Mission Statement
MJC is committed to transforming lives through programs and services informed by the latest scholarship of teaching and learning. We provide a dynamic, innovative undergraduate educational environment for the ever-changing populations and workforce needs of our regional community. We facilitate lifelong learning through the development of intellect, creativity, character, and abilities that shape students into thoughtful, culturally aware, engaged citizens.

Vision Statement
MJC will enrich lives by challenging all students to become successful, lifelong learners who strengthen their community in a diverse and changing world. The college is the first choice for educational excellence in our community.

Values
Education is the reason our institution exists. To this end, we value innovation, professionalism, integrity, and responsible stewardship. We foster respect for and interest in the diverse individuals and histories of our community. These values are foundational to the way we shape our programs and services, make and communicate decisions, reinforce collaborative relationships within our community, and promote civic engagement.

Goals
1. Modesto Junior College will continue to foster the success of all students by providing access to a broad array of quality, relevant teaching and learning programs, and appropriate services.
2. MJC will tie Program Review, including all instructional and student services programs, to resource allocation decisions: staffing, technology, instructional equipment, and facilities.
3. MJC will develop and assess Student Learning Outcomes (SLOs) used for student learning improvement, at the course, program, and institutional levels.
4. Leadership responsible for governance at MJC will create a climate that empowers all MJC employees to be engaged in the campus community and that encourages respect, trust, and integrity through open communication and professional development.
5. MJC will collaboratively develop a staffing plan that includes realistic outcomes of program review for both instructional and student services programs, including attention to potential growth areas, program decline, and impending retirements.
6. MJC will expand and enhance outreach to business, industry, and the community based on identified needs and opportunities.
7. MJC will create a culture of evidence and measurable improvements.
8. MJC will expand and enhance the learning environment and delivery options for students.
9. MJC will develop a plan to increase student engagement in order to improve overall student success.
10. MJC will improve the planning and budget process to foster an environment of informed participation and budgetary understanding.

Accreditation
Modesto Junior College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Boulevard, Suite 204, Novato, CA 94949, (415) 506-0234 by the authority of the U.S. Department of Education. Accreditation provides assurance that education earned is of value to the student; acceptable to employers, trade or profession-related licensing agencies; and other colleges and universities can accept a student's credential as legitimate.

Policy 3410: Non-Discrimination Policy
It is the policy of Yosemite Community College District to provide an environment free of unlawful discrimination. Discrimination on the basis of ethnic group identification, religion, age, sex or gender, sexual orientation, color or physical or mental disability in the District's programs, activities and work environment is unlawful and will not be tolerated by the District.

The District strongly forbids any form of discrimination and has enacted complaint resolution procedures to recognize and eliminate unlawful discrimination.

Modesto Junior College affirms its commitment to equality of opportunity for all individuals. This commitment requires that no discrimination shall occur regarding admission or access to, or treatment or employment in, any program or activity in the College on the basis of ethnic group identification, religion, age, sex, sexual orientation, color, physical or mental disability, or lack of English language skills. This policy is in accordance with Title 5I of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990, and the Age Discrimination Act of 1975. The lack of English language skills will not be a barrier to enrollment in vocational programs. Students who believe they have been unlawfully discriminated against because of ethnic group identification, religion, age, sex, gender, sexual orientation, color, physical or mental disability, or lack of English language skills should contact the YCCD Title IX Coordinator, District Offices, West Campus, District Offices YCCD. Yosemite Community College District and Modesto Junior College have made every reasonable effort to ensure that everything stated in this catalog is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the Yosemite Community College District or Modesto Junior College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and the College further reserve the right to add, amend, or repeal any of their rules, regulations, policies, and procedures.

Política de 3410: Política de No Discriminación
Es la política del Distrito de Colegios Comunitarios de Yosemite para proporcionar un ambiente libre de discriminación ilegal. La discriminación sobre la base de la identificación étnica de grupo, la religión, la edad, el sexo o el género, la orientación sexual, color o discapacidad física o mental en los programas del Distrito, actividades y trabajos ambientales es ilegal y no será tolerado por el Distrito.

El Distrito prohíbe enérgicamente cualquier forma de discriminación y ha promulgado procedimientos de resolución de quejas para reconocer y eliminar la discriminación ilegal.

Modesto Junior College reafirma su propósito de ofrecer igualdad de oportunidades a todas las personas. Este compromiso requiere que ningún individuo sufra discriminación en cuanto a la admisión, al acceso, en el trato, o en las oportunidades de empleo, en cualquier programa o actividad en esta institución a causa de su grupo étnico, religión, edad, género, preferencia sexual, color, o incapacidad física o mental. Esta política está conforme con el Título VI del Acta de los Derechos Civiles de 1964, Título IX de las Enmiendas de Educación de 1972, Sección 504 del Acta de Rehabilitación de 1973, el Acta de Americanos con Impedimentos, y el Acta contra la Discriminación en el Empleo a causa de la Edad de 1975. La falta de conocimiento del inglés no será obstáculo para la admisión a los programas de educación vocacional.

Los estudiantes que crean haber sufrido discriminación por pertenecer a cualquiera de las categorías anteriormente mencionadas deben comunicarse con el Vice Presidente, Servicios Estudiantiles en la oficina número 207 del edificio Morris Memorial al teléfono 575-6060. Yosemite Community College District y Modesto Junior College han hecho todo lo posible por asegurar que el contenido del catálogo de 2012-2013 sea correcto. La información en este catálogo sobre cursos y programas e información sobre otras actividades está sujeta a cambios sin previo aviso a criterio de la administración de Yosemite Community College District o Modesto Junior College por razones relacionadas con el número de estudiantes matriculados, nivel de apoyo financiero, o por cualquier otra razón, a discreción del Distrito y Modesto Junior College. Estas instituciones además se reservan el derecho de añadir, modificar, o anular cualquiera de sus reglamentos y procedimientos.

Notice: The information contained in this catalog details the anticipated programs, courses, rules, regulations, and fees of Modesto Junior College. The college disclaims liability for any unintended errors in this publication and reserves the right to discontinue or postpone courses, and correct errors and omissions. All enrollment fees are subject to change. This catalog sets forth college policies for all college programs and services in accordance with the California Education Code, California Code of Regulations (Title 5), and District and college policies.
Welcome to Modesto Junior College. Our College has been serving Modesto and the surrounding communities for 98 years. Over that period, we have been a beacon of hope and a source of encouragement for our students and our community. Our campus is committed to access to higher education with a student first philosophy and outstanding faculty and staff dedicated to helping you achieve your dreams and educational goals. MJC provides an environment that is intellectually sound, innovative, socially responsible, and alert to change; and that is recognized for excellence in preparing students for their place in society and equipping them for the future.

Our College understands the challenges that many of you face as you strive for a better life for yourself, your family, and your community. The journey to a degree or certificate begins with the first step, with many to follow.

Harriet Tubman once said “Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world.” Her words provide encouragement for our students to take to heart and to stay focused on your dream and persist to completion. And Modesto Junior College will be with you every step of the way.

James Houpis, Ph.D.
President

ABOUT MODESTO JUNIOR COLLEGE

Modesto Junior College, one of the oldest community colleges in the state, was organized in 1921 to serve the first junior college district established under a State Legislature Enabling Act. Modesto Junior College was established to meet the needs of the community. Today the college strives to maintain the same objective—that of dedication and service to the community.

The College began with a charter enrollment of 61 students. Through the years registration has increased until today more than 18,000 day and evening students are enrolled each semester. In addition, more than 8,000 community participants take advantage of classes and programs offered through community education.

To complement student growth, the campus has grown as well. The college holds the distinction of having erected the first junior college classroom building in the state. From this modest beginning, MJC has grown until it now provides an outstanding learning environment on two sites: the original MJC-East on College Avenue and MJC-West on Blue Gum Avenue in northwest Modesto. In addition to the two sites, more than 20 community sites are used to meet particular educational needs.

The area boundaries have also changed. In 1964, by action of the electorate, the boundaries were enlarged to include nearly 4,000 square miles, encompassing high school districts in Stanislaus and Tuolumne Counties, the Ripon High School District in San Joaquin County, the Gustine and Hilmar High School Districts in Merced County and the Harney Elementary School District in Santa Clara County. The district also includes the Bret Harte
Union High School District, the former Copperopolis Elementary School District and the former Salt Spring Valley Elementary School District in Calaveras County.

A Board of Trustees was elected in 1964 to govern the affairs of the expanded district. In 1965 the name Yosemite Junior College District was selected. It was later changed to Yosemite Community College District. The Yosemite Community College District also includes Columbia College, located in Columbia, California.

A COMPREHENSIVE COMMUNITY COLLEGE

Consistent with its philosophy of serving the educational needs of all people who reside in the College district, a wide range of programs and individual courses has been developed. MJC offers technical and vocational programs, courses to prepare students for transfer to a four-year university, and Associate degrees in over 70 areas of study. MJC also provides basic skills courses in English and math, and English Language Instruction for College classes (formerly ESL/English as a Second Language).

Credit and non-credit courses are offered day and evening as well as on Saturdays on the college sites and at locations throughout the college district. Some courses are also offered online. Credit courses fulfill requirements leading to degrees, diplomas and certificates. Non-credit courses are designed for members of the community who wish to develop or improve their skills and supplement their general knowledge. Some non-credit courses offered at MJC lead to a non-credit certificate. Community Education classes, tours and trips are participant fee-funded and carry no unit value. Such classes may be offered in the areas of vocational, recreational, and in-service training interests of the participants.

INSTITUTIONAL LEARNING OUTCOMES (ILO’S)

Modesto Junior College has five broad Institutional Learning Outcomes with distinct characteristics:

COMMUNICATION

Students will generate and develop capabilities for creative expression and effective communication. Students will be able to:

- Articulate ideas through written, spoken, and visual forms appropriately and effectively in relation to a given audience and social context.
- Utilize interpersonal and group communication skills, especially those that promote collaborative problem-solving, mutual understanding, and teamwork.
- Mindfully and respectfully listen to, engage with and formally respond to the ideas of others in meaningful ways.
- Plan, design, and produce creative forms of expression through music, speech, and the visual and performing arts.

INFORMATION AND TECHNOLOGY LITERACY

Students will develop skills to effectively search for, critically evaluate, and utilize relevant information while demonstrating technological literacy. Students will be able to:

- Effectively access information and critically evaluate sources of information.
- Analyze, synthesize and apply information practically and ethically within personal, professional and academic contexts.
- Identify, utilize and evaluate the value of a variety of technologies relevant to academic and workplace settings.

PERSONAL AND PROFESSIONAL DEVELOPMENT

Students will develop skills that aid in lifelong personal growth and success in the workplace. Students will be able to:

- Identify and assess individual values, knowledge, skills, and abilities in order to set and achieve lifelong personal, educational, and professional goals.
- Practice decision-making that builds self-awareness, fosters self-reliance, and nourishes physical, mental, and social health.
- Apply skills of cooperation, collaboration, negotiation, and group decision-making.
- Exhibit quality judgment, dependability, and accountability while maintaining flexibility in an ever-changing world.

CREATIVE, CRITICAL AND ANALYTICAL THINKING

Students will develop critical and analytical thinking abilities, cultivate creative faculties that lead to innovative ideas, and employ pragmatic problem-solving skills. Students will be able to:

- Analyze differences and make connections among intellectual ideas, academic bodies of knowledge and disciplinary fields of study.
- Develop and expand upon innovative ideas by analyzing current evidence and praxis, employing historical and cultural knowledge, engaging in theoretical inquiry, and utilizing methods of rational inference.
- Utilize the scientific method and solve problems using qualitative and quantitative data.
- Demonstrate the ability to make well considered aesthetic judgments.
CULTURAL LITERACY AND SOCIAL RESPONSIBILITY

Students will be prepared to engage a global world while exhibiting a broad sense of diversity, cultural awareness, social responsibility and stewardship. Students will be able to:

- Interpret and analyze ideas of value and meaning exhibited in literature, religious practices, philosophical perspectives, art, architecture, music, language, performance and other cultural forms.
- Describe the historical and cultural complexities of the human condition in its global context, including the emergence and perpetuation of inequalities and the interplay of social, political, economic and physical geographies.
- Analyze and evaluate the value of diversity, especially by collaborating with people of different physical abilities and those with distinct linguistic, cultural, religious, lifestyle, national, and political backgrounds.
- Demonstrate a pragmatics of ethical principles, effective citizenship, and social responsibility through cross-cultural interactions, volunteerism, and civic engagement.

OPEN ENROLLMENT AT MJC

Unless specifically exempted by statute, every course, course section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, part VI, Title 5 of the California Administrative Code, 51820-51823.

Exception to this policy will be made where health, safety, legal requirements, or the facility is a limiting factor in the conduct of the course. Students denied enrollment by this policy may appeal to the Vice President of Student Services.

TRANSFER AND COMPLETION RATES

In compliance with the Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2012, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three year period. Their completion and transfer rates are listed below.

These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three year tracking period.

STUDENT RIGHT-TO-KNOW RATES FOR FALL 2012 COHORT

Completion Rate: 29.45 %
Transfer Rate: 10.90 %

Fall 2012 - Spring 2015 COHORT Data

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became ‘transfer prepared’ during a three year period, from Fall 2012 to Spring 2015. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered ‘transfer prepared’. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming ‘transfer prepared’ during a five semester period, from Spring 2013 to Spring 2015, are transfer students. CENTER OF EXCELLENCE

Nora Seronello
Director, Center of Excellence
Phone: (209) 575-6894
Website: www.coeccc.net

As part of the California Community Colleges’ Economic and Workforce Development Program, MJC hosts one of four regionally based Centers of Excellence. These Centers conduct environmental scanning on high growth, emerging, and economically critical industries and their related workforce and occupational needs. Information from the scans is intended to assist the strategic planning and decision-making efforts of regional colleges in addressing local and regional workforce needs. The Centers also support regional and statewide marketing activities to increase employer awareness of the economic development services available from community colleges. The Central Region Center of Excellence serves the entire San Joaquin Valley/Mother Lode Region of California.

A COMPREHENSIVE CURRICULUM

The college offers courses designed to meet many diverse interests, educational needs, and vocational needs of its students. College programs are designed to meet particular needs and may consist of one course or a series of courses leading to a certificate or an associate’s degree. Many MJC courses can apply towards the first two years of a bachelor’s degree. Courses in art, literature, humanities, communication studies, foreign languages, music, and drama provide cultural enrichment for MJC students and the community. Music instruction, for example, is offered for beginners as well as for those who already have a high level of proficiency. Performances by such groups as the Masterworks Chorus and Jazz Ensemble are examples of the cultural events offered to the community. All students are encouraged to participate in college community activities such as student government, athletics, forensics, art shows, music programs, and tutoring.
Those who wish to broaden their horizons and to become more aware of themselves and the world about them will be drawn to offerings in health education, consumer education, psychology, child development, sociology, communication studies, valley plant life, science, art appreciation, and physical activities. Agricultural offerings include technician training courses as well as courses designed for persons anticipating employment or already employed in the field of agriculture. An advisory committee also serves the community services program. Business courses that meet occupational requirements of the community are offered in office administration, clerical training, accounting, computer science, computer graphics applications, and business operations. Certificate programs are available in several areas. Administration of Justice, emergency service instruction, and fire science are also offered and can lead to an Associate’s degree.

Vocational programs prepare students for entry employment in such fields as allied health, animal husbandry, crop production, agricultural mechanics, office administration, computer science, computer graphics applications (desktop publishing and computer graphics), automotive technology, electronics, nursing, machine shop, accounting, human services, and engineering technology. Advisory committees serve the college in the development of vocational programs by helping to determine the need for and the content of occupational oriented courses. Courses are geared to the needs of industry and are modified as community needs change.

Other courses are designed to assist the individual in skills development. These include, among others, reading improvement, effective study skills, listening improvement, career awareness, job employment skills, introduction to mathematics, and pre-algebra. English Language Instruction for College (formerly ESL) is offered for non-native speakers of English who desire to learn English or to improve their proficiency.

Each year several hundred students transfer to four-year colleges and universities to continue their education toward bachelors’ degrees. Modesto Junior College has earned a strong reputation statewide for its lower division preparation. Students who properly plan courses of study in their major and general education requirements are able to continue into their junior year in most majors with no loss of time or credit.

