE: KINESIOLOGY

The Associate in Arts in Kinesiology for Transfer degree is intended for students who plan to complete a bachelor's degree in Kinesiology or related subjects (Physical Education, Sport Science, Exercise Physiology, etc.) at a CSU campus. This degree focuses on practical application of the science-based study of movement. Students who complete the degree will be able to demonstrate an understanding of how the body systems and structures work together to allow movement to occur.

Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU that does not accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Consider how the body systems and structures work together to allow movement to occur.
2. Relate basic motor skills and patterns to concepts, theories, and methods common to Kinesiology.
3. Assess measurements and types of movement to evaluate individual performance.
4. Demonstrate preparedness to successfully continue studies in Kinesiology or a related subject at an upper-division level.

The following is required for the Associate in Arts in Kinesiology for Transfer degree:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   A. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   B. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

ADTs also require that students must earn a C or better or "P" (Pass) in all courses required for the major or area of emphasis.

A.A. DEGREE: PHYSICAL EDUCATION

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Use effective written, electronic, and verbal communication techniques that demonstrate proficient research skills regarding physical activity, a clear, coherent writing style regarding physical activity, and proficient oral expression regarding physical activity.
2. Demonstrate competence in the major concepts and current research dealing with physical fitness and sports, demonstrating knowledge of major concepts regarding physical activity and demonstrating knowledge of journals, periodicals, and other sources of information regarding current research and sports strategies.
3. Apply critical thinking to utilize protocols regarding the safe design and monitoring of various parameters of physical activity, demonstrating the ability to properly select, attend, and design safe activities and demonstrating knowledge of evaluation, care, and prevention of sports injuries.
4. Synthesize the personal and socio-cultural aspects of sport and physical activity, demonstrating the ability to analyze and interpret trends found in sport as a microcosm of society and demonstrating knowledge of proper psychological process in sport performance and motor learning sequences found in skill development.
5. Identify and apply basic rules and strategies of various physical activities.
**PROGRAM REQUIREMENTS**

To earn an associate in arts degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below.

**REQUIRED COURSES - COMPLETE 15 UNITS**

**TOTAL UNITS IN A.A. MAJOR** ................................................................. 20
A.S.-T DEGREE: PHYSICS

The Associate in Science in Physics for Transfer (A.S.-T in Physics) degree includes lower division coursework that is required for transfer. This program is designed to prepare students who wish to transfer to a California State University campus to complete a bachelor's degree in physics, physics education or a related field of study. It will educate the student in applying the scientific method to collect and analyze data in forming conclusions, to verify physical principles through measurement and experimentation, to solve problems and to predict outcomes in nature using physical laws, and to state and apply physical concepts to explain phenomena encountered in our everyday world.

The Associate in Science in Physics for Transfer (A.S.-T in Physics) is intended for students who plan to complete a bachelor's degree in Physics at a California State University campus. Students completing this degree are guaranteed admission to the CSU System, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. The Associate in Science in Physics for Transfer (A.S.-T in Physics) may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Use the Scientific Method to collect and analyze data in forming conclusions and to verify physical principles through measurement and experimentation.
2. Solve problems and predict outcomes in nature using physical laws.
3. State and apply physical concepts to explain phenomena encountered in our everyday world.

The following is required for the Associate in Science in Physics for Transfer (A.A.-T in Physics) degree:
1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   (A) The Intersegmental General Education Transfer Curriculum (IGETC).
   (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

ADTs also require that students must earn a C or better in all courses required for the major or area of emphasis.

Plant Science

PROGRAM (209) 575-6200

A.S. DEGREE: CROP SCIENCE

The student acquires skills in production of the common row and field crops grown in the Central Valley. Specific skills are emphasized in seedbed preparation, planting, fertilizing, weed control, pest management, harvesting, and marketing. Training leads to farming as well as employment in allied businesses such as fertilizer or agricultural chemical companies, seed companies, processing companies, and other related industries. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Apply general plant science skills for technical employment in the plant science management industry (agronomy and oleoculture).
2. Apply the principles of ecology, soil science, and plant science to agronomy and oleoculture crop management problems.
3. Develop integrated pest management programs for specific crops.

MAJOR REQUIREMENTS

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

A.S. DEGREE: FRUIT SCIENCE

The student will develop skills and knowledge in managing a horticultural fruit production operation. Training in this course includes practical horticultural skills such as propagation, pruning, thinning, planting, and management skills, such as supervision of labor, selecting insurance, credit, orchard planning, spray programs, and calendar of operation. The program also prepares students for transfer to a four-year college. Contact the division office in the Agriculture Building for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Apply general plant science skills for technical employment in the plant science management industry ( pomology, viticulture and enology).
2. Apply the principles of ecology, soil science, and plant science to pomology and viticulture management problems.
3. Develop integrated pest management programs for specific crops.

MAJOR REQUIREMENTS

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

I. AGRICULTURE CAREER COURSES - COMPLETE 5 UNITS

AG 115 * [1] Introduction to Agricultural Education & Careers ...............................................1
AG 249 ** [4] Agriculture Internship ........................................................................2

AGM 235 [NP] Irrigation and Drainage ...........................................................................3
PLSC 260 [NP] Plant Disease Control ............................................................................3

*Required
**Internship/Work Experience must be Agriculture related
Note: For Section I: Agriculture Career Courses, students must take AG 115. Students must complete an additional 4 units in the section by taking AG 349D, or a combination of AG 349A-C, or a combination of AG 249 and AG 349A-B.

TOTAL UNITS .................................................................................................................. 29

A.A.-T DEGREE: POLITICAL SCIENCE

Political Science Program
(209) 575-6129

Political Science is a practical liberal arts major. Students who pursue the Associate in Arts in Political Science for Transfer (AA-T in Political Science) degree will analyze politics and government at the local, state, national, and global levels. Students will also acquire substantive knowledge of American Politics, Political Theory, Comparative Politics, and International Relations. The study of Political Science provides students with the opportunity to explore how individuals can make a difference in their political communities. The Associate in Arts in Political Science for Transfer (AA-T in Political Science) degree is intended for students who plan to complete a bachelor's degree in Political Science at a California State University campus. Students completing this degree are guaranteed admission to the CSU System, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

The following is required for the Associate in Arts in Political Science for Transfer (AA-T in Political Science) degree:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education - Breadth Requirements.
   (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0. All courses within the major must be completed with a C or better or "P" (Pass).

Note: Double counting courses in GE and the major is permissible. Guidance and Activities requirements are not required for this degree.
PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Use critical and creative thinking to address major political problems.
2. Analyze key concepts and important theories in political science.
3. Effectively search for, interpret, and critique political science literature.
4. Formulate and communicate thoughtful opinions about governmental systems, political institutions, laws, and public policies.

CERTIFICATE OF ACHIEVEMENT:
PROFESSIONAL SELLING

The Professional Selling Certificate program concerns itself with the activities that take place in the sale and distribution of goods and services in a world economy. It includes such areas of creative selling as marketing and business communication. Professional Selling is an important part of the marketing process. The salesperson must be able to interpret product and service features in terms of benefits and advantages to the consumer, and to then persuade the buyer to select that product or service while recognizing the ethical issues that apply to the professional selling environment. In the Professional Selling Program, the student is trained for entry-level jobs in sales.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Recognize and analyze ethical issues as they apply to the professional selling environment.
2. Obtain employment in an entry level sales position.
3. Apply communication strategies for various audiences and contexts.

- Certificates are awarded to students in recognition of completion of specified requirements, which indicate proficiency. All Required Courses must be passed with a “C” grade or better. Interested students should consult Business Administration faculty advisors.

Professional Selling

PROGRAM
(209) 575-6129

The Professional Selling Certificate program concerns itself with the activities that take place in the sale and distribution of goods and services in a world economy. It includes such areas of creative selling as marketing and business communication. Professional Selling is an important part of the marketing process. The salesperson must be able to interpret product and service features in terms of benefits and advantages to the consumer, and to then persuade the buyer to select that product or service. In the Professional Selling Program, the student is trained for entry-level jobs in sales.

Psychology

PROGRAM
(209)575-6129

A.A.-T DEGREE: PSYCHOLOGY

This program is designed to prepare students who wish to transfer to a CSU and major in Psychology. This program will provide students with an alignment of courses required for transfer and a cohesive group of courses in the area of Psychology. Courses such as general psychology, research methods in psychology, and introduction to neuroscience will enable the student to demonstrate ability to engage in critical thinking.
PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate familiarity with the major concepts, theoretical perspectives, empirical findings, and historical trends in psychology.
2. Understand and apply psychological principles to personal, social, and organizational issues.
3. Examine and describe psychosocial rehabilitation, family systems, and historical trends in psychology.
4. Conduct a basic assessment, interview, intervention, referral, individual, and group counseling session with individuals that have a severe and persistent mental illness.

PROGRAM REQUIREMENTS

* To receive an Associate of Arts for transfer degree in Psychology, the student must complete the requirements detailed in the Transfer Model Curriculum Pathway. All courses must be completed with a C or better or “P” (Pass).

SKILLS RECOGNITION: PSYCHOSOCIAL REHABILITATION

The Psychosocial Rehabilitation (PSR) program comes from the emerging need in the human services field to recruit and hire qualified persons to provide services for people who have mental health problems, including consumers and family members as employees in the mental health system. Completion of the Psychosocial Rehabilitation program will provide the SKILLS RECOGNITION holder with a core curriculum of essential skills necessary for jobs in the human services field and provide the nine units of college credit necessary to sit for the national test-based certification exam, enabling people to become Certified Psychosocial Rehabilitation Practitioners. This core set of courses not only provides a basic education for people entering the human services profession but also provides training and growth opportunities for existing human service employees. In addition, this SKILLS RECOGNITION will serve as another step in an educational and career ladder leading to a Human Services SKILLS RECOGNITION and/or Degree. All coursework will be applicable as electives and/or meet the requirements for the Human Services degrees at MJC.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Examine and describe psychosocial rehabilitation, family systems, and historical perspectives as it relates to the public mental health movement.
2. Describe and demonstrate effective communication, body language, and written abilities with children, consumers, or families.
3. Analyze the impact of stigma, culture, and various practice models in psychosocial rehabilitation.
4. Classify various theoretical philosophies, biology, co-occurring disorders, environmental or psychosocial stressors, and the relation to psychosocial rehabilitation practice.
5. Conduct a basic assessment, interview, group counseling, and/or group counseling session with individuals that have a severe and persistent mental illness.

PROGRAM REQUIREMENTS

To earn a Skills Recognition award, the student must complete the following coursework. Each course must be completed with a grade of C or better.

REQUIRED COURSES - COMPLETE 9 UNITS
- HUMSR 142 Introduction to Psychosocial Rehabilitation ..........................3
- HUMSR 143 Psychosocial Rehabilitation Practice .....................................3
- HUMSR 144 Community Agency Practicum Discussion ............................1
- HUMSR 145ABD Community Agency Practicum ......................................1-4
- HUMSR 146 Psychosocial Rehabilitation with Children/Families ...............3

Real Estate
PROGRAM
(209) 575-6129

The Real Estate Program is designed to provide the skills necessary for salespersons and other workers in the real estate field. Courses cover principles and practices of real estate, sales, financing, appraisal, escrow, and legal aspects of real estate. The courses fulfill the state education requirements for the salesperson and/or brokers licensing exams. For additional information on real estate licensing requirements, students should visit the California Bureau of Real Estate at http://www.bre.ca.gov/. Classes are also designed to upgrade the skills of persons already working in the real estate or escrow field(s).

A.S. DEGREE: REAL ESTATE

The Real Estate Program is designed to provide the skills necessary for salespersons and other workers in the real estate field. Courses cover principles and practices of real estate, sales, financing, appraisal, escrow, and legal aspects of real estate. The courses fulfill the state education requirements for the salesperson and/or brokers licensing exams. For additional information on real estate licensing requirements, students should visit the California Bureau of Real Estate at http://www.bre.ca.gov/. Classes are also designed to upgrade the skills of persons already working in the real estate or escrow field(s).

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Recognize and analyze ethical issues as they apply to the real estate environment.
2. Obtain employment in an entry-level position in the real estate field.
3. Identify and use common California real estate practices and basic real estate terminology.
4. Meet the education requirement for the basic California real estate agent’s and/or salesperson’s license exam.

To earn an Associate in Science Degree, the student must complete the MJC Associate Degree Requirements in addition to the following coursework. Degrees are awarded to students in recognition of completion of specified requirements, which indicate proficiency. All Required Courses must be passed with a “C” grade or better. The A.S. in Real Estate includes coursework which fulfills the education requirements for both the California State Real Estate Salesperson and Brokers License Exams. Other licensing requirements can be found at the California Bureau of Real Estate web site at http://www.bre.ca.gov/. Interested students should consult Business Administration faculty advisors.

Respiratory Care
PROGRAM
(209) 575-6373

The MJC Respiratory Care Program is a two-year associate degree program to prepare students to sit for the State Board Respiratory Care Practitioner Exam. The Respiratory Care Program of Modesto Junior College is accredited by the Commission on Accreditation for Respiratory Care (CoARC). Graduates are also eligible for both Certification and Registration administered by the National Board for Respiratory Care.

Commission on Accreditation for Respiratory Care
1248 Harwood Road
Bedford, Texas 76021-4244
(817) 283-2835
www.coarc.com

Program expenses vary for each individual. The estimated cost of the Respiratory Care Program is $5000, approximately $2,500 per year, which includes enrollment and materials fees, health clearance, uniforms, books, and licensure examination. If you would like information on financial aid, call (209) 575-7700.

The MJC Respiratory Care Program begins once a year in January. If you have questions about program information, contact Allied Health, 575-6362 or visit the Allied Health website at www.mjc.edu/alliedhealth and search Respiratory Care Program. For academic advising, contact the Respiratory Care Program Director at 575-6381, the Clinical Director at 575-6388, or the MJC Counseling Office at 575-6080.

ELIGIBILITY AND PREPARATION
FOR THE RESPIRATORY CARE PROGRAM

- Admission To Modesto Junior College
- High School Graduation is highly recommended but is not required.
- Transcripts on File in MJC Enrollment Services All college transcripts must be submitted with the program application to Allied Health, prior to the program application deadline, unless the transcripts are already on file in the MJC Enrollment Services, Student Services Building 102, (209) 575-6853. We will accept hand-carried transcripts that are in a sealed envelope with a school seal.

REQUIRED MATH COMPETENCY FOR ACCEPTANCE
INTO THE RESPIRATORY CARE PROGRAM

- Eligibility for entrance into any 100-level MATH course through MJC Assessment process OR
- Score of 3, 4, or 5 on AP Exam: Calculus AB or Calculus BC or Statistics
- Completion of MATH 90 or higher level MATH course, or an equivalent course from another institution with a grade of C or better

*Please Note: Catalog rights prior to Summer 2009, will be honored for math competency through the 2011-2012 academic year. Beginning with the 2012 Respiratory Care Program application period, all applicants will need to meet the required math competency listed above.

PROGRAM PREREQUISITES
CHEM 143 Introductory College Chemistry.......................................................... 4 AND
AP 150 Integrative Anatomy & Physiology (C or better)....................................... 4 OR 5

*NOTE: BIO 111 is a prerequisite for the anatomy, physiology, and microbiology courses.

PROGRAM APPLICATION

Students who have met/completed the requirements above may submit a Respiratory Care Program application during the application period:

August 1 through October 15

PROGRAMS OFFERED

Applications are available on the Allied Health website (www.mjc.edu/alliedhealth) during the application period only. Applications may be submitted in person or mailed, but must be received in the Allied Health office or postmarked by the application deadline.

SELECTION PROCESS

In order to be fully qualified for admission, applicants must have completed the program Prerequisites with a grade of C or better at the time of application. In the event that there are more qualified applicants than space available, a weighted lottery system will be employed. An applicant’s name will be entered an extra time for:

- MICROBIOLOGY - Satisfactory completion of MICRO 101
- PSYCHOLOGY - Satisfactory completion of PSYCH 101
- SCIENCE GPA - A grade point average (GPA) for chemistry, anatomy, and physiology of 3.0 or better OR a GPA for microbiology, chemistry, anatomy, and physiology of 2.75 or better.
- DEGREE REQUIREMENTS - Completion of the MJC General Education requirements or a bachelor’s degree
- PREVIOUSLY QUALIFIED APPLICANT - Each previously qualified application to the MJC Respiratory Care program.

If the number of fully qualified applicants falls short of the number of available openings, provisionally qualified students will be eligible for admission. Students who have one or both of the prerequisites in progress at the time of application may be provisionally qualified for acceptance into the program based upon completing the prerequisites with a grade of C or better. On a space available basis, applicants who have completed CHEM 143 with a C or better, but have not completed the AP 150 prerequisite may enroll in RSCR 220 and AP 150 in the spring and if they pass both courses with a grade of C or better, they will be officially accepted into the program at the end of spring semester and will then enroll in RSCR 230 in the summer.

ADDITIONAL REQUIREMENTS
FOR ACCEPTED APPLICANTS ONLY

Accepted applications will receive information on the clinical clearance process outlined below.

CLINICAL CLEARANCE

HEALTH CLEARANCE

- A medical history and physical examination completed by a physician, physician’s assistant, or nurse practitioner within 6 months prior to program start date.

The physical must state that the applicant does not have any health conditions that would create a hazard to self, employees, or patients.

- Documentation of required immunizations.

- A negative PPD skin test must be obtained. If a positive reaction is obtained, or has previously been obtained, a chest x-ray must be taken unless medically contraindicated.
BACKGROUND CHECK
All students participating in clinical assignments are required by acute care hospitals to complete a background check and be cleared by the clinical facility in order to participate in the clinical experience.

DRUG SCREEN
All students participating in clinical assignments will be required to pass a drug screen.

BLS CERTIFICATION
Basic Life Support (BLS) certification is not required in advance. It is offered as part of RSCR 220: Introduction to Respiratory Care Principles.

SCHOLASTIC REQUIREMENTS
- Continuation in the Respiratory Care Program is dependent upon completion of all courses with a C grade or better. If a student receives less than a C in any required course, that course must be repeated with a C or better in order to qualify for a Certificate of Completion.

POLICY FOR IMPOSING PENALTIES
FOR DENIAL OF LICENSURE
The law provides for denial of licensure for crimes or acts, which may in any way be related to patient care activities, i.e., sex crimes, drug crimes, alcohol or drug abuse, and crimes of violence. In such cases, it is the applicant’s responsibility to present sufficient evidence of rehabilitation to the Respiratory Care Board of California prior to taking the licensure examination. If the above violations are only misdemeanors, an in-house review and penalty determination may be performed and fines, warning letters, and/or probation may be issued without denial of a license. The Respiratory Care Board of California will screen applicants individually. Any student considering a career as a Respiratory Therapist who might be denied licensure is advised to consult the Disciplinary Guidelines (California Code of Regulations, 1399.374) published by the Respiratory Care Board of California before entering the program. Further information on disciplinary guidelines may be obtained from:

Respiratory Care Board of California
444 North 3rd Street Suite 270
Sacramento, CA 95814
Toll Free in California (866) 375-0386
http://www.rcb.ca.gov/

PROGRAM ADVISORY
Students are strongly advised to complete the required curriculum listed under Required Courses (Non Respiratory Care) and additional associate degree requirements prior to entering the Respiratory Care Program. These courses must be completed by the last semester of the program with a grade of C or better in order to complete the Respiratory Care program and be eligible to take the certification and registration examination administered by the National Board for Respiratory Care.

A.S. DEGREE: RESPIRATORY CARE

PROGRAM LEARNING OUTCOMES
Upon satisfactory completion of this award, the student should be prepared to:
1. Efficiently perform patient assessments and render safe, effective, and quality respiratory care in an ethical manner for the welfare of both the patient and the Respiratory Care profession.
2. Develop habits, interests, and attitudes favorable to lifelong learning.
3. Successfully complete all required Respiratory Care curriculum in order to receive an A.S. degree in Respiratory Care.
4. Competently perform all duties and functions which may be delegated to registered respiratory care practitioners.
5. Successfully pass the National Board for Respiratory Care examination for certification as a Respiratory Care Practitioner as well as the Advanced Practitioner Exam.

To earn an Associate in Science Degree in Respiratory Care, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) in addition to the Respiratory Care coursework. Consult with an advisor for selection of courses.

TOTAL UNITS REQUIRED IN A.S. DEGREE ..........................................................................................72.5

*The Health Education requirement has been waived for all Allied Health certificates and degrees.

Retail Management (WAFC) PROGRAM
(209) 575-6129

The Retail Management Certificate Program is designed for individuals who are interested in or are currently employed in the retail industry and seek advancement into a managerial position in that field. Course work includes: retail store management,
information systems, business mathematics, workplace writing, accounting, human resource management, marketing and business communications. Certificates are awarded to students in recognition of completion of specified requirements, which indicate proficiency. All certificate Required Courses must be passed with a "C" grade or better. Interested students should consult division advisors.

CERTIFICATE OF ACHIEVEMENT: RETAIL MANAGEMENT (WAFC)

The Retail Management Certificate Program is designed for individuals who are interested in or are currently employed in the retail industry and seek advancement into a managerial position in that field. Course work includes: management, written and oral business communication, accounting, marketing, human relations and resource management, leadership, computer applications and retail management. The Retail Management Certificate is available to all students; however, individuals who are currently employed by a participating WAFC (Western Association of Food Chains) Retailer/Wholesaler are also eligible to receive a WAFC Retail Management Certificate from their employer. These students should contact the HR department of their employer and/or visit www.wafc.com for further details.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Recognize and analyze ethical issues as they apply to the retail selling environment.
2. Obtain employment in a retail management position.
3. Apply communication strategies for retail selling environment.

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of "C" or better. Interested students should consult Business Administration faculty advisors.

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD: 25-28

A.A.-T DEGREE: ELEMENTARY TEACHER EDUCATION

The Associate in Arts in Elementary Teacher Education for Transfer degree includes lower division coursework that is required for transfer and provides a broad overview of the fields in natural science, social sciences, humanities, composition, mathematics and critical thinking in order to prepare the future teacher for standards-based curriculum required in public schools.

The Associate in Arts in Elementary Teacher Education for Transfer (AA-T in Elementary Teacher Education) degree is intended for students who plan to complete a bachelor's degree in elementary teacher education at a California State University campus. Students completing this degree are guaranteed admission to the CSU System, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

THE FOLLOWING IS REQUIRED FOR THE ASSOCIATE IN ARTS IN ELEMENTARY TEACHER EDUCATION FOR TRANSFER (AA-T IN ELEMENTARY TEACHER EDUCATION) DEGREE:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtaining of a minimum grade point average of 2.0. All courses within the major must be completed with a "C" or better or "P" (Pass).

*Note: Double counting courses in GE and the major is permissible. Guidance and Activities requirements are not required for this degree.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this program, the student should be prepared to:
1. Demonstrate competence in the fields of study central to the California Board of Education content standards.
2. Define and explain the fundamental concepts of educational pedagogy including motivational theories, learning styles, and curriculum development.

PROGRAM REQUIREMENTS

To earn an Associate in Arts for Transfer Degree in this major, the student must complete the requirements detailed in the Transfer Model Curriculum Pathway. All courses must be completed with a "C" or better or "P" (Pass).

Sociology
PROGRAM
(209) 575-6129

A.A.-T DEGREE: SOCIOLOGY

The Associate in Arts in Sociology for Transfer degree includes lower division coursework that is required for transfer. Sociology is the study of society and how individuals' lives are shaped by the larger social structure. The Associate in Arts in Sociology for transfer will provide foundational training for students in sociological concepts. The program offers a diverse curriculum to provide students with the tools necessary to comprehend their social world, using sociological theory and methodology to focus on social structure and culture. The program includes courses that explore social institutions, social problems, race, ethnic relations and the family. The Associate in Arts in Sociology for Transfer degree is intended for students who plan to complete a bachelor's degree in Sociology at a California State University campus. Students completing this degree are guaranteed admission to the CSU System, but not to a particular campus or Sociology. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

The following is required for the Associate in Arts in Sociology for Transfer degree: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education — Breadth Requirements. (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0. (3) All courses required for the major must be completed with a C or better or "P" (Pass).

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award the student will be able to:
1. Critically evaluate and apply theoretical concepts to specific sociological phenomenon.
2. Explain major sociological theories and relevant concepts.

PROGRAM REQUIREMENTS

To earn an Associate in Arts in Sociology for Transfer Degree, the student must complete the requirements detailed in the Transfer Model Curriculum Pathway which include completion of the requirements below.

REQUIRED CORE - COMPLETE 11 UNITS

SOCIO 101 [1] Introduction to Sociology ................................................................. 3
SOCIO 102 [NP] Social Problems in the United States ........................................... 3
MATH 134 [NP] Elementary Statistics ................................................................. 4

LIST A: SELECT TWO (6 UNITS)

SOCIO 125 [NP] Sociology of the Family ............................................................. 3
SOCIO 150 [NP] Ethnicity and Culture in America ............................................. 3
PSYCH 104 [NP] Introduction to Social Psychology ........................................... 3

LIST B: SELECT ONE (3 UNITS)

Any course from List A not already used ............................................................... 3
SOCIO 154 [NP] African-American Cultures and ............................................. 3
The Department of Spanish offers various courses that provide students with the foundation for Spanish language study. Knowledge of Spanish is highly desirable in many fields, such as health, service, business, travel, and interpreting. Beyond the immediate practical advantages of learning a foreign language, there is also the profound personal enrichment that comes from first-hand knowledge of other cultures. Students majoring in Spanish have the opportunity to become acquainted with the history, literature, and art of the Spanish-speaking world. Students are urged to discuss their plans with faculty and counselors regarding the specific lower-division requirements at the four-year colleges and universities they plan to attend.

A.A. DEGREE: SPANISH

The Department of Spanish offers various courses that provide students with the foundation for Spanish language study. Knowledge of Spanish is highly desirable in many fields, such as health, service, business, travel, and interpreting. Beyond the immediate practical advantages of learning a foreign language, there is also the profound personal enrichment that comes from first-hand knowledge of other cultures. Students majoring in Spanish have the opportunity to become acquainted with the history, literature, and art of the Spanish-speaking world. Students are urged to discuss their plans with faculty and counselors regarding the specific lower-division requirements at the four-year colleges and universities they plan to attend.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Communicate orally in Spanish in real-life situations at an intermediate proficiency level.
2. Communicate in writing in Spanish at an intermediate proficiency level with minimal errors in grammar, spelling, and mechanics.
3. Explain main ideas and compose simple narratives about various cultural materials produced in Spanish.

To earn an associate in arts degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below.

Supervisory Management

PROGRAM (209) 575-6129

The Supervisory Management Program is designed to prepare students for leadership responsibilities at the operating level in business, industry, and government. It also provides owners, managers, and other supervisory personnel with the opportunity to complete specific courses designed to develop management ability. Many of the courses are offered in the evening to accommodate working students who are interested in upgrading their skills.

A.S. DEGREE: SUPERVISORY MANAGEMENT

The Supervisory Management Program is designed to prepare students for leadership responsibilities at the operating level in business, industry, and government. It also provides owners, managers, and other supervisory personnel with the opportunity to complete specific courses designed to develop management ability. Many of the courses are offered in the evening to accommodate working students who are interested in upgrading their skills.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Recognize and analyze ethical issues as they apply to the business environment.
2. Obtain employment in an entry-level supervisory position within industry and/or government sectors.
3. Use appropriate and effective business communication skills.

To earn an Associate in Science Degree, the student must complete the MJC Associate Degree Requirements in addition to the following coursework. Degrees are awarded to students in recognition of completion of specified requirements, which indicate proficiency. All Required Courses must be passed with a “C” grade or better. Interested students should consult Business Administration faculty advisors.
CERTIFICATE OF ACHIEVEMENT: SUPERVisory MANAGEMENT

The Supervisory Management Program is designed to prepare students for leadership responsibilities at the operating level in business, industry, and government. It provides owners, managers, and other supervisory personnel with the opportunity to complete specific courses designed to develop management ability. Many of the courses are offered in the evening to accommodate working students who are interested in upgrading their skills.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Recognize and analyze ethical issues as they apply to the business environment.
2. Obtain employment in an entry-level supervisory position within industry and/or government sectors.
3. Use appropriate and effective business communication skills.

PROGRAM REQUIREMENTS

• Certificates are awarded to students in recognition of completion of specified requirements, which indicate proficiency. All Required Courses must be passed with a “C” grade or better. Interested students should consult Business Administration faculty advisors.

THEATRE ARTS

The Theatre Program at MJC is designed to prepare students to work in professional or semiprofessional theatre situations or to transfer to four-year colleges and universities to pursue additional drama classes that may include preparation for teaching theatre. The program is designed to teach students the techniques of acting, directing, playwriting, lighting, makeup, oral interpretation, stage design, and children's theatre. The Theatre program provides students the opportunity to act in major productions.

A.A.-T DEGREE: THEATRE ARTS

ABOUT THIS DEGREE

The Associate in Arts in Theatre Arts for Transfer degree (AA-T) prepares students to transfer into the CSU system leading to a baccalaureate degree in Theatre Arts which can lead to careers in teaching, design, technical theatre, management, professional performance, stage direction, stage management, etc. Please consult a counselor regarding specific course requirements for the transfer institution. Completion of the Associate in Arts in Theatre Arts for Transfer degree also provides guaranteed admission with junior status to the CSU system. Upon completion of the Associate in Arts in Theatre Arts for Transfer degree, students will understand and be able to demonstrate the fundamental performance and technical production processes for the Theatre Arts, demonstrate knowledge of the historical and cultural dimensions of theatre and understand the interaction between script, actor and audience and the areas of scenery, lighting, sound and costume.

The Associate in Arts in Theatre Arts for Transfer degree is intended for students who plan to complete a bachelor's degree in Theatre Arts at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Discuss theatre from an historical perspective.
2. Demonstrate time management, commitment, follow-through, and responsibility as each attribute is applied to achieving a common group goal.
3. Creatively analyze, critique, and interpret works of theatrical art.
4. Describe the racial, ethnic and cultural diversity of U.S. and world theatre.
5. Express creativity in the artistic process.

THE FOLLOWING IS REQUIRED FOR THE ASSOCIATE IN ARTS IN THEATRE ARTS FOR TRANSFER:

• A minimum of 18 semester units or 27 quarter units in the major with a grade of C or better or “P” (Pass) while maintaining a minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework.
The Theatre program provides students the opportunity to act in major productions, playwrighting, lighting, makeup, oral interpretation, stage design, and children’s theatre. Students may pursue additional drama classes that may include preparation for teaching theatre. The Transfer Preparation Pathway may include completion of the requirements below. Students should consult with a Theatre faculty advisor for selection of elective Units. Students who plan to transfer to a four-year college or university should consult with a Theatre faculty advisor to ensure that all required transfer courses are completed.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Distinguish and describe different practices in World Theater based on history, culture, ethnicity and race.
2. Evaluate theater productions by describing the artistic and collaborative processes that were involved in the creation of the production.
3. Apply acting and technical skills to create a theatrical piece of art.

**PROGRAM REQUIREMENTS**

To earn an Associate in Arts Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below. Students should consult with a Theatre faculty advisor for selection of elective Units. Students who plan to transfer to a four-year college or university should consult with a Theatre faculty advisor to ensure that all required transfer courses are completed.

**TOTAL UNITS IN A.A. MAJOR ......................................................... 19**

**SKILLS RECOGNITION: DESIGN & TECHNICAL THEATRE**

The Theatre Program at MJC is designed to prepare students to work in professional or semi-professional theatre situations or to transfer to four-year colleges and universities to pursue additional drama classes that may include preparation for teaching theatre. The program is designed to teach students the techniques of acting, costuming, directing, playwrighting, lighting, makeup, oral interpretation, stage design, and children’s theatre. The Theatre program provides students the opportunity to act in major productions.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Describe how theatre artists collaborate in order to create a theatrical production.
2. Analyze a script in terms of themes, place, time period, style, plot, genre and mood as applied to scenery, costume and lighting planning and design.
3. Demonstrate how to safely use common lighting instruments and accessories in the course of lighting a dance concert or play.
4. Draw a basic makeup design for a face.
5. Demonstrate knowledge of stage and shop safety rules and safe working practices in an applied situation.
6. Organize the necessary paperwork and schedule to prepare and run rehearsals and performances.

To earn a Skills Recognition Award, the student must complete the following coursework. Each course must be completed with a grade of C or better.

**REQUIRED COURSES - COMPLETE 16 UNITS**
- THETR 100 Introduction to Theatre Arts ......................................................... 3
- THETR 174 Stage Makeup .............................................................................. 3

**SKILLS RECOGNITION: THEATRE PERFORMANCE**

The Theatre Program at MJC is designed to prepare students to work in professional or semi-professional theatre situations or to transfer to four-year colleges and universities to pursue additional drama classes that may include preparation for teaching theatre. The program is designed to teach students the techniques of acting, costuming, directing, playwriting, lighting, makeup, oral interpretation, stage design, and children’s theatre. The Theatre Program provides students the opportunity to act in major productions.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Solve memorization and other problems of scene preparation.
2. Employ advanced acting techniques for character development, physical and vocal warm-ups and performance preparation.
3. Analyze a script verbally and/or in writing in terms of theme, character and motivational units.
4. Demonstrate the ability to improve a performance after receiving a critique from a director.
5. Properly cut and edit performance material from larger works.

To earn a Skills Recognition Award, the student must complete the following coursework. Each course must be completed with a grade of C or better.

**REQUIRED COURSES - COMPLETE 6 UNITS**

**ELECTIVE COURSES - COMPLETE 9 UNITS**

---

**Welding**

**PROGRAM**

(209) 575-6332

Student will be able to gas and arc weld in all positions as well as use gas and arc cutting equipment. Upon completion of the A.S. Degree in welding, the student will be employable in the trades or will be able to transfer to a state university for study in an industrial-related degree program.

**REQUIRED COMPETENCIES FOR ALL CERTIFICATES AND SKILLS RECOGNITIONS:**

All students who plan to earn a certificate must also meet the following competencies.

- MATH 20 Pre-Algebra .................................................................................. 3
- Eligibility for MATH 70 by MJC assessment process

---

**A.S. DEGREE: WELDING**

The Industrial Welding Program supports and maintains a training platform that focuses on the most common welding and sheet metal processes, certifications, and supporting technologies used in industry. The curriculum for the program is concentrated primarily on the Shielded Metal Arc, Gas Tungsten Arc, Gas Metal Arc, Flux Core Arc Welding, Oxy-Acetylene Welding, Oxy-Acetylene and Plasma Cutting. The program’s courses expose students to both hands-on, laboratory and lecture learning objectives.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this award, the student should be prepared to:

1. Demonstrate compliance with current welding industry safety and environmental regulations.
2. Perform welding operations in accordance with structural, manufacturing, and food processing industries’ recognized and accepted practices.

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway (p. 109) or the University Preparation Pathway (p. 103) which include completion of the requirements below.

**REQUIRED COMPETENCIES**

- MATH 20 Pre-Algebra .................................................................................. 3
- Eligibility for MATH 70 by MJC assessment process

**REQUIRED COURSES – COMPLETE 30 UNITS**

- AGM 211 [NP] Advanced Agricultural Welding ........................................... 3
- MACH 301 [NP] Shop 1 ................................................................................ 3
- SMA 331 [NP] Sheet Metal and Installation 1 ................................................. 3
- SMA 332 [NP] Sheet Metal and Installation 2 ................................................ 3
- WELD 200 [NP] Arc & Gas Welding ............................................................. 3
- WELD 204 [NP] Gas Metal Arc Welding (G.M.A.W) & Flux Core Arc Welding (F.C.A.W) .............................................................. 3
- WELD 206 [NP] Gas Tungsten Arc Welding (G.T.A.W) ................................ 3
- WELD 300 [NP] Intermediate Welding .......................................................... 3
- WELD 325 [NP] Design and Fabrication Processes ....................................... 3
- WELD 340 [NP] Pipe-Welding ...................................................................... 3

**TOTAL UNITS IN A.S. MAJOR ......................................................................... 30**
SKILLS RECOGNITION: DESIGN & FABRICATION

The Industrial Welding Program supports and maintains a training platform that focuses on the most common welding and sheet metal processes, certifications, and supporting technologies used in industry. The curriculum for the program is concentrated primarily on the Shielded Metal Arc, Gas Tungsten Arc, Gas Metal Arc, Flux Core Arc Welding, Oxy-Acetylene Welding, Oxy-Acetylene and Plasma Cutting. The program's courses expose students to both hands-on, laboratory and lecture learning objectives.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Develop and interpret various types of fabrication prints.
2. Develop and interpret weld and welding symbols.
3. Use the required welding and sheet metal equipment, perform typical metal fabrication operations.

PROGRAM REQUIREMENTS

To earn a Skills Recognition Award, the student must meet/complete the required competencies, and complete the following coursework. Each course must be completed with a grade of C or better.

REQUIRED COMPETENCIES FOR SKILLS RECOGNITIONS

MATH 20 Pre-Algebra ...........................................................................................................5 OR Eligibility for MATH 70 by MJC assessment process

REQUIRED COURSES – COMPLETE 12 UNITS

WELD 200 [1] Arc & Gas Welding .................................................................................. 3
SM 331 [1] Sheet Metal and Installation ........................................................................... 3

TOTAL UNITS FOR SKILLS RECOGNITION AWARD ................................................. 12

SKILLS RECOGNITION: PIPE WELDING

The Industrial Welding Program supports and maintains a training platform that focuses on the most common welding and sheet metal processes, certifications, and supporting technologies used in industry. The curriculum for the program is concentrated primarily on the Shielded Metal Arc, Gas Tungsten Arc, Gas Metal Arc, Flux Core Arc Welding, Oxy-Acetylene Welding, Oxy-Acetylene and Plasma Cutting. The program's courses expose students to both hands-on, laboratory and lecture learning objectives.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Identify and fit-up various pipe fittings and hangers.
2. Identify and select appropriate pipe hangers.
3. Calculate and fit up typical joint off-sets.
4. Perform typical welding procedures according to industry codes and standards using the SMAW process.

PROGRAM REQUIREMENTS

To earn a Skills Recognition Award, the student must meet/complete the required competencies, and complete the following coursework. Each course must be completed with a grade of C or better.

REQUIRED COMPETENCIES

All students who plan to earn a skills recognition must also meet the following competencies.
MATH 20 [NP] Pre-Algebra .............................................................................................. 5 OR Eligibility for MATH 70 by MJC assessment process

REQUIRED COURSES – COMPLETE 9 UNITS

WELD 200 [1] Arc and Gas Welding ............................................................................. 3
WELD 300 [2] Intermediate Welding ............................................................................... 3

TOTAL UNITS FOR SKILLS RECOGNITION AWARD .................................................. 9
WELDING / WORD PROCESSING

PROGRAMS

Word Processing

PROGRAM
(209) 575-6129

The Word Processing Certificate program is designed to teach students word processing skills and concepts. Students acquire the necessary competencies for the modern office. Word processing and Desktop publishing has become one of the fastest growing careers during the past decade. There are a wide variety of employment opportunities available.

CERTIFICATE OF ACHIEVEMENT: WORD PROCESSING

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Productively work as a team member with people of diverse experiences and backgrounds in a workplace environment.
2. Competently use a wide variety of office equipment, including computers, peripherals, and non-computerized office machines.

To earn a Certificate of Achievement, the student must complete the following coursework. Each course must be completed with a grade of C or better.

REQUIRED COURSES - COMPLETE 25.5 UNITS

- OFADM 303 [NP] Keyboarding for Speed and Accuracy ...............................................0.5
- OFADM 203 [1] Intermediate Keyboarding 3 .................................................................3
- OFADM 231 [1] Intermediate Word Processing ..........................................................3
- OFADM 311 [1] Business Proofreading and Editing ......................................................3
- OFADM 359 [1] Introduction to Spreadsheet Software ..................................................1
- OFADM 361 [2] Introduction to Databases .....................................................................1
- OFADM 363 [1] Understanding the Internet ...................................................................1
- CMPGR 217 [NP] Computer Illustration Software .........................................................3
- CMPGR 235 [NP] Beginning Photoshop ........................................................................3

*Note: Not all courses are offered every semester; therefore, students should see an advisor for appropriate course sequence.

TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD ..................31.5
MJC Courses
**Medical Assisting Courses (MDAST)**

**MDAST 320—INTRODUCTION TO MEDICAL ASSISTING**  
3 UNITS  
54 Lecture Hours
Formerly listed as: MDAST - 320: Intro. to Medical Assisting  
Corequisite: Concurrent enrollment in MDAST 322 and MDAST 323.  
Limitations on Enrollment: Enrollment limited to students who have been accepted into the Medical Assisting Program.  
Orientation to the medical office and the role of the medical assistant. Professional relations and communications, ethics, and legal responsibilities; history of medicine and community health care facilities. Field trips may be required. (A-F Only) Lecture.  
Transfer: (CC OFTEC 50)

**MDAST 321—MEDICAL TERMINOLOGY**  
3 UNITS  
54 Lecture Hours  
Emphasizing logical and rational understanding of word parts. Covers medical terms organized according to body systems, including fundamental understanding of basic anatomy, function, diseases, and surgeries of each body system. (A-F Only) Lecture.  
Transfer: (CC OFTEC 50)

**MDAST 322—MEDICAL ASSISTING ADMINISTRATIVE PROCEDURES**  
3.5 UNITS  
36 Lecture Hours, 18 Lab Hours
Formerly listed as: MDAST - 322: Medical Assisting Administrative  
Corequisite: Concurrent enrollment in MDAST 320 and MDAST 323.  
Limitations on Enrollment: Enrollment limited to students who have been accepted into the Medical Assisting Program.  
Medical Assisting Administrative procedures including financial record keeping, insurance claims, banking functions, payroll and medical records. Students receive training in completing the above procedures manually and by computer. Field trips may be required. (A-F Only) Lecture/Lab.

**MDAST 323—MEDICAL ASSISTING CLINICAL PROCEDURES**  
3 UNITS  
36 Lecture Hours, 54 Lab Hours
Corequisite: Concurrent enrollment in MDAST 322 and MDAST 320.  
Limitations on Enrollment: Enrollment limited to students who have been accepted into the Medical Assisting Program.  
Clinical medical assisting skills, which pertain to preparing the patient for examination and assisting patient and physician during patient examination and treatment. The assistant must anticipate the physician's needs as to the type of examination, the specific equipment needed, and the extent of assistance required by the patient. This requires judgment based on a reasonable understanding of physical examinations, the methods and equipment used, and the related role of the medical assistant. Materials Fee Required. (A-F Only) Lecture/Lab.

**MDAST 324—INTRODUCTION TO DISEASE AND PHARMACOLOGY**  
4 UNITS  
63 Lecture Hours, 27 Lab Hours
Formerly listed as: MDAST - 324: Intro to Diseases/Pharmacology  
Prerequisite: Satisfactory completion of MDAST 320 and MDAST 322 and MDAST 323.  
Corequisite: Concurrent enrollment in MDAST 325 and MDAST 326.  
Medical Terminology related to the human body in health and disease. Pathogenesis and discussion of representative diseases; signs and symptoms of many major diseases and basic drugs used in treatment. (A-F Only) Lecture/Lab.

**MDAST 325—MEDICAL ASSISTING LABORATORY PROCEDURES**  
3 UNITS  
54 Lecture Hours, 54 Lab Hours
Formerly listed as: MDAST - 325—Lab Procedures.  
Prerequisite: Satisfactory completion of MDAST 320 and MDAST 322 and MDAST 323.  
Corequisite: Concurrent enrollment in MDAST 324 and MDAST 326.  
Introduction to laboratory procedures necessary to aid the physician. Includes patient preparation for diagnostic studies, purposes, techniques, and recording of procedures commonly performed. Field trips may be required. (A-F Only) Lecture/Lab.

**MDAST 326—MEDICAL ASSISTING PRACTICUM**  
7 UNITS  
36 Lecture Hours, 270 Lab Hours
Formerly listed as: MDAST - 326: Externship  
Prerequisite: Satisfactory completion of MDAST 320 and MDAST 322 and MDAST 323.  
Corequisite: Concurrent enrollment in MDAST 324 and MDAST 325.  
Practicum portion of the program consists of two 8-week rotations in which students apply knowledge in performing administrative and clinical procedures. Students also receive training in taking the national certification exam and seeking employment. (A-F Only) Lecture/Lab.

**Meteorology Courses (METEO)**

**METEO 161 INTRODUCTION TO METEOROLOGY**  
4 UNITS  
54 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete EASCI 161 and satisfactorily complete CHEM 141.  
Introduction to atmospheric structure, weather monitoring techniques, solar radiation, thermodynamics, air pressure, humidity, cloud formation, wind patterns, planetary circulation patterns, storms and severe weather (including thunderstorms, tornados, and hurricanes), and the causes and consequences of climate and climate change. Lab activities emphasize gathering and analysis of meteorological data (both archived and real-time) to understand and predict weather events. Field trips may be required. (A-F or P/NP) Lecture/Lab. Transfer: (CSU, UC) General Education: (MKG - GE) (CSU-GE: B1, B3) (IGETC 5A, 5C)

**Microbiology Courses (MICRO)**

**MICRO 101—MICROBIOLOGY**  
4 UNITS  
54 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of BIO 116 or BIO 111 and CHEM 141.  
Includes the study of microorganisms, microbial metabolism, genetics, and varieties; immunity, infections, and antimicrobials. Intended mainly for student entering the health professions. Field trips may be required. (A-F or P/NP) Lecture/Lab. Transfer: (CSU, UC) (CC BIOL 65) General Education: (MKG - GE) (CSU-GE: B2, B3) (IGETC 5A, 5C)

Programs, awards, and courses are listed in alphabetical order from A-Z. The awards listed under each program are listed by the type of award in this order: AST, AAT, AS, AA, CERT, SR.
ADJU 144 — COMMUNITY AGENCY SERVICE 1 UNIT
18 Lecture Hours
Formerly listed as ADJU 145
Prerequisite: Satisfactory completion of ADJU 201.
Corequisite: Concurrent enrollment in ADJU 145.
Analysis of field experiences of students concurrently enrolled in ADJU 145A, 145B, 145C, or 145D. Class time is devoted to sharing and evaluating problems that develop, and ways of resolving them will be sought by class members. Field trips may be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

ADJU 203 — CONCEPTS OF CRIMINAL LAW 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ADJU 201 and satisfactorily complete ADJU 202.
Historical development, philosophy of law and constitutional provisions: definitions, classification of crime and their application to administration of justice system; legal research, case law, methodology and concepts of law as a social force. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: AJ 120) General Education: (MJC-GE: B) (CSU-GE: D0) (IGETC: 4J)

ADJU 204 — LEGAL ASPECTS OF EVIDENCE 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ADJU 201 and satisfactorily complete ADJU 202 and satisfactorily complete ADJU 203.
Origin, development, philosophy, and constitutional basis of evidence; constitutional and procedural considerations affecting arrest, search and seizure; kinds of degrees of evidence and rules governing admissibility; judicial decisions interpreting individual rights and case studies. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU) (C-ID: AJ 124)

ADJU 205 — COMMUNITY RELATIONS 3 UNITS
54 Lecture Hours
Roles of administration of justice practitioners and agencies. Inter-relationships and role expectations among the various agencies and the public. Principal emphasis on the professional image of administration of justice system and development of positive relationship between system members and the public. Field trips may be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC)

ADJU 206 — COMMUNICATIONS IN CRIMINAL JUSTICE 3 UNITS
54 Lecture Hours
Survey of the existing policies and principles affecting report writing in American criminal justice, emphasizing preparation, oral presentation and thoroughness necessary for judicial acceptance. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

ADJU 212 — CRIMINAL INVESTIGATION 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ADJU 201.
Fundamentals of investigation, crime scene search and recording, collection and preservation of physical evidence, technology, modus operandi, sources of information, interviews and interrogation, follow-up and case preparation. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU) (C-ID: AJ 140)

ADJU 213 — PATROL PROCEDURES 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ADJU 201.
Responsibilities, techniques, and methods of police patrol. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

ADJU 215 — INTRODUCTION TO FIREARMS 3 UNITS
54 Lecture Hours
Limitations on Enrollment: Enrollment limited to students who have submitted a Live Scan Application to the State of California Department of Justice for fingerprint
COURSES

ADJU 216—ADVANCED FIREARMS AND RANGE APPLICATION 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of ADJU 215.

Limitations on Enrollment: Enrollment limited to students who have submitted a Live Scan Application to the State of California Department of Justice for fingerprint clearance. This course is restricted under California Penal Code Section 29800; course requires handling and possessing of firearms. Convicted felons, persons addicted to any narcotic or convicted of any offense involving the violent use of a firearm are not allowed to enroll in the course based on Penal Code Section 29800.

A continuation of ADJU 215. In-depth review of legal aspects of firearms. Tactical analysis and decision making skill building. Range firing of various weapons. Students must provide own ammunition. The instructor reserves the right to remove a student from the firing range due to a safety violation. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU) (C-ID: AJ 200)

ADJU 217—SUBSTANCE ABUSE 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ADJU 201 and satisfactorily complete ADJU 202.

Basic understanding of controlled substances, including identification, physiological effects, testing, and use detection, methods of enforcement and investigation, applicable laws controlling use, treatment processes, and prevention. Field trips are not required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU) General Education: (CSU) (C-ID: AJ 220) General Education: (CSU) (C-ID: AJ 220)

ADJU 219—CORRECTIONS FIREARMS TRAINING 1.5 UNITS
18 Lecture Hours, 27 Lab Hours
Prerequisite: Satisfactory completion of ADJU 215.

Limitation on Enrollment: This course is restricted under California Penal Code Section 12021. Convicted felons, persons addicted to any narcotic or convicted felons, persons addicted to any narcotic or convicted of any offense involving the violent use of a firearm are not allowed to enroll in the course.

Laws, policies, and ethical considerations with specialized training in weaponry used by correctional agencies. Range firing of rifles, shotguns, and handguns. Students must provide safety glasses and hearing protectors, and ammunition. Course is restricted under state and federal laws. Instructor reserves the right to remove a student from the firing range due to a safety violation. Lecture/Laboratory. Field trips may be required. Materials fee required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

ADJU 222—PROFILING TERRORISM 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ADJU 201.

Discussion of prominent theories on terrorism with a focus on domestic and international terrorism threats, and fundamental security issues resulting from terrorism. Analysis of the social-historical origins of terrorism; criminal, legal, and social responses to terrorism; at-risk populations; prevention; and intervention strategies. Field trips are not required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU) (C-ID: AJ 220)

ADJU 232—JUVENILE JUSTICE PROCEDURES 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ADJU 201

History of juvenile court decisions in the United States. Theories of delinquency. Identify the differences between the adult and juvenile justice systems. Discussion of status offenses committed by children in contrast to juvenile delinquent acts. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU) (C-ID: AJ 220)

ADJU 234—CRIME CAUSATION 3 UNITS
54 Lecture Hours

Principal theories commonly utilized in identifying causes of criminality. Emphasis on evidence and logic of certain theoretical positions common to the field of criminology. Field trips are not required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU) (C-ID: AJ 220) General Education: (MJC-GE: B)

ADJU 235—INTRODUCTION TO CORRECTIONS 3 UNITS
54 Lecture Hours

Introduction to corrections is designed to give the student an understanding of the concepts of criminal parole, probation and the correctional system. The course covers historical development of correctional processes, current trends, and future directions of the correctional field. Students will examine local, state and federal correctional systems. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: AJ 200) General Education: (MJC-GE: B)

ADJU 236—CORRECTIONAL LAW 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ADJU 235.

Overview of the Constitutional provisions and definitions of laws relating to the corrections component of the Criminal Justice System. Emphasis on the legal aspects concerning adult offenders and correctional personnel within the Prison System. The laws will entail Federal, State, and Local jurisdictions. Field trips maybe required. Lecture. Field trips might be required. (A-F Only) Not repeatable. Transfer: (CSU)

ADJU 243—DOMESTIC VIOLENCE CRISIS INTERVENTION 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ADJU 201.

Domestic violence as a pervasive and significant social issue requiring both prevention and intervention. Social-historical roots of family violence, criminal, legal, and social
response to violence, at-risk populations, prevention, and intervention strategies. Field trips are not required. (A-F Only) Lecture. Not repeatable. **Transfer:** (CSU)

**ADJU 349 ABCD — WORK EXPERIENCE**

A=18 Lecture Hours, B=36 Lecture Hours, C=54 Lecture Hours, D=72 Lecture Hours

Designed for students who wish to combine classroom experience with an expansion of skills or knowledge acquired at a site of employment on a paid or volunteer basis. Work must directly relate to the student's area of study. Maximum 4 units may be earned per semester. May be repeated to a maximum of 16 units. Work Experience credit. (Cooperative General Work Experience is included in the maximum.) Lecture.

**ADJU 351 — ELEMENTS OF SUPERVISION IN PUBLIC SAFETY**

3 UNITS

54 Lecture Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ADJU 201.

The nature of effective leadership and the functions of supervisors and managers in organizations, with an emphasis on organizations within the criminal justice system. The skills and techniques of effective leadership, management and supervision will be examined and applied in terms of attaining maximum results through teamwork and the cooperative efforts of others. Field trips are not required. Lecture. Not repeatable. (A-F or P/NP)

**Agricultural Economics Courses (AGEC)**

**AGEC 50 — SURVEY OF AGRICULTURAL ECONOMICS**

3 UNITS

36 Lecture Hours, 54 Lab Hours

A preparatory course designed to further agricultural business knowledge and prepare for entry level employment and further agricultural business course pursuits. Field trips required. Lecture/Laboratory. Not repeatable.

**AGEC 55 — PREPARATORY AGRICULTURE COMPUTER APPLICATIONS**

3 UNITS

36 Lecture Hours, 54 Lab Hours

Formerly listed as: AGEC - 55: Preparatory Agriculture Computer Applications

Introduction to computer use in the workplace, emphasizing agribusiness situations, use of computer applications software, including word processors, spreadsheets, and databases. Suitable for those with no previous computer experience. (A-F or P/NP) Lecture/Lab. Not repeatable.

**AGEC 200 — AGRICULTURAL ACCOUNTING AND ANALYSIS**

3 UNITS

54 Lecture Hours

Study of the principals of agricultural accounting systems and types of records, how to compute and use measures of earnings and costs of production to improve efficiency in agricultural operations. (A-F Only) Lecture. Not repeatable. **Transfer:** (CSU)

**AGEC 208 — INTRODUCTION TO INTERNATIONAL BUSINESS**

3 UNITS

54 Lecture Hours

Also offered as: BUSAD 208

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete BUSAD 248.

A comprehensive overview of international business. Offers a global perspective of international trade, international marketing, international accounting, the operation of multinational companies, economic theories and forces, international organizations and the political and cultural impact of world trade. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU)

**AGEC 209 — IMPORT/EXPORT FUNDAMENTALS**

3 UNITS

54 Lecture Hours

Also offered as: BUSAD 209: Import/Export Fundamentals

Overview of processes and procedures involved in importing and exporting products and services. Special emphasis on finance and financial documentation. Field trips might be required. (A-F Only) Lecture. Not repeatable. **Transfer:** (CSU)

**AGEC 210 — ELEMENTS OF AGRICULTURAL ECONOMICS**

3 UNITS

54 Lecture Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to be enrolled in or have satisfactorily completed MATH 70.

The place of agriculture and agribusiness in the economic system; basic economic concepts; and problems of agriculture; supply and marketing problems; factors of production; state and federal agriculture programs affecting agriculture's economic position. Field trips may be required. (A-F Only) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (M/JC-GE: B) (CSU-GE: D2) (IGETC: 4B)

**AGEC 215 — AGRICULTURAL MARKETING**

3 UNITS

36 Lecture Hours, 54 Lab Hours

Structure and framework of agricultural marketing, history and present trends; marketing principles, policies, channels, institutions, regulatory agencies, cooperative marketing orders, cyclical and seasonal price variations, integration, and foreign and domestic trade; consideration of specific marketing problems affecting area commodities. Field trips required. Lecture/Lab. (A-F Only) (Spring) Not repeatable. **Transfer:** (CSU)

**AGEC 220 — AGRICULTURAL BUSINESS MANAGEMENT**

3 UNITS

36 Lecture Hours, 54 Lab Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete AGEC 200, AG 285, MATH 70 and one AG production class.

