CSU-GE Transfer Pattern 2018 -2019

MJC's General Education Breadth Pattern for Transfer to the California State University System

This general education breadth pattern allows Modesto Junior College students who plan to transfer to a California State University (CSU) to complete lower-division general education requirements for baccalaureate degree at all CSU campuses. The pattern has five disciplinary "areas" (A-E) requiring at least 39-units of coursework. CSU transfer also requires completion of a *History, Constitution, and American Ideals* requirement that may also be completed at MJC. It is included in this pattern. "Certification" of CSU-GE is required for transfer to CSU and can be initiated by visiting the Records Office, Student Services Bldg., Rm. 102. Students are strongly encouraged to meet with a counselor or enroll in a Guidance course to complete an educational plan, and review critical information on transferring to CSU (p. 73) to ensure a most efficient pathway toward associate and baccalaureate degree goals.

IGETC Transfer Pattern 2018-2019

MJC General Education Transfer pattern for California State University or the University of California

IGETC is a general education pattern that, upon full or "partial" (all but two courses) GE breadth certification, will satisfy all or most lower-division general education requirements at California State University (CSU) campuses, most University of California (UC) campuses/majors, and some private/independent or out-of state universities. However, it is not the only way to fulfill the lower division GE requirements for baccalaureate degree prior to transfer to a university. Part of the transfer process will require GE breadth certification. To initiate IGETC breadth certification prior to transfer, visit the Records Office, Student Services Bldg., Room 102. All courses must be passed with a grade of "C" or higher, "P", or "CR" Complete a Guidance class or meet with a counselor to accurately plan coursework to satisfy transfer admission and upper-division major requirements.

Appropriate documentation must substantiate that the required coursework was completed. If no official sealed transcript can be obtained from a foreign institution, an unofficial transcript may be used to verify proficiency. When students cannot provide documentation they should pass one of the examinations/tests listed below (Items 5-12) or satisfactorily complete an appropriate language course at the college (Item 2 above).

In the absence of knowledge of a CSU campus policy for using a course to satisfy both areas, MJC will certify IGETC using courses in IGETC 3B/4F and the CSU AI requirement.