ASSOCIATE DEGREES OFFERED

ASSOCIATE’S DEGREE

Modesto Junior College awards associate in arts or associate in science degrees upon completion of a set program of study, usually done in two years (full-time), although completion time may exceed two years. The program of study includes coursework in a major or area of emphasis, as well as completion of general education. At Modesto Junior College, students must complete the associate’s degree requirements, including a minimum of 60 units with at least a 2.0 grade point average. Some students plan to end their education with an associate’s degree while others plan to transfer to universities to earn bachelors, masters, and/or doctorate degrees.

ASSOCIATE’S DEGREES FOR TRANSFER

The Student Transfer Achievement Reform Act (SB 1440 – Padilla), signed into legislation on September 29, 2010, enables the California Community Colleges and California State University to collaborate on the creation of associate in arts degree (AA-T) and associate in science degree (AS-T) transfer programs. This new law requires community colleges to grant an associate degree for transfer to a student once a student has met specified admissions, general education, and major requirements for the degree. Upon completion of the associate degree, the student is eligible for transfer with junior standing into the California State University (CSU) system.

Students are given guaranteed admission into the California State University (CSU) system, and further are given priority consideration when applying to a particular program that is similar to the student’s community college major. The law prohibits the CSU from requiring a transferring student to repeat courses similar to those taken at the community college that counted toward their associate degree for transfer.

BACHELOR’S DEGREE IN RESPIRATORY CARE

The Bachelor’s Degree Program in Respiratory Care is being offered at Modesto Junior College. A new cohort begins every fall.

The goal of the Bachelor’s Degree Program in Respiratory Care is to enhance the professional expertise of registered respiratory care practitioners. Students will acquire advanced knowledge in neonatal, pediatric, and adult critical care and will be prepared to serve in leadership, educational, and case management roles related to patient care in the field of respiratory care. Program graduates will be prepared to participate as multidisciplinary team members in healthcare settings which serve the community’s diverse patient population.

AWARDS OFFERED (OTHER)

Modesto Junior College offers certificates and awards in the technical, applied, and business sciences to students who complete courses specified for each program. The curriculum is developed by faculty in cooperation with advisory committees comprised of business and industry representatives. Modesto Junior College offers two types of awards to recognize completion of technical programs and/or courses:

- Certificate of Achievement
- Skills Recognition Award
CERTIFICATES OF ACHIEVEMENT

Certificates of achievement are granted for the completion of a specified program. These state-approved certificates acknowledge workplace competencies and job readiness. Specific course requirements for each certificate are listed with the program descriptions in the Catalog.

MJC certificate of achievement programs range in units from 8-39 and are offered in many areas such as agriculture, supervisory management, real estate, and medical assisting. Students should apply for their certificates during the semester in which they are completing their final program requirements.

NON-CREDIT CERTIFICATES

MJC offers noncredit courses classified as Career Development and College Preparation (CDCP) to prepare students for employment or to be successful in college-level credit coursework. The noncredit courses lead to a state-approved certificate of completion or certificate of competency.

SKILLS RECOGNITION AWARDS

Skills recognition awards are granted for the completion of a specified program whose total requirement is between 5½ and 15 units. These locally approved programs are offered by community colleges to provide training needed in the community. Students should apply for their awards during the semester in which they are completing their final program requirements. Because these programs are locally approved and not formally recognized by the State of California, these awards do not appear on official student transcripts.

Financial Aid is not available for students enrolled in only Skills Recognition courses but students may receive the California College Promise Grant (CCPG), if eligible.

CATALOG RIGHTS

Catalog rights refer to the right of every continuing student to choose one, and only one, catalog under whose course requirements the student is to be evaluated for the purpose of determining whether the student meets the requirements for MJC graduation, certificate, or certification of general education. The continuing student may select the catalog which was in effect when the student initially enrolled at MJC or any catalog in effect thereafter through and including the semester when the student applies for graduation or transfer certification.

CONTINUOUS ENROLLMENT AND CATALOG RIGHTS

A student remaining in continuous enrollment will retain catalog rights for graduation under the year of initial enrollment. Any academic record symbol entered on a MJC transcript (A through F, P/NP, I, W, MW, SP) shall constitute a record of continuous enrollment. Continuous enrollment is defined as enrollment in at least one term (summer, fall or spring) of the academic year. Students should consult with their counselor for current information. For evaluation purposes, the college will use the terms listed in the catalog’s Academic Calendar to determine a student’s catalog rights.

PROGRAM RIGHTS FOR ALLIED HEALTH AWARDS

The curricula of the Allied Health programs are prescribed by their respective accrediting bodies. For this reason, programs may be required to modify their curriculum. Students entering these programs are given academic program rights to the requirements which appear in the catalog corresponding to the term/year in which they enroll in the first semester core curriculum of the program.

COURSE OUTLINES OF RECORD

All courses at MJC are governed by a course outline which includes but is not limited to the course objectives, content, methods of evaluation, and methods of instruction. All course sections, though varying in specific content and character, must include at the minimum the objectives, content and standards specified in the course outline. To obtain a copy of the official course outline for an MJC course, visit the MJC Instruction Office, Morris, 205E.

ACADEMIC FREEDOM

Students have the right to listen, the right to decide, the right to choose, the right to reject and the right to express and defend individual beliefs. As members of the MJC community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth. The educational purpose of the college is best served by this freedom of expression. Students are free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled. Student performance will be evaluated on a broad academic basis, not on opinions or conduct in matters unrelated to academic standards.
COURSE EXAMINATIONS AND ASSESSMENTS

Examinations or evaluations will be conducted as indicated in the course outline. A final examination or evaluation will be held during the scheduled final examination period at the end of the semester unless otherwise authorized by the President or designee.

MJC'S COURSE NUMBERING SYSTEM

1-49 Non-degree courses. (Students who completed courses numbered 1 - 49 prior to Fall 1989 may use these courses towards a degree.)

50-99 Courses certified for associate's degree credit.

100-199 Courses certified as appropriate for lower-division baccalaureate or associate's degree credit.*

200-299 Vocational courses certified as appropriate for lower-division baccalaureate or associate's degree credit.*

300 - 399 Associate's degree credit vocational courses.

400-499 Upper division courses designed for the Baccalaureate Degree Program.

500 - 599 Contract Instruction. (Non-degree applicable)

700 - 799 Fee-funded courses. (Non-degree applicable)

800 - 899 Non-credit courses. (Non-degree applicable)

900 - 999 Basic education. (Non-degree applicable)

* All certified courses (courses numbered 100-299) are accepted by the California State University system. A list of courses transferable to the University of California system is available in the Counseling or Career Transfer Center, or at www.assist.org.

TYPES OF COURSES OFFERED AT MJC

MJC ONLINE COURSES

Online learning at MJC is a quality alternative to traditional classes. No distinction is made between the requirements and expectations for face-to-face courses and online courses. The content and outcomes of online courses are the same as those taught in the on-campus classroom. It is the flexibility of time and convenience that appeals to online students.

Online courses require a self-disciplined student—one who is an active learner and does not procrastinate. Courses require participation through frequent online communication with instructors and other students. These courses are best suited for those who can manage time and take responsibility for their education. The student enrolled in an online class should have a solid understanding of Internet browsers (for example, Safari, Internet Explorer or Firefox) and using file attachments and word processing programs. They should also be good problem solvers who are not intimidated by technology.

Online students must have ready access to the Internet. If necessary, students may gain access to the Internet and MJC online courses via one of many MJC open computer labs during regular lab hours. Certain classes have specific software and course requirements; check the website for further information. For additional information on all MJC online courses, point your Internet browser to www.mjc.edu/online.

SPECIAL TOPICS AND PROBLEMS COURSES

Courses dealing with special topics and problems are offered with the course number of 198, 298 or 398. Each discipline may offer a special topics or problems course. The course title in the schedule of classes will identify the topic. Such courses allow participation in discussion, analysis and evaluation of a special topic or problem in a specific area of study. Topics are announced each semester in the schedule of classes. The courses are variable in hours per week and number of weeks according to the topic. The unit value may be ½, 1, 2, or 3. Field trips may be required. (CSU and UC grant credit for courses in this category contingent upon a review of the course outline.)

TRANSFERABILITY OF MJC COURSES

HECC: PARTNERS FOR ACADEMIC EXCELLENCE

The Higher Education Consortium of Central California (HECCC), established in 1981, is a partnership of two universities and four community colleges committed to the advancement of academic excellence within a distinctly diverse region. Through dynamic and evolving collaborations, member colleges combine resources, share intellectual capital, facilitate innovative projects, promote professional development, and increase equitable access to higher education. HECCC members include California State University, Stanislaus; Merced College; San Joaquin Delta College; University of California, Merced; and the Yosemite Community College District, which includes Modesto Junior College and Columbia College.

If a student is planning to transfer between HECCC institutions, Equivalency Grids will detail how courses satisfy comparable requirements at the other participating institutions. For more information, click on HECCC Grids at http://www.csustan.edu/heccc/.

RECIPIROCITY OF GENERAL EDUCATION REQUIREMENTS BETWEEN MJC AND CALIFORNIA COMMUNITY COLLEGES

Students who transfer to Modesto Junior College from another California Community College will automatically be granted General Education (GE) reciprocity. GE reciprocity means that any GE requirements satisfied at the previous community college will be “passed along” or used to satisfy the same GE area requirement for Modesto Junior College. This policy applies to MJC-GE, CSU-GE and IGETC breadth patterns.
ARTICULATION OF COURSES BETWEEN INSTITUTIONS

When the word “articulation” is used in education, it often has different meanings and connotations depending on the setting. Articulation at MJC refers to courses and the process of developing a formal, written and published agreement that identifies courses (or sequences of courses) on the MJC campus that are comparable or acceptable in lieu of specific requirements at another campus, often called the “transfer” or “target institution.” Successful completion of an articulated course assures the student and the faculty that the student has taken the appropriate course, received the necessary instruction and preparation, and that similar outcomes can be assured enabling progression to the next level of instruction at the transfer institution.

WORKFORCE DEVELOPMENT
WEST CAMPUS, SIERRA HALL ROOM 255
Phone: (209) 575-6985

The Workforce Development Department provides customizable services at the MJC campuses or on-site that address (1) the training needs of local employers, (2) provide short-term professional training for adults and (3) deliver college courses on-site for high school partners. Our staff is a dedicated team that deliver these services to our clients and partners and help MJC reach its mission of enhancing economic and workforce development in our community.

EMPLOYER CONTRACT TRAINING

Customized training services are provided to clients and can be coordinated at one of our campuses or on-site. Training is available in topics including: Customer Service Academy, Supervisory Management, Team Work, Safety, Supply Chain Management, Computer Training, Health Topics, OSHA Safety, Welding, Machining, Electrical, Maintenance, Lift Truck Training, Career and Employment Readiness, and 21st Century New World of Work.

(Act) Accelerated Career in Technology Program

ACT provides case management and participant monitoring for students enrolled in college skills recognition, certificate and degree programs. The ACT Program Team works to coach, monitor and provide services for students seeking to quickly move through CTE programs and into the workforce. Students enrolled in ACT Program services receive: registration support, guided advising, weekly check-in services and workforce preparation and job placement support services. Students are sponsored through local employers and/or county programs. Education pathways include: Automotive, Auto Body, Computer Network Technician, Electro Mechanics, Electrician, Emergency Medical Technician, Logistics & Supply Chain Management, Maintenance Machinist, Manufacturing, Medical Assisting, and Welding. Programs update each year and are subject to change.

Middle/Corporate College Services

Aimed to provide connection and links with local high school district, Middle College offers school districts the opportunity to bring college courses on-site for students, closed to the public. College course formats consist of (1) face-to-face classes at the school site inclusive of registration and college service support for students and/or (2) online course access for students. Current partnerships include: Davis High School, Central Catholic High School, Aspire Vanguard and Ripon High School.

Career Fee Based Classes & Programs

The Workforce Development Department offers unique fee based opportunities for students to enroll in career classes and programs that are structured to be self-funded. These programs are typically designed for cohorts and are short and intensive studies for the students. These programs are not college unit programs. Today, programs offered through this vehicle include: Phlebotomy Training and Pharmacy Technician Training.
Parking

Bill Watts, Campus Security Supervisor
Dispatch (209) 575-6351

To purchase permits: http://www.mycampuspermit.com/
To pay or contest citations: http://www.pmbonline.org/

The District and College provide parking facilities for vehicles for the sole purpose of conducting college business. All persons parking on campus must pay fees as prescribed by local ordinances. *

STUDENTS: All full or part-time students who have paid the required fee are eligible for first-come, first-served parking in designated student parking areas.

STAFF: All full-time and part-time staff who have paid the required fee are eligible for parking in specific assigned areas marked in black on a first-come, first-served basis. The term STAFF does not include tutors, student employees, or student assistants, but applies only to contract employees of the Yosemite Community College District.

PARKING RULES

The YCCD Parking and Traffic Ordinances are available for review at Campus Safety. A copy of the Condensed Parking Regulations is distributed with every semester or annual parking permit sold. Some basic rules are listed below for your convenience:

- Permits are required anytime a vehicle is parked anywhere on MJC property, except on Saturday, Sunday, school holidays, and Fridays after 5 p.m.
- A student or staff permit is not valid in visitor parking (Green). Visitor spots are for a maximum of 30 minutes. Staff spaces are marked black.
- Students are not authorized to park in staff parking until after 7 p.m., and must have either a hanging semester permit or a current day pass permit from the Day Pass Machines (Dispenser located in each parking lot).
- Students can purchase Parking Permits by visiting the website at: http://www.mycampuspermit.com/
- Campus Safety Officers do not know whose car belongs to whom. Leaving a note in the car in lieu of a permit is not valid for parking.
- Make sure to read Parking Lot signs carefully. Parking lots may be restricted as to which parking permits are valid during specific time periods. (If so, there are no special restrictions after the times indicated.) The following lots/areas are restricted during specific hours:
  - East—Lot 101 (near Baseball Field): Only Semester/Annual permits (A, T, S) until 12:00 Noon.
- Permits must be displayed in such a way as to be clearly visible through the front windshield. If you use a sun shield, be sure not to cover the permit or knock it to the floor.

CITATIONS

All vehicles, operated or parked in violation of the YCCD Parking and Traffic Ordinances will be cited with a Municipal Court citation under authority of 21113a of the California Vehicle Code. Campus Safety Officers use electronic citation writers that dispense a citation similar in appearance to a receipt clearly marked "NOTICE OF PARKING VIOLATION." Specific information regarding payment of the citation online or by mail or to contest the citation is located on the back of the notice; along with warnings about failure to respond in a timely manner.

PARKING ENFORCEMENT HOURS/DAYS

Enforcement of parking and traffic regulations is continuous (24 hours a day, seven days a week). Parking fee and staff reserve regulations are not in effect from 5 p.m. on Friday to 7 a.m. on Monday and on college holidays and exempt days.

The visitor parking areas on North and South Drive adjacent to the Morris Building are restricted to 30-minute parking for guests of the college, as are all visitor parking zones on East and West campus. Parking permits are NOT valid in visitor parking areas.

* The District/College does not take custody of vehicles and only rents space. No responsibility is assumed for fire, theft, damage, or loss to vehicles, their occupants, or contents while on District/College property.

LOST AND FOUND

East Campus: Campus Safety Operations, Journalism 150

West Campus: Campus Safety Operations, John Muir 151
Hours 8:00 am to 8:00 pm, M-F
Phone: (209) 575-6351

Found property should be turned in to Campus Safety within twenty-four hours. Found property can be turned into the Campus Safety Operations on either campus or to any member of the Campus Safety staff. Property turned in on East Campus may be moved to West for storage after one week. Found property may be claimed at the Campus Safety office on West Campus only.
The Emergency Locating Service offers students the ability to leave an MJC telephone number with family members, child care provider, or employers in case of an emergency. In an emergency, the Locating Service tells MJC where the student “should” be, and a staff member is dispatched to contact the person in his/her class. To be a part of the Emergency Locating Service, a student must complete an Emergency Locator Form which indicates the location and time of each class. Forms must be updated each semester. Emergency Locating Service Forms are available in the Student Development and Campus Life Office, located inside the East Campus Student Center, next to the Cafeteria. Without an Emergency Locating Service Form on file, a message cannot be delivered to a student.