Principles of agricultural management, farm organization and measures of earnings in determining production efficiency; property reports. Study and reorganization of a given farm with application of above principles; term report and field laboratories required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. **Transfer:** (CSU)

**AGEC 225 — AGRICULTURE COMPUTER APPLICATIONS**

3 UNITS

54 Lecture Hours

Computer use in the agribusiness workplace, with emphasis on using software to solve agribusiness accounting problems, record keeping, creating sales presentations, and
Agriculture Mechanics Courses (AGM)

AGM 200—INTRODUCTION TO MECHANICAL TECHNOLOGY 3 UNITS
36 Lecture Hours, 54 Lab Hours
Basics in woodworking, cold metal, electrical wiring, plumbing, masonry and welding as related to agriculture maintenance and repair. Designed for students who seek to develop basic mechanical skills. Students are required to have safety glasses. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 210—AGRICULTURAL WELDING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Introduction and basic instruction in various welding and cutting methods to include: SMAW, GMAW, DAW and GTAW welding methods. Course work will include equipment selection, setup and operation. Students are required to have safety glasses. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 211—ADVANCED AGRICULTURAL WELDING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of AGM 210
Advanced welding and other metallurgical techniques such as pipe fitting, hard facing, GMAW and GTAW methods. Course will include welding applications for both ferrous and non ferrous materials. Students are required to have safety glasses. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 212—MECHANICAL SYSTEMS DESIGN & EVALUATION 1 3 UNITS
36 Lecture Hours, 54 Lab Hours
Introduction to elements of agriculture mechanical system design and evaluation. Mechanical systems include fluid power and mechanical drive systems, structural design as well as development of evaluation procedures to ensure optimum performance. Introduction to computer evaluation and 3D modeling software will also be included. Field trips might be required. Two completions allowed. (A-F Only) Lecture/Lab. Transfer: (CSU)

AGM 213—MECH. SYSTEMS DESIGN & EVALUATION 2 3 UNITS
36 Lecture Hours, 54 Lab Hours
Advanced elements of agriculture mechanical system design and evaluation. Emphasis will be placed on mechanical and electronic data acquisition and evaluation of performance. The use of data logging equipment and computer analysis will be included. Field trips might be required. Two completions allowed. (A-F Only) Lecture/Lab. Transfer: (CSU)

AGM 214—EQUIPMENT SERVICE AND SAFETY 1 UNIT
9 Lecture Hours, 27 Lab Hours
Safe tractor, forklift, and machinery operation, service and key safety practices found in shops. Safe handling of chemicals used in farming and fire safety. A job skills course for students involved in farming practices on college property. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 215—MACHINERY MANAGEMENT 3 UNITS
36 Lecture Hours, 54 Lab Hours
Designed for future and current equipment managers/owners to understand the selection, maintenance, and replacement of tractors and machinery, used in the agriculture, on-highway truck, and heavy equipment industries. Assessing needs and developing sound management practices for modern equipment operators. A focus on practical knowledge and “hands-on” skills is a priority. Materials fee required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 220—INDUSTRIAL/AGRICULTURAL MACHINERY 3 UNITS
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete AGEC 280.
Operation, selection and care of industrial and agricultural machinery common to this area. The calibration, repair, adjustment and hitching of machinery. Principles of power and its transmission as related to machinery. Semester notebook required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 221—EQUIPMENT DIAGNOSIS & REPAIR 3 UNITS
36 Lecture Hours, 54 Lab Hours
Emphasis on modern diagnostic techniques and equipment repair used in the agriculture, on-highway truck, and heavy equipment industries. Designed for the diesel equipment technician who wants to become more proficient in advanced diesel engine diagnosis and repair. Materials fee required. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)
AGM 225—PRINCIPLES OF ELECTRICAL WIRING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Fundamental principles and applications of electrical energy used on both residential, industrial and agricultural situations including designing, planning and implementation of electrical circuits. Materials fee required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 230—FIELD SURVEYING 2 UNITS
18 Lecture Hours, 54 Lab Hours
Formerly also listed as ENGR-230: Field Surveying
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete AG 280 or satisfactorily complete MATH 70.
Selection, care and checking of tapes, levels, GPS and laser systems. Introduction to total station care and use. Field observations, note taking and office computations; use of surveying instruments and equipment for land measurement and mapping; practice in differential, profile and contour leveling; horizontal angles, traverses, and construction problems used in public lands surveying, legal descriptions and county records. Materials fee required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 235—IRRIGATION AND DRAINAGE 3 UNITS
36 Lecture Hours, 54 Lab Hours
Irrigation and drainage problems relating to pumps, motors, sprinkler systems, structures, pipelines, ditches and wells; computation of costs and measurement of water; water law; basic principles of plant-soil-moisture relations, and water movement in soil. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 240—TRUCK AND TRACTOR POWER TRAINS 3 UNITS
36 Lecture Hours, 54 Lab Hours
Operation and repair of truck and tractor transmissions and power Transfer systems. Topics to include diagnostics and repair of transmissions, clutches and differentials. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 241—DIESEL ENGINE PRINCIPLES 3 UNITS
27 Lecture Hours, 81 Lab Hours
Also offered as: AUTEC 241: Diesel Engine Principles
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete AGM 289 or satisfactorily complete AUTEC 289.
The operation and repair of modern diesel engines. Principles and theories are studied by running, testing, diagnosis, disassembling, and reassembling components, systems, and engines. Field trips are not required. (A-For P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 242—DIESEL ENGINE OVERHAUL 3 UNITS
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete AGM 241.
This course includes principles of design and construction of heavy duty engines used in the agriculture, construction, and trucking industries. Principles and theories are studied by running, testing, diagnosis, disassembling, and reassembling components, systems, and engines. Field trips are not required. (A-For P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 243—HEAVY MACHINERY ELECTRICAL SYSTEMS 3 UNITS
36 Lecture Hours, 54 Lab Hours
Designed for the entry level heavy duty mechanic interested in heavy machinery and/or on-highway truck. A strong understanding of basic and advanced electrical systems of heavy machinery will be generated. Electrical system troubleshooting, diagnosis and repair with the aid of technical information and electrical test equipment will be the focus. The class will also provide necessary electrical theory and background review for more advanced electrical classes. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 245—DIESEL ENGINE FUEL SYSTEMS & DIAGNOSIS 3 UNITS
36 Lecture Hours, 54 Lab Hours
The study of common types of diesel fuel injection systems. Design and theory of operation of distributor type, in-line type, as well as electronically controlled systems. Testing and diagnostic procedures for various fuel systems is a major component of the course. Service and adjustments of injectors, nozzles, and governors will also be covered. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 251—FARM CONSTRUCTION AND MATERIALS 4 UNITS
54 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete AGM 210.
Types, costs and characteristics of construction materials; their use in farm equipment, and buildings. Structural requirements, cost factors, safe loads, animal and equipment requirements, operation and labor efficiency, adaptability to the community. Designing and building projects in the shop and group field work. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 262—HYDRAULICS/PNEUMATICS 3 UNITS
36 Lecture Hours, 54 Lab Hours
Principles and practices of hydraulics/pneumatics as used in industry. Study of the different applications and management of hydraulics/pneumatics systems for efficient and cost effective use. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGM 280—MOBILE MACHINERY HYDRAULIC SYSTEMS 3 UNITS
36 Lecture Hours, 54 Lab Hours
Fundamental principles and practices of hydraulic circuitry as applied to mobile hydraulic systems in the Agriculture, Heavy Machinery, and on-Highway truck industries. Emphasis in system and component design and operation as applied to diagnosis and repair of hydraulic systems. Materials fee required. Field trips are required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)
AGM 289—PRINCIPLES OF POWER MECHANICS/SM ENGINES 3 UNITS
36 Lecture Hours, 54 Lab Hours
Also offered as: AUTEC 289: Principles of Power Mechanics/Small Engines
Introduction to the operation, construction, maintenance, repair and adjustments of two and four-stroke engines. Designed for persons without prior experience in engine repair. Experienced technicians will also benefit. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AGME 145—PARLIAMENTARY PROCEDURE 1 UNIT
Also offered as: COMM 145: Parliamentary Procedure
18 Lecture Hours
Introduction to Parliamentary Procedure. Preparing for and participating in meetings as a member, officer and chairperson. Rank and use of motions. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

AGGE 146—AGRICULTURE, ENVIRONMENT AND SOCIETY 3 UNITS
54 Lecture Hours
The sociology of agriculture presented through an examination of relationships between societies and their environments, economics, and agriculture. Emphasis on the analysis of agriculture's use of technology and the corresponding impact on the environment, economy and society. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D7)

AGGE 150—SUSTAINABLE PRODUCTION SYSTEMS 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to complete more than two agricultural laboratory courses.
Fundamental concepts and processes of sustainable agricultural systems, with emphasis on integrating agricultural activities with ecological principles. Field trips may be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC)

AGGE 191XAB—AGRICULTURE FIELD STUDIES 0.5-2 UNITS
X=9 Lecture Hours, A=18 Lecture Hours, B=36 Lecture Hours
Examination of agriculture principles and methods through extended field studies at selected sites in the United States and abroad. Gain knowledge of and appreciation for the value of agriculture and agriculture education in other states and countries as a means of developing extended agriculture relationships. Field trips are required. Lecture. Not repeatable. (A-F or P/NP) Transfer: (CSU)

AGGE 320—EVALUATION OF AGRICULTURAL PRODUCTS 1 UNIT
18 Lecture Hours

Agriculture General Courses (AGGE)

AG 100AB—LEADERSHIP IN AGRICULTURE 1-2 UNITS
A=18 Lecture Hours B=36 Lecture Hours
Lecture and supervised activities relating to student participation in agricultural competitions, judging contests, livestock exhibitions, recruitment programs, award and scholarship applications, and youth activity planning. Field trips are required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) Graduation: (MJC Activities)

AG 115—INTRODUCTION TO AGRICULTURAL EDUCATION & CAREERS 1 UNIT
18 Lecture Hours
Introduction to educational and agricultural employment opportunities. Includes portfolio and educational plan development and curriculum requirements that pertain to educational goals as they relate to agriculture majors. Assists students in setting goals and developing skills necessary for lifelong success in obtaining, maintaining, and advancing in agriculture careers. Current events that impact agriculture and society will be discussed. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

AG 120—INTRODUCTION TO AGRICULTURE EDUCATION 2 UNITS
36 Lecture Hours
Overview of agricultural education and agricultural education programs from a teaching perspective including goals and purposes; kinds of classes, types of programs, and qualifications essential to successful agriculture teaching. Field trips may be required. Not repeatable. (A-F Only) Lecture. Transfer: (CSU)

AG 130—AGRICULTURE EDUCATION EARLY FIELD EXPERIENCE 2 UNITS
18 Lecture Hours, 54 Lab Hours
Creates awareness of opportunities for prospective agriculture teachers through observation, participation in the field and through analysis of field experiences. Students will be expected to complete 20 hours of observation/field activities. The off-campus activities shall be supervised by the course instructor and shall take place in an approved agriculture department. Field trips are required. Lecture/Laboratory. (A-F Only). Not repeatable. Transfer: (CSU)

AG 249—AGRICULTURE INTERNSHIP 2 UNITS
120-150 Lab Hours
Limitations on Enrollment: Enrollment limited to students who receive instructor approval for the purpose of identifying an internship site and outlining learning objectives for the internship.
Designed for agriculture majors who wish to combine classroom experience with and expansion of skills of knowledge acquired at an internship site on a paid or volunteer basis. Occupational Cooperative work experience must directly relate to the student's area of study. Credit may be accrued at the rate of one to eight units per semester for a total of sixteen units. Additionally, students must work 75 paid hours or 60 non-paid hours per unit earned. Field trips are not required. (A-F Only) Transfer: (CSU)
A: AG / ANSC

COURSES

AG 280 — AGRICULTURAL COMPUTATIONS 3 UNITS
54 Lecture Hours
Practical problems in production agriculture, agriculture mechanics, agriculture business, and natural resources. Includes problems in algebra, geometry, money and interest, equipment calibration, metrics, and graphics. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

AG 285 — AGRICULTURAL COMMUNICATIONS 3 UNITS
54 Lecture Hours
Fundamentals of agricultural communication, including written, electronic, graphic, and oral communication methodologies. Field trips are required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

AG 305 — SUPERVISION IN AGRICULTURE 2 UNITS
18 Lecture Hours, 54 Lab Hours
Training for student interns/unit managers of MJC agricultural farm facilities in the principles of supervision, demonstrating practical skill application, handling personnel problems, instructing new personnel on job performance, analyzing job efficiency and making management decisions. (Designed for West Campus Student Interns and Cooperative Association of States for Scholarships [CASS] International Students. Lec/ Lab. Not repeatable. (A-F Only)

AG 349ABCD — WORK EXPERIENCE AGRICULTURE - SUPERVISED PRACTICE 1-4 UNITS
A= 60-75 Lab Hours, B= 120-150 Lab Hours, C= 180-225 Lab Hours, D= 240–300 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to be following an agriculture major course of study.

Designed for agriculture majors who wish to combine classroom experience with expansion of skills of knowledge acquired at an internship site on a paid or volunteer basis. Occupational Cooperative work experience must directly relate to the student's area of study. Credit may be accrued at the rate of one to 8 units per semester for a total of sixteen units. Additionally, students must work 75 paid hours or 60 non-paid hours per unit earned. Field trips are not required. (A-F Only)

AG 376 — BASIC SCIENCE AND LABORATORY TECHNIQUES 3 UNITS
54 Lecture Hours
Essential laboratory techniques and basic science principles and information designed to qualify students for service in agriculture at technical levels. Field trips are required. Lecture/Laboratory. Not repeatable. (A-F Only) General Education: (MJC-GE: A)

AG 390XABCD — AGRICULTURAL SKILLS TRAINING 0.5-4 UNITS
X=27 Lab Hours, A= 54 Lab Hours, B= 108 Lab Hours, C= 162 Lab Hours, D=216 Lab Hours
Emphasis on developing or upgrading skills of agricultural employees. Field trips are required. Total number of AG 390 A, B, C, D units not to exceed eight total units. Lecture/ Laboratory. (A-F Only) Anatomy Courses (ANAT)

ANAT 125 — HUMAN ANATOMY 5 UNITS
36 Lecture Hours, 108 Lab Hours, 18 Discussion Hours
Prerequisite: Satisfactory completion of BIO 116 or BIO 111 or BIO 101.
Study of human body structures including organ, tissue and cellular interrelationships. Involves extensive use of models, specimens, histological material, and dissection. Cadaver materials and demonstrations are used. Intended for students entering the health professions. Field trips may be required. (A-F or P/NP) Lecture/Lab/Discussion. Not repeatable. Transfer: (CSU, UC) (CC BIOL 10) (ANAT 125 + PHYSIO 101=CC BIO 10 + BIO 60) General Education: (MJC-GE: A) (CSU-GE: B2, B3) (IGETC: SB, SC)

ANAT 180A, B — INTRODUCTION TO TUTORING ANATOMY 1-2 UNITS
A= 9 Lecture Hours, 27 Lab Hours B=18 Lecture Hours, 54 Lab Hours Prerequisite: Satisfactory completion of ANAT 125.
Fundamental skills of tutoring in the anatomy lab. Strategies for tutoring students enrolled in ANAT 125 will be learned. Specific focus will be on techniques for identifying microscopic and macroscopic structures in the anatomy lab. Intended for students selected as tutors for the ANAT 125 lab. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

Animal Science Courses (ANSC)

ANSC 50 — PREPARATORY ANIMAL SCIENCES 3 UNITS
36 Lecture Hours
A preparatory survey of the livestock industry, supply of animal products and their uses. A special emphasis on the origin, characteristics, adaptation and contributions of farm
ANSC 55—INTRODUCTION TO VETERINARY TECHNOLOGY 3 UNITS
54 Lecture Hours
Preparation for veterinary technology courses. Topics include: anatomy and physiology, nutrition, pharmacology, common diseases and disorders, genetics and heredity, and career opportunities. Lecture. Not repeatable. (A-F or P/NP) Lecture. Not repeatable.

ANSC 200—INTRODUCTION TO ANIMAL SCIENCE 3 UNITS
54 Lecture Hours
A scientific approach to the livestock industry encompassing aspects of animal anatomy, physiology, nutrition and epidemiology. Emphasis on the origin, characteristics, adaptations and contributions of livestock to the modern agriculture industry. Field trips may be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B2) (IGETC: SB)

ANSC 201—BEEF CATTLE SCIENCE 3 UNITS
36 Lecture Hours, 54 Lab Hours
A study of the principles and practices of purebred and commercial beef cattle production throughout California, the United States, and the world. Emphasis to be placed on the importance of breeds, breeding principles, selection, nutrition, environmental management, health, marketing and record keeping to ensure scientifically-based management decisions and consumer product acceptance as applied to beef cattle. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

ANSC 202—SWINE SCIENCE 3 UNITS
36 Lecture Hours, 54 Lab Hours
A study of the principles and practices of purebred and commercial pork production throughout California, the United States, and the world. Emphasis to be placed on importance of breeds, breeding principles, selection, nutrition, environmental management, health, marketing, and record keeping to ensure scientifically-based management decisions and consumer product acceptance. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

ANSC 203—SHEEP SCIENCE 3 UNITS
36 Lecture Hours, 54 Lab Hours
A survey of the sheep industry including management of commercial, purebred, and small farm flocks; selecting, feeding, breeding and basic care of ewes and lambs plus marketing of lambs and wool. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

ANSC 207—EQUINE SCIENCE 3 UNITS
36 Lecture Hours, 54 Lab Hours
A survey of the equine industry: selection, feeding, breeding, facilities, handling, and health management will be emphasized to ensure scientifically-based management decisions. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

ANSC 209—EQUINE BREEDING & REPRODUCTION 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ANSC 207.
An advanced level course designed for students interested in learning more about equine reproduction and management. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

ANSC 210—LIVESTOCK SELECTION & EVALUATION 3 UNITS
18 Lecture Hours, 108 Lab Hours
Detailed analysis of various visual and physical methods of appraising beef, sheep, swine and horses concerning functional and economic value. Written and oral summaries of evaluation will be required. Specific reference will be made to performance data and factors determining carcass value. Field trips are required. Four completions allowed. (A-F Only) Transfer: (CSU, UC)

ANSC 212—ADVANCED LIVESTOCK SELECTION AND CARCASS EVALUATION 3 UNITS
18 Lecture Hours, 108 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ANSC 210.
Advanced study of animal conformation as related to its various functions.
Evaluation of beef, sheep and swine species using performance and carcass data as well as live animal observation. Oral interpretation of these evaluative criteria. Formal reasoning presentations required. Two completions allowed. Field trips are required. (A-F Only) Lecture/Lab. Transfer: (CSU)

ANSC 214—LIVESTOCK FEEDING AND NUTRITION 3 UNITS
36 Lecture Hours, 54 Lab Hours
The fundamentals of digestion and absorption in both ruminants and non ruminants are discussed. The nutritive value of feeds as they relate to the formulation of livestock rations will be emphasized, including by-product feeding. Field trips are required. Not repeatable. (A-F Only) Lecture/Lab. Transfer: (CSU, UC)

ANSC 215—ANIMAL HEALTH AND SANITATION 3 UNITS
36 Lecture Hours, 54 Lab Hours
Common livestock diseases and fundamentals of immunity. Includes coverage of the livestock worker’s role in promoting animal health and the foundation of disease control programs. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

ANSC 216—LIVESTOCK BREEDING AND SELECTION 3 UNITS
36 Lecture Hours, 54 Lab Hours
Anatomy and physiology of male and female reproductive systems, endocrine system, and problems affecting reproductive efficiency; fertilization, gestation, and parturition.
Principles of heredity as applied to livestock breeding and improvement; systems of breeding; environmental factors affecting reproduction and performance. Livestock selection programs based on performance and progeny. Field laboratories including some on Saturdays required. Lecture/Laboratory. (A-F Only). Not repeatable. Transfer: (CSU, UC)
A: ANSC

ANSC 217—ADVANCED BREEDING & ARTIFICIAL INSEMINATION 4 UNITS
34 Lecture Hours, 54 Lab Hours
Formerly listed as: ANSC 217: Advanced Breeding & Artificial Insemination
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ANSC 201 and satisfactorily complete ANSC 220 and (satisfactorily complete ANSC 216 or satisfactorily complete ANSC 226).

Advanced study and practical application of breeding principles and artificial insemination of farm animals; the collection, evaluation, and handling of semen. Nutritional level and sanitation practices affecting reproductive efficiency. Public relations and responsibilities of the technician and the management. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

ANSC 220—DAIRY INDUSTRY/DAIRY SCIENCE 3 UNITS
36 Lecture Hours, 54 Lab Hours
History, development, and projections of the dairy industry. General information on the economics of dairying, facts, trends, selection, culling, fitting, showing, judging, pedigrees, feeding, and basic management skills; employment opportunities and requirements. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

ANSC 221—DAIRY CATTLE SELECTION & EVALUATION 3 UNITS
18 Lecture Hours, 108 Lab Hours
Selection of dairy cattle on type conformation and the correlation between type and production. Pedigree evaluation, animal analysis, linear classification, and body condition scoring. Written and oral evaluation on selection. Two completions allowed. Field trips are required. (A-F Only) Lecture/Lab. Transfer: (CSU, UC)

ANSC 222—MILK PRODUCTION & TECHNOLOGY 3 UNITS
36 Lecture Hours, 54 Lab Hours
Milk and milk product consumption and the economics of milk production. The mammary system anatomy, the physiology of milk secretion, the composition and the properties of milk including factors of production. Evaluation of milking parlor and equipment, systems analysis, and operation is also included. Milk testing, sanitation, quality control, udder health, and treatment as well as dairy mathematics. Field trips are required. (A-F Only) Lecture/Lab. Transfer: (CSU, UC)

ANSC 224—DAIRY FEEDS & FEEDING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Fundamentals of nutrient digestion and absorption in ruminants. The nutritive value of feeds as they relate to the formulation of dairy rations will be emphasized with the inclusion of various plant tissue commodities by-product feeding. Term project and field laboratories required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

ANSC 226—DAIRY BREEDING & SELECTION 3 UNITS
36 Lecture Hours, 54 Lab Hours
The study of basic genetic principles with the study of the anatomical and physiological aspects of reproduction as they relate primarily to the bovine. Genetic principles to be emphasized include basic inheritance, selection techniques, mating systems, heterosis, and performance evaluation. Reproductive aspects to include endocrinology, estrous cycles, mating behaviors, gametogenesis, conception, gestation, parturition, and maternal behaviors. Artificial insemination, embryo manipulation, and current innovations in reproductive biotechnology will also be examined. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

ANSC 227—ADVANCED DAIRY CATTLE SELECTION & EVALUATION 3 UNITS
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have completed the ANSC 220, ANSC 221 and/or completed another class in livestock evaluation.

Advanced study of dairy conformation as related to the function of milk production. Evaluation of dairy cattle using production data, pedigrees and live animal evaluation. Particular emphasis will be placed on linear classification and selective mating. Oral interpretation of these evaluative criteria and formal reasoning presentations will be required. Evaluation of milk and milk products will be required as well. Two completions allowed. Field trips are required. (A-F Only) Lecture/Lab. Transfer: (CSU)

ANSC 228—DAIRY MANAGEMENT 3 UNITS
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ANSC 220 and satisfactorily complete ANSC 224 and satisfactorily complete AGEC 200.

Economics of dairying; milk production and marketing and their relationship to income; computing production costs; analyzing dairy enterprises; business planning; farm selection; management problems relating to feeding, labor, replacements, cow comfort, breeding, work simplification and record keeping. Term problem and field laboratories required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

ANSC 230—POULTRY SCIENCE 3 UNITS
36 Lecture Hours, 54 Lab Hours
A study of the principles and practices of commercial poultry production. Emphasis to be placed on poultry nutrition, reproduction, environmental management, health, marketing and recordkeeping to ensure scientifically-based management decisions and consumer product acceptance. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

ANSC 232—AVIAN PRACTICES 3 UNITS
36 Lecture Hours, 54 Lab Hours
Practices in avian management including breeders, fryers and layers; incubating, brooding, and rearing of chicks; feed preparation; recordkeeping; processing, and marketing of avian products. Specific work with game birds and non-commercial species of fowl. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

ANSC 235—POULTRY DISEASES AND HOUSING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Anatomy and physiology of poultry; diagnosis, treatment, and control of disease; biosecurity; sanitation; types of housing and equipment; planning housing, and equipment needs; vaccination schedules. Students will conduct a research project. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)
ANSC 236—POULTRY BREEDING & SELECTION 3 UNITS
36 Lecture Hours, 54 Lab Hours
Principles of breeding, reproduction and selection of poultry. Examination of poultry breeds and their uses. Embryology, egg incubation, hatching and grading. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

ANSC 240—BEEF FITTING AND SHOWING 2 UNITS
27 Lecture Hours, 27 Lab Hours
Principles of selection, feeding, fitting, and presentation of beef animals for show. Field trips might be required. Four completions allowed. (A-F Only) Transfer: (CSU)

ANSC 241—SHEEP FITTING AND SHOWING 2 UNITS
27 Lecture Hours, 27 Lab Hours
Principles of selection, feeding, fitting, and presentation of sheep animals for show. Field trips are required. Four completions allowed. (A-F Only) Lecture/Lab. Transfer: (CSU)

ANSC 242—SWINE FITTING AND SHOWING 2 UNITS
27 Lecture Hours, 27 Lab Hours
Principles of selection, feeding, fitting, and presentation of swine for show. Field trips required. Lecture/Laboratory. (A-F Only). Not repeatable. Transfer: (CSU)

ANSC 243—EQUINE FITTING AND SHOWING 2 UNITS
27 Lecture Hours, 27 Lab Hours
Principles of selection, feeding, fitting, and presentation of horses for show. Field trips required. Lecture/Lab. Not repeatable. (A-F Only) Transfer: (CSU)

ANSC 244—DAIRY FITTING AND SHOWING 2 UNITS
27 Lecture Hours, 27 Lab Hours
Principles of selection, feeding, fitting and presentation of dairy animals for sales and shows. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

ANSC 245—MEAT GOAT FITTING AND SHOWING 2 UNITS
27 Lecture Hours, 27 Lab Hours
Principles of selection, feeding, fitting and presentation of meat goats for show. Field trips may be required. Lecture/Lab. (A-F Only). Not repeatable. Transfer: (CSU)

ANSC 250—VETERINARY PHYSIOLOGY ANATOMY, & TERMINOLOGY 3 UNITS
54 Lecture Hours
Formerly listed as: ANSC 250: Veterinary Physiology, Anatomy & Terminology
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Commonly used terminology and biological concepts used in veterinary medicine. Includes study of basic normal anatomy and physiology (in both large and small animals) in a body systems format, along with related vocabulary and spelling. Commonly used veterinary acronyms and abbreviations are woven throughout the course where relevant. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

ANSC 251—VETERINARY PHARMACY PROCEDURES 2 UNITS
36 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete AG 280.
Includes discussion of veterinary pharmacology and common items dispensed with emphasis on proper labeling and dispensing instructions. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

ANSC 252—VETERINARY EQUIPMENT: OPERATION, INSTRUMENTATION, AND SAFETY 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50. Introduction to diagnostic imaging equipment used in veterinary practices.

ANSC 253—VETERINARY LABORATORY PROCEDURES 1 UNIT
18 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Introduction to manual and automated veterinary lab techniques and procedures, including work with blood, urine, fecal and skin samples. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

ANSC 254—VETERINARY MEDICAL OFFICE PROCEDURES 2 UNITS
36 Lecture Hours
Formerly listed as: ANSC 254: Vet Medical Office Procedures
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Customer service, medical communication skills, office organization, scheduling, emergency recognition and management, stress management, preventative health programs, and medical record-keeping. Field trips may be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

ANSC 255—PREPARATION FOR VETERINARY SURGICAL AND DENTAL ASSISTANCE 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Veterinary Technician preparation for surgery, surgery assistance, surgical and dental instruments and packs, anesthesia induction, monitoring and anesthetic machine maintenance, anatomy of the mouth and dental arcade, dental prophylaxis and extractions. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)
| COURSES |
|-----------------------------|-----------------|
| **ANSC 256** — VETERINARY ASSISTANCE & NURSING: ANIMAL HANDLING | 1 UNIT  |
| 18 Lecture Hours | |
| Formerly listed as: ANSC 256: Vet Assistance & Nursing: Emer Procedure | |
| Emphasis on emergency procedures, monitoring vital signs, taking steps to stabilize patients. Basic nutritional requirements for pets, species requirements, nutritional disorders, feeding methods. Basic animal behavior, detecting signs of stress and identifying causes of behavioral problems. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) | |
| **ANSC 257** — VETERINARY ASSISTANCE AND NURSING: ADVANCED HORSEMANSHIP | 2 UNITS |
| 36 Lecture Hours | |
| Selection, care, and use of pack animals and equipment. Topics will include safe packing trips and understanding environmental concerns on the trail. Having a horse is not a requirement for this class. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) | |
| **ANSC 258** — BEGINNING HORSEMANSHIP | 3 UNITS |
| 36 Lecture Hours, 54 Lab Hours | |
| Introduction to riding, saddling, grooming and bridling. Students will acquire basic knowledge of equipment and safety procedures. Course topics include use of riding aids and transitions. Students must provide their own horse and equipment for this course. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU) | |
| **ANSC 259** — PACK ANIMAL - WALK/RIIDE | 2 UNITS |
| 27 Lecture Hours, 27 Lab Hours | |
| Formerly listed as: ANSC 259: Pack Animal and Equine Care | |
| **ANSC 260** — ADVANCED HORSEMANSHIP | 3 UNITS |
| 36 Lecture Hours, 54 Lab Hours | |
| Advanced instruction in the areas of riding, grooming, saddling and equine care. Students will acquire extensive knowledge of equipment and safety procedures. Course topics include use of advanced riding aids and training. Students must provide their own horse and equipment. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU) | |
| **ANSC 265** — INTRODUCTION TO COLT TRAINING | 3 UNITS |
| 36 Lecture Hours, 54 Lab Hours | |
| Basic principles involved in handling and training the young horse. Course includes groundwork, trailering, starting a colt, advancing the green horse, and problem solving. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU) | |
| **ANSC 266** — VETERINARY ASSISTANCE & NURSING: EMERGENCY PROCEDURES | 1 UNIT |
| 36 Lecture Hours | |
| Formerly listed as: ANSC 266: Vet Assistance & Nursing: Emer Procedure | |
| Emphasis on emergency procedures, monitoring vital signs, taking steps to stabilize patients. Basic nutritional requirements for pets, species requirements, nutritional disorders, feeding methods. Basic animal behavior, detecting signs of stress and identifying causes of behavioral problems. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) | |

### Anthropology Courses (ANTHR)

| COURSES |
|-----------------------------|-----------------|
| **ANTHR 101** — BIOLOGICAL ANTHROPOLOGY | 3 UNITS |
| 54 Lecture Hours | |
| Formerly listed as: ANTHR 101: Physical Anthropology | |
| Introduction to human evolution. The evidence for human biological and behavioral adaptations is examined. Issues and topics will include the principles of genetics and evolution, human variation, comparative primate anatomy/behavior and an assessment of the human fossil record. Field trips might be required. Lecture. (A-F or P/NP). Not repeatable. Transfer: (CSU, UC) (CC ANTHR 1) General Education: (MJC-GE: B) (CSU-GE: A, B) (CSU-GE: B2, D1) (IGETC: 4A, 5B) | |
| **ANTHR 102** — CULTURAL ANTHROPOLOGY | 3 UNITS |
| 54 Lecture Hours | |
| Cultural anthropology examines the broad conditions and experiences of being human through the lens of culture and the difference it makes. This course introduces the methods, theories and insights of cultural anthropology and their application to life in a multicultural society. Topics include, but are not limited to: The research and analysis of culture and cultural processes; cross-cultural comparisons of subsistence patterns, economics, kinship, gender, language, sexuality, political organization, belief systems, and expressive culture; the production of social identities and inequalities; and, cultural change in an interconnected world affected by colonization and globalization. Recommended for people who travel internationally. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC ANTHR 2) (C-ID: ANTH 120) General Education: (MJC-GE: B) (CSU-GE: D1) (IGETC: 4A) | |
| **ANTHR 104** — LINGUISTIC ANTHROPOLOGY | 3 UNITS |
| 54 Lecture Hours | |
| Formerly listed as: ANTHR 104: Language, Culture and Communication | |
| Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101. | |
| Linguistic anthropology examines the relationship between language and the human condition. This course introduces the methods, theories and insights of linguistic anthropology, addressing questions of how, what, when, where, why and with whom we communicate. Three main areas of linguistic anthropology are examined: structural linguistics, including phonology, morphology, the study of syntax and the biocultural basis of language; historical linguistics, including language origins and evolution, language families and dialects, and language change; and, sociolinguistics, including the relationship between culture and language, language use in social context(s), language acquisition, language loss and conservation, and the connections between language, power and identity. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: ANTH 130) General Education: (MJC-GE: B, C) (CSU-GE: C2, D1) (IGETC: 3B, 4A) | |
| **ANTHR 105** — BIOLOGICAL ANTHROPOLOGY LABORATORY | 1 UNIT |
| 54 Lab Hours | |
| Formerly listed as: ANTHR 105: Physical Anthropology Laboratory | |
| Corequisite: Concurrent enrollment in or satisfactory completion of ANTHR 101. | |
| This laboratory course is offered as a supplement to Introduction to Biological | |

---

**Recommended for Success:** Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.

**General Education:** (MJC-GE: B) (CSU-GE: A, B) (CSU-GE: B2, D1) (IGETC: 4A, 5B) }
ANTHR 107—FORENSIC ANTHROPOLOGY INTRODUCTION 3 UNITS
54 Lecture Hours
Introduction to forensic anthropology as an applied field of physical anthropology; the methods of solving crimes with anthropological data and applying techniques designed for the analysis of human skeletal remains (personal identification, the determination of population, cause of death, DNA analysis, and issues of collection of physical evidence). Interaction between anthropologists and law enforcement agencies and human rights issues. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B3) (IGETC: SC)

ANTHR 110—ARCHAEOLOGY & CULTURAL PREHISTORY 3 UNITS
54 Lecture Hours
An introduction to anthropological archaeology including concepts, theories, and methods employed by archaeologists in reconstructing past life ways of humans. Topics include history and interdisciplinary nature of archaeological research; data acquisition, analysis and interpretation with a discussion of applicable data and models; cultural resource management; professional ethics; and selected cultural sequences. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D1) (IGETC: 4A)

ANTHR 140—MAGIC, WITCHCRAFT, AND RELIGION 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
This course centers on the cross-cultural study of the forms, functions, poetics and politics of supernatural beliefs and associated rituals in a diverse world. Using anthropological method and theory, students examine belief systems and rituals within particular cultural contexts, including their emergence and the effect of their practice. Additional emphasis is on broad ethnographic comparison, and the course is designed for students to derive insight into the power and cultural work of religious and supernatural frameworks in various societies. Religious and supernatural worlds are also analyzed for their local and global connections with other cultural institutions, movements, forms, politics, and processes. Field trips might be required. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D1) (IGETC: 4A)

ANTHR 150—NATIVE PEOPLE OF NORTH AMERICA 3 UNITS
54 Lecture Hours
Introductory survey of Native North Americans. Protohistory will be examined, with emphasis on historic and contemporary culture groups and their politics, economics, and religions. The impact of non-Native peoples on indigenous cultures will be explored. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D1, D3) (IGETC: 4A, 4C)

ANTHR 174—ANTHROPOLOGY SUMMER FIELD STUDIES 3 UNITS
54 Lecture Hours
Application of principles of anthropology through extended field studies at selected sites. Skills developed in cultural field studies, ethnographic data collection, archaeological artifact and site identification. Requires ability to work and study under rigorous conditions. Field trips are required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

ANTHR 191—ANTHROPOLOGY OF THE COLORADO PLATEAU 3 UNITS
54 Disc Hours
Application of principles of anthropology through extended field studies in the American Southwest. Skills developed in cultural field studies, ethnographic data collection, archaeological artifact and site identification. Requires ability to work and study under rigorous conditions. Field trips are required. (A-F or P/NP) Discussion. Not repeatable. Transfer: (CSU)

ANTHR 192—ANTHROPOLOGY OF THE PACIFIC NORTHWEST 3 UNITS
54 Disc Hours
Application of principles of anthropology through extended field studies in the Pacific Northwest cultural areas of the United States and Canada. Skills developed in cultural field studies, ethnographic data collection, archaeological artifact and site identification. Requires ability to work and study under rigorous conditions. Field trips are required. (A-F or P/NP) Discussion. Not repeatable. Transfer: (CSU)

Art Courses (ART)

ART 102—INTRODUCTION TO COMPUTER GRAPHIC 3 UNITS
36 Lecture Hours, 54 Lab Hours
Also offered as: CMPGR 202: Introduction to Computer Graphics
Formerly listed as: ART 102: Introduction to Computer Graphic Introduction to computer graphics using various applications and tools. Topics explored include but are not limited to: original image creation, photographic editing, scanning, printing, 3D-animation, sound, digitizing pens, mouse, and digital cameras. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1)

ART 108—CERAMICS 1 3 UNITS
27 Lecture Hours, 81 Lab Hours
Techniques of elementary clay construction and ornamentation; introduction to throwing techniques. Materials fee required. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC, Activities)

ART 109—CERAMICS 2 3 UNITS
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 108.
Hand building and pottery construction. Emphasis on throwing, form, and design. Materials fee required. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC, Activities)
ART 110—CERAMICS 3
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 109.
Hand building, throwing techniques, and surface decoration; experiments in clay bodies, glazes and loading and unloading of kiln. Materials fee required. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

ART 120—BASIC DRAWING 1
27 Lecture Hours, 81 Lab Hours
An introductory course in techniques used in representing form, light and shadow, texture, perspective, composition, and expression using various drawing media. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: ARTS 205)

ART 121—BASIC DRAWING 2
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 120.
Further exploration of various drawing materials and techniques. Emphasis on composition and development of a personal approach to drawing. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: ARTS 205)

ART 122—FIGURE DRAWING
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 120.
Fundamentals of art anatomy and representation of the human figure. Drawing of both the nude and draped figure in various media. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: ARTS 205)

ART 123—COLOR AND 2-D FOUNDATION DESIGN
3 UNITS
27 Lecture Hours, 81 Lab Hours
Formerly listed as: ART 124: Color and Design 1
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ART 120.
Design principles and color theory. Problems in two dimensional form using various media. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (CC ART 2) General Education: (MJC: Activities) (C-ID: ARTS 100)

ART 124—COLOR AND 3-D FOUNDATION DESIGN
3 UNITS
27 Lecture Hours, 81 Lab Hours
Formerly listed as: ART 125: Color and Design 2
Prerequisite: Satisfactory completion of ART 124.
Introduction to the concepts and applications related to three-dimensional design and spatial composition, including the study of the elements and organizing principles of design as they apply to three dimensional space and form. Development of a visual vocabulary for creative expression through lecture presentations and use of appropriate materials for non-representational three-dimensional studio projects. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (CC ART 2) Graduation: (MJC: Activities) (C-ID: ARTS 101)

ART 125—FIGURE DRAWING 2
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 123.
Fundamentals of art anatomy and representation of the human figure. Drawing of both the nude and draped figure in various media. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

ART 126—SCULPTURE 1
3 UNITS
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 124.
Introduction to sculpting; basic techniques and stylistic approaches. Emphasis on developing form through color. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: ARTS 205)

ART 127—SCULPTURE 2
3 UNITS
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 126.
Continuation of ART 126 with an emphasis on experimentation and development of personal expression applied to sculptural problems. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: ARTS 205)

ART 128—PAINTING 1 (IN OIL)
3 UNITS
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 126.
Continuation of ART 126; in-depth realization of sculpture in both concept and craftsmanship. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: ARTS 205)

ART 129—PAINTING 1 (IN ACRYLIC)
3 UNITS
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 126.
Continuation of ART 126; in-depth realization of sculpture in both concept and craftsmanship. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: ARTS 205)

ART 130—PAINTING 2 (IN OIL)
3 UNITS
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 128.
Continuation of ART 128; in-depth realization of sculpture in both concept and craftsmanship. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: ARTS 205)

ART 131—PAINTING 2 (IN ACRYLIC)
3 UNITS
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of ART 128.
Continuation of ART 128; in-depth realization of sculpture in both concept and craftsmanship. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: ARTS 205)
ART 149—PAINTING 2  
27 Lecture Hours, 81 Lab Hours  
Prerequisite: Satisfactory completion of ART 147 or ART 148.  
Continued work in oil and acrylic painting; basic techniques and stylistic approaches. Emphasis on developing form through color. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

ART 158—PAINTING 3  
27 Lecture Hours, 81 Lab Hours  
Prerequisite: Satisfactory completion of ART 149.  
Advanced painting: Continued work in oil and acrylic painting; techniques and stylistic approaches. Emphasis on developing content as it relates to the formal issues of art. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

ART 159—MURAL PAINTING  
27 Lecture Hours, 81 Lab Hours  
Formerly listed as: ART 159: Painting 4  
Prerequisite: Satisfactory completion of ART 147 or ART 148.  
Creation of murals on campus within the context of the community; researching different historical examples and approaches to mural making. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

ART 160—APPRECIATION OF ART  
54 Lecture Hours  
Introductory art appreciation for the general student. Illustrated lectures cover the theory, terminology, themes, design principles, media techniques, with an introduction to the visual arts across time and diverse cultures. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

ART 162—HISTORY OF RENAISSANCE ART  
54 Lecture Hours  
Analysis of the European 14th-16th century drawing, painting, sculpture, and architecture, with an emphasis on the Italian High Renaissance masters. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

ART 163—HISTORY OF MODERN ART  
54 Lecture Hours  
Analysis of the arts through the study of painting, sculpture, architecture, and the history of Europe and the Americas from c. 1800 to the present. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: ARTH 150) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

ART 164—HISTORY OF ART 1  
54 Lecture Hours  
Analysis of great art epochs through study of paintings, sculpture, architecture and history from pre-historic times to the end of the Middle Ages. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC ART 11) (C-ID: ARTH 110) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

ART 165—HISTORY OF ART 2  
54 Lecture Hours  
Continuation of study of painting, sculpture and architecture from Renaissance to the present. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

ART 166—HISTORY OF PHOTOGRAPHY  
54 Lecture Hours  
Formerly listed as: ART 168: Survey of Photography  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ART 170 or satisfactorily complete ART 181.  
An overview of the history of photography from 1800 to the present. Discussion of processes, the work of major practitioners, as well as lesser known figures, the trends, aesthetic movements, and artist groups that have shaped the course of the medium. Emphasis on those working in the fine arts. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

ART 167—SURVEY OF ASIAN ART  
54 Lecture Hours  
Formerly listed as: ART 169: History of Non-Western Art  
An introduction to the art and architecture of India, China, Korea, Japan, Southeast, Central and Western Asia. Analysis of secular and religious trends in art from the Neolithic period to present. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC ART 13) (C-ID: ARTH 130) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

ART 170—BASIC PHOTOGRAPHY  
3 UNITS  
27 Lecture Hours, 81 Lab Hours  
Introduction to the art and technique of photography: cameras, black-and-white film and print processing, composition, presentation, and concepts related photographic fine art. Practical emphasis is on film photography with discussion of digital applications. Materials fee required. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (CC ART 40) General Education: (MJC-GE: C) (CSU-GE: C1)

ART 172—INTERMEDIATE PHOTOGRAPHY  
3 UNITS  
27 Lecture Hours, 81 Lab Hours  
Prerequisite: Satisfactory completion of ART 170 or ART 182.  
Refinement of basic craft, vision, and aesthetics as they apply to black-and-white photography. Continued emphasis on visual literacy and personalized seeing. Lessons will primarily employ film with some elements of digital media. Materials fee required. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)
ART 173—DIGITAL IMAGING FOR PHOTOGRAPHERS  
3 UNITS  
27 Lecture Hours, 81 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ART 170.  
Introductory course in digital photography. Artistic strategies and use of software applications related to fine art photography will be emphasized. The class includes lectures, discussions, critiques, computer laboratory experience and field work. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU UC) Graduation: (MJC: Activities)

ART 175—COLOR PHOTOGRAPHY  
3 UNITS  
27 Lecture Hours, 81 Lab Hours  
Prerequisite: Satisfactory completion of ART 172 or ART 186.  
The study of color photography, using film and digital processes, including various output methods and presentation strategies. Artificial lighting techniques are introduced. Emphasis of course is upon “seeing” and conceptualizing in color. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU UC) Graduation: (MJC: Activities)

ART 178B—ADVANCED PHOTOGRAPHY  
2 UNITS  
18 Lecture Hours, 54 Lab Hours  
Prerequisite: Satisfactory completion of ART 172 or 186  
Recommended for Success: Satisfactory completion of ART 168  
Advanced exploration in the visual and technical areas of either black and white, color, or non-silver photography. Students will design a project and produce a portfolio of finished work. Field trips may be required. Materials fee required. Other - combination seminar, and Hours arranged. Lecture/Lab. Not repeatable. Transfer: (CSU UC) Graduation: (MJC: Activities)

ART 179—PHOTO LABORATORY TECHNOLOGY 2  
1 UNIT  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ART 170.  
Maintenance and operation of a photographic lab facility: equipment, chemistry, scheduling and other related activities. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU UC) Graduation: (MJC: Activities)

ART 190—PROFESSIONAL PRACTICES  
2 UNITS  
27 Lecture Hours, 27 Lab Hours  
Prerequisite: Satisfactory completion of ART 172 or ART 173.  
Organization of photographic work from prior classes and projects to meet individual goals including Transfer, exhibition and employment. Development of professional materials such as resume, website and business cards as well as finalization of a photographic portfolio. Materials fee required. Field trips might be required. Not repeatable. (A-F or P/NP) Transfer: (CSU UC) Graduation: (MJC: Activities)

ART 191—ART INDEPENDENT STUDY A  
1 UNIT  
54 Lab Hours  
Limitations on Enrollment: Enrollment limited to students who receive instructor approval of completed Independent Study proposal.  
Directed study of independent projects in studio art or art history, with personalized instruction beyond the standard course work. Instructor approval is required. Field trips might be required. Not repeatable. (A-F or P/NP) Transfer: (CSU UC) Graduation: (MJC-GE: A) (CSU-GE: B1) (IGETC: 5A)  
162 Lab Hours  
Limitations on Enrollment: Enrollment limited to students who receive instructor approval of completed Independent Study proposal.  
Directed study of independent projects in studio art or art history, with personalized instruction beyond the standard course work. Instructor approval is required. Field trips might be required. (A-F or P/NP) Not repeatable. Transfer: (CSU UC) Graduation: (MJC-GE: A) (CSU-GE: B1) (IGETC: 5C)  
108 Lab Hours  
Limitations on Enrollment: Enrollment limited to students who receive instructor approval of completed Independent Study proposal.  
Directed study of independent projects in studio art or art history, with personalized instruction beyond the standard course work. Instructor approval is required. Field trips might be required. (A-F or P/NP) Not repeatable. Transfer: (CSU UC) Graduation: (MJC-GE: A) (CSU-GE: B1) (IGETC: 5C)  
108 Lab Hours  
Limitations on Enrollment: Enrollment limited to students who receive instructor approval of completed Independent Study proposal.  
Directed study of independent projects in studio art or art history, with personalized instruction beyond the standard course work. Instructor approval is required. Field trips might be required. (A-F or P/NP) Not repeatable. Transfer: (CSU UC) Graduation: (MJC-GE: A) (CSU-GE: B1) (IGETC: 5C)

Astronomy Courses (ASTRO)

ASTRO 151—INTRODUCTION TO ASTRONOMY LAB  
1 UNIT  
54 Lab Hours  
Corequisite: Concurrent enrollment in or satisfactory completion of ASTRO 160.  
Techniques in experimental astronomy. Determination of the properties of the Sun and solar system objects, stars and galaxies. Use of college telescopes and instruments may be incorporated into the experiments. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU UC) General Education: (MJC-GE: A) (CSU-GE: B3) (IGETC: SC)

ASTRO 160—INTRODUCTION TO MODERN ASTRONOMY  
3 UNITS  
54 Lecture Hours  
Introductory survey course in astronomy. Emphasis on current studies of the solar system, the study of extra solar planetary systems, the birth and death of stars, and cosmology. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU UC) General Education: (MJC-GE: A) (CSU-GE: B1) (IGETC: SA)

Autobody Courses (AUBDY)

AUBDY 301—AUTOMOTIVE COLLISION REPAIR 1  
5 UNITS  
36 Lecture Hours, 162 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to be concurrently enrolled in AUBDY 321.
Introduction to automotive collision repair industry with emphasis on shop safety, careers, vehicle designs, welding techniques, on-structural steel repairs including straightening and replacement procedures. Materials Fee Required. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.

AUBDY 302—AUTOMOTIVE COLLISION REPAIR 2
36 Lecture Hours, 162 Lab Hours
Prerequisite: Satisfactory completion of AUBDY 301 with a minimum grade of C or better.
This course is designed for the intermediate student who has successfully completed AUBDY 301 with emphasis on Automotive plastics, structural repairs, corrosion protection, vehicle dimensions, and estimating damage. Materials Fee Required. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.

AUBDY 303—AUTOMOTIVE COLLISION REPAIR 3
18 Lecture Hours, 162 Lab Hours
Prerequisite: Satisfactory completion of AUBDY 302 with a minimum grade of C or better.
This course is designed for the student who has completed Auto Body 301 and 302 with emphasis on advanced techniques, including repair and replacement of nonstructural and structural components. This course works towards ASE certification and uses the ICAR live delivery program. At the end of each program the student will take a post test and be eligible for ICAR Training Alliance gold class points. Materials Fee Required. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.

AUBDY 321—AUTOMOTIVE SPRAY REFINISHING 1
18 Lecture Hours, 54 Lab Hours
Introduction to automobile spray painting. Study of materials, supplies and equipment. Experience in feather edging and application of base coats; spray techniques in spot blending and panel refinishing with a base coat and clear coat. Materials Fee Required. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.

AUBDY 322—AUTOMOTIVE SPRAY REFINISHING 2
18 Lecture Hours, 108 Lab Hours
Prerequisite: Satisfactory completion of AUBDY 321 and AUBDY 301.
Continuation of AUBDY 321 with further instruction of automotive refinishing with single stage, base/clear coat urethane paints, and estimate writing. Materials Fee Required. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.

AUBDY 302 — AUTOMOTIVE COLLISION REPAIR 2
5 UNITS

AUBDY 303—AUTOMOTIVE COLLISION REPAIR 3
4 UNITS

AUBDY 321—AUTOMOTIVE SPRAY REFINISHING 1
2 UNITS

AUBDY 322—AUTOMOTIVE SPRAY REFINISHING 2
3 UNITS

AUTECH 200—AUTOMOTIVE SERVICE MANAGEMENT
36 Lecture Hours
Introduction to automotive service management and the required skills needed to manage a service department. Service operations, management styles and strategies, financial measurement, customer relations, employee relations, selling services, legal issues and responsibilities. Field trips are not required. (A-F Only) Lecture. Not repeatable. 
Transfer: (CSU)

AUTECH 211—INTRODUCTION TO ALTERNATIVE FUELS AND ADVANCED TECHNOLOGY VEHICLES
27 Lecture Hours, 81 Lab Hours
Prerequisite: Satisfactory completion of AUTECH 368.
Introduction to the technology of alternative fuel vehicles including, fuel cell, compressed natural gas, liquid natural gas, propane, hydrogen, ethanol, biodiesel, electric, hybrids, and methanol. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AUTECH 289—PRINCIPLES OF POWER MECHANICS/SIM ENGINES
36 Lecture Hours, 54 Lab Hours
Also offered as AGM 289
Introduction to the operation, construction, maintenance, repair and adjustments of two and four-stroke engines. Designed for persons without prior experience in engine repair. Experienced technicians will also benefit. Materials Fee Required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

AUTECH 311—BASIC AUTOMOTIVE SYSTEMS
54 Lecture Hours, 54 Lab Hours
Introduction to the construction and operating principles of automotive systems to include: engine, cooling, lubrication, fuel, exhaust, and electrical. Proper selection and use of automotive shop manuals, service publications, tools, measuring devices, etc. Materials Fee Required. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.

AUTECH 315—A1: ENGINE REPAIR
3.5 UNITS
36 Lecture Hours, 81 Lab Hours
Formerly listed as Engine Rebuilding
Prerequisite: Satisfactory completion of AUTECH 311
Use of automotive machine shop equipment. Engine disassembly, cleaning, inspection, measuring, and reassembly procedures. Lecture/Laboratory. Materials fee required. Lecture/Laboratory. Not repeatable. (A-F Only)

AUTECH 317—AUTO HEATING & AIR CONDITIONING
3.5 UNITS
36 Lecture Hours, 81 Lab Hours
Formerly listed as: AUTECH 317: Auto Heating and Air Conditioning
Prerequisite: Satisfactory completion of AUTECH 311 or AGM 241

AUTECH 319—A8: ENGINE PERFORMANCE
3.5 UNITS
36 Lecture Hours, 81 Lab Hours
Corequisite: Concurrent enrollment in or satisfactory completion of AUTECH 369.
Prepares students for Automotive Service Excellence A8 Exam. Comprehensive study of diagnosis and repair applications including general engines, ignition systems, fuel, air induction and exhaust systems, emission control systems, computerized engine controls,
and engine electrical systems. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable.

**AUTEC 320—L1: ADVANCED ENGINE PERFORMANCE**  
4 UNITS  
54 Lecture Hours, 54 Lab Hours  
Prerequisite: Satisfactory completion of AUTEC 319.  
Prepares students for the Automotive Service Excellence L1 Exam. Advanced engine performance topics including test equipment and diagnosis techniques of powertrain and computerized powertrain controls, fuel system and air induction systems, automotive emission controls and I/M failures. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable.

**AUTEC 321—A5: BRAKES SYSTEMS**  
3.5 UNITS  
36 Lecture Hours, 81 Lab Hours  
Prerequisite: Satisfactory completion of AUTEC 311.  

**AUTEC 322—A4: STEERING, SUSPENSION AND ALIGN**  
3.5 UNITS  
36 Lecture Hours, 81 Lab Hours  
Prerequisite: Satisfactory completion of AUTEC 311.  

**AUTEC 323—A2: AUTOMATIC TRANSMISSION & TRANSAXLES**  
3.5 UNITS  
36 Lecture Hours, 81 Lab Hours  
Prerequisite: Satisfactory completion of AUTEC 311.  
Prepares students for the Automotive Service Excellence A2 Exam. A detailed study of the clutch, standard and automatic transmissions, drive lines and differentials. Theory of operation including: friction materials, hydraulics, torque converters, gear trains, planetary gears, and controls as well as gear ratios, torque multiplication, speeds, drive line angles and tooth patterns. Materials fee required. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable.

**AUTEC 324—A3: MANUAL TRANS AND OR AXLES**  
3.5 UNITS  
36 Lecture Hours, 81 Lab Hours  
Prerequisite: Satisfactory completion of AUTEC 311.  
Prepares students for the Automotive Service Excellence A3 Exam. Construction, operation and diagnosis of manual transmissions and axles, to include service and overhaul. Theory as well as “hands-on” training with clutch systems and drive axle operation and service. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable.

**AUTEC 368—A6: AUTOMOTIVE ELECTRICITY/ ELECTRONIC SYSTEMS 1**  
3.5 UNITS  
54 Lecture Hours, 54 Lab Hours  
Prerequisite: Satisfactory completion of AUTEC 311.  
Introduction to automotive electrical systems. Course covers basic fundamentals: Ohm’s law, starting and charging systems, batteries, alternators and starters. Course also covers principles of operation, testing, adjusting, and rebuilding procedures for electrical systems. Materials Fee Required. (A-F Only) Lecture/Lab. Not repeatable.

**AUTEC 369—A6: AUTOMOTIVE ELECTRICITY 2**  
4 UNITS  
54 Lecture Hours, 54 Lab Hours  
Prerequisite: Satisfactory completion of AUTEC 368.  
Prepares students for Automotive Service Excellence A6 Exam. Fundamentals of automotive electronics and electrical components including computers, light and horn circuits, indicating devices, electrical accessories and computer controlled devices. Lab emphasis on testing and servicing electrical equipment. Materials fee required. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable.

**AUTEC 373—CLEAN AIR CAR COURSE**  
5 UNITS  
72 Lecture Hours, 54 Lab Hours  
Formerly listed as AUTEC 373 - 97 B.A.R. Clean Air Course  
Prerequisite: Satisfactory completion of AUTEC 320.  
Recommended for Success: Before enrolling in this course, students are strongly advised to contact the instructor teaching the class.  
This course is California Bureau of Automotive Repair approved for the basic (EB) and enhanced (EA) emission control licenses. It is designed especially for the automobile technician preparing for the California Smog License. Students who do not have one year of trade experience in emissions/tune-up or required courses and certificates will not be eligible to take the state licensing examination. Emphasis will be on operational principles of the emission control components and how to test them. B.A.R. requires a minimum of 90% attendance and 70% (C) grade for completion. Materials Fee Required. (A-F or P/NP) Lecture/Lab. Not repeatable.

---

### Biology Courses (BIO)

All courses are offered for a letter grade only unless otherwise stated. Biology majors must take major courses on a letter grade basis. All majors must complete a program of courses approved by the division. Suggested curricula for specific biological sciences majors and related fields may be obtained from the advisors. Classes may sometimes convene at off-campus sites within the YCCD.

**BIO 50—BASIC BIOLOGY**  
3 UNITS  
54 Lecture Hours  
Introduction to the study of living organisms. Intended as a practical foundation for students interested in a basic knowledge of biological principles, terminology and the scientific process. May serve as a bridge to Transfer level biology courses and is not open to students who have completed a Transfer level biology course. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. **General Education:** (MJC-GE: A)
BIO 101—BIOLOGICAL PRINCIPLES 4 UNITS
54 Lecture Hours, 54 Lab Hours

Prerequisite: Satisfactory completion of CHEM 101 or CHEM 142.

BIO 111—GENERAL BIOLOGY 4 UNITS
54 Lecture Hours, 54 Lab Hours

BIO 114—GENERAL ECOLOGY 4 UNITS
54 Lecture Hours, 54 Lab Hours

Formerly listed as BIO 114—Introduction to Ecology

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.

Introduction to the biological sciences and the general concepts and principles of ecology. Topics include organization and energetics of nature, natural interactions and biological diversity. Includes global and local ecosystems, scientific methods of ecological research, nutrient cycles and conditions of existence, and ecological assessment. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (CC BIOL 24) General Education: (MJC-GE: A) (CSU-GE: B2, B3) (IGETC: SB, SC)

BIO 115—GENETICS, EVOLUTION, AND SOCIETY 3 UNITS
54 Lecture Hours

BIO 116—BIOLOGY: A HUMAN PERSPECTIVE 4 UNITS
54 Lecture Hours, 54 Lab Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50 and satisfactorily complete MATH 70.

An introduction to the principles of biology with an emphasis on humans. Topics covered include scientific method, cell structure and function, biochemistry, metabolism, heredity, biotechnology, evolution, anatomy and physiology of the human body, development of aging, disease, and ecology. BIO 116 is recommended for allied health students. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B2, B3) (IGETC: SB, SC)

BIO 140—INTRODUCTION TO MARINE BIOLOGY 4 UNITS
54 Lecture Hours, 54 Lab Hours

Introduction to the natural history of plant and animals living in temperate and tropical marine habitats, including rocky shore, mudflat, sandy beach, salt marsh, coral reef, mangal forest, open ocean, deep ocean, and bay/estuary. Polar and subpolar marine ecosystems will also be introduced. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B2, B3) (IGETC: SB, SC)

BIO 145—INTRODUCTION TO FRESH WATER BIOLOGY 4 UNITS
54 Lecture Hours, 54 Lab Hours

Introduction to the natural history of common organisms of the freshwater environment along with basic ecological principles, which includes: energy flow, nutrient cycling, population dynamics, and community structure. (A-F or P/NP) Field trips required. LectureLaboratory. Materials fee required. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B2, B3) (IGETC: SB, SC)

BIO 151XABC—BIOLOGY FIELD STUDIES 0.5-3 UNITS
X=9 Lecture Hours, A=18 Lecture Hours, B=36 Lecture Hours, C=54 Lecture Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete BIO 111, BIO 110, ZOOL 101, BOT 101 or other college-level biology course.

Field trips to representative and unique ecosystems. Emphasis on life histories, adaptations and biological interactions of organisms within the ecosystem studied. Field experiences will include sampling methods, preparation of field notes and field identification of species characteristic of the ecosystem. Field trips are required. Lecture/Laboratory. Materials fee required. Not offered every semester. Not repeatable. Transfer: (CSU)

BIO 180AB—INTRODUCTION TO TUTORING BIOLOGY 1-2 UNITS
A=9 Lecture Hours, 27 Lab Hours, B=18 Lecture Hours, 54 Lab Hours

Formerly listed as: BIO - 180: Special Projects in Biology

Prerequisite: Satisfactory completion of BIO 111 or BIO 116 or BIO 101.

