*Certificates and degrees are issued by the college. Permits are issued by the Commission on Teacher Credentialing (CTC). The MJC Child Development program is aligned with the CTC requirements for the permits with the same names as our certificates. Permits also require experience working with children. See the back side of **this document** for further explanation of the Child Development Permit structure and requirements.*

- * These courses **are** prerequisites for succeeding courses. See catalog for specific course pre-requisites.
- ** These courses **have** prerequisites. Refer to the catalog for specific prerequisites.

AS-T Graduation Requirements for Child Development Transfer Majors

Certificates are earned as you complete the course work with a grade of “C” or better. Permits also require specific days of experience. *Note: The AS-T waives the requirement for Guidance and Activities. Students will not be required to take these courses.* We have provided a semester sequence to assist you in your success. You are free to make adjustments to fit your needs. Taking courses during each summer session lightens the regular semester load.

Fill in your grade to indicate that you have completed the course.