CAMPUS SAFETY

Campus Safety officers provide 24-hour protection throughout the college's East and West campuses, including parking areas. Each student is asked to assist in the control of vandalism, burglary and other crimes by reporting suspicious activity to the Campus Safety Department.

CAMPUS SAFETY STATISTICS

The Crime Awareness and Campus Security Act of 1990 requires institutions to report data for certain criminal acts that occur on or adjacent to the campus. The Yosemite Community College District's Campus Safety Department and local law enforcement reported the following crimes on or adjacent to the Modesto Junior College campus for 2016-2018.

EMERGENCY CALL BOXES

There are emergency call boxes located in most of the college parking lots. The call boxes may be used to call:
- for a security escort,
- for a battery jump or door unlock,
- for any type of emergency service on campus, and
- to report day pass machine malfunctions.

ESCORT SERVICE

Campus Safety officers or Security Escorts are available during day and evening hours to escort students to their cars. An escort may be requested by calling Campus Safety or using one of the parking lot call boxes.

CAMPUS SECURITY ACT

The Annual Security Report is available upon request from Campus Safety/Security at (209) 575-6005, or online at www.mjc.edu/adminservices/safety/. This report also includes statistics for reported fires at MJC Student Housing.

DRUG AND ALCOHOL ABUSE PREVENTION

Through the Drug-Free Schools and Communities Act Amendments of 1990, learning institutions are required to implement drug prevention programs. This includes the annual notification of the following drug and alcohol use policy.

MJC is committed to the success of all students. Drug and alcohol use can be a major hindrance to achieving a successful school career. There are physical and psychological health risks associated with drug and alcohol use, including but not limited to, exhaustion, decreased immunity, depression, and decreased coordination. Generally, persons who use illegal drugs and/or abuse alcohol can expect a decline in their quality of life. MJC Student Services offer education and information on drug and/or alcohol use and also can refer students to community agencies for counseling or rehabilitation. Pamphlets and literature are available through the Health Services website at www.mjc.edu/healthservices. Call 575-6037 for more information.

According to MJC's Student Code of Conduct, students are subject to disciplinary action for the possession, use or distribution of illicit drugs and alcohol on college property or during college-related activities. This can include expulsion from college and/or punishment under local, state and federal law.
PERSONAL SAFETY TIPS

In the interest of ensuring personal safety, students are encouraged to observe the following precautions:

- Avoid isolated places, day or night.
- Always walk in pairs. There is safety in numbers.
- Be security-conscious. Watch out for yourself and others, and their property.
- Be responsible. Report all crimes and unusual activity to Campus Safety.
- Use well-lighted walkways.
- Park in well-lighted areas, away from shrubbery and trees.
- Always lock your car and take your keys.
- Do not leave valuables in your vehicle.

OPERATION ID

Operation ID is a service that allows you to register your valuable property at no cost in case it is ever lost or stolen. By registering your laptop, bicycle, eReader or other valuable property, there is a much greater chance of recovery because it can be identified as yours if it is found. Registration is simple and fast. Just bring your property to either Campus Safety counter: complete the property form, receive a sticker, engrave your property with your CA driver’s license and Campus Safety will photograph your property and enter the information in a data base. Your information will be kept for 3 years. Remember to report your property missing if you believe it is lost or stolen.

SEXUAL VIOLENCE PREVENTION

(AB 1088, amends Ed Code 67385.7)

Starting January 1, 2006, post-secondary education districts are required through AB 1088 to provide all incoming students with educational and preventive information about sexual violence, in addition to the sexual harassment information required by Ed Code 66281.5. During orientation and throughout the year, Modesto Junior College provides primary prevention programs and events. Modesto Junior College implements procedures to ensure that students, faculty and staff who are victims of sexual violence on or off campus receive assistance, treatment, information and resource referrals. Modesto Junior College collaborates with local Law Enforcement and advocacy agencies to provide response and services for survivors through the Title IX Office.

Any sexual assault or physical abuse, including, but not limited to, rape, domestic violence, dating violence, sexual assault, or stalking, as defined by California law, or Board Policy whether committed by an employee, student, or member of the public, occurring on District property, in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District’s facilities or at another location, or on an off-campus site or facility maintained by the District, or on grounds, is a violation of District policies and regulations, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures.

Additional information concerning Sexual Violence Prevention at Modesto Junior College can be found at https://www.yosemite.edu/title9/
SEXUAL ASSAULT

Sexual activity without mutual and expressed consent is sexual assault. Acquaintance/date rape is a serious problem on college campuses. On college campuses, 80% of the victims raped know their attackers. More than half of these rapes occur on dates.

Incidents of alcohol and drug facilitated rape are increasing in college campuses. Watch your drink and watch out for your friends!

What can women and men do to prevent rape?

■ Consent is everything.
■ Know and clearly express sexual intentions and limits out loud.
■ Respect each other and boundaries.
■ Go to parties and clubs with friends you trust, and leave with them too.
■ Be an Active Bystander. If you see something, say something.
■ If you think you are in danger, call a family member or friend for help or go to a safe place.
■ Be ready and willing to yell, fight, and run.

Awareness and clear, assertive communication are the best tools for prevention.

Consent is:

Clear, knowing, affirmative, conscious and voluntary permission, through word or action, to engage in mutually agreed upon sexual activity or contact.

Since different people may experience the same interactions differently, each party is responsible for making sure that partners have provided ongoing, clear consent to engaging in any sexual activity or contact.

A person may withdraw consent at any time during sexual activity or contact through words or actions. If that happens, the other party must immediately cease the activity or contact. Pressuring another person into sexual activity can constitute coercion, which is also considered to be sexual misconduct.

Silence or the absence of resistance alone does not constitute consent. A victim is not required to resist or say "no" for an offense to be proven.

Consent to some forms of sexual activity (e.g., kissing, fondling, etc.) should not be construed as consent for other kinds of sexual activities (e.g., intercourse).

Being or having been in a dating relationship with the other party does not mean that consent for sexual activity exists. Previous consent to sexual activity does not imply consent to sexual activity in the future.

To legally give consent in California, individuals must be at least 18 years old.

All employees of the college are responsible employees and are expected to report information that is reported to them to the Title IX office or Campus Safety. The college strongly encourages all members of the campus community to provide a written or verbal report regarding any incident of sexual assault to Campus Safety and Title IX. The Title IX Office, working with College counselors and Health Services staff, will make appropriate support services and referrals available to students who are victims of sexual assault.

Confidential Reporting is available through Health Services, Counseling and Title IX offices when requested.

ELIGIBILITY FOR ADMISSION

Any person who meets at least one of the following requirements is eligible to attend Modesto Junior College:

- Has graduated from an accredited high school; includes students who have received high school certificates of completion (or equivalent).
- Has passed the California High School Proficiency or the GED test.
- Is a non-high school graduate, 18 years of age or older, who is no longer attending high school and is able to benefit from instruction.
- Is a 7th-12th grade student, who is at least 13 years old, who has met all established special conditions for admission as a special student pursuant to Sections 4880, 48800.5, 48802, 76001, and 76002 of the California Education Code as well as policies of Yosemite Community College District, has written permission from the high school principal (or junior high school superintendent) and parent or legal guardian. Please note that concurrently enrolled high school students will register in Level 4, regardless of other programs or classes they are enrolled in.
- An international student who has completed the international student admission procedure.
HOW TO APPLY FOR ADMISSION

- Individuals who have never attended MJC as well as students who have not attended within the past year, must submit an Admissions Application using CCCApply. As soon as the application has been processed by the Enrollment Services Office, students are provided with information regarding assessment, orientation, and advising. This information will be sent only to the student’s personal email address. Students must complete application and core matriculation services by the college established deadline in order to be eligible for enrollment priority. College deadline is posted on the MJC website.

STEPS TO ENROLL:

1. Complete a free online application for admission at www.mjc.edu
2. Complete the online college orientation (core step)
3. Assessment – identify English/ESL and Math skill levels (core step)
4. Complete an Ed Plan by scheduling an advising appointment (core step)
5. Apply for financial aid
6. Register and pay for classes

Junior high, high school, international students and students being readmitted following dismissal must follow admission requirements on the following pages. For more information visit www.mjc.edu or call 209-575-6789.

CONCURRENTLY ENROLLED COLUMBIA COLLEGE STUDENTS

Students who are concurrently enrolled at Columbia College and who wish to enroll at MJC should consult with the Columbia College Admissions Office. Columbia students may use Columbia College assessment scores and/or course completions to satisfy MJC assessment requirements. See “Intradistrict Course Equivalencies Between Modesto Junior College and Columbia College” on page 103 for more information.

CALIFORNIA RESIDENCY

It is not necessary to be a resident of California (as defined in the Education Code) to attend MJC. New and returning students are classified as either a California resident or a California nonresident for tuition purposes. In order to determine California residency during the reclassification process, students are required to submit copies of USCIS documentation and/or documentation proving physical presence and showing intent to make California their permanent residence. Students must be residing in California at the time the request for consideration is made. The burden of proof to establish residence is on the student. For more information, contact the Enrollment Services Office.

DEFINITION OF A NON-RESIDENT

A “non-resident” is a person who has either not resided in California for the full one-year and one day period before the residence determination date (the day prior to the first day of classes for each semester) or is a person who is precluded by USCIS from establishing residency, regardless of length of presence in California. Non-resident students are required to pay the additional non-resident tuition, in addition to their other fees. Non-resident fees may be exempted for students who qualify under AB 540. For more information, please visit our website at: http://www.mjc.edu/studentservices/enrollment/residency.

DETERMINING CALIFORNIA RESIDENCY

Once the Enrollment Services Office has determined residency, students may submit a request to reclassify their status in the Enrollment Services Office by completing a Residency Consideration Form. Residency is determined by length of physical presence in the State of California (minimum of one year and one day prior to the first day of the semester) and the “intent” to make California one’s residence. Students who have resided in California fewer than two years must also prove “intent” to become a California resident.

Students will be required to present a minimum of 2 to 3 forms of documentation of California presence as well as 1 to 2 proofs of financial independence. To see a list of acceptable California and Financial Independence proofs please visit our website at: http://www.mjc.edu/studentservices/enrollment/residency

All proofs must include the following information:
- Students’ full name
- California address
- Residence determination date
RESIDENCY FOR MILITARY PERSONNEL (AB 13)

- A Veteran who lives in the state of California in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls at MJC within three years of discharge from a period of active duty service of 90 days or more with a character of discharge other than bad conduct or dishonorable.

- A spouse or child using transferred benefits who lives in the state of California in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls at MJC within three years of the transferor's discharge from a period of active duty service of 90 days or more with a character of discharge other than bad conduct or dishonorable.

- A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship who lives in the state of California in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls at MJC within three years of the Service member's death in the line of duty following a period of active duty service of 90 days or more.

RESIDENCY FOR CREDENTIALED EMPLOYEES/MIGRANT WORKERS

Credentialled employees and their dependents, migrant agricultural workers and their dependents may also be considered California residents for educational purposes.

RESIDENCY AND NON-CITIZENS

Non-citizen students, if their visa does not preclude them from establishing residency in the United States, may be classified as residents if they have resided in California more than one year and one day and if USCIS documents were issued or approved more than one year and one day prior to the beginning of the term. For examples of acceptable USCIS documentation that may be requested please visit our website at: [http://www.mjc.edu/studentservices/enrollment/residency](http://www.mjc.edu/studentservices/enrollment/residency)

Students whose USCIS documents were issued less than one year and one day prior to the start of the semester will be considered non-residents for tuition purposes. If the issue date on your USCIS document is not one year and one day old, you can use it in combination with your application for adjustment of status as long as the process started one year and one day prior to the start of the semester.

Aliens may establish residence if not precluded by the Immigration and Nationality Act from establishing domicile in the United States; provided that the student has had residence in California for more than one year and one day prior to the residence determination date.
RESIDENCY APPEAL

If your residency reclassification request is denied, students may appeal the decision. Appeals must be submitted within 30 days of the denial notification and must include new and/or additional documentation to support the request. The appeal will be reviewed by the Director of Admissions & Records. You will receive notice of the decision via your MJC assigned student email.

AB 540/AB 2000: NON-RESIDENT TUITION EXEMPTION

Consistent with AB 540/AB 2000, non-resident and undocumented students who meet all of the requirements can be exempted from paying non-resident tuition. Students who are exempted from paying non-resident tuition (pursuant to Section 68130.5 and Section 68130.7 of the California Education Code) do not become residents for eligibility purposes for any state-funded program.

The exemption is not available for students who are absent from California, and are taking distance education classes from California community colleges.

ADMISSION OF SPECIAL PART-TIME STUDENTS (MUST BE AT LEAST 14 YEARS OF AGE)

Advanced admission is granted for academically superior K-12 students who are at least 14 years old by the start of the semester for which they are applying. Students must have met all the established special conditions set forth in the Yosemite Community College District Board Policy & Procedures, as well as California Education Code Sections 48800, 48800.5, 48802, 48802, 76001, and 76002. The school district principal or designee must determine that the petitioner is capable of benefitting from advanced scholastic or vocational (college-level) work. Students can enroll in MJC credit courses that are associate degree applicable (numbered 50-399). Special part-time students who wish to enroll in more than 11 units will be required to pay their enrollment fees. See page 38 for current enrollment fees.

Students must submit a Modesto Junior College Admissions Application, completed Petition for Special Part-Time Admission form, and Health Consent form. Students must meet any and all prerequisite and co-requisite course requirements. This includes appropriate assessment scores on math and English placement tests. Visit the MJC website for more information. Junior high students must demonstrate English 101 ability on the MJC Assessment Test.

Please note: Concurrently enrolled high school students will register in level 4 regardless of other programs or classes they are enrolled in.

Special part-time students who wish to enroll in more than 11 units must have formal approval from their school Board of Trustees and approval of the MJC Dean of Student Services prior to enrollment. Enrollment fees for advanced admission students who enroll in up to 11 units will be waived. Students who are admitted as special full-time students (11.5 units or more) will be required to pay their enrollment fees. See page 38 for current enrollment fees.

Home-study students, who are at least 14 years old by the start of the semester for which they are applying, must include with their admission packet (see above) a certification letter (Private School Affidavit) from their County Schools' Office or the State of California.

All special part-time students are subject to all college regulations regarding attendance, conduct, scholarship and fee payment. Courses attempted and units earned will be recorded on the student's permanent record and may be used toward meeting graduation, transfer, or certification requirements at Modesto Junior College.

Upon high school graduation, each graduating senior who enrolled in MJC courses as a high school student, must complete the Admission Application again so that high school graduation information can be updated. Failure to do so will delay registration for classes.

In the event that a high school student wishes to receive high school credit for a course taken at MJC, a student can request that transcripts be sent to the high school. Students may request transcripts in the Enrollment Services Office, Student Services Building, Room 102, during final exam week or later. Each high school will make the determination whether or not college credits can be used to satisfy requirements at the high school.

In order to be approved for a second semester or more as a concurrently enrolled high school student, the high school student who is a continuing MJC student must be in good academic standing at MJC. Good academic standing is defined as having a cumulative 2.0 or higher MJC grade point average. The number of W’s in relationship to attempted units will also be taken into consideration. A letter of recommendation signed by their principal/superintendent is required for students who fall below the 2.0 GPA minimum.

NOTE: It is expected that all special part-time students enrolling in college courses have the maturity to function effectively on a college campus. No special arrangements for additional supervision of underage students are available. College courses are designed for adult students. In a very small number of disciplines, course content may be unusually frank in order to deal with scholarly discussion of behavioral, artistic, human or other issues. Unlike K-12 schools, colleges do not contact parents in advance to inform them of these issues. Parents are hereby notified that it is their responsibility to assure that their child is able to handle the college environment, as well as the content of the courses in which the student enrolls. Parents may wish to investigate the curriculum prior to enrolling their student if they have any questions or concerns.
EARLY COLLEGE PROGRAM
East Campus, Morris Memorial, Room 112
Phone: (209) 575-7858

WHAT IS EARLY COLLEGE?
Early College at MJC works with teachers, counselors, principals, parents and students to help motivated high school students “jump-start” careers and college by enrolling in appropriate college courses while still in high school. Students may compress the time necessary to complete a college degree and count units to enhance registration priority when enrolling at MJC after high school. By enrolling in regular classes or in after-school or summer sessions, high school students gain important academic, recreational, and/or work readiness skills while earning college credits.