Fundamental skills of tutoring in the biology lab. Strategies for tutoring students enrolled in general biology or human biology will be learned. Specific focus will be on techniques for identifying microscopic and macroscopic structures in the biology lab. Intended for students selected as tutors for the biology or human biology lab. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

Botany Courses (BOT)

BOT 101—GENERAL BOTANY 4 UNITS
36 Lecture Hours, 108 Lab Hours

Prerequisite: Satisfactory completion of BIO 101.

BUSAD—BUSINESS COMPUTATIONS 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MATH 20 or qualify by placement through the MJC assessment process.

Mathematical background for business students. Problems of buying and selling, simple and compound interest, bank discounts, trade and cash discounts, installment payments, inventory markups, annuities, present value, commissions, taxes, payrolls, depreciation, and financial statements. Field trips are not required. Lecture. Not repeatable. (A-F or P/NP)

BUSAD 200—SPREADSHEET SKILLS FOR FINANCIAL ACCOUNTING 2 UNITS
18 Lecture Hours, 54 Lab Hours
Formerly listed as: BUSAD 200: Financial Accounting On Spreadsheet
Corequisite: Concurrent enrollment in or satisfactory completion of BUSAD 201 or satisfactory completion of BUSAD 320.
Introduction to spreadsheet software. Spreadsheet and template analysis, design, testing, and documentation as they relate to the field of accounting will be covered; hands-on experience using Microsoft Excel or a similar spreadsheet application will be used. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

BUSAD 201—FINANCIAL ACCOUNTING 4 UNITS
72 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete BUSAD 310 and satisfactorily complete ENGL 50.
Explores what financial accounting is, why it is important, and how it is used by investors and creditors to make decisions; focusing on a preparer approach. Covers the accounting information system and the recording and reporting of business transactions with a focus on the accounting cycle, the application of generally accepted accounting principles, the classified financial statements, and statement analysis. Includes issues relating to asset, liability, and equity valuation, revenue and expense recognition, cash flow, internal controls and ethics. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC BUSAD 2A) (C-ID: ACCT 110)

BUSAD 202—MANAGERIAL ACCOUNTING 4 UNITS
72 Lecture Hours
Prerequisite: Satisfactory completion of BUSAD 201.
Examination of how managers use accounting information in decision-making, planning, directing operations, and controlling. Focuses on cost terms and concepts, cost behavior, cost structure, and cost-volume-profit analysis. Examination of profit planning, standard costs, operations and capital budgeting, cost control, and accounting for costs in manufacturing organizations. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC BUSAD 2B) (C-ID: ACCT 120)

BUSAD 203—COMPUTER ACCOUNTING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of BUSAD 201 or BUSAD 310.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete BUSAD 320 if BUSAD 310 is used to satisfy the prerequisite.
Introduction to the use of the computer in accounting/bookkeeping. Practical applications of accounting through hands-on experiences on the personal computer using a variety of current computer accounting software packages. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

BUSAD 204—COST ACCOUNTING 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of BUSAD 201 and 202.
Introduction to cost accounting theory and practice. Control of material, labor and burden costs; methods of applying expenses; job order and process cost system; cost statements. Lecture. Not repeatable. Transfer: (CSU)

BUSAD 205—IMPORT/EXPORT FUNDAMENTALS 3 UNITS
54 Lecture Hours
Also offered as: AGEC 209: Import/Export Fundamentals
This course examines motivations and procedures for the import and export of goods and services. Emphasizes U.S. import/export regulations, documentation, logistics, community resources and customer services. Special emphasis on finance and financial documentation. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

BUSAD 208—INTRODUCTION TO INTERNATIONAL BUSINESS 3 UNITS
54 Lecture Hours
Also offered as: AGEC 208: Introduction to International Business
A comprehensive overview of international business. Offers a global perspective of international trade, international marketing, international accounting, the operation of multinational companies, economic theories and forces, international organizations and the political and cultural impact of world trade. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

BUSAD 209—IMPORT/EXPORT FUNDAMENTALS 3 UNITS
54 Lecture Hours
Also offered as: AGEC 209: Import/Export Fundamentals
This course examines motivations and procedures for the import and export of goods and services. Emphasizes U.S. import/export regulations, documentation, logistics, community resources and customer services. Special emphasis on finance and financial documentation. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

BUSAD 210—BUSINESS COMMUNICATION 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of ENGL 101.
Principles and applications of written and oral business communications including routine memo and letter writing, persuasive writing, oral communication, and informative report writing. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (C-ID:-BUS115) General Education: (MJC-GE: D2)

BUSAD 218—BUSINESS LAW 4 UNITS
72 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to be a third-semester Business Major.
### COURSES

**BUSAD 230—PERSONAL FINANCE**  
**3 UNITS**  
**54 Lecture Hours**

Open to both business and non-business majors. An integrated approach to personal finance and financial literacy. Topics are designed to facilitate informed and deliberate decision making, in alignment with personal values, to maximize financial resources throughout the individual's life span. Emphasizes practical decision making using contemporary theory and real world examples while integrating the social, psychological, and physiological context in which financial decisions are made. Topics include common financial issues such as budgeting, career planning, goal setting, purchasing and financing a home and other large consumer purchases, personal risk management and insurance issues, managing credit, investment strategies, as well as tax, retirement and estate planning. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. **Transfer: (CSU, UC) (CC BUSAD 18) (C-ID: BUS 125)**

**BUSAD 246—STORE MANAGEMENT**  
**3 UNITS**  
**54 Lecture Hours**

Formerly listed as: **BUSAD 246: Store Management**

An examination of the resources, abilities, and knowledge necessary to establish a retail business successfully. Subjects studied include site selection, development of a product and/or service to satisfy customer needs, design, and analysis of how marketing functions in current business practice. Customer needs and behaviors, as well as issues relating to employee recruitment, selection, assessment, development, compensation and rewards. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer: (CSU, UC) (CC BUSAD 20) (C-ID: BUS 110)**

**BUSAD 249ABCD—BUSINESS INTERNSHIP**  
**1-4 UNITS**  
**A= 54 Lab Hours, B= 108 Lab Hours, C= 162 Lab Hours, D= 216 Lab Hours**

An internship program with selected business firms dealing with either accounting, marketing, business law, office administration, bookkeeping, real estate, or retail management practices in public or private agencies. Student interns will be under joint supervision of the employers and faculty members. Intended to provide practical applications for students who have developed theoretical knowledge and effective interpersonal skills by completing their discipline's introductory level course(s). One unit equals 60 hours of uncompensated work experience or 75 hours of compensated work experience. See appropriate instructor for required enrollment forms. Field trips are not required. (P/NP Only) Lab. Not repeatable. **Transfer: (CSU)**

**BUSAD 274—HUMAN RESOURCES MANAGEMENT**  
**3 UNITS**  
**54 Lecture Hours**

The role of human resources management and its contribution to the business organization. Principles and methods of effective utilization of human resources in the business environment. Examination of the human resources environment, as well as issues relating to employee recruitment, selection, assessment, development, compensation and rewards. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer: (CSU)**

**BUSAD 300—MACHINE CALCULATION**  
**2 UNITS**  
**27 Lecture Hours, 27 Lab Hours**

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MATH 20. Instruction in the operation of the electronic calculator including addition, subtraction, multiplication, and division using constant factors and automatic accumulation as applied to business applications. Major emphasis on 10-key touch operation with maximum stroke/minute/accuracy rate. Field trips are not required. Lecture/Lab. Not repeatable. (A-F or P/NP)

**BUSAD 310—BOOKKEEPING I**  
**3 UNITS**  
**54 Lecture Hours**

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete BUSAD 300 or satisfactorily complete BUSAD 50. Essential bookkeeping fundamentals for job entry in business. Basics of double entry bookkeeping: general and special journals, general and subsidiary ledgers, business forms, payroll records and governmental payroll forms. Recommended as a preparatory course for BUSAD 201, Accounting. Field trips are not required. Lecture. Not repeatable. (A-F or P/NP)

**BUSAD 311—PAYROLL ACCOUNTING**  
**3 UNITS**  
**36 Lecture Hours, 54 Lab Hours**

Prerequisite: Satisfactory completion of BUSAD 310 or BUSAD 201

This course covers laws pertaining to wages, payroll taxes, payroll tax forms, and general journal transactions. Emphasis is placed on computing wages; calculating social security, income, and unemployment taxes; preparing appropriate payroll tax forms with reporting requirements; and journalizing/posting transactions. Upon completion, students should
COURSES

be able to analyze data, make appropriate computations, complete payroll tax forms, and prepare accounting entries using appropriate technology. Field trips are not required. Lecture/Lab. Not repeatable. (A-F or P/NP)

BUSAD 320—BOOKKEEPING 2 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of BUSAD 310
A continuation of BUSAD 310. This course covers modern bookkeeping trends and techniques and reinforces the completion of a full accounting cycle. Emphasis is placed on expanding the bookkeeper's knowledge of more advanced topics such as accounting for fixed assets, valuing receivables, the statement of cash flows, financial statement analysis, and accounting for partnerships and corporations. Content is taught based on a preparer perspective that can be applied to the workplace or bookkeeping for one's own business. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable.

BUSAD 336—TAX ACCOUNTING 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete BUSAD 201 or satisfactorily complete BUSAD 310.
Open to both accounting and non-accounting majors. This class provides an explanation of the federal tax structure as it relates to individual taxation. Study includes a practical user approach to the most important areas of the tax law including how to calculate individual income tax, maximize deductions and credits, and tax planning strategies. Emphasis placed on basic preparation and learning how to research tax questions and interpret tax laws and regulations as they relate to the individual taxpayer. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable.

BUSAD 351—ELEMENTS OF SUPERVISION 3 UNITS
54 Lecture Hours
Also offered as: SUPR 351
The nature and function of the supervisor's role in business, industry, and government. The skills and techniques of effective management will be examined and applied in terms of attaining maximum results through the cooperative efforts of others. Field trips are not required. Lecture. Not repeatable. (A-F or P/NP)

BUSAD 358—ADVERTISING & SALES PROMOTION 3 UNITS
54 Lecture Hours
This course covers the elements of advertising and sales promotion in the business environment using an Integrated Marketing Communications (IMC) perspective. Topics include using advertising and sales promotion as a marketing tool; establishing objectives and budgeting for promotional program; planning and evaluation of media used in advertising; and measuring the effectiveness of an advertising and sales promotional program. Stresses practical application. Field trips are not required. Lecture. Not repeatable. (A-F or P/NP)

BUSAD 364—TOTAL QUALITY MANAGEMENT 3 UNITS
54 Lecture Hours
Also offered as: SUPR 364
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete SUPR 351 or satisfactorily complete BUSAD 240.
Total Quality Management, TQM, is a method by which management and employees can become involved in the continuous improvement of the production of goods and services. This course focuses on total quality management concepts, methodologies and practices of services and manufacturing industries. Topics like organizational and cultural aspects of total quality management associated with implementing quality systems, communicating the quality message, team building, training and learning will be addressed. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable.

BUSAD 377—HUMAN RELATIONS IN BUSINESS 3 UNITS
54 Lecture Hours
People and their roles in the business and non-profit community. The nature of work, the work environment, personal skills and performance, work groups, and solving human relations problems. (A-F or P/NP) Lecture. Not repeatable.

Chemistry Courses (CHEM)

CHEM 101—GENERAL CHEMISTRY 1 5 UNITS
54 Lecture Hours, 54 Lab Hours, 18 Discussion Hours
Prerequisite: Satisfactory completion of MATH 90 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to complete CHEM 142 with a grade of C or better or complete High School Chemistry with a grade of B or better.
Principles of chemistry emphasizing measurements and significant figures, chemical reactions, stoichiometry, gas laws and theory, chemical energy, atomic structure and quantum mechanics, periodic properties, chemical bonding, molecular structure, intermolecular attractions and properties of liquids and solids, and properties of solutions. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C) (C-ID: CHEM 110) (CC CHEM 2A & 2AL) Lecture/Lab/Discussion

CHEM 102—GENERAL CHEMISTRY 2 5 UNITS
54 Lecture Hours, 54 lab Hours, 18 Discussion Hours
Prerequisite: Satisfactory completion of CHEM 101.
Continuation of Chemistry 101 emphasizing kinetics, solutions, equilibrium, acids and bases, electrochemistry, thermodynamics, nuclear chemistry, coordination chemistry and descriptive chemistry. (A-F or P/NP) Lecture/Lab/Discussion. Not repeatable. Transfer: (CSU, UC) (CC CHEM 2B & 2BL) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C)

CHEM 112—ORGANIC CHEMISTRY 1 5 UNITS
54 Lecture Hours, 54 Lab Hours, 18 Dischours
Prerequisite: Satisfactory completion of CHEM 102.
Organic Chemistry 1 is the first semester of a two semester sequence that covers bonding, acid-base relationships, nomenclature, stereochemistry, conjugation, resonance, mechanisms, reactions, synthesis and advanced spectroscopy of several functional groups. Laboratory includes basic techniques, (eg., separatory methods such as extraction and chromatography), as well as emphasis on MS, UV-vis, IR and NMR analysis. A one hour discussion each week will cover advanced problem solving of lecture topics. Students may not earn credit for both CHEM 112 and CHEM 122. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C) (CC CHEM 4A & 4AL)
CHEM 122 — STRUCTURE AND REACTIVITY: ORGANIC CHEMISTRY 1 4 UNITS
54 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of CHEM 102.

Bonding, acid-base relationships, nomenclature, stereochemistry, conjugation, resonance, mechanisms, reactions, synthesis and advanced spectroscopy of several functional groups. Laboratory includes basic techniques, (eg., separatory methods such as extraction and chromatography), as well as emphasis on MS, UV-vis, IR and 1H NMR. Students may not earn credit for both CHEM 112 and CHEM 122. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C)

CHEM 123 — STRUCTURE AND REACTIVITY: ORGANIC CHEMISTRY 2 4 UNITS
54 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of CHEM 122.

Lecture content includes nomenclature, physical properties and reactions of alcohols and sulfur containing compounds, aromatic compounds, aldehydes, ketones, carboxylic acids, carboxylic acid derivatives, amines, heterocycles and bio-organic compounds. Mechanisms to be addressed are electrophilic and nucleophilic aromatic substitution and nucleophilic acyl substitution and addition. Oxidation and reduction processes will be investigated more thoroughly. Course concludes with an introduction to biomolecules. Concepts from CHEM 112 will be reinforced. Laboratory includes reactions and multistep synthesis with continued development of analytical techniques, in particular, mass spectrometry, IR and 1H NMR spectroscopy. Students may not earn credit for both CHEM 113 and CHEM 123. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C)

CHEM 133 — PROBLEM SOLVING SKILLS FOR CHEM 143 1 UNIT
18 Lecture Hours
Corequisite: Concurrent enrollment in CHEM 143.

Designed to supplement CHEM 143 with additional assistance in developing problem-solving skills necessary for success. Emphasis is placed on dimensional-analysis, nomenclature, and other basic concepts. Must be taken concurrently with CHEM 143. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU)

CHEM 142 — PRE-GENERAL CHEMISTRY 3 UNITS
36 Lecture Hours, 18 Discussion Hours
Corequisite: Concurrent enrollment in or satisfactory completion of MATH 90 or qualification by the MJC assessment process.

Intended to prepare students for General Chemistry with an emphasis on problem solving using unit analysis. Included are topics on measurement, classification of matter, nomenclature, gas laws, chemical reactions, atomic and molecular structure stoichiometry, aqueous solutions and fundamentals of acids and bases. Field trips are not required. (A-F or P/NP) Lecture/Discussion. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1) (IGETC: 5A)

CHEM 143 — INTRODUCTORY COLLEGE CHEMISTRY 4 UNITS
54 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of MATH 70 or qualification by the MJC assessment process.

Designed to meet the requirements for allied-health majors and General Education. Principles of general, inorganic chemistry with a strong emphasis on problem solving using dimensional analysis. Included are topics on measurement, classification of matter, nomenclature, gas laws, chemical reactions, atomic and molecular structure, stoichiometry, aqueous solutions and fundamentals of acids and bases. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C) (CC CHEM 14 & 4L)

CHEM 144 — FUNDAMENTALS OF ORGANIC & BIOCHEMISTRY 4 UNITS
54 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of CHEM 143.

Basic principles of organic and biochemistry for allied health majors. Topics include general organic chemistry and biological chemistry as they apply to living systems. The laboratory component will support the course topics including both qualitative and quantitative experiments, and analysis of data. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C)

CHEM 150 — EXPLORING OUR CHEMICAL ENVIRONMENT 3 UNITS
54 Lecture Hours
Chemical perspective of environmental topics including acid rain and global warming. Basic chemical principles are developed in order to understand such items as conventional, nuclear, and alternative energy sources, air and water pollution, fertilizers, pesticides, food preservatives, genetic engineering, and medicines and drugs. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C)

CHEM 164 — INTRODUCTORY CHEMISTRY LABORATORY 2 UNITS
18 Lecture Hours, 54 Lab Hours
Corequisite: Concurrent enrollment in or satisfactory completion of CHEM 150 or CHEM 142.

Introductory concepts and techniques used in a chemistry laboratory. Recommended for liberal studies and other non-science majors. Topics include: scientific method, measurements, physical and chemical changes, data analysis, molecular compounds, chemical reactions and energy. No credit will be given for students who have completed CHEM 143 or CHEM 101. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B3) (IGETC: 5C)
Child Development Courses (CLDDV)

CLDDV 101 — PRINCIPLES AND PRACTICES OF TEACHING YOUNG CHILDREN
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.

An examination of the underlying theoretical principles of developmentally appropriate practices applied to programs, environments, emphasizing the key role of relationships, constructive adult-child interactions, and teaching strategies in supporting physical, social, creative and intellectual development for all children. This course includes a review of the historical roots of early childhood programs and the evolution of the professional practices promoting advocacy, ethics and professional identity. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 3) (C-ID: ECE 120)

CLDDV 103 — CHILD GROWTH AND DEVELOPMENT
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.

Examines the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. Emphasis on interactions between maturational process and environmental factors. Studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences, and analyze characteristics of development at various stages. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC CHILD 1) General Education: (MJC-GE: B, E) (CSU-GE: D7, E) (IGETC: 4G) (C-ID: CLDEV 100)

CLDDV 107 — INTRODUCTION TO CURRICULUM
54 Lecture Hours
Formerly listed as: CLDDV - 107: Introduction to Child Development Curriculum
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.

This course presents an overview of knowledge and skills related to providing appropriate curriculum and environments for infants and young children. Students will examine the teacher’s role in supporting development by using observation and assessment strategies and emphasizing the essential role of play. An overview of content areas will include but not be limited to: Language and literacy, social and emotional learning, sensory learning, art and creativity, math and science. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 35) (C-ID: ECE 130)

CLDDV 109 — CHILD-FAMILY-COMMUNITY
54 Lecture Hours

An examination of the developing child in a societal context focusing on the interrelationship of family, school and community and emphasizing historical and sociocultural factors. The processes of socialization and identity development will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 22) (C-ID: CLDEV 110) (MJC-GE: B)

CLDDV 111 — HEALTH, SAFETY, AND NUTRITION
3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.

Introduction to the laws, regulations, standards, policies and procedures and early childhood curriculum related to child health, safety, and nutrition. Key components that ensure physical health, mental health, and safety for both children and staff will be identified along with the importance of collaboration with families and health professionals. Focus on integrating the concepts into everyday planning, and program development for all children. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (C-ID: ECE 220) (CC CHILD 26) General Education: (MJC-GE: E)

CLDDV 121 — GUIDANCE OF YOUNG CHILDREN
3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.

Introduction to positive guidance and discipline approaches in educational and family settings. Exploration of the underlying causes of misbehavior. Appropriate and effective techniques that support socio-emotional, cognitive, psychological, and physical health and development. Understanding of individual parent, teacher, and caregiving styles and attitudes relative to behavior of children. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 23)

CLDDV 122 — CARE AND EDUCATION FOR INFANTS AND TODDLERS
3 UNITS
54 Lecture Hours
Formerly listed as: CLDDV - 122: Learning Environments Infants/Toddlers
Prerequisite: Satisfactory completion of CLDDV 125.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete CLDDV 121.

Applies current theory and research to the care and education of infants and toddlers in group settings. Examines essential policies, principles and practices that lead to quality care and developmentally appropriate curriculum for children birth to 36 months. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

CLDDV 125 — INFANT AND TODDLER DEVELOPMENT AND CARE
3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of CLDDV 103.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.

A study of infants and toddlers from pre-conception to age three including physical, cognitive, language, social, and emotional growth and development. Applies theoretical frameworks to interpret behavior and interactions between heredity and environment. Emphasizes the role of family and relationships in development. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 25)

CLDDV 127 — INFANT/TODDLER PRACTICUM
3 UNITS
18 Lecture Hours, 108 Lab Hours
Formerly listed as: CLDDV - 127B: Infant/Toddler Practicum
Prerequisite: Satisfactory completion of CLDDV 101 and CLDDV 103 and CLDDV 107 and CLDDV 109 and CLDDV 121 and CLDDV 123.
COURSES

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50. Limitations on Enrollment: Enrollment limited to students who can demonstrate TB clearance.

A demonstration of developmentally appropriate early childhood teaching competencies under guided supervision in an infant/toddler classroom. Students utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Child centered play-oriented approaches to teaching, learning, and assessment. Knowledge of care routines and relationship based content areas will be emphasized as student teachers design, implement, and evaluate experiences that promote positive development and learning for all young children while supporting an inclusive and culturally diverse environment. Will support IFSP goals and may include participation in an educational meeting. This course is a capstone to the Child Development Program. Students are encouraged to be near completion of their major coursework when they enroll. Field trips might be required. Lecture/Lab. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 16 OR CHILD 116) (C-ID: ECE 210)

CLDDV 128—PREESCHOOL PRACTICUM 3 UNITS
18 Lecture Hours, 108 Lab Hours
Prerequisite: Satisfactory completion of CLDDV 101 and CLDDV 103 and CLDDV 107 and CLDDV 109 and CLDDV 121 and CLDDV 125.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Limitations on Enrollment: Enrollment limited to students who can demonstrate TB clearance.

A demonstration of developmentally appropriate early childhood teaching competencies under guided supervision in a preschool classroom. Students utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Child centered, play-oriented approaches to teaching, learning, and assessment. Knowledge of curriculum content areas will be emphasized as student teachers design, implement, and evaluate experiences that promote positive development and learning for all young children while supporting an inclusive and culturally diverse environment. Will support IEP goals and may include participation in an educational meeting. This course is a capstone to the Child Development Program. Students are encouraged to be near completion of their major coursework when they enroll. This course is a capstone to the Child Development Program. Students are encouraged to be near completion of their major coursework when they enroll. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU) (CC CHILD 16) (C-ID: ECE 210)

CLDDV 150—ADMINISTRATION IN CHILDREN’S PROGRAMS 3 UNITS
54 Lecture Hours
Formerly listed as: CLDDV 150: Administration of Children’s Programs
Introduction to the administration of early childhood programs. Covers program types, budget, management, regulations, laws, development and implementation of policies and procedures. Examines administrative tools, philosophies, and techniques needed to organize, open, and operate an early care and education program. This is a capstone course and it is expected that Students have completed the CORE Child Development courses (101, 103, 107, & 109). It is recommended that prior to taking this course, students have experience working in the field. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 30)

CLDDV 151—SUPERVISION IN CHILDREN’S PROGRAMS 3 UNITS
54 Lecture Hours
Formerly listed as: CLDDV 151: Advanced Administration of Children’s Programs
Advanced Administration of Children’s Pro Management and supervision in Early Care and Education programs. Includes strategic planning, group dynamics, supervision of staff and volunteers, development of motivation and morale, leadership and management skills, functions of personnel, interview skills, evaluations, human resource issues, resolving group conflicts and working with advisory boards. Designed to provide knowledge of methods and principles for working with adults in a supervisory capacity in Early Care and Education settings. This is a capstone course and it is expected that Students have completed the CORE Child Development courses (101, 103, 107, & 109). It is recommended that prior to taking this course, students have experience working in the field. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 31)

CLDDV 154—ADULT RELATIONSHIPS & MENTORING IN SCHOOL 2 UNITS
36 Lecture Hours
Formerly listed as: CLDDV 154: Adult Relationship & Mentoring in School
Methods and principles of supervising student teachers, volunteers, staff, and other adults in early care and education settings. Emphasis is on the roles and development of early childhood professionals as mentors and leaders. Required for Master Teacher Permit and/or Site Supervisor Permit. This is a capstone course and it is expected that Students have completed the CORE Child Development courses (101, 103, 107, & 109) prior to enrolling. It is recommended that prior to taking this course, students have experience working in the field. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 17)

CLDDV 160—INTRODUCTION TO CHILDREN WITH SPECIAL NEEDS 3 UNITS
54 Lecture Hours
Formerly listed as: CLDDV - 160: Atypical Development
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete CLDDV 103 or satisfactorily complete ENGL 50.
Introduces the variations in development of children with special needs ages birth through eight and the resulting impact on families. Includes an overview of historical and societal influences, laws relating to children with special needs, and the identification and referral process. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) General Education: (MIC-GE-B)

CLDDV 163— CURRICULUM AND STRATEGIES FOR CHILDREN WITH SPECIAL NEEDS 3 UNITS
54 Lecture Hours
Formerly listed as: CLDDV - 163: Working With Children With Special Needs
Prerequisite: Satisfactory completion of CLDDV 103.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Covers curriculum and intervention strategies for working with children with special needs in partnership with their families. Focuses on the use of observation and assessment in meeting the individualized needs of children in inclusive and natural environments. Includes the role of the teacher as a professional working with families, collaboration with interdisciplinary teams, and cultural competence. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 19)
COURSES

CLDDV 167—OBSERVATION AND ASSESSMENT  3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of CLDDV 103 and CLDDV 163.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
This course focuses on the appropriate use of assessment and observation strategies to document development, growth, play and learning to join with families and professionals in promoting children's success. Recording strategies, rating systems, portfolios, and multiple assessment tools are explored. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC CHILD 4) (C-ID: ECE 200)

CLDDV 173—AUTISM: OVERVIEW AND TREATMENT  3 UNITS
54 Lecture Hours
Basic concepts of autism. Topics include description, identification, interventions and treatments, and DIR Floor Time approach. Field trips might be required. (A-F or P/NP) Not repeatable. Transfer: (CSU)

CLDDV 262—DIVERSITY IN EDUCATIONAL SETTINGS  3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of CLDDV 103.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Examination of the development of social identities in diverse societies including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms, and teaching. Various classroom strategies will be explored emphasizing culturally and linguistically appropriate antibias approaches supporting all children in becoming competent members of a diverse society. Course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media, and schooling. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) General Education: (MJC-GE: B) (CSU-GE: D7) (CC CHILD 36) (C-ID: ECE 230)

CLDDV 291—CREATIVE ACTIVITIES FOR YOUNG CHILDREN  3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Develop, implement, and analyze developmentally appropriate creative experiences in the young child’s learning process. Field trips might be required. (A-F or P/NP) Not repeatable. Transfer: (CSU)

CLDDV 292—MATH & SCIENCE CURRICULUM FOR YOUNG CHILDREN  3 UNITS
54 Lecture Hours
Formerly listed as: CLDDV 292: Math & Science Curriculum for Young
Study of math and science exploration for young children. Evaluation and development of appropriate math and science activities and materials. Discussion of variations in developmental levels, inclusion of children with special needs, and respect of cultural differences. Field trips might be required. (A-F or P/NP) Not repeatable. Transfer: (CSU)

College Skills Courses (COLSK)

COLSK 100—FOUNDATION FOR FIRST YEAR COLLEGE SUCCESS  3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50 and READ 82.
Provides success strategies to enhance academic and lifelong learning skills for first year college students. Exploration of topics such as motivation and attitudes, values, goal setting, decision-making processes, critical and creative thinking, personal health, interpersonal communication, behavioral expectations and etiquette, personality theories, cultural diversity, information & technology competence, as well as techniques for maximizing the ability to succeed as a lifelong learner. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: E) (CSU-GE: E)

Communication Studies Courses (COMM)
The Communication Studies Program at Modesto Junior College offers students a variety of courses which incorporate both theory and performance instruction. These include public speaking, argumentation and debate, organizational communication, intercultural and interpersonal communication, contest speaking and forensics competition which includes debate and individual events. The MJC Forensics Team has captured a number of state and national championships. The program also offers courses in practical speech communication and voice improvement. Most courses are available to students in both day and evening hours.

COMM 100—FUNDAMENTALS OF PUBLIC SPEAKING  3 UNITS
54 Lecture Hours
Formerly listed as SPCOM 100
Developing individual effectiveness in various speech activities, emphasis on public speaking; instruction and practice in selection, organization and presentation of materials. Development of self-confidence and listening skills. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC SPCOM 4) General Education: (MJC-GE: D2) (CSU-GE: A1) (IGETC: 1C)

COMM 102—INTRODUCTION TO HUMAN COMMUNICATION  3 UNITS
54 Lecture Hours
Formerly listed as SPCOM 102
A survey of the discipline of communication studies with emphasis on interpersonal contexts, group discussions, and individual presentations in public settings. This course explores issues relevant to the systematic inquiry and pursuit of knowledge about human communication including its history, principles, processes, assumptions, methods, and specializations of human communication as an academic field of study. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC SPCOM 4) General Education: (MJC-GE: D2) (CSU-GE: A1) (IGETC: 1C)

263
COMM 103—INTERPERSONAL COMMUNICATION 3 UNITS
54 Lecture Hours
Formerly listed as SPCOM 103

Principles of interpersonal communication including perceptual, verbal, and nonverbal elements. The study of interpersonal communication theory, research findings, concepts, and skills as applied within personal and professional relationships. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: COMM 130) General Education: (MJC-GE: B) (CSU-GE: D7) (IGETC: 4G)

COMM 104—ARGUMENTATION 3 UNITS
54 Lecture Hours
Formerly listed as SPCOM 104

Prerequisite: Satisfactory completion of ENGL 101.

Primary emphasis on argumentation as the study of analysis, evidence, reasoning, refutation and rebuttal, etc., in oral and written communication. Significant component of instruction in written argumentation, with special attention to the essay form. “Critical Thinking” approaches to commercial, legal, political, and academic argumentation and persuasion. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC SPCOM 2) (C-ID: COMM 120) General Education: (MJC-GE: D2) (CSU-GE: A3) (IGETC: 1B)

COMM 105—INTERCOLLEGIATE FORENSICS 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as: SPCOM 105: Forensics Debate, SPCOM - 105: Forensics Workshop

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete COMM 100 (Formerly SPCOM 100) or satisfactorily complete COMM 107 (Formerly SPCOM 107) or satisfactorily complete COMM 120 (Formerly SPCOM 120).

Preparation, including research and writing; for participation in intercollegiate speech and debate tournaments and/or community events as a judge and/or competitor. Field trips are required. Four completions allowed. (A-F or P/NP) Lecture. Transfer: (CSU) (CC SPCOM 7) Graduation: (MJC-Activities) (C-ID: COMM 160B)

COMM 106—GROUP & ORGANIZATIONAL COMMUNICATION 3 UNITS
54 Lecture Hours
Also offered as: SUPR 106
Formerly listed as: SPCOM 106: Organizational Communication

Communication within and between groups and organizations while enhancing individual communication skills. Emphasis on communication and organizational theory as basis for focus on such communication processes as task-oriented discussions, problem solving, leadership, conflict resolution and negotiation, communication climate, and organizational culture. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC SPCOM 9 or BUSAD 9) (C-ID: COMM 140) General Education: (MJC-GE: D2)

COMM 107—INTRODUCTION TO DEBATE 3 UNITS
54 Lecture Hours
Formerly listed as SPCOM 107

COMM 110—PERSUASION 3 UNITS
54 Lecture Hours
Formerly listed as SPCOM 110

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete COMM 100 (Formerly SPCOM 100).

Development of abilities to plan and deliver persuasive presentations through a combination of methods involving the study of “real” communicative events; i.e., trials, sales presentations, political campaigns, sermons, etc., and the preparation and presentation of own works. Survey of recent research in attitude change and persuasive communication. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: COMM 190) General Education: (MJC-GE: D2) (CSU-GE: A1) (IGETC: 1C)

COMM 120—ORAL INTERPRETATION 3 UNITS
54 Lecture Hours
Also offered as: THETR 120
Formerly listed as: SPCOM 120: Oral Reading / Interpretation

Skills in oral interpretation of literature; choice of material, involvement with material; communication of author’s thought, emotion and language; expanded knowledge of literature and literary forms. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC DRAMA 20) (C-ID: COMM 170) General Education: (MJC-GE: C) (CSU-GE: C1)

COMM 122—INTRODUCTION TO READERS’ THEATRE 3 UNITS
54 Lecture Hours
Also offered as: THETR 122: Introduction to Readers’ Theatre
Formerly listed as SPCOM 122

Study of oral interpretation principles as they apply to group and choral reading. Emphasis will be placed upon the preparation and performance of Readers’ Theatre productions. Students are provided the necessary theory, practice for performance and criticism to enhance skills for development and oral presentation of Readers’ Theatre material. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1)

COMM 123—STORYTELLING 3 UNITS
54 Lecture Hours
Also offered as: THETR 123
Formerly listed as SPCOM 123

Introduction to the art of storytelling focusing on the preparation and presentation of literature. Emphasis is placed upon selection of materials, analysis, preparation, and presentation of various genres of stories. Designed to develop the adult reader’s knowledge, critical ability and appreciation of literature, as well as critical listening of others sharing literature. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1)
COMM 124—ADVANCED READERS’ THEATRE  3 UNITS
54 Lecture Hours

Also offered as: THETR 124: Advanced Readers’ Theatre
Formerly listed as SPCOM 124

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete COMM 122 (Formerly SPCOM 122) or satisfactorily complete THETR 122.

Continued development of the construction and direction of Readers’ Theatre performances suitable for public presentation. Emphasis on analysis of reading materials and helping others enhance communication skills through vocal control and physical expression. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1)

COMM 130—INTERCULTURAL COMMUNICATION  3 UNITS
54 Lecture Hours

Formerly listed as SPCOM 130

Examines the influence of culture on human communication. Students will learn skills to communicate effectively with people from different cultures. Theoretical and practical models are explored. Emphasis on cultural identity, relationships, stereotyping, prejudice, nonverbal and verbal cues, values, beliefs, and norms. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 4C, 4G)

COMM 133—MEDIATED COMMUNICATION  3 UNITS
54 Lecture Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.

COMM 145—PARLIAMENTARY PROCEDURE  1 UNIT
18 Lecture Hours

Also offered as: AGGE 145: Parliamentary Procedure
Formerly listed as SPCOM 145

Introduction to Parliamentary Procedure. Preparing for and participating in meetings as a member, officer and chairperson. Rank and use of motions. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

COMM 180AB—COMMUNICATION STUDIES LAB TUTORING  1-2 UNITS
A= 9 Lecture Hours, 27 Lab Hours, B= 18 Lecture Hours, 54 Lab Hours

Prerequisite: Satisfactory completion of COMM 100 (Formerly SPCOM 100) or COMM 102 (Formerly SPCOM 102).

Formerly listed as SPCOM 180AB

Fundamental skills of tutoring in the Communication Studies Lab. Strategies for tutoring students enrolled in courses with an emphasis on public speaking will be learned. Teaching-learning techniques include assistance with thesis development, outlining, research and delivery skills. Intended for students selected as tutors for the Communication Studies Lab. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

Computer Electronics Courses (CMPET)

CMPET 206—PERSONAL COMPUTER ASSEMBLY  3 UNITS
UPGRADING & REPAIRING
36 Lecture Hours, 54 Lab Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete CSCI 201 (Formerly CMPSC 201) or concurrently enroll in CSCI 201.

An introductory course in assembling, upgrading and repairing of personal computers. Emphasis on hands-on laboratory activities with personal computer hardware. Operating principles of computer subsystems and peripheral devices. Use of diagnostic software and hardware tools. Multi-user system setup and maintenance. Materials fee required. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

CMPET 210—INTERMEDIATE PERSONAL COMPUTER SERVICING  3 UNITS
WITH A+ CERTIFICATION TRAINING
36 Lecture Hours, 54 Lab Hours

Prerequisite: Satisfactory completion of CMPET 206 or CMPET/ELTEC 214.

Intermediate principles and practices of personal computer systems maintenance, upgrading and repair with an emphasis on preparation for A+ Computer Technician Certification administered by CompTIA. Contents include hardware and operating system setup, adding peripherals, communication and networking fundamentals, disaster recovery and supporting Windows NT. Lecture/Laboratory. Materials fee required. Not repeatable. Transfer: (CSU)

CMPET 212—DIGITAL PRINCIPLES AND CIRCUITS  3 UNITS
36 Lecture Hours, 72 Lab Hours

Prerequisite: Satisfactory completion of MATH 70 or concurrent enrollment.

Also offered as ELTEC 212

Introduction to digital circuits. Use and application of digital components in electronic devices and computers. Interfacing input and output devices to digital circuits. Introduction to programmable logic devices. Materials fee required. Lecture/Laboratory. Not repeatable. Transfer: (CSU)

CMPET 214—MICROPROCESSOR PROGRAMMING AND INTERFACING  4 UNITS
36 Lecture Hours, 108 Lab Hours

Prerequisite: Satisfactory completion of ELTEC 212/CMPET 212

Also offered as ELTEC 214

Introduction to the structure and operation of microprocessors as controllers for today’s electronic devices and systems. Basic microprocessor hardware including memories,
Computer Graphics Courses (CMPGR)

CMPGR 202—INTRODUCTION TO COMPUTER GRAPHICS 3 UNITS
36 Lecture Hours, 54 Lab Hours
Also offered as ART 102 - Introduction to Computer Graphics
Formerly listed as: CMPGR - 102: Introduction to Computer Graphics
Introduction to computer graphics using various applications and tools. Topics explored include but are not limited to: original image creation, photographic editing, scanning, printing, 3D-animation, sound, digitizing pens, mouse, and digital cameras. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have a basic working knowledge of personal computers including: turning on and off a computer system correctly; starting programs, moving and resizing windows, the Start Menu, understanding how your computer is organized; manipulating a mouse, including selecting, double clicking, and dragging items; naming, saving, and deleting files; using portable flash memory and other common storage devices.

Prepares the student majoring in or receiving a certificate in Computer Graphics, Commercial, or Fine Art with the necessary visual and business skills to develop a portfolio; emphasizes the creative and applied business needs for individuals entering their respective professional field. Field trips may be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have to be able to demonstrate basic computer skills such as creating and navigating folders and files.

Concepts and techniques in computer graphics as related to fine and applied art applications. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to be able to demonstrate basic computer skills such as creating and navigating folders and files.

The use of a computer as a vehicle for preparing, producing, and controlling the presentation of visuals within the business environments. Hardware and peripheral equipment as well as commercially available software will be covered. Emphasis is placed on the use of existing commercially available software with "hands on" experience being provided in an open lab environment. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU) (CC CMPSC 11)

36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to be able to demonstrate basic computer skills such as creating and navigating folders and files.

Introduction to illustration software as applied to visual and data presentations. Explores the techniques and tools used by artists, designers, and illustrators to produce artwork for print, publishing, multi-media graphics, web page design or illustration. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

36 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have to be able to demonstrate basic computer skills such as creating and navigating folders and files.

The use of a computer as a vehicle for preparing, producing, and controlling the presentation of visuals within the business environments. Hardware and peripheral equipment as well as commercially available software will be covered. Emphasis is placed on the use of existing commercially available software with "hands on" experience being provided in an open lab environment. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU) (CSU-GE: C1)
off a computer system correctly; starting programs, moving and resizing windows, the
Start Menu, understanding how your computer is organized; manipulating a mouse,
including selecting, double clicking, and dragging items; naming, saving, and deleting
files; using portable flash memory and other common storage devices.

Graphic and animation techniques utilizing microcomputers and 3D software. 3D
modeling, scene composition, materials editing, object and camera movement, character
development, and story boarding will be explored. Students will have intensive hands-on
experience with IBM or MAC graphic systems and related peripheral devices. Field trips
may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

CMGR 226—3D GRAPHICS AND ANIMATION 2
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised
to have successfully completed CMGR 225.

Continued development of 3D modeling and animation skills. Storyboarding, integration
of 3D software with other industry standard applications. Finish animation production
techniques. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

CMGR 235—BEGINNING PHOTOSHOP
36 Lecture Hours, 54 Lab Hours
Formerly listed as Image Manipulation Software
Recommended for Success: Before enrolling in this course, students are strongly advised
to satisfactorily complete CMGR 202/ART 102.

Introduction to the techniques and technology of digital imaging and image manipulation
software. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

CMGR 236—ADVANCED PHOTOSHOP
36 Lecture Hours, 54 Lab Hours
Formerly listed as Advanced Photoshop Applications
Recommended for Success: Before enrolling in this course, students are strongly advised
to have satisfactorily completed CMGR 235.

Advanced skills in Adobe Photoshop including layout and publication, image processing,
fine art and illustration. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

CMGR 252—DESKTOP PUBLISHING FOR COMPUTER GRAPHICS
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are
strongly advised to be able to demonstrate basic computer skills such as creating and
navigating folders and files.

Desktop publishing concepts with hands-on training in the use of computers, printers,
scanners, and various page-layout applications; text and graphics will be integrated into
documents and publications typically used in a range of computer graphics disciplines.
Field trips might be required. (A-F or P/NP) Not repeatable. Lecture/Lab. Transfer: (CSU)

CMGR 263—INTERNET LITERACY
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised
to be able to demonstrate basic computer skills such as creating and navigating
folders and files.

Provides the conceptual background and the online skills needed to become Internet
literate. Covers Internet services: e-mail, listserv, newsgroups, FTP, telnet and the
World Wide Web (WWW). Emphasis will be placed on the WWW, types of access (ISP),
usage, software (browsers and other support software) and Internet etiquette in a global
environment. Introduction to publishing and multimedia. Usage of search engines to
conduct research and copyright issues and bibliographic style. Reflects on the impact of
emerging technologies on the future of commerce and communications as well as societal
issues. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

CMGR 265—MULTIMEDIA ON THE WORLD WIDE WEB
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised
to have satisfactorily completed CSCI 250.

Development with animation, sound, and video. Emphasis on further development
of programming techniques and skills for advanced features for web pages. Extensive
hands-on lab experience. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU) General Education: (MJC-GE: D2)

CMGR 266—INTERACTIVE MEDIA DESIGN AND DEVELOPMENT
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised
to have a basic working knowledge of personal computers including: turning on and
off a computer system correctly; starting programs, moving and resizing windows,
the Start Menu, understanding how a computer is organized; manipulating a mouse,
including selecting, double clicking, and dragging items; naming, saving, and deleting
files; using portable flash memory and other common storage devices.

This course provides students with an introductory and timely exploration of the tools
and processes in the design and development of interactive media content. It covers
best practices for interactive media content creation, including text, image, animation,
audio and video elements as well as copyright issues, and guidelines for accessibility
and usability within the work. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

CMGR 267—DREAMWEAVER IN WEB SITE DESIGN
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised
to be able to demonstrate basic computer skills such as creating and navigating
folders and files.

Macromedia’s Dreamweaver web design software, including templates, libraries,
Cascading Style Sheets, and FTP. Strategies for creating intuitive and accessible web sites
such as audience considerations, site map and navigational building, and testing. (A-F
or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)
COURSES

CSCI 200—TECHNICAL COMPUTER LITERACY 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPGR 203
Concepts and techniques for using microcomputer applications. Instruction and extensive practice in Windows, word processing, spreadsheets, database management, internet basics, file transfer between applications, and related auxiliary applications. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU) General Education: (MJC-GE: D2)

CSCI 201—GENERAL COMPUTER LITERACY 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPGR 201
Survey of the functions and uses of computers in business, education, industry, and science, with emphasis on the personal computer. Study of computers and peripheral equipment as integrated systems. Exploration of the impact of computers on society. Introduction to problem-solving and applications programming techniques. Experience with popular internet and application packages on the laboratory computers. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: D2)

CSCI 203—SYMBOLIC LOGIC 3 UNITS
54 Lecture Hours
Formerly listed as CMPSC 103
Also offered as PHILO 103.
An introduction to the principles of valid deductive reasoning, including both sentential and predicate logic. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: PHIL 210) General Education: (MJC-GE: D2) (CSU-GE: A3)

CSCI 204—DISCRETE STRUCTURES FOR COMPUTER SCIENCE 3 UNITS
27 Lecture Hours, 81 Lab Hours
Formerly listed as CMPSC 219
Prerequisite: Satisfactory completion of CSCI 271 (Formerly CMPSC 205) and MATH 90 or qualification by the MJC assessment process.
Introduction to computational topics essential for work in Computer Science. Topics include: number bases, induction, sets, relations, functions, congruence, recursion, combinations and permutations, probability, graphs, trees, logic, Boolean algebra, and proof techniques. Computing related problems and examples are integrated throughout the course. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: COMP 152) General Education: (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2A)

CSCI 210—INTRO TO UNIX/LINUX SYST & PROGRAMMING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 206
Prerequisite: Satisfactory completion of CSCI 270 (Formerly CMPSC 204).
Introduction to the UNIX operating system using Linux. Coverage will include using UNIX shells, commands, the role of the system administrator, the UNIX file system, editors, file processing, shell programming, utilities, PERL and CGI programming, C and C++ programming, and recent developments in UNIX and the X Windows graphical user interface. Extensive hands-on experience using UNIX operating system and programming within the UNIX environment. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: COMP 210) General Education: (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2A)

CSCI 211—UNIX/LINUX ADMINISTRATION 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 210
Prerequisite: Satisfactory completion of CSCI 210 (Formerly CMPSC 206).
This course guides students through the fundamental responsibilities of advanced UNIX/Linux system administration. Topics include file system monitoring, file and directory archiving, user account management, shutdown and rebooting sequences, system backups, system log responsibilities, system security and, configuration, monitoring and implementation of Web/DNS/Mail servers. Projects focus on the creation of shell scripts to automate system administration tasks. The course requires hands-on projects and scenario-based learning. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)
COURSES

CSCI 224—INTERMEDIATE WORD PROCESSING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 231

Also offered as: OFADM 231: Intermediate Word Processing
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete OFADM 203 or satisfactorily complete OFADM 330.

Intermediate word processing features such as mail merge, styles, graphics, tab, and sorts. Features will be applied in creating business documents. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU) (CC OFTEC 141)

COURSES

CSCI 230—DATABASE MANAGEMENT SYSTEMS 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as: CMPSC 275: Database Management Systems/Microcomputer, CMPSC 275: Database Management Systems/Microcomputer

Prerequisite: Satisfactory completion of CSCI 200 (Formerly CMPSC 203) or CSCI 201 (Formerly CMPSC 204) or CSCI 200 (Formerly CMPSC 204).

Introduction to database management systems (DBMS). Instruction on the design, setup and maintenance of a DBMS. Applications in inventory control, mailing lists, report, report construction and format, sorting and indexing operations, general file relationships and information retrieval. Hands-on experience using a microcomputer. Emphasis on desktop DBMS such as Microsoft Access. Field trips might be required. (A-F or P/NP) Not repeatable. Lecture/Lab. Transfer: (CSU) (CC CITTG 51) General Education: (MJC-GE: D2)

COURSES

CSCI 231—DATABASE PROGRAMMING WITH SQL 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as: CMPSC 225 - SQL Database Implementation

Prerequisite: Satisfactory completion of CSCI 230 (Formerly CMPSC 275) or CSCI 270 (Formerly CMPSC 204).

Provides students with the technical skills required to implement a database solution with SQL Server. Topics include: architecture, key features of SQL Server, reviewing SQL Server programming tools, Transact-SQL, creating databases, data integrity, planning and creating indexes, advanced query techniques, summarizing data, managing transactions and locks, implementing views, stored procedures and triggers, working with distributed data, and advanced text queries. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

COURSES

CSCI 232—DATABASE SERVER ADMINISTRATION 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 220 - SQL Server Administration

Recommended for Success: Before enrolling in this course, students are strongly advised to have prior experience working with computer server systems or first complete CMPSC 264 - Windows Server OS course.
COURSES

CSCI 240—NETWORKING ESSENTIALS 4 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 263
Prerequisite: Satisfactory completion of CSCI 201 (Formerly CMPSC 201).
Concepts of networking technologies. Includes networking standards and the OSI model, transmission basics and media, TCP/IP protocols, topologies and Ethernet standards, hardware, WANs and remote connectivity, wireless networking, network operating systems, voice and video over IP, network security, network troubleshooting, integrity and availability of networks, and network management. Designed to assist individuals preparing for various certifications. Hands-on computer assignments required. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

CSCI 241—ADVANCED NETWORKING & SECURITY 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 281
Prerequisite: Satisfactory completion of CSCI 213 (Formerly CMPSC 264).
Technical study of security for networks. Includes assessing security risks, planning administrative access and user accounts, securing communication channels, securing file and print resources, secure access to remote users and offices, secure network access to Internet users, extending the network to partner organizations, designing a public key infrastructure, and developing a security plan. Hands-on computer assignments required. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

CSCI 242—DIRECTORY SERVICES 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 289
Recommended for Success: Before enrolling in this course, students are strongly advised to either complete CSCI 213 (Formerly CMPSC 264), Windows Server, or have experience managing business server systems.
Technical study of Directory Services using tools such as LDAP and Active Directory. Includes the design and implementation of directory services, analyzing business requirements, information technology structures, software, hardware and network requirements, large and small scale directory services design, group policy design, design topology and locations, replication and disaster recovery. Hands-on computer assignments required. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

CSCI 250—PUBLISHING ON THE WORLD WIDE WEB 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPGR 264

CSCI 251—INTERMEDIATE PROGRAMMING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 236 - Javascript Programming for the Internet
Prerequisite: Satisfactory completion of CSCI 270 (Formerly CMPSC 204).
Introduction to Web Database development. Emphasizes heterogeneous database design, optimization and reporting in a web database environment. This class will use industry standard tools and techniques with a variety of databases and programming tools. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) General Education: (MJC-GE: D2)

CSCI 252—SCRIPT PROGRAMMING FOR THE WEB 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 216 - Javascript Programming for the Internet
Prerequisite: Satisfactory completion of CSCI 270 (Formerly CMPSC 204).
Developing World Wide Web applications with HTML and scripting tools such as python, javascript, ruby and perl. An introduction to creating interactive HTML documents through manipulation of the WWW DOM (Document Object Model). Designing Web-based applications, validating and processing user input, creating dynamic documents utilizing DHTML. Extensive programming projects demonstrating problem solving and implementation skills will be assigned throughout the semester. Hands-on computer assignments required. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

CSCI 253—WEB DATABASE DEVELOPMENT 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 276 - Introduction to Data Warehousing
Prerequisite: Satisfactory completion of CSCI 230 (Formerly CMPSC 275) or CSCI 231 (Formerly CMPSC 225) or CSCI 232 (Formerly CMPSC 220).
Introduction to Web Database development. Emphasizes heterogeneous database design, implementation skills will be assigned throughout the semester. Hands-on computer assignments required. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) General Education: (MJC-GE: D2)

CSCI 270—INTRODUCTION TO PROGRAMMING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as: CMPSC - 204: Introduction to Programming
First course in computer programming compliant with the standards of the Association for Computing Machinery (ACM). This course is for students with little or no programming experience. General computer literacy issues useful for technicians such as computer hardware, software development, operating systems, and telecommunications. Beginning problem-solving analysis, documentation, algorithm design, control structures, as well as program coding using an appropriate beginning programming language. Data manipulation, logic, looping, program testing, and program maintenance will be stressed. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

CSCI 271—PROBLEM SOLVING AND PROGRAMMING 1 3 UNITS
54 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 205
Prerequisite: Satisfactory completion of CSCI 270 (Formerly CMPSC 204).
First course for Computer Science Transfer majors, but open to all students. Emphasizes object-oriented programming, algorithmic design, and problem analysis skills for computer science. Software engineering skills will be emphasized. Solutions will be implemented using a high-level object-oriented programming environment such as, C++, C#, or JAVA. Extensive programming projects demonstrating problem solving and implementation skills will be assigned throughout the semester. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (CC CCTPG 22) General Education: (MJC-GE: D2) (C-ID:COMP 122)
COURSES

CSCI 272—PROBLEM SOLVING AND PROGRAMMING 2 3 UNITS
54 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 261
Prerequisite: Satisfactory completion of CSCI 271 (Formerly CMPSC 205).
Introduction to data structures implemented using object-oriented design. Includes more advanced features of high-level languages such as C++ or Java. Continued emphasis on good programming methodologies and problem solving techniques and analysis. Emphasis on algorithm efficiency, recursive algorithms, and linked lists, stacks, queues, and trees. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (CC CCTG 24) General Education: (MJC-GE: D2) (C-ID: COMP 132)

CSCI 273—ASSEMBLY LANGUAGE PROGRAMMING 3 UNITS
54 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 241
Prerequisite: Satisfactory completion of CSCI 271 (Formerly CMPSC 205).
First course in computer architecture and assembly language programming. Data representation and manipulation, CPU organization and memory, addressing modes, logic and control, table processing, and I/O control processes will be examined. Macros, program modules, and interrupts will be studied. Extensive hands-on computer projects implementing course objectives will be assigned. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: D2) (C-ID: COMP 142)

CSCI 274—WINDOWS PROGRAMMING WITH VISUAL STUDIO 4 UNITS
54 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 291 - Windows Programming With Visual C++
Prerequisite: Satisfactory completion of CSCI 271 (Formerly CMPSC 205).
Windows Programming using the Microsoft Visual Studio environment. Review of object-oriented programming and problem solving concepts. Emphasis on designing user applications, event-driven programming, debugging and exception handling, object-based file handling, database access, web-based and smart device applications, and advanced programming techniques. Hands-on computer programming projects will be required. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: D2)

CSCI 290—COMPUTER SCIENCE FINAL PROJECT 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as CMPSC 294
Limitations on Enrollment: The students are required to bring the skills of their individual specializations, based on their 18 Hours of coursework in neither Information Systems, Networking, or Programming to form teams and solve a collaborative real-world IT industry level of problem application.
Culminating experience for students pursuing an Associate of Science degree in Computer Science. Objectives of degree courses will be integrated into a final managed project advised by one or more Computer Science faculty. Effective project and team management will be emphasized. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

COURSES

CSCI 298ABC—SPECIAL TOPICS IN COMPUTER SCIENCE 1-3 UNITS
A=18 Lecture Hours, B=36 Lecture Hours, C=54 Lecture Hours
Formerly listed as CMPSC 298 A,B,C
Prerequisite: Varies with topic.
Participation in discussion, analysis, and evaluation of a special topic in computer science, microcomputer applications, and related technologies. Topic to be announced in class schedule. Twelve maximum units in any combination. Field trips may be required. Lecture. Materials fee required. Not repeatable. Transfer: (CSU)

Dance Courses, see (THETR) or (PEC)
For dance course descriptions, please see THETR (Theatre) or PEC (Physical Education: Co-Ed Activities).

Earth Science Courses (EASCI)

EASCI 161—EARTH SCIENCE 4 UNITS
54 Lecture Hours, 54 Lab Hours
An introductory study of the several branches of earth science: geology, oceanography, meteorology, and astronomy. Topics include the scientific method, natural resources, minerals, rocks, volcanism, plate tectonics, earthquakes, weathering, erosion, geological time, fresh water, ocean water, ocean currents, the ocean floor, atmosphere, clouds, storms, climate, the sun, the moon, the solar system, stars, interstellar matter, and the formation of the universe. Field trips are required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (CC ESC 33) (C-ID: GEOL 121) General Education: (MJC-GE: A) (CSU-GE:B1, B3) (IGETC: 5A, 5C)

EASCI 162—INTRODUCTION TO OCEANOGRAPHY 4 UNITS
54 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete EASCI 161 and satisfactorily complete MATH 70.
An introductory study of oceanography, the study of the world’s oceans. Topics include the ocean’s role in the earth system, marine geography, ocean basins and plate tectonics, ocean water, ocean chemistry, marine sediments, ocean-atmosphere interaction, ocean currents, ocean waves and tides, coastal processes, marine ecosystems, ocean life, ocean and climate, oceanographic techniques, and ocean stewardship. Lab activities emphasize gathering and analysis of oceanographic data to understand and predict oceanographic phenomena. Field trips are required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (CC ESC 50) General Education: (MJC-GE: A) (CSU-GE:B1, B3) (IGETC: 5A, 5C)
**ECON 101 — PRINCIPLES OF MACROECONOMICS** 3 UNITS
54 Lecture Hours

Prerequisite: Satisfactory completion of MATH 70 or qualification by the MJC assessment process.

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MATH 90.

Introduction to macroeconomic theory in the context of managed market economy. Covers basic concepts in economics, particularly those relating to aggregate economic analysis, such as scarcity, trade-offs, and opportunity costs. Topics include: market systems, aggregate measures of economic activity, macroeconomic equilibrium, money and financial institutions, monetary and fiscal policy, international economics, and economic growth. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC ECON 10) (C-ID: ECON 202) General Education: (MJC-GE: B) (CSU-GE: D2) (IGETC: 4B)

**ECON 102 — PRINCIPLES OF MICROECONOMICS** 3 UNITS
54 Lecture Hours

Formerly listed as: ECON 102: Economic Principles: Microeconomics

Prerequisite: Satisfactory completion of MATH 70 or qualification by the MJC assessment process.

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MATH 90.

An introductory course focusing on individual economic decision-making. Topics include scarcity, opportunity costs, comparative advantage, market structure and market failure, elasticity, cost theory, price and output determination under various market structures and factor markets. Related topics such as international trade, public choice, income distribution, externalities and government regulation may be included. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC ECON 11) (C-ID: ECON 201) General Education: (MJC-GE: B) (CSU-GE: D2) (IGETC: 4B)

**ECON 115 — ECONOMIC HISTORY OF THE UNITED STATES** 3 UNITS
54 Lecture Hours

Also offered as: HIST - 115

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.

Analysis of origins and development of business, infrastructure, labor, and agriculture from colonial period to present. Emphasis on federal government's role in development and regulation of business, infrastructure, labor and agriculture; government's role in national economic policy. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: A - GROUP A, D2, D6) (IGETC: 4B, 4F)

**ELTEC 205 — ELECTRONICS FABRICATION AND ASSEMBLY TECHNIQUES** 3 UNITS
36 Lecture Hours, 54 Lab Hours

Introduction to fabrication and assembly techniques used in the electronics industry. Soldering, circuit board repair, and component identification, manual and automated techniques used in circuit assembly and product manufacture are included. Materials fee required. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

**ELTEC 208 — THE WORLD OF ELECTRICITY AND ELECTRONICS** 3 UNITS
36 Lecture Hours, 54 Lab Hours

Also offered as INTEC 208

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MATH 20.

