Modesto Junior College

Mission Statement
MJC is committed to transforming lives through programs and services informed by the latest scholarship of teaching and learning. We provide a dynamic, innovative undergraduate educational environment for the ever-changing populations and workforce needs of our regional community. We facilitate lifelong learning through the development of intellect, creativity, character, and abilities that shape students into thoughtful, culturally aware, engaged citizens.

Vision Statement
MJC will enrich lives by challenging all students to become successful, lifelong learners who strengthen their community in a diverse and changing world. The college is the first choice for educational excellence in our community.

Values
Education is the reason our institution exists. To this end, we value innovation, professionalism, integrity, and responsible stewardship. We foster respect for and interest in the diverse individuals and histories of our community. These values are foundational to the way we shape our programs and services, make and communicate decisions, reinforce collaborative relationships within our community, and promote civic engagement.

Goals
1. Modesto Junior College will continue to foster the success of all students by providing access to a broad array of quality, relevant teaching and learning programs, and appropriate services.
2. MJC will tie Program Review, including all instructional and student services programs, to resource allocation decisions: staffing, technology, instructional equipment, and facilities.
3. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
4. Leadership responsible for governance at MJC will create a climate that empowers all MJC employees to be engaged in the campus community and that encourages respect, trust, and integrity through open communication and professional development.
5. MJC will collaboratively develop a staffing plan that includes realistic outcomes of program review for both instructional and student services programs, including attention to potential growth areas, program decline, and impending retirements.
6. MJC will expand and enhance outreach to business, industry, and the community based on identified needs and opportunities.
7. MJC will create a culture of evidence and measurable improvements.
8. MJC will expand and enhance the learning environment and delivery options for students.
9. MJC will develop a plan to increase student engagement in order to improve overall student success.
10. MJC will improve the planning and budget process to foster an environment of informed participation and budgetary understanding.

Accreditation
Modesto Junior College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Boulevard, Suite 204, Novato, CA 94949, (415) 506-0234 by the authority of the U.S. Department of Education. Accreditation provides assurance that education earned is of value to the student; acceptable to employers, trade or profession-related licensing agencies; and other colleges and universities can accept a student's credential as legitimate.

Policy 3410: Non-Discrimination Policy
It is the policy of Yosemitic Community College District to provide an environment free of unlawful discrimination. Discrimination on the basis of ethnic group identification, religion, age, sex or gender, sexual orientation, color or physical or mental disability in the District's programs, activities and work environment is unlawful and will not be tolerated by the District. The District strongly forbids any form of discrimination and has enacted complaint resolution procedures to recognize and eliminate unlawful discrimination.

Modesto Junior College affirms its commitment to equality of opportunity for all individuals. This commitment requires that no discrimination shall occur regarding admission or access to, or treatment, or employment in, any program, activity in the College on the basis of ethnic group identification, religion, age, sex, sexual orientation, color, physical or mental disability, or lack of English language skills. This policy is in accordance with Title 5I of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990, and the Age Discrimination Act of 1975. The lack of English language skills will not be a barrier to enrollment in vocational programs. Students who believe they have been unlawfully discriminated against because of ethnic group identification, religion, age, sex, gender, sexual orientation, color, physical or mental disability, or lack of English language skills should contact the Vice President of Student Services, in Morris Memorial Building, Room 207, telephone (209)575-6060. Yosemite Community College District and Modesto Junior College have made every reasonable effort to ensure that everything stated in this catalog is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the Yosemite Community College District or Modesto Junior College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and the College further reserve the right to add, amend, or repeal any of their rules, regulations, policies, and procedures.

Política de 3410: Política de No Discriminación
Es la política del Distrito de Colegios Comunitarios de Yosemite para proporcionar un ambiente libre de discriminación ilegal. La discriminación sobre la base de la identificación étnica de grupo, la religión, la edad, el sexo o el género, la orientación sexual, color o discapacidad física o mental en los programas del Distrito, actividades y trabajos ambiente es ilegal y no será tolerado por el Distrito.

El Distrito prohíbe enérgicamente cualquier forma de discriminación y ha promulgado procedimientos de resolución de quejas para reconocer y eliminar la discriminación ilegal.