HOW TO PARTICIPATE
- For students attending one of the Early College High Schools on or near the MJC campus, students have the opportunity to earn college credits towards certificates, associate’s degrees or transfer preparation while also completing their high school diploma.
- For students attending regular high schools, students work with their high school counselors to determine eligibility for advanced admission (readiness for academic or vocational college-level course, 3.0+ GPA, or special recommendation by high school principal or designee). Go to www.mjc.edu for more information.
- While in high school, students can complete specific courses to earn MJC credit. Such courses are part of the 2+2 program. Students who successfully complete articulated 2+2 high school courses with a grade of B or higher and enroll at MJC in a fall or spring semester following high school graduation will receive college credit(s). Please note: The 2+2 articulation agreement between the high school institution and MJC may require the student to meet special conditions beyond those required of passing with a B grade to receive the college credit. Special conditions exist for agriculture, foreign language, and mathematics courses.

HOW TO ENROLL & PARTICIPATE:
- At the beginning of a 2+2 course the student must complete a Student Request to Participate form for the course articulated at the high school.
- Completed forms must be submitted to the MJC Early College/ Tech Prep 2+2 program.
- After the high school course is completed and the grade is earned, students earning B grades or higher will receive credit.

CONDITIONS FOR 2+2 CREDIT ON THE MJC TRANSCRIPT
- If a student meets all conditions specified in the course’s 2+2 Articulation Agreement, the grade earned in the high school course will be posted on the student’s MJC transcript.
- For further information contact: Nichole Loera, Student Center Bldg./Transfer Center, (209) 575-7858.

ADMISSION INTO SPECIAL ACADEMIC PROGRAMS
Programs such as Nursing, Respiratory Care, Medical Assisting, and the Fire Academy require special program admission in addition to college admission. After submitting a completed Admissions Application to the Enrollment Services Office, contact either the Allied Health Division (209) 575-6373 for information about admission into Nursing, Respiratory Care, and Medical Assisting, or contact the Public Safety Department at (209) 548-5706 for information about the Fire Academy.

YCCD INTER-DISTRICT ATTENDANCE
The Yosemite Community College District maintains a free exchange of students with all community college districts in the State of California. No inter-district permit is necessary to attend Modesto Junior College from any other community college district in California.

READMISSION AFTER DISMISSAL
A student who has been academically dismissed (see page 46) may petition for readmission by meeting with a counselor and completing a Petition for Readmission during Counseling Department deadlines after receiving notice of dismissal. Forms are available in the Counseling Center. Petitions will be reviewed by the Dean of Student Services and counselors. The student may be readmitted if there is strong evidence showing promise of success.

The Dean of Student Services, and/or a counselor, upon granting readmission to a dismissed student, may impose certain restrictions, such as unit load, periodic grade reviews, etc., which are felt to be in the best interests of the student. A readmitted student is subject to immediate dismissal should he/she fail, at any time, to meet the conditions stipulated by the Dean of Student Services. If the petition is denied, the student may apply for readmission after one year has passed since dismissal.

MATRICULATION CORE SERVICES (ORIENTATION, ASSESSMENT, ADMISSIONS & EDUCATIONAL PLANNING)
Students must complete the core services, (orientation, assessment process, abbreviated ED plan) by the college established deadline in order to be eligible for priority registration. The College deadline is available on the College website.
ORIENTATION
Website: www.mjc.edu/studentservices/enrollment/orientation
Phone: (209) 575-6789

All new and returning students, who do not have an associate degree or higher and who have not previously attended an MJC college orientation are required to attend orientation prior to their registration date and time. Orientation familiarizes each new MJC student with campus policies, procedures, and student rights and responsibilities.

Arrangements can be made for students with disabilities and limited English-speaking students who require accommodations. To make accommodations, students should request accommodations 10 days before they plan to attend a workshop.

ONLINE ORIENTATION IS AVAILABLE AT:
www.mjc.edu/studentservices/enrollment/orientation

In person Orientation workshops are scheduled before each new and returning student registration period. Go to www.mjc.edu to find current orientation/advising workshop sessions. Reservations are required for in person orientation. Service is on a first come first serve basis.

ASSESSMENT
MJC Testing Center
Phone: (209) 575-7728
West Campus, Yosemite Hall, Room A117
Website: http://mjc.edu/studentservices/testingcenter/

ABOUT ASSESSMENT
Assessment is the process through which a student's skill level in a particular subject area is measured for the purpose of placement into MJC courses.

AB 705 (NEW ASSESSMENT POLICY)
Modesto Junior College is excited to share new English and Math placement options for students. A new state law (AB 705) was written to help students enter and complete transfer-level English and Math in one year.

AB 705 is a law that requires California Community Colleges to maximize the probability that a student will enter and complete transfer-level coursework in English and Math within a one year time frame. MJC will (place students into English and Math courses) advise students to enter specific English and Math courses using one or more of the following measures:
- High school coursework
- High school grades
- High school grade point average
- Self-Guided Placement

Current students are also eligible to re-place using (with) these new placement methods. If a current and/or returning student has already started the English or Math sequence and receives a higher placement using the new placement methods, they will be allowed to enroll in the higher level course.

MULTIPLE MEASURES
In addition, students who have achieved at or above the required score on an alternative placement test (e.g., SAT, ACT, AP, EPT, ELM, etc.) can also be placed into the appropriate English or math courses according to these test results.

English and math placement through Multiple Measures includes evaluation of the following documents:
- High school transcripts;
- Early Assessment Program (EAP) results;
- ACT, AP, CLEP, ELM, EPT, and SAT results; and
- Other two-year regionally-accredited college assessment reports

The Multiple Measure Math and English forms are available on the Testing Center website:
https://www.mjc.edu/studentservices/placement/

IMPORTANT OF THE ASSESSMENT PROCESS
Math and English or English Language Instruction for College (ELIC) assessments are required of ALL STUDENTS who are completing courses to earn an associate degree, certificate, transfer to a university, to improve job skills, career development, or who are undecided; as well as students who have completed at least 15 units, regardless of their goal. There is no pass or fail, and these tests do not determine admission to the college. The results are used to assist counselors and students in selecting the appropriate level of course work. Students are encouraged to discuss test results with a counselor prior to registration.

HOW TO PARTICIPATE IN ELIC ASSESSMENT
To be admitted to a test session, an admissions application must be on file in the Enrollment Services Office. Picture ID will be required for test admittance. Seating in the Testing Center is determined on a first-come, first-served basis. Tests begin promptly, and students may not enter after a test has begun.
All tests are computerized except for the CASAS test. Students will be admitted to the Testing Center as computers become available. Students with disabilities who need special testing accommodations should notify Testing Center staff of their needs at least 10 days before they plan to test.

Students who may be exempt from testing are welcome to take the assessment tests and to participate in the assessment process. See “Assessment Exemptions” below for more information.

NOTE: Most math, English composition, ELIC/ELW and science courses require assessment or prerequisite course completion.
ENGLISH AND READING ASSESSMENT

Two sections make up the English/Reading exam:

- Reading Comprehension
- Sentence Skills

Students who are taking the test for English advisory and placement purposes must take both sections. The Reading section alone will only be given to students who have previously taken the English assessment, or who have completed an English course, but still need a reading recommendation. Check with a counselor for other program needs.

ASSESSMENT (ENGLISH LANGUAGE INSTRUCTION FOR COLLEGE)

Students who plan to enroll in credit ELIC classes must take the Accuplacer ELIC assessment test prior to registration. The assessment consists of:

- Online multiple choice test questions and background information questionnaires

Students who plan to enroll in English for Life and Work courses (ELW 901-911) must take the CASAS placement test. Both tests are administered in the MJC Testing Center.

ASSESSMENT EXEMPTIONS

Students may be exempt from testing if they:

- Have an Associate or higher degree; or
- Have taken other California community college assessment tests and have submitted test results to MJC Enrollment Services Office at least 6 weeks prior to registration date and time; or
- Have taken other college math, chemistry, English composition or ELIC classes and have submitted official transcripts to the Enrollment Services Office, at least 6 weeks prior to registration date with completed Prereq Clearance Form; or
- Are enrolling only in activity classes, apprenticeship classes, employer-required classes, personal growth/enrichment classes, to maintain a certificate or license, or other non-credit classes only, and have completed fewer than 15 units.

Being exempt from testing does not release the student from any prerequisite requirements a course may have.

RETEST PROCEDURE

Students may retest one time after 60 days from the original test date. Students may not retest if they have:

- Completed a college or MJC English, reading or math class or
- Earned a “W” (within the last two years) in an MJC English, reading, or math class

If you would like to retest prior to the 60 days or more than once, please contact the appropriate division office listed below to request a petition:

- Literature & Language Arts (209) 575-6149
- Science, Math & Engineering (209) 575-6173

ADVISING AND EDUCATIONAL PLANNING

COUNSELING SERVICES

Counseling and Student Services, East Campus
East Campus, Student Services Building, Room 226
Phone: (209) 575-6080

Ashley Griffith, Ed.D., Dean
Student Services, West Campus
West Campus, Yosemite Hall, Room A158
(209) 575-6032

Some students have already decided on their educational or career goals before entering MJC. Others are exploring different educational or career paths, and may enter MJC without an educational goal or major.

BEFORE SEEING A COUNSELOR

Students must complete the following steps before making an appointment to see a counselor:

- Apply for admission;
- Attend an orientation;
- Complete the assessment process.

We encourage students to use MJC’s counseling, assessment, and career services to help set and reach educational and career goals. We also encourage students to build relationships with faculty who teach in their areas of interest. Faculty advisors can provide students with the information, support and guidance to help them reach their goals.

WHO IS ELIGIBLE FOR COUNSELING?

All current or returning MJC students are welcome to meet with a counselor. Educational counseling is required for all new students who indicate on their admissions application that they:

- Have an associate’s degree and are pursuing another degree, a certificate, or transfer; or
- Plan to earn an associate’s degree; or
- Plan to earn a certificate; or
- Plan to earn a skills recognition award; or
- Plan to transfer to a four-year university; or
- Plan to learn job skills or prepare for career advancement; or
- Are undecided about their educational and career goals.

Educational counseling is available in the Counseling Center. New student advising sessions are pre-scheduled during peak periods. Students should sign up prior to the new student’s registration date and time. Returning students may drop-in or call the Counseling Center. Students who are exempt from educational counseling are also welcome to meet with a counselor.
GUIDANCE CLASSES

New students are encouraged to enroll in a Guidance class, taught by MJC counselors, during their first semester. Guidance courses are essential to student success. In a guidance course, students learn to:

■ Develop a comprehensive educational plan
■ Acquire, organize, and demonstrate problem-solving and decision-making skills;
■ Explore, evaluate, and pursue career and educational options;
■ Develop social, intellectual, and emotional competencies;
■ Develop needed skills and strategies to maximize the educational experience;
■ Understand themselves, others and their environment to enable them to develop individual value systems and life styles.

There are several Guidance (GUIDE) courses from which to choose, which also fulfill the Guidance requirement for the associate degree at MJC: Educational Planning; Career Awareness; Job Development Skills; Orientation for Re-entry Adults; Success Strategies for Transfer Students. AG 115, Introduction to Agricultural Education Careers; and STSK 78, College Study Skills, also satisfy the Guidance graduation requirement.

EARLY ALERT

MJC utilizes a program called Early Alert. This program provides intervention for students at the earliest signs of academic problems. Through Early Alert, faculty identify students enrolled in their classes who are experiencing problems and refer them electronically to a service on campus. Staff members of that service contact students for further follow-up.

PRIORITY REGISTRATION
Upon completion of the application for admission, specific registration instructions are emailed to the student. Modesto Junior College has established Registration and Enrollment priority procedures in accordance with Title 5, Section 58106 and YCCD Board Policy 5055.

For enrollment priorities 1 through 3 the following academic standards apply: Students who are fully matriculated, and who have no more than 100-degree applicable units, and who are in good academic status. A Matriculated student is one who has completed Orientation, Placement Assessment and an Ed Plan during an Advising session.

Level 1. New and Continuing Students who are:
- Any active member or former member of the Armed Forces of the United States, and who is a resident of California, who has received an honorable discharge, a general discharge, or other than honorable discharge, and to any active member or former member of the State Military Reserve.
- Current foster youth and former foster youth up to and including age 25, or homeless youth.
- Students participating in Disabled Student Programs and Services (DSPS), Extended Opportunity Program and Services (EOP&S), or California Work Opportunity and Responsibility to Kids (CalWORKs), or Tribal TANF recipients.

Level 2. New and continuing Students meeting eligibility and participation requirements for programs designated by the colleges.

Level 3. Continuing and New Students.

Level 4. Continuing and New students who:
  a. Are not fully matriculated
  b. Have no more than 100 degree-applicable units
  c. Are in good academic standing

Please note: Within each level, registration appointments are assigned based on unit completion.

LOSS OF PRIORITY REGISTRATION
New and continuing students may lose registration priority if they:
1) earn more than 100 degree applicable units at MJC, or
2) are on academic probation for 2 or more terms. If a student loses priority registration they may appeal to have priority registration reinstated. Complete the Appeal for Loss of Priority Registration and submit it to Enrollment Services.
If you have, for example, forgotten to pay a fee, return a library book, musical instrument, or athletic uniform, you may be blocked from registering for classes. Such obligations to the district must be cleared before a student is permitted to register.

Outstanding obligations will prevent registration and the ability to obtain verifications of enrollment, grades, academic transcripts, and degrees.

OPEN REGISTRATION

Start dates for open registration vary prior to the start of semester. It will be permitted on a first-come, first-served basis. Students will be able to register for classes that are still open, provided prerequisites have been met. Students may add open classes during the first week of the semester online or by attending the class and discussing add possibilities with the instructor. If seats are available and the student has met the prerequisites (if required), the instructor may give the student an access code. Adds must be processed by the add deadlines.

WAITLISTS

When available class seats are filled, a class is closed to further enrollment. However, students may (at the time of registration) place their name on a waitlist. Students may add their name on only one waitlist in a particular subject and only if they are not already enrolled in the same class (i.e. one English 101 class, one Math 90 class, etc.) Being on a waitlist does not mean that the student is enrolled in the class.

Once a course has reached maximum capacity, students may add to the waitlist. Students may not waitlist or register for more than one section of the same course.

Once the student is on a waitlist he or she will be notified of an opening in the course through their student email. Once the email notification is generated the student has 5 calendar days to register for the course or they will be dropped from the waitlist. If a student is still waitlisted at the start of the term, the student must attend the course on the first meeting day. If a space becomes available in the course the instructor will provide the student with the course access code. For online courses students must request an E-Add Card via PiratesNet on the first day of the term. Only students that meet eligibility requirements may attend.

Instructors will advise students regarding their chances of being added to the class and whether or not waitlist students should return to subsequent class meetings.

LIMITATIONS ON ENROLLMENT

Some courses must restrict who may enroll in the course. Limitations on enrollment advise if or how students can qualify for a particular course or program. These limitations can apply to courses that include public performance or intercollegiate competition where a try-out or audition is necessary. Additionally,
PREREQUISITES AND REGISTRATION

Modesto Junior College requires satisfactory completion of all prerequisite courses prior to the student enrolling in the subsequent course, except that a student may enroll in the next level pending the outcome of the prerequisite course if the student is currently enrolled in the course at MJC. “Satisfactory completion” means a grade of A, B, C, or CR/P (pass). Grades of D, F, or NC/NP indicate that the student did not satisfactorily complete the course, and therefore, cannot use the course to fulfill the prerequisite.