An overview of electrical and electronic phenomena as applied to common consumer and industrial devices. The course examines the physical nature and laws of electricity and magnetism and the application of the scientific method. DC and AC circuits and their characteristics are examined, predicted, and measured. Electronic test equipment and voltage sources are utilized in the construction, troubleshooting and testing of electrical and electronic circuits. The historical development and the socioeconomic aspects of the “electronic age” are also examined. **This course is approved by the State of California for the Department of Apprenticeship Standards (DAS) Electricians Training Program. Materials fee required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)**

**ELTEC 212 — DIGITAL PRINCIPLES AND CIRCUITS** 3 UNITS
36 Lecture Hours, 72 Lab Hours

Also offered as CMPET 212

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MATH 70 with a minimum grade of C or better or concurrent enrollment.

Introduction to digital circuits. Use and application of digital components in electronic devices controls and computers. Study of number systems, logic gates, counters, shift registers, A/D and D/A interfaces, and memories. Special emphasis on interfacing digital circuits to real-world input and output devices. Introduction to programmable logic devices. Prepares students for microprocessors and PLCs. This course is approved by the State of California for the DAS Electricians Apprenticeship program. Materials Fee Required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

**ELTEC 214 — MICROPROCESSOR PROGRAMMING AND INTERFACING** 4 UNITS
36 Lecture Hours, 108 Lab Hours

Also offered as CMPET 214

Recommended for Success: Before enrolling in this course, students are strongly advised to successfully complete ELTEC/CMPET 212 Digital Electronics.

Introduction to the structure and operation of microprocessors as controllers for today’s electronic devices and systems. Basic microprocessor hardware including memories, registers, counters, input/output ports, decoders, and arithmetic logic using the popular

</table>
COURSES

Study of OFF-Grid, Interconnected (Grid-tied), and Hybrid photovoltaic systems, including the study of locations and positioning for PV arrays, electrical and mechanical design and integration (including hands-on experiences), Safety rules and regulations related to this industry, financial topics (systems estimates and rebates), and an overview of NABCEP certification requirements. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable.

Emergency Medical Service Courses (EMS)

EMS 350—FIRST RESPONDER WITH HEALTHCARE PROVIDER CPR 3 UNITS
54 Lecture Hours
An entry-level course designed for firefighters and other emergency workers who will respond to medical emergencies ahead of ambulance transportation. Focuses on stabilization of ill or injured patients prior to arrival of more advanced life support. This course meets the basic requirements for most volunteer fire agencies as well as some paid fire departments. Materials fee required. (A-F Only) Lecture. Not repeatable. Transfer: (CC EMS 157)

EMS 380—BASIC ECG INTERP/INTRO TO CARDIAC CARE 3 UNITS
54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to possess an understanding of basic medical terminology. Designed for students who have had little or no formal training in arrhythmia diagnosis. Emphasis on diagnosing the major and life threatening arrhythmias incorporating patient assessment and treatment. Field trips might be required. (AF or P/NP) Lab. Not repeatable.

EMS 389—EMERGENCY MEDICAL TECHNICIAN 1- CLINICAL 0.5 UNITS
27 Lab Hours
Formerly listed as: EMS 389: Emergency Medical Technician 1- Lab Prerequisite: Satisfactory completion of EMS 350. Corequisite: Concurrent enrollment in EMS 390.
This course addresses the supervisor clinical portion of a state approved Basic EMT Program. This course is a co-requisite to the EMS 390 which places the student in a practical environment. Students will observe and perform patient diagnostics and treatment under the direct supervision of a preceptor. Field trips are not required. (A-F Only) Not repeatable.

EMS 390—EMERGENCY MEDICAL TECHNICIAN 1 6 UNITS
90 Lecture Hours, 54 Lab Hours
Corequisite: Concurrent enrollment in EMS 389.
Limitations on Enrollment: Enrollment limited to students who can demonstrate completion of basic First Aid and CPR (Healthcare Provider level) from the American Heart Association or National Safety Council, or Professional Rescuer level from the American Red Cross.
Students must also provide certification of completion of a 40-hour First Responder course which meets State of California Fire Marshal training level.
Prepares the student for certification as an Emergency Medical Technician I. Students are trained to provide basic life support emergency care as mandated by the California Emergency Medical Services authority. Materials fee required. Field trips are not required. (A-F Only) Not repeatable. (CC EMS 4)

EMS 391—EMERGENCY MEDICAL TECHNICIAN 1 REFRESHER COURSE 1.5 UNITS
27 Lecture Hours
Prerequisite: Satisfactory completion of EMT 390 or equivalent.
Provides new and updated information for the Emergency Medical Technician, as well as reinforcement of basic knowledge and skills. Meets requirements for recertification as an EMT in California. Lecture. (A-F Only) Not repeatable.

Engineering Courses (ENGR)

ENGR 127—ENGINEERING GRAPHICS 4 UNITS
36 Lecture Hours, 108 Lab Hours
Prerequisite: Satisfactory completion of MATH 90 or eligibility for MATH 101 or higher as determined by MJC Assessment process.
Development of graphics skills for engineering drawings with the use of computer aided drafting (CAD) software. Topics include orthographic and pictorial projections, section and auxiliary views, dimensioning, tolerancing, threaded fasteners, and working drawings. Introduction to 3D modeling and engineering design. Design project required. (A-F or P/NP) Lecture/Laboratory. Not repeatable. Transfer: (CSU, UC)
English as a Second Language Courses (ESL)

The Literature and Language Arts division offers two programs in ESL: a non-credit, adult basic education program of courses on six levels, and a six-level credit program intended for students who plan to pursue other academic and vocational study at the college. Most ESL courses are not degree-applicable; no major is offered.
ESL 3 — ESL: HIGHER ELEMENTARY ENGLISH FOR LIFE AND WORK  
90 Lecture Hours  
Prerequisite: Satisfactory completion of ESL 2 or qualification by the MJC assessment process.  
High elementary level English for speakers of other languages. Instruction and practice in listening, speaking, reading, and writing. Preparation for advancement into credit ESL classes. Field trips may be required. (A-F Only) Lecture. Not repeatable.

ESL 4 — ESL: INTERMEDIATE ENGLISH FOR LIFE AND WORK  
90 Lecture Hours  
Prerequisite: Satisfactory completion of ESL 3 or qualification by the MJC assessment process.  
Intermediate level English for speakers of other languages. Instruction and practice in listening, speaking, reading, and writing with a greater emphasis on academic preparation. Field trips may be required. (A-F Only) Lecture.

ESL 5 — ESL: HIGH INTERMEDIATE ENGLISH FOR LIFE AND WORK  
90 Lecture Hours  
Prerequisite: Satisfactory completion of ESL 4 or qualification by the MJC assessment process.  
High intermediate level English for speakers of other languages. Instruction and practice in listening, speaking, reading, and writing with a greater emphasis on academic and workforce preparation. Field trips may be required. (A-F Only) Lecture. Not repeatable.

ESL 6 — ESL: LOW ADVANCED ENGLISH FOR LIFE AND WORK  
90 Lecture Hours  
Prerequisite: Satisfactory completion of ESL 5 or qualification by the MJC assessment process.  
Low advanced level English for speakers of other languages. Instruction and practice in listening, speaking, reading, and writing with a greater emphasis on transition to academic programs, the workplace, and job-training courses. Field trips may be required. (A-F Only) Lecture. Not repeatable.

ESL 10 — ENGLISH LANGUAGE 1  
180 Lecture Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ESL 901 and/or ESL 902, especially if they lack elementary listening comprehension and speaking skills. To be successful in ESL 10, students need to be able to understand, follow, and respond to basic instruction(s) in English.  
Elementary course in speaking, listening, reading, and writing for persons learning English as another language. Field trips may be required. Lecture. (A-F or P/ NP) Not repeatable.

ESL 20 — ENGLISH LANGUAGE 2  
90 Lecture Hours  
Prerequisite: Satisfactory completion of ESL 10 or qualification by the MJC assessment process.  
Continuation of ESL 10. Elementary English grammar component for persons learning English as another language. Emphasis on vocabulary and sentence structure for practical communication in school, community, and work. Field trips may be required. (A-F or P/ NP) Lecture. Not repeatable.

ESL 23 — ENGLISH SPEAKING AND LISTENING 1  
90 Lecture Hours  
Formerly listed as ESL 23 - Spoken English 1  
Recommended for Success: Before enrolling in this course, students are strongly advised to Use English grammar and tenses at the elementary level. Read simplified texts demonstrating knowledge of elementary vocabulary and follow basic oral and written instructions without the need of a translator.  
An introduction to basic pronunciation of vowels and consonants of the English language. Attention paid to rhythm, intonation, and syllable stress, and the aural and vocabulary skills required to function in basic English. Field trips may be required. (A-F or P/ NP) Lecture. Not repeatable.

ESL 24 — ESL COMPOSITION AND READING 1  
90 Lecture Hours  
Prerequisite: Satisfactory completion of ESL 10 or qualification by the MJC assessment process.  
Recommended for Success: Before enrolling in this course, students are strongly advised to be concurrently enrolled in ESL 20.  
Practice in reading and writing for students at the beginning (second-semester) level. Significant homework may be assigned to a lab. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable.

ESL 30 — ENGLISH LANGUAGE 3  
90 Lecture Hours  
Prerequisite: Placement in ESL 30 through MJC assessment process, or satisfactory completion of ESL 20 or equivalent course.  
Continuation of ESL 20. Lower intermediate component for persons learning English as another language. Emphasis on review and expansion of lower intermediate grammatical structures in reading, writing, listening, and speaking. Lecture. Field trips may be required. (A-F or P/ NP) Not repeatable.

ESL 33 — ENGLISH SPEAKING AND LISTENING 2  
90 Lecture Hours  
Prerequisite: Satisfactory completion of ESL 23 or qualification by the MJC assessment process.  

ESL 34 — ESL COMPOSITION AND READING 2  
90 Lecture Hours  
Prerequisite: Satisfactory completion of ESL 20 or qualification by the MJC assessment process and ESL 24 or qualification by the MJC assessment process.  
Recommended for Success: Before enrolling in this course, students are strongly advised to be concurrently enrolled in ESL 30.  
Practice in reading and writing for students at the low-intermediate (third semester) level of ESL courses. Continuation of ESL 24. Significant homework may be assigned to a lab. Field trips may be required. (A-F or P/ NP) Lecture. Not repeatable.
COURSES

ESL 39—VOCABULARY POWER 1  2 UNITS
36 Lecture Hours
Prerequisite: Satisfactory completion of ESL 20 or qualification by the MJC assessment process and ESL 24 or qualification by the MJC assessment process.
Focused study of vocabulary for ESL students enrolled in ESL 30, ESL 34, ESL 40, and/or ESL 44. Practice and expansion of vocabulary at the word, sentence, and context level. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable.

ESL 40—ENGLISH LANGUAGE 4  5 UNITS
90 Lecture Hours
Prerequisite: Placement in ESL 40 through assessment process or satisfactory completion of ESL 30 or equivalent course.
Intermediate course in English for persons learning English as another language. Introduction to more difficult structures in English sentences. Review of elementary English. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable.

ESL 43—ENGLISH SPEAKING AND LISTENING  5 UNITS
90 Lecture Hours
Formerly listed as: ESL 43: Spoken English 2
Prerequisite: Satisfactory completion of ESL 33 or qualification by the MJC assessment process.
Continued development in natural pronunciation of American English with emphasis on advanced rhythm, intonation, and stress. Students become adept at oral presentations and gain proficiency in leading discussions. Aural comprehension emphasizes paraphrasing, note taking, and summaries of college lectures. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable.

ESL 44—ESL COMPOSITION AND READING 3  5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of ESL 30 and ESL 34 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to be concurrently enrolled in ESL 40.
Practice in writing paragraphs and multi-paragraph compositions and reading for students at the intermediate level of ESL with a comprehensive foundation in English grammar and the ability to write well-formed paragraphs in English. Continuation of ESL 34. Significant homework may be assigned to a lab. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable.

ESL 45—ENGLISH LANGUAGE 5  5 UNITS
90 Lecture Hours
Prerequisite: Placement in ESL 45 through assessment process or satisfactory completion of ESL 40 or equivalent course.
Continuation of ESL 40. Higher intermediate components for persons learning English as another language. Review and expansion of higher intermediate grammatical structures in reading, writing, listening, and speaking. Lecture. (A-F or P/NP) Not repeatable.

ESL 46—ESL COMPOSITION AND READING 4  5 UNITS
90 Lecture Hours
Prerequisite: Placement in ESL 40 and ESL 44 or equivalent course.
Practice in writing academic essays and analysis of authentic reading for students at the higher intermediate level of ESL. Significant homework may be assigned to a lab. Not repeatable. Field trips may be required. (A-F or P/NP) Lecture.

ESL 47—ENGLISH LANGUAGE 6  5 UNITS
90 Lecture Hours
Prerequisite: Placement in ESL 47 through assessment process or satisfactory completion of ESL 45 or equivalent course.

ESL 48—ESL COMPOSITION AND READING 5  5 UNITS
90 Lecture Hours
Prerequisite: Placement in ESL 48 through assessment process or satisfactory completion of ESL 46 or equivalent course.
Practice in composition and reading for advanced ESL students who plan to continue in college. Preparation for reading and writing in various academic and vocational disciplines. Emphasis on writing in response to reading. Significant homework may be assigned to a lab. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable.

ESL: NON-CREDIT, NON-DEGREE COURSES FOR CREDIT

ESL 901—ESL: BEGINNING ENGLISH FOR LIFE AND WORK  90 Lecture Hours
Formerly listed as ESL 901 - ESL: Beginning
Beginning English for non-English speakers. Emphasis on beginning spoken English and basic literacy. Unlimited repeats. Field trips may be required. (Non-Graded course) Lecture.

ESL 902—ESL: ELEMENTARY ENGLISH FOR LIFE AND WORK  90 Lecture Hours
Formerly listed as ESL 902 - ESL: Lower Elementary
Elementary English with emphasis on spoken English for practical needs and preparation for transition into academic ESL classes. Unlimited repeats. Field trips may be required. (Non-Graded course) Lecture.
ESL 903—ESL: HIGHER ELEMENTARY ENGLISH FOR LIFE AND WORK
90 Lecture Hours
Formerly listed as ESL 903 - ESL: Higher Elementary
Prerequisite: Satisfactory completion of ESL 902 or qualification by the MJC assessment process.
High elementary level English for speakers of other languages. Instruction and practice in listening, speaking, and reading and writing. Preparation for transition into academic ESL classes. Unlimited repeats. Field trips may be required. (Non-Graded course) Lecture.

ESL 904—ESL: INTERMEDIATE ENGLISH FOR LIFE AND WORK
90 Lecture Hours
Formerly listed as ESL 904 - ESL: Intermediate
Prerequisite: Satisfactory completion of ESL 903 or qualification by the MJC assessment process.
Intermediate level English for speakers of other languages. Instruction and practice in listening, speaking, reading, and writing with a greater emphasis on academic preparation. Unlimited repeats. Field trips may be required. (Non-Graded course) Lecture.

ESL 905—ESL: HIGH INTERMEDIATE ENGLISH FOR LIFE AND WORK
90 Lecture Hours
Formerly listed as ESL 920 - English at Work 1
Prerequisite: Satisfactory completion of ESL 904 or qualification by the MJC assessment process.
High intermediate level English for speakers of other languages. Instruction and practice in listening, speaking, reading, and writing with a greater emphasis on academic and workforce preparation. Unlimited repeats. Field trips may be required. (Non-Graded course) Lecture.

ESL 906—ESL: LOW ADVANCED ENGLISH FOR LIFE AND WORK
90 Lecture Hours
Formerly listed as ESL 921 - English at Work 2
Prerequisite: Satisfactory completion of ESL 905 or qualification by the MJC assessment process.
Low advanced level English for speakers of other languages. Instruction and practice in listening, speaking, reading, and writing with great emphasis on transition to academic programs, the workplace, and job training courses. Unlimited repeats. Field trips may be required. (Non-Graded course) Lecture.

ENGL 48—GRAMMAR REVIEW 1 UNIT
18 Lecture Hours
Students will review the fundamentals of standard English grammar. They will practice recognizing and correcting errors in grammar and usage. Field trips are not required. (A-F or P/NP) Not repeatable.

ENGL 49—BASIC ENGLISH SKILLS 5 UNITS
90 Lecture Hours
Corequisite: Concurrent enrollment in or satisfactory completion of READ 40 or qualification by the MJC assessment process.
Fundamentals of writing. Emphasis on improving writing fluency, developing paragraphs and short essays, and learning to edit for spelling, punctuation and word usage. 6,000 word writing requirement including both in-class and out-of-class essays. Field trips may be required. (P/NP Only) Lecture. Not repeatable. Transfer: (CC ENGL 650)

ENGL 50—BASIC COMPOSITION AND READING 5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of ENGL 49 or qualification by the MJC assessment process.
Basic English skills in writing, reading, and thinking: writing effective sentences, organizing ideas into paragraphs and essays, utilizing fundamentals of English syntax, reading academic texts, and building vocabulary. Emphasis on basic critical thinking and study skills as well. 6,000 word writing requirement including some in-class writing. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CC ENGL 151)

ENGL 101—COMPOSITION AND READING 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete READ 104.
Fundamental skills in reading and writing at the college level. Emphasis on exposition,
argument, research, and information competency. 8,000 word writing requirement; at least 6,000 of which must be in essays that have a developed thesis. 2,000 - 3,000 words of the 8,000 must be research-based writing with MLA formatting and documentation. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: A2) (IGETC: 1A) (C-ID: ENGL 100)

ENGL 108—CREATIVE WRITING: AUTOBIOGRAPHY  
54 Lecture Hours  
Prerequisite: Satisfactory completion of ENGL 101.  
Instruction and practice in the writing of an autobiography. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Graduation: (MJC-Activities) Transfer: (CSU, UC)

ENGL 111—CREATIVE WRITING: CREATIVE NONFICTION  
54 Lecture Hours  
Prerequisite: Satisfactory completion of ENGL 101.  
Instruction and practice in writing Creative Nonfiction, also known as Literary Nonfiction, with an emphasis on the personal essay. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C)

ENGL 112—INTRODUCTION TO THE NOVEL AND SHORT STORY  
54 Lecture Hours  
Prerequisite: Satisfactory completion of ENGL 50.  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.  
Formerly listed as: ENGL 112: Introduction to Novel and Short Story  
This course is an introduction to the novel and short story with emphasis on intelligent reading, analysis, and discussion of a range of fiction representing various types and traditions. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

ENGL 114—INTRODUCTION TO POETRY  
54 Lecture Hours  
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.  
This course covers analysis and discussion of poetry. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

ENGL 116—INTRODUCTION TO DRAMA  
54 Lecture Hours  
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.  
Analysis and discussion of selected plays from classical Greek period to present. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

ENGL 131—INTRODUCTION TO WORLD LITERATURE 1  
54 Lecture Hours  
Formerly listed as: ENGL 131: Introduction to World Literature to 1500  
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101 and satisfactorily complete ENGL 102.  
A comparative study of selected works, in translation and in English, of literature, including works from Asia, the Middle East, Europe, and other areas, from antiquity to the mid-seventeenth century. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B) (C-ID: ENGL 140)
ENGL 132—INTRODUCTION TO WORLD LITERATURE 2 3 UNITS
54 Lecture Hours
Formerly listed as: ENGL 132: Introduction to World Literature (1500 to Present)
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101 and satisfactorily complete ENGL 102.
A comparative study of selected works, in translation and in English, of literature including works from Asia, the Middle East, Europe, and Latin America from the mid-seventeenth century to present. Note: students do not have to have taken ENGL 131 to enroll in ENGL 132. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC ENGL 81) (C-ID: ENGL 145) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

ENGL 135—SURVEY OF AMERICAN LITERATURE TO 1850 3 UNITS
54 Lecture Hours
Formerly listed as: ENGL 135: American Literature to 1850
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101 and satisfactorily complete ENGL 102.
Survey of American literature from its beginning to mid-nineteenth century. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC ENGL 17) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B) (C-ID: ENGL 130)

ENGL 136—SURVEY OF AMERICAN LITERATURE: 1850 TO THE PRESENT 3 UNITS
54 Lecture Hours
Formerly listed as: ENGL 136: American Literature: 1850 to the Present
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101 and satisfactorily complete ENGL 102.
Survey of American literature from mid-nineteenth century to the present. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC ENGL 18) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B) (C-ID: ENGL 135)

ENGL 137—SURVEY OF ENGLISH LITERATURE TO THE LATE 18TH CENTURY 3 UNITS
54 Lecture Hours
Formerly listed as: ENGL 137: Survey of English Lit to 18th Century, ENGL 137: Survey of English Literature to the 18th Century
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101 and satisfactorily complete ENGL 102.
Survey of English literary history from the Anglo-Saxons to the late Eighteenth Century with detailed study of the writings of Chaucer, Marlowe, Spenser, Shakespeare, Milton, and others. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC ENGL 46) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B) (C-ID: ENGL 160)

ENGL 138—SURVEY OF ENGLISH LITERATURE: LATE EIGHTEENTH CENTURY TO PRESENT 3 UNITS
54 Lecture Hours
Formerly listed as: ENGL 138: Survey of English Lit: 18th Century to Present, ENGL 138: Survey of English Literature: 1700 - Present
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101 and satisfactorily complete ENGL 102.
This course examines major works of British Literature from the late eighteenth century to the post-colonial and contemporary time. The study includes multiple genres with texts of literary, historical, and cultural importance and impact. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC ENGL 47) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B) (C-ID: ENGL 165)

ENGL 151—FOLKLORE 3 UNITS
54 Lecture Hours
Formerly listed as: ENGL 151: Introduction to Folklore
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Examine interrelationships of people throughout the world through discussion and analysis of our folk heritage. Folk themes and symbolism in literature also will be discussed. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

ENGL 156—THE BIBLE AS LITERATURE: THE HEBREW CANON AND INTERTESTAMENTAL WRITINGS 3 UNITS
54 Lecture Hours
Formerly listed as ENGL 156 - The Bible As Literature-The Hebrew Canon
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to have eligibility for ENGL 101.
This course consists of literary criticism and an appreciation of historical background and textual transmission of selected books of the Hebrew Bible (Old Testament) and Intertestamental Writings (also known as the Apocrypha) in translation. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

ENGL 157—THE BIBLE AS LITERATURE: THE NEW TESTAMENT 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Formerly listed as: ENGL 157: Bible as Lit-The New Testament.
Analysis of the literature of the earliest Christian movements as it is found in the New Testament. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**ENGL 161—FILM APPRECIATION** 3 UNITS
54 Lecture Hours
An introductory course in film appreciation, emphasizing the development of sensitivity and critical judgment in audience response to film. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU)(UC)(CC ENGL 11) **General Education:** (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

**ENGL 162—HISTORY OF CINEMA** 3 UNITS
54 Lecture Hours
**Prerequisite:** Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Examines the international development of cinema from 1895 to the present. Covers a wide range of both American and foreign films and offers a broad survey of major movements, styles, and genres in the history of motion pictures. Focuses specifically on the social, historical, technical, and technological factors that have shaped the film industry and the films produced by it. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**ENGL 163—INTRODUCTION TO SHAKESPEARE** 3 UNITS
54 Lecture Hours
**Prerequisite:** Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete English 101 and 102.
A reading of six to nine representative comedies, histories, and tragedies designed to introduce the student to Shakespeare's art. Field trips might be required. (A-F or P/NP) (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) (CC ENGL 50) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**ENGL 168—adolescent LITERATURE** 3 UNITS
54 Lecture Hours
**Prerequisite:** Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Introduction to literature for adolescents (ages 10–16). Includes various forms, themes, and issues of adolescent literature drawn from a variety of ethnic and cultural sources, ways to promote interest, and criteria for choosing materials. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**ENGL 169—CHILDREN’S LITERATURE** 3 UNITS
54 Lecture Hours
**Prerequisite:** Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.

**ENGL 171—INTRODUCTION TO AFRICAN-AMERICAN LITERATURE** 3 UNITS
54 Lecture Hours
**Prerequisite:** Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
An introduction to the contributions of African-Americans in American literature from the slave era to the present. Emphasis on a chronological study of major works in the following genres: slave narratives, folk tales, poetry, short story, novel, and drama. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**ENGL 172—INTRO TO CHICANO/A LITERATURE** 3 UNITS
54 Lecture Hours
Formerly listed as ENGL 172 - Intro to Chicano Literature
**Prerequisite:** Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
This course is a survey of Chicano literature in English from its beginnings to its contemporary form. Emphasis on influences that have shaped the literature and critical skills needed to evaluate and appreciate Chicano poetry, theater, fiction, and essay. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**ENGL 173—INTRO TO LATIN AMERICAN LITERATURE** 3 UNITS
54 Lecture Hours
**Prerequisite:** Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Introduction to Latin American literature from its Colonial Period to the present. Emphasis on chronological survey of major works of Latin American writers studied in English translation and selected from the following: indigenous legends, chronicles, epistles, poetry, novel, drama, and short story. Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**ENGL 174—INTRODUCTION TO MODERN ASIAN LITERATURE** 3 UNITS
54 Lecture Hours
**Prerequisite:** Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
An introductory course on Asian literature from the 19th century to the present in its English translation. Emphasis on major works that have made an impact on western literature.
literary tradition and the social, cultural, and historical forces that have shaped these works. (A-F Only) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**ENGL 175—INTRODUCTION TO WOMEN’S LITERATURE**

3 UNITS

54 Lecture Hours

Prerequisite: Satisfactory completion of ENGL 50.

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.

An introduction to literature by and about women, including an historical overview, archetypes, stereotypes, cultural impediments to women’s writing, methods of criticism, and recent literary achievements. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**ENGL 176—INTRODUCTION TO MEXICAN LITERATURE**

3 UNITS

54 Lecture Hours

Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process. Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.

Introduction to Mexican literature from its Colonial Period to the present. Emphasis on chronological survey of major works of Mexican writers studied in English translation and selected from the following: chronicles, epistles, poetry, novels, drama, and short stories. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**ENGL 179—INTRODUCTION TO NATIVE AMERICAN LITERATURE, MYTHOLOGY, AND THE ORAL TRADITION**

3 UNITS

54 Lecture Hours

Formerly listed as: ENGL 179: Intro to Native American Lit

Prerequisite: Satisfactory completion of ENGL 50 or qualification by the MJC assessment process.

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.

Study of traditional and contemporary Native American literature, oral traditions, and myths from a variety of nations, including some local Native American peoples. Relationship of contemporary writing to earlier cultural heritage. Place of Native American literature in the American literary tradition and canon. Close reading of contemporary autobiography, novels, short fiction and non-fiction, and poetry. Field trips might be required. (A-F Only) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

**EHS 50—BEGINNING ORNAMENTAL GARDENING**

2 UNITS

36 Lecture Hours

Formerly listed as OH 50

Preparation for the fundamentals of indoor and outdoor gardening, planting for patios and balconies, gardening in containers and simple landscaping. Designed for anyone interested in gardening, regardless of prior experience or size of garden. A series of 30 television programs supported by coordinating textual material and by additional printed materials that are optional. Field trips may be required. Lecture. Not repeatable.

**EHS 51—ENVIRONMENTAL HORTICULTURE PREPARATION**

3 UNITS

36 Lecture Hours, 54 Lab Hours

Formerly listed as OH 51

A preparatory course in environmental horticulture, emphasis on nursery operation including structures and layout, seeding, transplanting, plotting, balling, canning, fertilizing, pest control, plant diseases and abnormalities. Preparation and use of propagating and planting mediums. Use and maintenance of common tools and equipment. Saturday field laboratory may be required. Field trips required. Lecture/Laboratory. Not repeatable.

**EHS 56—PREPARATORY PARK AND LANDSCAPE MAINTENANCE**

3 UNITS

36 Lecture Hours, 54 Lab Hours

Preparation for training in installation of plant materials and materials of parks and other planted areas and in skills required for students to qualify as technicians. Special interest directed to provide specific skills in such areas as forestry, highway maintenance, city, state and federal parks. (A-F or P/NP) Field trips required. Lecture/Laboratory. Not repeatable.

**EHS 58—PREPARATORY FLORAL DESIGN**

3 UNITS

36 Lecture Hours, 54 Lab Hours

Formerly listed as OH 58

A preparatory course in commercial floristry teaching basic theory, techniques, and skills currently practiced in the floral design industry. Construction of basic floral products for resale; cut flower processing and industry sales practices. Field trips required. Lecture/Laboratory. Materials fee required. Not repeatable.

**EHS 100—ENVIRONMENTAL GARDENING**

3 UNITS

36 Lecture Hours, 54 Lab Hours

Formerly listed as OH 100

Plants used in the landscape; basic landscape design principles and plant propagation techniques. Emphasis on the place of horticultural crops in the economy and the role of plants in the environment. Discussion will center on the physiology of plants and their use and care. Emphasis will be on the practical application of horticultural principles. Field trips required. Lecture/Laboratory. (A-F Only) Not repeatable. **Transfer:** (CSU, UC)

**EHS 201—PLANT IDENTIFICATION & USAGE 1**

3 UNITS

36 Lecture Hours, 54 Lab Hours

Recommended for Success: Satisfactory completion of EHS 210 and/or PLSC 200.

Formerly listed as EHS 201 - Plant Materials and Usage 1.

Identification, growth habits, culture and ornamental use of landscape and indoor plants adapted to climates of California. Plants emphasized will come from the current

---

Environmental Horticulture Sciences Courses (EHS)

In this program the student will develop skills in plant recognition and use, nursery practices, and landscape design sufficient to enter the landscape or nursery business or to **Transfer** to a university. Contact the division office in the Agriculture Building for advising assistance.
California Association of Nurserymen & Garden Centers (CANGC) and California Landscape Contractors Association (CLCA) Certification Tests Plant Lists. Covers those plants best observed and studied in the spring of the year. Field trips required. Will require Saturday labs. Lecture/Laboratory. (A-F Only) Not repeatable. Transfer: (CSU, UC)

**EHS 202 PLANT IDENTIFICATION & USAGE 2** 3 UNITS
36 Lecture Hours, 54 Lab Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete EHS 210 and/or satisfactorily complete PLSC 200.

Identification, growth habits, culture, and ornamental use of landscape and indoor plants adapted to climates of California. Plants emphasized will come from the current California Association of Nurserymen & Garden Centers (CANGC) and California Landscape Contractors Association (CLCA) Certification Tests Plant Lists. Covers those plants best observed and studied in the fall of the year. Will require Saturday labs. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

**EHS 210—INTRO TO ENVIRONMENTAL HORTICULTURE SCIENCE** 3 UNITS
36 Lecture Hours, 54 Lab Hours

A general course in environmental horticulture with emphasis on nursery operations, landscaping, turf management, and floral industries. Topics include basic botany, cultural practices, propagation, structures and layout, pest management, planting, container gardening and house plants, floral design, plant identification, turfgrass installation and care, and survey of career opportunities. Saturday labs required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

**EHS 215—LANDSCAPE DESIGN** 3 UNITS
36 Lecture Hours, 54 Lab Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to have successfully completed EHS 201 and EHS 202.

The study and implementation of the art and science of landscape design, including principles of design, the design process, drafting, graphics, and presentation methods. Project emphasis is placed upon residential and small commercial sites. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

**EHS 220—TURFGRASS MANAGEMENT** 3 UNITS
36 Lecture Hours, 54 Lab Hours

Maintenance and management of turfgrasses that include sports athletic fields, golf courses, parks, cemeteries, commercial, and residential lawns. Discussion will focus on identification, installation, cultural requirements and maintenance practices. Field trips are required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

**EHS 235—PLANT PROPAGATION/PRODUCTION** 3 UNITS
36 Lecture Hours, 54 Lab Hours

Also offered as: PLSC 235

Formerly listed as: EHS - 235: Plant Propagation/ Production Planting & Varieties

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete EHS 210 or satisfactorily complete PLSC 200.

Plant propagation and production practices with emphasis on nursery operations including sexual and asexual reproduction, planting, transplanting, fertilizing, plant pest and disease control, structures and site layout. Preparation and use of propagating and planting mediums. Use and maintenance of common tools and equipment. Regulations pertaining to plant production. Students will need pruning shears, a grafting knife and a budding knife. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

**EHS 276—LANDSCAPE MAINTENANCE** 3 UNITS
36 Lecture Hours, 54 Lab Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete EHS 210.

Formerly listed as OH 276 - Park and Landscape Maintenance.

Enhancing the function and aesthetic value of public and private landscapes by applying appropriate maintenance techniques. Topics include planting, pruning, watering, soil fertility, pest management, weed control, and landscape maintenance business practices. Field trips required. Lecture/Laboratory. (A-F Only) Not repeatable. Transfer: (CSU)

**EHS 278—LANDSCAPE CONSTRUCTION AND INSTALLATION** 3 UNITS
36 Lecture Hours, 54 Lab Hours

Recommended for Success: Satisfactory completion of EHS 210.

Formerly listed as OH 278 - Landscape Engineering.

Fundamentals of landscape construction, including soil preparation, paving and construction materials, hand and power tool use, turf and plant installation, plan reading, estimating and bidding preparation; also covers local codes and state requirements and prepares students to pass the C-27 Landscaping Contractor's License exam. Field trips required. Lecture/Laboratory. (A-F Only) Not repeatable. Transfer: (CSU)

**EHS 280—BEGINNING FLORAL DESIGN** 3 UNITS
36 Lecture Hours, 54 Lab Hours

American Geometric Line design is primary focus. Materials fee required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

**EHS 281—ADVANCED FLORAL DESIGN** 3 UNITS
36 Lecture Hours, 54 Lab Hours

Prerequisite: Satisfactory completion of EHS 280

Advanced floral design theory, techniques and skills in the floral industry, including wedding, sympathy, party, holiday, high style and advanced floral designs. Techniques include working with the customer, consultations, pricing and use of computers and other business machines. Construction and serviced of weddings, funerals, party and holiday floral displays. Field trips required. Lecture/Laboratory. Materials fee required. (A-F Only) Not repeatable. Transfer: (CSU)

**EHS 291—EHS TEACHING STRATEGIES** 3 UNITS
36 Lecture Hours, 54 Lab Hours

Application of environmental horticulture science teaching strategies. Construction of an action plan incorporating environmental horticulture science curriculum in an applied setting, such as a school garden, Exploration of science curriculum standards as they relate to teaching strategies applied in the classroom. Field trips required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)
EHS 390—NURSERY INDUSTRY SKILLS
18 Lecture Hours
Formerly listed as OH 390
A repeatable short course in Ornamental Horticulture that covers all skill aspects of the wholesale and retail nursery business. Also included are excerpts from plant identification, turfs, and landscape design. Field trips may be required. Lecture. (A-F Only) Not repeatable.

Environmental Sciences Courses (ENSCI)

ENSCI 108—ENVIRONMENTAL CONSERVATION
3 UNITS
54 Lecture Hours
Study of the world’s environment to sustain the highest quality of life. Includes study of ecology, populations, environmental pollution, conservation of natural resources including: energy, water, soils, forests, rangelands, and wildlife. Field trips may be required. (A-F or P/NI) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B2) (IGETC: 5B)

ENSCI 110—CALIFORNIA WATER
3 UNITS
36 Lecture Hours, 54 Lab Hours
An interdisciplinary examination of California’s water use and management with an historical emphasis on the politics and conflict arising from water scarcity. Field trips may be required. (A-F or P/NI) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D7) (IGETC: 4G)

Family Life Courses (FAMLF)

FAMLF 131—FAMILY RELATIONSHIPS
3 UNITS
54 Lecture Hours
This is an introductory course to marriage and family, including psychological, physiological, and social aspects of close personal relationships. The topics include dating, courtship, marriage, family life, dual career marriages, single parenting, and other contemporary issues Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B, E) (CSU-GE: D7, E) (IGETC: 4G)

FAMLF 390—THE PROCESS OF PARENTING
1 UNIT
18 Lecture Hours
Discussion of child growth and development related to parenting. Background for understanding parent-child relationships. Emphasis on cooperation through effective and mutually respectful communication techniques. Lecture. (A-F or P/NI) Not repeatable.

FAMILY LIFE NON-CREDIT COURSES: (FAMLF)

FAMLF 800—PARENT EDUCATION
9 Lecture Hours
Exploration of current issues in parenting. Influences of the family and school on the growth and development of the child. Emphasis on positive and nurturing guidance techniques. Repeatable. Field trips might be required. (P/NI Only)

Fire Sciences Courses (FSCI)

The Fire Science curriculum prepares the student for a career in fire service. Students will learn about the organization and operations of fire service, proper use of fire equipment, tactics and strategies of firefighting, specialized job skills, and management techniques. Fire Science courses dropped or inactivated Fall 1987 to Fall 1988 are valid for students completing those courses prior to deletion from the catalog. For more information, contact the Regional Fire Training Center at 548-5706.

FSCI 301—FIRE PROTECTION ORGANIZATION
3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have ENGL 50 eligibility.
Introduction to the fire service and fire protection; career opportunities in fire protection and related fields; history of fire protection; fire loss analysis; public and private fire protection services; specific fire protection functions. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CC FIRE 1)

FSCI 302—FIRE PREVENTION TECHNOLOGY
3 UNITS
54 Lecture Hours
A basic overview of the role of fire prevention in modern fire service. Identifies the relationship of fire prevention, fire safety education, fire detection, and suppression systems. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CC FIRE 2)

FSCI 303—FIRE PROTECTION EQUIPMENT & SYSTEMS
3 UNITS
54 Lecture Hours
Formerly listed as: FSCI 303: Fire Protection Equip & Systems
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete FSCI 301.
Portable fire extinguishing equipment; sprinkler systems; protection systems for special hazards; fire alarm and detection systems. Field trips are required. (A-F Only) Lecture. Not repeatable. Transfer: (CC FIRE 3)

FSCI 304—BUILDING CONSTRUCTION FOR FIRE PROTECTION
3 UNITS
54.00 Lecture Hours
Formerly listed as: FSCI 304: Bldg Construction for Fire Protection
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete FSCI 301.
Fundamentals of building construction as it relates to fire protection. Introduction to building materials and processes that are involved in the construction of structures. Provides students with the knowledge required to operate safely and effectively within residential or commercial buildings. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CC FIRE 4)

FSCI 305—FIRE BEHAVIOR AND COMBUSTION 3 UNITS
54 Lecture Hours
Theory and fundamentals of how and why fires start, spread, and are controlled; an in-depth study of fire chemistry and physics, fire characteristics of materials, extinguishing agents, and fire control techniques. Lecture. (A-F Only) Not repeatable. Transfer: (CC FIRE 5)

FSCI 306—PRINCIPLES OF FIRE AND EMERGENCY SERVICES SAFETY 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Introduction to the basic principles and history related to the national firefighter life safety initiatives, focusing on the need for cultural and behavior changes throughout the emergency services. Field trips may be required. (A-F Only) Lecture. Not repeatable.

FSCI 309 FIRE MANAGEMENT 2E 2.5 UNITS
45 Lecture Hours
Limitations on Enrollment: Enrollment limited to students who can provide a State Fire Training Certificate for Fire Management 1A.
Ethical leadership is an essential core value for all leaders in the fire service. This course provides chief officers or chief officer candidates with knowledge to correlate personal core values and characteristics to ethical decisions and behaviors. Course examines exploration of ethical and principle-centered leadership. Course instructor will require students to provide a State Fire Training Fire Management 1A certificate. Materials Fee Required. Field trips may be required. (A-F Only) Lecture. Not repeatable.

FSCI 311—RESCUE SYSTEMS 1 2 UNITS
36 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have received California State Fire Training’s Firefighter One Certification or have satisfactorily completed FSCI 363.
Topics include: Team organization, rescue, and environmental considerations, use of ropes, knots rigging and pulley systems, descending, rappelling, and belaying tools and techniques, subsurface rescue techniques, use of cribbing, wedges, cutting/prying and hydraulic tools, use of fire service ladders in specialized rescue situations, and day and night simulated rescue exercises. Materials fee required. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable.

FSCI 312—FIRE INVESTIGATION 2A 2 UNITS
36 Lecture Hours
Limitations on Enrollment: Enrollment limited to students who provide verification of completion of Fire Investigation 1B.
Provides information on conducting an explosive investigation and surveillance operation, preparing a search warrant, testifying as an expert witness, assembling a curriculum vitae, and properly documenting a criminally caused fire. Materials Fee Required. Field trips may be required. (A-F Only) Lecture. Not repeatable.

FSCI 322—FIRE SERVICE CAREER DEVELOPMENT/PROMOTIONS 3 UNITS
45 Lecture Hours, 27 Lab Hours
Prerequisite: Satisfactory completion of FSCI 301.
Introduction to Fire Service Career Development. This course of instruction is designed to assist fire science students to prepare for entry level and interdepartmental Fire Service examinations. To be considered as an eligible candidate, students must have a working knowledge of fire service testing standards and terminology. Students will collect information for the application processes, resume writing, entry level written tests, mechanical aptitude and oral interviews. Students are also instructed on aspects of pre-employment medical and psychological tests and background checks. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.

FSCI 323—FIRE HYDRAULICS 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete FSCI 301.
Review of applied mathematics; hydraulics laws as applied to the fire service; application of formulas and mental calculations to hydraulics and water supply problems. Field trips might be required. (A-F Only) Lecture. Not repeatable.

FSCI 327—FIRE APPARATUS AND EQUIPMENT 3 UNITS
54 Lecture Hours
Limitations on Enrollment: Enrollment limited to students who can provide State Fire Training Certificate for Firefighter 1.
Fire apparatus design, specifications, and performance capabilities; effective utilization of apparatus in fire service emergencies. Field trips might be required. (A-F Only) Lecture. Not repeatable.

FSCI 328—INVESTIGATION OF FIRES 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete FSCI 301.
Determining cause of fires (accidental, suspicious and incendiary); types of fires; related laws; introduction to arson and incendiarism; recognizing and preserving evidence; interviewing witnesses and suspects; arrest and detention procedures; court procedures and giving court testimony. Field trips might be required. (A-F Only) Lecture. Not repeatable.

FSCI 332—FIRE SCIENCE TACTICS & STRATEGY 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of FSCI 301.
Principles of fire control through the utilization of manpower, equipment and extinguishing agents on the fireground. Field trips might be required. (A-F Only) Lecture. Not repeatable.
FSCI 336—RESCUE PRACTICES 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete FSCI 301.
Rescue problems and techniques; emergency rescue equipment; toxic gases; chemicals and diseases; radiation hazards; care of victims, including respiration and resuscitation, extrication, and other emergency conditions. Field trips might be required. (A-F Only) Lecture. Not repeatable.

FSCI 337—WILDLAND FIRE CONTROL 3 UNITS
54 Lecture Hours
Limitations on Enrollment: Enrollment limited to students who can provide State Fire Training Certificate for Firefighter 1.
Introduction to factors affecting wildland fire prevention, fire behavior, and control techniques. Field trips might be required. Lecture. Not repeatable. Transfer: (CC FIRE 7) (A-F Only)

FSCI 341—FIRE COMMAND 1C: I-ZONE FIREFIGHTING 2 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete FSCI 350 and satisfactorily complete FSCI 351.

FSCI 347—FIRE PREVENTION 1C 2.5 UNITS
45 Lecture Hours
Limitations on Enrollment: Enrollment limited to students who can provide State Fire Training Certificate for Fire Prevention 1A and Fire Prevention 1B.
Provides fire service personnel with the third phase of State Certified Fire Prevention instruction. Includes instruction on flammable and combustible liquid hazards, storage and extinguishment. Materials fee required. Field trips might be required. Lecture. (A-F Only) Not repeatable.

FSCI 350—FIRE COMMAND 1A 2 UNITS
34 Lecture Hours, 6 Lab Hours
Prerequisite: Satisfactory completion of FSCI 301 with a minimum grade of C or better.
Fundamental skills for the First-in Incident Commander and company officers. Instruction and simulation time pertaining to the initial decision and action processes at a working fire. Topics include the fire officer, fire behavior, fireground resources, operations, and management. Materials Fee Required. (A-F Only) Lecture/Lab. Not repeatable.

FSCI 351—FIRE COMMAND 1B 2 UNITS
34 Lecture Hours, 6 Lab Hours
Prerequisite: Satisfactory completion of FSCI 301 and FSCI 330.
Prepares fire officers for command of various emergency incidents. Emphasizes development of management and decision making practices required for success. Topics include use of the Incident Command System to manage major disasters, wildland fires, multi-casualty and hazardous materials incidents. Materials Fee Required. Field trips may be required. Lecture/Lab. (A-F Only) Not repeatable.

FSCI 352—TRAINING INSTRUCTOR 1A 2.5 UNITS
45 Lecture Hours
Formerly listed as: FSCI 352: Fire Instructor 1A
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete FSCI 301 and/or Possess a California Firefighter I certificate.
The first of a three course series to prepare in-service firefighters to become a company officer and/or California State Fire Training Level 1 Instructor. Training instructor courses must be taken in order 1A, 1B then 1C. Topics include methods and techniques for cognitive training in accordance with current concepts in vocational education. Emphasis on selecting, adapting, organizing, and using instructional materials appropriate for teaching cognitive lessons. Personnel enrolled will be responsible to learn principles of learning, levels of instruction, methods of selecting, adapting, organizing and evaluating instructional efficiency. All students will complete all assignments and deliver two student lead cognitive teaching demonstrations, and must pass a state certified written test. Materials fee required. Field trips are not required. (A-F Only) Lecture. Not repeatable.

FSCI 353—TRAINING INSTRUCTOR 1B 2.5 UNITS
45 Lecture Hours
Formerly listed as: FSCI 353: Fire Instructor 1B
Limitations on Enrollment: Enrollment limited to students who can provide a State Fire Training Certificate for Training Instructor 1A.
This is the second class of a three course series to prepare in-service firefighters to become a company officer and/or California State Fire Training Level 1 Instructor. Training instructor courses must be taken in order 1A, 1B then 1C. Topics include methods and techniques for psychomotor training in accordance with current concepts in vocational education. Emphasis on selecting, adapting, organizing, evaluating instruction appropriate for teaching psychomotor lessons. Personnel enrolled will be responsible to learn methods of employing the four-step-method of instruction for psychomotor training. All students will complete all assignments and deliver two student psychomotor teaching demonstrations, and pass a state certified written test. Enrolled students must present course instructor with a Training Instructor 1A state certification the first day of class. Materials Fee Required. (A-F Only) Lecture. Not repeatable.

FSCI 354—FIRE PREVENTION 1A 2.5 UNITS
45 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have completed their firefighter probation or have supervisor’s approval for enrollment if still on probation.
Designed to provide prospective or active Fire Company Officer and Fire Prevention personnel with basic fire prevention information. Structured to prepare the student for responding to a variety of fire prevention situations in a professional and effective manner. Materials fee required. Field trips might be required. (A-F Only) Lecture. Not repeatable.

FSCI 355—FIRE PREVENTION 1B 2.5 UNITS
45 Lecture Hours
Limitations on Enrollment: Enrollment limited to students who can provide a State Fire Training Certificate for Fire Prevention 1A.
Designed to provide fire service personnel with the second phase of state certified fire prevention instruction. Includes instruction on private water systems, fixed fire extinguishing, detection and alarm systems. Materials fee required. Field trips are required. (A-F Only) Lecture. Not repeatable.
FSCI 356—FIRE MANAGEMENT 1
45 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete FSCI 301.

Designed to provide the fire service student with instruction in the elements of organizational process, demonstration of growth and development in the use of managerial skills, applications of the course content to fire service work and personal life, location and use of managerial resources, and development of an action plan. Materials fee required. Field trips might be required. (A-F Only) Lecture. Not repeatable.

FSCI 357—FIRE INVESTIGATION 1
45 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete FSCI 301.

Examines the national arson problem, fire investigation responsibilities, conduct of the investigator; fire chemistry, heat energy sources and explosive conditions; fire investigation techniques and legal aspects of fire investigation. Materials fee required. Field trips are required. (A-F Only) Lecture. Not repeatable.

FSCI 362—BASIC FIRE ACADEMY
108 Lecture Hours, 108 Lab Hours
Prerequisite: Satisfactory completion of FSCI 301 and EMS 350.

Limitations on Enrollment: Enrollment limited to students who are accepted into the Fire Academy program by Fire Academy Selection Committee and who possess CPAT certification, per NFPA 1582 regulation.

Basic knowledge and skills of a fire fighter as set by the State Fire Marshal. Successful completion of the course fulfills the educational requirement for Fire Fighter I. Materials fee required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (MJC FSCI 362+363=CC FIRE 7, FIRE 50, FIRE 101, FIRE 106, FIRE 108, FIRE 110)

FSCI 363—ADVANCED FIRE ACADEMY
9 UNITS
81 Lecture Hours, 243 Lab Hours
Prerequisite: Satisfactory completion of FSCI 362.

Basic Fire Academy is the second of two courses of the Fire Academy designed for the individual who desires a career as a professional firefighter. This course includes instruction in ventilation, vehicle extrication, ICS 200, 67-hr. Wildland Firefighting, Confined Space Awareness, Low-Angle Rope Rescue Operations, Hazmat Operations/Decon, Fire Fighter Survival. Materials fee required. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (MJC FSCI 362+363=CC FIRE 7, FIRE 50, FIRE 101, FIRE 106, FIRE 108, FIRE 110)

FSCI 364—FIRE APPARATUS DRIVER/OPERATOR 1A
2 UNITS
27 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete FSCI 362.

Limitations on Enrollment: Enrollment limited to students who possess a valid California Driver's License, class B, firefighter restricted (minimum).

Continued development of a fire fighter's career. Operation of emergency vehicle and pump operations. How to drive and maintain various types of vehicles. Pump operation and uses for water sources and determining water flow. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CC FIRE 29A + 29B)

FSCI 366—FIRE APPARATUS DRIVER/OPERATOR 1B
2 UNITS
34 Lecture Hours, 6 Lab Hours
Limitations on Enrollment: Enrollment limited to students who possess a valid California Driver's License, class B, firefighter restricted (minimum).

Pump construction and theory of pump operations. Topics include: methods for performing basic hydraulics and techniques on basic inspections, documentation, maintenance, and troubleshooting fire pumps. Each student also has the opportunity to increase his or her pumping skills during simulated pumping conditions. Materials Fee Required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable.

FSCI 367—FIRE INVESTIGATION 1B
45 Lecture Hours
Limitations on Enrollment: Enrollment limited to students who can provide a State Fire Training Certificate for Fire Investigation 1A.

This course provides a deeper understanding of fire investigation and builds on Fire Investigation 1A. Topics include: The juvenile fire setter, report writing, evidence preservation and collection, interview techniques, motives, and fire fatalities. Materials fee required. Field trips might be required. (A-F Only) Lecture. Not repeatable.

FSCI 369—TRAINING INSTRUCTOR 1C
2.5 UNITS
36 Lecture Hours, 27 Lab Hours
Limitations on Enrollment: Enrollment limited to students who can provide a State Fire Training Certificate for Training Instructor 1A and a State Fire Training Certificate for Training Instructor 1B.

This is the third of a three-course series to prepare in-service firefighters to become a California State Fire Training Level 1 instructor. Topics include methods and techniques for developing and delivering cognitive and psychomotor lesson plans. Emphasis on developing lesson plans, ancillary components, and testing tools for cognitive and psychomotor lessons. Personnel enrolled will be responsible to learn methods for developing and delivering cognitive and psychomotor lessons. All students will develop and deliver two student lead teaching demonstrations and pass a state certification test. Enrolled students must present course instructor with a Training Instructor 1A and 1B certificate on the first day of class. Materials fee required. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable.

FSCI 371—FIRE COMMAND 2A
2.5 UNITS
45 Lecture Hours
Limitations on Enrollment: Enrollment limited to students who can provide a State Fire Training Certificate for Fire Command 1A and I-300.

Prepares Fire Officers to use management techniques and Incident Command System when commanding multiple alarms or large combat forces. Materials fee required. Field trips might be required. (A-F Only) Lecture. Not repeatable.

FSCI 372—FIRE MANAGEMENT 2B
2.5 UNITS
45 Lecture Hours
Formerly listed as: FSCI 372B: Fire Management 2B

Limitations on Enrollment: Enrollment limited to students who can provide State Fire Training Certificate for Fire Management 1.

Covers the purpose of budgeting, budget controls, types of budgets and budget systems and justifying budgets. Materials fee required. Field trips might be required. (A-F Only) Lecture. Not repeatable.
COURSES

FSCI 373—FIRE INSTRUCTOR 2A  2.5 UNITS
45 Lecture Hours

Limitations on Enrollment: Enrollment limited to students who can provide State Fire Training Certificate for Training Instructor 1A, Training Instructor 1B, and Training Instructor 1C.

The first of three State Fire Training courses for Fire Instructor II certification. Advanced skill development for instructors who are responsible for evaluating performance. Course work provides the student with the techniques of evaluation. Course content includes construction of written and performance tests. Students will apply concepts of test planning, test analysis, test security, and test evaluation to determine instructor and student effectiveness. This is an essential course for writing valid and objective Fire Service tests. Materials fee required. Field trips are not required. (A-F Only) Lecture. Not repeatable.

FSCI 374—FIRE INSTRUCTOR 2B  2.5 UNITS
45 Lecture Hours

Limitations on Enrollment: Enrollment limited to students who can provide State Fire Training Certificates for Fire Instructor 1A and 1B, or Training Instructor 1A, 1B, and 1C.

Second of three courses for California State Fire Training, Fire Instructor II certification. Students receive advanced leadership and development skills for planning staff level training and group meetings. Course work includes information on group dynamics, problem-solving techniques, interpersonal relations, staff meetings, brainstorming sessions, panel discussions, conferences and forums. Materials fee required. Field trips are not required. (A-F Only) Lecture. Not repeatable.

FSCI 375—FIRE INSTRUCTOR 2C  2 UNITS
30 Lecture Hours, 10 Lab Hours
Prerequisite: Satisfactory completion of FSCI 352 and FSCI 353.

Principles of media in the instructional process; selection of audio-visual and instructional media; employment of basic and advanced forms of instructional media; use of computers in the instructional process; individualized instruction programs. Materials Fee Required. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.

FTECH 301XABC—INCIDENT COMMAND SYSTEMS   0.5 - 3 UNITS
X=9 Lecture Hours, A=18 Lecture Hours, B=36 Lecture Hours, C=54 Lecture Hours

Limitations on Enrollment: Enrollment limited to students who are certified firefighters.

Provides description and detail of the Incident Command System (ICS) organization and operations in supervisory roles on all types of emergency incidents. Materials fee required. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable.

FTECH 310XABC—RESCUE SYSTEMS AND OPERATIONS   0.5 - 3 UNITS
X=9 Lecture Hours A=18 Lecture Hours, B=36 Lecture Hours, C=54 Lecture Hours

Limitations on Enrollment: Enrollment limited to students who are able to provide Low Angle Rescue (LAR) course certification.

Principles and practices of basic fire service; how to safely and effectively participate in rescue operations. Materials fee required. (A-F or P/NP) Lecture. Not repeatable.

Food and Nutrition Courses (FDNTR)

FDNTR 219—INTRODUCTION TO NUTRITION SCIENCE   3 UNITS
54 Lecture Hours

Formerly listed as: FDNTR - 219: Nutrition
Recommended for Success: Before enrolling in this course, students are strongly advised to have successfully completed a laboratory chemistry course in high school or college or be concurrently enrolled in a laboratory chemistry course in college.

Scientific concepts of nutrition related to the function of nutrients in basic life processes; relationship of nutrition to optimum health, dietary changes, and disease. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC BIOL 50) General Education: (MJC-GE: E) (CSU-GE: E)

French Courses (FREN)

FREN 51—INTRODUCTORY FRENCH 1  3 UNITS
54 Lecture Hours

Formerly listed as: FREN 51: Introduction to Practical French 1
Slow-paced, non-transferable course designed for people who have never studied French and/or another foreign language. Introduction to elementary French grammar and pronunciation. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. General Education: (MJC-GE: C)

FREN 52—INTRODUCTORY FRENCH 2  3 UNITS
54 Lecture Hours

Formerly listed as: FREN 52: Introduction to Practical French 2
Prerequisite: Satisfactory completion of FREN 51.
Continuation of FREN 51 Slow-paced, non-transferable course designed for people who wish to continue from French 51. Basic French grammar and pronunciation. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. General Education: (MJC-GE: C)
**GEOG 101—PHYSICAL GEOGRAPHY** 3 UNITS

54 Lecture Hours

Spatial study of the Earth’s dynamic physical systems and processes. Examination of Earth-sun relationships including weather, climate, vegetation, soils, landforms, and tectonics. Emphasis upon interrelationships between humans and the environment, resulting patterns and distributions. Field trips may be required. Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A)

**GEOG 102—CULTURAL GEOGRAPHY** 3 UNITS

54 Lecture Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.

Introduction to origins and global distribution of cultures. Examines cultural adaptations to the earth, human modifications of the landscape, and patterns of human organization as exemplified in population, agriculture, language, religion, political organization, popular culture, and economic development. Issues addressed include famine, political conflict, multiculturalism, suburban sprawl, industrial relocation and third world development. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) (C-ID: GEOG 120) (CC GEOGR 12) **General Education:** (MJC-GE: B) (CSU-GE: D5) (IGETC: 4E)

**GEOG 104—CALIFORNIA GEOGRAPHY** 3 UNITS

54 Lecture Hours

Formerly listed as: GEOG 104: Ca Geography

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.