Modesto Junior College reafirma su propósito de ofrecer igualdad de oportunidades a todas las personas. Este compromiso requiere que ningún individuo sufra discriminación en cuanto a la admisión, al acceso, en el trato, o en las oportunidades de empleo, en cualquier programa o actividad en esta institución a causa de su grupo étnico, religión, edad, género, preferencia sexual, color, o incapacidad física o mental. Esta política está conforme con el Título VI del Acta de los Derechos Civiles de 1964, Título IX de las Enmiendas de Educación de 1972, Sección 504 del Acta de Rehabilitación de 1973, el Acta de Americanos con Impedimentos, y el Acta contra la Discriminación en el Empleo a causa de la Edad de 1975. La falta de conocimiento del inglés no será obstáculo para la admisión a los programas de educación vocacional. Los estudiantes que crean haber sufrido discriminación por pertenecer a cualquiera de las categorías anteriormente mencionadas deben comunicarse con el Vice Presidente, Servicios Estudiantiles en la oficina número 207 del edificio Morris Memorial al teléfono 575-6060. Yosemite Community College District y Modesto Junior College han hecho todo lo posible por asegurar que el contenido del catálogo de 2012-2013 sea correcto. La información en este catálogo sobre cursos y programas e información sobre otras actividades está sujeta a cambios sin previo aviso a criterio de la administración de Yosemite Community College District o Modesto Junior College por razones relacionadas con el número de estudiantes matriculados, nivel de apoyo financiero, o por cualquier otra razón, a discreción del Distrito y Modesto Junior College. Estas instituciones además se reservan el derecho de añadir, modificar, o anular cualquiera de sus reglamentos y procedimientos.

Notice:
The information contained in this catalog details the anticipated programs, courses, rules, regulations, and fees of Modesto Junior College. The college disclaims liability for any unintended errors in this publication and reserves the right to discontinue or postpone courses, and correct errors and omissions. All enrollment fees are subject to change. This catalog sets forth college policies for all college programs and services in accordance with the California Education Code, California Code of Regulations (Title 5), and District and college policies.
Agricultural Mechanics
PROGRAM (MECHANIZED AGRICULTURE)
(209) 575-6200

CERTIFICATE OF ACHIEVEMENT:
AGRICULTURE WELDING FABRICATION

This program will develop job skills and knowledge in welding as it relates to agriculture equipment fabrication. Contact the Agriculture division office for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Read and interpret common welding symbols and plans.
2. Complete a typical entry level agriculture industry welded project.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement the student must complete the following coursework.
Each course must be completed with a "C" or better.

REQUIRED COURSES

CERTIFICATE OF ACHIEVEMENT:
AGRICULTURE WELDING REPAIR

This program provides the necessary skills and knowledge in the field of welding in the agriculture repair industry. Contact the Agriculture division office for advising assistance.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:
1. Perform the proper repair preparation and equipment set-up for a given industry recognized welding repair.
2. Complete a typical agriculture welding repair to industry standards.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement the student must complete the following coursework.
Each course must be completed with a "C" or better.

PROGRAM ADOPTIONS
A.S. DEGREE: **EQUINE SCIENCE**

The A.S. degree in Equine Science will provide students with the skills and knowledge needed to be competitive in the equine industry. Training and skill development include: the study of anatomy and physiology, disease management and prevention, equine nutrition, equine restraint and behavior recognition, equipment and facility maintenance, equine training and riding skill development, equine breeding and reproduction. Upon successful completion of the program, graduates will be able to enter the workforce as nutrition and pharmaceutical sales representatives, assistant trainers, equine veterinary assistants, ranch management, breeding and reproduction specialists, diagnostic equipment assistants, office and advertising personnel. Contact the division office in the Agriculture Building for advising assistance.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this program, the student should be prepared to:

1. Design and implement a nutritional program for equines in various life stages in California.
2. Demonstrate advanced equine handling and safety techniques.
3. Describe current trends in equine reproduction and breeding program management.
4. Using current equine industry standards, demonstrate management skills in the operation of an equine facility.
5. Describe how equine conformation relates to the bio mechanics of movement and the management of equine lameness.
6. Identify commonly used equipment in restraint, training and transportation of horses.

**PROGRAM REQUIREMENTS**

To earn an Associate in Science Degree in this major, the student must complete the requirements detailed in the Career Technical Education Pathway or the University Preparation Pathway which include completion of the requirements below.

**AGRICULTURE CAREER COURSES: COMPLETE 5 UNITS**

- **AG 115** [1] Introduction to Agricultural Education & Careers .................................. 1
- **AG 259ABCD** [1] Agricultural Work Experience ...........................................................1 - 4

**AGRICULTURE SCIENCE BREADTH COURSES: COMPLETE 9 UNITS**

- **PLSC 200** [3] Introduction to Plant Science ................................................................. 3
- **NR 200** [3] Soils ................................................................................................................ 3
- **AGM 200** [2] Introduction to Mechanical Technology ................................................. 3 OFF
- **AGM 235** [2] Irrigation and Drainage ............................................................................ 3
- **AGEC 225** [2] Agricultural Computer Applications ................................................. 3 OFF
- **AGEC 210** [4] Elements of Agricultural Economics ................................................. 3 AND OFF
- **AGEC 200** [4] Agricultural Accounting and Analysis ................................................. 3

**AGRICULTURE MAJOR COURSES: COMPLETE 12 UNITS**

- **ANSC 207** [1] Equine Science ....................................................................................... 3
- **ANSC 209** [2] Equine Breeding & Reproduction ......................................................... 3
- **ANSC 243** [3] Equine Fitting and Showing ................................................................... 2
- **ANSC 258** [4] Horsemanship ....................................................................................... 3
- **ANSC 265** [1] Introduction to Colt Training ................................................................. 3