CHALLENGING PREREQUISITES/COREQUISITES

Any student may challenge a prerequisite/corequisite on the grounds that:
- It was not established in accordance with the District’s policy
- It is in violation of Title 5
- It is discriminatory
- A student feels that they can succeed even though they have not completed the prerequisite/corequisite (It is the student’s responsibility to provide additional documentation that demonstrates they have satisfied the prerequisite/corequisite.)
- Student will be subject to undue delay because the prerequisite/corequisite has not been made reasonably available

To challenge a prerequisite/corequisite in any area, the student must begin in the division office that offers the prerequisite/corequisite by completing the Prerequisite/Corequisite Challenge Form at least five days before registration. The student must state the grounds for the challenge and present additional information that supports the challenge. A committee will review each challenge and inform the student within five days of the filing of the petition.

MJC EMAIL ACCOUNTS

MJC only uses the college issued student email to communicate with students by sending correspondence through a district-provided student email system. New students are advised to set up their email accounts as soon as they are admitted to the college and check it often. Information sent to students by the college will often be time-sensitive.

Students may access email using PiratesNet. Student email accounts are 50 GB in size with a 25 MB attachment limit. Students may use this account to easily send and receive messages, manage calendars, and track contacts. This email account is web-based and can be accessed from any computer with an Internet connection. Most offices on campus have eliminated U.S. mail service and use student email exclusively to communicate with students.

It is the student’s responsibility to activate a student email account. For more information, point your browser to http://mail.student.yosemite.edu/.

REPEATING COURSES

The Board of Trustees of the Yosemite Community College District has adopted a policy which permits a student to repeat certain courses. In these cases, a course is designated as repeatable in the college catalog, and a student may take the course and then repeat it the allowed number of times and earn college credit for each completion. These courses have been approved by the Curriculum Committee as repeatable. Courses without that designation may not be repeated. Repeatable courses may not be repeated to improve a substandard grade.

COURSE REPETITION POLICY

REPEATABLE COURSES

A student may repeat a course designated as a repeatable course including variable credit open-entry/open-exit courses up to the maximum number of allowed repetitions for that course.
- No more than two substandard grades may be alleviated within the allowable repeat limits for a repeatable course. If a course is repeated two or more times, the first two substandard grades will be excluded in calculating the student’s GPA.
- Course repetition will not be allowed in a repeatable activity course beyond the maximum number of allowed repetitions for the course, which may be no more than three (3) semesters.

NON-REPEATABLE COURSE

- A student will be permitted to retake a non-repeatable course in which a substandard grade or “W” was earned one time without a petition.
- Substandard Grade - a grade of “D,” “F,” “NP,” or “NC.”
- If a student has earned a second substandard grade or “W” in a course, the student must agree and sign a Third Enrollment form to be released to register for the third repetition of a course. Student must see counselor to complete a Third Enrollment.
- Each non-repeatable course in which a substandard grade has been earned may be repeated two times only for grade alleviation unless such repetition is provided by District policy. The most recent completion (grade, grade points, and units) will replace the earlier course, even if the more recent completion results in a lower grade.
- For courses that are not repeatable in which a student has received a satisfactory grade, “A,” “B,” “C,” “CR,” or “P” may not be repeated unless in accordance with YCCD Board Policy 4225.
PETITION TO REPEAT COURSES

Students may submit a “Course Repeat Petition” under certain circumstances as provided by Title V, California Code of Regulations and Yosemite Community College Board Policy. Petitions are reviewed by the Petitions Committee, Director of Admission and Records, or designee.

Students may petition to repeat a course in which a satisfactory grade was received or when the number of allowable attempts has been exhausted in accordance with YCCD Board Policy 4225.

Students can find more information about the petition process here: https://www.mjc.edu/studentservices/enrollment/petitions

MULTIPLE AND OVERLAPPING ENROLLMENTS

MJC does not allow a student to enroll in two or more sections of the same credit courses at the same time.

MJC does not allow a student to enroll in two courses that overlap (time-wise) unless the following requirements are met:

- The student must provide sound justification for the overlap, other than mere scheduling convenience.
- An appropriate college official must review the justification and approve the enrollment.
- The instructor of record allowing the overlap must collect documentation each week that shows how the student made up the time caused by the overlap.

ATTENDANCE

Attendance is important. Students are expected to attend the first class meeting of each class in which they register. Instructors may drop students who do not attend the first class meeting and give the seat to a student from the waitlist. All students enrolled at Modesto Junior College are expected to be punctual and attend classes regularly. Regular attendance in class and lab sessions is an obligation assumed by every student at the time of registration. Instructors are encouraged to announce to their students at the beginning of the semester their policies regarding excessive absences or tardiness.

Many instructors link their class syllabi to their directory information on PiratesNet. It is the student’s responsibility to discuss with the instructor any anticipated and/or extensive absences. Tardiness may be considered an absence. No absence relieves the student of the responsibility to complete all work assigned. When an instructor determines that a student’s absences are excessive, the instructor may drop the student from the class. However, it is the responsibility of the student to complete the course or to officially withdraw from the class.

WITHDRAWING FROM COURSES

Students are responsible for officially dropping classes. Withdrawals may be processed using PiratesNet (www.mjc.edu) or in the Enrollment Services Office by completing a Drop Form. Each student’s printed schedule (available on PiratesNet) includes course drop deadlines.

WITHDRAWING WITHOUT A "W"

No notation (grade or symbol) will be posted on a student’s academic record if a course is dropped by the last day to drop without a “W” which is the end of the second week of the semester for a full-term course or within 20% of a short-term or Summer course. The last day to drop without a “W” deadline is posted on the course syllabus and the class schedule each semester.

- Students who drop all courses and receive no academic grade or symbol (“W”) in a semester/session will not be eligible for priority registration as a continuing student in the next semester/session.
- Students have the ability to petition to drop a course late without a “W” as long as they have not participated or attended past the census date. The petition form can be found on the Enrollment Services website.
- A student is responsible to pay all fees according to written regulations.

WITHDRAWING WITH A "W"

Students may drop or withdraw from a course by the 14th week (or by 75% of the class, whichever comes first) for full-term courses, short term, or Summer courses and receive a “W” for withdrawal symbol on their academic record.

- The last day to drop with a “W” deadline is posted on the course syllabus and the class schedule each semester.
- Students have the ability to petition to drop a course late with a “W” if they have an extenuating circumstance. Extenuating circumstances are listed as verified accidents, serious illness, or other circumstances beyond the control of the student.
- A student is responsible to pay all fees according to written regulations.
EXCUSED WITHDRAWAL

An Excused Withdrawal (EW) is an option for students who can drop a course due to a specified reason beyond the control of the student and affects the student's ability to complete the course. Per Title IV the Excused Withdrawal conditions are as follows:

- Job transfer outside the geographical region;
- Illness in the family where the student is the primary caregiver;
- An incarcerated student in a California State Prison or County Jail is released from custody or involuntarily transferred before the end of the term. In the case of an incarcerated student, an excused withdrawal cannot be applied if the failure to complete the course(s) was the result of a student's behavioral violation or if the student requested and was granted a mid-semester transfer;
- The student is the subject of an immigration action;
- Death of an immediate family member;
- Chronic or acute illness;
- Verifiable accidents; or
- Natural disasters directly affecting the student.

Please Note: An “EW” will be notated on the transcripts if the petition is approved and the student will not have this attempt counted for Academic purposes but the student is not eligible for a refund for the course.

To receive an “EW” the student would need to complete a General Student Petition and provide appropriate documentation of their circumstances.

MILITARY WITHDRAWAL

A student who withdraws from a course because he/she is an active or reserve member in the military service who has received military orders compelling withdrawal from course(s) shall receive no notation or an “MW” notation which shall not be counted for the permitted number of withdrawals or for progress probation or dismissal. The student must complete a student petition and present military orders to the Enrollment Services Office for proper notation.

WITHDRAWAL LIMIT

Effective Summer 2012, students are limited to receiving no more than two substandard grades from any course taken within the Yosemite Community College District. Since this state regulation includes courses taken at Columbia and/or Modesto, substandard grades earned in courses that have been determined to be equivalent to each other (see ‘Intradistrict Course Equivalencies Between Modesto Junior College and Columbia College” on page 103) count toward the second limitation. Each non-repeatable course in which a “W” has been earned may be repeated for a maximum of two times. The student may earn no more than three (3) withdrawals in the same course.

- Military withdrawals (“MW”) do not count against the “W” withdrawal limit.
- A student who has previously earned a maximum of three (3) withdrawals for a course that has a petition approved to repeat may only earn a satisfactory or substandard grade for the course. The student may not earn an additional “W” symbol unless the student demonstrates extenuating circumstances to justify an additional withdrawal for the course.
- A “W” counts as an enrollment attempt and results in a substandard grade.
- Students who have been blocked from enrollment in a course because they have reached the limit of two substandard grades should discuss options with a counselor.

Student Fees and Expenses

MJC BUSINESS SERVICES
East Campus, Student Services Building
Phone: (209) 575-6829

The Business Services Office is located in the Student Services Building on the East Campus off College Avenue. The office provides students with the following services: payment for registration fees, enrollment verification, field trips, and credit by exam tests. The office provides current semester Activity stickers for student ID cards, Bus Pass Stickers, accepts waiver forms for the student representative and benefits fees and provides change. Scholarship checks and Short Term Loans may also be picked up at this office. Students may pay fees online at PiratesNet with a credit card or in person with cash, check, or credit card.

REFUND POLICY

Classes must be dropped in the Enrollment Services Office or online through PiratesNet (https://piratesnet.mjc.edu/) on or before published deadline dates prior to requesting a refund.

The parking fee is not refundable.

1. Drop Deadlines to be eligible for a refund - Class(es) must be dropped during the first two weeks of the term, except for short-term classes. Short-term classes must be dropped by the 10% point of the length of a class with the exception of those classes that have either five or fewer meeting days or meet 20 or fewer hours. In these cases, the last refund date is defined as the day before the first class meeting. If the last day in any of these periods falls on a weekend or holiday, the final drop date is the preceding college business day.

2. Refund Request Form - Refund Request Forms are available exclusively online at www.mjc.edu/forms.

3. In accordance with the California Code of Regulations, Section 58508, refunds with an enrollment credit of at least $10 will be assessed a $10 administrative processing fee.

4. Classes canceled by the College - Refunds are made for classes canceled by the college, but refunds ARE NOT AUTOMATIC. The student must submit a completed Refund Request Form to the Business Office.

Eligible refunds are processed approximately four (4) to six (6) weeks from the filing date. If fees or tuition were paid by check, the refund is not made until the check has cleared the bank.

Outstanding Credit - Credit for which a refund has not been filed as specified in (2) above will not be refunded. Continuing students with an outstanding credit can carry this credit for two academic years, where such credit is then applied against fees and charges. ANY CREDITS REMAINING AT THE END OF TWO ACADEMIC YEARS, HOWEVER, ARE FORFEITTED.

DENIAL OF SERVICES AND DEBTS OWED TO THE COLLEGE

Students who have debts to the college or “HOLDS” for administrative reasons on their student records may find that services are withheld until the debt is paid or the hold is removed.

Services that will be withheld because of debts to the college or holds include: counseling/advising services, registration, release of diplomas and certificates, release of transcripts, enrollment verifications, and release of grades.

Debts occur when a student fails to repay money borrowed from the college, violates a student financial aid contract, fails to pay tuition and/or registration fees, fails to reimburse the college for an “insufficient funds” check or for a disapproved credit card transaction, fails to return or account for athletic uniforms and equipment, or fails to pay scheduled fees for other services provided by the college.

Modesto Junior College reserves the right to withhold all further services until the debt is paid. Grades and transcripts will be withheld until all obligations are cleared.

COMMUNITY EDUCATION REFUNDS

A full (100%) refund will be given for classes, trips, tours and other activities which are full at the time registration is received or those that the college finds necessary to cancel. Refund requests for classes/seminars must be received by the Community Education Office at least seven (7) working days prior to the first meeting. For trips/tours, refund advance notice must be given within the following guidelines:

<table>
<thead>
<tr>
<th>TYPE OF TRIP/TOUR</th>

<td>7 days</td>
</tr>
<tr>
<td>Pre-purchased tickets included</td>
<td>30 days</td>
</tr>
<tr>
<td>Overnight accommodations included</td>

</tbody>
</table>

No refunds are issued after a class, seminar, trip, or tour has started. All student-requested refunds are subject to a $20 processing fee.

<td>$46 (per unit)</td>
<td>California residents must pay an enrollment fee of $46 per unit per semester (subject to change by the California State Legislature). Enrollment fees may be waived for students who qualify for the California College Promise Grant/CCFP and for those who enroll in apprenticeship courses only. Dependents of service-connected disabled or service-connected deceased veterans may be eligible for a waiver of fees. Please contact the campus Veteran's Office in the Student Services Center, Room 2 for assistance. Fee waiver information should contact the Student Financial Services Office in Yosemite Hall. Special part-time students are students who are concurrently enrolled in K-12th grade and who enroll in fewer than 12 units at a community college. They are exempt from paying the enrollment fee. To be eligible to enroll in courses, special part-time students must be prepared to undertake college-level work and must be approved by the student’s high school principal and parent or legal guardian. At MJC, special part-time students must be at least 14 years of age. Special part-time students may enroll in a maximum of 11 units per semester.</td>

Student Financial Services

Aurelia González, Interim Director
Phone: (209) 575-7700
West Campus: Yosemite Hall, 1st Floor
Phone: (209) 575-7707, Fax: (209) 575-7719
Website: www.mjc.edu/financialaid

Modesto Junior College administers a comprehensive student financial aid program designed to assist students in meeting college costs. The amount of financial aid awarded varies from student to student, depending on the individual's need and resources. Funds are awarded on a first-come, first-served basis.

Financial aid awards are based on calculated financial need as determined by the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application (CADAA). Students may complete the FAFSA at www.fafsa.gov or the CADAA at https://dream.csac.ca.gov/

Application assistance is available in the Student Financial Services Office in Yosemite Hall on West Campus or in the Enrollment Services Office in the Student Services Building on East Campus.

All applications for financial assistance programs; i.e., work compensation, nursing loans, grants, scholarships, special funds, subsidies, prizes, etc., will be considered by Modesto Junior College without regard to race, color, national origin, gender or disability.

DETERMINING ELIGIBILITY FOR FEDERAL AID
To be eligible for federal aid, students must:

■ be a U.S. citizen or eligible non-citizen
■ be registered with the Selective Service, if applicable
■ be enrolled in an eligible program leading to a certificate, degree, or transfer program at MJC
■ have a high school diploma or equivalent
■ have “financial need” as determined through the application process
■ not owe a refund on a Federal grant or be in default on a Federal education loan
■ meet Satisfactory Academic Progress (SAP) standards

ELIGIBLE PROGRAMS/COURSES
Students must be enrolled in an approved course of study leading to degree, eligible certificate, or transfer to a four-year institution.

Students considering dropping classes should first consult with the Student Financial Services Office to understand the implications of a complete withdrawal.

FEDERAL PELL GRANT
The Federal Pell Grant provides assistance to eligible students to help meet college expenses. Students must file a FAFSA to have financial need determined by a formula that is applied uniformly to all applicants throughout the nation. The Student Financial Services Office calculates the actual award amount based on the information provided on the FAFSA, whether the student is enrolled full-time or part-time and the cost of education.

CALIFORNIA DREAM ACT
To Apply:
Students who meet AB540 criteria may now apply for state funded financial aid such as community college fee waivers California College Promise Grant (CCPG) formerly known as the Board of Governors Fee Waiver (BOGW), Cal Grants, Chafee Grants, and institutional financial assistance by completing the California Dream Act Application at https://dream.csac.ca.gov/

LIFETIME ELIGIBILITY USED (PELL LEU)
Students are limited to 6 years (12 full-time semesters) full-time Pell grant, or 600% Lifetime Eligibility Used (Pell LEU). Students may view their Pell LEU at https://studentaid.ed.gov/sa/?login=true

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)
The FSEOG is designed to assist students with exceptional financial need by supplementing other financial aid sources.