Introduction to California’s unique geography; examining political, economic, cultural, physical, and historical processes and characteristics. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) (C-ID: GEOG 140) **General Education:** (MJC-GE: B) (CSU-GE: D5) (IGETC: 4E)

**GEOG 105—ECONOMIC GEOGRAPHY** 3 UNITS

54 Lecture Hours

Global distribution of economic activities. Role of raw materials, labor, transport, and market location upon Industrial activity. Discussion of economic development, globalization of manufacturing, de-industrialization, and corporate behavior. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: B) (CSU-GE: D2, D5) (IGETC: 4B, 4E)

**GEOG 109—INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS** 3 UNITS

36 Lecture Hours, 54 Lab Hours

Also offered as: ENSCI 109: Introduction to Geographic Information Systems

Formerly listed as: GEOG 109: Introduction to Geographic Information

Introduction to Geographic Information Systems (GIS). GIS centers upon mapping as a tool for identifying and assessing the locations of human activity. Applications to business, economics, weather, geology, real estate, agriculture, etc. Students will create and evaluate databases which generate maps using ArcView. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. **Transfer:** (CSU, UC) (CC GEOGR 60) (C-ID: GEOG 155)

**GEOG 110—WORLD REGIONAL GEOGRAPHY** 3 UNITS

54 Lecture Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to complete English 101.

Survey of the world’s major geographical regions and their physical, economic, political, and cultural characteristics. Emphasis is placed upon historical influences which explain current problems and conditions. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) (C-ID: GEOG 125) **General Education:** (MJC-GE: B) (CSU-GE: D5) (IGETC: 4E)

COURSES

GERM 101—GERMAN 1  5 UNITS
90 Lecture Hours
Essentials of written and spoken German, simple composition, conversation, and reading. Equivalent to satisfactory completion of two years of high school German. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A)

GERM 102—GERMAN 2  5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of GERM 101.
Continuation of German 101. Review and expansion of tenses, vocabulary and commonly used expressions. Equivalent to the satisfactory completion of three years of high school German. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A)

GERON 101—AGING IN AMERICA  3 UNITS
54 Lecture Hours
Analysis of the aging process from a multidisciplinary approach, including sociology, psychology, and physiology. Students will have an opportunity to explore their beliefs, feelings, and values regarding the aged population. Field trips might be required. (AF or P/NP) Lecture. Not repeatable. Transfer: (CSU)

GUIDE 109—INTERNATIONAL STUDENT/NEW AMERICAN FOCUS  1 UNIT
18 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ESL 40 and satisfactorily complete ESL 44. Education and career planning for students whose previous education has been outside the United States. Acquaints students with the college, its curriculum, facilities, services, academic regulations, programs, degree and Transfer requirements. Reviews extra curricular activities, personal adjustment, American customs, culture shock, and survival techniques. Students must complete a conference with a counselor during the semester. A comprehensive educational plan is developed. Field trips are not required. Lecture. (MJC Guidance) (P/NP Only) Not repeatable. Transfer: (CSU)
GUIDE 110—INTRODUCTION TO COLLEGE 0.5 UNITS
9 Lecture Hours
Formerly listed as: GUIDE - 110: Educational Planning
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 49 or satisfactorily complete READ 40 or qualification by the MJC assessment process.
Acquaints MJC students with the college, its curriculum, facilities, services, academic regulations, vocational and certificate programs, degree and Transfer requirements. Students may complete a conference with a counselor individually, in a group, or online to develop an educational plan according to each student's needs and goals. Recommended for students who already have an educational goal and a tentative major selected. Field trips are not required. Lecture. (MJC Guidance) Not repeatable. Transfer: (CSU) (CC GUIDE 107)

GUIDE 111—CAREER EXPLORATION 1 UNIT
18 Lecture Hours
Formerly listed as: GUIDE - 111: Career Awareness
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 49 or satisfactorily complete READ 40 or qualification by the MJC assessment process.
Assists students in exploring career alternatives through development of skills necessary for the research, selection and planning of a life-long career. The role of attitudes, interests, values and skills will be addressed. Interests, temperament/personality and values tests may be used. Important aspects of occupational choice will be covered along with occupational information. An educational plan will be developed. Students must complete a conference with a counselor during the semester. Materials fee required. Field trips are not required. (P/NP Only) Lecture. Not repeatable. Transfer: (CSU) (MJC Guidance) (CC GUIDE 11)

GUIDE 112—JOB HUNTING SKILLS 0.5 UNITS
9 Lecture Hours
Formerly listed as: GUIDE 112 - Job Employment Skills
Realities of the job market and techniques for conducting a successful job search. Emphasis on learning about job application procedures, resume writing and interviewing skills. Students must complete an appointment with a counselor during the semester. (P/NP Only) Lecture. (MJC Guidance) Not repeatable. Transfer: (CSU) (CC GUIDE /BUSAD 25)

GUIDE 116—ORIENTATION FOR RE-ENTRY ADULTS 2 UNITS
36 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to speak, write, and understand the English language.
Designed to help new or returning adult students be successful in college after having been out of school for a number of years. Acquaints students with college services, programs, and requirements, and numerous topics related to academic and career success. These topics include adult transitions, self exploration, educational planning, study skills, time management, learning styles, goal setting, career exploration, and other topics related to student success. Students must complete a conference with a counselor during the semester. An educational plan will be developed based on student's academic and career goals. Field trips are not required. (P/NP Only) Lecture. (MJC Guidance) Not repeatable. Transfer: (CSU)

GUIDE 120—SUCCESS STRATEGIES FOR TRANSFER STUDENTS 3 UNITS
54 Lecture Hours
Increase success in college, career and life by obtaining skills, techniques and attitudes necessary to reach personal goals. Explore personality, interests, skills and values to increase self-awareness and select appropriate major and career. Topics include: educational planning and Transfer strategies, career trends, motivation and learning styles, principles of learning and memory, critical and creative thinking, research strategies, note-taking, subject-specific study techniques, wellness, time and stress management, diversity, textbook study methods. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (MJC Guidance)

HE 101—EMERGENCY MEDICAL RESPONSE; CPR PRO/HEALTHCARE PROVIDER 3 UNITS
54 Lecture Hours
Formerly listed as: HE - 101: Emergency Response/CPR FPR
Course designed to provide first responder capabilities necessary in an emergency to help sustain life, reduce pain, minimize the consequences of injury or sudden illness, and to provide emergency care of the sick and injured. CPR for the Professional/ Health Care Provider, Automated External Defibrillator, and Emergency Medical Response certificates issued upon satisfactory completion. Materials fee required. Student may repeat if required by regulation. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC HHP 62) (C-ID: KIN 101)

HE 110—HEALTHFUL LIVING 3 UNITS
54 Lecture Hours
A consideration of factors in the selection of a plan for healthful living. Emphasis on self-assessment through gathering and analyzing information while setting new health goals. Focus is placed on emotional, physical, social, spiritual, intellectual and environmental wellness in achieving human potential. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC HHP 60) General Education: (MJC-GE: E) (CSU-GE: E)

HE 111—WOMEN'S HEALTH ISSUES 3 UNITS
54 Lecture Hours
Explore women's issues in relation to dimensions of wellness and lifestyle behaviors for fitness, nutrition, healthcare and reduction of chronic illnesses. Field trips are not required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) (CC HHP 2) Not repeatable. General Education: (MJC-GE: E) (CSU-GE: E)
HE 112—INTRODUCTION TO PUBLIC HEALTH 3 UNITS
54 Lecture Hours
An introduction to the discipline of Public Health including basic concepts, terminologies, history and accomplishments of public health officials and agencies. An overview of the functions of various public health professions and institutions, and an examination of core public health disciplines. Topics of the discipline include the epidemiology of infectious and chronic disease; prevention and control of disease, illness and health disparities; community organizing and health promotion programming; environmental health and safety; global health; and healthcare policy and management. Field trips are not required. Not repeatable. (A-F or P/NP) Transfer: (CSU) General Education: (MJC-GE: B, E)

HE 118—EXERCISE AND NUTRITION FOR HEALTHY LIVING 3 UNITS
54 Lecture Hours

History Courses (HIST)

HIST 101—HISTORY OF THE UNITED STATES TO 1877 3 UNITS
54 Lecture Hours
Formerly listed as: HIST 101: History of the United States Through Reconstruction
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Survey of United States history to 1877 exploring the intersection of politics, the economy, society, culture and geography. Periods covered include: American societies to 1492, the colonial period, the American Revolution, creation of the U.S. Constitution and federalism, the early national period, the antebellum period, the Civil War and Reconstruction. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC HIST 14) General Education: (MJC-GE: B) (CSU-GE: D6) (IGETC: 4F) (AI: GROUP A, C)

HIST 102—HISTORY OF THE UNITED STATES SINCE 1865 3 UNITS
54 Lecture Hours
Formerly listed as: HIST 102: History of the United States Post Civil War
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Survey of United States history from 1865 through contemporary period, exploring the intersection of politics, the economy, society, culture and geography. Periods covered include: Reconstruction, late-19th century industrialization, the American West, imperialism, the Progressive Era, World War I, the 1920s, the 1930s and the Great Depression, World War II, the Cold War, civil rights, and modern America. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC HIST 17) (C-ID: HIST 140) General Education: (MJC-GE: B) (CSU-GE: D6) (IGETC: 4F) (AI: GROUP A, C)

HIST 104—WESTERN CIVILIZATION TO 1650 3 UNITS
54 Lecture Hours
Formerly listed as: HIST 104 - Western Civilizations
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Survey of the social, economic, political, religious, intellectual, and cultural development of Western Civilization from the Neolithic to the Reformation. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: HIST 170) General Education: (MJC-GE: B, C) (CSU-GE: C2, D6) (IGETC: 3B, 4F)

HIST 105—WESTERN CIVILIZATION SINCE 1650 3 UNITS
54 Lecture Hours
Formerly listed as: HIST 105: Western Civilization
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Survey of the political, economic, social, and cultural changes in the history of Western Civilization from 17th century Absolutism to the present. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: HIST 180) General Education: (MJC-GE: B, C) (CSU-GE: C2, D6) (IGETC: 3B, 4F)

HIST 106—WORLD CIVILIZATION TO THE 16TH CENTURY 3 UNITS
54 Lecture Hours
A comparative and interactive investigation and analysis of World Civilization as related to the development of the modern world. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC HIST 13) General Education: (MJC-GE: B) (CSU-GE: D6) (IGETC: 3B, 4F)

HIST 107—WORLD CIVILIZATION FROM THE 16TH CENTURY 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
A comparative study of World Civilizations from 1500 to the present. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC HIST 14) General Education: (MJC-GE: B) (CSU-GE: C2, D6) (IGETC: 3B, 4F)

HIST 112—20TH CENTURY AMERICA 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Explores the political, economic, social and cultural developments of twentieth century United States history. Periods covered include, but are not limited to, imperialism, the progressive impulse, world wars, the depression, cold war, the civil rights movement and diverse trends in modern American society. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D6) (IGETC: 4F) (CSU-GE: AI: GROUP A)
COURSES

HIST 113 — SOCIAL AND CULTURAL HISTORY OF THE UNITED STATES PRIOR TO THE 20TH CENTURY 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
The first in a two-part series, HIST 113 examines the development of American society and culture prior to the 20th century. HIST 113 specifically analyzes the formation and evolution of American social institutions in response to indigenous American and immigrating European and African cultures. This course compares interpretations of race, gender, class, political economy and human rights to examine social and cultural transformations in America. Emphasis is placed on the evolution of State and Federal constitutional government and the principle of inclusion. Contemporary local, State, and Federal government developments are analyzed historically in relation to political and social movements as a foundation for contemporary social activism. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: D6) (IGETC: 4C, 4F) (CSU-GE: AI: GROUP A)

HIST 114 — HISTORY OF THE UNITED STATES FROM THE FRENCH AND INDIAN WAR TO THE 18TH CENTURY 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Study of the history of the United States during the colonial period to the present. Emphasis on federal government's role in development and regulation of business, infrastructure, labor, and agriculture; government's role in national economic policy. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D3, D6) (IGETC: 4C, 4F)

HIST 115 — ECONOMIC HISTORY OF THE UNITED STATES 3 UNITS
54 Lecture Hours
Also offered as: ECON 115
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Analysis of origins and development of business, infrastructure, labor, and agriculture from colonial period to present. Emphasis on federal government's role in development and regulation of business, infrastructure, labor and agriculture; government's role in national economic policy. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: AI - GROUP A), (CSU-GE D2, D6) (IGETC: 4B, 4F)

HIST 116 — WOMEN IN AMERICAN HISTORY 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Study of the history of women in the United States, their experiences and contributions from the pre-colonial period to the present. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D4, D6) (IGETC: 4D, 4F) (CSU-GE: AI: GROUP A)

HIST 119 — SOCIAL AND CULTURAL HISTORY OF 20TH CENTURY AMERICA 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.

HIST 125 — HISTORY OF MEXICO 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Survey of Mexican history from the first Mesoamerican civilizations through the present, exploring the intersection of politics, the economy, society, culture, and geography. Periods covered include: Mesoamerica, the colonial period, independence, La Reforma, the Porfiriato, the Mexican Revolution and its aftermath, and the post WWII period. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D6) (IGETC: 4C, 4F)

HIST 128 — HISTORY OF AMERICAN FAR WESTERN FRONTIER 3 UNITS
54 Lecture Hours
A regional history of frontier life in the trans-Mississippi West during the 19th century, including early exploration through the fur trade, territorial expansion, and the mining and farming frontier. Special emphasis is given to the contribution of Native Americans and Asian, African, Iberian and Mexican cultures in shaping the character of the American West. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D3, D6) (IGETC: 4C, 4F)

HIST 129 — HISTORY OF CALIFORNIA 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Survey of California history from the first peoples to inhabit this region through the present. The course explores the intersection of politics, the economy, society, culture, and geography and the way it has contributed to the formation of contemporary California. Emphasis comparing and contrasting the historical development of California to that of the rest of the nation. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D6) (IGETC: 4C, 4F)

HIST 145 — HISTORY OF LATIN AMERICA 3 UNITS
54 Lecture Hours
Formerly listed as HIST 145 - Latin American History
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Survey of Latin American history through the present, emphasizing changes and continuities in the political, economic, social, and cultural life of the continent. Examines issues such as: the colonial legacy, development and underdevelopment, ideas of race and ethnicity, relationships to the outside world, the construction of the nation-state, gender, and social, economic, and political movements. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D6) (IGETC: 4F)
**H: HIST / HUMSR**

**COURSES**

**HIST 154—AFRICAN AMERICANS THROUGH THE 19TH CENTURY** 3 UNITS
54 Lecture Hours

*Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.*

**HIST 155—AFRICAN AMERICANS IN THE 20TH AND 21ST CENTURIES** 3 UNITS
54 Lecture Hours

*Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.*

Second in a two-part series. Examines the political, economic, technological, and social history of African Americans from the end of the 19th century through the early 21st century. Specific analysis of complex relationships between European Americans, Latino/Chicano Americans, and African American ethnic groups. Inquiry into race, gender, and class disparities. Ongoing struggles for ethnic self-determination and inclusion are contrasted against institutional resistance and social marginalization. Emphasis on the evolution of State and Federal Constitutional government and the struggle for ethnic parity, disparity, and inclusion. Contemporary and historic local, state, and federal government developments are analyzed in relation to political and social movements as a foundation for contemporary activism for civil rights, human rights, and economic justice. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU) **General Education:** (MJC-GE: B) (CSU-GE: D3, D6) (IGETC: 4C, 4F) (CSU-GE: AI: GROUP A)

---

**Human Services Courses (HUMSR)**

The Modesto Junior College Human Services programs provide knowledge and skills involved with the delivery of a wide variety of social services through various community social work and counseling agencies.

The two-year programs are designed to prepare students for entry-level employment in human service organizations as well as to upgrade current employees. They also provide a basis for future academic training leading to degrees in Social Work, Sociology, and Psychology.

**HUMSR 40—INDEPENDENT LIVING SKILLS AND ACTIVITIES** 1.5 UNITS
27 Lecture Hours

*Formerly listed as Independent Living Skills*

*Non-degree course.*

Provides foster youth ages 16-18 with the knowledge, information, survival skills and activities for daily living and foundation to transition from foster care to living independently in the community. Field trips may be required. Lecture. (P/NP Only) Not repeatable.

**HUMSR 101—INTRODUCTION TO HUMAN SERVICES** 3 UNITS
54 Lecture Hours

*Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.*

Introduction to the field of human services, and the role of paraprofessional workers in private and public settings on a local, state, and national level. The class provides an overview of the historical development of human services, professional values, processes, clinical skills, techniques, theoretical foundations, and current social issues. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU) **General Education:** (MJC-GE: B)

**HUMSR 103—INTRODUCTION TO HUMAN SERVICE CAREERS** 0.5 UNITS
9 Lecture Hours

Introduction to careers in the human services profession, personal qualities, clinical skills, and academic requirements necessary for entry-level human service positions. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU)

**HUMSR 104—AGING IN AMERICA 3 UNITS**
54 Lecture Hours

*Also offered as: GERON 101*

Analysis of the aging process from a multidisciplinary approach, including gerontology, sociology, human services, psychology, and physiology. Students will have an opportunity to explore their beliefs, feelings, and values regarding the aged population. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU)

**HUMSR 110—INTRODUCTION TO INTERVIEWING, COUNSELING** 3 UNITS
54 Lecture Hours

*Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily completion of ENGL 101.*

Introduction to the principles and practices of interviewing, counseling, and theoretical frameworks. Designed to assist in the preparation of paraprofessionals in the Human Services and other interrelated fields. Recognition and understanding of social problems, and the impact on human behavior. Lecture. (A-F or P/NP) Not repeatable. **Transfer:** (CSU)

**HUMSR 111—COUNSELING IN CHEMICAL DEPENDENCY** 3 UNITS
54 Lecture Hours

*Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily completion of ENGL 101.*

Concepts of counseling, therapy, personality development, and theoretical frameworks relevant to chemical dependency. Designed to assist the paraprofessional in the chemical dependency profession and other related fields. Clinical skills, assessment tools, techniques, crisis intervention strategies, and resolution will be covered. Lecture. (A-F or P/NP) Not repeatable. **Transfer:** (CSU)

**HUMSR 113—CO-OCCURRING DISORDERS** 3 UNITS
54 Lecture Hours

Introduction to the treatment needs of individuals who are diagnosed with a psychiatric disorder in combination with a chemical dependency disorder. Students will learn to identify, assess, and offer treatment to those with a dual diagnosis/co-occurring disorder. Field trips may be required. (A-F only) Lecture. Not repeatable. **Transfer:** (CSU)
COURSE DESCRIPTIONS

HUMSR 114—DEATH AND DYING
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
An introduction to issues related to death and dying. Includes exploration of cultural and social factors influencing death and dying, and the bereavement process within a historical, multidisciplinary, and cultural perspective. Topics include: grief and bereavement, terminal illness, and multi-cultural concepts about death. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (CC SOCIO 28) General Education: (MJC-GE: B)

HUMSR 116—DRUGS AND ALCOHOL IN SOCIETY
54 Lecture Hours
Recommended for Success: Satisfactory completion of ENGL 101.
An introductory course that focuses on drug and alcohol use, abuse, and dependency in society. Covers causes for addiction, current trends, historical dimensions, prevention, treatment, multicultural considerations, and corresponding myths regarding chemical dependency and psychoactive drugs. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CSU) (CC PSYCH 35)

HUMSR 117—INTERVENTION AND TREATMENT STRATEGIES IN CHEMICAL DEPENDENCY
54 Lecture Hours
Recommended for Success: Satisfactory completion of ENGL 101
Prerequisite: Before enrolling in this course, students are strongly advised to satisfy satisfactory completion of HUMSR 111 and 116.
Continued development in the application of therapeutic techniques, clinical skills, and strategies relative to the treatment of chemical dependency. Emphasizes the intervention process, assessment tools, crisis counseling, theoretical foundations, recovery dynamics, and family systems. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CSU)

HUMSR 118—PHARMACOLOGY OF ABUSED SUBSTANCES
54 Lecture Hours
Also offered as: PSYCH 118
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete HUMSR 116 or satisfactorily complete PSYCH 101.
An introduction to psychopharmacology and the process of drug addiction. Topics include classification of abused and psychotherapeutic drugs, basic principles of pharmacology, behavioral and physiological effects of drugs, major neurotransmitter systems and how they are influenced by drugs. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

HUMSR 119—INTRODUCTION TO GROUP LEADERSHIP AND GROUP PROCESS
54 Lecture Hours
An introduction to the dynamics of group interaction with an emphasis upon the individuals’ subjective experience as the group studies itself (under supervision). The factors involved in problems of communication, effective emotional responses, and personal growth will be highlighted. Emphasis on group process as a means of changing individual behavior. Field trips may be required. (A-F only) Lecture. Not repeatable. Transfer: (CSU)

HUMSR 120—PROFESSIONAL DEVELOPMENT IN THE HELPING PROFESSIONS
54 Lecture Hours
Formerly listed as Professional Development in Chemical Dependency
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily completion of ENGL 101.
Focuses on the application of clinical skills, theoretical foundations, strategies, techniques, ethical standards, and professional development in the Human Services and Chemical Dependency profession. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CSU)

HUMSR 142—INTRODUCTION TO PSYCHOSOCIAL REHABILITATION
54 Lecture Hours
Introduction to the field of psychosocial rehabilitation and its application in the public mental health system. The class provides an overview of the core practice models, principles, theories, and methods in psychosocial rehabilitation as related to the social sciences, and gives students a broad view of best clinical practices, social and psychological considerations in working with individuals who have psychiatric disorders using sociological concepts, theories, and methodology. Field trips may be required. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CSU) General Education: (MJC-GE: B)

HUMSR 143—PSYCHOSOCIAL REHABILITATION PRACTICE
54 Lecture Hours
Continued development in the field of psychosocial rehabilitation, and its application in the public mental health system. Designed to provide opportunities for students to practice and apply models of psychosocial rehabilitation, principles, theories, and methods related to the social sciences with individuals who have psychiatric disorders using sociological concepts and methodology. Field trips may be required. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CSU) General Education: (MJC-GE: B)

HUMSR 144—HUMAN SERVICES PRACTICUM
18 Discussion Hours
Formerly listed as: HUMSR 144: Community Agency Practicum Discussion
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete HUMSR 110 or satisfactorily complete HUMSR 111 and be currently enrolled in the CASRA or CAADE program at the college.
Analysis of fieldwork experiences in HUMSR 145A, 145B, or 145C. Sharing, evaluation, and discussion of supervised fieldwork experiences and placements. Continued development and enhancement of clinical skills, theoretical integration, knowledge base, professional values, and competence in the helping profession. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

HUMSR 145ABD—COMMUNITY AGENCY PRACTICUM
1,2,4 UNITS
A=9 Lecture Hours, 27 Lab Hours; B=18 Lecture Hours, 54 Lab Hours, D=36 Lecture Hours, 108 Lab Hours
Formerly listed as Community Agency Fieldwork
Prerequisite: Satisfactory completion of HUMSR 110 or 111.
Concurrent Enrollment: HUMSR 144
Supervised field experience in a variety of community social agencies. Three maximum completions in any combination of HUMSR 145 A, B, and D. Lecture/Lab. (A-F or P/NP). Not repeatable. Transfer: (CSU)
HUMSR 146—PSYCHOSOCIAL REHABILITATION WITH CHILDREN/FAMILIES 3 UNITS
54 Lecture Hours
Introduction to the field of psychosocial rehabilitation with children and families, and its application to the public mental health system. The class provides an overview of the core practice models, principles, theories, and methods in psychosocial rehabilitation as related to psychology, human services, sociology, other interrelated fields, and gives students a broad view of the best clinical practices when working with children and families that have psychiatric disorders. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

HUMAN 101—INTRODUCTION TO THE HUMANITIES 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to be eligible for ENGL 101.

Introduction to major works of the humanities that focuses on the diversity of human experience and the relationships among arts and ideas. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

HUMAN 105—EARLY HUMANISTIC TRADITIONS 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have ENGL 101 eligibility.

Examination of creative and intellectual achievements from cultures around the world beginning with Prehistory and extending to the Renaissance. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

HUMAN 106—HUMANITIES IN THE MODERN WORLD 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have ENGL 101 eligibility.

Study of creative and intellectual achievements from cultures around the world, beginning with 1600's and extending into the 21st century. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

HUMAN 110—EAST MEETS WEST 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have ENGL 101 Eligibility.

Differences between Eastern and Western world cultures are explored. Works studied are chosen from the fields of art, music, philosophy, literature and/or architecture. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

HUMAN 130—INTRODUCTION TO WESTERN RELIGIONS 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to be eligible for ENGL 101.

Origins and development of the three monotheistic religions of Western Civilization, Judaism, Christianity and Islam; scripture, beliefs, traditions, rituals, and celebrations; scripture of all three faiths, along with architecture and arts. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

HUMAN 140—INTRODUCTION TO WORLD MYTHOLOGY 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have ENGL 101 eligibility.

An overview of mythology which examines the nature, functions and meanings of myths throughout the world, their cultural contexts, artistic expressions, and influence in contemporary life. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

IIS 13—IMPROVING LEARNING POTENTIAL 2 UNITS
18 Lecture Hours, 54 Lab Hours
Non-degree course.
Specialized computer-assisted instruction for students with disabilities to maximize their learning potential and increase academic efficiency. Lecture/Laboratory. (P/NP Only) Not repeatable.

IIS 15—ADAPTED KEYBOARDING 2 UNITS
18 Lecture Hours, 54 Lab Hours
Non-degree course.
Designed to teach keyboarding basics to students with disabilities who must use assistive technologies for successful access to the keyboard or monitor and/or are unable to compete successfully in mainstream keyboarding courses. Lecture/Laboratory. Not repeatable.

IIS 16—COMPUTER ACCESS 1 2 UNITS
27 Lecture Hours, 27 Lab Hours
Non-degree course.
Designed for students with visual, physical, acquired brain injury, language impairment, learning disabilities or deafness. Provides training in the use of computer access technologies which enhance a disabled student's ability to access and use microcomputers. Lecture/Laboratory. Not repeatable.
IIS 18—COMPUTER ACCESS PROJECTS 2 UNITS
18 Lecture Hours, 54 Lab Hours
Non-degree course.
Designed for students with disabilities who require access to specialized assistive technologies in order to complete assignments for other classes in which they are concurrently enrolled. (A-F or P/NP) Lecture/Laboratory. Not repeatable.

IIS 20—MATH STRATEGIES FOR DISABLED STUDENTS 1 UNIT
18 Lecture Hours
Non-degree course.
Intended for students with disabilities who need additional instruction and compensatory strategies that typically lead to success within the traditional classroom. Specialized instruction will occur in basic skills and in formulating efficient test-taking and study strategies specifically related to math. Lecture. (A-F or P/NP). Not repeatable.

IIS 21—MAKING THE MOVE: TRANSITION TO COLLEGE 1 UNIT
18 Lecture Hours
Non-degree course.
Intended for new and re-entry students with disabilities who need additional instruction and compensatory strategies to learn and be successful within the traditional classroom. Specialized instruction will occur in disability awareness and in formulating strategies for success in the college environment. Lecture. Not repeatable.

Interdisciplinary Studies Courses (INDIS)
The Interdisciplinary Studies Program emphasizes critical thinking, communication skills, and independent work. Students are accepted into the program not solely on the basis of past achievement but, most importantly, on their willingness to become members of an intellectually stimulating, interactive learning community.

INDIS 100—INTRODUCTION TO HONORS SCHOLARSHIP 3 UNITS
54 Lecture Hours
Enrollment limited to those who have been admitted to the Honors program. Interpersonal communication theory and its practical application. Forms of philosophical inquiry that are applicable to the humanities, social sciences, arts, and physical sciences as well as their ethical and political applications. Library and information sources, including development of research strategies, and the retrieval, evaluation, and use of information. Lecture. (A-F only) Not repeatable. Transfer: (CSU)

Italian Courses (ITAL)

ITAL 101—ITALIAN 1 5 UNITS
90 Lecture Hours
Fundamentals of spoken and written Italian. Introduction to Italian cultures. Equivalent to the satisfactory completion of two years of high school Italian. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 6A)

Library and Information Technology Courses (LIBR)
The division of Library & Learning Center offers a course that supports the information competencies applicable to college-level research and lifelong learning. This course is designed to benefit Transfer students who want to develop research skills using the information resources and services found in college libraries, as well as lifelong learners seeking to acquire skills necessary to thrive in an information society. The Library & Information Technology course is Transferable to four-year colleges and universities.

LIBR 100—RESEARCH CONCEPTS AND PRACTICE 3 UNITS
54 Lecture Hours
Formerly listed as: LIBR 100: Research Methodology, LR 100: Research Methodology Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Introduction to academic information sources, including traditional print resources, eBooks, online periodical and research databases, and the Web. Emphasis on the development of effective research strategies, and the retrieval, evaluation, and use of information for academic research assignments. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: D2)

Machine Tool Technology Courses (MACH)
The Machine Tool Technology program provides training toward the acquisition of proficiency in the use of metal removal and metal forming machine tools. Training in calculations of cutting speeds and feeds, use of measuring tools, study of elementary metallurgy, and making adjustments are also emphasized. Special focus is given to care of equipment, orderliness, accuracy, speed, judgment, confidence and safe working habits.

MACH 211 D E —MACHINE TOOL TECHNOLOGY 1 4 - 5 UNITS
D=E 54 Lecture Hours, 54 Lab Hours, E=F 54 Lecture Hours, 108 Lab Hours
Formerly listed as: MACH 211D: Machine Tool Technology 1
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MATH 20 and satisfactorily complete ESL 45.
This class is intended to address the situation of the traditional student with little or no experience in the manufacturing areas of the economy. The study and application of basic measuring tools, (steel rulers, vernier calipers & micrometers), layout tools and hand tools are addressed. The theory and practice of the use of drilling machines, bandsaws, lathes and vertical milling machines are a primary focus. This course meets California apprenticeship standards. Materials Fee Required Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)
MACH 212DE—MACHINE TOOL TECHNOLOGY 2  
Formerly listed as: MACH 212D: Machine Tool Technology 2  
4 - 5 UNITS  
D= 54 Lecture Hours, 54 Lab Hours, E= 54 Lecture Hours, 108 Lab Hours  
Prerequisite: Satisfactory completion of MACH 211DE  
This class is intended to address the situation of the traditional daytime student with little or no experience in the manufacturing areas of the economy and has completed MACH 211. The principles and fundamental use of precision grinders and advanced applications of the manual engine lathe and milling machine are a primary focus. Advanced levels of measuring systems, the study of basic metallurgy, and the techniques of heat treating to enhance the properties of metallic parts are addressed. Materials fee required. Field trips might be required. (A-F or P/NP) Not repeatable. Lecture/Lab. Transfer: (CSU)  

MACH 213—MACHINE TOOL TECHNOLOGY 3  
Formerly listed as: MACH 213D: Machine Tool Technology 3 - Manufacturing  
Prerequisite: Satisfactory completion of MACH 212DE or MACH 302.  
36 Lecture Hours, 108 Lab Hours  
The use of manual programming techniques to develop tool path codes required to produce products using two axis CNC turning equipment. Effective cutting speeds, feeds, and depth of cut for various machining operations. The use of “canned cycles” with word address programming as well as conversational programming format will be addressed. Materials fee required. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)  

MACH 218—INTRODUCTION TO CNC LATHE PROGRAMMING  
Formerly listed as: MFGA 218: Introduction to CNC Lathe Programming  
Recommended for Success: Before enrolling in this course, students are strongly advised to have previous machining experience using manual or CNC lathes.  
18 Lecture Hours, 54 Lab Hours  
The setup and operation of computer controlled machine tools with emphasis upon vertical machining centers and two axis turning centers. Primary controller operation, setup, tooling application, installation and adjustment and basic codes needed for editing will be addressed. Materials fee required. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)  

MACH 219—INTRODUCTION TO CNC MILL PROGRAMMING  
Recommended for Success: Before enrolling in this course, students are strongly advised to be familiar with basic metal cutting practices, machine tool setup, and calculation of cutting tool speeds and feeds as encountered in the operation of manual lathes and milling machines; and have a working knowledge in the operation of personal computers; and have a basic understanding of formatting, structure, and codes used in the Word Address Format system of CNC programming.  
The use of CAM (Computer Aided Manufacturing) programming techniques and software to develop tool path codes required to machine products using CNC milling and turning equipment. Materials Fee Required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)  

MACH 222—CNC MACHINE OPERATIONS  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MACH 211DE or satisfactorily complete MACH 301 or have a working knowledge of the use of manually operated metal cutting lathes and milling machines and be able to use a micrometer to measure to within .001 inch.  
The setup and operation of computer controlled machine tools with emphasis upon vertical machining centers and two axis turning centers. Primary controller operation, setup, tooling application, installation and adjustment and basic codes needed for editing will be addressed. Materials fee required. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)  

MACH 223—ADVANCED CNC MACHINE OPERATIONS  
Recommended for Success: Before enrolling in this course, students are strongly advised to be able to speak, read, and understand English.  
27 Lecture Hours, 81 Lab Hours  
Advanced setups, controller issues, and inspection techniques that may be encountered in the use of CNC controlled machine tools. May be completed up to 2 times. Field trips may be required. (A-F or P/NP). Materials fee required. Not repeatable. Transfer: (CSU)  

MACH 301—MACHINE SHOP 1  
Formerly listed as: MFGA 301: Machine Shop 1  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete courses or training that have provided them with experience in the use of manual or CNC milling machines.  
36 Lecture Hours, 54 Lab Hours  
The theory and practice of the use of drilling machines, bandsaws, lathes and vertical milling machines are a primary focus. Materials fee required. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)  

MACH 302—MACHINE SHOP 2  
Also offered as: MFGA 302: Machine Shop 2  
Formerly listed as: MFGA 302: Machine Shop 2  
Prerequisite: Satisfactory completion of MACH 211DE or MACH 301.  
Recommended for Success: Before enrolling in this course, students who have had some experience in the manufacturing areas of the economy and have completed MACH 301. The principles and fundamental use of precision grinders and advanced applications of the manual engine lathe and milling machine are a primary focus. Advanced levels of measuring systems, the study of basic metallurgy, and the techniques of heat treating to enhance the properties of metallic parts are addressed. Materials fee required. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable.
MACH 303—MACHINE SHOP 3 3 UNITS
36 Lecture Hours, 54 Lab Hours
Also offered as: MACH 303: Machine Shop 3
Formerly listed as: MFGA 303: Machine Shop 3
Prerequisite: Satisfactory completion of MACH 212DE or MACH 302.
The theory and practice in the use of the dividing head, gearing systems, tool and cutter grinding, and non-traditional machining systems is addressed. Carbide tooling emphasized. Materials fee required. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable.

MACH 311—CNC PROGRAMMING WITH MACROS 1 UNIT
9 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MACH 219 and have previous CNC programming experience or on-the-job training.
The application and practice of using macro techniques in the development of programs for the operation of CNC machine tools. Materials Fee Required. Field trips may be required. (P/NP Only) Lecture/Lab. Not repeatable.

MACH 312—4 AXIS MILL PROGRAMMING AND OPERATION 1 UNIT
9 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have had previous programming experience on CNC machining centers using word address format language.
The application and practice of programming, installing, and operating 4th axis rotary devices on CNC vertical machining centers. Materials Fee Required. Field trips may be required. (P/NP Only) Lecture/Lab. Not repeatable.

MACH 313—MANUFACTURING PROCESSES 2 UNITS
36 Lecture Hours
The exploration and study of manufacturing techniques and common industrial processes found in local industries. Field trips may be required. Lecture. Not repeatable.

MACH 314—3D PART PROGRAMMING FOR CNC 1 UNIT
9 Lecture Hours, 27 Lab Hours
Prerequisite: Satisfactory completion of MACH 220.
Application and practice of developing a program using CAD/CAM software that will direct a CNC machining center to cut a three dimensional contoured part. Materials fee required. Field trips might be required. (P/NP Only) Lecture/Lab. Not repeatable.

MACH 357—MACHINE TRADES PRINT READING 2 UNITS
36 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have a basic working knowledge of personal computers and have the ability to add, subtract, multiply, and divide numbers and have a working knowledge of the English language as applied to manufacturing processes.
Interpretation of two-dimensional mechanical prints encountered in the machining of parts. Applicable for machinist, maintenance personnel, and machine operators needing familiarization with the terminology, symbols, and practices used in the manufacturing environment. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable.

MACH 395ABC—ADVANCED MACH TOOL TECHNOLOGY LAB 1-3 UNITS
A=54 Lab Hours, B=108 Lab Hours, C=162 Lab Hours
Formerly listed as MACH 395C
Prerequisite: Satisfactory completion of MACH 211 or MACH 301 or MACH 218 or MACH 219 or MACH 220 or MACH 222.
Provides access to a Machine Tool Technology laboratory setting for advanced students for the purpose of continued skills development applicable to production machining processes. (P/NP Only) Lab. Not repeatable.
MATH NON-TRANSFERABLE COURSES

MATH 10 — INTRODUCTION TO MATHEMATICS  4 UNITS
72 Lecture Hours
Recommended for success: Qualification by MJC assessment process.
Module 1: A review of the four arithmetic operations as they apply to whole numbers, common fractions, and decimal fractions. Module 2: A variety of selected applications from arithmetic, pre-algebra, and geometry. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CC MATH 601)

MATH 20 — PRE-ALGEBRA  5 UNITS
90 Lecture Hours
Prerequisite: Qualification by MJC math assessment process or satisfactory completion of MATH 10.
Recommended for success: Placement into READ 82 or higher by MJC Assessment process.
Designed to help students prepare for algebra and applied math courses by reviewing fundamental operations of arithmetic and common geometric formulas, and introducing the algebraic concepts of simplifying expressions, polynomial arithmetic, and solving and graphing linear equations. Arithmetic reviewed includes integers, decimals, ratios, and percents. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CC MATH 602)

MATH 47 — SKILLS FOR SUCCESS IN NON-TRANSFER LEVEL COURSES  0.5 UNITS
27 Lab Hours
Formerly listed as MATH 47 - Skills for Success in Elementary Algebra
Designed to provide practice in basic mathematical skills needed for success in non-transfer level math courses. Particularly useful for those who are weak in prerequisite skills or who have struggled in intermediate algebra or precalculus courses. DOES NOT serve as a prerequisite to any mathematics course. Field trips are not required. (P/NP Only) Lab. Not repeatable.

MATH 49 — SKILLS FOR SUCCESS IN TRANSFER LEVEL MATH COURSES  0.5 UNITS
27 Lab Hours
Formerly listed as: MATH 49: Skills for Success in Intermediate Algebra
Practice on mathematical skills needed for success in Transfer level mathematics courses. Intended for those who need prerequisite skills or who have struggled in intermediate algebra or precalculus courses. DOES NOT serve as a prerequisite to Transferable mathematics courses. (P/NP Only) Lab. Not repeatable.

MATH 70 — ELEMENTARY ALGEBRA  5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of MATH 20 or qualification by the MJC assessment process.
Equivalent to a first-year high school algebra course. Topics include: simplifying algebraic expressions, solving linear and quadratic equations, factoring, graphing lines and parabolas, solving systems of equations, rational expressions, and radicals, with application problems incorporated into each topic. (A-F or P/NP) Not repeatable. Transfer: (CC MATH 101) Lecture.

MATH 89 — INTERMEDIATE ALGEBRA ESSENTIALS  4 UNITS
72 Lecture Hours
Prerequisite: Satisfactory completion of MATH 70 or qualification by the MJC assessment process.
Equivalent to second year high school algebra. Topics include linear, quadratic, exponential and logarithmic functions and equations; complex numbers; solving systems of equations; conic sections; sequences and series. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. General Education: (MJC-GE: D2)

MATH 90 — INTERMEDIATE ALGEBRA  5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of MATH 70 or MATH 71 and MATH 72 or qualification by the MJC assessment process.
Equivalent to second year high school algebra. Topics include linear, quadratic, exponential and logarithmic functions and equations; complex numbers; solving systems of equations using substitution, matrices and determinants; conic sections; sequences, series and combinatorics. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CC MATH 104) General Education: (MJC-GE: D2)

MATH 101 — MATHEMATICAL IDEAS AND APPLICATIONS  3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of MATH 89 or qualification by the MJC assessment process or MATH 90 or qualification by the MJC assessment process.
A General Education course emphasizing the role of mathematics in civilization, the nature of mathematical thought, and applications of mathematics. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC MATH 6) General Education: (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2A)

MATH 105 — STRUCTURE OF MATHEMATICS 1  3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of MATH 90 or MATH 89 or qualification by the MJC assessment process.
Structured of arithmetic for prospective elementary school teachers. The definitions, operations, and properties of sets; counting numbers, integers, rational and irrational numbers; number systems; number theory, logic. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC MATH 4A) General Education: (MJC-GE: D2) (CSU-GE: B4)

MATH 106 — STRUCTURE OF MATHEMATICS 2  3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of MATH 105.
Elementary probability, statistics and geometry for prospective elementary school teachers. Includes Euclidean geometry, measurement, and analytic geometry. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: D2) (CSU-GE: B4)
MATH 111—APPLIED COLLEGE ALGEBRA 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of MATH 89 or qualification by the MJC assessment process or MATH 90 or qualification by the MJC assessment process.

A College Algebra course that presents each topic to answer the question, "What is this used for?" Instruction begins with a real-world problem and develops the mathematical models and methods to solve it. Topics include: polynomial, rational, exponential, and logarithmic functions; theory of equations; systems of equations; matrix algebra; and analytic geometry. Designed specifically for students needing only a one-semester, non-precalculus College Algebra course for transfer to a university. Not open to students who have received credit in Math 121. Will not serve as a prerequisite to Math 122 or Math 171. STUDENTS PREPARING TO TAKE CALCULUS MUST TAKE MATH 121 AND MATH 122. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2)

MATH 121—PRE-CALCULUS 1 5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of MATH 90 or qualification by the MJC assessment process.

A one-semester College Algebra course or, together with Math 122, a two-semester Precalculus course sequence. Emphasis on algebra skills essential for success in calculus. Topics include: review of linear, quadratic, rational, radical, exponential, logarithmic equations and graphs; systems of equations and inequalities (linear and nonlinear); functions and graphs; synthetic division; complex roots of polynomials; the Fundamental Theorem of Algebra; applications of exponential and logarithmic equations; sequences and series; mathematical induction; combinatorics. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC MATH 12) General Education: (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2)

MATH 122—PRE-CALCULUS 2 5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of MATH 121.

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MATH 80.

Together with Math 121, a two-semester Precalculus course sequence. A comprehensive course in analytic geometry and trigonometry. Topics include: vectors, rotation of axes, conic sections, polar and parametric functions, and trigonometric functions & graphs with applications. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC MATH 17B) General Education: (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2)

MATH 130—FINITE MATHEMATICS 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of MATH 89 or qualification by the MJC assessment process or MATH 90 or qualification by the MJC assessment process.

Set theory, probability and counting techniques, Markov chains, matrices and linear systems, linear programming (Simplex Method), applications to business and behavioral and social sciences. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC MATH 12) General Education: (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2)

MATH 134—ELEMENTARY STATISTICS 4 UNITS
72 Lecture Hours
Prerequisite: Satisfactory completion of MATH 90 or MATH 89 or qualification by the MJC assessment process.

Recommended for Success: Before enrolling in this course, students are strongly advised to also enroll in Math 135-Problem Solving Skills and Technology for MATH 134.

Elements of descriptive and inferential statistics, including probability, discrete and continuous probability distributions, hypothesis testing, regression analysis, ANOVA, and nonparametric statistics. Field trips are not required. Not repeatable. (A-F or P/NP) Transfer: (CSU, UC) (CC MATH 2) General Education: (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2)

MATH 135—PROBLEM SOLVING SKILLS AND TECHNOLOGY 1 UNIT
FOR MATH 134
18.00 Lecture Hours
Corequisite: Concurrent enrollment in MATH 134.

Designed to supplement MATH 134 with additional assistance in developing problem-solving skills necessary for success. Emphasis is placed on research strategies, exploration of statistical theories, problem-solving strategies unique to statistical applications, and computer lab instruction and demonstration. Field trips are not required. Not repeatable. (P/NP Only) Transfer: (CSU)

MATH 138—CALCULUS FOR BUSINESS & SOCIAL SCIENCES 3 UNITS
54 Lecture Hours
Formerly listed as: MATH 138: Calculus for Business & Social Sciences
Prerequisite: Satisfactory completion of MATH 89 or qualification by the MJC assessment process or MATH 90 or qualification by the MJC assessment process.

Concepts of functions and limits; applied calculus emphasizing techniques of differentiation and integration with applications directed primarily to business and the social sciences; partial derivatives. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2)

MATH 171—CALCULUS: FIRST COURSE 5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of MATH 121 and MATH 122 or qualification by the MJC assessment process.

Fundamental foundations of differential and integral calculus. Topics include: limits, continuity, differentiation, curve sketching, applications of differentiation, integration,
the Fundamental Theorem of Calculus, and applications of integration. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) (CC MATH 18A) (C-ID: MATH 210, C-ID: MATH 900S) **General Education:** (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2A)

**MATH 172—CALCULUS: SECOND COURSE**  
5 UNITS  
90 Lecture Hours  
**Prerequisite:** Satisfactory completion of MATH 171.  
A continuation of MATH 171. Topics include: techniques of integration, applications of integration, introductory differential equations, differentiation and integration of parametric and polar equations, and infinite sequences and series. Field trips are not required. (A-F or P/NP) Lecture. (CC MATH 18B) (C-ID: MATH 220, C-ID: MATH 900S) Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2A)

**MATH 173—CALCULUS: THIRD COURSE**  
5 UNITS  
90 Lecture Hours  
**Prerequisite:** Satisfactory completion of MATH 172.  
A continuation of MATH 172. The extension of calculus concepts to three dimensions and functions of multiple variables. Topics include: vectors and solids in 3-space, the calculus of vectors, partial differentiation, multiple integration, applications of partial differentiation and integration, and line and surface integrals. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2A)

**MATH 174—INTRODUCTION TO DIFFERENTIAL EQUATIONS 
& LINEAR ALGEBRA**  
5 UNITS  
90 Lecture Hours  
**Formerly listed as:** MATH 174: Introduction to Linear Algebra & Diff Equations  
**Prerequisite:** Satisfactory completion of MATH 173.  
Differential equation topics including solutions to first order equations, higher order linear equations, series solutions, systems of equations, and Laplace transforms. Linear algebra topics including linear equations, vector spaces, scalar products, linear transformations, determinants, and eigenvalues. Field trips are not required. (A-F or P/NP) Not repeatable. Lecture. **Transfer:** (CSU, UC) (C-ID: MATH 910S) **General Education:** (MJC-GE: D2) (CSU-GE: B4) (IGETC: 2)

**MDAST 321—MEDICAL TERMINOLOGY**  
3 UNITS  
54 Lecture Hours  
Emphasizing logical and rational understanding of word parts. Covers medical terms organized according to body systems, including fundamental understanding of basic anatomy, function, diseases, and surgeries of each body system. (A-F Only) Lecture. Not repeatable. **Transfer:** (CC OFTEC 50)

**MDAST 322—MEDICAL ASSISTING ADMINISTRATIVE PROCEDURES**  
3.5 UNITS  
36 Lecture Hours, 81 Lab Hours  
**Formerly listed as:** MDAST - 322: Medical Assisting Administrative  
**Corequisite:** Concurrent enrollment in MDAST 320 and MDAST 322.  
**Limitations on Enrollment:** Enrollment limited to students who have been accepted into the Medical Assisting Program.  
Medical Assisting Administrative procedures including financial record keeping, insurance claims, banking functions, payroll and medical records. Students receive training in completing the above procedures manually and by computer. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.

**MDAST 323—MEDICAL ASSISTING CLINICAL PROC EDURES**  
3 UNITS  
36 Lecture Hours, 54 Lab Hours  
**Corequisite:** Concurrent enrollment in MDAST 322 and MDAST 320.  
**Limitations on Enrollment:** Enrollment limited to students who have been accepted into the Medical Assisting Program.  
Clinical medical assisting skills, which pertain to preparing the patient for examination and assisting patient and physician during patient examination and treatment. The assistant must anticipate the physician's needs as to the type of examination, the specific equipment needed, and the extent of assistance required by the patient. This requires judgment based on a reasonable understanding of physical examinations, the methods and equipment used, and the related role of the medical assistant. Materials Fee Required. (A-F Only) Lecture/Lab. Not repeatable.

**MDAST 324—INTRODUCTION TO DISEASE AND PHARMACOLOGY**  
4 UNITS  
63 Lecture Hours, 27 Lab Hours  
**Formerly listed as:** MDAST - 324: Intro to Diseases/Pharmacology  
**Prerequisite:** Satisfactory completion of MDAST 320 and MDAST 322 and MDAST 323.  
**Corequisite:** Concurrent enrollment in MDAST 325 and MDAST 326. Medical Terminology related to the human body in health and disease.  
Pathogenesis and discussion of representative diseases; signs and symptoms of many major diseases and basic drugs used in treatment. (A-F Only) Lecture/Lab. Not repeatable.

**MDAST 325—MEDICAL ASSISTING LABORATORY PROCEDURES**  
3 UNITS  
36 Lecture Hours, 54 Lab Hours  
**Formerly listed as:** MDAST - 325: Lab Procedures  
**Prerequisite:** Satisfactory completion of MDAST 320 and MDAST 322 and MDAST 323.  
**Corequisite:** Concurrent enrollment in MDAST 324 and MDAST 326.  
Introduction to laboratory procedures necessary to aid the physician. Includes patient preparation for diagnostic studies, purposes, techniques, and recording of procedures commonly performed. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.
Meteorology Courses (METEO)

METEO 161 INTRODUCTION TO METEOROLOGY  4 UNITS
54 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete EASCI 161 and satisfactorily complete MATH 70.

Introduction to atmospheric structure, weather monitoring techniques, solar radiation, thermodynamics, air pressure, humidity, cloud formation, wind patterns, planetary circulation patterns, storms and severe weather (including thunderstorms, tornadoes, and hurricanes), and the causes and consequences of climate and climate change. Lab activities emphasize gathering and analysis of meteorological data (both archived and real-time) to understand and predict weather events. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C)

Microbiology Courses (MICRO)

MICRO 101 — MICROBIOLOGY  4 UNITS
54 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of BIO 116 or BIO 101 or BIO 111 and CHEM 143.

Includes the study of microorganisms, microbial metabolism, genetics, and varieties; immunity, infections, and antimicrobials. Intended mainly for student entering the health professions. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (CC BIOL 65) General Education: (MJC-GE: A) (CSU-GE: B2, B3) (IGETC: 5B, SC)

MICRO 111 — PLAGUES OF HUMANKIND  3 UNITS
54 Lecture Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.

An overview of various diseases that have plagued humanity over history. Designed for non-majors with an interest in science and public health. Field trips might be required. Not repeatable. (A-F or P/NP) Transfer: (CSU) General Education: (MJC-GE: A)

Music Courses (MUSA, MUSC, MUSI, MUSP, MUST)

MUSA 121 — Keyboard Skills 1  1 UNIT
54 Lab Hours
Formerly listed as: MUSA - 121: Elementary Piano
MUSIC - 120: Elementary Piano

Essentials of music notation; fundamentals of rhythm, tone production and the coordinated use of both hands; introduction of scales and chords; methods of practice and memorization. Completion of MUSA 121, Elementary Piano is recommended for all general elementary teaching candidates. Electronic keyboard lab and acoustic upright piano practice rooms available. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) (CC MUSIC 31A) Graduation: (MJC: Activities)

MUSA 122 — PIANO ENRICHMENT  1 UNIT
54 Lab Hours
Formerly listed as: MUSA - 121: Elementary Piano
MUSIC - 120: Elementary Piano

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSA 121.

Continued development of piano technique, understanding of rhythmic skills and basic music theory. Emphasis upon sight reading and ensemble playing. Electronic piano lab and practice rooms available. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

MUSA 123 — INTERMEDIATE PIANO  1 UNIT
54 Lab Hours
Formerly listed as: MUSA 122

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSA 122.

Further study of piano technique, tone production, efficient use of physical self; detailed study diatonic scales and harmonic progressions; attention given to improving sight reading skills, learning process, musical interpretation of the score, memorization techniques and performance skills; introduction to intermediate level repertoire from various stylistic periods; participation in live performance demonstrations as well as live student recital at the end of term. Field trips may be required. Two completions allowed. (A-F or P/NP) Lab. Graduation: (MJC: Activities) Transfer: (CSU, UC) (CC MUSIC 41A & 41B)

MUSA 124 — APPLIED PIANO  1 UNIT
54 Lab Hours
Formerly listed as: MUSA - 124: Advanced Piano
MUSIC - 123: Advanced Piano

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSA 123.

Limitations on Enrollment: Enrollment limited to students who pass an audition.
MUSA 135 — ELEMENTARY HARPSCORD
9 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSA 121.
Introduction to the basic skills of harpsichord performance. Literature from the Renaissance, Baroque and Early Classical periods. Performance techniques will include figured bass, vocal and instrumental accompanying. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: MUS 160) Graduation: (MJC: Activities)

MUSA 141 — ELEMENTARY GUITAR
54 Lab Hours
Formerly listed as: MUSA - 163: Elementary Guitar
Examination of the basic elements of classical guitar technique and repertoire. Technical works will emphasize posture, correct right- and left-hand technique, as well as treble clef note-reading in first position. The course will introduce sight-reading on easy melodies, as well as chord charts. Chord coverage will include: closed finger chords, open finger chords, and bar chords. The student is responsible for providing a nylon-stringed classical guitar, a guitar tuner, and a foot-stool. All students will perform in a semi-formal performance at the end of the semester. Field trips are not required. (AF or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) (CC MUSIC 49) Graduation: (MJC: Activities)

MUSA 142 — GUITAR PERFORMANCE
18 Lecture Hours
Formerly listed as: MUSA - 142: Guitar Enrichment, MUSA - 164: Guitar Enrichment
Prerequisite: Satisfactory completion of MUSA 141.
Continuation of MUSA 141. Focus on group performances and an introduction to solo performance. Students will learn to follow notation up to the fifth position in solo and smaller ensembles. Intermediate techniques including tremolo, flamenco strumming, and harmonic playing. Technical exercises and techniques to develop finger independence. A classical, nylon-string guitar is strongly recommended for use in the course. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

MUSA 143 — GUITAR ENRICHMENT
54 Lab Hours
Formerly listed as: MUSA - 143: Guitar Advancement, MUSA - 174: Guitar Advancement
Prerequisite: Satisfactory completion of MUSA 142.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSA 142.
Further development of guitar performance skills and techniques. Particular attention will be given to technical exercises and the performance practices surrounding the classical and flamenco intermediate repertoire. Students will need a Nylon-strung classical guitar. Two public performances (mid-term and final) will be connected to this course. Field trips may be required. (AF or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: MUS 180)

MUSA 144 — INTERMEDIATE GUITAR
54 Lab Hours
Formerly listed as MUSIC 165
Prerequisite: Satisfactory completion of MUSA 141.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSA 142 or satisfactorily complete MUSA 143.
Further development of guitar performance skills and techniques. Particular attention will be given to technical exercises and the performance practices surrounding the classical and flamenco intermediate repertoire. Students will need a Nylon-strung classical guitar. Two public performances (mid-term and final) will be connected to this course. Field trips may be required. (AF or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

MUSA 145 — APPLIED CLASSICAL GUITAR
18 Lecture Hours
Formerly listed as MUSIC 166
Corequisite: Concurrent enrollment required in or satisfactory completion of MUSA 144.
Designed for performance majors intending to Transfer to four-year institutions. The curricula will cover materials necessary to provide the appropriate skill level for upper division coursework at most universities. Students must perform a forty-five minute recital as a completion requirement for the course. A fifteen-minute jury may substitute for the recital requirement. Field trips may be required. Four completions allowed. (AF or P/NP) Lecture. Transfer: (CSU, UC) (CC MUSIC 50) (C-ID: MUS 180)

MUSA 151 — ELEMENTARY VOICE 1
54 Lab Hours
Formerly listed as MUSIC 131
Development of singing voice through consideration and application of the basic elements of voice production, i.e., breathing, resonance, diction posture; principles applied through group and individual vocal exercises and singing. This is the first of two preparatory courses for students who intend to take voice classes at the major level. Field trips may be required. (AF or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) (CC MUSIC 36)

MUSA 152 — ELEMENTARY VOICE 2
54 Lab Hours
Formerly listed as MUSIC 132: Voice Enrichment
Recommended for Success: Before enrolling in this course, students are strongly advised to have previous vocal experience.
Further development of the singing voice through consideration and application of the basic elements of tone production, i.e., breathing, resonance, diction, posture; principles applied through group and individual vocal exercises and singing. Field trips may be required. Laboratory. Not repeatable. Transfer: (CSU, UC) (CC MUSIC 37)
MUSA 153 — APPLIED VOCAL REPERTOIRE 1  1 UNIT

54 Lab Hours
Formerly listed as MUSIC 133 - Intermediate Voice
Corequisite: Concurrent Enrollment required in MUSA 155
Recommended for Success: Before enrolling in this course, students are strongly advised to have a chorale background or previous voice lessons.
Limitation on enrollment: Enrollment limited to students possessing the ability to read music and sing within the tonal center.
Study and performance of vocal solo literature with emphasis on building repertoire; development of style, and preparation for recitals. Recital and public performance participation required. This class is intended for voice majors. Necessary for transfer to a four year University as a music major. Two completions allowed. (A-F or P/NP) Lab. Transfer: (CSU, UC) (CC MUSIC 39)

MUSA 154 — APPLIED VOCAL REPERTOIRE 2  1 UNIT

18 Lecture Hours
Formerly listed as MUSIC 134
Prerequisite: Satisfactory completion of MUSA 153.
Corequisite: Concurrent enrollment required in MUSA 155.
Limitations on Enrollment: Enrollment limited to students with an intermediate level ability to sight read music and sing within the tonal center.
Continuation of MUSA 153 with greater emphasis on building repertoire, development of style, and preparation for Transfer auditions, auditions in general and recitals. Recital and public performance participation required. This class is intended for voice majors. This is a necessary class to transfer as a music major to a four year university. 9. Field trips may be required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) (CC MUSIC 56) (C-ID: MUS 160) Graduation: (MJC: Activities) Two completions allowed.