**ELECTIVE COURSES: COMPLETE 2-4 UNITS**

Any Agriculture class not used in the Agriculture Science Breadth Area

Any Animal Science class not used in the Agriculture Science Major Area

**TOTAL UNITS FOR AN A.S. MAJOR ............................................................................ 28 - 30**

---

**Autobody/Collision Refinishing**

**PROGRAM**

(209) 575-6332

**CERTIFICATE OF ACHIEVEMENT: AUTOBODY/COLLISION REFINISHING TECHNICIAN**

The Auto Body program is designed to help the beginning student progress through basic procedures in body repairs and painting to entry-level job skill development. Current practices used in industry are emphasized. The course orientation examines use of trade equipment, shop safety, theory, and hands-on activities required to perform practical repair operations.

**PROGRAM LEARNING OUTCOMES**

Upon satisfactory completion of this program, the student should be prepared to:

1. Perform basic refinishing techniques in accordance with industry standards.
2. Comply with current industry safety and environmental regulations.

**PROGRAM REQUIREMENTS**

To earn a Certificate of Achievement Award, student must complete 11 units required with a grade of C or better.

**REQUIRED COURSES: COMPLETE 11 UNITS**

- **AUBDY 301** [1] Automotive Collision Repair ............................................................. 4
- **AUBDY 321** [1, 2] Automotive Refinishing ................................................................. 3
- **AUBDY 322** [2, 3] Automotive Refinishing ................................................................. 4

**TOTAL UNITS FOR CERTIFICATE OF ACHIEVEMENT AWARD .................... 11**
CERTIFICATE OF ACHIEVEMENT:
MICROSOFT COMPUTER APPLICATIONS

The Microsoft Computer Applications Certificate of Achievement is designed for students to demonstrate knowledge in utilizing the Microsoft Office suite, which includes Word, Excel, Access, PowerPoint, and Outlook. Skills gained through this award are useful in school and career settings. Students may continue coursework to earn the Certificate of Achievement in Office Computer Applications.

PROGRAM LEARNING OUTCOMES

Upon satisfactory completion of this award, the student should be prepared to:

1. Apply features learned in Microsoft Office to design, create, and edit business documents.
2. Identify and utilize the applicable Microsoft Office program to achieve the desired outcome.

PROGRAM REQUIREMENTS

To earn a Certificate of Achievement the student must complete the following coursework. Each course must be completed with a “C” or better.

ASSOCIATE DEGREE NURSING (ADN) PROGRAM APPLICATION

The ADN program application is online. Applications are accepted for the ADN Program once per year. The annual application period is February 1 through February 14. Students are selected from the annual applicant pool for fall and spring semesters of that academic year. Applications are available on the Allied Health website (www.mjc.edu/alliedhealth) during the February application period only. If you are interested in the MJC ADN transfer policy go to www.mjc.edu/alliedhealth.

LVN to ADN (RN) ADVANCED PLACEMENT PATHWAY APPLICATION

The application is online. Applications are accepted once a year. The annual application period is February 1 through February 14. Students are selected from the annual applicant pool for fall and spring semesters of that academic year. Applications are available on the Allied Health website (www.mjc.edu/alliedhealth) during the February application period only. If you are interested in the MJC ADN transfer policy go to www.mjc.edu/alliedhealth.

<td>54L</td>
<td>Recommended for Success: Before enrolling in this course, students are strongly advised to satisfactorily complete ENGL 100 or satisfactorily complete ENGL 101. This course provides an introduction to the discipline of Public Health on a global basis. Students will gain an understanding of the basic concepts and terminologies of public health, and the history and accomplishments of public health officials and agencies. An overview of the functions of the geographical study of disease, various public health professions and institutions, and an in-depth examination of the core public health disciplines is covered. Topics of the discipline include the epidemiology of infectious and chronic disease; prevention and control of diseases in the community including the analysis of the social determinants of health and strategies for eliminating disease, illness and health disparities among various populations; community organizing and health promotion programming; environmental health and safety; global health; and healthcare policy and management. Field trips might be required. Not repeatable. (A-F or P/NP) Transfer: (CSU) General Education: (MJC-GE: B, E)</td>

As members of the Yosemite Community College District, Columbia College and Modesto Junior College have established articulation agreements that may allow students to use specific courses taken at either college to satisfy prerequisites and program requirements at either institution. PLEASE NOTE: Intradistrict equivalencies do not guarantee a course satisfies institutional requirements. Please see a counselor to determine whether you should use an equivalent course to satisfy a requirement or prerequisite. Evaluation of course equivalencies occurs throughout the year. If you are interested in learning whether another course taken at either institution is equivalent to a specific course, you should contact the MJC Evaluators at (209) 575-6033 or (209) 575-6040.