FEDERAL WORK-STUDY PROGRAM (FWS) LIMITED FUNDING
Federal Work Study provides part-time employment for students who demonstrate financial need. The Student Financial Services Office will assist in placing students in jobs on campus. Students must not work until an official agreement is on file with the Student Financial Services Office and may not work more than 20 hours per week. Current pay is $13.00 per hour (federal minimum wage). Work-study hourly wages are paid directly to the student to help with educational expenses.
NURSING STUDENT LOANS

Nursing Student Loans may be available to students enrolled in the Associate’s degree Nursing Program who demonstrate financial need. Loans range from $1,000 to $2,000 per academic year.

STATE FINANCIAL AID PROGRAMS

CALIFORNIA COLLEGE PROMISE GRANT (CCPG)

The California College Promise Grant waives the enrollment fee for eligible students. The CCPG is effective for an entire academic year (Summer/Fall/Spring). There is no minimum unit requirement. Students may apply by FAFSA or CADAA application. Students will lose eligibility for the CCPG, if they do not maintain a 2.0 GPA for two consecutive terms or do not successfully complete half (50%) of the units attempted in that period. The first calculation of a term began in Fall 2015. Students who are disqualified may submit an appeal for possible reinstatement.

BUREAU OF INDIAN AFFAIRS GRANTS (BIA)

Bureau of Indian Affairs Grants are provided to help eligible Native American students. Contact your Tribal Agency or the Student Financial Services Office for more information.

CAL GRANTS

Cal Grants are state-funded grants, which are awarded to eligible students to help meet college expenses. Students must file a FAFSA or CADAA application and have their GPA submitted to the California Student Aid Commission (CSAC). The application filing deadline is March 2nd preceding the award year. A second deadline of September 2nd is available for students on a competitive basis who are planning to attend a community college during the award year.

Cal Grant A assists with tuition and fees for California residents at qualifying institutions offering baccalaureate degree programs. Awards may be held in reserve while attending a community college. There are two types of Cal Grant A awards – Entitlement and Competitive. Current high school seniors and previous year high school graduates with at least a 2.0 GPA who meet the financial and eligibility requirements and apply on time (March 2nd deadline) will receive a Cal Grant B Entitlement Award. Other eligible students with at least a 2.0 GPA may apply for a Cal Grant B Competitive Award. Selection is based on a composite score based on family income, parents’ educational level, GPA, time out of high school, single-parent household and former foster youth.

Cal Grant C provides assistance with costs for occupational and vocational programs. Selections are based on financial need, vocational aptitude and enrollment in an eligible program at a California community or independent college or vocational school that is at least four months long. Additional information may be obtained in the MJC Student Financial Services Office.

CALIFORNIA CHAFEE GRANT

The Chafee Grant Program awards grants of up to $5,000 annually to foster youth and former foster youth to use for college or career and technical training. To be eligible the applicant must have been in foster care between their 16th-18th birthdays and be no more than 26 years old, as of July 1st of the award year. Student cannot have participated in the program for more than five years. The applicant must also file a FAFSA, available at www.fafsa.gov or a CADAA available at https://dream.csac.ca.gov as well as the California Chafee Grant Program Application, available at www.csac.ca.gov. Recipients must be enrolled at least half-time, and meeting Satisfactory Academic Progress (SAP) requirements.

DIRECT LOAN PROGRAM INFORMATION

Community Colleges in California remain an affordable option for students to receive their education. Modesto Junior College is a low-cost public institution with limited entrance requirements. The enrollment fee waiver (California College Promise Grant, formerly known as BOG) and grant assistance (PELL) as well as several state grants, typically covers the cost of education at Modesto Junior College. However, some students (out of state residents, for example) may need to borrow money to help with school related expenses. Typically, a student who needs to borrow money to get through school is making a good investment for the future.

Unfortunately, many students enter into debt without a clear picture of how it will affect them in the future. Therefore, the Financial Aid Office does not award student loans as part of the “award package” in our initial review for financial aid eligibility. Students who are interested in borrowing a federal student loan at Modesto Junior College will be required to submit a completed Direct Loan Application Form to the Student Financial Services Office.

We are dedicated to supporting student success – our goal is to help our students develop a realistic educational borrowing plan to ensure that those who plan to transfer will have sufficient loan eligibility remaining to complete their education, and those whose plans conclude with a certificate or associate degree will not be overly burdened with student loan debt.
FREE TUITION - CALIFORNIA COLLEGE PROMISE/AB 19

The California College Promise will pay tuition for first-time students, enrolled full-time at MJC for the student's first academic year. (An academic year is considered Summer, Fall, and Spring.)

All first-time college students (including students who earned college units while still in high school) who meet the following criteria: California Resident or AB540 eligible

1. Completed a FAFSA or CA Dream Act Application CADAA
   a. Must be a California resident or AB540 resident
   b. Submit all Verification documents
2. Enrolled in and complete 12 or more units each term
   a. Not eligible for California College Promise Grant
      (formerly Board of Governors Fee Waiver)

https://www.mjc.edu/studentservices/finaid/ab19

No additional application is required. The Student Financial Services Office will award students who meet eligibility criteria automatically. Students who qualified for the first year may qualify for a second year, as long as they meet Satisfactory Academic Progress (SAP).

STUDENT SUCCESS COMPLETION GRANT (SSCG)

The SSCG will be additional funds for students who qualified for a Cal Grant B or C and are enrolled full-time at a California Community College.

Maximum annual award for the SSCG is $4,000. Due to limited funding the SSCG is refunded on a first come first serve basis. Receiving a SSCG award does not guarantee a refund. Funds are limited.

To be eligible a student must:

- Have financial need
- Receive the Cal Grant B or C
- Must be enrolled in at least 12 units during a primary semester (Fall/Spring)
- Maintain Satisfactory Academic Progress
- Must be a California resident or is exempt from paying non-resident tuition

Meeting the criteria above does not guarantee a payment, remember, funding is limited and is refunded on a first come first serve basis.

MAXIMUM TIME FRAME: All financial aid students are expected to complete their program of study within 150% of the published length of the program.

- Students pursuing a 60-unit AA/AS degree, 4-year transfer, or vocational programs are expected to complete their programs by the time they attempt 90 units.
- Students whose educational goal is to earn a Certificate of Achievement are expected to complete their program by the time they attempt 45 units.

Students exceeding these limits may file an appeal if extenuating circumstances have prevented them from completing their program within these limitations. Financial aid recipients must adhere to satisfactory academic progress standards — maintain a minimum 2.0 cumulative GPA and complete at least 67% of all attempted units. The student's satisfactory academic progress will be reviewed upon the student's initial application for financial aid and at the end of each semester.

WITHDRAWALS, INCOMPLETES, AND/OR UNITS NOT COUNTED

Grades of F, NP, IP, I and RD are not counted as satisfactory and will not be counted toward total units completed. Bridged classes or open-entry/open-exit classes (IP) will be counted as eligible units for financial aid only during the first semester the class is attempted.

WARNING/DISQUALIFICATION STATUS

Students who have not met all satisfactory standards will be placed on Financial Aid Warning. Students who have not met all satisfactory academic progress standards at the end of the warning period will be placed on Financial Aid Disqualification. This status will remain in effect until all requirements for satisfactory academic progress are achieved. Under no circumstances will students be paid retroactively for any ineligible semesters.

FUNDING LIMITATIONS

Funding from financial aid resources at Modesto Junior College is limited to the completion of a college degree or exceeding the maximum time frame.
APPEALS

The Appeal Form is available on the website during application periods, at www.mjc.edu/financialaid and must be filed if such a review is desired. Under certain conditions, students placed on Disqualification may file an appeal for consideration of reinstatement of financial aid eligibility. Circumstances must have occurred during the deficient semester(s). The appeal and acceptance dates are available on the website, at www.mjc.edu/financialaid.

The following are examples of reasons a student may file an appeal:

- Change in academic major
- Documented serious injury, illness or medical condition requiring a doctor's care
- Death of an immediate family member (documentation required)
- Documented extenuating circumstance beyond student's control

The following are NOT considered extenuating circumstances beyond a student's control:

- Personal problems not requiring professional intervention
- Poor time management
- Unaware of academic progress policies or other college requirements
- Not following Academic Counselor's recommendations
- Transportation problems
- Child care problems

To file an appeal, students are required to participate on an online Satisfactory Academic Progress (SAP) counseling session, complete the appeal form and attend an Appeal Workshop in order to submit a request.

Appeal packets must include:

1. An appeal form
2. Current Student Educational Plan OR Degree Audit (available on Pirates Net)

3. Supporting documentation for allowable special circumstance
4. Appeal Contract

Denied Appeals:

Students whose appeal is denied have the option to have their appeal reviewed by the appeals committee. Decisions made by the committee are final. For appeal deadlines and additional information visit our website at: [http://www.mjc.edu/studentservices/finaid/appeal](http://www.mjc.edu/studentservices/finaid/appeal)

RETURN OF TITLE IV FUNDS

Per federal regulations, any student who receives financial aid and then withdraws from all classes prior to completing 60% of the semester/program and/or course will be required to repay a portion of any unearned federal financial aid. If the student has received more than earned, notification will be sent as to the amount of aid to be returned, the due date, and the process. If the student has not yet received the full amount earned, notification will be sent regarding a post-withdrawal disbursement the student may receive, the response date, and the process. Federal regulations only allow students to receive financial aid for classes they actually attend. Students who receive financial aid for classes they drop before the first day of class or that they otherwise never attended must return those funds.

There is no appeal process. Federal regulations do not allow a college to make any exceptions to the Return of Title IV requirements. Students who do not repay the funds owed are disqualified from eligibility for federal student aid at any college or university.

Students considering dropping classes should first consult with the Student Financial Services Office to understand the implications of a complete withdrawal.

SCHOLARSHIPS

MJC Foundation Office
George Boodrookas
Executive Director, Foundation
East Campus, Morris Building, Room 105

The Modesto Junior College Scholarship Program, now part of the MJC Foundation, offers over 250 scholarships annually to eligible students who enroll full time during the Fall semester. Scholarship awards range from $200 to $3000. Students who will be new incoming or continuing can receive up to a maximum of $4000 and transfer students up to $6000. Scholarships are funded by the MJC Foundation, private donors, community agencies and businesses whose focus is to encourage and support the educational goals of the students we serve.

To receive consideration for scholarships, students must have completed 12 units with a cumulative grade point average of 2.5 or higher and be actively enrolled as a full-time student the following Fall semester. Students accepted and enrolled in the MJC Nursing Program will be considered full time for scholarship purposes only. High school seniors are exempt from the 12-unit completion, but will be required to submit their current high school transcript.

Scholarship selections are made based upon proven academic performance, strength of major, motivation, potential for success and may include the following: major, residency, organizational affiliation and active community service.

The MJC Scholarship Application will be available online at www.mjc.edu under Student Services on the first Monday in October and will be due the last Friday of January.

For questions or more information regarding the MJC Scholarship Program, contact Melissa Clark in the Scholarship Office at (209) 575-7715 or email clarkme@mjc.edu.

* Grade points not included in student's overall grade point average (GPA).

GRADE POINT AVERAGE (GPA)

To graduate and to transfer to other collegiate institutions, the student must have at least a C average (2.0), based on the total grade points earned in college degree applicable courses completed at MJC and other colleges divided by the total number of units attempted. Students planning to transfer to a four-year university should discuss options with a counselor.

A course or unit attempted is any course or unit which, in any semester, appears on the official transcript. Courses with an Incomplete (I grade), a Withdrawal (W grade), Pass (P grade) or No Pass (NP grade) do not count in the grade point average. All other credit courses attempted are included in the average.

ACADEMIC DISTINCTIONS

GOOD STANDING

A student is in good standing academically when the cumulative MJC grade point average is 2.0, or better, and the student has completed fewer than 50% of the overall units attempted with grades of “W,” “I,” “NP,” and “NC.”

GRADUATION WITH HONORS

Graduating students achieving a cumulative grade point average of 3.5 or higher in all degree-applicable coursework, including transfer work, will graduate with honors. This honor will be indicated on the transcript and the diploma.

PRESIDENT’S LIST

To be eligible for the President’s List (formerly Dean’s List) the student must complete a minimum of 12 degree-applicable units in a semester at MJC and have a grade point average (GPA) of 3.5 or better with no grade lower than a C. The student receives a personal letter of commendation.

CALCULATING THE GPA

A 2.0 minimum grade point average (GPA) is required to be in good academic standing and for graduation. To calculate a student’s GPA, follow these steps:

1. Assign a numerical value to each grade received (A=4; B=3; C=2; D=1; F=0)
2. Multiply the grade by the number of units in the class. This totals the grade points.
3. Divide the total number of grade points by the total number of units attempted

Note: Exclude W’s, NP’s, P’s from the calculation as well as courses that were repeated and where academic renewal was granted. These courses will be signified by “R” and “AR” respectively.
**CHALLENGING GRADES**

To conform to the provision of Section 55025 of the California Administrative Code, Title 5, the determination of the student’s grade by the instructor shall be final in the absence of mistake, fraud, bad faith, or incompetency.

Modesto Junior College policies on challenging a final grade are as follows:

1. There shall be a one year time limit for challenging any evaluative or non-evaluative symbol. This limit will begin at the end of the term in which the symbol was assigned.
2. The correction of grades given in error shall include expunging the incorrect grade from the record.
3. To challenge a grade, students should complete a Grade Correction Petition, which is available in the Enrollment Services Office.

**INCOMPLETE GRADES**

An Incomplete (I) grade will be given only in cases in which course work could not be completed because of illness or for a cause judged as unavoidable by the instructor. Failure to complete regular course work by the end of the semester will not be reason for giving a grade of Incomplete (I). When a faculty member approves a grade of Incomplete (I), he or she:

- Will enter on PiratesNet an incomplete and the in-lieu grade that will be recorded if the student does not make up the work in the allotted time.
- Will enter on PiratesNet the date on which the incomplete grade will end and the in lieu grade will be awarded.
- Will submit to the Enrollment Services Office a written record (on the Incomplete Form provided) of the conditions for removal of the (I) grade and the grade to be assigned if the work is not completed.
- Will send notification via email to the student using the college-issued student email outlining the work to be completed and timeline.
- Will write the student’s grade when all work has been completed on the Incomplete Form in the Enrollment Services Office at least five business days prior to the expiration date of the incomplete grade.

The amount of time that a student may have to make up the work cannot exceed one year. If the student has not completed the conditions for removal, the Incomplete grade (I) will electronically revert to the “grade in lieu of removal” assigned by the faculty member for the “I” grade.

**P/NP (PASS/NO PASS) GRADES**

A student may enroll in most courses with the option of one of two grading systems: (1) letter grade (A-F) or (2) Pass/No Pass (P/NP). The deadline to file P/NP for a full-term or short-term class is 30% of the class. If 30% falls on a weekend or holiday, the deadline to file P/NP forms in the Enrollment Services Office is the preceding business day. Forms are available in the Enrollment Services Office or online at mjc.edu/forms. Unless the course otherwise states “GR” only or “P/NP” only, all courses are offered with a choice of letter grade or P/NP option. Once the P/NP option is selected by the student and the 30% deadline has passed the choice cannot be rescinded.

Because transfer institutions often do not accept P/NP grades in a student’s major, the college recommends that courses in the major be taken for a letter grade.

Instructors are required to give all students who complete the course a letter grade (A-F), regardless of student choice, unless the course is offered only for P/NP grading.

None of the units attempted under the P/NP grading option are used in computing the student’s grade point average. However, units attempted for which (NP) is recorded are counted in determining progress probation and progress dismissal.

Fourteen units of P/NP may be used toward graduation. An evaluation on a “P/NP” basis may not later be changed to a letter grade, nor may the reverse occur (Section 55022 Title 5). CAUTION: Some schools may consider “NP” the same as “F”.

**SATISFACTORY COMPLETION**

“Satisfactory completion of” a course means that the student has earned a letter grade of A, B, C, or P. All prerequisite courses at MJC must be satisfactorily completed with a C or better grade.

**SATISFACTORY PROGRESS (SP)**

On September 19, 2016, the Board of Governors approved the changes to California Code of Regulations, Title 5, section 55023 Academic Record Symbols and Grade Point Average. This revision will add a new evaluative symbol of “SP”, defined as Satisfactory Progress towards completion of the course (used for noncredit courses only and is not supplanted by any other symbol). The SP grade provides students with a tangible measure of their progress that allows them to monitor their progress.