MUSA 155 — VOCAL MASTER CLASS  1 UNIT

54 Lab Hours
Formerly listed as MUSIC 139
Corequisite: Concurrent enrollment required in MUSA 153 or MUSA 154.
Development of vocal performance through the consideration and application of good vocal technique, performance practice and dramatic character development; principles applied through recital attendance and through solo, duet or ensemble performances in class and public recitals. Four completions allowed. Field trips may be required. (A-F or P/NP) Lab. Transfer: (CSU, UC) Graduation: (MJC: Activities)

MUSA 156 — INTERMEDIATE STRINGS  1 UNIT

54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSA 151.
Designed for the continuing string student at the intermediate level on Violin, Viola, Cello, or Bass. Students must own or have access to a bowed string instrument. Public performance required. Field trips may be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

MUSA 157 — APPLIED MUSIC (BRASS AND PERCUSSION)  1 UNIT

18 Lecture Hours
Formerly listed as MUSA 173 and MUSIC 142
Limitations on Enrollment: Enrollment limited to students who pass audition.
Study and performance of brass and percussion solo literature, etudes, scales, and technical studies. Intended for music majors and/or advanced players. Recital and public performance participation required. Student must own or have access to an instrument appropriate for this course. Four completions allowed. Field trips may be required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) (C-ID: MUS 160) Graduation: (MJC: Activities)

MUSA 162 — INTERMEDIATE STRINGS  1 UNIT

54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to be able to play a violin or viola at an intermediate level and demonstrate the ability to read music.
Study and performance of violin or viola technique and literature. Public performance participation required. Four completions allowed. Field trips may be required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) Graduation: (MJC: Activities)

MUSA 163 — APPLIED MUSIC (VIOLIN AND VIOLA)  1 UNIT

18 Lecture Hours
Formerly listed as: MUSIC - 128: Applied Music (Violin and Viola)
Recommended for Success: Before enrolling in this course, students are strongly advised to be able to play a cello or bass at an intermediate or advanced level and demonstrate the ability to read music.
Study and performance of cello or bass technique and literature. Recital and public performance participation required. Four completions allowed. Field trips may be required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) Graduation: (MJC: Activities)

MUSA 164 — Applied Music (Cello and Bass)  1 UNIT

18 Lecture Hours
Formerly listed as: MUSIC - 129: Applied Music (Cello and Bass)
Recommended for Success: Before enrolling in this course, students are strongly advised to play a cello or bass at an intermediate or advanced level and demonstrate the ability to read music.
Study and performance of cello or bass technique and literature. Recital and public performance participation required. Four completions allowed. Field trips may be required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) Graduation: (MJC: Activities)

MUSA 165 — APPLIED MUSIC (VIOLIN AND VIOLA)  1 UNIT

18 Lecture Hours
Formerly listed as: MUSIC - 128: Applied Music (Violin and Viola)
Recommended for Success: Before enrolling in this course, students are strongly advised to be able to play a violin or viola at an intermediate level and demonstrate the ability to read music.
Study and performance of violin or viola technique and literature. Public performance participation required. Four completions allowed. Field trips may be required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) Graduation: (MJC: Activities)

MUSA 173 — APPLIED MUSIC (BRASS AND PERCUSSION)  1 UNIT

18 Lecture Hours
Formerly listed as MUSA 173 and MUSIC 142
Limitations on Enrollment: Enrollment limited to students who pass audition.
Study and performance of brass and percussion solo literature, etudes, scales, and technical studies. Intended for music majors and/or advanced players. Recital and public performance participation required. Student must own or have access to an instrument appropriate for this course. Four completions allowed. Field trips may be required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) (C-ID: MUS 160) Graduation: (MJC: Activities)

MUSA 183 — APPLIED MUSIC (WOODWINDS)  1 UNIT

18 Lecture Hours
Formerly listed as MUSIC 144
Limitations on Enrollment: Enrollment limited to students who pass audition.
Study and performance of woodwind solo literature, etudes, scales, and technical studies. Intended for music majors and/or advanced players. Recital and public performance participation required. Student must own or have access to an instrument appropriate for this course. Field trips may be required. Four completions allowed. Field trips may be required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) (CC MUSIC 52) Graduation: (MJC: Activities)
MUSIC: COMMERCIAL COURSES (MUSC)

See “Repeat Limitations on Music Courses.” Students must meet performance and repertoire standards before proceeding to successive levels in the following classes.

MUSC 111—RECORDING ARTS 1 2 UNITS
18 Lecture Hours, 54 Lab Hours
Formerly listed as: MUSIC - 172: Recording Arts 1
Introduction to the terminology and practices of the recording arts. Properties of sound, microphone placement, multi-track recording, mixing and mastering. Lab time will be required. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU) Graduation: (MJC: Activities)

MUSC 112—RECORDING ARTS 2 2 UNITS
18 Lecture Hours, 54 Lab Hours
Formerly listed as: MUSIC - 178: Recording Arts 2
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSC 111.
Advanced topics in the recording studio relating to the digital recording process. In depth study of microphone choice and placement, microphone pre-ampifiers and analog processors, direct inputting, non-destructive digital editing, software plug-ins, automation techniques, mixing and mastering in the recording process. Lab time will be required. Two completions allowed. Field trips might be required. (A-F or P/NP) Lecture/Lab. Transfer: (CSU) Graduation: (MJC: Activities)

MUSC 121—INTRODUCTION TO THE SYNTHESIZER AND MIDI 2 UNITS
18 Lecture Hours, 54 Lab Hours
Formerly listed as MUSC 170
Introduction to synthesizer and electronic keyboard sound design and operational procedures. MIDI (Musical Instrument Digital Interface) music studio techniques will be examined and utilized in an electronic music studio environment. Music acoustics, electronic music composition, synthesizer live performance, digital sampling, audio recording and music software programs will be explored. (A-F or P/NP) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU)

MUSC 122—ELECTRONIC MUSIC 2 2 UNITS
18 Lecture Hours, 54 Lab Hours
Formerly listed as MUSIC - 171: Electronic Music 2
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSC 121 or have previous synthesizer, tape recording and MIDI music studio experience.
Applied topics in electronic music composition, MIDI (Musical Instrument Digital Interface) music studio procedures, sampling, tape and digital recording. Performance in an electronic music concert is expected. Two completions allowed. Field trips are not required. (A-F or P/NP) Lecture/Lab. Transfer: (CSU) Graduation: (MJC: Activities)

MUSC 126—MUSIC PRODUCTION FOR MULTIMEDIA 2 UNITS
18 Lecture Hours, 54 Lab Hours
Formerly listed as MUSIC 168

MUSIC: ENSEMBLE COURSES (MUSE)

See “Repeat Limitations on Music Courses.” Students must meet performance and repertoire standards before proceeding to successive levels in the following classes.

MUSE 145—GUITAR ORCHESTRA 1 UNIT
54 Lab Hours
Formerly listed as MUSIC 173
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete or be concurrently enrolled in MUSA 141.
Emphasis on guitar ensemble repertoire, preparation and performance. Required participation and performance in large and small ensembles. Students will be assigned to groups that will perform in mandatory graded concert performances throughout the course. Students should be prepared to perform in different venues and represent the college’s guitar department. Four completions allowed. Field trips are required. (A-F or P/NP) Lab. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: MUS 180)

MUSE 151—MASTERWORKS CHORUS 1 UNIT
54 Lab Hours
Formerly listed as MUSIC 154
Previous experience in a large choral ensemble.
A choral ensemble for all levels of singers. Study and performance of either one large scale work or program of shorter choral works, drawn from the standard repertoire of classical, folk, and popular music. Public performances required. Four completions allowed. Laboratory. Graduation: (MJC: Activities) Transfer: (CSU, UC) (CC MUSIC 66)

MUSE 155—CONCERT CHOIR 1 UNIT
54 Lab Hours
Formerly listed as MUSIC - 152: Concert Choir
Limitations on Enrollment: Enrollment limited to students who pass an audition.
A large choral ensemble for intermediate and advanced level singers. This course is for the study, rehearsal, and public performance of choral/vocal literature from a variety of historical periods, with an emphasis on the development of skills needed to perform within an ensemble. Different literature will be studied each semester. Four completions allowed. Field trips might be required. (A-F or P/NP) Lab. Transfer: (CSU, UC) (C-ID: MUS 180) Graduation: (MJC: Activities)
MUSE 156—Chamber Choir 1 UNIT
54 Lab Hours
Formerly listed as: MUSIC - 153: Chamber Choir

Limitations on Enrollment: Enrollment limited to students who pass an audition.

A small choral ensemble for advanced singers. Public performances of historically and culturally varied music. Four completions allowed. Field trips are required. (A-F or P/NP) Lab. Transfer: (CSU, UC) (C-ID: MJS 180) Graduation: (MJC: Activities)

MUSE 161—Community Orchestra 1 UNIT
54 Lab Hours
Formerly listed as MUSIC 162

Recommended for Success: Before enrolling in this course, students are strongly advised to have experience playing a musical instrument.

Rehearsal and public performance of orchestral music written for a full symphony of strings, woodwinds, brass, and percussion. Repertoire will include works from many eras and a variety of cultures. Focus on developing ensemble balance and tone color, good intonation, rhythmic and stylistic integrity. Four completions allowed. Field trips may be required. (A-F or P/NP) Lab. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: MUS 180)

MUSE 165—String Orchestra 1 UNIT
54 Lab Hours
Formerly listed as MUSIC 150

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSA 163 or satisfactorily complete MUSA 164 OR

Limitations on Enrollment: Enrollment limited to students who perform satisfactorily in an audition, demonstrating ability to sight read music, play scales, and adjust intonation on a bowed string instrument.

Rehearsal and public performance of orchestral music for strings (from all eras and a variety of cultures). Focus on developing bowing and left hand technique. Four completions allowed. Field trips may be required. (A-F or P/NP) Lab. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: MUS 180)

MUSE 171—Concert Band 1 UNIT
54 Lab Hours
Formerly listed as MUSIC 161

Recommended for Success: Before enrolling in this course, students are strongly advised to have previous experience in instrumental music and have the ability to read music.

Student must own or have access to an appropriate instrument. Rehearsal and performance of original wind literature and transcriptions for concert band. Field trips may be required. Four completions allowed. (A-F or P/NP) Lab. Graduation: (MJC: Activities) Transfer: (CSU, UC)

MUSE 175—Symphonic Band 1 UNIT
54 Lab Hours
Formerly listed as MUSIC 146

Recommended for Success: Before enrolling in this course, students are strongly advised to have previous experience playing in a band and have the ability to read music. Rehearsal and performance of original wind band literature and transcriptions for band.

Public performances are required. Field trips may be required. Student must own or have access to an appropriate instrument. Field trips may be required. Four completions allowed. (A-F or P/NP) Lab. Graduation: (MJC: Activities) (C-ID: MUS 180) Transfer: (CSU, UC)

MUSE 176—Chamber Ensembles (Band Instruments) 1 UNIT
18 Lecture Hours
Formerly listed as: MUSIC - 145: Chamber Ensembles (Band Instruments)

Recommended for Success: Before enrolling in this course, students are strongly advised to have at least 2 years of experience on their instrument, be able to read music notation and/or satisfactorily complete MUSE 175 and/or satisfactorily complete MUSE 171.

Rehearsal and performance of chamber ensemble literature. Ensembles may be made up of varying numbers of woodwind, brass, and percussion instruments. Recital and public performance participation required. Student must own or have access to an appropriate instrument. Four completions allowed. Field trips may be required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) (C-ID: MUS 180)

MUSE 181—Jazz Band 1 UNIT
54 Lab Hours
Formerly listed as MUSIC 149

Recommended for Success: Before enrolling in this course, students are strongly advised to have previous experience playing jazz music (one player per part). Student must own or have access to an appropriate instrument.

Study and performance of jazz literature in both traditional and contemporary styles. Public performances required. Four completions allowed. Field trips may be required. (A-F or P/NP) Lab. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: MUS 180)

MUSIC: Ensemble Non-Credit Courses (MUSE)

MUSE 851—Masterworks Chorus
54 Lab Hours
Formerly listed as OLDAD 854

Study and performance of either one large-scale work or program of shorter works. Public performance required. Not a graded course. Unlimited repeats. Lecture/Laboratory.

MUSE 861—Community Orchestra
54 Lab Hours
Formerly listed as OLDAD 862

Study and performance of a combination of large-scale and shorter works for orchestra. Public performance field trips may be required. Laboratory/Rehearsal. Unlimited repeats. Not a graded course.

MUSE 871—Concert Band
54 Lab Hours
Formerly listed as OLDAD 861
COURSES

Prerequisite: Previous experience in instrumental music or satisfactory completion of MUSA 171 or 160.
Rehearsal and performance of original wind literature and transcriptions for concert band. Field trips may be required. Unlimited repeats. Laboratory/Rehearsal. Not a graded course.

MUSIC: GENERAL COURSES (MUSG)

MUSG 101—MUSIC APPRECIATION 3 UNITS
54 Lecture Hours
Formerly listed as: MUSIC - 110: Music Appreciation
A survey course emphasizing the development of the listener's perception of the basic elements of music. Illustrations encompass various types of folk and traditional music, traditional classical music from a variety of historical periods, and musical material of a contemporary nature. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC MUSIC 2) (C-ID: MUS 100) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

MUSG 102—INTRODUCTION TO WORLD MUSIC 3 UNITS
54 Lecture Hours
Formerly listed as: MUSIC - 169: Introduction to World Music
Exploration of traditional/contemporary folk music of Africa, Asia, Latin America Europe and the U.S. from the perspective of music as culture. Investigations of the impact/influence of migratory patterns, social-political processes, and how ethnicities (groups that exist by language and customs) are reflected in music. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

MUSG 103—MUSIC APPRECIATION 3 UNITS
54 Lecture Hours
Formerly listed as: MUSIC - 110: Music Appreciation
Survey course emphasizing the listeners perception and understanding of the elements of music. Illustrations encompass various types of folk and traditional music, traditional classical music from a variety of historical periods, and musical material of a contemporary nature. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

MUSG 104—INTRODUCTION TO AMERICAN POPULAR MUSIC 3 UNITS
54 Lecture Hours
Formerly listed as MUSIC 118
Survey course emphasizing the listeners perception and understanding of the elements of American Popular Music. Illustrations will cover Folk, Jazz, Musical Theatre and Rock styles of popular music. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

MUSG 105—THE MUSIC OF THE BEATLES 3 UNITS
54 Lecture Hours
Formerly listed as MUSIC 190
A survey of the musical styles by the Beatles dating from 1958-1970. Emphasis will be placed on identifying the various musical periods, the stylistic practices in their compositions, their performances and interviews. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC)

MUSG 106—HISTORY OF WESTERN MUSIC 1 3 UNITS
54 Lecture Hours
Formerly listed as MUSIC 112
Survey of musical styles by master composers dating from the ancient period through the end of the baroque period (1750). Various historical periods, the stylistic practices in composition and performance, musical compositions of the most prominent composers from each historical period. Field trips may be required. Lecture/Laboratory. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) (CC MUSIC 10) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

MUSG 107—MUSIC APPRECIATION 3 UNITS
54 Lecture Hours
Formerly listed as MUSIC 111
A general survey of the musical styles by master composers dating from the classical period (1750) to the present. Emphasis will be placed on identifying the various historical periods, the stylistic practices in composition and performance, and utilizing the musical compositions of the most prominent composers from each historical period. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC MUSIC 11) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

MUSIC: STAGE PRODUCTION COURSES (MUSP)

MUSP 151—MUSICAL THEATRE WORKSHOP 2 UNITS
108 Lab Hours
Formerly listed as MUSIC 157
Recommended for Success: Before enrolling in this course, students are strongly advised to have previous vocal experience. Intended for those interested in singing and acting.
Study and performance of musical theatre. Public performance is required. Two completions allowed. Field trips may be required. (A-F or P/NP) Lab. Graduation: (MJC: Activities) Transfer: (CSU, UC)

MUSP 153—ADVANCED MUSICAL THEATRE WORKSHOP 2 UNITS
108 Lab Hours
Formerly listed as MUSIC 158
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUSP 151.
Intended for those interested in singing and acting. Study and performance of musical theatre. Public performance is required. Field trips may be required. (A-F or P/NP) Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC)

MUSIC: THEORY COURSES (MUST)

MUST 101—MUSIC FUNDAMENTALS 1 3 UNITS
54 Lecture Hours
Formerly listed as: MUSIC 100: Music Fundamentals 1
Basic music theory concepts such as musical notation, rhythm, tonality, scales, intervals, key signatures, and chords. Basic aural skills concepts such as rhythmic drills and sight-singing using Solfege. Designed to meet the needs of the music majors with little to no music theory background, as well as non-music majors and prospective elementary school teachers. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: MUS 110) General Education: (MJC-GE: C)
Century compositional techniques and styles such as Symbolism / Impressionism, reinterpretation of diminished 7th chords; chromatic sequences; introduction to 20th Rondo; study of harmonic procedures at the edge of tonality; chromatic modulation; bass realization in 4 parts; continued overview of larger forms such as Sonata and
This course incorporates concepts from Music Theory 3. In addition, the course continues the development of technical in common harmonic practice through Roman numeral analysis, partwriting, figured bass, and guided composition exercises. Introduction to chromatic harmony; modulation; modal mixture; Binary and Ternary period structure. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) (CC MUSIC 21B) (C-ID: MUS 150) General Education: (MJC: Activities) (CSU, UC) (CC MUSIC 21A) (C-ID: MUS 140) General Education: (MJC: Activities)

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUST 131 and concurrently enroll in a lab experience such as MUST 130, Practica Musica.

Supplements the study of written music theory (MUST 121) by practical application of singing, ear-training, and performance techniques; integration of the two basic musical elements pitch and rhythm through weekly singing of diatonic melodies from textbook using movable Do Solfege; analysis, rhythmic and melodic dictation; use of computer assisted instruction in Practica Musica, lab portion of the class (MUST 130). Field trips might be required. (A-F Only) Lab. Not repeatable. Transfer: (CSU, UC) (CC MUSIC 4A) (C-ID: MUS 125) Graduation: (MJC: Activities)

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUST 122.

Sequential continuation of MUST 131, Aural Skills 1; supplements the study of written music theory (MUST 122) by practical application of singing, ear-training, and performance techniques; further development of musicianship skills through weekly singing of diatonic melodies from textbook using movable Do Solfege; analysis, rhythmic and melodic dictation; use of computer assisted instruction in Practica Musica, lab portion of the class (MUST 130). Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) (CC MUSIC 4B) (C-ID: MUS 135) Graduation: (MJC: Activities)

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUST 123.

Sequential continuation of MUST 132, Aural Skills 2; supplements the study of written music theory (MUST 123) by practical application of singing, ear-training, and performance techniques; further development of musicianship skills through weekly singing of diatonic as well as chromatic melodies from textbook using movable Do Solfege and conducting; basic keyboard skills to harmonize weekly melodies and achieve correct intonation; analysis, rhythmic, melodic and harmonic dictation; use of computer assisted instruction in Practica Musica, lab portion of the class (MUST 130). Field trips might be required. Graduation: (MJC: Activities) (A-F Only) Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: MUS 145) (CC MUSIC 4B)

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUST 133.

Sequential continuation of MUST 132, Aural Skills 3; supplements the study of written music theory (MUST 132) by practical application of singing, ear-training, and performance techniques; further development of musicianship skills through weekly singing of diatonic as well as chromatic melodies from textbook using movable Do Solfege and conducting; basic keyboard skills to harmonize weekly melodies and achieve correct intonation; analysis, rhythmic, melodic and harmonic dictation; use of computer assisted instruction in Practica Musica, lab portion of the class (MUST 130). Field trips might be required. Graduation: (MJC: Activities) (A-F Only) Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: MUS 145) (CC MUSIC 4B)
MUST 134 — AURAL SKILLS 4  
1 UNIT  

54 Lab Hours  

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUST 101.  

MUSIC - 109: Aural Skills 4  
Prerequisite: Satisfactory completion of MUST 133.  
Corequisite: Concurrent enrollment in or satisfactory completion of MUST 124.  
Sequential continuation of MUST 133, Aural Skills 3; supplements the study of written music theory (MUST 124) by practical application of sight singing, ear training, analysis and dictation; further development of musicianship skills through weekly singing of chromatic and atonal melodies with conducting; further development of keyboard skills to harmonize weekly melodies. Field trips might be required. (A-F Only) Lab. Not repeatable. Transfer: (CSU) (CC MUSIC 5B) (C-ID: MUS 155) Graduation: (MJC: Activities)  

MUST 141 — MUSICIANSHIP AND GUIDED LISTENING 1  
1 UNIT  

18 Lecture Hours  

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUST 101.  

Musicianship and Guided Listening is a series of 4 sequential courses designed to complement Music Theory and Aural Skills classes. Development of aural and rhythmic skills by means of computer assisted participation in the music lab. Exposure to landmark works from the standard western art music repertoire by means of guided listening. Refinement of listening skills; attainment and development of proper terminology to describe musical events and parameters. Field trips might be required. (P/NP Only) Lecture. Not repeatable. Transfer: (CSU) Graduation: (MJC: Activities)  

MUST 142 — MUSICIANSHIP AND GUIDED LISTENING 2  
1 UNIT  

18 Lecture Hours  

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUST 101.  

Musicianship and Guided Listening is a series of 4 sequential courses designed to complement Music Theory and Aural Skills classes. Development of aural and rhythmic skills by means of computer assisted participation in the music lab. Exposure to landmark works from the standard western art music repertoire by means of guided listening. Refinement of listening skills; attainment and development of proper terminology to describe musical events and parameters. Field trips might be required. (P/NP Only) Lecture. Not repeatable. Transfer: (CSU) Graduation: (MJC: Activities)  

MUST 143 — MUSICIANSHIP AND GUIDED LISTENING 3  
1 UNIT  

18 Lecture Hours  

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUST 101.  

Musicianship and Guided Listening is a series of 4 sequential courses designed to complement Music Theory and Aural Skills classes. Development of aural and rhythmic skills by means of computer assisted participation in the music lab. Exposure to landmark works from the standard western art music repertoire by means of guided listening. Refinement of listening skills; attainment and development of proper terminology to describe musical events and parameters. Field trips might be required. (P/NP Only) Lecture. Not repeatable. Transfer: (CSU) Graduation: (MJC: Activities)  

MUST 144 — MUSICIANSHIP AND GUIDED LISTENING 4  
1 UNIT  

18 Lecture Hours  

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MUST 101.  

Musicianship and Guided Listening is a series of 4 sequential courses designed to complement Music Theory and Aural Skills classes. Development of aural and rhythmic skills by means of computer assisted participation in the music lab. Exposure to landmark works from the standard western art music repertoire by means of guided listening. Refinement of listening skills; attainment and development of proper terminology to describe musical events and parameters. Field trips might be required. (P/NP Only) Lecture. Not repeatable. Transfer: (CSU) Graduation: (MJC: Activities)  

Natural Resources Courses (NR)  

In this program the student will develop skills and knowledge in animal/plant science and I.D., mechanics, communications, public relations, and computations specific to become a park ranger maintenance person, or private entrepreneur in allied jobs including game farm worker. This program will also prepare the student for Transfer to a state university or university program when the General Education requirements are completed. Contact the division office in the Agriculture Building for advising assistance.  

NR 200 — SOILS  
4 UNITS  

54 Lecture Hours, 54 Lab Hours  

Study of soil derivation, classification and characteristics as related to natural and human systems. Soil as a natural system including chemistry, ecology and geology. Soil use and management including erosion, moisture retention, structure, cultivation and organic matter. Special emphasis placed on the relationship between natural and agronomic soil systems. Laboratory topics include soil type, classification, soil chemistry, water and nutrient management and soil microbiology. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C) (CID AG-PS 128L)  

NR 215 — WILDLIFE PRODUCTION  
3 UNITS  

36 Lecture Hours, 54 Lab Hours  

Wildlife production and management and its relationship to humans; managing game for sustained yields. Production principles for common game species found in this area; habitat improvement; species compatibility and interrelationships; wildlife and fish identification. Field trips required. Lecture/Laboratory. (A-F Only) Not repeatable. Transfer: (CSU) (CC NARTC 181) General Education: (MJC-GE: A)  

NR 220 — INTRODUCTORY FORESTRY  
3 UNITS  

36 Lecture Hours, 54 Lab Hours  

Introduction to the integrated management of trees, soils, water, fish and wildlife for the production of wood and fiber products. Emphasis will be on both the traditional and emerging uses of the forest resources to satisfy human needs and the protection of the public trust. Field trips required. Lecture/Lab. (A-F Only) Not repeatable. Transfer: (CSU, UC) (CC FORES 1) General Education: (MJC-GE: A)
NR 222—NATIVE TREE AND SHRUB IDENTIFICATION 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as Native Plants Identification
The study of botanical characteristics, taxonomy, physiology, and community relationships of the major trees and shrubs in California and the Western United States. Includes discussion of commercial uses and geographic ranges of native plants common to the region. Field trips outside of regular class hours. Field trips required. Lecture/Lab. (A-F Only) Not repeatable. Transfer: (CSU)

NR 224—INTRODUCTION TO FOREST MEASUREMENT 3 UNITS
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Satisfactory completion of EHS 201 or 202 or NR 220 or 222 or 376, or equivalent.
Introduction to principles and practices of interpreting aerial photographs. Emphasis on vegetation typing, mapping, road reconnaissance and inventory techniques. Use of aerial photographs to obtain location, area, vegetation types, timber volume. Explanation of Geographic Information Systems and its application to forestry and natural resources. Field trips may be required. Lecture/Laboratory. (A-F Only) Not repeatable. Transfer: (CSU) (CC NARTC 160)

NR 230—OUTDOOR/FOREST RECREATION 3 UNITS
36 Lecture Hours, 54 Lab Hours
A study of historic, social, political, economic, and environmental factors influencing outdoor recreation at federal, state, and local levels. Survey of conflicts in natural resources land use and solutions to these conflicts. Maintenance and operation of recreational facilities. Field trips may be required. Lecture/Lab. (A-F Only) Not repeatable. Transfer: (CSU)

NR 376—FORESTRY TECHNOLOGY 3 UNITS
36 Lecture Hours, 54 Lab Hours
Recommended for success: Satisfactory completion of NR 220 or NR 222 or NR 224.
Additional training in silviculture, cruising, forest management, harvesting, and regulations as determined by the California Forest Practice Act. Field trips required. Lecture/Laboratory. (A-F Only) Not repeatable. Transfer: (CC FORES 10/FORETEC 162)

NR 379—WILDLAND FIRE CONTROL 1 UNIT
9 Lecture Hours, 27 Lab Hours
Introduction to fundamentals of wildland fire behavior, basic fire fighting strategy, methods of attack to suppress wildland fires. Course is taught in conjunction with U.S. Forest Service. Field trips required. Lecture/Laboratory. (A-F Only) Not repeatable. Transfer: (CC NATRE 22)

Nurse Assistant and Associate Degree in Nursing Courses (NURSE)

NURSE 40—NURSE ASSISTANT 5 UNITS
54 Lecture Hours, 108 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to obtain a GED or High School diploma.
Limitations on Enrollment: Enrollment limited to students who have had a physical examination within the last three months and can provide confirmation of a PPD and pass a criminal background screening through the Livescan fingerprint process.
Preparation for employment as a nurse assistant in a skilled nursing facility. Upon satisfactory completion of the course, the student is eligible to take the state examination for certification as a Certified Nurse Assistant (CNA). Based on the Model Curriculum for Nurse Assistant Training and Assessment Program following Department of Health Services Guidelines. Organized in fifteen units with content ranging from role and responsibilities of the CNA to death and dying. Additional costs for students include purchase of appropriate uniform for the clinical site, enrollment fees, books, and application fees for the state certification examination. Student may repeat if required by regulation. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable.

NURSE 53—CERTIFIED HOME HEALTH AIDE 2 UNITS
27 Lecture Hours, 27 Lab Hours
Theory and laboratory experiences required for state-certified nursing assistants to become eligible for home health aide certification. Content includes: orientation to home health care, personal care of clients including medical and social needs; nutrition, safety and cleanliness in the home. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable.

NURSE 115—INTRODUCTION FOR NURSING MAJORS 0.5 UNITS
9 Lecture Hours
Formerly listed as NURSE 115 - Guidance for Nursing Majors
Acquaints students with the academic requirements and curriculum for the Associate Degree Nursing program. Students view the role and function of the nurse. Students analyze their educational needs and goals and choose alternatives to enhance success through nursing education. Students will understand the curriculum requirements that pertain to them and begin to formulate an educational plan for an associate of science degree in nursing. The role of aptitudes, interests, values and skills will be addressed. Important aspects of nursing as an occupational choice will be covered along with information regarding the nursing profession. (P/NP Only) Lecture. Not repeatable.

NURSE 259—LVN TRANSITION: ROLE CHANGE PREPARATION 2 UNITS
27 Lecture Hours, 27 Lab Hours
Formerly listed as NURSE 259 - LVN Transition: Preparing for a Role Change
Limitations on Enrollment: Enrollment limited to students who are Licensed Vocational Nurses/Licensed Practical Nurses with an active license and IV certification and a score of 62 or greater on the Test of Essential Academic Skills (TEAS).
Prerequisite: Satisfactory completion of ANAT 125 and MICRO 101 and PHYSO 101 and ENGL 101.
The focus of this course is on nursing knowledge and skills that the LVN student needs in order to provide the basis for transition of information and skills required of the registered nurse. Content includes nursing process as it applies to the adaptation theory of nursing practice, LVN role transition to registered nurse, assessment of physical and psychosocial adaptations, pharmacology, and math for medication calculation. Emphasis is on critical thinking in the clinical setting as it applies to nursing practice. Materials fee required. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

NURSE 270—NURSING PROCESS: PHARMACOLOGY  2 UNITS
Formerly listed as: NURSE 260: Nursing Process: Pharmacology
36 Lecture Hours
Limitations on Enrollment: Enrollment limited to students who have been accepted into the Associate Degree Nursing Program.
Introduction to concepts of pharmacology, including pharmacokinetics, pharmaceutical systems of measurements & calculations, drug classifications, and nursing responsibilities in medication administration. Field trips are not required. (A-F Only) Lecture. Not repeatable.

NURSE 271—NURSING PROCESS: FUNDAMENTALS  6.50 UNITS
54 Lecture Hours, 189 Lab Hours
Formerly listed as: NURSE 261: Nursing Process: Fundamentals
Corequisite: Concurrent enrollment in NURSK 800.
Limitations on Enrollment: Enrollment limited to students who have been accepted into the Associate Degree Nursing Program.
Applies fundamental concepts and principles of the nursing process to the care and needs of patients within the acute care setting. The primary focus of the course is on assessment and care of patients experiencing alterations in basic health needs. Students practice basic clinical skills in a simulated lab setting prior to beginning care in the acute care facility. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

NURSE 272—NURSING PROCESS: GERIATRIC NURSING  1 UNIT
9 Lecture Hours, 27 Lab Hours
Limitations on Enrollment: Enrollment limited to students who are accepted into the Associate Degree Nursing Program.
The focus of this course is on nursing knowledge and skills in order to provide nursing care for the geriatric population. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

NURSE 273—NURSING PROCESS: MATERNAL-CHILD NURSING  6.50 UNITS
54 Lecture Hours, 189 Lab Hours
Limitations on Enrollment: Enrollment limited to students who have been accepted into the Associate Degree Nursing program.
Applies basic principles and concepts of the nursing process to meet the needs of the childbearing woman, childbearing family, and the pediatric patient. Family-centered care in the hospital and outpatient settings, along with health maintenance, prevention of illness, and patient/family teaching will be emphasized. Skills included in this course include venipuncture, intravenous fluid administration, intravenous medication administration, and enteral nutrition. Materials fee required. Materials fee required. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

NURSE 274—NURSING PROCESS: MENTAL HEALTH  3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as: NURSE - 266: Nursing Process: Mental Health
Limitations on Enrollment: Enrollment limited to students who have been accepted into the Associate Degree Nursing Program.
Applies the principles and concepts of the nursing process to meet the need of clients with psychiatric disorders across the life span. Mental health maintenance, prevention of illness, patient/family teaching, and therapeutic relationships will be emphasized. Students will be assigned to an acute psychiatric setting and tertiary areas that support and provide community mental health care services. Field trips might be required. (A-F or P/NP) Not repeatable. Lec/Lab. Transfer: (CSU)

NURSE 275—NURSING PROCESS: MEDICAL-SURGICAL  7 UNITS
63 Lecture Hours, 189 Lab Hours
Formerly listed as: NURSE - 265: Nursing Process: Medical-Surgical
Corequisite: Concurrent enrollment in NURSK 800.
Limitations on Enrollment: Enrollment limited to students who have been accepted into the Associate Degree Nursing Program.
This course applies the principles of the nursing process to the care and adaptation of adult patients with disorders of the respiratory, cardiovascular, hemotologic, and immune systems, as well as principles of oncologic nursing. The leadership role of the nurse as manager of care and member of the profession is integrated into clinical expectations and experiences. Clinical applications of theory include case studies, evidence-based practice, specialized assessments, and complex skills. The principles of Quality and Safety Education in Nursing (QSEN) and the Roy Adaptation Model are integral to this course. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

NURSE 276—NURSING PROCESS: ADVANCED MEDICAL-SURGICAL  6 UNITS
54 Lecture Hours, 162 Lab Hours
Formerly listed as: NURSE - 267: Nursing Process: Adv. Medical - Surgical
Limitations on Enrollment: Enrollment limited to students accepted into the Associates Degree in Nursing Program.
Includes advances in medical/surgical concepts and principles in the nursing process. Promotes role development in the care and management of patient groups in the acute care setting. The student is responsible for the clinical skills learned in previous semesters, acquires new skills and takes a clinical competency test in the acute care setting. Materials fee required. Field trips are not required. (A-F Only) Not repeatable. Transfer: (CSU)

NURSE 277—NURSING PROCESS: LEADERSHIP AND PRECEPTORSHIP  4 UNITS
18 Lecture Hours, 162 Lab Hours
Prerequisite: Satisfactory completion of NURSE 276.
This is the capstone course of the nursing program encompassing all the clinical, technical, and critical thinking skills learned in the program emphasizing leadership in management of patient care. Students complete a 180 hour preceptorship working directly with a registered nursing preceptor in the acute care facility. Field trips are not required. (A-F Only) Not repeatable. Transfer: (CSU)
### Nursing Skills Courses (NURSK)

#### NON-CREDIT COURSES

**NURSK 800—NURSING SKILLS DEVELOPMENT**

30 Lab Hours  
Corequisite: Concurrent enrollment in NURSE 271 or NURSE 272 or NURSE 273 or NURSE 274 or NURSE 275 or NURSE 276 or NURSE 259 or NURSE 40 or NURWE 361 or NURWE 362.  
Provides simulated clinical experiences in a supervised laboratory setting for students who must use the Allied Health skills laboratory to achieve the objectives of a course in which they are enrolled. (Non-Graded course) Lab. Unlimited repeats.

### Nursing Work Experience Courses (NURWE)

**NURWE 361—WORK EXPERIENCE—NURSING A**

1 Unit  
54 Lab Hours  
Formerly listed as: NURWE - 361: Work Experience-Nursing  
Prerequisite: Satisfactory completion of NURSE 270 and NURSE 271.  
Corequisite: Concurrent enrollment in NURSE 272 or NURSE 273 or NURSE 274 or NURSE 275 or NURSE 276 or NURSE 277.  
Provides the student enrolled in the ADN program an opportunity to obtain nursing experience in a structured clinical work/study community service program in participating clinical agencies. Students gain additional practice in nursing by applying previously learned knowledge and skills. Orientation: 1 hour arranged. 75 hours compensated related work experience per semester equals 1 unit or 60 hours uncompensated related work experience. Field trips are not required. (P/NP Only) Lab. Not repeatable.

**NURWE 362—WORK EXPERIENCE—NURSING B**

2 Units  
108 Lab Hours  
Formerly listed as: NURWE - 362: Work Experience-Nursing  
Prerequisite: Satisfactory completion of NURSE 270 and NURSE 271.  
Corequisite: Concurrent enrollment in NURSE 272 or NURSE 273 or NURSE 274 or NURSE 275 or NURSE 276 or NURSE 277.  
Provides the student enrolled in the ADN program an opportunity to obtain additional nursing experience in a structured clinical work/study community service program in a participating clinical agency. Students gain additional practice in nursing by applying previously learned knowledge and skills. Orientation: 1 hour arranged. 150 hours compensated related work experience per semester equals 2 units or 120 hours uncompensated related work experience per semester equals 2 units. Field trips are not required. (P/NP Only) Lab. Not repeatable.

### Office Administration Courses (OFADM)

**OFADM 201—INTERMEDIATE KEYBOARDING 1**

1 Unit  
18 Lecture Hours  
Formerly listed as: OFADM 201: Intermediate Keyboarding  
Recommended for Success: Before enrolling in this course, students are strongly advised to complete at least one semester of keyboarding and type a minimum of 45 gross words per minute on a five-minute timing.  
First of three modules in OFADM 203. Further development of keyboarding with an emphasis on speed and accuracy; practice and drill on production keyboarding; drill and practice on formatting techniques and procedures for setting up business letters, academic and business reports, tables, business forms, including interoffice memoranda, resumes, minutes, and agendas. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

**OFADM 202—INTERMEDIATE KEYBOARDING 2**

2 Units  
36 Lecture Hours  
Formerly listed as: OFADM 202: Intermediate Keyboarding  
Recommended for Success: Before enrolling in this course, students are strongly advised to complete at least one semester of keyboarding and type a minimum of 45 gross words per minute on a five-minute timing.  
First two modules of OFADM 203. Further development of keyboarding with an emphasis on speed and accuracy; practice and drill on production keyboarding; drill and practice on formatting techniques and procedures for setting up business letters, academic and business reports, formal reports and all components, tables, business forms, including interoffice memoranda, resumes, minutes, and agendas. Individualized instruction. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

**OFADM 203—INTERMEDIATE KEYBOARDING 3**

3 Units  
54 Lecture Hours  
Formerly listed as: OFADM 203: Intermediate Keyboarding  
Recommended for Success: Before enrolling in this course, students are strongly advised to possess at least one semester of keyboarding and type a minimum of 45 gross words per minute on a five-minute test.  
Further development of keyboarding with an emphasis on speed and accuracy; practice and drill on production keyboarding; drill and practice on formatting techniques and procedures for setting up business letters, academic and business reports, formal reports and all components, tables, business forms, including interoffice memoranda, resumes, minutes, and agendas. Also, the design and creation of effective office forms and publications, such as letterheads, notepads, cover pages, announcements, flyers, and newsletters. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

**OFADM 231—INTERMEDIATE WORD PROCESSING**

3 Units  
36 Lecture Hours, 54 Lab Hours  
Also offered as: CSCI 224 (CMPSC 231): Intermediate Word Processing  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete OFADM 203 and/or satisfactorily complete OFADM 330.
OFADM 232 — ADVANCED WORD PROCESSING AND DESKTOP PUBLISHING
36 Lecture Hours, 54 Lab Hours
Formerly listed as: OFADM 232: Advanced Word Processing and Desktop
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete CSCI 224 or satisfactorily complete OFADM 231 or have strong prior knowledge of word processing software.
Application of advanced word processing techniques and procedures including those features relating to desktop publishing. For students who are already knowledgeable in word processing software. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (MJC OFADM 301+OFADM 302=CC OFTEC 120)

OFADM 301 — BEGINNING KEYBOARDING
9 Lecture Hours, 54 Lab Hours
Development of basic alpha/numeric keyboarding skills needed for the keyboard by touch. Drills to develop speed and accuracy on straight copy. Designed for students with no previous keyboarding/typing experience. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (MJC OFADM 301+OFADM 302=CC OFTEC 120)

OFADM 302 — BEGINNING DOCUMENT PROCESSING
9 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete OFADM 301 or have ability to keyboard and type a minimum of 35 gross words per minute on a three-minute timing.
Further development of speed and accuracy on the alpha/numeric keyboard. Instruction in opening, saving, naming, printing documents; deletion and addition of text; margin/tab settings; spacing techniques; text editing techniques; vertical/horizontal centering; basic business letter, memo, and report formats. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (MJC OFADM 301+OFADM 302=CC OFTEC 120)

OFADM 303 — KEYBOARDING FOR SPEED AND ACCURACY
27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete OFADM 301 or possess the ability to keyboard by touch at 20 gross words per minute.
Keyboarding course designed to diagnose a student's current keyboarding skills needs, prescribe appropriate practice materials, measure skill development, improve speed and accuracy, and continually evaluate the skill building process. (A-F Only) Lab. Not repeatable.

OFADM 304 — PROFESSIONAL ENGLISH FOR BUSINESS
54 Lecture Hours
Review of the mechanics of correct English usage as applied in the business environment. Emphasis is on sentence structure, word usage, punctuation, spelling, business vocabulary, dictionary usage, grammar review, and proofreading. Heavy emphasis is placed on the use of various business documents throughout the course for students to apply their writing skills. (A-F or P/NP) Lecture. Not repeatable.

OFADM 305 — RECORDS MANAGEMENT
45 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete OFADM 353 and have ENGL 50 eligibility.
Filing rules and their application to alphabetic, numeric, geographic, and subject systems; establishing manual and computer filing systems; records control, retention, Transfer, equipment, and supplies; micrographics; using the computer to store, organize, maintain, and retrieve information. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable.

OFADM 306 — KEYBOARDING FOR ACCURACY
27 Lab Hours
Prerequisite: Satisfactory completion of OFADM 303.
Keyboarding course designed to develop a student's current keyboarding skill, prescribe appropriate practice materials, measure skill development, improve accuracy, and continually evaluate the skill building process. Field trips are not required. (A-F Only) Lab. Not repeatable.

OFADM 307 — KEYBOARDING FOR SPEED
27 Lab Hours
Prerequisite: Satisfactory completion of OFADM 303.
Keyboarding course designed to develop a student's current keyboarding skill, prescribe appropriate practice materials, measure skill development, improve speed, and continually evaluate the skill building process. Field trips are not required. (A-F Only) Lab. Not repeatable.

OFADM 311 — BUSINESS PROOFREADING AND EDITING
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to possess keyboarding skills to keyboard assignments.
Development of skills in transcribing notes including mastery of problems in spelling, word usage, punctuation, vocabulary, grammatical construction, capitalization, word division, proofreading, and use of numbers. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable.

OFADM 313 — OFFICE SKILLS
54 Lecture Hours
A study of various positions available in an office. Emphasis on location, skills, salary, benefits, and retirement packages of office positions. Covers entry-level skills and experiences necessary for beginning office positions, including career planning, telephone, and time management skills. Recommended as a first semester course for students pursuing an Office Administration or Clerical certificate or degree. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable.

OFADM 314 — OFFICE PROCEDURES & TECHNOLOGIES
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete OFADM 202 and satisfactorily complete OFADM 362 and satisfactorily complete OFADM 231 or have prior knowledge of word processing software.
Study of attributes and skills needed to work in an office. Explores duties of
administrative assistants. Topics include workplace environment, workforce behaviors,
telecommunications, reprographics, oral and written communications, mailing and
shipping, and record keeping. (Course only offered during fall semester.) Field trips may
be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CC OFTEC 131)

OFADM 315—TODAY’S OFFICE 2 UNITS
108 Lab Hours
Prerequisite: Satisfactory completion of OFADM 202 and OFADM 314.
Provides a simulated office environment to give students the experience that is often
necessary in obtaining and keeping an office position. Students will be “hired” as an
employee within the simulated office with the availability of transferring to other
positions later in the course. Emphasis on application of skills and knowledge necessary
to be an effective employee. Upon mastery of necessary skills, students may be placed as
interims in offices to gain additional experience. The course should be taken in the student’s
last semester before graduation or certificate completion. (A-F Only) Lab. Not repeatable.

OFADM 320—TELEPHONE TECHNIQUES 1 UNIT
18 Lecture Hours
Development of effective use of the telephone. Scenarios include appropriate greetings,
placing callers on hold, dealing with difficult callers, and communication on the
telephone. Telephone equipment and services are also covered. (A-F or P/NP) Lecture.
Not repeatable.

OFADM 328—MACHINE TRANSCRIPTION 1 1 UNIT
9 Lecture Hours, 27 Lab Hours
Formerly listed as: OFADM - 328A: Machine Transcription
Recommended for Success: Before enrolling in this course, students are strongly
advised to satisfactorily complete OFADM 311 or satisfactorily complete OFADM
304 and have the ability to keyboard 40 gross words per minute on a three minute
timing.
Instruction and practice in the use of software designed to assist in the transcription
of audio recordings. Individualized instruction in the keyboarding of general business
Not repeatable.

OFADM 329—MACHINE TRANSCRIPTION 2 2 UNITS
18 Lecture Hours, 54 Lab Hours
Formerly listed as: OFADM - 328B: Machine Transcription
Recommended for Success: Before enrolling in this course, students are strongly
advised to satisfactorily complete OFADM 311 or satisfactorily complete OFADM
304 and have the ability to keyboard 40 gross words per minute on a three minute
timing.
Instruction and practice in the use of software designed to assist in the transcription
of audio recordings. Individualized instruction in the keyboarding of general business
documents including letters, memos, press releases, and reports. (A-F Only) Lecture/Lab.
Not repeatable.

OFADM 330—BEGINNING WORD PROCESSING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly
advised to satisfactorily complete OFADM 301.

OFADM 333—INTRODUCTION TO COMPUTERS AND WINDOWS 1 UNIT
9 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly
advised to have the ability to keyboard by touch.
Basic introduction to computers and the Windows operating environment. Explains
components of a computer system and provides hands-on training using a personal
computer. Intended for students new to using personal computers and the Windows

OFADM 356—INTRODUCTION TO WORD PROCESSING 1 UNIT
9 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly
advised to satisfactorily complete OFADM 301 and/or have the ability to keyboard
by touch.
Beginning course in the use of word processing software. Features of the software will
be explained and demonstrated in a hands-on learning environment. (A-F Only) Lecture/Lab.
Not repeatable.

OFADM 359—INTRODUCTION TO SPREADSHEET SOFTWARE 1 UNIT
9 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly
advised to have satisfactorily completed OFADM 333.
Beginning course in the use of spreadsheet software. Features of software will be
explained and demonstrated in a hands-on learning environment. (A-F Only) Lecture/Lab.
Not repeatable.

OFADM 361—INTRODUCTION TO DATABASES 1 UNIT
9 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly
advised to satisfactorily complete OFADM 333 and satisfactorily complete OFADM
356 and satisfactorily complete OFADM 359 and/or satisfactorily complete OFADM
362.
A beginning course using features of database software. Course is designed to enable
students to learn and apply the features of database software to organize information
and to work with stored information. (A-F Only) Lecture/Lab. Not repeatable.

OFADM 362—INTRODUCTION TO BUSINESS PRESENTATION SOFTWARE 1 UNIT
9 Lecture Hours, 27 Lab Hours
Formerly listed as: OFADM - 362: Intro to Business Presentation Software
Recommended for Success: Before enrolling in this course, students are strongly
advised to satisfactorily complete OFADM 333.
A beginning course using computer software to design slides, outlines, note pages, and
OFADM 363—UNDERSTANDING THE INTERNET 1 UNIT
9 Lecture Hours, 27 Lab Hours
Fundamentals of using the Internet. Topics included in the course: Internet terminology, use of browsers, search engines and sites, downloading of files, and e-mail. (A-F Only) Lecture/Lab. Not repeatable.

OFADM 364—GRAMMAR IN THE OFFICE 1 UNIT
18 Lecture Hours

OFADM 366—PROOFREADING TECHNIQUES 1 UNIT
9 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have successfully completed OFADM 304.
Self-paced course addressing the skills needed to identify mechanical and content errors in handwritten or printed text by using proofreader’s marks. Grammar, punctuation, and spelling rules will be reviewed. (A-F Only) Lecture/Lab. Not repeatable.

OFADM 375—10-KEY ON THE COMPUTER 1 UNIT
9 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete OFADM 301 or have the ability to keyboard by touch. Touch system of numeric keys on the 10-key pad. (A-F Only). Lecture/Lab. Not repeatable.

Philosophy Courses (PHILO)

PHILO 101—PHILOSOPHY 3 UNITS
54 Lecture Hours
A careful and critical examination of some of the “Great Questions” philosophers have pursued from ancient times to the present concerning knowledge, reality, and values. Some of these include: What is human nature? What is real? Do we have free will? Does God exist? What can we know? How should we act? What is the source of evil? And, what is the nature of truth? Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC PHILO 1) (C-ID: PHIL 100) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

PHILO 103—SYMBOLIC LOGIC 3 UNITS
54 Lecture Hours
Also offered as CSCI 203 (CMPSC 103)
An introduction to the principles of valid deductive reasoning, including both sentential and predicate logic. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: PHIL 210) General Education: (MJC-GE: D2) (CSU-GE: A3)

PHILO 105—REASONING 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of ENGL 101.
An examination of logic and its practical application in everyday situations, including problem solving, advertisement discrimination, political evaluation, and argumentation. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: D2) (CSU-GE: A3) (IGETC: 1B)

PHILO 107—PHILOSOPHY OF SCIENCE 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of ENGL 101.
Systematic study of the methods of scientific inquiry through the application of critical thinking through philosophical analysis of scientific methodology. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: D2) (CSU-GE: A3) (IGETC: 1B)

PHILO 111—ETHICS: THEORY AND APPLICATION 3 UNITS
54 Lecture Hours
Systematic study of reflective choice, standards of right and wrong by which it may be guided and attainable goods toward which it may be directed. Readings on representative ethical theories concerning morality and values including the concepts of good, duty, egoism, altruism, freedom, personal and social responsibility as well as applied ethics. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: PHIL 120) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

PHILO 113—PHILOSOPHY OF ART 3 UNITS
54 Lecture Hours
An examination of the central features of art as well as alternative accounts of art and aesthetic experience including discussions of beauty, representation, and truth. Field trips may be required. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

PHILO 115—RELIGION: A PHILOSOPHICAL AND COMPARATIVE INQUIRY 3 UNITS
54 Lecture Hours
Introduction to the philosophical problems of religion and a comparative analysis of religious traditions and spiritual practices. Topics include the nature and existence of God, faith and reason, religious knowledge, language and experience in human life. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) (CC HUMAN 4) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

PHILO 120—HISTORY OF PHILOSOPHY: ANCIENT 3 UNITS
54 Lecture Hours
Ancient philosophy with emphasis on the development of Greek philosophy from the Pre-Socratics through Aristotle. Course may also include later developments such as Hellenistic, Roman, and Christian philosophy or prominent eastern philosophies. Some of the topics include free will/determinism, the nature of existence, being, definition, and logic. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: PHIL 130) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

317
PHILO 121—HISTORY OF PHILOSOPHY: MODERN 3 UNITS

54 Lecture Hours
Western ideas and philosophy from the 16th through 18th centuries with an emphasis on knowledge and reality in philosophical thought from Descartes to Kant as well as the rise of modern science. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

PHILO 123—TWENTIETH CENTURY PHILOSOPHY 3 UNITS

54 Lecture Hours

PHILO 130—POLITICAL PHILOSOPHY 3 UNITS

54 Lecture Hours
A study of social and political thought using classical and contemporary writings, with emphasis on current issues. Ideologies discussed include democracy, socialism, capitalism, communism, fascism, and anarchism. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (MJC-GE: B, C) (CSU-GE: D8) (IGETC: 4H)

PHILO 135—ENVIRONMENTAL ETHICS 3 UNITS

54 Lecture Hours
How ought we to relate to the rest of nature? What, if anything, is the value of wilderness and wild animals? Are we morally bound to use technology in an ecologically responsible manner? Course will address questions and issues such as these that arise when considering the relationship between human beings and the environment. Topics include animal rights, land use policy, sustainability, bioengineering, climate change, environmental justice. Theoretical approaches include deep ecology, anthropocentrism, ecofeminism, and pragmatism. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

PHILO 140—PHILOSOPHY AND FILM 3 UNITS

54 Lecture Hours
An introduction to philosophical problems and reasoning through an analysis of films. Topics discussed include philosophy of life and existence, political ideologies, the nature of aesthetic experience, and theories of film. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B)

Physical Education Courses (PE, PEA, PEC, PEM, PEVM, PEVW, PEW)
The Physical Education program at MJC offers a balanced approach based upon the individual interests and needs of the student. In addition to a wide spectrum of physical education activity classes, MJC offers intercollegiate competition in many sports and adaptive physical education courses. Theory classes are offered in basketball, football, track and field, wrestling, softball, and baseball. Since the majority of career opportunities in Physical Education exist for students completing a bachelor's degree, General Education and transfer courses are carefully planned so that students are well prepared for individual career needs and upper division college work. Courses should be selected with the assistance of a Physical Education faculty advisor. Students interested in a career in Physical Education are encouraged to take a variety of activity classes each semester, thereby broadening their activity skills before Transfer.

ACTIVITIES REQUIREMENT FOR DEGREE

Physical Education classes used to fulfill the graduation activities requirement must be from the PEA, PEC, PEM, PEW, PEVM, or PEVW class listings.

