## Work Experience - Vocational

Contact Division Dean for Respective Major

Concurrent enrollment in a minimum of 7 units including Vocational Work Experience and completion or concurrent enrollment in one core or core option course in designated program. Vocational Work Experience programs are designated to provide extended learning opportunities in students’ chosen occupational fields. Work must directly relate to the students are of study. Vocational work experience classes may be available in all discipline areas using the number 349 A, B, C, D (with the exception of Administration of Justice, Agriculture, and Nursing). Students who are interested must contact the Division Dean for their respective major and their chosen occupational field. Please refer to the MJC catalog or the course section of this section of this schedule for the list of Academic Departments and Divisions.