**IMPROVEMENT OF GRADES**

Beginning in the Summer 2004 term, courses in which substandard grades of “D”, “F”, or “No Pass” were earned by the student, are allowed to be repeated only once. Students will be blocked from registering a third time for the same course if two substandard grades (D, F, or NP) have been recorded in previous grading periods. A student who wishes to enroll in a course for a third time will need to complete a Request for Third Enrollment Form with a counselor. Third enrollment petitions are available in the Counseling Office and must be filed no later than the end of the first week of that term in which the class is to be repeated.

When a course in which a D grade was received is repeated, the student will receive the new grade and grade points earned but will receive no additional units for the course.

When a course in which A, F or NP grade was received is repeated, the student will be given both the units and grade points earned.

Courses in which the student has earned a C or better (including P) may not be repeated for improvement of grade.
ACADEMIC PROBATION AND DISMISSAL
A student shall be placed on academic probation if he or she has attempted a minimum of 12 semester units of work at the college and has earned a cumulative grade point average of less than 2.0 (“C”).

A student who is on academic probation shall be subject to dismissal for one calendar year if the student has earned a cumulative grade point average at the college of less than 2.0 in all units attempted in each of three (3) consecutive semesters.

A student on academic probation shall be removed from probation when the student’s accumulated grade point average of courses taken at the college is 2.0 or higher.

PROGRESS PROBATION AND DISMISSAL
A student shall be placed on progress probation if he or she has enrolled in a total of at least 12 semester units at the college and the percentage of all units in which the student has enrolled, for which entries of “W”, “I” and “NP” were recorded reaches or exceeds fifty percent (50%).

A student who is on progress probation shall be subject to dismissal for one calendar year if the cumulative percentage of units in which the student has been enrolled at the college for which entries of “W”, “I”, and “NP” are recorded in at least three (3) consecutive semesters reaches fifty percent (50%) or more.

A student on progress probation shall be removed from probation when the percentage of units taken at the college in the categories of “W”, “I”, and “NP” drops below fifty percent (50%).

HONORS PROGRAM

ABOUT THE HONORS PROGRAM
If you are a highly motivated or an accomplished student and would like your education at MJC to prepare you to compete well at the highest university levels, then the MJC Honors Program may be for you. This program is meant to further promote excellence by honing the skills and talents of our intellectually gifted, uniquely creative, and academically committed students. Honors students are challenged and guided by honors faculty to delve deeper, think more critically, and argue more persuasively. These students also have the opportunity to meet other gifted students and experience the spirit and encouragement of such a like-mindedly determined cohort.

BENEFITS OF PARTICIPATING
Besides the experience of an enhanced education and being better prepared to compete at the university level, students who graduate from the program will gain any number of perks through enhanced transfer agreements.

HONORS PROGRAM BENEFITS
- Priority admission and registration at transfer institutions
- Scholarships granted by some CSU and UC institutions
- Continuation of the honors experience at the transfer institution
- Invitations to college and university receptions and special events
- Guaranteed housing
- Priority admission into English 101 at MJC for students who meet appropriate Honors Program deadlines

HONORS UNITS
Honors units are units of coursework that you complete in order to demonstrate that you are academically competent in strategically challenging courses. Honors units are not additional units to be completed, but rather overlap your existing educational plan. You will work with a counselor and the Honors Program Coordinator to select appropriate courses.

HONORS CONTRACTS
Many instructors at MJC are willing to give you individual attention by enhancing a course to be at honors level. Once an agreement is established this is referred to as an honors contract. Once you are accepted into the honors program, you will be expected to initiate contracts with instructors. A list of participating instructors is available from the Honors Program Coordinator. Honors contracts may only be established in 3 unit or more courses numbered 100-299 (transferable).

PROOF OF PARTICIPATION HONORS
Honors work completed will be noted on your official MJC transcript.
TO APPLY TO THE PROGRAM:

1. Make an appointment with the Honors Program Coordinator in Founders Hall 120M.

2. To receive an Honors Program application packet contact Eva Mo at moe@yosemite.edu. In this application you will need to demonstrate the following:
   a. Completion of Library Research Skills Modules 1, 2, and 3. Module 1 (LIBR 901) must be completed when submitting application. Modules 2 and 3 (LIBR 902 and 903) must be completed by the end of the first semester. These modules can be completed at any time during the official semester (if you want to apply for next semester, we recommend you complete them the semester before or you can complete them in the first week of classes). To find them, do a regular class search for MLIBR-901, MLIBR-902, and MLIBR-903. These modules must be taken in order, and will take about two to four hours to complete each for students working at honors level.
   b. One letter of recommendation (see application).
   c. One ‘statement of purpose’ 500-word essay (see application).

3. Attend honors orientation the first week of classes. (Save the Date: Honors orientation always occurs the Friday of the first week of classes at 10:30 a.m.).

TO REMAIN IN THE PROGRAM:

1. You will need to have completed, or complete within the first semester in the program, English 100 or English 101.

2. Maintain a 3.25+ GPA or demonstrate semester to semester improvement in GPA.

TO COMPLETE THE PROGRAM:

1. You will need to meet the 3.25 GPA exit requirement

2. 5 Honors Contracts from 3+ unit transfer level courses

3. File an application to graduate from the Honors Program by February if spring graduation, and by October if fall graduation.

STUDENTS WHO COMPLETE THE HONORS PROGRAM WILL RECEIVE:

- A certificate celebrating the accomplishment
- Honors Scholar chord(s) and inscribed medal for graduation and notation in the graduation program
- Transcripts that note their honors work
- Access to multiple university transfer agreements and scholarships (depending on GPA, some top universities require a higher exit GPA)
- The opportunity to develop strong scholastic relationships with professors which can lead to powerful letters of recommendation.

COURSE AUDIT

Board Policy 4070 allows a student to take a course without receiving credit, a grade, or a formal record of the class. A course audit is used when a student wants to review a course taken previously and obtained a passing grade. This is available only to students who have met the repeat limitation on an existing course. Students must wait until the first day of classes to process an application for course audit. To start the Course Audit process the student should visit the Enrollment Services Office in the Student Services Building, Room 102 and obtain an application.

ACADEMIC RENEWAL REGULATION

Modesto Junior College regulations permit the removal of coursework completed at MJC which is substandard and not reflective of a student’s present scholastic ability and level of performance. The grades will be disregarded in the computation of grade point averages.

Substandard coursework completed at MJC (grades of “D”, “F”, “NP”, and/or “NC”) may be disregarded under the following conditions:

- A period of at least one year has elapsed since the work to be disregarded was completed.
- The coursework to be disregarded does not include courses previously used to establish eligibility for transfer, graduation, or certificates of achievement.
- The student has completed at MJC or another accredited college, since the coursework to be disregarded was completed, at least 15-29 semester units with at least a 3.0 GPA, 30-44 semester units with at least a 2.5 GPA, or 45 or more semester units with at least a 2.0 GPA.
- You can only academically renew the most recent attempt in a course which has a substandard grade (D, F, NP, and/or NC).
- Up to 24 units of coursework may be eliminated from consideration in the cumulative GPA.
- Academic renewals are irreversible.

Students wishing to use the academic renewal procedure should submit an Application for Academic Renewal. Applications may be emailed or are available at the Enrollment Services Office or online at https://www.mjc.edu/studentservices/forms.

Note: When work is disregarded under the conditions above, the permanent academic record shall be annotated in such a manner that all coursework remains legible, ensuring a complete academic history.

UNITS OF CREDIT

Units awarded for a course depend on the number of lecture, lab, and lecture/lab hours in the course. Typically, 17.5 hours of lecture with 35 additional hours of outside work, or 52.5 hours of lab produce one unit of credit. A student’s weekly workload for a full-semester course will be roughly three times the number of units of credit to be earned. So a typical 3-unit lecture course requires nine hours per week: 3 hours of lecture and 6 hours of outside work.
RECOMMENDED STUDY LOADS/EXCESSIVE UNITS

A typical student load is 12 to 16 units of work per semester. A heavier or lighter study load may be recommended by a student’s advisor or counselor. In no case will a student be enrolled in more than 18 (12 units for summer) units of work without approval of an MJC counselor. Students on probation or dismissed status may be limited to the work load judged most suitable for them. Petition forms for excess units can be obtained in Counseling Center.

LIMIT ON REMEDIAL COURSEWORK

Except as specifically exempted, students may not receive credit for more than 30 units of remedial coursework in math (MATH), English (ENGL), and reading (READ) courses numbered 1-49.

EXEMPTIONS

The following students will be exempt from the limit:

- Students enrolled in one or more courses of English Language Instruction for College (ELIC).
- Students identified by a college in the district as having a learning disability.

Students may be granted a waiver to the limitation upon petition to a college in the district. Waivers will be granted only when the student shows significant and measurable progress toward the development of skills necessary for college-level courses. Such waivers will be given only for a specified period of time or for a specified number of units. Students who are blocked from enrollment because of excessive remedial units should contact the Counseling Center, Student Services Building, Room 226.

CREDIT FROM OTHER INSTITUTIONS

Lower division credit will be accepted from institutions which are regionally accredited by one of the accrediting associations listed below. These associations have been recognized as reliable authorities ensuring that the institutions that they accredit meet minimum levels of educational quality. MJC recognizes those institutions that are either fully accredited or listed as a candidate for accreditation.

CREDIT FOR MILITARY SERVICE

Veterans and reservists who have completed basic training will receive three units of Health Education credit and two units of Physical Education credit upon presentation of their separation papers to the Veterans Services Office. Credit for military schools will be granted if it is recommended in the “Guide to the Evaluation of Educational Experiences in the Armed Services.”

Up to 18 units of credit may be awarded for USAFI (United States Armed Forces Institute) courses.

TRANSCRIPTS

Students are responsible for providing official documentation of pre-Veterans and reservists who have completed basic training will receive three units of Health Education credit and two units of Physical Education credit upon presentation of their separation papers to the Veterans Services Office. Credit for military schools will be granted if it is recommended in the “Guide to the Evaluation of Educational Experiences in the Armed Services.”

Up to 18 units of credit may be awarded for USAFI (United States Armed Forces Institute) courses. Veterans Office will accept hand-carried transcripts that are in an unopened and sealed envelope. Transcripts can also be mailed directly to the MJC Enrollment Services Office. Transcripts submitted become the property of MJC and cannot be returned to the student, copied, nor forwarded to other colleges.

Students must submit a Transfer Work Evaluation Request if they plan to use any completed courses from other colleges to satisfy MJC graduation, general education, prerequisites and/or core matriculation requirements (assessment). It is recommended that students submit official transcripts to MJC at least six weeks prior to their registration date to ensure their request is processed in a timely manner.
“GENEX 000”

GENEX 000 courses appear on the transcript to indicate transfer courses for which you have been granted transfer credit, without Modesto Junior College equivalent course credits. If you believe a course placed in GENEX 000 is equivalent to a specific MJC course you may contact the appropriate division office and submit a Course Equivalency Petition. At the time of submission you must also include a course description, syllabus and/or any other supporting documentation to substantiate your request.

**CREDIT FROM FOREIGN INSTITUTIONS**

The Evaluations Office does not evaluate international transcripts. Foreign transcripts must be evaluated by a National Associate in Credential Evaluation Services (NACES) affiliated foreign transcript service before they are submitted to MJC. The cost of the evaluation is the responsibility of the student. A maximum of 30 units can be accepted through this process. The Enrollment Services Office has a list of transcript services.

**What must be included in a foreign transcript evaluation?**

- A detailed equivalency report that indicates for each course and the U.S. semester unit equivalency.
- The grade the student earned for each course.
- A course-by-course analysis.
- Course characteristics with distinction between lower and upper division coursework.

**WHAT SHOULD YOU DO BEFORE GETTING YOUR FOREIGN TRANSCRIPT EVALUATED?**

It is recommended that you meet with an academic counselor or the division offices that offer the courses before requesting transcript evaluation to help determine whether it is worthwhile to pay a transcript evaluation fee, depending on the selected program of study and your previous coursework.

Requests for equivalencies should be made directly to the MJC division offices that offer the courses. You should submit as much information about the classes as possible. When requesting equivalency from a division, students should include:

- Course descriptions provided by the transfer institution.
- Course syllabi with lecture and or lab hours, any prerequisites.
- Any other course information available.

Only lower division courses will be considered for equivalency by the MJC divisions. All grades of C or better will be converted to a Pass grade. These units will not be counted toward the student’s GPA. Please note: Foreign coursework will NOT be used to satisfy the following items:

- Reading and Written Expression or Oral Communication requirements for an associate degree.
- U.S. History/Government requirement or CSU/UC General Education requirements for transfer.

Possessing a foreign degree comparable to a bachelor’s degree or higher does not satisfy the general education, competency requirements, and guidance and activities requirement for an associate degree at MJC without approved course equivalencies.
CREDIT BY EXAMINATION

TO BEGIN THE CREDIT BY EXAMINATION PROCESS:

Students can obtain the credit by examination form in the Enrollment Services Office, Student Services Building, Room 102. Confer with the Academic Dean of the course subject area. Credit by examination is not available for all courses. Check with the dean to determine if the course you wish to challenge is available for Credit by Examination. A student who wishes to file for the pass/no pass option must submit this request at the time the Credit for Examination Petition is filed after the Division has approved the Credit by Examination Petition.

Pay the current per-unit* enrollment fee (or have it waived if you are on financial aid) for each course at the MJC Business Office and bring the receipt to the Division Office.

Arrange a time and location for the examination with the Dean or instructor designated by the Dean.

Units earned by examination do not count towards the residence requirement for graduation nor do they count toward full-time status. A “W” will not be recorded on the academic record of the student who fails the exam.

TO BE ELIGIBLE FOR CREDIT BY EXAMINATION

- A student must be registered in other Modesto Junior College credit course(s) at the time the course is challenged.

REQUIREMENTS TO CHALLENGE A COURSE FOR CREDIT BY EXAMINATION:

1. Registration in other MJC credit course(s) at the time course is challenged.
2. Must be in good standing by showing a cumulative grade point average (GPA) of no less than 2.0.
3. A course may earn a letter grade or be eligible for pass/no pass. *Please verify if course is eligible for pass/no pass.
4. Units earned by examination do not count toward the residence requirement nor do they count toward full-time status.

CREDIT BY EXAMINATION WILL NOT BE GRANTED FOR A COURSE:

1. If the units granted would cause the student to have completed more than 30 units of Credit by Examination.
2. In which a student is currently enrolled.
3. In which a student has received a letter grade or a “W”.
4. That is below the student’s academic level or below course completed.

A student may petition for credit by examination in appropriate courses as determined by the academic division or area.

ABOUT MJC AWARDS
The Board of Trustees of the District shall award the associate in arts degree, the associate in science degree, and the certificate of achievement to applicants upon the satisfactory completion of the requirements as listed in this catalog.

PHILOSOPHY OF THE ASSOCIATE'S DEGREE AND GENERAL EDUCATION
(a) The governing board of a community college district shall adopt a policy which states its specific philosophy on General Education. In developing this policy governing boards shall consider the following policy of the Board of Governors:

The awarding of an associate degree is intended to represent more than an accumulation of units. It is to symbolize a successful attempt on the part of the college to lead students through patterns of learning experiences designed to develop certain capabilities and insights.

Among these are the ability to think and to communicate clearly and effectively both orally and in writing; to use mathematics; to be aware of other cultures and times; to achieve insights gained through experience in thinking about ethical problems; and to develop the capacity for self-understanding. In addition to these accomplishments, the student shall possess sufficient depth in some field of knowledge to contribute to lifetime interest.

Central to an associate degree, General Education is designed to introduce students to the variety of means through which people comprehend the modern world. It reflects the conviction of colleges that those who receive their degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. College educated persons must be able to use this knowledge when evaluating and appreciating the physical environment, and the culture and the society in which they live. Most importantly, General Education should lead to better self-understanding.

In establishing or modifying a general education program, ways shall be sought to create coherence and integration among the separate requirements. It is also desirable that general education programs involve students actively in examining values inherent in proposed solutions to major social problems.