PE 100—INTRODUCTION TO PHYSICAL EDUCATION 3 UNITS

54 Lecture Hours
History, philosophy, and principles of Physical Education. Study of the aims and objectives of modern physical education with emphasis on the development of basic philosophy and background for the profession of physical education. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC)

PE 101—BASKETBALL THEORY 1 UNIT

9 Lecture Hours, 27 Lab Hours

PE 102—OFFENSIVE FOOTBALL THEORY 2 UNITS

18 Lecture Hours, 54 Lab Hours
An analysis of offensive position and team play. Critical analysis of offensive techniques, rules, physical and mental training procedures, and film evaluation. A-F or P/NP Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

PE 103—TRACK AND FIELD TEAM CONCEPTS 1 UNIT

18 Lecture Hours
Specialized approach to track and field. Rules, training procedures, strategy, and performance evaluation. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC)

PE 104—WRESTLING THEORY 1 UNIT

9 Lecture Hours, 27 Lab Hours
Analysis of wrestling; rule interpretation, winning psychology, film analysis. Repeatable up to 2 units maximum. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

PE 105—DEFENSIVE FOOTBALL THEORY 2 UNITS

18 Lecture Hours, 54 Lab Hours
An analysis of defensive position and team play. Critical analysis of defensive techniques, rules, physical and mental training, and film evaluation. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)
PE 106—OFFENSIVE BASEBALL THEORY  2 UNITS
18 Lecture Hours, 54 Lab Hours

PE 107—DEFENSIVE BASEBALL THEORY  2 UNITS
18 Lecture Hours, 54 Lab Hours
An analysis of defensive techniques, position and team play. Coverage of rules and training procedures. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

PE 108—CARE AND PREVENTION OF ATHLETIC INJURIES  3 UNITS
54 Lecture Hours
Aid in the recognition, evaluation, and care of athletic injuries. Techniques in taping, prevention, and rehabilitation of injuries. Sport specific injuries are examined and discussed to familiarize students with the multitude of injuries that can and will occur in sporting activities. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC)

PE 109—PEAK PERFORMANCE THROUGH MENTAL TRAINING  3 UNITS
54 Lecture Hours
Techniques for maximizing sport and dance performance through the development of mental skills and strategies for stress control, imagery, goal setting and concentration. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC)

PE 110—OFFICIATING: SPRING SPORTS  3 UNITS
54 Lecture Hours
Regulations and techniques of officiating baseball and softball. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC)

PE 111—APPLICATION OF SPORTS MEDICINE  3 UNITS
54 Lecture Hours
Practical application of modalities and techniques used in the treatment and care of athletic injuries for the prospective Athletic Trainer. Emphasis on injury recognition, development of conditioning and reconditioning programs and taping techniques to enable athletes to return to competitive activities. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC)

PE 113—OFFENSIVE/DEFENSIVE SOFTBALL THEORY  2 UNITS
18 Lecture Hours, 54 Lab Hours
Analysis of offensive and defensive techniques, strategies, positions, and team play including rules and physical and mental training. Course designed to prepare the student to compete in collegiate softball. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

PE 114—CROSS COUNTRY CONCEPTS  1 UNIT
18 Lecture Hours
Specialized approach to cross country and long distance running. Training procedures, performance evaluation, nutritional strength, and racing strategy components. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC)

PE 115—OFFICIATING: FALL SPORTS  3 UNITS
54 Lecture Hours
Regulations and techniques of officiating football and basketball. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC)

PE 116—FOOTBALL TEAM PLAY CONCEPTS  2 UNITS
18 Lecture Hours, 54 Lab Hours
Essential concepts of team-building in football. Goal-setting and development of individual roles. Exploration of team communication processes and activation of leadership of the successful football team. Provides both the participant and the future mentor specialized exposure for an in-depth survey of team building in regard to the sport of football. Lecture/Laboratory. Field trips may be required. (A-F or P/NP) (Fall) Not repeatable. Transfer: (CSU, UC)

PE 120—SPORTS AND SOCIETY  3 UNITS
54 Lecture Hours
Examine sports as a significant aspect of modern culture and a major institution of modern society. Among the topics that will be analyzed include: gender and sports, the relationship between organized sports and aggression, sports as an economy, and the issues of social class and race in sports. Field trips are not required. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) (CC HHP 63)

PE 121—COACHING EFFECTIVENESS  3 UNITS
54 Lecture Hours
Role of coach in athletics, ethics, leadership and management principles, psycho-social aspects of athlete behavior management, motor learning, physiological systems and physical training theory. Lecture. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC)

PE 122—ADAPTED PHYSICAL EDUCATION THEORY AND LAB  3 UNITS
36 Lecture Hours, 54 Lab Hours
Common definitions, scope and basic concepts of Adapted Physical Education. A study of specific disabilities, with a primary focus on identification, etiology and implications for physical education. Course includes practical experience in the field. Intended for students interested in pursuing a career in physical therapy, nursing, adapted physical education, gerontology or fields requiring one to work with individuals with disabilities. Lecture/Laboratory. Not repeatable. (A-F Only) Transfer: (CSU, UC)

PE 124—INTRODUCTION TO KINESIOLOGY  3 UNITS
54 Lecture Hours
Introduction to the interdisciplinary approach to the study of human movement. An overview of the importance of the sub-disciplines in Kinesiology will be discussed along with career opportunities in the areas of teaching, coaching, allied health, and fitness professions. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC HHP 3) (C-ID: KIN 100) General Education: (MUC-GE: A)

PE 130—PERSONAL TRAINER HEALTH FITNESS INSTRUCTOR  3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 195 or satisfactorily complete PEC 197 or satisfactorily complete PEW 192.
Basic competency in designing and implementing fitness programs for a healthy population. Features both practical and theoretical instruction as well as career advice. Emphasis on safe, effective and efficient methods of teaching cardiovascular training, resistance training, balance training and flexibility training for individuals or groups. Covers a broad range of exercise physiology, exercise program design, anatomy of major muscle groups, interval and circuit training, exercise biomechanics, advanced lifting techniques, the basics of working with special populations, and exercise progression. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

**PE 141—SUPERVISION IN ATHLETIC TRAINING**  
**2 UNITS**  
18 Lecture Hours, 54 Lab Hours  
Prerequisite: Satisfactory completion of PE 108  
Policies, procedures, and daily functions that are necessary for the student to work in the Athletic Treatment Center. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

**PE 142—SUPERVISION IN ATHLETIC TRAINING 2**  
**2 UNITS**  
18 Lecture Hours, 54 Lab Hours  
Prerequisite: Satisfactory completion of PE 141.  
Second semester course on policies and procedures, emergency protocols, and daily functions of the Athletic Treatment Center. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

**PE 143—SUPERVISION IN ATHLETIC TRAINING 3**  
**2 UNITS**  
18 Lecture Hours, 54 Lab Hours  
Prerequisite: Satisfactory completion of PE 142.  
Third semester course on policies and procedures, emergency protocols, and daily function necessary for the student to work in the Athletic Treatment Center and to cover college athletic events. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

**PE 144—SUPERVISION IN ATHLETIC TRAINING 4**  
**2 UNITS**  
18 Lecture Hours, 54 Lab Hours  
Prerequisite: Satisfactory completion of PE 143.  
Fourth semester course on policies and procedures, emergency protocols, and daily functions of the Athletic Treatment Center Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

**PE 194—INTRODUCTION TO WORLD DANCE**  
**3 UNITS**  
54 Lecture Hours  
Also offered as: THETR 194  
A survey of dance and its development as an art form through social, political and cultural context. Investigation of cultural traditions and styles, values, aesthetics and mores will be explored. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

---

**PHYSICAL EDUCATION: ADAPTED ACTIVITIES COURSES (PEA)**

**PEA 104—ADAPTED STRENGTH DEVELOPMENT**  
**1 UNIT**  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to provide medical verification of disability and recommendation of medical specialist.  
Development and maintenance of muscular strength for students with physical/medical limitations. Emphasis on encouraging independence and teaching lifelong fitness knowledge and skills. (A-F or P/NP) Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC)

**PEA 106—FUNCTIONAL WATER EXERCISE**  
**1 UNIT**  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to provide medical verification of physical or learning disability or motor problems.  
A specialized course involving aquatic exercises which include range of motion, strength, cardiovascular endurance, and flexibility training. Specialized adapted equipment appropriate for limited mobility conditions may be used. (A-F or P/NP) Lab. Graduation: (MJC: Activities) Not repeatable. Transfer: (CSU, UC)

**PEA 107—ADAPTED SWIMMING**  
**1 UNIT**  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to provide medical verification of physical or learning disability or motor problems.  
Basic water safety and swim skills. A specialized course in physical exercise which includes; personalized and group swim exercises which include strength, endurance, flexibility training and instruction in improving and/or modifying swimming skills. (A-F or P/NP) Lab. Graduation: (MJC: Activities) Not repeatable. Transfer: (CSU, UC)

**PEA 108—ADAPTED AQUATICS**  
**1 UNIT**  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to provide medical verification of physical or learning disability or motor problems.  
A specialized course in aquatic exercise which includes personalized and group exercises for strength, endurance, and flexibility. Specialized adapted equipment appropriate for limited mobility conditions may be used. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

**PEA 116—ADAPTED RUN/WALK**  
**1 UNIT**  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to provide medical verification of physical or learning disability.  
Personalized and group exercises that include development of an overall fitness routine involving conditioning for walking and/or running: balance, gait, functional motor control, developmental movement, strength and endurance. Emphasis on encouraging independence and teaching lifelong fitness knowledge and skills. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)
PEC 102—WATER AEROBICS 1 UNIT
54 Lab Hours
Cardiovascular fitness; strength improvement and increased range of motion, and flexibility through low-impact water aerobics. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 108—DEEP WATER AEROBICS 1 UNIT
54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to provide medical verification of physical or developmental disability. Introduces students with physical and/or developmental disabilities to a variety of sports. Students will safely participate in sports such as, but not limited to, softball, volleyball, tennis, frisbee, soccer, basketball, and golf. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 109—ADAPTED FITNESS 1 UNIT
54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to provide medical verification of disability and recommendation of medical specialist.
A specialized course in physical exercise which includes individual and group exercises that include development of an overall fitness routine involving all aspects of body conditioning: balance, flexibility, functional motor control, developmental movement, strength and endurance. There will be an emphasis on encouraging independence and teaching lifelong fitness knowledge and skills. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 112—INTERMEDIATE RACQUETBALL 1 UNIT
54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 111.
Intermediate skills and theory. Basic singles and doubles play. Participation at local court. Expenses are the responsibility of the student. Materials Fee Required (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 111—BEGINNING RACQUETBALL 1 UNIT
54 Lab Hours
Fundamentals of racquetball. Participation at local court. Expenses are the responsibility of the student. Materials Fee required. (A-F or P/NP) Lab. (MJC: Activities) Not repeatable. Transfer: (CSU, UC)

PEC 120—HIP HOP 1 UNIT
54 Lab Hours
Also offered as: THETR 170
Fundamental skills of hip hop dance derived from the current dance vernacular and culture. Dance movement education, exploration, and recreation. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 122—MODERN DANCE 1 1 UNIT
54 Lab Hours
Also offered as: THETR 186
Formerly listed as: THETR 185 Beginning Modern Dance
Basic modern dance technique, beginning composition, improvisation, dance history, and philosophy. Dance as an art form and as recreation. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 123—MODERN DANCE 2 1 UNIT
54 Lab Hours
Also offered as: THETR 187
Formerly listed as: THETR 186A: Intermediate Modern Dance
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 185 or satisfactorily complete PEC 122.
Introduction, exploration, and experience in choreography and performance. Movement through space, energy and time, and compositional form. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 124—MODERN DANCE 3 1 UNIT
54 Lab Hours
Also offered as: THETR 187
Formerly listed as: THETR 187A: Advanced Modern Dance
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 186 or satisfactorily complete PEC 123.
Emphasis on advanced technical and artistic performance skills, composition, improvisation, partnering, and dance history. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)
PEC 126—JAZZ 1
54 Lab Hours

Also offered as: THETR 188
Formerly listed as: THETR 188A: Jazz Dance
Beginning Technique of Jazz Dance with explorations into contemporary derivations of jazz. Emphasis on technical style of this form, and to the interrelationships of music and movement. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEC 127—BALLET 2
54 Lab Hours

Also offered as: THETR 177
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 133 or THETR 189.
Intermediate level ballet technique and terminology. Students are required to have appropriate dance shoes and dance attire. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEC 128—AEROBICS
54 Lab Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to be able to move and breathe with reasonable ease and with limited risk for incurring injury.
Aerobic movements for improved cardiovascular condition, muscle strength and endurance, flexibility, balance, agility, coordination, and weight control. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEC 129—JAZZ 2
54 Lab Hours

Also offered as: THETR 129
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 188 or PEC 126.
Intermediate technique of Jazz Dance with explorations into contemporary derivations of jazz. Emphasis on technical style of the form and the interrelationship of music and movement. (A-F or P/NP) Lab. Graduation: (MJC. Activities) Not repeatable. Transfer: (CSU, UC)

PEC 131—AEROBICS 2
54 Lab Hours

Intermediate aerobic movements with improved cardiovascular condition, muscle strength and endurance. Greater use of flexibility, balance and agility during aerobic routines. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEC 132—JAZZ 3 INTERMEDIATE/ADVANCED
54 Lab Hours

Also offered as: THETR 130
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 129 or satisfactorily complete PEC 129.
This course is a continuation of Jazz 2. This course is a combined intermediate and advanced Jazz Dance Technique class that will continue to build on dance terminology in theory and practical training. Audition required. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEC 133—BALLET 1
54 Lab Hours

Also offered as: THETR 189: Ballet 1
Fundamental ballet technique and terminology. Students are required to have appropriate dance shoes and dance attire. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEC 135—SPRINGBOARD DIVING
54 Lab Hours

Springboard diving course for students of all ability levels. Workouts will include stretching, strength development, flexibility and coordination exercises, techniques of the approach, hurdle, press, takeoff, flight and entry. Mid-air maneuvers will be identified and practiced on one meter and three meter diving boards as skill levels increase. Basic water safety and related safety issues will be included. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEC 139—BALLET 3
54 Lab Hours

Also offered as: THETR 117
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 177 or satisfactorily complete PEC 127.
Intermediate/Advanced level ballet technique and terminology. Audition and instructor approval required. Field trips might be required. (A-F or P/NP) Not repeatable. Lab. Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEC 140—EXERCISE FOR FITNESS
54 Lab Hours

Cardiovascular improvement and respiratory efficiency through a variety of physical activities consisting of continuous motion exercises. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC)

PEC 142—EXERCISE FOR FITNESS 2
54 Lab Hours

Cardiovascular improvement and respiratory efficiency through a variety of high level physical activities and sports skills. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEC 143—BEGINNING GOLF
54 Lab Hours

Fundamentals of golf. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC. Activities)
PEC 144——Intermediate Golf  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 143 or demonstrate basic knowledge and skills of the game. Further application of the fundamentals and rules of golf for the improvement of game skills and knowledge. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 145——ADVANCED GOLF  
54 Lab Hours  
Formerly listed as: PEC 145A: Advanced Golf  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 144. Acquisition and development of advanced golf skills and strategies for tournament play. Field trips are not required. Not repeatable. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 146——BALLET 4  
54 Lab Hours  
Also offered as: THETR 118  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 117 or satisfactorily complete PEC 146. Advanced level ballet technique and terminology. Audition and instructor approval required. Field trips might be required. Lab. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 147——GYMNASTICS  
54 Lab Hours  
Also offered as: PEC 147A: Gymnastics  
Tumbling, floor exercise, stunts, and acrobatic skills are taught and practiced in progression and combined for skill development. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 148——YOGA FOR BETTER HEALTH  
54 Lab Hours  
Fitness class using Yoga postures, breathing, and relaxation techniques to increase flexibility and strength, balance and coordination. Appropriate for all ages and learning abilities. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 149——MODERN DANCE 4  
54 Lab Hours  
Also offered as: THETR 176  
Prerequisite: Satisfactory completion of THETR 185. Learn, practice and apply intermediate modern dance skills learned in Modern Dance 3 toward the refinement of technical and artistic expression characteristic of advanced level technique. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 150——LEADERSHIP TRAINING  
1 UNIT  
Instruction, training, and development of a corps of spirit leaders to promote enthusiasm for school athletic activities. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 151——INTERMEDIATE GYMNASTICS  
1 UNIT  
54 Lab Hours  
Also offered as: THETR 126  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 125 or satisfactorily complete PEC 151. Tumbling, floor exercise, stunts, and acrobatic skills are taught and practiced in progression and combined for skill development. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 152——ADVANCED MODERN DANCE  
1 UNIT  
54 Lab Hours  
Also offered as: THETR 179  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 178 or satisfactorily complete PEC 152. Advanced level modern dance skills taught and practiced in a studio setting. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 153——ADVANCED DANCE  
1 UNIT  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 178 or satisfactorily complete PEC 153. Advanced level modern dance skills taught and practiced in a studio setting. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 154——AFLR 4  
1 UNIT  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 181 or satisfactorily complete PEC 154. Advanced level dance skills taught and practiced in a studio setting. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 155——AFLR 5  
1 UNIT  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 181 or satisfactorily complete PEC 155. Advanced level dance skills taught and practiced in a studio setting. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 156——ADULT LEADERSHIP TRAINING  
1 UNIT  
54 Lab Hours  
Instruction, training, and development of a corps of spirit leaders for school athletic activities for Spring sports. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 157——ADVANCED JUDO  
1 UNIT  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 165 or PEC 166 or PEW 167 or demonstrate basic judo skills and competencies, along with a knowledge and understanding of judo concepts, terminology, etiquette, and methods of scoring, timekeeping, and elimination systems. Intermediate and advanced skills (standing, mat and falling techniques) and strategies to improve judo techniques and enhance competitiveness. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 158——INTERMEDIATE JUDO  
1 UNIT  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 165 or PEC 166 or PEW 167 or demonstrate basic judo skills and competencies, along with a knowledge and understanding of judo concepts, terminology, etiquette, and methods of scoring, timekeeping, and elimination systems. Intermediate and advanced skills (standing, mat and falling techniques) and strategies to improve judo techniques and enhance competitiveness. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 159——FALL SPIRIT LEADERSHIP TRAINING  
2 UNITS  
108 Lab Hours  
Formerly listed as: PEC 159A: Spirit Leadership Training  
Instruction, training, and development of a corps of spirit leaders to promote enthusiasm for school athletic activities. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 160——SPRING SPIRIT LEADERSHIP TRAINING  
1 UNIT  
54 Lab Hours  
Instruction, training and development of a corps of spirit leaders for school athletic activities for Spring sports. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 161——AFLR 6  
1 UNIT  
54 Lab Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 182 or satisfactorily complete PEC 161. Advanced level dance skills taught and practiced in a studio setting. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 162——AIKIDO  
1 UNIT  
54 Lab Hours  
An introduction to the philosophy, principles and fundamental techniques of Aikido, a Martial Art employing ancient self-defense techniques from Jujutsu, Samuri Sword Combat and other Martial Arts. Students learn to use an attacker’s aggression to redirect his energy, take his balance and effortlessly take him to the ground. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 163——AIKIDO 2 INTERMEDIATE  
1 UNIT  
54 Lab Hours  
Formerly listed as: PEC 163: Aikido 2, Intermediate  
A continuing exploration of the fundamental principles and techniques of Aikido, an ethical Japanese martial art based on non-aggressive, non-resistant, co-creative conflict resolution and internal personal growth by non-competitive means. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 164——SELF DEFENSE  
1 UNIT  
54 Lab Hours  
A practical course in self defense. Practice of various basic techniques and principles of balance, leverage, and momentum. Discussion of how to avoid threatening situations in the home or on the street. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)
PEC 165—BEGINNING JUDO
54 Lab Hours
Formerly listed as: PEC 165: Judo
Judo is a challenging martial art based on the philosophy of using maximum efficiency and maximum effort. This course is designed to teach the fundamental skills and techniques to the student as a recreational activity and/or on a competitive basis. Field trips may be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 166XA—INTERMEDIATE JUDO
X=4.38 Lecture Hours, 13.12 Lab Hours, A= 9 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 165.
Instruction and practice in the intermediate skills of the sport of Judo. Course will cover the terminology, etiquette along with throwing and grappling techniques, with integration of various Katas (forms) and Randori (free exercise). (A-F or P/NP) Lecture/ Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC)

PEC 168—BEGINNING SWIMMING
54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to have the ability to enter shallow water.
Basic skills of floating, breathing, kicking, pulling, using arms and legs. (A-F or P/NP) Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC)

PEC 169—INTERMEDIATE SWIMMING
54 Lab Hours
Recommended for success: Satisfactory completion of PEC 168A.
Continued development in basic stroke techniques and endurance for intermediate swimming. Lab. (A-F or P/NP) Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC)

PEC 170—ADVANCED SWIMMING
54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 168.
Continued development in stroke techniques, and workout knowledge for advanced swimming. Not repeatable. (A-F or P/NP) Lab. Graduation: (MJC: Activities) Transfer: (CSU, UC)

PEC 171—SWIM FOR FITNESS
54 Lab Hours
Limitations on Enrollment: Enrollment limited to students who can swim in deep water.
Basic stroke techniques and endurance swimming for intermediate and or advanced swimmers. (A-F or P/NP - Student choice) Lab. Graduation: (MJC: Activities) Not repeatable. Transfer: (CSU, UC)

PEC 172—LIFEGUARD TRAINING
54 Lab Hours
Prerequisite: Pass swimming pre-test, be at least 15 years old on the first day of class.
Preventive lifeguarding, learning how to recognize specific characteristic behaviors of patrons at an aquatic facility; facility emergency planning; First Aid and CPR for the Professional Rescuer included. Successful course completion results in American Red Cross certification in lifeguard training. CPR and first aid. (A-F or P/NP). Materials fee required. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC)

PEC 173—BEGINNING TENNIS
54 Lab Hours
Fundamental skills in tennis. (A-F or P/NP) Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC)

PEC 175—BEGINNING TENNIS
54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 175.
Skills and strategies of competitive tennis, including tournaments and ladder play. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 177—ADVANCED TENNIS
54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 176.
Skills and strategies of competitive tennis, including tournaments and ladder play. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 178—TOURNAMENT TENNIS
54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 177.
This course is designed for the experienced tennis player; includes in-class competition. Not repeatable. (A-F or P/NP) Lab. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 179—TRACK AND FIELD
54 Lab Hours
Generalized training and techniques for track and field. Not repeatable. (A-F or P/NP) Lab. Transfer: (CSU, UC) Graduation: (MJC: Activities)

PEC 182—TRAINING FOR DISTANCE RUNNING
54 Lab Hours
Endurance distance running with organized training runs. Creating an effective training program, nutrition, weight training and cross training. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

| **PEC 184—POWER VOLLEYBALL** 1 UNIT |
| 54 Lab Hours |
| **Recommended for Success**: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 183. |
| Power volleyball for team play. Advanced offensive and defensive strategy and game skills. (A-F or P/NP) Not repeatable. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEC 186—INTERMEDIATE VOLLEYBALL** 1 UNIT |
| 54 Lab Hours |
| Intermediate volleyball skills, theories, offensive, and defensive strategy. (A-F or P/NP) Lab. Not repeatable. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEC 187—PILATES FOR FITNESS** 1 UNIT |
| 54 Lab Hours |
| A fitness class that utilizes the Pilates exercise system focused on improving flexibility and strength for the total body through a series of controlled movements. Pilates exercises can improve posture, alignment, coordination and balance. Movements are designed to tone muscles without putting stress on the spine. For people of all ages and fitness levels. (A-F or P/NP) Lab. Not repeatable. **Graduation**: (MJC: Activities) **Transfer**: (CSU, UC) |

| **PEC 190—ADVANCED WATER POLO** 1 UNIT |
| 54 Lab Hours |
| Advanced team play and game strategy in water polo. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEC 191—POWERLIFTING** 1 UNIT |
| 54 Lab Hours |
| **Recommended for Success**: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 195 or satisfactorily complete PEW 192. |
| Advanced techniques of effective strength training in a supervised program with an emphasis on traditional powerlifting using free weight and supplemental exercise programs. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEC 192—PILATES 2** 1 UNIT |
| 54 Lab Hours |
| A fitness class that utilizes intermediate Pilates exercises focused on improving flexibility and core strength. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEC 195—WEIGHT TRAINING** 1 UNIT |
| 54 Lab Hours |
| Principles and procedures of effective strength training techniques in a supervised weight training program. (A-F or P/NP) Lab. Not repeatable. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEC 197—ADVANCED WEIGHT TRAINING** 1 UNIT |
| 54 Lab Hours |
| **Recommended for Success**: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 195. |
| Strength training in a supervised weight training environment with an emphasis on Olympic style weightlifting. Not repeatable. Field trips are not required. (A-F or P/NP) Lab. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

</table>

| **PEM 108—BASEBALL** 1 UNIT |
| 54 Lab Hours |
| Fundamentals and theory of collegiate baseball. Field trips are not required. (A-F or P/NP) Four completions allowed. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEM 112—BEGINNING BASKETBALL** 1 UNIT |
| 54 Lab Hours |
| Basic skills, strategies, and rules of basketball. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEM 113—INTERMEDIATE BASKETBALL** 1 UNIT |
| 54 Lab Hours |
| Intermediate skills and theory. Basic team play concepts. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEM 114—ADVANCED BASKETBALL** 1 UNIT |
| 54 Lab Hours |
| Advanced skills, theory, and concepts of competitive basketball team play. Four completions allowed. (A-F or P/NP) Lab. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEM 140—TOUCH FOOTBALL AND KANAKI** 1 UNIT |
| 54 Lab Hours |
| Discussion and practical applications of rules and strategy, with emphasis on individual movements found in offensive and defensive touch football and kanaki. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |

| **PEM 141XA—ADVANCED TOUCH FOOTBALL** 0.5-1 UNITS |
| 54 Lab Hours |
| **Recommended for Success**: Before enrolling in this course, students are strongly advised to have previously participated in high school and/or intercollegiate sports requiring strength, agility, and physical conditioning. |
| Conditioning, skills, rules and strategies with emphasis on the passing game to prepare for participation in advanced football. Field trips are not required. Four completions allowed. (A-F or P/NP) Lab. **Transfer**: (CSU, UC) **Graduation**: (MJC: Activities) |
Courses listed below offer advanced instruction and intensive training in sports fundamentals to develop teams for intercollegiate competition. A varsity activity may be taken a maximum of four times. Participation in intercollegiate sports requires concurrent enrollment in not less than 12 units of work, none of which must be in courses counting toward the associate degree, remediation, transfer, and/or certification. Special medical examinations are required for students participating in competitive sports. Verification of insurance is also required. Participation in a second sport or a second year of a sport requires a 2.0 grade point average and 24 units passed.

PEVM 100 — VARSITY BASEBALL
3 UNITS
175 Lab Hours
Instruction, training, and competition in intercollegiate baseball. Four completions allowed. (A-F Only) Lab. Graduation: (MJC. Activities) Transfer: (CSU, UC)

PEVM 105 — MEN’S VARSITY BASKETBALL (FALL)
3 UNITS
175 Lab Hours
Recommended for Success: PE 101
Instruction, training and competition in intercollegiate basketball. Laboratory/ Other. (Fall) Four completions allowed. (A-F Only) Lab. Graduation: (MJC. Activities) Transfer: (CSU, UC)

PEVM 106 — MEN’S VARSITY BASKETBALL - SPRING
1.5 UNITS
90 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEVM 105.
Continued instruction, training, and competition in intercollegiate basketball (Spring semester) Four completions allowed. (A-F Only) Lab. Graduation: (MJC. Activities) Transfer: (CSU, UC)

PEVM 107XABC—TRAINING AND CONDITIONING FOR BASKETBALL.050-3 UNITS
X= 27 Lab Hours, A= 54 Lab Hours, B= 108 Lab Hours, C= 162 Lab Hours
Limitations on Enrollment: Enrollment limited to students who demonstrate intercollegiate athletic skills as determined by the coaching staff.
Prepares the collegiate basketball player mentally and physically for competitive play and reduces the risk of injury. Includes collegiate level basketball skill and strategy development, conditioning, sport specific strength training, agility work, speed training, flexibility exercises; as well as team play activities. Four completions allowed, Field trips might be required. (A-F Only) Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEVM 110 — MEN’S VARSITY CROSS COUNTRY
3 UNITS
175 Lab Hours
Instruction, training, and competition in intercollegiate Cross Country. (Fall). Four completions allowed. (A-F Only) Lab. Graduation: (MJC. Activities) Transfer: (CSU, UC)

PEVM 111XABC—TRAINING AND CONDITIONING FOR CROSS COUNTRY
0.5-3 UNITS
X= 27 Lab Hours, A= 54 Lab Hours, B= 108 Lab Hours, C= 162 Lab Hours
Limitations on Enrollment: Enrollment limited to students who demonstrate intercollegiate athletic skills as determined by the coaching staff.
Prepares the collegiate cross country athlete mentally and physically for competitive play and reduce risk of injury. Includes collegiate level cross country skill and strategy development, conditioning, sport specific strength training, agility work, speed training, and flexibility exercises; as well as team activities. Four completions allowed, Field trips might be required. (A-F Only) Transfer: (CSU, UC) Graduation: (MJC. Activities)

PEVM 115 — VARSITY FOOTBALL
3 UNITS
175 Lab Hours
Instruction, training, and competition in intercollegiate football. Four completions allowed. Field trips may be required. (A-F or P/NP) Lab. Graduation: (MJC. Activities) Transfer: (CSU, UC)

PEVM 116XABC—TRAINING AND CONDITIONING FOR FOOTBALL
0.5-3 UNITS
X= 27.00 Lab Hours, A= 54.00 Lab Hours, B= 108.00 Lab Hours, C= 162.00 Lab Hours,Limitations on Enrollment: Enrollment limited to students who demonstrate intercollegiate athletic skills as determined by the coaching staff.

Four completions allowed, Field trips might be required.  

(A-F Only) **Transfer:** (CSU, UC) **Graduation:** (MJC: Activities)

**PEW 140—WOMEN’S VARSITY VOLLEYBALL**  
3 UNITS  

175 Lab Hours  

Instruction, training, and competition in intercollegiate volleyball. Four completions allowed. (A-F Only) Lab. **Graduation:** (MJC: Activities) **Transfer:** (CSU, UC)

**PEW 145—WOMEN’S VARSITY WATER POLO**  
3 UNITS  

175 Lab Hours  

Instruction, training and competition in intercollegiate water polo. Four completions allowed. Laboratory/Other. (Fall) **Graduation:** (MJC: Activities) **Transfer:** (CSU, UC)

**PHYSICAL EDUCATION: WOMEN’S ACTIVITIES COURSES (PEW)**

**PEW 163—SOCCER 2**  
1 UNIT  

54 Lab Hours  

Practical application of intermediate defensive and offensive tactics; individual and team skills, match strategy, and application of the rules. Field trips are not required. Four completions allowed.  

(A-F Only) Lab. **Transfer:** (CSU, UC) **Graduation:** (MJC: Activities)

**PEW 164—WOMEN’S INDOOR-OUTDOOR SOCCER**  
1 UNIT  

54 Lab Hours  

Fundamentals of women’s indoor and outdoor soccer. Field trips are not required. (AF or P/NP) Lab. Not repeatable. **Transfer:** (CSU, UC) **Graduation:** (MJC: Activities)
PHYS 101—GENERAL PHYSICS: MECHANICS 5 UNITS
54 Lecture Hours, 54 Lab Hours, 18 Discussion Hours
Prerequisite: Satisfactory completion of PHYS 165 and MATH 171.
Introduction to calculus-based physics: linear, rotational, and oscillatory mechanics with computer applications. Field trips may be required. (A-F or P/NP) Lecture/Lab/Discussion. Not repeatable. Transfer: (CSU, UC) (C-ID: PHYS 205) (C-ID: PHYS 206=MJC PHYS 101 + PHYS 102 + PHYS 103) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, SC)

PHYS 102—GENERAL PHYSICS: WAVES THERMODYNAMICS, & OPTICS 5 UNITS
54 Lecture Hours, 54 Lab Hours, 18 Discussion Hours
Prerequisite: Satisfactory completion of PHYS 101 and MATH 172.
Continuation of calculus-based physics: thermodynamics, wave motion, acoustics and optics. Field trips may be required. (A-F or P/NP) Lecture/Lab/Discussion. Not repeatable. Transfer: (CSU, UC) (C-ID: PHYS 205=MJC PHYS 101 + PHYS 102 + PHYS 103) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, SC)

PHYS 103—GENERAL PHYSICS: ELECTRICITY MAGNETISM, & MODERN PHYSICS 5 UNITS
54 Lecture Hours, 54 Lab Hours, 18 Discussion Hours
Prerequisite: Satisfactory completion of PHYS 101 and MATH 172.
Continuation of calculus-based physics: electricity, magnetism and modern physics. Field trips may be required. (A-F or P/NP) Lecture/Lab/Discussion. Not repeatable. Transfer: (CSU, UC) (C-ID: PHYS 205=MJC PHYS 101 + PHYS 102 + PHYS 103) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, SC)

PHYS 142—MECHANICS, HEAT, & WAVES 5 UNITS
54 Lecture Hours, 54 Lab Hours, 18 Discussion Hours
Prerequisite: Satisfactory completion of MATH 122.
Non-calculus introduction to principles and laws of mechanics, thermodynamics and waves. Field trips may be required. (A-F or P/NP) Lecture/Lab/Discussion. Not repeatable. Transfer: (CSU, UC) (C-ID: PHYS 210) (C-ID: PHYS 206=MJC PHYS 101 + PHYS 102 + PHYS 103) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, SC)

PHYS 143—ELECTRICITY, MAGNETISM, OPTICS, ATOMIC AND NUCLEAR STRUCTURE 5 UNITS
54.00 Lecture Hours, 54.00 Lab Hours, 18.00 Disc Hours
Formerly listed as: PHYS 143: Electricity, Magnetism, Optics, Atomic and Nuclear Structure
Prerequisite: Satisfactory completion of PHYS 142.
Continuation of PHYS 142, including electricity, magnetism, light and atomic structure. Field trips might be required. (A-F or P/NP) Transfer: (CSU, UC) (C-ID: PHYS 206) (C-ID: PHYS 207) (C-ID: PHYS 208) (C-ID: PHYS 209) General Education: (MJC-GE: A) (CSU-GE: B1, B3, 5A, SC) (IGETC: 5A, SC)
COURSES

PHYS 160—DESCRIPTIVE INTRODUCTION TO PHYSICS 3 UNITS
54 Lecture Hours

Prerequisite: Satisfactory completion of MATH 89 or MATH 90 or qualification by the MJC assessment process.

A survey course of selected topics in physical inquiry to include mechanics, wave motion, thermodynamics, electromagnetism and modern physics. Physical theory is explored on a conceptual level with emphasis placed on applying physical principles to everyday phenomena. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1) (IGETC: 5A)

PHYS 165—INTRODUCTORY PHYSICS 5 UNITS
54 Lecture Hours, 54 Lab Hours, 18 Discussion Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete MATH 121 or be eligible for enrollment in MATH 177 as determined by the MJC assessment process.

Introduction to physics through the study of laboratory measurement in selected topic areas to include mechanics, wave motion, thermodynamics, electricity and magnetism. Develops the theoretical and experimental foundation for PHYS 101 and PHYS 142. (A-F or P/NP) Lecture/Lab./Discussion. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C)

PHYS 180—CONCEPTUAL PHYSICS: A HANDS-ON APPROACH 4 UNITS
54 Lecture Hours, 54 Lab Hours

Prerequisite: Satisfactory completion of MATH 90 or qualification by the MJC assessment process.

A survey course of selected topics in physical inquiry to include motion, waves, heat, energy, electricity, magnetism and modern physics. Physical theory is explored on a conceptual level with emphasis placed on applying physical principles to everyday phenomena. To include a weekly activity/laboratory session designed to provide students with practical experience in applying physical concepts. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B1, B3) (IGETC: 5A, 5C)

PLSC 200—INTRODUCTION TO PLANT SCIENCE 3 UNITS
36 Lecture Hours

Introduction to plant science including structure, growth processes, propagation, physiology, growth media, biological competitors, and post-harvest factors of food, fiber, and ornamental plants. Field trips are not required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B2) (IGETC: 5B)

PHYS 101—INTRODUCTORY HUMAN PHYSIOLOGY 5 UNITS
72 Lecture Hours, 54 Lab Hours

Prerequisite: Satisfactory completion of BIO 116 or BIO 111 or BIO 101 and ANAT 125 and CHEM 143.

Study of body function, organ system integration, communication, and homeostasis at the biochemical, cellular, and system levels. Includes control of osmolarity, protein synthesis and cellular metabolism; cellular communication; neural information processing; blood movement; fluid balance; respiration and digestion; reproduction; sensory perception and control of movement. Intended for students entering the health professions. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B2, B3) (IGETC: 5B, 5C)

PHYSO 103—INTRODUCTION TO NEUROSCIENCE 3 UNITS
54 Lecture Hours

Also offered as: PSYCH 103

Prerequisite: Satisfactory completion of PSYCH 101.

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.

This course introduces the scientific study of the biological bases of behavior and its fundamental role in the neurosciences. Physiological, hormonal, and neurochemical mechanisms, and brain-behavior relationships underlying the psychological phenomena of sensation, perception, regulatory processes, emotion, learning, memory, and psychological disorders will be addressed. The course also notes historical scientific contributions and current research principles for studying brain behavior relationships and mental processes. Ethical standards for human and animal research are discussed in the context of both invasive and non-invasive experimental research. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: PSY 150) General Education: (MJC-GE: A) (CSU-GE: B2) (IGETC: 5B)

PLSC 205—FIELD CROPS 3 UNITS
36 Lecture Hours, 54 Lab Hours

Economic importance, adaptation, cultural practices, irrigation, integrated pest management, cost analysis, calendar of operations, and marketing in the production of field crops (including barley, oats, wheat, corn, grain sorghum, alfalfa, rice, dry beans, sugar beets, cotton, and seed crops). Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

PLSC 215—VEGETABLE CROPS 3 UNITS
36 Lecture Hours

Vegetable crops common to the area; economic importance, cultural sequence, fertilization, irrigation, cultivation, integrated pest control, harvest and related factors; marketing, cost analysis, risks; environmental relationships including moisture, temperature, soil and weather in the production of vegetable crops. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC)

PLSC 230—FRUIT SCIENCE 3 UNITS
36 Lecture Hours

Elementary culture of fruit and nut crops including growth and fruiting habits, varieties, characteristics and adaptations; environmental factors influencing local fruit production; pruning and training procedures on local fruit crops. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU) General Education: (MJC-GE: A)
PLSC 235—PLANT PROPAGATION/PRODUCTION 3 UNITS
36 Lecture Hours, 54 Lab Hours
Also offered as: EHS 235
Formerly listed as: PLSC 235: Plant Propagation/Production Planting & Varieties
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete EHS 210 or satisfactorily complete PLSC 200.
Plant propagation and production practices with emphasis on nursery operations including sexual and asexual reproduction, planting, transplanting, fertilizing, plant pest and disease control, structures and site layout. Preparation and use of propagating and planting mediums. Use and maintenance of common tools and equipment. Regulations pertaining to plant production. Students will need pruning shears, a grafting knife and a budding knife. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

PLSC 241—VITICULTURE 3 UNITS
36 Lecture Hours, 54 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete NR 200 and satisfactorily complete PLSC 200.
California grape production; study of table and wine grape varieties, uses, adaptations and products; production practices, propagation and planting; training, pruning and irrigation systems; identification and control of grape pests and diseases. Student is required to design a new vineyard and critique an existing operation. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

PLSC 250—PLANT NUTRITION AND FERTILIZER 3 UNITS
36 Lecture Hours, 54 Lab Hours
An overview of plant nutrition principles in order to understand amendments, fertilizers, their uses, value, application, and relationship to soils and to crops grown in this area. Deficiency symptoms, pH, soil, water and plant tissue testing, and environmental factors and concerns. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

PLSC 255—PLANT PEST CONTROL 3 UNITS
36 Lecture Hours, 54 Lab Hours
Study of crop mites and insects, their morphology, identification, life cycles, host and habitat relationships, methods and materials of control. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

PLSC 260—PLANT DISEASE CONTROL 3 UNITS
36 Lecture Hours, 54 Lab Hours
Study of common local crop diseases, their economic importance, identification, life cycles, host and habitat relationships, and methods of control. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

PLSC 101 — AMERICAN POLITICS 3 UNITS
54 Lecture Hours
Introduction to United States politics emphasizing the essential institutions, groups, beliefs, behaviors and processes that comprise the American political system at the national, state, and local levels. Special attention to rights and obligations of citizenship. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC POLSC 10) (C-ID: POLS 110) General Education: (MJC-GE: B) (CSU-GE: D8) (IGETC: 4H) (AI: GROUP B)

PLSC 102 — THE CONSTITUTION AND RIGHTS OF AMERICANS 3 UNITS
54 Lecture Hours
Introduction to U.S. constitutional government emphasizing the principles and problems of a constitutional system; governmental powers and sources of power at the national, state, and local levels. Special emphasis on the role of the courts and the rights and responsibilities of democratic citizenship, including units on racial and sexual discrimination, the rights of the accused, privacy, political participation, and freedom of expression and religion. Special attention to current constitutional problems at the national and state levels. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D8) (IGETC: 4H) (AI: GROUP B)

PLSC 110 — INTERNATIONAL RELATIONS 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Introduction to principles and practices of international politics, emphasizing problems of war and peace, foreign policies of major powers, and problems of developing countries. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC POLSC 14) (C-ID: POLS 140) General Education: (MJC-GE: B) (CSU-GE: D8) (IGETC: 4H)

PLSC 111 — WAR & PEACE: FROM LENIN TO AL QAEDA 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
Survey of major events and personalities in the history of international politics since 1917. Topics include Origins of WWII, the rise of Communism; key personalities - Lenin, Stalin, Churchill, Truman; origins and demise of cold war, role of nuclear weapons, and the rise of terrorism. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D8) (IGETC: 4H)

PLSC 120 — CALIFORNIA POLITICS AND PROBLEMS 3 UNITS
54 Lecture Hours
Analysis of government institutions, politics, issues and political behavior in California in constitutional, social, economic and cultural perspective. Included are studies of issues confronted by U.S. and California state, county, city and regional governments including political representation, resources and energy, land use and planning, population growth, poverty, education, criminal justice, pollution, budgets and taxation. Special attention to the rights and obligations of citizenship. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D8) (IGETC: 4H) (AI: GROUP B)
POLSC 130—POLITICAL THEORY
3 UNITS
54 Lecture Hours
Studies major political theorists and their analyses of political concepts, including democracy, freedom, authority, equality, and political leadership. Investigates how political theory is practically relevant and connected to current political issues. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D8) (IGETC: 4H)

POLSC 131—AMERICAN POLITICAL THOUGHT
3 UNITS
54 Lecture Hours

POLSC 140—COMPARATIVE POLITICS
3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101 and satisfactorily complete POLSC 101.
Comparative survey of major totalitarian, authoritarian and democratic political systems. Emphasis on Great Britain, France, Germany, Russia, People's Republic of China, Japan and selected Third World countries. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D8) (IGETC: 4H)

POLSC 180—HUMAN RIGHTS
3 UNITS
54 Lecture Hours
An introduction to the study of the origins, development, and recognition of fundamental human rights. Examines the role that transnational advocacy networks, leaders, citizens, governments, the United Nations, international agreements, criminal justice mechanisms, liberation technology, and humanitarian intervention play in relation to the protection of human rights. Special attention is given to politics in connection to current global human rights issues, such as human trafficking, torture, refugee rights, genocide, health care, environmental rights, and freedom of expression. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D8) (IGETC: 4H)

POLSC 195—INTERNSHIP IN POLITICAL SCIENCE DISCUSSION
1 UNIT
18 Lecture Hours
Formerly listed as POLSC 195 - Internship in Political Science
Corequisite: Concurrent enrollment in POLSC 195.
Examines political internship experiences of students concurrently enrolled in POLSC 196A or 196B or 196C. Class meetings are for sharing learning experiences, analyzing issues related to public service, and collectively addressing issues associated with the internships. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

POLSC 196A, B, C—INTERNSHIP IN POLITICAL SCIENCE
1-3 UNITS
A = 54 Lab Hours, B = 108 Lab Hours, C = 162 Lab Hours
Corequisite: Concurrent enrollment in POLSC 195.
Supervised internship in a federal, state, or local government office; court; or political organization. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU)

PSYCH 51—PSYCHOLOGY IN EVERYDAY LIFE
3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 49.
Principles of human behavior and personality development, and their application to today's world, including personal and job-related problem solving skills. Field trips are not required. Transfer: (CSU, UC) General Education: (MJC-GE: B)

PSYCH 101—GENERAL PSYCHOLOGY
3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Psychology is the scientific study of behavior and mental processes. The content focuses on the exploration of major psychological theories and concepts, methods, and research findings in psychology. Topics include the biological bases of behavior, perception, cognition and consciousness, learning, memory, emotion, motivation, development, personality, social psychology, psychological disorders and therapeutic approaches, and applied psychology. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D9) (IGETC: 4I)

PSYCH 102—RESEARCH METHODS
3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of PSYCH 101 and MATH 134.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.
This course surveys various psychological research methods with an emphasis on research design, experimental procedures, descriptive methods, instrumentation and the collection, analysis, interpretation and reporting of research data. Research design and methodology will be examined through a review of research in a variety of subdisciplines of psychology. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D9) (IGETC: 4I)

PSYCH 103—INTRODUCTION TO NEUROSCIENCE
3 UNITS
54 Lecture Hours
Also offered as: PHYSIO 103: Introduction to Neuroscience
Prerequisite: Satisfactory completion of PSYCH 101.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
This course introduces the scientific study of the biological bases of behavior and its fundamental role in the neurosciences. Physiological, hormonal, and neurochemical mechanisms, and brain-behavior relationships underlying the psychological phenomena of sensation, perception, regulatory processes, emotion, learning, memory, and psychological disorders will be addressed. The course also notes historical scientific contributions and current research principles for studying brain-behavior relationships and mental processes. Ethical standards for human and animal research are discussed in the context of both invasive and non-invasive experimental research. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: A) (CSU-GE: B2) (IGETC: 5B)
PSYCH 104—INTRODUCTION TO SOCIAL PSYCHOLOGY 3 UNITS
54 Lecture Hours
Formerly listed as: PSYCH - 104: Social Psychology
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PSYCH 101 and satisfactorily complete ENGL 101.
This course considers individual human behavior in relation to the social environment. The power of the situation, other individuals, and the social group will be examined. Emphasized topics include: aggression, prejudice and stereotypes, interpersonal attraction, attitudes and attitude change, conformity, group phenomena, gender roles, cultural norms, person perception, and social cognition. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: PSY 170) General Education: (MJC-GE: B) (CSU-GE: D9) (IGETC: 4I)

PSYCH 105—ABNORMAL PSYCHOLOGY 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PSYCH 101.
This course introduces the scientific study of psychopathology and atypical behaviors, broadly defined. Students investigate abnormal behavior from a variety of perspectives including biological, psychological, and sociocultural approaches. An integrative survey of theory and research in abnormal behavior, and intervention and prevention strategies for psychological disorders are also introduced. Field trips are required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: PSY 120) General Education: (MJC-GE: B) (CSU-GE: D9) (IGETC: 4I)

PSYCH 110—HUMAN SEXUALITIES 3 UNITS
54 Lecture Hours
Study of human sexualities from a biopsychosocial perspective. The intersections of biology, culture, history, race, ethnicity, social class, sexual orientation and gender as they relate to sexualities will be explored throughout the course. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: PSY 120) General Education: (MJC-GE: B) (CSU-GE: D9) (IGETC: 4I)

PSYCH 111—PSYCHOLOGY OF GENDER 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PSYCH 101.
A survey of major factors in the development of gender identities and gender roles as they relate to the field of psychology, including: psychological, sociological, biological and cultural influences. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D9) (IGETC: 4D, 4I)

PSYCH 118—PHARMACOLOGY OF ABUSED SUBSTANCES 3 UNITS
54 Lecture Hours
Also offered as: HUMSR - 118: Pharmacology of Abused Substances
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete HUMSR 116 or satisfactorily complete PSYCH 101.
An introduction to psychopharmacology and the process of drug addiction. Topics include classification of abused and psychotherapeutic drugs, basic principles of pharmacology, behavioral and physiological effects of drugs, major neurotransmitter systems and how they are influenced by drugs. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU)

PSYCH 130—PERSONAL ADJUSTMENT 3 UNITS
54 Lecture Hours
This course is designed with an applied focus for students interested in how psychology is used in everyday life and is related to other social sciences. The course surveys different psychological perspectives and theoretical foundations and how these are applied across a person’s life taking into account the influence of factors such as culture, gender, ethnicity, historical cohort, and socio-economic status. A broad understanding of how scientists, clinicians and practitioners study and apply psychology is emphasized. Field trips are not required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU) (CC PSYCH 30) (C-ID: PSY 115) General Education: (MJC-GE: E) (CSU-GE: E)

PSYCH 141—HUMAN LIFESPAN DEVELOPMENT 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PSYCH 101 and satisfactorily complete ENGL 101.
Introduction to the scientific study of human development from conception through death. Examines the interplay of biological, psychological, social, and cultural forces on the developing human being. Field trips are not required. (A-F or P/NP) Not repeatable. Transfer: (CSU, UC) (C-ID: PSY 180) General Education: (MJC-GE: E) (CSU-GE: E) (IGETC: 4I)

Reading Courses (READ)

READ 21—VOCABULARY DEVELOPMENT 3 UNITS
54 Lecture Hours
Course is designed to improve the vocabulary of students who are functioning at the precollegiate level. (A-F Only) Lecture. Not repeatable.

READ 40—READING COMPREHENSION 3 UNITS
54 Lecture Hours
Provides students the opportunity to improve their reading comprehension of precollegiate materials. (A-F Only) Lecture. Not repeatable.

READ 62—COLLEGE VOCABULARY 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to Complete or assess above READ 82.

READ 82—COLLEGE READING - COMPREHENSION 3 UNITS
54 Lecture Hours
Recommended for Success: Satisfactory completion of READ 40 or qualification by the MJC assessment process.
Designed to improve student’s comprehension and retention of college level materials. (A-F Only) Lecture. Not repeatable.
### Real Estate Courses (RLES)

**RLES 380—REAL ESTATE PRINCIPLES**  
3 UNITS  
54 Lecture Hours  
Recommended for Success: Satisfactory completion of READ 82 or recommendation of the reading assessment.  
Transfer: (CSU)

**RLES 381—REAL ESTATE PRACTICES**  
3 UNITS  
54 Lecture Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete RLES 380.  
This course covers the day-to-day activities of the real estate brokerage business from the viewpoint of both the broker and the sales staff. It gives practical training in such topics as: listing, prospecting, advertising, disclosures, selling escrow procedures, financing, exchanges, property management and leases, land utilization and development, public relations and professional ethics and fair housing in the real estate business. This course is required to be eligible to sit for the California Real Estate Salesperson exam. Field trips might be required. (A-F or P/NP) Not repeatable.

**RLES 382—LEGAL ASPECTS OF REAL ESTATE 1**  
3 UNITS  
54 Lecture Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete RLES 380.  
This course is a study of California real estate laws. Topics include: the principal legal aspects of ownership, acquisition and Transfer of real property, legal descriptions, contracts, escrow procedures, forms of trust and foreclosure, liens, and restrictions, legal instruments, property ownership and management, real estate security devices, property rights, liens and homesteads, landlord-tenant law, land use controls, and title insurance and escrow. Completion of the course applies toward the education requirements for the California Department of Real Estate License examination. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable.

**RLES 383—REAL ESTATE APPRAISAL, RESIDENTIAL**  
3 UNITS  
54 Lecture Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete RLES 380 or satisfactorily complete RLES 381.  
This course covers the purposes of appraisals, examination of the appraisal process, and the different approaches, methods and techniques used to determine property value on cost, sales comparison, and income basis. Consideration of neighborhood and site analysis, residential style, and functional utility, three approaches to value, reconciliation of value indicators, and Uniform Standards of Professional Practice. The course emphasizes residential single family properties and applies toward the educational requirement for the California Real Estate License. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable.

**RLES 384—REAL ESTATE FINANCE**  
3 UNITS  
54 Lecture Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete RLES 380 or satisfactorily complete RLES 381.  
This course is an analysis of real estate financing, including regulations, policies and procedures applicable to financing residential, multi-family, commercial and special purpose properties. Special attention to the money market, sources of funds and FHA and VA loans as factors in property financing. The course applies toward the educational requirements for the California Real Estate License Examination. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable.

**RLES 385—REAL ESTATE APPRAISAL, RESIDENTIAL**  
3 UNITS  
54 Lecture Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete RLES 380 and/or satisfactorily complete RLES 381.  
This course covers the functions and responsibilities of the escrow holder, including actual preparation of escrow instructions and documents in a typical real estate transaction. Audit, disbursement, the issuance of closing statements and analysis of title insurance policies are covered. This course covers toward the education requirement for the California Real Estate license exam. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable.

**RLES 386—BASIC ESCROW PROCEDURES**  
3 UNITS  
54 Lecture Hours  
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete RLES 380 and/or satisfactorily complete RLES 381.  
This course covers the purposes of appraisals, examination of the appraisal process, and the different approaches, methods and techniques used to determine property value on cost, sales comparison, and income basis. Consideration of neighborhood and site analysis, residential style, and functional utility, three approaches to value, reconciliation of value indicators, and Uniform Standards of Professional Practice. The course emphasizes residential single family properties and applies toward the educational requirement for the California Real Estate License. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable.

### Recreation Courses (REC)

With increased urbanization, expanded leisure time, and public awareness of the value of recreational activities, trained leaders are needed to organize and administer programs in a variety of settings. Since most jobs in Recreation require a four-year college degree, students in the Recreation program at MJC are encouraged to follow the four-year college Transfer pattern and also to complete theoretical and practical recreation classes. Students are also advised to take electives in the fields of art, drama, music, sports, and activities. Considerable flexibility in the Recreation program is allowed in designing an individualized program to strengthen career needs and specialization areas selected by the student.
R: REC / RSCR

RSCR 220 — INTRODUCTION TO RESPIRATORY CARE PRINCIPLES 5 UNITS
72 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of CHEM 143.
Corequisite: Concurrent enrollment in RSCR 230.
Limitations on Enrollment: Enrollment limited to students admitted to the respiratory care program.
Covers basic physical principles necessary for the practice of respiratory care to include the following: medical terminology, fundamentals of general bedside patient care skills, underlying physical principles of respiratory care equipment, and indications for the use of oxygen and aerosol therapy and related equipment. Materials fee required. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

RSCR 222 — BASIC CARDIOPULMONARY ANATOMY AND PHYSIOLOGY 3 UNITS
54 Lecture Hours
Formerly listed as RSCR 202
Prerequisites: Satisfactory completion of AP 150 or (ANAT 125 and PHYS 101)
Structure and functions of the pulmonary and cardiovascular systems. Application of laws of gas and fluid physics to the cardiopulmonary system. Field trips may be required. Lecture. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

RSCR 224 — RESPIRATORY CARE THEORY 2 5 UNITS
72 Lecture Hours, 54 Lab Hours
Formerly listed as RSCR 203
Prerequisites: Satisfactory completion of RSCR 220.
Theoretical foundation for basic treatment modalities utilized in respiratory care. Topics covered include: hyper-inflation therapies, chest physical therapy, basic airway care and cardiopulmonary pharmacology. Associated equipment will be covered during scheduled labs. Field trips may be required. Lecture/Laboratory. Materials fee required. (Spring) (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

RSCR 230 — CLINICAL 1 1 UNIT
54 Lab Hours
Corequisite: Concurrent enrollment in RSCR 220.
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete AP 150.
Clinical experience in oxygen therapy, aerosol-humidity therapy and other basic respiratory care modalities used in area hospitals. Field trips are required. (P/NP Only) Not repeatable. Lab. Transfer: (CSU)

RSCR 232 — CLINICAL 2 3.5 UNITS
Prerequisite: Satisfactory completion of RSCR 230.
Corequisite: Concurrent enrollment in RSCR 222 and RSCR 224.
Clinical experience in the various routine respiratory care procedures and the equipment used in area hospitals. Attention is paid to the student performing critical evaluations of current therapy and the application of clinical practice guidelines. Field trips might be required. (P/NP Only) Not repeatable. Transfer: (CSU)

RSCR 240 — ADVANCED CARDIOPULMONARY PHYSIOLOGY 4.5 UNITS
81 Lecture Hours
Prerequisite: Satisfactory completion of RSCR 222 and RSCR 224.
Limitations on Enrollment: Enrollment limited to students who are accepted into the Respiratory Care Program.
Advanced cardiopulmonary physiology and diagnostics for the second-year respiratory care student. Includes advanced arterial blood gas analysis, indices of oxygenation, chest x-ray interpretation, hemodynamic monitoring, laboratory testing, capnography, and ECG interpretation with an emphasis on clinical setting application. Also includes discussion of various pathologies caused by cardiovascular conditions. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)

RSCR 242 — CRITICAL CARE PROCEDURES 4.5 UNITS
63 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of RSCR 222, RSCR 224, and MICRO 101.
Limitations on Enrollment: Enrollment limited to students who are accepted into the Respiratory Care Program.
Theory and application of critical care procedures for second year respiratory care students. Advanced theory and application of mechanical ventilators, associated pathophysiology and pharmacology, microbiological issues in respiratory care; application of ECG interpretation and chest x-ray interpretation. Field trips are not required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU)

RSCR 244 — NEONATAL-PEDIATRIC RESPIRATORY CARE 2 UNITS
36 Lecture Hours
Formerly listed as RSCR 214
Prerequisites: Satisfactory completion of RSCR 240 and 242.
Introduction to respiratory care in the neonatal patient. Topics include fetal and neonatal development, resuscitation, pathophysiology, and neonatal and pediatric respiratory care procedures. Also open to those holding valid Respiratory Care Practitioner or Registered Nurse license. Field trips may be required. Lecture. (Summer) (A-F Only) Not repeatable. Transfer: (CSU)

RSCR 246 — CURRENT ISSUES IN RESPIRATORY CARE 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of RSCR 240 and RSCR 242.
Limitations on Enrollment: Enrollment limited to students who are admitted to Respiratory Care program.
Introduction to specialty areas of respiratory care. Review of pathophysiology of respiratory disease processes and treatment. Includes a comprehensive review to prepare students for state and national examinations. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU)
COURSES

RSCR 248—SELF-DIRECTED STUDY 0.5 UNITS
27 Lab Hours
Prerequisite: Satisfactory completion of RSCR 242.
Limitations on Enrollment: Enrollment limited to students admitted to the Respiratory Care program.
Preparation for Therapist level clinical simulation exam. Students spend 1.5 Hours per week on a self-directed basis completing computerized clinical teaching and testing simulations. Also open to those possessing a valid RCP license. Materials fee required. Field trips are not required. (P/NP Only) Lab. Not repeatable. Transfer: (CSU)

RSCR 250—CLINICAL 3 3.5 UNITS
189 Lab Hours
Formerly listed as RSCR 213
Prerequisites: Satisfactory completion of RSCR 232.
Concurrent Enrollment: RSCR 240 and 242.
Clinical experience in the various critical care respiratory procedures and the equipment used for these procedures in various area hospitals. Field trips may be required. Laboratory. Materials fee required. (P/NP Only)(Spring) Lab. Not repeatable. Transfer: (CSU)

RSCR 251—NEONATAL AND PEDIATRIC CLINICAL PRACTICE 1 0.5 UNITS
27 Lab Hours
Prerequisites: Satisfactory completion of RSCR 242
Concurrent Enrollment: RSCR 240 and 242.
Introduction to respiratory care clinical practice in perinatal, neonatal and pediatric care. Field trips may be required. Laboratory. (Summer)(P/NP Only) Not repeatable. Transfer: (CSU)

RSCR 252—PHYSICIAN ROUNDS FOR RESPIRATORY CARE 0.5 UNITS
27 Lab Hours
Formerly listed as RSCR 210
Concurrent Enrollment: RSCR 244 and 246.
Opportunity for interaction between physicians and respiratory care students to determine the appropriateness of a respiratory care plan; includes use of computer instruction in formulating adequate care plans and use of respiratory care protocols. Laboratory. (P/NP Only)(Fall) Not repeatable. Transfer: (CSU)

RSCR 253—NEONATAL AND PEDIATRIC CLINICAL PRACTICE 2 0.5 UNITS
27 Lab Hours
Prerequisites: Satisfactory completion of RSCR 242
Concurrent Enrollment: RSCR 244
Additional respiratory care clinical practice in perinatal, neonatal and pediatric care. Field trips may be required. Laboratory. (Summer)(P/NP Only) Not repeatable. Transfer: (CSU)

RSCR 254—CLINICAL 4 4.5 UNITS
243 Lab Hours
Prerequisite: Satisfactory completion of RSCR 244.
Corequisite: Concurrent enrollment in RSCR 246.
Continued clinical experience in critical care units and introduction to clinical care in the neonatal intensive care unit as well as alternative site respiratory care. Field trips might be required. (P/NP Only) Lab. Not repeatable. Transfer: (CSU)

RSCR 255—CLINICAL PRECEPTORSHIP 2.5 UNITS
135 Lab Hours
Prerequisite: Satisfactory completion of RSCR 244
Corequisite: Concurrent enrollment in RSCR 246.
Limitations on Enrollment: Enrollment limited to students admitted into the Respiratory Care program.
Four week clinical preceptorship in which student must demonstrate proficiency in all areas of clinical respiratory care practice. Field trips are not required. (P/NP Only) Lab. Not repeatable. Transfer: (CSU)

Sheet Metal Courses (SM)
The Vocational Sheet Metal courses teach layout, measurement, forming, and installation as well as the mathematics required for sheet metal fabrication. Curriculum is developed and closely monitored in consultation with local air conditioning and heating contractors.

SM 331—VOCATIONAL SHEET METAL AND INSTALLATION 1 3 UNITS
54 Lecture Hours
Formerly listed as SM 31

SM 332—VOCATIONAL SHEET METAL AND INSTALLATION 2 3 UNITS
54 Lecture Hours
Formerly listed as SM 32
Prerequisite: Satisfactory completion of SM 331
Techniques perfected in turning, burring, raising, forming, crimping, and beading: short method of pattern development. Parallel line and radial line development. Linear and geometric measure. Field trips may be required. Lecture. (A-F Only) Not repeatable.

Sign Language Courses (SIGN)

SIGN 125—ASL: BEGINNING COMMUNICATION WITH THE DEAF 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Introduction to American Sign Language, designed to provide basic conversational skill in the language used among Deaf people in the United States. This course is equivalent
to the first two years of high school ASL. Field trips may be required. (A-F or P/NP) Lecture. **Transfer**: (CSU, UC) **General Education**: (MUC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A) Not repeatable.

**SIGN 126**—ASL: INTERMEDIATE COMMUNICATION WITH THE DEAF 3 UNITS

54 Lecture Hours
**Prerequisite**: Satisfactory completion of SIGN 125.

Communicating with and interpreting for the Deaf at an intermediate conversational level using American Sign Language. Field trips may be required. (A-F or P/NP) Lecture. **Transfer**: (CSU, UC) **General Education**: (MUC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A) Not repeatable.

**SIGN 127**—ASL: ADVANCED COMMUNICATION WITH THE DEAF 3 UNITS

54 Lecture Hours
**Prerequisite**: Satisfactory completion of SIGN 126.

Extensive development of and practice in American Sign Language for those who would like to interpret for the Deaf or for those want to become professionals working in the Deaf community. Field trips may be required. (A-F or P/NP) Lecture. **Transfer**: (CSU, UC) **General Education**: (MUC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A) Not repeatable.

**SOCSC 58**—STUDENT LEADERSHIP DEVELOPMENT 2 UNITS

36 Lecture Hours

Theory, practice, and application of leadership principles. Prepares students for productive involvement in community service, college activities, and civic governance. Designed especially, but not exclusively, for students participating in student government and club activities. Field trips might be required. (A-F or P/NP) Not repeatable.

**SOCSC 105**—WOMEN’S STUDIES 3 UNITS

54 Lecture Hours

**Recommended for Success**: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.

Using a multidisciplinary approach, this course explores political, economic, social, cultural, and historical issues from a feminist and global perspective. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. **Transfer**: (CSU, UC) **General Education**: (MUC-GE: B, C) (CSU-GE: D0, D4) (IGETC: 4D, 4J)

**SOCSC 109**—INTRODUCTION TO EDUCATION PRACTICUM IN TUTORING 3 UNITS

54 Lab Hours

**Formerly listed as**: SOCSC - 109: Intro Education - Practicum in Tutoring

Limitations on Enrollment: Enrollment limited to students who provide fingerprint and TB clearance.