(b) The governing board of a community college district shall also establish criteria to determine which courses may be used to implementing its philosophy on the associate degree and general education.

(c) The governing board of a community college district shall, on a regular basis, review the policy and criteria established pursuant to subsections (a) and (b) of this section.

Reaffirmed by the MJC Curriculum Committee, 2/20/2018

EARNING MULTIPLE ASSOCIATE'S DEGREES
A student may earn more than one associate in arts and/or associate in science degree from Modesto Junior College. A course used for a prescribed graduation requirement or to meet general education requirements may count toward more than one degree. In addition, a student may not earn an AA and an AS in the same program.

APPLYING FOR AN ASSOCIATE'S DEGREE OR CERTIFICATE ACHIEVEMENT
A candidate for an associate in arts degree, associate in science degree or a certificate of achievement must file an application for the degree or certificate in the Enrollment Services Office once the student is enrolled in his or her last semester of program completion. Students will be notified by student email with the status of their application. No student, however, is a candidate for graduation until the degree or certificate application is completed. Graduation ceremonies for degree candidates are held at the end of the spring semester each year. Awards will be dated at the end of the semester in which the qualified student applies, but will not be available until approximately two months after the end of the term. Once awards have been printed, students will be notified via student email. A photo ID is required and awards will not be released if the student owes money to the college.

DEADLINES
Degree and certificate applications will be accepted during the filing period for each term. Any applications submitted after the term deadline will be processed with the upcoming term. Application deadlines can be found on the Evaluations webpage under Degrees and Certificates.

GRADUATION CEREMONY FOR ASSOCIATE DEGREE EARNERS
Instructions for graduating will be outlined in an early spring edition of the Graduation Newsletter. The Graduation Newsletter includes information about commencement exercise, student speakers, graduation luncheon, graduating with honors, graduation fees, caps, gowns and announcements.
Transcripts and Academic Records

OFFICIAL TRANSCRIPTS
Modesto Junior College offers an online transcript request 24/7 process via The National Student Clearinghouse. All current and former students can order an official transcript at their convenience through the MJC website. There are several types of processing options available. Check online for details on how to have transcripts sent from MJC.

- Each transcript request must be submitted via the college website, or completing a Free Transcript Request Form by the student to the Enrollment Services Office.
- Each transcript will include the student's entire record of courses completed at MJC.

Official transcripts or records earned at other institutions which have been presented for admissions or evaluations become part of the student's permanent record and are not issued or copied for distribution.

Official transcripts will not be issued for students who have a financial obligation to the college or any other type of hold on their records. Any financial obligation to the college should be resolved in Business Services.

To comply with the student privacy laws, transcripts cannot be sent in response to telephone requests. Transcripts cannot be issued without written consent or release signed by the student with the exception of transcripts being sent directly to another educational institution.

Students are advised to submit official previous high school (once graduation date is posted) transcripts as soon as they apply for admission to MJC. These transcripts become the property of MJC and cannot be returned to the student, copied, nor forwarded to other colleges.

Official transcripts are those that are electronically transmitted from regionally accredited institutions utilizing approved electronic transmittal systems or those that are delivered in an unopened, sealed envelope from the issuing institution. Contact the Enrollment Services Office for additional information on electronic submission.

Upon receipt of outside transcripts, students will be notified via the college issued student email that their transcripts have been received. In order to have a full evaluation of a transcript, students must submit a Transfer Work Evaluation Request Form. The evaluation request form is attached to the email notification. This important evaluation provides information to the student and counselor about course work completed at other colleges. For more information, call the Evaluations Office at (209) 575-6605 or talk to your counselor.

REPORT CARDS
Report cards are not issued at MJC. Grades are posted online at PiratesNet. As soon as instructors enter their grades and the Enrollment Services Office verifies them, they are available at https://piratesnet.mjc.edu

ENROLLMENT AND GRADE VERIFICATION
Enrollment verifications and grade verifications will be issued upon written request to the Enrollment Services Office. Students should allow at least ten (10) working days for the processing of verifications.

To comply with student privacy laws, students must request verifications by completing and signing a Verification Request Form, available in the Enrollment Services Office.

Verifications will not be issued for students who have a financial obligation to the college or any other type of hold on their records. Any financial obligation to the college should be resolved in the Business Services Office. Photo identification is also required to release the verification. For additional information on requesting MJC verifications, contact the Enrollment Services Office (209) 575-6853.

DEGREE VERIFICATION
Modesto Junior College has authorized the National Student Clearinghouse to provide enrollment and degree verifications. Please visit www.degreeverify.org for pricing and more information.

ACADEMIC RECORDS REGULATIONS
Responsibility for student records rests with the Enrollment Services Office. However, each college department which houses student records is charged with maintaining their privacy and access according to college policy. Division deans are responsible for certain student files when those students are enrolled in majors within the dean’s division. Students may find files that pertain to them in the division office of their academic major. In addition, student information is maintained under the supervision of the Vice President of College and Administrative Services (student financial responsibility), Vice President of Student Services (financial aid, counseling materials), Vice President of Instruction, (apprenticeship, community services, work experience), and the Dean of Student Services (all permanent academic files).
PRIVACY RIGHTS OF MODESTO JUNIOR COLLEGE STUDENTS: ANNUAL NOTIFICATION

Notification of Rights under FERPA:

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution at any age.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day Modesto Junior College receives a request for access.

   A student should submit to the Director of Admissions and Records or college designee, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

   A student who wishes to ask Modesto Junior College to amend a record should contact the Director of Admissions & Records, and clearly identify the part of the record the student wants changed, and specify why it should be changed.

   If the college decides not to amend the record as requested, the college will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before Modesto Junior College discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

   Modesto Junior College discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by Modesto Junior College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the college who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the college.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Modesto Junior College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC 20202

FERPA permits the disclosure of PII from students’ education records, without consent of the student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, § 99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student:

- To other school officials, including faculty, within Modesto Junior College whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B) - (a)(1)(i)(B) (3) are met. (§ 99.31(a)(1))

- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))

- To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of $99.35, in connection with an audit or evaluation of Federal- or State supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§ 99.31(a)(3) and 99.35)

- In connection with financial aid for which the student has
applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))

■ To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))

■ To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))

■ To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))

■ To comply with a judicial order or lawfully issued subpoena. (§ 99.31(a)(9))

■ To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§99.31(a)(10))

■ Information the school has designated as ‘directory information’ under § 99.37. (§99.31(a)(11))

■ To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of § 99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))

■ To the general public, the final results of a disciplinary proceeding, subject to the requirements of § 99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school’s rules or policies with respect to the allegation made against him or her. (§ 99.31(a)(14))

■ To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. AP Credit (Advanced Placement)

Modesto Junior College honors College Board Advanced Placement (AP)® examination scores of 3, 4, or 5 and will grant credit where appropriate in accordance with the following policies and procedures.

TO REQUEST OFFICIAL AP SCORE REPORTS

1. Complete an Application to Enroll at MJC. AP scores can only be used for academic credit by enrolled MJC students.
2. Using MJC’s 4-digit college ID (4486), visit the College Board AP Program website to request that an official AP Score Report be sent to the address below. Fees may be required.
3. Allow 4-6 weeks before logging in to PiratesNet to check your unofficial transcript. You will see how your AP scores have been interpreted in accordance with MJC policy. For example, a student who has successfully completed the AP Biology examination will see this on the transcript:

<table>
<thead>
<tr>
<th>Course ID</th>
<th>Course Name</th>
<th>Units Attempted</th>
<th>Units Earned</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>APT-BIOL</td>
<td>AP Biology</td>
<td>0</td>
<td>4</td>
<td>P</td>
</tr>
</tbody>
</table>

AP SCORE REPORT EVALUATION PROCESS

Upon MJC receipt of the AP Score Report, AP Examination scores of 3, 4, or 5 will automatically:

- Apply as elective unit credit to the 60 units required for associate degree
- Be used to satisfy General Education breadth area and unit requirements as indicated on the AP Grid on the following page.

USING AP SCORES FOR OTHER MJC REQUIREMENTS

FOR DEGREES, CERTIFICATES, OR SKILLS RECOGNITION REQUIREMENTS

To use an AP score to satisfy a course requirement for an MJC award, follow the Course Substitution Process in use by the college division that offers the course. Visit the division office to get a Course Substitution form.

TO SATISFY PREREQUISITES FOR COURSES

To use an AP examination score to satisfy a course prerequisite, students will need to request and complete a Prerequisite Challenge Petition in the division office offering the course. TRANSFER CAUTION: CSU and UC policies vary on the use of AP credit to satisfy academic requirements. Students who use AP scores to satisfy prerequisites at MJC may encounter later challenges meeting academic requirements at the transfer institution. Students should review AP credit policies at their targeted transfer institutions before attempting to use AP credit to satisfy prerequisites at MJC.

TRANSFERRING WITH AP CREDIT

If the student plans to transfer to a public or private university to pursue a baccalaureate degree, bear in mind that AP credit-granting policies vary at each institution for:

- admission
- major requirements
- prerequisites
- baccalaureate degree requirements
- GE Breadth requirements

To learn about AP credit-granting policies upheld by transfer institutions, students should meet with an MJC counselor and research AP policies on the Internet.

- University of California (UC) AP Credit Policy: http://admission.universityofcalifornia.edu/counselors/exam-credit/ap-credits/
- California State University (CSU) AP Credit Policy: http://calstate.edu/transfer/requirements/AdvancedPlacementAP-Courses.shtml

MJC students who have earned course credit at MJC for an AP exam should not take the comparable MJC course. Transfer credit will not be granted for both.

CSU-GE BREADTH - AP CREDIT

Because the CSU system honors full or area CSU-GE “breadth certifications” from MJC for the baccalaureate degree, certifications showing that AP scores were used to satisfy MJC’s CSU-GE requirements will also satisfy the transfer CSU’s breadth requirement for baccalaureate degree. For more information on the CSU-GE Certification process and AP examinations, visit the Counseling Office, Student Services Building, Room 226. (CSU Executive Order 1036, Section 1.2.4)

IGETC BREADTH - AP CREDIT RULES AND EXCEPTIONS

AP Exam scores do not expire and can therefore be used to satisfy IGETC requirements regardless of when the exams were taken so long as that examination is still honored by IGETC. AP exam scores of 3, 4, or 5 can be used to satisfy one IGETC area course requirement, with the exception of the following:

- AP credit from a foreign language exam may be used to satisfy IGETC: 6A Language other than English and IGETC 3B: Humanities
- AP credit cannot be used to satisfy IGETC:1B Critical Thinking
- AP credit cannot be used to satisfy IGETC:1C Oral Communication

IB Credit (International Baccalaureate)

Modesto Junior College honors and applies many International Baccalaureate (IB) exam scores toward the fulfillment of college requirements and will grant credit in accordance with the following policies and procedures.

TO REQUEST IB DIPLOMA PROGRAM TRANSCRIPTS FOR MJC

1. Complete an application to enroll at MJC. IB scores can only be used for academic credit by enrolled MJC students.

2. Contact the IB Diploma Program Coordinator at the high school attended to request that the student's official Diploma Program transcript be sent to:

   Enrollment Services
   Modesto Junior College
   435 College Avenue
   Modesto, CA 95350

   For more information: http://www.ibo.org/en/programmes

3. Allow 4-6 weeks before logging in to Piratesnet to check your unofficial transcript. You will see how your IB scores have been interpreted in accordance with MJC policy. For example, a student who has successfully completed the IB Biology examination will see this on the transcript:

- Units earned from IB exams will not be considered units earned through "Credit by Examination" and therefore are not subject to the college's maximum of 30 Credit by Examination units.

IB RESTRICTIONS

- Only Higher Level (HL) exams can be used to satisfy requirements.
- Credit earned for IB exams cannot be used in lieu of MJC Assessment test scores to place into courses with prerequisites in English, reading or math. Students must complete the MJC Assessment process to ensure accurate placement.
- Units earned from IB exams cannot be used to satisfy the college's Twelve-Units-in-Residence requirement for associate degree.
- Units earned from IB exams cannot be used as evidence of enrollment at MJC in order to satisfy eligibility criteria for financial aid, veterans programs, or EOP&S.

CLEP Credit (College-Level Examination Program)

Modesto Junior College and California Community Colleges apply credit earned through College-Level Examination Program (CLEP) exam scores to satisfy some academic requirements. MJC grants credit in accordance with the following policies and procedures.

**REQUEST CLEP SCORES**

1. Complete an application to enroll at MJC. CLEP scores can only be used for academic credit by currently enrolled MJC students.

2. Visit the CLEP website at [https://clep.collegeboard.org/exams](https://clep.collegeboard.org/exams) to learn how to request that your scores be sent to MJC. This may require a fee. Have CLEP scores sent to:

   **Enrollment Services**
   Modesto Junior College
   435 College Avenue
   Modesto, CA 95350

3. Allow 4-6 weeks, then log in to Piratesnet to see how your CLEP scores have been interpreted in accordance with MJC policy. For example, a student who has successfully completed the CLEP exam in Biology will see this on the transcript:

**CLEP DIPLOMA PROGRAM EVALUATION PROCESS**

Upon MJC’s receipt of CLEP Scores that adhere to the minimum in the CLEP Credit Crosswalk on the following page will automatically:

- be used to satisfy General Education breadth area and unit requirements as indicated

**USING CLEP SCORES TO SATISFY MJC REQUIREMENTS**

In Degrees, Certificates, or Skills Recognition Awards

To use a CLEP score to satisfy a course requirement for an MJC award, follow the Course Substitution Process upheld by the college division that offers the course. Visit the division office to get a Course Substitution form.

To Satisfy Prerequisites for Courses

To use CLEP examination score to satisfy a course prerequisite, students will need to request and complete a Prerequisite Challenge Petition in the division office offering the course.

**TRANSFERRING WITH CLEP CREDIT**

If the student plans to transfer to a public or private university to pursue a baccalaureate degree, bear in mind that CLEP credit-granting policies vary at each institution for:

- prerequisites
- baccalaureate degree requirements
- GE Breadth requirements

To learn about CLEP credit-granting policies upheld by transfer institutions, students should meet with an MJC counselor to research university CLEP policies on the Internet.

MJC students who have used the Course Substitution Process or the Prerequisite Challenge process to satisfy program or prerequisite requirements should not take the comparable MJC course. Transfer credit will not be granted for both.

**TRANSFER CAUTION**

UC does not accept CLEP or DANTES Subject Standardized Tests (DSST) exams. CSU requires a passing score of at least 50 on the CLEP exam. Each campus in the CSU system determines how it will apply external examinations toward credit in the major. For students not already certified in GE (General Education) and/or American Institutions, the campus also determines how to apply credit from such exams toward the local degree requirement. Students who use CLEP scores to satisfy prerequisites at MJC may encounter later challenges meeting academic requirements at the transfer institution. Students should review CLEP credit policies at their targeted transfer institutions before attempting to use CLEP to satisfy prerequisites at MJC.

**CLEP ALLOWANCES AND RESTRICTIONS**

- Units earned from CLEP exams, while recorded as "pass/no pass" or "P/NP" units on the transcript, are not subject to the college maximum of 14 units of P/NP grading.
- Units earned from CLEP exams will not be considered units earned through "Credit by Examination", and therefore are not subject to the college's maximum of 30 Credit by Examination units.
- CLEP cannot be used with the IGETC pattern. (IGETC Standards 1.9, 5/21/2018)

**CLEP RESTRICTIONS**

- Units earned from CLEP exams cannot be used to satisfy the college's Twelve-Units-in-Residence requirement for associate degree.
- Units earned from CLEP exams cannot be used as evidence of enrollment at MJC in order to satisfy eligibility criteria for financial aid, veterans programs, or EOP&S.

**CSU-GE BREADTH - CLEP CREDIT**

Because the CSU system honors full or area CSU-GE "breadth certifications" from MJC for the baccalaureate degree, certifications showing that CLEP scores were used to satisfy MJC’s CSU-GE requirements will also satisfy the transfer CSU’s breadth requirement for baccalaureate degree. For more information on the CSU-GE Certification process and CLEP examinations, visit the Counseling Office, Student Services Building, Room 226. (CSU Executive Order 1036, Section 1.2.4)