Orientation to the teaching profession. Designed for prospective elementary, secondary, or college teachers but open to all. Students are required to observe in an appropriate educational setting. Partially meets field experience requirement for teaching credential program at CSU Stanislaus. Fingerprint Clearance and TB Clearance is required. Field trips might be required. Lab. Not repeatable. **Transfer**: (CSU, UC) (CC EDUC 10)

**SOCSC 110**—INTRODUCTION TO ELEMENTARY EDUCATION 3 UNITS

54 Lecture Hours

**Formerly listed as**: SOCSC - 110: Introduction to Education

**Recommended for Success**: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 101.

Orientation to the teaching profession. Designed for prospective elementary and middle school teachers, but open to all students. Students are required to observe and participate in community classrooms. Meets field experience requirement for teaching credential program. Fingerprint Clearance and TB Clearance is required. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. **Transfer**: (CSU, UC) (CC EDUC 12) (CID: EDUC 200) **General Education**: (MUC-GE: B)

**SOCSC 120ABC**—COMPUTER APPLICATIONS IN THE SOCIAL SCIENCES 1-3 UNITS

A = 154 Lecture Hours, B = 18 Lecture Hours, 54 Lab Hours, C = 36 Lecture Hours, 108 Lab Hours

Application of computers to social sciences activities. Writing, research, data collection, simulations, survey and laboratory research. Field trips may be required. May be repeated to six units maximum. Lecture or Laboratory. Not repeatable. **Transfer**: (CSU)

**SOCSC 154**—MOVIES WITH A MESSAGE 3 UNITS

54 Lecture Hours

A thematic film course aimed at using the medium of film to broaden the awareness of current societal and global issues, focusing on different topics semester to semester. Selected sequences of feature films, documentaries, unusual foreign and domestic releases will explore how film makers depict aspects of history, culture, religion, race, gender, class, ideology and other issues in a global perspective. Course will cover related elements of film style and theory, such as the relationship of subject to style, form and function. Field trips may be required. Lecture. Not repeatable. **Transfer**: (CSU, UC) **General Education**: (MUC-GE: C) (CSU-GE: C1)

**SOCIO 101**—INTRODUCTION TO SOCIOLOGY 3 UNITS

54 Lecture Hours

An introductory study of the basic concepts, theoretical approaches, and methods of sociology. Topics typically include the analysis and explanation of social structure, group dynamics, socialization and the self, social stratification, culture and diversity, social change, and globalization. Course objectives include the ability to apply sociological ideas to everyday life. Field trips might be required. (A-F or P/NP) Not repeatable. **Transfer**: (CSU, UC) (CC SOCIO 1) (C-ID: SOCI 110) **General Education**: (MUC-GE: B) (CSU-GE: D0) (IGETC: 4J)
SOCIO 102—SOCIAL PROBLEMS IN THE UNITED STATES 3 UNITS
54 Lecture Hours
The experiences of caregivers and patients from several ethnic minority groups. The study of contemporary social problems within the American society emphasizing, among other topics, alcohol and drugs, crime and violence, family problems, power, race, and gender inequalities. Construction of possible solutions to social problems will also be discussed. Field trips may be required. Lecture. Not repeatable. Transfer: (CSU, UC) (CC SOCIO 2) (C-ID: SOCI 115) General Education: (MJC-GE: B) (CSU-GE: D0) (IGETC: 4J)

SOCIO 125—SOCIOLOGY OF THE FAMILY 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50.
Sociological analysis of the family, including historical and recent changes, present nature and the socio-cultural and economic forces shaping these changes. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC SOCIO 5) (C-ID: SOCI 130) General Education: (MJC-GE: B) (CSU-GE: D0, D3) (IGETC: 4J)

SOCIO 150—ETHNICITY AND CULTURE IN AMERICA 3 UNITS
54 Lecture Hours
A multidisciplinary study of ethnic and racial groups in the United States including Asian-Americans, African-Americans, Hispanics, among others. Emphasizes emergence, change, stratification, conflict and change as well as the historical and current roles of the family within dynamic communities are emphasized. Lecture. Not repeatable. Transfer: (CSU, UC) (CC SOCIO 2) (C-ID: SOCI 115) General Education: (MJC-GE: B) (CSU-GE: D0) (IGETC: 4J)

SOCIO 154—AFRICAN-AMERICAN CULTURES AND COMMUNITIES 3 UNITS
54 Lecture Hours
A sociological exploration of the social and historical forces shaping contemporary African-American experiences and their multiple statuses in American society. Effects of stratification, conflict and change as well as the historical and current roles of the family within dynamic communities are emphasized. Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: B) (CSU-GE: D0, D3) (IGETC: 4J)

SOCIO 156—MEXICAN CULTURE IN THE UNITED STATES 3 UNITS
54 Lecture Hours

SPAN 45 XABC —PRACTICAL SPANISH FOR THE PROFESSIONS 0.5-3 UNITS
X= 9 Lecture Hours, A= 18 Lecture Hours, B= 36 Lecture Hours, C= 54 Lecture Hours
Conversational Spanish for people working with the Spanish-speaking in the following areas: health, education, law enforcement, social work, agriculture, construction, public safety, and business. Occupational topics vary from semester to semester. May be repeated for credit as topic changes. A student may take Spanish for Law Enforcement and learn vocabulary appropriate for law enforcement officers. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable.

SPAN 51—INTRODUCTORY SPANISH 1 3 UNITS
54 Lecture Hours
Slow-paced, non-Transferable course designed for people who have never studied a foreign language before, especially Spanish. Basic Spanish grammar and pronunciation. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CC SPAN 1A) General Education: (MJC-GE: C)

SPAN 52—INTRODUCTORY SPANISH 2 3 UNITS
54 Lecture Hours
Formerly listed as SPAN 52 - Introduction to Practical Spanish 2
Prerequisite: Satisfactory completion of SPAN 51 or equivalent introductory course.
Slow-paced, non-Transferable course designed for people who wish to continue from SPAN 51. Basic Spanish grammar and pronunciation. Field trips may be required. (A-F or P/NP) Lecture. Not repeatable. General Education: (MJC-GE: C)

SPAN 101—SPANISH 1 5 UNITS
90 Lecture Hours
Fundamentals of spoken and written Spanish. Equivalent to the satisfactory completion of two years of high school Spanish. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC SPAN 1A) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 6A)

SPAN 102—SPANISH 2 5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of SPAN 101.
Continuation of Spanish 101. Emphasis on preterite and imperfect tenses of the indicative mood. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC SPAN 1B) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A)

SPAN 103—SPANISH 3 5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of SPAN 102.
Continuation of Spanish 102. Includes Spanish grammar, conversation, reading and composition. Also includes reading and discussion in Spanish of selections from literary works of Spanish and Latin American writers. Equivalent to the satisfactory completion of four years of high school Spanish. Lecture. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (CC SPAN 2A) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A)

SPAN 104—SPANISH 4 5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of SPAN 103.
Review and expansion of grammatical structures covered in Spanish 101-103. Includes a review of the uses of the subjunctive and the reading and discussion of literary works of Spanish and Latin American writers. (A-F or P/NP) Field trips may be required. Lecture. Not repeatable. Transfer: (CSU, UC) (CC SPAN 2B) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A)
COURSES

SPAN 109—SPANISH FOR SPANISH SPEAKERS 1 5 UNITS
90 Lecture Hours
Formerly listed as: SPAN - 109: Span for Span Speakers: Fundamentals

Recommended for Success: Before enrolling in this course, students are strongly advised to understand and be able to communicate in Spanish with near native fluency. Some formal academic study in the language is also desired.

The first of two courses intended for Native or Heritage Spanish speakers who already speak, read and write in Spanish at varying levels and with some academic study in the language. This course will focus on: the review of major elements of Spanish grammar, vocabulary acquisition, and student improvement of oral and written communication skills. Through the study of selected readings, students will expand on their own experiences and explore other Spanish Speaking cultures. Equivalent to the satisfactory completion of two years high school Spanish. Taught in Spanish. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 6A)

SPAN 110—SPANISH FOR SPANISH SPEAKERS 2 5 UNITS
90 Lecture Hours
Prerequisite: Satisfactory completion of SPAN 109.

A continuation of SPAN 109. This course is intended for Spanish-speaking students who seek to continue building their reading, writing, speaking, and listening skills in standard Spanish. Students will continue to increase awareness of linguistic registers, and discuss topics beyond the familiar routine through continued grammar review, vocabulary expansion and writing. Students will continue to expand upon their appreciation for Spanish speaking cultures through the discussion and analysis of selected readings, in Spanish, from Spanish speaking countries and the United States. Equivalent to the satisfactory completion of three years of high school Spanish. Taught exclusively in Spanish. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 6A)

SPAN 112—INTRODUCTION TO CHICANO/A LITERATURE 3 UNITS
54 Lecture Hours
Formerly listed as: SPAN - 112: Introduction to Chicano/a Literature

Prerequisite: Satisfactory completion of SPAN 104 or SPAN 110.

Overview of the historical development and current trends in Chicano/a literature; taught in Spanish. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A)

SPAN 173—SURVEY OF LATIN AMERICAN LITERATURE 3 UNITS
54 Lecture Hours
Prerequisite: Satisfactory completion of SPAN 104 or SPAN 110.

Introduction to Latin American literature from the Pre-Colombian Period to the present; a literary survey of major works from different literary movements and from various genres such as poetry, short story, essay, drama, and the novel. Taught in Spanish. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C2) (IGETC: 3B, 6A)

Spelling Courses (SPELL)

SPELL 31—BASIC SPELLING AND PHONICS 3 UNITS
54 Lecture Hours
Designed for non-native speakers to improve reading and spelling. Emphasis on sound symbol relationships in English and phonics rules. Discrimination between words which are similar in either spelling or sound. (A-F Only) Lecture. Not repeatable.

SPELL 32—SPELLING AND PRONUNCIATION 3 UNITS
54 Lecture Hours
Designed to improve spelling and pronunciation skills by introducing and using the phonic patterns of English. (A-F Only) Lecture. Not repeatable.

Study Skills/Counseling Courses (STSK)

STSK 25—STUDENT SUCCESS STRATEGIES 1 UNIT
18 Lecture Hours
Designed to increase the student’s success in college and facilitate the transition to the workplace and other college courses. Practical emphasis on goal setting, time management, study skills and interpersonal communication. This class does not meet guidance requirements for graduation. (A-F Only) Lecture. Not repeatable.

STSK 78—COLLEGE STUDY SKILLS 3 UNITS
54 Lecture Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 50 and satisfactorily complete READ 82.

Designed for students who desire to increase their academic potential. Learn about Modesto Junior College and the culture of higher education. Acquire and practice effective and efficient learning strategies. The impact of student attitudes, choices, motivation and learning style on college success will also be examined. Field trips might be required. Lecture. (A-F Only) (CC GUIDE 100) Not repeatable. Graduation: (MJC Guidance)

Supervisory Management Courses (SUPR)

SUPR 106—GROUP & ORGANIZATIONAL COMMUNICATION 3 UNITS
54 Lecture Hours
Formerly listed as: SUPR 106: Organizational Communication
Also offered as: COMM 106
Formerly listed as: SPCOM 106: Organizational Communication

Communication within and between groups and organizations while enhancing individual communication skills. Emphasis on communication and organizational theory.
as basis for focus on such communication processes as task-oriented discussions, problem solving, leadership, conflict resolution and negotiation, communication climate, and organizational culture. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU) (C-ID: COMM 140) General Education: (MJC-GE: D2)

SUPR 351—ELEMENTS OF SUPERVISION 3 UNITS
54 Lecture Hours
Also offered as: BUSAD 351

The nature and function of the supervisor's role in business, industry, and government. The skills and techniques of effective management will be examined and applied in terms of attaining maximum results through the cooperative efforts of others. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable.

SUPR 364—TOTAL QUALITY MANAGEMENT 3 UNITS
54 Lecture Hours
Also offered as: BUSAD 364

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete SUPR 351 or satisfactorily complete BUSAD 240.

Total Quality Management, TQM, is a method by which management and employees can become involved in the continuous improvement of the production of goods and services. This course focuses on total quality management concepts, methodologies and practices of services and manufacturing industries. Topics like organizational and cultural aspects of total quality management associated with implementing quality systems, communicating the quality message, team building, training and learning will be addressed. Field trips are not required. (AF or P/NP) Lecture. Not repeatable.

Theatre Courses (THETR)

THETR 100—INTRODUCTION TO THEATRE ARTS 3 UNITS
54 Lecture Hours

This course focuses on the relationship of theatre to various cultures throughout history, and on the contributions of significant individual artists. This course introduces students to elements of the production process including playwriting, acting, directing, design, and criticism. Students will also survey different periods, styles and genres of theatre through play reading, discussion, films and viewing and critiquing live theatre, including required attendance of theatre productions. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: THTR 111) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

THETR 103—DANCE REPERTORY REHEARSAL AND PERFORMANCE 2 UNITS
108 Lab Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 192.

THETR 105—INTRODUCTION TO STAGECRAFT 3 UNITS
45 Lecture Hours, 27 Lab Hours

An introduction to technical theatre and the creation of scenic elements. Includes basic concepts of design, painting techniques, set construction, set movement, prop construction, backstage organization, and career possibilities. May include stage management, lighting, and/or sound techniques. Lecture, reading, projects, and practical experiences. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: THTR 171) Graduation: (MJC: Activities)

THETR 114—SCRIPT ANALYSIS 3 UNITS
54 Lecture Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 117 or satisfactorily complete PEC 127.

Analysis of plays and scripts, focusing on the language and form of the play, the dramatic action, the play's structure, and the playwright's voice and purpose. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

THETR 117—BALLET 3 1 UNIT
54 Lab Hours

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 117 or satisfactorily complete PEC 127.

Advanced level ballet technique and terminology. Audition and instructor approval required. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

THETR 118—BALLET 4 1 UNIT
54 Lab Hours

Advanced level ballet technique and terminology. Audition and instructor approval required. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

THETR 120—ORAL INTERPRETATION 3 UNITS
54 Lecture Hours

Formerly listed as: THETR 120/SPCOM 120

Skills in oral interpretation of literature; choice of material, involvement with material; communication of author's thought, emotion and language; expanded knowledge of literature and literary forms. Field trips are not required. (A-F or P/NP) Lecture. Not repeatable. Transfer: (CSU, UC) (C-ID: THTR 170) General Education: (MJC-GE: C) (CSU-GE: C1)

THETR 122—INTRODUCTION TO READERS' THEATRE 3 UNITS
54 Lecture Hours

Study of oral interpretation principles as they apply to group and choral reading. Emphasis
will be placed upon the preparation and performance of Readers’ Theatre productions. Students are provided the necessary theory, practice for performance and criticism to enhance skills for development and oral presentation of Readers’ Theatre material. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) (CC DRAMA 22) **General Education:** (MJC-GE: C) (CSU-GE: C)  

**THETR 123—STORYTELLING**  
3 UNITS  

54 Lecture Hours  

Also offered as: **COMM 123 (SPCOM 123): Storytelling**  

Introduction to the art of storytelling focusing on the preparation and presentation of literature. Emphasis is placed upon selection of materials, analysis, preparation, and presentation of various genres of stories. Designed to develop the adult reader’s knowledge, critical ability and appreciation of literature, as well as critical listening of others sharing literature. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C)  

**THETR 124—ADVANCED READERS’ THEATRE**  
3 UNITS  

54 Lecture Hours  

Also offered as: **COMM 124 (SPCOM 124): Advanced Readers’ Theatre**  

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete **COMM (SPCOM) 122 or satisfactorily complete THETR 2.**  

Continued development of the construction and direction of Readers’ Theatre performances suitable for public presentation. Emphasis on analysis of reading materials and helping others enhance communication skills through vocal control and physical expression. Field trips might be required. (A-F or P/NP) Lecture. Not repeatable. **Transfer:** (CSU, UC) **General Education:** (MJC-GE: C) (CSU-GE: C)  

**THETR 129—JAZZ 2**  
1 UNIT  

54 Lab Hours  

Also offered as: **PEC 129**  

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete **THETR 188 or PEC 126.**  

Intermediate technique of Jazz Dance with explorations into contemporary derivations of jazz. Emphasis on technical style of the form and the interrelationship of music and movement. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. **Transfer:** (CSU, UC) **Graduation:** (MJC-Activities)  

**THETR 130—JAZZ 3 INTERMEDIATE/ADVANCED**  
1 UNIT  

54 Lab Hours  

Also offered as: **PEC 132**  

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete **THETR 129 or satisfactorily complete PEC 129.**  

This course is a continuation of Jazz 2. This course is a combined intermediate and advanced Jazz Dance Technique class that will continue to build on dance terminology in theory and practical training. Audition required. Field trips are not required. Lab. (A-F or P/NP) Not repeatable. **Transfer:** (CSU, UC) **Graduation:** (MJC-Activities)  

**THETR 131—FUNDAMENTALS OF CHOREOGRAPHY 1**  
2 UNITS  

18 Lecture Hours, 54 Lab Hours  

Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete **THETR 185 or satisfactorily complete PEC 122.**  

Introduction to the creative process of composing dance. Compositional components will be explored, crafted, and aesthetically analyzed. The elements of dance and performance qualities will be explored through technical practice, improvisation, and compositional studies. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. **Graduation:** (MJC-Activities) **Transfer:** (CSU, UC)  

**THETR 133—REHEARSAL AND PERFORMANCE 1**  
2 UNITS  

108 Lab Hours  

**Limitations on Enrollment: Enrollment limited to students who successfully pass audition process.**  

Participation as actors in a fully supported theatre production. This introductory course focuses on ensemble performance techniques that are essential for a play production. Participation in rehearsals and public performances is required. Field trips are not required. Lab. (A-F Only) Not repeatable. **Transfer:** (CSU, UC) (C-ID: THTR 191) **Graduation:** (MJC-Activities)  

**THETR 134—REHEARSAL AND PERFORMANCE 2**  
2 UNITS  

108 Lab Hours  

**Limitations on Enrollment: Enrollment limited to students who successfully pass audition process.**  

Participation as an actor cast in a fully supported theatre production. This course focuses on techniques essential for a play production. Participation in rehearsals and public performances is required. Field trips are not required. (A-F Only) Lab. **Transfer:** (CSU, UC) (C-ID: THTR 191) **Graduation:** (MJC-Activities)  

**THETR 135—REHEARSAL AND PERFORMANCE 3**  
2 UNITS  

108 Lab Hours  

**Limitations on Enrollment: Enrollment limited to successful audition process and get cast in a role.**  

Participation as an actor with intermediate skills level in a fully supported theatre production. This course focuses on the intermediate techniques essential for a play production. Participation in rehearsals and public performances is required. Field trips are not required. (A-F Only) Lab. Not repeatable. **Transfer:** (CSU, UC) (C-ID: THTR 191) **Graduation:** (MJC-Activities)  

**THETR 136—REHEARSAL AND PERFORMANCE 4**  
2 UNITS  

108 Lab Hours  

**Limitations on Enrollment: Enrollment limited to students who successfully pass the audition process and get cast in a role.**  

Participation as an actor with advanced skills level in a fully supported theatre production. This course focuses on advanced techniques essential for a play production. Participation in rehearsals and public performances is required. Field trips are not required. (A-F Only) Lab. Not repeatable. **Transfer:** (CSU, UC) (C-ID: THTR 191) **Graduation:** (MJC-Activities)
THETR 149 — DANCE REPERTORY TOURING COMPETITION  1 UNIT

54 Lab Hours
Preparation of dance participants for attendance at the American College Dance Festival and other competitive conferences. Field trips might be required. (A-F Only) Lab. Four completions allowed. Transfer: (CSU, UC) Graduation: (MJC: Activities)

THETR 151 — DANCE REHEARSALS & PERFORMANCE 1  2 UNITS

108 Lab Hours
Limitations on Enrollment: Enrollment limited to students who successfully pass an audition.

This course is designed to provide students with the opportunity for intensive preparation, performance, and appraisal of choreography for public performances. Field trips might be required. (A-F Only) Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

THETR 152 — DANCE REHEARSALS & PERFORMANCE 2  2 UNITS

108 Lab Hours
Limitations on Enrollment: Enrollment limited to students who successfully pass an audition process.

THETR 153 — CONTEMPORARY POP DANCE REHEARSAL & PERFORMANCE  2 UNITS

108 Lab Hours
Limitations on Enrollment: Enrollment limited to students who successfully pass an audition process.

Contemporary Pop dance rehearsal and public performance. Audition required. Field trips are not required. (A-F Only) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

THETR 154 — DANCE REHEARSAL & PERFORMANCE 3  2 UNITS

108 Lab Hours
Limitations on Enrollment: Enrollment limited to students who successfully pass an audition process.

This course is designed to provide students with the opportunity to participate in a concert dance production as a dancer and/or choreographer. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

THETR 155 — DANCE WORKSHOP PERFORMANCE  2 UNITS

108 Lab Hours
Limitations on Enrollment: Enrollment limited to students who successfully pass an audition process.

This course provides the opportunity for students to create original choreography and/or perform in a student showcase. All phases of the dance concert process from auditions to rehearsal to backstage preparation will be covered. Audition required. Field trips might be required. (A-F Only) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

THETR 159 — REHEARSAL AND PERFORMANCE IN MUSICAL THEATRE  2 UNITS

108 Lab Hours
Limitations on Enrollment: Enrollment limited to students who successfully pass an audition process.

Students participate as actors, singers, dancers in a fully supported musical theatre production. This course focuses on individual and ensemble performance techniques that are essential for a musical or opera production. Participation in rehearsals and public performances is required. Field trips may be required. (A-F Only) Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) (C-ID: THTR 191)

THETR 160 — FUNDAMENTALS OF ACTING  3 UNITS

45 Lecture Hours, 27 Lab Hours
Prepares the student to apply basic acting theory to performance. Develops the skills of interpretation of drama through acting. Emphasis on skills for performance: memorization, stage movement, vocal production, and interpretation of text. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (CC DRAMA 42) (C-ID: THTR 151) General Education: (MJC-GE: C) (CSU-GE: C1)

THETR 161 — INTERMEDIATE ACTING  3 UNITS

45 Lecture Hours, 27 Lab Hours
Pre-requisite: Satisfactory completion of THETR 160.

This course follows Acting I (Fundamentals of Acting) and continues the exploration of theories and techniques used in preparation for the interpretation of drama through acting. The emphasis will be placed on deepening the understanding of the acting process through character analysis, monologues and scenes. The work in class will be presented at the end of the semester in a culminating final public performance. Field trips might be required. (A-F Only) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: THTR 152) General Education: (MJC-GE: C) (CSU-GE: C1)

THETR 164 — IMPROVISATIONAL ACTING  3 UNITS

45 Lecture Hours, 27 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 160.

Intensive study of the basic techniques of theatre games and improvisational acting with specific concentration on improvisational theatre formats. Course will culminate in a public improvisational performance. Field trips might be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

THETR 168 — DANCE REHEARSAL & PERFORMANCE 4  2 UNITS

108 Lab Hours
Limitations on Enrollment: Enrollment limited to students who successfully pass the audition process.

This course is designed to provide students with the opportunity to participate in an intensive preparation for public performance as choreographed by faculty, visiting artists, and/or students. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities)

| THETR 174—STAGE MAKEUP | 3 UNITS |
| 45 Lecture Hours, 27 Lab Hours |
| Instruction and practice in a lecture/laboratory setting in all phases of makeup specifically designed for theatrical use. Materials fee required. Field trips are not required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: THTR 174) Graduation: (MJC: Activities) |

| THETR 175—STAGE COSTUMING | 3 UNITS |
| 45 Lecture Hours, 27 Lab Hours |
| Costume history, design, and basic construction techniques as an introduction to basic theatrical costuming. Fabrics and their various uses will be investigated. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: THTR 175) Graduation: (MJC: Activities) |

| THETR 176—MODERN DANCE 4 | 1 UNIT |
| 54 Lab Hours |
| Also Offered as: PEC 149 |
| Prerequisite: Satisfactory completion of THETR 185. |
| Learn, practice and apply intermediate modern dance skills learned in Modern Dance 3 toward the refinement of technical and artistic expression characteristic of advanced level technique. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities) |

| THETR 177—BALLET 2 | 1 UNIT |
| 54 Lab Hours |
| Also offered as: PEC 127 |
| Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete PEC 133 or THETR 189. |
| Intermediate level ballet technique and terminology. Students are required to have appropriate dance shoes and dance attire. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) |

| THETR 178—INTRODUCTION TO SCENERY DESIGN | 3 UNITS |
| 47 Lecture Hours, 27 Lab Hours |
| Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 100. |
| Introduction to the art and practice of scenery design for the stage. History, functions and process of scene design, choosing color and texture, and the importance of lighting. Practical application will include scene painting and model building. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) |

| THETR 182—PRACTICAL STAGE LIGHTING | 3 UNITS |
| 45 Lecture Hours, 27 Lab Hours |
| Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 100. |
| An introduction to the art and practice of lighting design for the stage. Lectures will include: the use and control of stage lighting instruments, choosing color, basic electricity, the physical and psychological properties of light as applied to stage illumination. Practical application in lab work will include assisting in the lighting of a fully supported play, musical or dance production. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: THTR 173) |

| THETR 185—MODERN DANCE 1 | 1 UNIT |
| 54 Lab Hours |
| Also offered as: PEC 122 |
| Formerly listed as: THETR - 185A: Beginning Modern Dance |
| Basic modern dance technique, beginning composition, improvisation, dance history, and philosophy. Dance as an art form and as recreation. (A-F or P/NP) Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC) |

| THETR 186—MODERN DANCE 2 | 1 UNIT |
| 54 Lab Hours |
| Also offered as: PEC 123 |
| Formerly listed as: THETR 186A: Intermediate Modern Dance |
| Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 185 or satisfactorily complete PEC 122. |
| Introduction, exploration, and experience in choreography and performance. Movement through space, energy and time, and compositional form. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities) |

| THETR 187—MODERN DANCE 3 | 1 UNIT |
| 54 Lab Hours |
| Also offered as: PEC 124 |
| Formerly listed as: THETR 187A: Advanced Modern Dance |
| Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 186 or satisfactorily complete PEC 123. |

| THETR 188—JAZZ 1 | 1 UNIT |
| 54 Lab Hours |
| Also offered as: PEC 126 |
| Formerly listed as: THETR 188A: Jazz Dance |
| Beginning Technique of Jazz Dance with explorations into contemporary derivations of jazz. Emphasis on technical style of this form, and to the interrelationships of music and movement. Field trips are not required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) Graduation: (MJC: Activities) |
COURSES

THETR 189—BALLET 1  1 UNIT
54 Lecture Hours
Also offered as: PEC 133
Formerly listed as: THETR 189: Ballet 1
Fundamental ballet technique and terminology. Students are required to have appropriate dance shoes and dance attire. Field trips might be required. (A-F or P/NP) Lab. Not repeatable. Graduation: (MJC: Activities). Transfer: (CSU, UC)

THETR 190—THEATRE PRODUCTION WORKSHOP  1 UNIT
54 Lab Hours
Formerly listed as: THETR 190AB: Theatre Production Workshop
A repeatable, multi-technical, group lab-only course focusing on the practical aspect of mounting and running a theatrical production. Students will gain practical experience in the application of production responsibilities in any of the following: stage management, house management, scenery or costume construction, lighting, sound and running crews. Field trips are not required. Four completions allowed. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: THTR 192) Graduation: (MJC: Activities)

THETR 192—REHEARSAL & PERFORMANCE  1 UNIT
108 Lab Hours
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 100.
Participation and instruction in rehearsal and performance of a role in an MJC production. Required activities may include all aspects involved in the production of plays as well as rehearsal. Field trips are required. (A-F or P/NP) Lab. Not repeatable. Transfer: (CSU, UC) (C-ID: THTR 192) Graduation: (MJC: Activities)

THETR 194—INTRODUCTION TO WORLD DANCE  3 UNITS
54 Lecture Hours
Also offered as: PE 194
A survey of dance and its development as an art form through social, political and cultural context. Investigation of cultural traditions and styles, values, aesthetics and mores will be explored. Field trips might be required. (A-F Only) Lecture. Not repeatable. Transfer: (CSU, UC) General Education: (MJC-GE: C) (CSU-GE: C1) (IGETC: 3A)

THETR 195—MOVEMENT FOR THE PERFORMING ARTIST  3 UNITS
45 Lecture Hours, 27 Lab Hours
Introduction to the fundamentals of movement as applied to body awareness, motor efficiency, and basic compositional components. Exploration of qualities and dynamics in performance through technique, improvisation, and compositional studies. Field trips are required. (A-F Only) Lecture/Lab. Not repeatable. Graduation: (MJC: Activities) Transfer: (CSU, UC)

THETR 196—STAGE MANAGEMENT  3 UNITS
54 Lecture Hours
Formerly listed as: THETR 196: Theatre Management
Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete THETR 100.
The functions and duties of stage managers, production managers and directors for live theatre productions are examined. Major topics include the creation of a production book, box office management techniques and the organizational structure of theatrical producing organizations. Field trips might be required. (A-F or P/NP) Lecture. Transfer: (CSU, UC) Graduation: (MJC: Activities) Not repeatable.

Tutoring Courses (TUTOR)

TUTOR 100—INTRODUCTION TO GENERAL TUTORING  1 UNIT
18 Lecture Hours
Formerly listed as: TUTOR 50: Tutor Training
Limitations on Enrollment: Enrollment limited to students selected as tutors for the Library & Learning Center.
Introductory tutoring course limited to students selected as tutors for the Learning Center. Designed to train students to become peer tutors. Introduces students to their role as a peer tutor and to the methods of effective tutoring. Cross-cultural understanding and working with students with diverse abilities is emphasized. Field trips are not required. (P/NP Only) Lecture. Not repeatable. Transfer: (CSU)

TUTORING NON-CREDIT COURSES (TUTOR)

TUTOR 810—TUTOR TRAINING  9 Lecture Hours
Designed as an introduction to the tutoring process. Introduction to preparation, expectations, probing skills, situations, and application of the learned techniques. Course intended for students selected as tutors at MJC. Four completions allowed. Lecture.

TUTOR 850—SUPERVISED TUTORING  80 Lab Hours
Provides individual learning opportunities for students with expressed needs. Includes study strategies, learning modes, and developmental materials. All learning experiences will be under instructional supervision. Four completions allowed. Field trips are not required. (Non-Graded course) Lab.

Vocational, Work Experience Courses (VOCWE)

Modesto Junior College serves the needs of its students and those of the community through its Work Experience program. A program objective is to provide guidance and opportunity for career planning students in the real laboratory of the communities’ businesses, industries and public agencies. Work experience education results when it encompasses a systematic plan whereby students, while in college, gain realistic employment experiences through work. Two Work Experience programs are offered: General Work Experience and Vocational Work Experience. Employment may be on a paid or volunteer basis and may be at work sites on or off campus. For General Work Experience, please see WKEX (Work Experience, General).
WELD 200 — ARC & GAS WELDING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Introduction level course with a lecture/lab format of instruction. Activities and topics include oxyacetylene welding/cutting and shielded metal arc welding processes. Materials fee required. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

WELD 204 — GAS METAL ARC WELDING (G.M.A.W) & FLUX CORE ARC WELDING (F.C.A.W) 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as WELD 204 - Gas Metal Arc (MIG) Flux Core Arc (FCAW)
Prerequisite: Satisfactory completion of WELD 200.

Advanced occupational welding procedures for ferrous and non-ferrous metals, manual and automated oxyfuel cutting, carbon arc gouging. Includes the introduction of qualification testing procedures that meet the American Welding Society's structural steel code (D1-1) certification. Materials fee required. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

WELD 206 — GAS TUNGSTEN ARC WELDING (G.T.A.W.) 3 UNITS
36 Lecture Hours, 54 Lab Hours
Formerly listed as WELD 206 - Gas Tungsten Arc Welding (TIG)
Prerequisite: Satisfactory completion of WELD 200.
Advanced occupational course covering welding procedures for ferrous and nonferrous sheet-metals and purge welding procedures for stainless steel tubing. Materials fee required. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable. Transfer: (CSU)

WELD 300 — INTERMEDIATE WELDING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of WELD 200.
Intermediate level course that uses a lecture/lab format of instruction. Activities and topics cover the welding procedures for mild steel plate, manual and automated oxyfuel cutting, and carbon arc gouging. Qualification testing procedures that meet the American Welding Society's structural code (D1-1) will also be covered. Materials fee required. Field trips may be required. (A-F or P/NP) Lecture/Lab. Not repeatable.

WELD 325 — DESIGN AND FABRICATION PROCESSES 3 UNITS
36 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of WELD 204.
Theory of drawing to include techniques of sketching out ideas through the development of layout of final blueprints. Estimating cost including the selection of appropriate materials and fabrication processes. Projects are required. Field trips may be required. (A-F Only) Lecture/Lab. Not repeatable.

WELD 340 — PIPE WELDING 3 UNITS
36 Lecture Hours, 54 Lab Hours
Prerequisite: Satisfactory completion of WELD 300.
This course offers instruction (both lecture and laboratory) in mild steel pipe welding using the SMAW process. Activities and topics will include general pipe fitting, welding procedures, electrodes, applied layout, and fit-up, hangers, equipment, techniques. Practice in the certification procedure for the American Petroleum Institute (API 1104) code will also be covered. Materials fee required. Field trips are required. (A-F or P/NP) Lecture/Lab. Not repeatable.
Workforce Skills Courses (WKFSK)

NON-CREDIT COURSES

WKFSK 801—INTRODUCTION TO WORKFORCE DEVELOPMENT SKILLS
9 Lecture Hours, 27 Lab Hours
Training for employees on how to achieve success in any career situation. Explores elements of communication, team building, active listening and job retention skills. Open entry/open exit. Lecture. Field trips may be required. Four completions allowed.

WKFSK 810—SKILLS FOR SUCCEEDING AT A NEW JOB
18 Lecture Hours
Intended for those re-entering the workforce, or just starting to work, and looking for skills to achieve success as a new employee. Explores in depth job retention skills including job transition concepts, employer expectations, customer service, attitude, feedback and balancing work and personal life. Not repeatable. Field trips might be required. (Non-Graded course)

Zoology Courses (ZOOL)

ZOOL 101—GENERAL ZOOLOGY 4 UNITS
36 Lecture Hours, 108 Lab Hours
Prerequisite: BIO 101
Student Rights and Responsibilities

STUDENT RIGHTS

THE RIGHT TO PETITION FOR SPECIFIC CONSIDERATION •
A student may petition for issues related to specific courses (i.e., grade correction, residency, course repeat due according to Title 5 regulations). Issues that relate to missed deadlines and graduation requirements are not petitionable. Petitions are reviewed by the MJC Petitions Committee, and in some instances, input is provided by departments, division deans and/or instructors. Petition forms are available in the Admissions Office, located on the first floor of the Student Services Building, East Campus. Permission to take excess units and maximum repeats of a course are requested through the Counseling Office in the Student Services Building, Room 226. Academic Renewal applications are available in the Records Office in the Student Services Building. Petition forms for Prerequisite/Co-requisite Challenge, “No-Show” Verifications, and Credit-by-Examination Petitions are available in division offices.

THE RIGHT TO CHALLENGE A PREREQUISITE •
Any student may challenge a prerequisite on the grounds that (1) it was not established in accordance with the District’s policy; (2) it is in violation of Title 5; (3) it is discriminatory; (4) student can succeed even though student has not completed the prerequisite; or (5) student will be subject to undue delay because the prerequisite has not been made reasonably available. To challenge a prerequisite, the student must complete a Prerequisite Challenge Form (available in the division office for the discipline of the course to be challenged) and state the basis for the challenge. A committee from the division in which the class is offered will review each petition and render a decision within five working days. It is the responsibility of the student to provide information that supports the challenge.
STUDENT COMPLAINTS

Students who have general complaints regarding Modesto Junior College may follow the established complaint process. The student may visit the link below to access the complaint form and additional information about the process.

mjc.edu/studentservices/complaints

STUDENT RESPONSIBILITIES

ENROLLMENT RESPONSIBILITIES

Modesto Junior College strives to make students aware of the varied educational programs that it offers and to provide smooth access to these programs. Once enrolled, the college provides many services to ensure success. Each student is required to:

- Express at least a broad educational intent upon admission (educational goal and educational program)
- Declare a specific educational goal by the time 15 units are earned
- Participate in assessment, orientation, counseling and advising prior to registration
- Complete an educational plan with a counselor in the semester following the completion of 15 units
- Diligently attend class
- Complete assigned work
- Abide by the Student Code of Conduct
- Read and obey all published college rules and regulations
- Officially enroll in every class before the ”add” deadline date and pay all fees within 24 hours of enrollment
- Complete courses and maintain progress toward an educational goal according to standards established by the college
- Inform the Admissions and Records Office of changes in personal data (name, mailing address, email address, phone number(s), major goal, educational status, etc.)
- Enroll in each class
- Complete each class or withdraw officially
- Submit legal, not fraudulent documents

ATTENDANCE

All students enrolled at Modesto Junior College are expected to be punctual and attend classes regularly. Instructors are encouraged to announce to their students their policies regarding excessive absences or tardiness at the beginning of the semester. When an instructor determines that a student’s absences are excessive, the instructor may drop the student from the class. It is the student’s responsibility to discuss anticipated and/or extensive absences with the instructor. No absence relieves the student of the responsibility of completing all work assigned. Any student who fails to attend class regularly may be dropped; however, it is the responsibility of the student to complete the course or to officially withdraw from a class. Tardiness may be treated as an absence.

ACADEMIC FREEDOM

Students have the right to listen, the right to decide, the right to choose, the right to reject and the right to express and defend individual beliefs. As members of the MJC community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth.

The educational purpose of the college is best served by this freedom of expression. Students are free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled. Student performance will be evaluated on a broad academic basis, not on opinions or conduct in matters unrelated to academic standards.
Academic Integrity

The Academic Senate at MJC shares the original jurisdiction for conduct violations in the area of academic integrity. The Academic Senate at MJC has defined academic integrity and identified possible means for maintaining academic integrity at the College.

THE FOLLOWING ARE VIOLATIONS OF ACADEMIC INTEGRITY:

- **Cheating**: Intentionally using or attempting to use unauthorized materials, information or study aids in any academic exercise; misrepresenting or non-reporting of pertinent information in all forms of work submitted for credit.
- **Facilitating Academic Dishonesty**: Intentionally or knowingly helping, or attempting to help, another to violate a provision of the institutional code of academic integrity.
- **Plagiarism**: The deliberate adoption or reproduction of ideas, words or statements of another person as one’s own, without acknowledgement. This includes all group work and written assignments.

VIOLATIONS OF ACADEMIC INTEGRITY

The grading of a student’s work rests on the fundamental idea that an instructor is evaluating a student’s own work, so cheating or plagiarism demonstrates a failure to complete this most basic requirement of any course. Thus a faculty member may administer academic consequences for violating the Academic Integrity Policy ranging from partial credit to an F on the assignment or exam.

The instructor may also consider that a student’s violation of academic integrity should be a consideration for disciplinary measures. Disciplinary action for violating academic integrity is administered by the Student Discipline Officer under Board Policy 5500: Standards of Conduct.

ACADEMIC INTEGRITY IN COURSES

Academic areas may develop for their faculty and students a statement of the application of the Academic Integrity Procedure in their courses; and each faculty member is encouraged to include in his/her introduction to a course:

- A statement of the application of the Academic Integrity Procedure within his/her course.
- A statement notifying students that violations of the Academic Integrity Procedure will be reported.

DUE PROCESS FOR VIOLATIONS OF ACADEMIC INTEGRITY

1. Students shall be given notice of the violation and,
2. Students shall be given an opportunity to respond to the allegations.
Modesto Junior College under Yosemite Community College District Board Policy and Procedure 5500, Standards of Conduct has specified standards of student behavior which it considers essential to its educational mission and its campus life. These regulations are designed to represent reasonable standards of conduct. The Student Code of Conduct governs the behavior of students on campus and at facilities controlled by the district or college, and at college-sponsored activities. Violations of the codes may subject individuals to disciplinary action, which is consistent with the requirements of due process. The following student conduct violation(s) conduct will constitute good cause for disciplinary action:

CONDUCT VIOLATIONS INCLUDE:

1. Causing, attempting to cause, or threatening to cause physical injury to another person.
2. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including but not limited to any facsimile firearm, knife or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from an appropriate District employee, which is concurred in by the college president or designee.
3. Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code, Section 11014.5.
4. Committing or attempting to commit robbery or extortion.
5. Causing or attempting to cause damage to District property or to private property on campus.
6. Stealing or attempting to steal District property or private property on campus, or knowingly receiving stolen district property or private property on campus.
7. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the college or the District.
8. Committing sexual harassment as defined by law or by District policies and procedures.
9. Engaging in harassing or discriminatory behavior based on race, religion, creed, color, national origin, ancestry, disability, sex (i.e. gender), marital status or sexual orientation or any other status protected by law.
10. Willful misconduct which results in injury or death to a student or to college personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the District or on campus.
11. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, college personnel.
12. Cheating, plagiarism (including plagiarism in a student publication), or engaging in other academic dishonesty.
13. Dishonesty; forgery; alteration or misuse of college documents, records or identification; or knowingly furnishing false information to the district.
14. Unauthorized entry upon or use of college facilities.
15. Lewd, indecent or obscene conduct on district-owned or controlled property, or at district-sponsored or supervised functions.
16. Engaging in expression which is obscene, lewd, lascivious or lewd and vicious; or which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises; or the violation of lawful district administrative procedures; or the substantial disruption of the orderly operation of the District.
17. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.
18. Obstruction or disruption of teaching, research, administration, disciplinary proceedings, or other college activities, including its public service functions, or any other authorized activities. Pagers, cellular telephones and other similar electronic devices must be turned off in classrooms and other campus sponsored events unless authorized by an appropriate faculty or staff member.
Disciplinary Actions
Resulting From Conduct Violations

Violators of the Student Code of Conduct are subject to the following types of disciplinary action, which will be administered by appropriate College personnel:

<table>
<thead>
<tr>
<th>DISCIPLINARY ACTION</th>
<th>DEFINITION</th>
</tr>
</thead>
<tbody>
<tr>
<td>Informal Reprimand</td>
<td>An oral admonition or warning to cease and desist from conduct that has been determined to violate the standards of conduct.</td>
</tr>
<tr>
<td>Formal Reprimand</td>
<td>Written admonition or warning to cease and desist from conduct that has been determined to violate the standards of conduct.</td>
</tr>
<tr>
<td>Removal from Class</td>
<td>The involuntary removal of a student from class by an Instructor for a maximum period of two consecutive class sessions.</td>
</tr>
<tr>
<td>Removal from Facility</td>
<td>The involuntary removal of a student by an administrator from a District or College facility, or facility under the control of the District or College for a maximum period of two consecutive days.</td>
</tr>
<tr>
<td>Loss of Privileges</td>
<td>Disciplinary action involving the loss of certain student privileges, such as eligibility to participate in extracurricular activities, for a stated period of time.</td>
</tr>
<tr>
<td>Disciplinary Probation</td>
<td>A status between good standing and suspension or expulsion. It covers a stated trial period and disciplinary conditions required of the Yosemite Community College District.</td>
</tr>
<tr>
<td>Disciplinary Suspension</td>
<td>The involuntary removal of a student for good cause from one or more classes or from the college by action of the Student Discipline Officer for a limited period of time, as follows:</td>
</tr>
<tr>
<td>Short-Term Suspension</td>
<td>Removal from one or more classes for a period of up to 10 consecutive days of instruction;</td>
</tr>
<tr>
<td>Long-Term Suspension</td>
<td>Removal from one or more classes for the remainder of the academic term; Removal from one or more classes for one or more academic terms; or Removal from all classes and activities of the College for one or more academic terms.</td>
</tr>
<tr>
<td>Immediate Interim Suspension</td>
<td>The Student Discipline Officer may order the immediate suspension of a student where there is reasonable cause to believe that immediate suspension is required to protect lives or property and to ensure the maintenance of order.</td>
</tr>
<tr>
<td>Expulsion</td>
<td>A student may be expelled for good cause where other means of correction have failed to bring about proper conduct or where the presence of the student causes a continuing danger to the physical safety of students or others. Only the Board of Trustees may expel a student.</td>
</tr>
</tbody>
</table>

The Standards of Conduct Policy and Procedures are available at: [http://www.yosemite.edu/Trustees/boardpolicy.htm](http://www.yosemite.edu/Trustees/boardpolicy.htm)
Illegal Distribution of Copyrighted Material

Modesto Junior College students are prohibited from using the Yosemite Community College District (YCCD) information network to illegally download or share music, video and all other copyrighted intellectual property. Modesto Junior College supports the Higher Education Opportunity Act and Digital Millennium Copyright Act, including efforts to eliminate the illegal distribution of copyrighted material. Under the law, college administrators may be obligated to provide copyright holders with information about users of the YCCD information network who have violated the law. Be aware that illegal forms of downloading and file sharing as well as the unauthorized distribution of copyrighted materials are violations of the law and may subject you to academic sanctions from the college as well as criminal and civil penalties, including a lawsuit against you by the Recording Industry Association of America (RIAA). Learn more at www.campusdownloading.com. In addition to being illegal, file sharing drains the YCCD network's bandwidth, which slows computer connections for students and employees who are using the network for legitimate academic purposes and ultimately costs the college money. The illegal downloading and sharing of music or other copyrighted intellectual property is a form of theft and is prohibited under the Student Code of Conduct. Additional information is available at www.riaa.com (teacher/student information). There are plenty of easy, affordable ways to get music online legally. To protect their intellectual property, companies have licensed hundreds of digital partners that offer a range of legal downloading options, including download and subscription services, legitimate peer-to-peer services, video-on-demand, podcasts and CD kiosks. For a list of sources that offer legal downloading sites, access www.riaa.com.

SEXUAL HARASSMENT POLICY

Sexual harassment is a form of unlawful sexual discrimination and will not be tolerated by the College.

SEXUAL HARASSMENT INCLUDES:

- submission to conduct which is explicitly or implicitly made a term or a condition of an individual's employment, academic status, or progress;
- submission to, or rejection of, conduct by an individual which is used as the basis of an employment or academic decision affecting the individual or has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment; and
- submission to or rejection of, conduct by the individual which is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution. (Education Code Section 212.5.)

The College strongly forbids any form of sexual harassment, including acts of nonemployees. Disciplinary action will be taken promptly against any student or employee, supervisory or otherwise, engaging in sexual harassment.

**Discrimination Terms**

<table>
<thead>
<tr>
<th>TERM:</th>
<th>DEFINITION:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Color or Ethnic Group Identification</td>
<td>means the possession of the racial, cultural, or linguistic characteristics common to a racial, cultural, or ethnic group or the country or ethnic group from which a person or his or her forbears originated. (22 California Administrative Code Section 98210(b).)</td>
</tr>
<tr>
<td>Religion</td>
<td>includes all aspects of religious observance, practice and belief, including duties of the clergy or elders. A belief is religious if sincerely held and, in the scheme of the believer, holds a place analogous to that filled by the deity of those people whose religion may be more orthodox or more widely accepted. (22 California Administrative Code Section 98220.)</td>
</tr>
<tr>
<td>Age</td>
<td>means how old a person is, or the number of elapsed years from the date of a person’s birth. (22 California Administrative Code Section 98230(b).)</td>
</tr>
</tbody>
</table>
| Sex Discrimination            | ■ includes any rule, policy, or practice concerning actual or potential parental, family, or marital status which differentiates on the basis of sex or sexual orientation;  
                                 ■ any rule, policy, or practice concerning disability due to pregnancy, childbirth, recovery from childbirth or termination of pregnancy, or other psychological conditions related to the capacity to bear children not applied under the same terms and conditions and in the same manner as any other rule, policy, or practice relating to any other temporary disability except as otherwise provided by the Fair Employment Practice Act;  
                                 ■ any rule, policy, or practice which treats men and women differently for purposes of any program or activity on the basis of aggregate statistical characteristics of men or women, whether founded in fact, belief or statistical probability;  
                                 ■ any rule, policy, practice, or incident which conditions the receipt of any benefit upon entering into, or maintaining, a sexual relationship or participation in sexual activity, or subjects a person to sexual harassment or intimidation such as unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature. (22 California Administrative Code Sections 98240, 98242, 98244.) |
| Sexual Orientation            | means a private preference of an individual for heterosexuality, homosexuality, or bisexuality; or a history of such a preference; or an identification with having such a preference.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Physical or Mental Disability | means any physical or mental impairment which substantially limits one or more major life activities.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Disabled Person               | means any person who has a physical or mental impairment which substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

**TO FILE A DISCRIMINATION COMPLAINT**

In the pursuit of academic studies and other college-sponsored activities that promote intellectual growth and personal development, the student should be free of unlawful discrimination or sexual harassment by any member of the academic community.  
(Students disturbed by the acts of another student have recourse through the Standards of Conduct.)

Modesto Junior College ensures that its programs and activities, including employment, are available to all qualified persons without regard to ethnic group identification, religion, age, sex, gender, sexual orientation, color, or physical or mental disability.
Complaints may be initiated by a student against an instructor, an administrator, or a member of the classified staff. When a student feels he/she has suffered unlawful discrimination, he/she shall within one year of the occurrence of the incident(s) meet with the Vice President of Student Services.

Students are advised to obtain written instructions for the filing of a complaint from the office of the Vice President of Student Services. You may also contact the Americans with Disabilities Act (ADA) Coordinator, (209) 575-6702 (voice) or (209) 575-6863 (TTY).

1968-1993
Learning Skills
activities requirement: a course requirement of some associate degree candidates that asks students to enroll in a formally recognized "Activities" course (p. 104) with the goal of having a specific type of learning experience.

advanced standing: Classification of student who has completed previous college-level coursework.

articulation: a formal, written and published agreement that identifies courses (or sequences of courses) on the MJC campus that are comparable or acceptable in lieu of specific requirements at another campus, often called the "transfer" or "target institution." Successful completion of an articulated course assures the student and the faculty that the student has taken the appropriate course, received the necessary instruction and preparation, and that similar outcomes can be assured enabling progression to the next level of instruction at the transfer institution.

assessment: tests completed by the student to help counselors and advisors determine the student's skill level in the disciplines of reading, writing, and mathematics.

associate degree: (AA, AA-T, AS, AS-T) a collegiate degree granted by California Community Colleges that, in addition to coursework in the major, includes "general education" coursework across the curriculum to provide the student a broad educational experience. To learn more about degree options, read the "Planning Your Education" section starting on p. 85.

associate degrees for transfer (AA-T, AS-T) degrees designed to facilitate seamless transfer to the California State University system.

admission: the formal process of becoming a student at MJC. Separate from registration.

audit: to take a course without receiving credit, a grade, nor formal record of enrollment. Typically used in instances where a student may want to review course material of a course taken previously. Available only to those students who have met the repeat limitation on an existing course.

baccalaureate degree: formal name of the bachelor's degree.

bachelor's degree: Degree granted by four-year colleges or universities. Commonly granted as the Bachelor of Arts (B.A.) or the Bachelor of Science (B.S.), however, other types of bachelor's degrees can be granted as well.

C-ID (California Course Identification number) A common course numbering system in the State of California. A C-ID number identifies a lower-division, transferable course commonly articulated between the California Community Colleges and universities (including Universities of California, the California State Universities, as well as with many of California's independent colleges and universities).

certificates of achievement: An award in recognition of successful completion of specialized coursework in an area which is typically oriented toward gaining skills for employment in a specific vocation or trade.

class schedule: The offering of courses for a given semester.

community education classes: Fully fee-funded vocational and recreational classes that do not appear on a student’s transcript and carry no credit value.

counselor: a person whose training and primary role at the college is to assist students with personal, career, vocational and educational planning and development.

corequisite: a course which must be taken in the same semester (concurrently) as another course. In some cases, taking the course prior to is acceptable.

credit (graded) course: Course for which units are granted. At MJC, any course numbered 1 through 399.

CSU-GE: Acronym for the "Intersegmental General Education Transfer Curriculum" general education pattern required of students who plan to earn a bachelor's degree. This pattern can be used for transfer to UC or the CSU.

counseling requirement: a requirement for some associate degree candidates that asks take a formally recognized guidance course (p. 104) in order to work on an educational plan and learn about the college experience and other helpful concepts to improve their learning experience in college.

course average (GPA): The average of a student's grades. See Academic Regulations for method of computation.

IGETC: Acronym for the "Intersegmental General Education Transfer Curriculum" general education pattern required of students who plan to earn a bachelor's degree. This pattern can be used for transfer to UC or the CSU.

lab (course format): a type of instruction in which the student is active in the learning process as the instructor oversees activities, e.g., using a computer, experimenting with elements, using a microscope.

learning outcome: a statement defining the expected outcome of a student satisfactorily completing a course, award, General Education pattern, or attending Modesto Junior College.

lecture (course format): a type of instruction in which the student typically observes the instructor e.g., speaking, giving an electronic presentation, asking questions to provoke discussion.

limitation on enrollment: a specific rule that defines what type of student may enroll in a course. Course enrollment can be limited to students with demonstrated abilities, medical clearance, and legal clearance.

faculty advisor: An instructor who assists students in developing a program of study within a major. Contact the division office of the major to connect with the appropriate advisor.

general education (GE) or breadth patterns: Courses required of all associate degree candidates regardless of major to assure a broad educational experience. These differ for the A.A. and A.S. degrees and for transfer. See Instructional Programs for specific requirements.

guidance requirement: a requirement for some associate degree candidates in which the students are asked take a formally recognized guidance course (p. 104) in order to work on an educational plan and learn about the college experience and other helpful concepts to improve their learning experience in college.

guidance requirement: a requirement for some associate degree candidates in which the students are asked take a formally recognized guidance course (p. 104) in order to work on an educational plan and learn about the college experience and other helpful concepts to improve their learning experience in college.
lower division: The first two years of college work, typically defined as freshman and sophomore years, for a bachelor’s degree. By law only lower-division work can be offered at a community college.

major: The program of study a student plans to pursue e.g., biology, nursing, etc., which can culminate to an associate degree, baccalaureate degree, or an advanced degree.

materials fee: a fee charged to students to cover the cost of materials used in a given course

matriculation: A process that enhances access to the college and promotes students to reach their educational goals successfully.

non-credit (ungraded) course: Course for which no units are given. At MJC, any course numbered 800-999 is non-credit.

pass-no pass (P/NP) grading: A grading system allowing a course to be taken for a grade of PASS or NO PASS, rather than for a letter grade of A,B,C,D,F. See Academic Regulations for details. Formerly referred to as “CREDIT/NO CREDIT” or CR/NC.

PiratesNet: MJC’s website that allows students and prospective students admission to the college through an online application, to search and register for classes and check grades.

prerequisite: A requirement which must be completed prior to enrollment in a course. If required, it is listed in the course description. See section on Courses.

registration: the formal process of selecting and enrolling in MJC courses in a given semester.

semester unit: In general, a semester unit represents 1 hour of lecture or 3 hours of laboratory per week for a semester. Graduation requires 60 semester units. Some schools are on “semester” systems, and some schools are on “quarter” systems. One semester unit at MJC is equivalent to one and a half quarter units of coursework at a “quarter” system institution.

skills recognition: an award recognized by MJC that does not appear on the student’s transcript

syllabus: a document prepared by an instructor for students in a given course, defining what will be covered in the course, and outlining expectations and policies in some instances. Often includes significant dates of examinations and other key events.

transfer: to complete a set of courses at MJC or another community college and continue as a student at another college or university. Typically occurs when students earn an associate degree and enroll at another institution to earn a bachelor’s degree.

transcript (of record): Copy of student’s academic record prepared by the Enrollment Services division. Often required for transfer or employment by another institution.

upper division: The last two years of college work, i.e., junior and senior years and/or courses. Upper division courses are not offered at MJC.

withdraw: to formally remove one’s self from a given course.

Mission Statement
MJC is committed to transforming lives through programs and services informed by the latest scholarship of teaching and learning. We provide a dynamic, innovative educational environment for the ever-changing populations and workforce needs of our regional community. We facilitate lifelong learning through the development of intellect, creativity, character, and abilities that shape students into thoughtful, culturally aware, engaged citizens.

Vision Statement
MJC will enrich lives by challenging all students to become successful, lifelong learners who strengthen their community in a diverse and changing world. The college is the first choice for educational excellence in our community.

Values
Education is the reason our institution exists. To this end we value innovation, professionalism, integrity, and responsible stewardship. We foster respect for and interest in the diverse individuals and histories of our community. These values are foundational to the way we shape our programs and services, make and communicate decisions, reinforce collaborative relationships within our community, and promote civic engagement.

Goals
1. MJC will continue to foster the success of all students by providing access to a broad array of quality teaching and learning programs, and appropriate support services.
2. MJC will review Program Review, including all instructional and student services programs, to ensure an allocation decision is in place, training, and educational technology, instructional equipment, and facilities.
3. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
4. Leadership responsible for governance at MJC will create a climate that empowers all MJC employees to be engaged in the campus community and that encourages respect, trust, and integrity through open communication and professional development.
5. MJC will collaboratively develop a staffing plan that includes realistic outcomes of program review for both instructional and student services programs, including allocation of institutional growth areas, program decline, and impending retirements.
6. MJC will expand and enhance outreach to business, industry, and the community based on the identified needs and opportunities.
7. MJC will create a culture of evidence and measurable improvements.
8. MJC will expand and improve the environment and delivery options for students.
9. MJC will develop a plan to increase student engagement in order to improve overall student success.
10. MJC will implement the planning and budget process to foster an environment of informed participation and budgetary understanding.

Accreditation
MJC is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Boulevard, Suite 200, Newport, CA 92660, (415) 390-1200 by the authority of the U.S. Department of Education. Accreditation provides assurance that the location earned is of value to the student, acceptable to employers, trade or profession-related licensing agencies, and other colleges and universities accept a student’s credential as legitimate.

Non-Discrimination Policy
It is the policy of Modesto Junior College to provide an environment free of unlawful discrimination. Discrimination on the basis of ethnic group identification, religion, age, sex, gender, sexual orientation, color, or physical or mental disability in the College programs, activities, and work environment is unlawful and will not be tolerated by the College.

The College strongly forbids any form of discrimination and has enacted the following procedure to recognize and eliminate unlawful discrimination. These regulations provide for the investigation of alleged unlawful discrimination in its programs or activities. The College will seek to resolve the complaints in an expeditious manner.

POLÍTICA DE NO DISCRIMINACIÓN
Modesto Junior College reafirma su propósito de ofrecer igualdad de oportunidades a todas las personas. Este compromiso requiere que ningún individuo sufra discriminación en cuanto a la admisión, al acceso, el tratamiento, en las oportunidades de empleo, en cualquier programa o actividad en esta institución a causa de su grupo étnico, religión, edad, género, orientación sexual, color, o incapacidad física o mental. Esta política está conforme con el Título VI del Acta de Derechos Civiles de 1964, Título IX de la Enmiendas de Educación de 1972, Sujeto 504 del Acta de Rehabilitación de 1973, Acta de Derechos Civiles, y el Acta de Rehabilitación del 1973, Acta de Derechos Civiles, y el Acta de Derechos Civiles, y el Acta de Derechos Civiles. La falta de concienciación del estudiante y su escolarización al abordar los programas de educación vocacional. Los estudiantes que crean haber sufrido discriminación por pertenecer a cualquiera de las categorías anteriormente mencionadas deben comunicarse con el Vice Presidente, Servicios Estudiantiles en el número 212 del edificio Morris Memorial, teléfono 577-6900.

Modesto Junior College District y Modesto Junior College han hecho todo lo posible por asegurar que el contenido del catálogo de 2012-2013 sea correcto. La información en este catálogo es susceptible de ser actualizada a lo largo del tiempo. Además se reservan el derecho de añadir, modificar, o anular cualquiera de sus reglamentos y procedimientos.
